About USA Truck, Inc.

We are one of the nation's twenty-five largest truckload carriers based on 2013 revenue, according to Transport Topics. In 2014, we generated approximately \$602.5 million in total revenue and approximately \$17.2 million in operating income. As of December 31, 2014, our fleet included 1,987 tractors (including tractors owned by independent contractors).

We transport commodities throughout the continental U.S. and into and out of portions of Canada. We also transport general commodities into and out of Mexico by allowing through-trailer service from our terminal in Laredo, Texas. In addition to our truckload services, we provide freight brokerage and rail intermodal services through our Strategic Capacity Solutions (“SCS”) segment. We are headquartered in Van Buren, Arkansas, with terminals, offices, and staging facilities located throughout the United States.

We have two reportable segments: (i) trucking, consisting of our truckload and dedicated freight service offerings, and (ii) SCS, consisting of our freight brokerage and rail intermodal service offerings. Based on several factors, including the relatively small size of our rail intermodal service offering and the interrelationship of the freight brokerage and rail intermodal operations, we aggregate our freight brokerage and rail intermodal service offerings into a single reportable segment.

We focus significant marketing efforts on customers with premium service requirements and significant shipping needs within our primary operating areas, which are primarily in the eastern half of the U.S. We emphasize marketing multiple service offerings to customers, which is reflected by the fact that over 90% of our top 100 customers utilized more than one service in 2014. Furthermore, our team members have cultivated a thorough understanding of the needs of shippers in many industries. This permits us to strategically position available equipment and allows us to provide our customers with a full array of transportation solutions. We believe this helps us develop long-term, service-oriented relationships.

Our top priorities are improving our operating performance and increasing stockholder value. Our plan has three main components: profitable revenue growth, operational execution, and cost effectiveness. Progress in executing our plan in 2014 contributed to a 450 basis point increase in operating margin versus 2013, positive cash flow, and our most profitable year since 2006. Looking ahead, our goal is to create sustained profitability and additional stockholder value.

Other Information

We were incorporated in Delaware in September 1986 as a wholly owned subsidiary of ABF Freight System, Inc. We were purchased by management from ABF Freight System, Inc. in December 1988. We completed the initial public offering of our common stock in March 1992. As of March 5, 2015, we had 191 stockholders of record of our common stock; however, we estimate that our actual number of stockholders is much higher because a substantial number of our shares are held of record by brokers or dealers for their customers in street names.

Our headquarters is located on approximately 104 acres at 3200 Industrial Park Road, Van Buren, Arkansas 72956. Our telephone number is (479) 471-2500. Our website is located at www.usa-truck.com. The information contained in or available through our website is not incorporated by reference into, and should not be considered part of, this prospectus.

SELLING STOCKHOLDERS

Background

We are registering for resale certain shares of our common stock owned by the selling stockholders, which may be sold from time to time by the selling stockholders. The term “selling stockholders” includes the stockholders listed below and their pledgees, donees, transferees or other successors-in-interest. The selling stockholders may sell some, all, or no shares of our common stock as they deem appropriate, and they are under no obligation to sell any of their shares. We are unable to determine the exact number of shares that the selling stockholders will actually sell, if any, and do not know how long the selling stockholders will hold shares of our common stock before selling them.

On February 25, 2015, in connection with the dissolution of the United Shareholders for the Benefit of USAK, we entered into a Cooperation Agreement with the Baker Street Group, as defined below (the "Baker Street Agreement"). On the same day, we entered into a substantially identical Cooperation Agreement with the Stone House Group, as defined below (such agreement, together with the Baker Street Agreement, the "2015 Cooperation Agreements"). The terms of the 2015 Cooperation Agreements were approved by our board of directors after consultation with independent legal counsel and an independent financial advisor. Mr. Perelman and Mr. Glaser, as designees of the United Shareholders for the Benefit of USAK pursuant to the 2014 Cooperation Agreement, did not participate in the meeting. After careful consideration, the board determined that the overall terms of the 2015 Cooperation Agreements (as defined and described below) were favorable to us. In particular, the board believes the 2015 Cooperation Agreements will promote stability in making strategic decisions, which will in turn support continued execution of our improvement plan. In addition, the board believes that facilitating the sale of shares of our common stock beneficially owned by the Baker Street Group (as defined below) and Stone House Group (as defined below) will, upon the consummation of any sale or sales of shares of our common stock by the selling stockholders, (i) increase our public float and the liquidity of our common stock to the extent such shares are actually sold and (ii) decrease any “overhang” on the price of our common stock caused by the anticipation of the potential future sale of shares owned by the Baker Street Group or Stone House Group.

Description of Selling Stockholders

The following table sets forth information as of February 25, 2015, with respect to the number of shares of our common stock owned by the selling stockholders prior to this offering, the number of shares that may be offered under this prospectus by the selling stockholders, and the number of shares of our common stock and the percentage of our common stock that will be owned by the selling stockholders after completion of this offering, assuming that all of the shares offered by the selling stockholders are sold as contemplated herein and we do not issue additional shares. Ownership information in the table is based upon information furnished to us by the selling stockholders.

Unless otherwise indicated, the selling stockholders have sole voting and investment power with respect to shares reported as beneficially owned by them. The percentage of common stock owned after the offering is based on 11,886,175 shares of our common stock outstanding as of March 5, 2015.

The selling stockholders are Baker Street Capital L.P. (“BSC LP”) and SH Capital Partners, L.P. (“SHCP LP”). Each of BSC LP and SHCP LP are the record and direct beneficial owners of shares of our common stock.

Baker Street Capital Management, LLC (“Baker Street Capital Management”) is the investment manager of BSC LP and Baker Street Capital GP, LLC (“Baker Street Capital GP”) is the general partner of BSC LP. Vadim Perelman, one of our directors, is the managing member of each of Baker Street Capital Management and Baker Street Capital GP. By virtue of these positions, Mr. Perelman has voting and dispositive power over the shares held directly by BSC LP. BSC LP, Baker Street Capital Management, Baker Street Capital GP, and Mr. Perelman are collectively referred to herein as the “Baker Street Group.”

As general partner of, and investment manager to, SHCP LP, Stone House Capital Management, LLC (“Stone House Capital Management”) may be deemed to have shared voting and dispositive power with respect to shares of our common stock beneficially owned by SHCP LP. As the managing member of Stone House Capital Management, Mark Cohen may be deemed to have shared voting and dispositive power with respect to shares of our common stock beneficially owned by Stone House Capital Management. SHCP LP, Stone House Capital Management, and Mr. Cohen are collectively referred to herein as the “Stone House Group.”

Table of Contents

Pursuant to a Group Agreement, dated as of May 5, 2014 (the “Group Agreement”), the Baker Street Group and the Stone House Group previously formed a group, for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), known as the “United Shareholders for the Benefit of USAK.” As of February 25, 2015, the Baker Street Group and the Stone House Group terminated the Group Agreement and are no longer members of the same Section 13(d) group.

Information relating to the number of shares of our common stock beneficially owned by the selling stockholders has been supplied by the selling stockholders. Information about the selling stockholders and the number of shares that may be sold from time to time by the selling stockholders may change over time and will be updated in supplements to this prospectus if and when necessary.

Name	Common Stock Beneficially Owned as of February 25, 2015	Number of Shares Offered	Number of Shares Beneficially Owned After Offering(1)	Percentage of Shares Beneficially Owned After Offering(2)
Baker Street Capital L.P.	1,400,000	1,400,000	0	0%

- (1) Assumes that all shares offered by the selling stockholders are sold and no additional shares are issued by the Company.
- (2) Percentage calculated based on 11,886,175 shares of common stock outstanding as of March 5, 2015.

On May 22, 2014, the members of the United Shareholders for the Benefit of USAK entered into a Cooperation Agreement (the “2014 Cooperation Agreement”) with us with respect to certain matters related to our 2014 annual meeting of stockholders (the “2014 Annual Meeting”). Pursuant to the terms of the 2014 Cooperation Agreement, we agreed, among other things, effective as of the certification of the vote at the 2014 Annual Meeting, but no later than three (3) business days thereafter: (i) to expand the size of our board of directors to nine directors, (ii) to appoint each of Vadim Perelman and Thomas Glaser (each an “Investor Director” and together, the “Investor Directors”) as Class II directors, (iii) to offer at least one of the Investor Directors membership on each committee of our board of directors, other than the Audit Committee, (iv) to redesignate John Simone (our current President and Chief Executive Officer) and another director as Class III directors from Class II directors, and (v) not to increase the size of our board of directors above ten or reduce it below nine directors prior to the 2015 annual meeting of stockholders (the “2015 Annual Meeting”).

The members of the United Shareholders for the Benefit of USAK agreed, from the date of the 2014 Cooperation Agreement until the date that is ten (10) days prior to the deadline for the submission of stockholder nominations for the 2015 Annual Meeting (the “Standstill Period”), to abide by certain “standstill provisions” including, among other things, not to: (i) acquire any shares of our common stock in excess of the United Shareholders for the Benefit of USAK’s ownership as of the date of the 2014 Cooperation Agreement, (ii) participate in any future solicitation, (iii) submit stockholder proposals, (iv) call or request the calling of special meeting of the stockholders, (v) vote for any director nominees other than those nominated by us, or (vi) seek to replace any members of our board of directors. The foregoing description of the 2014 Cooperation Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the 2014 Cooperation Agreement, which is filed as Exhibit 99.1 to our Current Report on Form 8-K filed with the Commission on May 23, 2014, and incorporated herein by reference.

On February 25, 2015, in connection with the termination of the Group Agreement, we entered into the 2015 Cooperation Agreements. Under the 2015 Cooperation Agreements, we agreed, among other things, to file a registration statement in respect of up to 2,000,000 shares of our common stock held by the Baker Street Group and Stone House Group and nominate Vadim Perelman, Thomas Glaser, and Gary Enzor to our board of directors as Class II directors. The filing of the registration statement of which this prospectus is a part has been undertaken in connection with our obligations under the 2015 Cooperation Agreements.

In exchange, the Baker Street Group and Stone House Group each agreed that they will (i) vote in accordance with our board of directors' recommendations at the our 2015 annual meeting of stockholders except with respect to certain extraordinary transactions and, in certain circumstances, our 2016 annual meeting of stockholders; (ii) abide by "standstill provisions" similar to those in the 2014 Cooperation Agreement during the period ending 10 days prior to the deadline for submission of stockholder nominations for our 2016 annual meeting of stockholders, which period may, in certain circumstances, be extended for an additional year; and (iii) pay certain expenses relating to the offering of shares covered by registration statement (including the applicable discounts and commissions and a portion of "road show" and other expenses). In the future, if shares beneficially owned by the Baker Street Group falls below (i) 10% of our outstanding shares as a result of sales completed under the registration statement or (ii) 50% of the aggregate number of shares currently owned by the Baker Street Group, then Vadim Perelman will tender his resignation from the board of directors. The foregoing description of the 2015 Cooperation Agreements does not purport to be complete and is qualified in its entirety by reference to the full text of the 2015 Cooperation Agreements, which are filed as Exhibit 99.1 and 99.2, respectively, to our Current Report on Form 8-K filed with the Commission on February 26, 2015, and incorporated herein by reference.

DESCRIPTION OF OUR CAPITAL STOCK

The following description of our capital stock is intended as a summary only and is qualified in its entirety by reference to our Restated and Amended Certificate of Incorporation and Amended Bylaws, which are filed as incorporated exhibits to the registration statement of which this prospectus forms a part, and to the applicable provisions of the Delaware General Corporation Law (“DGCL”).

Authorized Capital Stock

Under our Restated and Amended Certificate of Incorporation (“Certificate of Incorporation”), our authorized capital stock consists of 30,000,000 shares of common stock, par value \$.01 per share, and 1,000,000 shares of preferred stock, par value \$.01 per share. As of March 5, 2015, 11,886,175 shares of our common stock were outstanding.

Common Stock

Our common stock is listed on the NASDAQ Global Select Market under the symbol “USAK.” Any additional common stock we issue will also be listed on the NASDAQ Global Select Market. The holders of common stock are entitled to receive dividends, or other distributions with respect to our outstanding shares, as may be declared from time to time by our board of directors. Holders of common stock are entitled to one vote per share on all matters on which the holders of common stock are entitled to vote and do not have cumulative voting rights in the election of directors. In the event of our liquidation, dissolution or winding up, holders of common stock will be entitled to share ratably in the assets, if any, available for distribution after payment of all creditors and the liquidation preferences on any outstanding shares on preferred stock, if any such stock is authorized. Holders of common stock have no preemptive rights to subscribe for any additional shares of any class we may issue, nor any conversion, redemption, or sinking fund rights.

Preferred Stock

Our board of directors is authorized, subject to any limitations prescribed by law, without stockholder approval, to issue from time to time up to an aggregate of 1,000,000 shares of preferred stock, in one or more series, each series to have such rights and preferences, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences as our board of directors determines. The rights of the holders of common stock will be subject to, and may be adversely affected by, the rights of holders of any preferred stock that may be issued in the future. Issuance of preferred stock, while providing desirable flexibility in connection with possible acquisitions and other corporate purposes, could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from attempting to acquire, a majority of our outstanding voting stock. We currently have no shares of preferred stock outstanding and we have no present plans to issue any shares of preferred stock.

Certain Provisions of our Certificate of Incorporation and Amended and Restated Bylaws

Advance Notice of Proposals and Nominations. Our Amended and Restated Bylaws (“Bylaws”) provide that stockholders must provide timely written notice to bring business before an annual meeting of stockholders or to nominate candidates for election as directors at an annual meeting of stockholders. Notice for a proposal or nomination is timely if it is delivered to or mailed and received at our principal executive offices not less than 90 days nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of the stockholders. If, however, the annual meeting is called for a date that is not within 25 days before or after such anniversary date, notice is timely if received not later than the close of business on the 10th day following the first day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting otherwise was made, whichever occurs first. The Bylaws also specify the form and content of a stockholder’s notice.

These provisions may prevent stockholders from bringing matters before an annual meeting of stockholders or from nominating candidates for election as directors at an annual meeting of stockholders.

Table of Contents

Indemnification of Directors, Officers, and Employees. The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties. Our Certificate of Incorporation includes a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director, except for liability:

- for breach of duty of loyalty;
- for acts or omissions not in good faith or involving intentional misconduct or knowing violation of law;
- under Section 174 of the DGCL (unlawful dividends); or
- for transactions from which the director derived improper personal benefit.

Our Certificate of Incorporation and Bylaws provide that we must indemnify our directors and officers to the fullest extent authorized by the DGCL. We are also expressly required to advance certain expenses (including attorneys fees and disbursements and court costs) to our directors and officers upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by us. We are expressly authorized to carry directors' and officers' insurance providing insurance for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and executive officers.

The limitation of liability and indemnification provisions in our Certificate of Incorporation and Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

There is currently no pending material litigation or proceeding involving any of our directors, officers, or employees for which indemnification is sought.

Anti-Takeover Provisions of Delaware Law and Our Charter Provisions

We are a Delaware corporation subject to Section 203 of the DGCL. In general, Section 203 prohibits a publicly held Delaware corporation from engaging, under certain circumstances, in a business combination with an interested stockholder for a period of three years following the date the person became an interested stockholder unless:

- the corporation has elected in its certificate of incorporation or bylaws to be excluded from the restrictions of Section 203 (the lack of such an election in our Certificate of Incorporation and Bylaws means that we are currently subject to restrictions on such combinations and transactions);
- prior to the time the person became an interested stockholder, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;
 - upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those (1) shares owned by persons

who are directors and also officers and (2) shares owned by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or

- at the time of or after the person became an interested stockholder, the business combination is approved by the board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least two-thirds of the outstanding voting stock which is not owned by the interested stockholder.

The term “business combination” is defined generally to include, among other things, mergers or consolidations between a Delaware corporation and an “interested stockholder,” transactions with an “interested stockholder” involving the assets or stock of the corporation or its majority-owned subsidiaries, transactions that increase an interested stockholder's percentage ownership of stock, and the receipt by an interested stockholder of a disproportionate financial benefit provided by or through the corporation or its majority-owned subsidiaries.

Table of Contents

The term “interested stockholder” is defined to include any person, other than the corporation and any direct or indirect majority-owned subsidiary of the corporation, that is the owner of 15% or more of the outstanding voting stock of the corporation, or is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation, at any time within three years immediately prior to the relevant date, or the affiliates and associates of any such person.

Section 203 makes it more difficult for a person who would be an “interested stockholder” to effect various business combinations with a corporation for a three-year period. The provisions of Section 203 may encourage companies interested in acquiring our company to negotiate in advance with our board of directors, because the stockholder approval requirement would be avoided if our board of directors approves either the business combination or the transaction which results in the stockholder becoming an interested stockholder. These provisions also may have the effect of preventing changes in our board of directors and may make it more difficult to accomplish transactions which stockholders may otherwise deem to be in their best interests.

Article V of our Certificate of Incorporation and certain sections of our Bylaws also contain provisions that could have anti-takeover effects, including the following provisions:

- classifying members of our board of directors into three classes, such that members of the three classes are elected to staggered terms of three years each;
- allowing an increase in the number of directors only if at least 75% of the directors then in office agree to the increase;
 - reserving to the board of directors the exclusive right to fill vacancies on the board;
- providing that a director may be removed only for cause and only upon the affirmative vote of the holders of a majority of the combined voting power of the then outstanding shares of voting capital stock of the corporation, voting together as a single class;
- requiring the affirmative vote or consent of the holders of two-thirds of the shares of stock entitled to vote thereon (including the affirmative vote of the holders of at least two-thirds of the shares of any class or series of capital stock entitled to vote separately thereon) to authorize major corporate transactions required to be approved by the stockholders under the DGCL, such as mergers, consolidations, and asset sales;
- requiring the affirmative vote or consent of the holders of two-thirds of the shares of stock entitled to vote thereon (including the holders of at least two-thirds of the issued and outstanding shares or any class or series entitled to vote separately thereon) to amend any of the foregoing provisions in our Certificate of Incorporation; and
 - requiring advance notice of all stockholder proposals, including nominations for election as director.

In addition, our Certificate of Incorporation grants our board of directors the authority to amend and repeal our Bylaws without a stockholder vote in any manner not inconsistent with the laws of the State of Delaware, our Certificate of Incorporation, or Bylaws.

No Cumulative Voting

The DGCL provides that stockholders are not entitled to the right to cumulate votes in the election of directors unless our Certificate of Incorporation provides otherwise. Our Certificate of Incorporation does not expressly provide for cumulative voting.

Authorized but Unissued Capital Stock

The DGCL does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of the NASDAQ Global Select Market, which would apply so long as our common stock is listed on the NASDAQ Global Select Market, require stockholder approval of certain issuances. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate acquisitions.

Table of Contents

One of the effects of the existence of unissued and unreserved common stock may be to enable our board of directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of our company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive the stockholders of opportunities to sell their shares of common stock at prices higher than prevailing market prices.

The validity of the shares offered by this prospectus has been passed upon for us by Scudder Law Firm, P.C., L.L.O., Lincoln, Nebraska. Item 15. Indemnification of Directors and Officers

The Delaware General Corporation Law (the “DGCL”) authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors’ fiduciary duties. Our Restated and Amended Certificate of Incorporation (“Certificate of Incorporation”) includes a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director, except for liability:

- for breach of duty of loyalty;
- for acts or omissions not in good faith or involving intentional misconduct or knowing violation of law;
- under Section 174 of the DGCL (unlawful dividends); or
- transactions from which the director derived improper personal benefit.

Our Certificate of Incorporation and Amended and Restated Bylaws (“Bylaws”) provide that we must indemnify our directors and officers to the fullest extent authorized by the DGCL. We are also expressly required to advance certain expenses (including attorneys fees and disbursements and court costs) to our directors and officers upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by us. We are expressly authorized to carry directors’ and officers’ insurance providing insurance for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and executive officers.

The limitation of liability and indemnification provisions in our Certificate of Incorporation and Bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duty. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed

incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

Table of Contents

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
