**Explanatory Note:**

Argan, Inc. (the "Company" or "AI") is filing this amendment (this "Amendment") to amend its Form 8-K, dated October 31, 2003, that was filed with the Commission on November 14, 2003 (the original Form 8-K as filed on November 14, 2003 is referred to herein as the "Original Form 8-K"). The purpose of this Amendment to the Original Form 8-K is to restate the unaudited condensed pro forma financial statements contained in the Original Form 8-K.

On March 11, 2004, the Company determined that there was an error in the calculation and classification of the deferred income tax liability associated with the identifiable intangible assets recorded in the purchase accounting of its acquisition of Southern Maryland Cable. The error resulted in the overstatement of the customer contractual relationships, trade name and the deferred income tax liability and the understatement of goodwill. The unaudited condensed pro forma financial statements contained in the Original Form 8-K have been restated to correct this error.

The Company has amended and restated in its entirety the unaudited condensed pro forma financial statements contained in the Original Form 8-K. This Amendment does not reflect events occurring after the filing of the Original Form 8-K, or modify or update those disclosures in any way, except as required to reflect the effects of the above-described restatement.

**ITEM 2. Acquisition or Disposition of Assets:**

On October 31, 2003, Argan, Inc. (AI) sold, in a cash transaction, its subsidiary, Puroflow Incorporated, to Western Filter Corporation (WFC). The sale price of approximately \$3,500,000 was satisfied in cash of which \$300,000 is being held in escrow for one year to protect WFC from any breach of representations and warranties under the Stock Purchase Agreement (Item 10.01 below). The proceeds from the sale will be used for AI's ongoing acquisition program and for working capital in expanding the business of Southern Maryland Cable, Inc., its wholly owned subsidiary which it acquired on July 17, 2003.

**ITEM 7. Financial Statements, Pro Forma Financial Information and Exhibits:**

(b) Pro Forma Financial Information:

Unaudited pro forma condensed combined statements of operations for the fiscal years ended January 31, 2003 and 2002, respectively, and for the six months ended July 31, 2003 and unaudited pro forma condensed combined balance sheet as of July 31, 2003.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.

Chairman of the Board and  
Chief Executive Officer

The accompanying unaudited pro forma condensed combined statements of operations present the results of operations of AI as if the sale of PMD had occurred as of February 1, 2001 and the purchase of SMC had occurred on February 1, 2002. PMD is accounted for as a discontinued operation for all periods for which condensed combined proforma statements of operations are presented. The pro forma unaudited condensed combined balance sheet reflects the unaudited pro forma condensed combined financial position of AI as if the sale of PMD had occurred July 31, 2003. (See Item 2., above, for details.)

The pro forma financial data is not necessarily indicative of what the results would have been if the sale of PMD and the acquisition of SMC had occurred on the dates indicated and are not necessarily representative of the Company's financial position or results of operations for any future period. Because SMC and the Company were not under common control prior to July 17, 2003, historical combined results may not be comparable to, or indicative of, future performance.
