All of the Company's directors have served as directors for a significant period of time. Consequently, each director's long-standing experience with the Company benefits both the Company and its shareholders. In addition, both Dale Friend and Eric Hodges have accounting experience which benefits both the Company and its shareholders.

6

Daniel B. O'Brien has served as the Company's President and Chief Executive Officer, as well as a director of the Company since June 1998. He has been involved in the swimming pool industry since 1990, when he founded the Company's subsidiary, Flexible Solutions Ltd. From 1990 to 1998 Mr. O'Brien was also a teacher at Brentwood College where he was in charge of outdoor education.

Dr. Robert N. O'Brien has been a director of the Company since June 1998. Dr. O'Brien was a Professor of Chemistry at the University of Victoria from 1968 until 1986 at which time he was given the designation of Professor Emeritus. He held various academic positions since 1957 at the University of Alberta, the University of California at Berkley, and the University of Victoria. While teaching, Dr. O'Brien acted as a consultant and served on the British Columbia Research Council from 1968 to 1990. In 1987, Dr. O'Brien founded the Vancouver Island Advanced Technology and Research Association. Dr. O'Brien received his Bachelor of Applied Science in Chemical Engineering from the University of British Columbia in 1951; his Masters of Applied Science in Metallurgical Engineering from the University of British Columbia in 1952; his Ph.D. in Metallurgy from the University of Manchester in 1955; and was a Post Doctoral Fellow in Pure Chemistry at the University of Ottawa from 1955 through 1957. Dr. O'Brien is the father of Daniel B. O'Brien.

John H. Bientjes has been a director of the Company since February 2000. Since 1984, Mr. Bientjes has served as the manager of the Commercial Aquatic Supplies Division of D.B. Perks & Associates, Ltd., located in Vancouver,

British Columbia, a company that markets supplies and equipment to commercial swimming pools which are primarily owned by municipalities. Mr. Bientjes graduated in 1976 from Simon Fraser University in Vancouver, British Columbia with a Bachelor of Arts Degree in Economics and Commerce.

Dale Friend has been a director of the Company since December 2002. She has a diversified background in the area of accounting and her experience has been primarily in business, offering a wide range of accounting knowledge. Ms. Friend has worked for a number of companies in their accounting departments, including Novas Capital Corp. and DB Perks & Associates. She is currently working as a Contract Accountant for Monexa Solutions as well as Delcor Holdings. Monexa is a

7

leader in flexible subscription billings and recurring payments and Delcor is a privately held investment company.

Eric Hodges has been a director of the Company since September 2004. Mr. Hodges is an accountant from Victoria who has over three decades of experience. He received his financial education from the University of Washington in Seattle where he played for the Huskies football program. Mr. Hodges continued playing football after college, with a successful, multiyear professional career with the British Columbia Lions of the Canadian Football League. In the past five years, Mr. Hodges has owned and operated Eric G. Hodges & Associates, a Victoria-based accounting firm with both Canadian and U.S. clientele. Mr. Hodges is extremely familiar with both Canadian and United States generally accepted accounting principles ("GAAP"), since he has clients in both countries. Furthermore, his wide range of experience with small and quickly growing companies is an asset to the board of directors.

Daniel B. O'Brien devotes substantially all of his time to the Company's business.

The Company's Board of Directors met on three occasions during the year ended December 31, 2010. All of the Directors, except Eric Hodges, attended each of these meetings either in person or by telephone conference call. Mr. Hodges did not attend any of these meetings Mr. Hodges was available for informal consultation with all directors when needed.

The Company's Board of Directors does not have a "leadership structure", as such, since each director is entitled to introduce resolutions to be considered by the Board and each director is entitled to one vote on any resolution considered by the Board. The Company's Chief Executive Officer is not the Chairman of the Company's Board of Directors.

The Company's Board of Directors has the ultimate responsibility to evaluate and respond to risks facing the Company. The Company's Board of Directors fulfills its obligations in this regard by meeting on a regular basis and communicating, when necessary, with the Company's officers.

John Bientjes, Dale Friend, and Eric Hodges are independent directors as that term is defined in section 803 of the listing standards of the NYSE Amex.

For purposes of electing directors at its annual meeting the Company does not have a nominating committee or a committee performing similar functions. The Company's board of directors does not believe a nominating committee is necessary since the Company's board of directors is small and the board of directors as a whole performs this function. The current nominees to the Board of Directors were selected by a majority vote of the Company's independent directors.

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

The Company does not have any policy regarding the consideration of director candidates recommended by shareholders since a shareholder has never recommended a nominee to the board of directors. However, the Company's board of directors will consider candidates recommended by shareholders. To submit a candidate for the board of directors the shareholder should send the name, address and telephone number of the candidate, together with any relevant

8

background or biographical information, to the Company's Chief Executive Officer, at the address shown on the cover page of this proxy statement. The board has not established any specific qualifications or skills a nominee must meet to serve as a director. Although the board does not have any process for identifying and evaluating director nominees, the board does not believe there would be any differences in the manner in which the board evaluates nominees submitted by shareholders as opposed to nominees submitted by any other person. There have been no material changes to the procedures by which security holders may recommend nominees to the Company's board of directors during the past three years.

The Company does not have a policy with regard to board member's attendance at annual meetings. All board members, with the exception of Eric Hodges and John Beintjes, attended the last annual shareholder's meeting held on December 29, 2010.

Holders of the Company's common stock can send written communications to the Company's entire board of directors, or to one or more board members, by addressing the communication to "the Board of Directors" or to one or more directors, specifying the director or directors by name, and sending the communication to the Company's offices in Victoria, British Columbia. Communications addressed to the Board of Directors as whole will be delivered to each board member. Communications addressed to a specific director (or directors) will be delivered to the director (or directors) specified.

Security holder communications not sent to the board of directors as a whole or to specified board members are not relayed to board members.

The Company has adopted a Code of Ethics that applies to the its Principal Financial and Accounting Officer, as well as the other company employees. The Code of Ethics is available at the Company's website at www.flexiblesolutions.com.

If a violation of the code of ethics act is discovered or suspected, an officer of the Company must (anonymously, if desired) send a detailed note, with relevant documents, to the Company's Audit Committee, c/o Eric Hodges, #110-4252 Commerce Circle, Victoria, British Columbia, V8Z 4M2.

Stock Option Program

The Company's Stock Option Program involves the issuance of options, from time to time, to the Company's employees, directors, officers, consultants and advisors. Options are granted by means of individual option agreements. Each option agreement specifies the shares issuable upon the exercise of the option, the exercise price, the expiration date and other terms and conditions of the option.

If the option holder is an employee, and if he or she ceases to be employed by the Company, the option holder may, during the 30-day period following termination of employment, exercise the option to the extent the option was exercisable on the date of termination. In the case of death or disability, the option holder (or his or her administrator) has twelve months from the date of death or disability to exercise the option to the extent the option was exercisable on the date of death or disability.

The options are subject to adjustment by reason of a recapitalization, reclassification, stock split, combination of shares, dividend or other distribution payable in capital stock. Upon a merger, liquidation, dissolution or other consolidation, the Company will provide each option holder with one-months' prior written notice informing the option holder that he or she may exercise the option in full (to the extent it has not been previously exercised) within the one-month period. Following the expiration of the one month period, the options will terminate.

The options may not be transferred, assigned, pledged or hypothecated in any way (except by will or the laws of descent) and are not subject to execution, attachment or similar process.

All of the options granted have terms of between one and five years after the date of grant and reflect exercise prices equal to the fair market value of a share of the Company's common stock, as determined by the Company's board of directors on the date of grant. All of the options contain vesting provisions pursuant to which the options are fully exercisable within a fixed number of months after the date of grant.

10

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

Compensation Committee

The Compensation Committee is empowered to review and approve the annual compensation and compensation procedures for the Company's officers and determines the total compensation level for the Company's Chief Executive Officer. The total proposed compensation of the Company's Chief Executive Officer is formulated and evaluated by its Chief Executive Officer and submitted to the Company's Compensation Committee for consideration.

During the year ended December 31, 2010 the Compensation Committee met once. All members of the Compensation Committee attended this meeting.

During the year ended December 31, 2010, Daniel B. O'Brien, the Company's only executive officer, did not participate in deliberations of the Company's Compensation Committee concerning executive officer compensation. Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

committee of such entity.

The following is the report of the Compensation Committee:

The key components of the Company's executive compensation program include annual base salaries and long-term incentive compensation consisting of stock options. It is the Company's policy to target compensation (i.e., base salary, stock option grants and other benefits) at approximately the median of comparable companies in the industries in which the Company competes. Accordingly, data on compensation practices followed by other companies in the industries in which the Company competes is considered.

The Company's long-term incentive program consists exclusively of periodic grants of stock options with an exercise price equal to the fair market value of the Company's common stock on the date of grant. To encourage retention, the ability to exercise options granted under the program may be subject to vesting restrictions. Decisions made regarding the timing and size of option grants take into account the performance of both the Company and the employee, "competitive market" practices, and the size of the option grants made in prior years. The weighting of these factors varies and is subjective. Current option holdings are not considered when granting options.

Audit Committee

The Company's Audit Committee consists of John Bientjes, Dale Friend and Eric Hodges, all of whom have strong financial backgrounds. The purpose of the Audit Committee is to review and approve the selection of the Company's auditors and review the Company's financial statements with the Company's independent registered public accounting firm. The Audit Committee also serves as an independent and objective party to monitor the Company's financial reporting process and internal control systems. The Audit Committee meets periodically with management and the Company's independent auditors. Mr. Hodges is the audit committee's financial expert.

During the fiscal year ended December 31, 2010, the Audit Committee met four times. All members of the Audit Committee attended these meetings.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's shareholders to vote to approve, on a nonbinding advisory basis, the compensation of the Company's executive officers.

Accordingly, the Company will ask shareholders to vote for the following resolution at the annual meeting:

"RESOLVED, that the Company's shareholders approve, on a nonbinding advisory basis, the compensation of the Company's executive officers, as disclosed in the Company's Proxy Statement for the 2011 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and narrative disclosure in the Company's proxy statement."

To the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, the Company's Board of Directors and its Compensation Committee will consider shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends that the shareholders approve on a nonbinding advisory basis the aforementioned resolution approving the compensation of the Company's executive officers set forth in this proxy statement.

ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also enables the Company's shareholders to indicate how frequently the Company should seek an advisory vote on the compensation of the Company's executive officers. Shareholders, may indicate on a nonbinding advisory basis whether an advisory vote on compensation of the Company's executive officers is held every one, two, or three years.

The option of one year, two years or three years that receives the highest number of votes cast by the shareholders will be the frequency for the advisory

Edgar Filing: FLEXIBLE SOLUTIONS INTERNATIONAL INC - Form DEF 14A

vote on executive compensation that has been selected by the shareholders. However, because this vote is advisory and not binding on the Company in any way, the Company's Board of Directors may decide that it is in the best interests of the Company's shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by the shareholders.

The Board of Directors recommends that the shareholders of the Company cast a vote of "1 Year" on the frequency of holding an advisory vote on executive compensation.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has selected Meyers, Norris, Penny, LLP, (formerly named Cinnamon Jang Willoughby & Company) an independent registered public

16

accounting firm, to audit the books and records of the Company for the fiscal year ending December 31, 2011. Meyers, Norris, Penny served as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2010. A representative of Meyers, Norris, Penny, is expected to be present at the shareholders' meeting.

Since the Company did not engage Meyers, Norris, Penny until March 2010, Meyers, Norris, Penny did not bill the Company for any services during the year ended December 31, 2009. Amounts listed below for 2009 are for the formerly named Cinnamon Jang Willoughby & Company.

The following table shows the aggregate fees billed to the Company during the years ended December 31, 2010 and 2009 by Meyers Norris Penny LLP (formerly Cinnamon Jang Willoughby):

	Year	Year
	Ended December 31,	Ended December 31,
	2010	2009
	----	----
Audit Fees	\$55,809	\$51,596
Audit-Related Fees	\$7,376	\$7,130
Tax Fees	\$9,706	\$28,143
All Other Fees	--	--

Audit fees represent amounts billed for professional services rendered for the audit of the Company's annual financial statements and the reviews of the financial statements included in the Company's 10-Q reports for the fiscal year and all regulatory filings. Audit-related fees represent amounts billed for reviewing amendments to the Company's 10-K and 10-Q reports. Before Meyers Norris Penny was engaged by the Company to render audit or non-audit services, the engagement was approved by the Company's audit committee. The Company's Board of Directors is of the opinion that the audit fees charged by Meyers Norris Penny are consistent with that firm maintaining its independence from the Company.
