Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

SOLICITATION OF PROXIES

Your proxy in the form enclosed is solicited by the Board of Directors of Alternative Technology Resources, Inc. (the "Company") for use in voting at the Annual Meeting of Stockholders to be held on Wednesday, December 3, 2003, at 10:00 a.m. local time, at the Company's Sacramento office located at 629 J Street, Sacramento, California 95814. This Proxy Statement and the accompanying form of proxy are being mailed to stockholders on or about October 28, 2003.

The expense of soliciting proxies will be borne by the Company. The principal solicitation of proxies is being made by mail and personal delivery. However, additional solicitations may be made by telephone, telegram or other means by directors, officers or employees of the Company. No additional compensation will be paid to these individuals for any such services.

In the case of employee stockholders located in the Company's office in Sacramento, California, and in the case of certain other stockholders (see "Certain Relationships and Related Transactions"), this Proxy Statement and related materials may be hand delivered.

VOTING SECURITIES

The Company is currently authorized to issue up to 100,000,000 shares of common stock, par value \$.01, and 1,200,000 shares of preferred stock, par value \$6.00, of which 2,000 shares have been designated as Series A Preferred Stock. The record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting is October 8, 2003, and as of such date 72,476,014 shares of common stock were issued and outstanding, and 1,232 shares of Series A Preferred Stock were issued and outstanding. Each share of common stock shall be entitled to one vote. The Series A Preferred Stock is not entitled vote at the Annual Meeting.

REQUIRED VOTE

The representation in person or by proxy of at least a majority of the outstanding shares of common stock entitled to vote is necessary to provide a quorum at the Annual Meeting. Abstentions and broker non-votes are counted as present in determining whether the quorum requirement is satisfied. For the election of directors, the nominees for director who receive the most votes will be elected. Stockholders may not cumulate their votes. With regard to the election of directors, votes may be cast "For" or "Withheld" for each nominee; votes that are withheld will be excluded entirely from the vote and will have no effect. For Proposal Two, the holders of the majority of the outstanding shares of common stock must vote in favor of the proposal. Brokers who hold shares in street name have the authority to vote in their discretion on "routine" items (such as for the election of directors) when they have not received instructions from beneficial owners. With respect to "non-routine" items, no broker may vote shares held for customers without specific instructions from such customers. For purposes of the Proposal Two, a broker non-vote is equivalent to a "no" vote.

1

REVOCABILITY OF PROXIES

Shares represented by a duly executed proxy in the accompanying form received by the Board of Directors prior to the Annual Meeting will be voted at the Annual Meeting. Any such proxy may be revoked at any time prior to exercise by written request delivered to the Secretary of the Company stating that the proxy is revoked, by the execution and submission of a later dated proxy, or by voting in

Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

person at the Annual Meeting. If a stockholder specifies a choice with respect to any matter to be voted upon by means of the accompanying form of proxy, the shares will be voted in accordance with the specification so made. If the endorsed proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted as recommended by the Board of Directors.

PROPOSAL NO. 1

NOMINATION AND ELECTION OF DIRECTORS

Our Bylaws authorize the Board of Directors to fix the number of directors between three and seven. The exact number of directors is currently fixed at three by resolution of the Board of Directors.

The Board of Directors nominees are Messrs. Alan Baron, Mark W. Rieger and Jeffrey McCormick, each to serve until the next Annual Meeting of Stockholders and until his successor shall be elected and qualified or until his earlier death, resignation or removal. Each of the nominees currently serves on the Board of Directors. If any nominee is not available for election, the Board of Directors will recommend the election of a substitute nominee and proxies in the accompanying form will be voted for the election of the substitute nominee unless authority to vote such proxies in the election of directors has been withheld. The Board of Directors has no reason to believe that any of the nominees will be unavailable for election.

During the last fiscal year, Messrs. James W. Cameron, Jr. and Edward L. Lammerding served as Directors of the Company. In addition, Mr. Lammerding also served on the Compensation Committee and the Audit Committee. Mr. Cameron resigned on June 30, 2003 and Mr. Lammerding declined re-election.

The following table indicates certain information concerning the nominees. There are no family relationships among any directors or executive officers.

COMMITTEES OF THE BOARD; MEETINGS AND ATTENDANCE

The Company has Compensation and Audit Committees. The Company does not have a Nominating Committee.

The Audit Committee met three times in fiscal year 2003. The Audit Committee provides advice and assistance regarding accounting, auditing and financial reporting practices of the Company. It reviews with the Company's independent auditors the scope and results of their audit, fees for services and independence in servicing the Company. In fiscal year 2003, the Audit Committee consisted of Mr. Lammerding.

From 1995 until November 2000, Mr. Edward L. Lammerding served as the Company's Chief Financial Officer. Because Mr. Lammerding was an officer of the Company during the last three years, he is not an independent director as defined by the NASD rules.

The Board of Directors has evaluated the above-described non-independent relationship and has determined in its business judgment that the best interest of the Company and its stockholders will be served by Mr. Lammerding's appointment to the Audit Committee. In light of the limited number of directors and that Mr. Lammerding was not compensated while serving as an officer, the

Board of Directors has determined, in its business judgment, that the prior relationship does not interfere with Mr. Lammerding's exercise of independent judgment.

In accordance with Securities and Exchange Commission regulations, the following

Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

is the Audit Committee Report. Such report is not deemed to be filed with the Securities and Exchange Commission.

AUDIT COMMITTEE REPORT

The Audit Committee oversees the financial reporting process for Alternative Technology Resources, Inc. on behalf of the Board of Directors. In fulfilling its oversight responsibilities, the Audit Committee reviewed the annual financial statements included in the annual report and filed with the Securities and Exchange Commission as well as the unaudited financial statements filed with the Company's quarterly reports on Form 10-Q.

In accordance with the Statements on Accounting Standards (SAS) No. 61, discussions were held with management and the independent auditors regarding the acceptability and the quality of the accounting principles used in the reports. These discussions included the clarity of the disclosures made therein, the underlying estimates and assumptions used in the financial reporting, and the reasonableness of the significant judgments and management decisions made in developing the financial statements. In addition, the Audit Committee has discussed with the independent auditors their independence from Alternative Technology Resources, Inc. and its management, including the matters in the written disclosures required by Independence Standards Board Standard No. 1.

The Audit Committee has also met and discussed with Alternative Technology Resources, Inc.'s management, and its independent auditors, issues related to the overall scope and objectives of the audits conducted, the internal controls used by Alternative Technology Resources, Inc., and the selection of Alternative Technology Resources, Inc.'s independent auditors. In addition, the Audit Committee discussed with the independent auditors with management present the specific results of audit investigations and examinations and the auditor's judgments regarding any and all of the above issues.

Pursuant to the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended June 30, 2003, for filing with the Securities and Exchange Commission.

Signed by the Audit Committee this 16th day of October 2003.

Edward L. Lammerding
Member

The Compensation Committee met once in fiscal year 2003. The Compensation Committee reviews and approves the compensation and benefits for our key executive officers, administers our stock option plans and makes recommendations to the Board of Directors regarding such matters. In fiscal year 2003, the Compensation Committee consisted of Mr. Lammerding.

During fiscal year 2003, the Board of Directors met four times and acted by unanimous written consent four times. All of our directors attended all the meetings of the Board of Directors and committees on which they served during fiscal year 2003.

COMPENSATION OF DIRECTORS

Directors do not receive cash compensation for serving as such; however, each Director can be granted annual stock options under the Company's 2002 Stock Option Plan. For fiscal year 2003, Messrs. Cameron, McCormick and Lammerding were granted options to purchase 25,000 shares of the Company's common stock at

Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

an exercise price equal to the fair market value on the date of grant.

PROPOSAL NO. 2

APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION CHANGING OUR CORPORATE NAME TO NATIONAL HEALTHCARE EXCHANGE SERVICES, INC.

The Board of Directors has unanimously adopted a resolution proposing an amendment to our Certificate of Incorporation to change the Company's corporate name from Alternative Technology Resources, Inc. to National Healthcare Exchange Services, Inc.

In December 1996, we changed our name to Alternative Technology Resources, Inc. for the purposes of providing foreign computer programmers. In August 1999, we identified what we believe to be a significant business opportunity in the healthcare industry and began developing a business model involving the establishment of the healthcare exchange. In line with our strategy to focus on the establishment of the healthcare exchange, we suspended recruitment of foreign computer programmers in December 1999 and began pursuing the conversion of foreign computer programmers to become employees of our customers. This conversion process was complete as of June 30, 2001, and we are no longer in that business. In order to conform our legal name to our current business, the Board of Directors proposes to amend Article I of our Certificate of Incorporation to change the Company's corporate name to National Healthcare Exchange Services, Inc. By approving this proposal, Article I of our Certificate of Incorporation would be amended to read as follows:

"FIRST: The name of the Corporation is National Healthcare Exchange, Inc."

VOTE REQUIRED

The affirmative vote of holders owning a majority of the outstanding shares at the record date is needed to approve the amendment to our Certificate of Incorporation. Unless otherwise directed, proxies in the accompanying form will be voted "FOR" the amendment to change our corporate name to National Healthcare Exchange Services, Inc.

If approved by the Company's shareholders, the amendment to the Company's Certificate of Incorporation to change the Company's name to National Healthcare Exchange Services, Inc. would become effective as soon as reasonably practicable after this annual meeting by our filing of an Certificate of Amendment with the Delaware Secretary of State.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS APPROVAL OF THIS PROPOSAL.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

FINANCING ARRANGEMENTS

On August 15, 2003, Mr. James W. Cameron, Jr., the Company's former Chairman and Chief Financial Officer, purchased 1,232 shares of the Company's Series A Preferred Stock, \$6.00 par value per share, at \$1,000 per share for an aggregate sum of \$1,232,000. The Series A Preferred Stock provides for a dividend preference of \$0.50 per share if and when declared by the Board of Directors, and a liquidation preference of \$6.00 per share. In addition, the shares of Series A Preferred Stock have no voting rights, except as required by law, and are not convertible into any other securities.

Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

As of June 30, 2003, the Company has received short-term, unsecured financing to fund our operations in the form of notes payable of \$5,555,109 from Mr. James W. Cameron, Jr., the Company's then Chairman and Chief Financial Officer, and another stockholder. These notes bear interest at 10.25%. On November 1, 2002, the Company agreed with Mr. Cameron to extend the due date on notes payable to him until December 31, 2003 in exchange for an extension fee of 2%. These extended notes total \$2,873,694, including accrued interest and extension fees, and bear interest at 10.25% per annum. Also on November 1, 2002, the Company agreed with the other note holder to extend the due date of his convertible promissory notes until December 31, 2003. These convertible promissory notes total \$2,681,415, including accrued interest, bear interest at 10.25% per annum and are convertible into common stock at \$3.00 per share at the note holder's option. During fiscal year 2003, Mr. Cameron loaned the Company an additional \$619,000 bearing interest at 10.25%, of which \$193,000 was repaid to Mr. Cameron in October 2002. Subsequent to fiscal year 2003, the notes payable in the amount of \$2,873,694, along with \$283,191 in accrued Series D Preferred Stock dividends owed by the Company, were assigned by Mr. Cameron to Mr. Baron, the Company's current Chairman. As of September 2003, Mr. Baron forgave all of the obligations under such notes including the \$283,191 in accrued Series D Preferred Stock dividends. In addition, of the convertible notes totaling \$2,681,415, the note holder agreed to convert \$2,344,704 of the outstanding principal and all accrued and unpaid interest under certain convertible notes into 3,086,043 shares of the Company's common stock leaving a total of \$336,711 outstanding.

During the period between January 9, 2002 and March 28, 2002, the Company sold 1,232,584 shares of its common stock at a purchase price of \$2.25 per share. The shares of common stock issued in the private placement are restricted securities. Proceeds, net of offering costs, were \$2,742,519. The proceeds from the private placement were used to fund operations and repay debt. Mr. Cameron, the Company's then Chairman and Chief Financial Officer, purchased 222,222 shares the Company's common stock in the private placement. Because the purchase price of such stock was less than the public trading price on the date of purchase, we recorded compensation expense of \$138,583 during fiscal year 2002. In October 2002, pursuant to the terms of this private placement and as a result of the October 2002 private placement at a purchase price lower than \$2.25, 1,540,729 additional shares were issued to these investors based on the October 2002 private placement price of \$1.00 per share. Compensation expense of \$347,222 was recorded for the additional shares issued to the Company's then Chairman and Chief Financial Officer.

As a result of the Company's July 2002 bridge financing in which we granted warrants equal to 30% of the loan at an exercise price of \$1.00 per share, the Company granted to the investors of the January 2002 and October 2002 private placements warrants to purchase 30% of their respective investment at an exercise price of \$1.00 per share. The Company's then chairman and chief financial officer, a participant in the private placement, received a warrant to purchase 150,000 shares of common stock at an exercise price of \$1.00 per share,

6

which was greater than the fair value of the common stock at the warrant issuance date.

OTHER

On August 1, 2000, Mr. Cameron entered into an agreement with Mr. McCormick, the Company's then Chief Executive Officer, to grant him the option to purchase 6,000,000 shares of the Company's common stock from Mr. Cameron at the purchase price of \$3.625 per share, which represented the trading price of the Company's stock on that date. This option is vested immediately, and on September 17,

Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

2001, the expiration date of the option grant was extended from the original date of August 1, 2003 until August 1, 2006. On August 15, 2003, Mr. Cameron, McCormick ATEK Investments LLC, an entity controlled by Mr. McCormick, and the Company agreed to cancel, without value, the option requiring Mr. Cameron to sell 6,000,000 shares of our common stock owned by Mr. Cameron to the McCormick ATEK Investment LLC at the purchase price of \$3.625 per share. In addition, because of Mr. McCormick's July 1, 2003 resignation as the Company's Chief Executive Officer, Mr. McCormick's employment agreement with the Company has been terminated. As a result of the termination, Mr. McCormick's options to purchase 7,000,000 shares and 4,000,000 shares of the Company's common stock granted in connection with his employment became fully vested and are exercisable pursuant to the terms of the respective option agreements.

In November 1995, the Company entered into a lease agreement for its Sacramento facility under a one-year lease with Mr. Cameron. The lease has been extended to January 31, 2004. At June 30, 2003, \$559,220 of rent owed for fiscal years 1996 through 2003 is included in the balance of accounts payable to stockholders. Rent expense under this lease was \$143,122, \$148,302 and \$139,272 for the years ended June 30, 2003, 2002 and 2001 respectively. On July 18, 2003, the Company signed the sixth addendum to its lease located in Sacramento, California, with Mr. Cameron. Under the terms of the sixth addendum, Mr. Cameron forgave \$559,220 in rent and interest on rent reported as accounts payable to stockholder in our financial statements. As consideration for forgiven unpaid rent and interest, we assigned excess furniture and equipment to Mr. Cameron. In addition, the sixth addendum reduced our office space from 7,523 square feet to 4,827 square feet, and our monthly rent is currently stipulated to be \$3,794.

During the fiscal years ended June 30, 2003, 2002 and 2001, Cameron & Associates, which is wholly owned by Mr. Cameron, provided consulting services to the Company. Fees for such services totaled \$120,000, 120,000 and \$120,000 in fiscal year 2003, 2002 and 2001, respectively.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission.

Based solely upon review of written declarations and any copies of such forms received by it from officers, directors and stockholders owning more than ten percent of the outstanding shares, the Company believes that during fiscal 2003 all required reports pursuant to Section 16(a) by officers, director and 10% stockholders were timely filed.

EXECUTIVE COMPENSATION

EXECUTIVE COMPENSATION REPORT FROM THE COMPENSATION COMMITTEE

COMPENSATION COMMITTEE. The Compensation Committee reviews and approves the compensation and benefits for our key executive officers, administers our stock option plans and makes recommendations to the Board of Directors regarding such matters. In fiscal year 2003, the Compensation Committee held one meeting and consisted of Mr. Lammerding, a non-employee director.

COMPENSATION PHILOSOPHY. The Compensation Committee develops and implements the Company's executive compensation philosophy to offer compensation opportunities that attract and retain executives whose abilities and skills are critical to

Edgar Filing: ALTERNATIVE TECHNOLOGY RESOURCES INC - Form PRE 14A

the long-term success of the Company. The Committee provides the Company's executive officers with annual stock option grants under the Company's 1997 Stock Option/Stock Issuance Plan, 2002 Stock Option Plan and outside these plans at an exercise price equal to the fair market value on the date of grant.

Chief Executive Officer Compensation. The Chief Executive Officer's salary, bonus and equity grants follow the policies set forth above. In determining Mr. McCormick's compensation package, the Committee considered compensation practices for other service companies and the Company's financial condition. The annual base salary for Mr. McCormick is \$150,000. However, in an effort to conserve cash, Mr. McCormick agreed to only take \$12,500 as salary for fiscal year 2003. In November 2002, the Company granted Mr. McCormick a non-qualified stock option to purchase 4,000,000 shares of common stock at \$1.25. The options vest 25% per year over four years. No bonus was awarded to Mr. McCormick during fiscal year 2003.

The tables that follow, and accompanying narrative, reflect the decisions covered by the above discussion.

Percentages shown under "Percent of Total Options Granted to Employees in the Last Fiscal Year" are based on an aggregate of 4,230,000 options granted to our employees under the 1997 Stock Option/stock Issuance Plan, the 2002 Stock Option Plan and outside of this plan during the fiscal year 2003.

Potential realizable value is based on the assumption that our common stock appreciates at the annual rate shown, compounded annually, from the date of

grant until the expiration of the ten-year term. These numbers are calculated based on Securities and Exchange Commission regulations and do not reflect our projection or estimate of future stock price growth. Potential realizable values are computed by:

- o Multiplying the number of shares of common stock subject to a given option by the exercise price.
- o Assuming that the aggregate stock value derived from that calculation compounds at the annual 5% or 10% rate shown in the table for the entire ten-year term of the option, and
- o Subtracting from that result the aggregate option exercise price.

EMPLOYMENT AGREEMENT WITH JEFFREY S. MCCORMICK

In April 2000, the Company entered into an employment agreement with Mr. McCormick to become its Chief Executive Officer effective February 17, 2000. Beginning July 1, 2000 and for the remaining term of Mr. McCormick's employment, the Board shall nominate him to serve as a Director of the Company. The initial term of the agreement is 5 years, automatically continuing for successive terms of one (1) year unless terminated by either party by written notice at least 30

days prior to the end of the initial or any succeeding terms. The agreement established Mr. McCormick's initial annual base salary at \$150,000 per year beginning May 1, 2000, and provided for a grant to Mr. McCormick of a non-qualified stock option to purchase up to 7,000,000 shares of the Company's common stock at an exercise price of \$3.00 (the fair market value of the Company's common stock on the date of grant.)

In connection with Mr. McCormick's employment as the Company's Chief Executive Officer, on January 25, 2003, the Board of Directors approved the issuance of a non-qualified option grant to Mr. McCormick, to purchase up to 4,000,000 shares of common stock at the exercise price of \$1.25 per share. The effective date of the option grant was November 7, 2002. Subject to acceleration events, the option grant was to vest over a four-year period, commencing with the vesting of the first 1,000,000 shares of common stock on January 31, 2003. No compensation expense was recorded in connection with this option grant, as the exercise price was greater than the fair value of the common stock at the option grant date.

On June 30, 2003, the Company accepted Mr. McCormick's resignation as its Chief Executive Officer, effective July 1, 2003. As a result of the resignation, the employment agreement with Mr. McCormick terminated and the options to purchase 7,000,000 shares and 4,000,000 shares of the Company's common stock granted in connection with Mr. McCormick's employment became fully vested and are exercisable pursuant to the terms of the respective option agreements.
