Item 1.01 Entry into a Material Definitive Agreement.

On October 18, 2005, we entered into a 8% Series C Unsecured Convertible Debenture and Warrants Purchase Agreement (the "Purchase Agreement") with certain accredited investors pursuant to which we sold an aggregate of \$1,000,000 principal amount unsecured convertible debentures (the "Debentures") convertible into shares of our common stock, no par value (the "Common Stock"),

Edgar Filing: AIRTRAX INC - Form 8-K

and stock purchase warrants (the "Warrants") to purchase shares of our Common Stock to certain accredited investors who are parties to the Purchase Agreement (the "Investors") for an aggregate purchase price of \$1,000,000.

The Debentures mature on October 18, 2007; provided, however, that if our Common Stock is trading at a closing bid price of less than \$2.00 on said maturity date, the maturity date shall be extended to April 18, 2008. Provided there then exists no event of default by us under the Debentures, the principal of and any accrued but unpaid interest due under the Debentures on the maturity date shall automatically be converted into shares of Common Stock on the maturity date at the then applicable conversion price. The Debentures pay simple interest quarterly accruing at the annual rate of 8%, either in the form of our Common Stock, which shall be valued and computed based upon the lower of (i) \$2.00, or (ii) eighty five (85%) percent the average closing price for our Common Stock for the 10 trading days prior to the payment due date, or cash, each at our option. The Debentures are convertible into shares of our Common Stock at a conversion price equal to \$2.00, subject to adjustment in certain events, including, without limitation, upon our consolidation, merger or sale of all of substantially all of our assets, a reclassification of our Common Stock, or any stock splits, combinations or dividends with respect to our Common Stock. We may in our discretion require that the Investors convert all or a portion of the Debentures and we may also redeem the Debentures at a price equal to 120% of the principal balance and accrued interest thereon that are requested to be redeemed.

In addition, we issued 500,000 Warrants to the Investors, representing an amount of Warrants equal to 100% of the quotient of (i) the principal amount of the Debentures issued at the closing date divided by (ii) the conversion price on the closing date. The Warrants are exercisable at a price equal to \$3.25, from the date of issuance until 5 years after the closing date, subject to adjustment in certain events, including, without limitation, upon our consolidation, merger or sale of all of substantially all of our assets, a reclassification of our Common Stock, or any stock splits, combinations or dividends with respect to our Common Stock.

Under the Registration Rights Agreement we entered into with the Investors on October 18, 2005, we are obligated to file a registration statement on Form SB-2 to effect the registration of 200% the Common Stock issuable upon conversion of the Debentures and exercise of the Warrants within 150 days after October 18, 2005. We are obligated to use our best efforts to cause the registration statement to be declared effective no later than 35 days after the filing date. If we do not file the registration statement, or if the registration statement is not declared effective by the SEC, each within the deadlines specified in the preceding sentence, we shall pay to the Investors, as liquidated damages, an amount equal to 2% of the amount invested by the Investors on a pro rata basis for each 30-day period of such registration default. However, we shall only be required pay liquidated damages, if any, to the Investors for a total of 9 months, either in the aggregate or for 9 consecutive months.

Further, we paid commissions of \$100,000, a non-accountable expense allowance of \$30,000, and issued 50,000 Warrants to the placement agent, a registered broker dealer firm, each as consideration for services performed in connection with the issuance of the Debentures and Warrants to the Investors pursuant to the Purchase Agreement. The placement agent has no obligation to buy any Debentures or Warrants from us. In addition, we have agreed to indemnify the placement agent and other persons against specific liabilities under the Securities Act of 1933, as amended.

We claim an exemption from the registration requirements of the Act for the private placement of these securities pursuant to Section 4(2) of the Act and/or Regulation D promulgated thereunder since, among other things, the transaction

Edgar Filing: AIRTRAX INC - Form 8-K

did not involve a public offering, the Investors were accredited investors and/or qualified institutional buyers, the Investors had access to information about us and their investment, the Investors took the securities for investment and not resale, and we took appropriate measures to restrict the transfer of the securities.
