Item 5.07 Submission of Matters to a Vote of Security Holders

Core Laboratories N.V. (the "Company") held its Annual Meeting of Shareholders (the "Annual Meeting") on May 19, 2016 in Amsterdam, The Netherlands. At the Annual Meeting, the Company's shareholders were requested: (1) to re-elect two Class II Supervisory Directors and to elect one new Class II Supervisory Director to serve under the terms and conditions described within the proxy statement until our annual meeting in 2019 and until their successors shall have been duly elected and qualified; (2) to elect a new additional Class I Supervisory Director to serve until our annual meeting in 2020, pending approval and implementation of agenda item no. 3 below, or in the event agenda item no. 3 is not approved, to serve as a Class II Supervisory Director until our annual meeting in 2019 and until a successor shall have been duly elected and qualified, in each case under the terms and conditions described within the proxy statement and with effect from July 1, 2016; (3) to amend article 16, sub-article 15 of our articles of association to read in its entirety, as follows (the following being an English translation of the official Dutch text): "The supervisory board shall institute a retirement rota in order to preclude, to the extent possible, a situation in which a substantial number of supervisory directors retire simultaneously or the composition of the supervisory board is not properly constituted in the opinion of the supervisory board. A supervisory director may be appointed for a term, not to exceed four years, consistent with this retirement rota and as necessary in order to accomplish these goals. With due observance of the preceding sentences, each supervisory director shall be eligible for immediate re-appointment. The rota shall be made available and shall, in any event, be put on the Company's website. A member of the supervisory board shall be re-appointed only after careful consideration."; (4) to approve, on an advisory basis, the compensation philosophy, policies and procedures described in the section entitled Compensation Discussion and Analysis in our filed proxy statement, and the compensation of Core Laboratories N.V.'s named executive officers as disclosed pursuant to the Security and Exchange Commission's compensation disclosure rules, including the compensation tables; (5) to confirm and adopt our Dutch Statutory Annual Accounts in the English language for the fiscal year ended December 31, 2015, following a discussion of our Dutch Report of the Management Board for that same period; (6) to approve and resolve the cancellation of our repurchased shares held at 12:01 a.m. CEST on May 19, 2016; (7) to approve and resolve the extension of the existing authority to repurchase up to 10% of our issued share capital from time to time for an 18-month period, until November 19, 2017, and such repurchased shares may be used for any legal purpose; (8) to approve and resolve the extension of the authority to issue shares and/or to grant rights (including options to purchase) with respect to our common and preference shares up to a maximum of 10% of outstanding shares per annum until November 19, 2017; (9) to approve and resolve the extension of the authority to limit or exclude the preemptive rights of the holders of our common shares and/or preference shares up to a maximum of 10% of outstanding shares per annum until November 19, 2017.
