Re: Independent Director

Dear Sirs and Madam:

As the annual shareholder meeting approaches, we believe we should share our views concerning the matter of the nomination and election of the new Independent Director candidate.

As you are aware, the Company's by-laws provide that the Equity Committee ("EC") Directors shall nominate the Independent Director candidate, with the reasonable consent of the holder of the Series "A" Preferred Stock, and following such nomination, shall be elected by the holder of Series "A" Preferred Stock, voting as a separate class to the exclusion of the holders of the Common Stock.

In light of the various concerns we have as a shareholder, which include our view that there have been significant corporate governance failures at this Company as evidenced from the public record from late January 2013 to date, we think the EC Directors should not re-nominate Alan B. Miller for the term beginning in September 2013, but rather nominate a new candidate for Independent Director.

We do not intend to propose a candidate; we leave this matter within the hands of the EC Directors. We believe that a majority of the EC Directors should be able to support a new nominee to propose to the Series "A" Preferred holder.

Esopus is obviously aware that any EC nomination is subject to the reasonable consent of the Series "A" holder and thus it is unclear if such candidate will/will not be reasonably acceptable to the Series "A" holder. We hope the Directors can find common ground; however if they cannot, Esopus does not believe that Mr. Miller should remain in the Independent Director seat until his replacement is found.

We think that should Mr. Miller lack majority EC Director support in the nomination process, or if Alan Cohen as the holder of the Series "A" Preferred Stock withholds his consent

for Mr. Miller, we strongly believe Mr. Miller should step down from the Board of Directors regardless of whether his replacement has been identified by the Board.

We believe our suggestions are in the best interests of all stockholders as we think the corporate governance failures at this Company demand such a change. Should you have any questions regarding the above, please do not hesitate to contact us at your earliest convenience.

Very truly yours,
