Item 6. Indemnification of Directors and Officers and Limitation of Liability

Indemnification of Directors and Officers of National Grid Transco

Article 162 of the Articles of Association of National Grid Transco provides as follows:

Subject to the Statutes [as defined in National Grid Transco's Articles of Association], the Company may indemnify any Director or other officer against any liability. Subject to those provisions, but without prejudice to any indemnity to which the person concerned may otherwise be entitled, every Director or other officer of the Company and the Auditors shall be indemnified out of the assets of the Company against any liability incurred by him as a Director, other officer of the Company or as Auditor in defending any proceedings (whether civil or criminal) in which judgment is given in his favour or he is acquitted or in connection with any application under the Statutes in which relief is granted to him by the court.

---

Section 310 of the Companies Act 1985 of the United Kingdom (as amended by Section 137 of the Companies Act 1989 of the United Kingdom) provides as follows:

310. Provisions exempting officers and auditors from liability

(1) This section applies to any provision, whether contained in a company's articles or in any contract with the company or otherwise, for exempting any officer of the company or any person (whether an officer or not) employed by the company as auditor from, or indemnifying him against, any liability which by virtue of any rule of law would otherwise attach to him in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the company.

(2) Except as provided by the following subsection, any such provision is void.

(3) This section does not prevent a company

(a) from purchasing and maintaining for any such officer or auditor insurance against any such liability; or

(b) from indemnifying any such officer or auditor against any liability incurred by him

(i) in defending any proceedings (whether civil or criminal) in which judgment is given in his favour or he is acquitted, or

## Edgar Filing: NATIONAL GRID TRANSCO PLC - Form S-8

(ii) in connection with any application under Section 144(3) or (4) (acquisition of shares by innocent nominee) or Section 727 (general power to grant relief in case of honest and reasonable conduct) in which relief is granted to him by the court.

Section 727 of the Companies Act 1985 of the United Kingdom provides as follows:

### 727. Power of court to grant relief in certain cases

(1) If in any proceedings for negligence, default, breach of duty or breach of trust against an officer of a company or a person employed by a company as auditor (whether he is or is not an officer of the company) it appears to the court hearing the case that that officer or person is or may be liable in respect of the negligence, default, breach of duty or breach of trust, but that he has acted honestly and reasonably, and that having regard to all the circumstances of the case (including those connected with his appointment) he ought fairly to be excused for the negligence, default, breach of duty or breach of trust, that court may relieve him, either wholly or partly, from his liability on such terms as it thinks fit.

(2) If any such officer or person as above-mentioned has reason to apprehend that any claim will or might be made against him in respect of any negligence, default, breach of duty or breach of trust, he may apply to the court for relief; and the court on the application has the same power to relieve him as under this section it would have had if it had been a court before which proceedings against that person for negligence, default, breach of duty or breach of trust had been brought.

(3) Where a case to which subsection (1) applies is being tried by a judge with a jury, the judge, after hearing the evidence, may, if he is satisfied that the defendant or defender ought in pursuance of that subsection to be relieved either in whole or in part from the liability sought to be enforced against him, withdraw the case in whole or in part from the jury and forthwith direct judgment to be entered for the defendant or defender on such terms as to costs or otherwise as the judge may think proper.

### Item 9. Undertakings.

The undersigned Registrant and, where applicable, the Plans, hereby undertake:

---

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i)

## Edgar Filing: NATIONAL GRID TRANSCO PLC - Form S-8

To include any prospectus required by Section 10(a)(3) of the Securities Act;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the provisions discussed in item 6 hereof, or otherwise,

Edgar Filing: NATIONAL GRID TRANSCO PLC - Form S-8

the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
