- (2) *Ratification of KPMG LLP's appointment as our independent auditors for 2002; and*
- (3) *Approval of an amendment to our stock option plan to increase the number of shares issuable under the plan by 2,000,000 shares (see page 10 for details).*
- 

**Q: How does the Board recommend I vote on the proposals?**

- A: *The Board recommends you vote **FOR** each of the director nominees and **FOR** each of the other two proposals.*
- 

**Q: Who is entitled to vote at the meeting?**

- A: *Holders of shares of our Common Stock, 1998A Convertible Preferred Stock and 1999A Convertible Preferred Stock as of the close of business on the record date, March 15, 2002, are entitled to vote.*
- 

**Q: How do I vote?**

- A: *Sign and date each proxy card you receive and return it in the prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR each of the three director nominees and FOR each of the other two proposals.*

*You have the right to revoke your proxy at any time before your shares are actually voted at the Annual Meeting by:*

- (1) *notifying our Corporate Secretary in writing at 18400 Von Karman, Suite 1000, Irvine, California 92612;*
- (2) *signing and returning a proxy card dated as of a later date; or*
- (3) *voting in person at the Annual Meeting.*
-

**Table of Contents****Q: How will voting on any other business be conducted?**

A: *Other than the three proposals described in this Proxy Statement, we know of no other business to be considered at the Annual Meeting. However, if any other matters are properly presented at the meeting, your signed proxy card authorizes Robert K. Cole, our Chairman and Chief Executive Officer, and Brad A. Morrice, our Vice Chairman, President and Chief Operating Officer, to vote on those matters according to their best judgment.*

**Q: Who will count the vote?**

A: *Representatives of U.S. Stock Transfer Corporation, the independent Inspector of Elections, will count the votes.*

**Q: What does it mean if I receive more than one proxy card?**

A: *It probably means your shares are registered differently and are in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.*

**Q: How many shares can vote?**

A: *As of the record date, there were 20,720,305 shares of Common Stock, 20,000 shares of Series 1998A Convertible Preferred Stock and 12,856 shares of Series 1999A Convertible Preferred Stock issued and outstanding. Holders of Common Stock are entitled to one vote per share for each matter before the meeting. Holders of 1998A Convertible Preferred Stock are entitled to 136.24 votes per share and holders of 1999A Convertible Preferred Stock are entitled to 69.98 votes per share. As a result, there are a total of 24,344,767 eligible votes.*

<b>Class</b>	<b>Shares Outstanding</b>	<b>Votes per Share</b>	<b>Total Votes</b>
Common Stock	20,720,305	1.00	20,720,305
Series 1998A	20,000	136.24	2,724,800
Series 1999A	12,856	69.98	899,662
<b>Total</b>			<b>24,344,767</b>

**Q: How many votes are necessary to take action at the meeting?**

A: *In order for the meeting to be held, a quorum of the eligible voting shares must be present at the meeting, whether in person or represented by proxy. A quorum is a majority of the eligible votes. Since there were 24,344,767 eligible votes as of the record date, we will need at least 12,172,384 votes present at the meeting for a quorum to exist. The three nominees for director who receive the most votes will be elected director. In order for any other proposal to be approved, it must receive a majority of the votes present at the meeting. Finally, cumulative voting rights are not authorized and dissenters' rights are not applicable to the matters before the meeting.*

---

**Table of Contents**

---

**Q: What happens if I abstain?**

A: *If you submit a properly signed proxy card and indicate your intention to ABSTAIN on one or more proposals, your shares will still be considered present for purposes of calculating a quorum. However, your abstention will not count FOR or AGAINST any matter, and your shares will not be included in the calculation of whether any matter has received a majority of the votes present at the meeting.*

---

**Q: How will broker non-votes be treated?**

A: *In some cases, brokers and nominees will return proxy cards indicating that they never received specific voting instructions from the beneficial owner and that they lack the discretionary power to vote the shares on behalf of the beneficial owner. These are called broker non-votes. Like abstentions, broker non-votes are considered present for purposes of calculating a quorum but are not included in the calculation of whether any matter has received a majority of the votes present.*

---

**Q: Who can attend the Annual Meeting?**

A: *All stockholders as of the record date can attend the Annual Meeting, although seating is limited. If your shares are issued in your name and not held through a brokerage account and you wish to attend the meeting, please check the box on your proxy card. If your shares are held through a broker and you would like to attend, please (1) write or e-mail Carrie Marrelli, our Vice President of Investor Relations, at 18400 Von Karman, Suite 1000, Irvine, California 92612, or at cmarrell@ncen.com, and (2) bring a copy of your brokerage account statement or an omnibus proxy (which you can get from your broker) to the meeting.*

---

**Q: When are stockholder proposals due for the 2003 Annual Meeting?**

A: *In order to include a proposal in next year's proxy statement, you must submit your proposal in writing to our Secretary at New Century Financial Corporation, 18400 Von Karman Avenue, Suite 1000, Irvine, California 92612. We must receive your proposal no later than December 5, 2002. *If you would like to present a stockholder proposal for the 2003 Annual Meeting outside of the process specified in Rule 14a-8, we must receive your proposal at least 60 but not more than 90 days before the meeting. Your proposal must set forth a brief description of the business to be brought before the meeting, the reasons for conducting the business at the meeting and any personal interest in this business. Also, your proposal must be accompanied by your name and address as they appear on our books and the class and number of shares that you own. If your proposal is submitted according to our bylaws and is a proper matter for consideration, you will be allowed to present it at the 2003 Annual Meeting.*

In addition, some of our directors, officers and regular employees may, without extra pay, make additional solicitations by telephone or in person. We will also reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for forwarding proxy materials to beneficial owners. **PROPOSAL 3**

---

**AMENDMENT TO INCREASE SHARES AVAILABLE  
UNDER THE 1995 STOCK OPTION PLAN**

**The Proposed Amendment**

On March 26, 2002, the Board of Directors adopted an amendment to our Stock Option Plan increasing the number of shares of Common Stock that may be issued under the Stock Option Plan from 3,500,000 to 5,500,000 shares. However, our stockholders must approve this amendment before it can take effect.

**Why does the Stock Option Plan need more shares?**

One of the primary purposes of our Plan is to attract, motivate and retain officers and key employees through stock options, restricted stock and other incentive awards. We believe that there are not enough shares available under the Stock Option Plan to accomplish this objective.

In November 2001 and February 2002, management proposed grants of options to purchase 675,000 shares of Common Stock and grants of 145,000 shares of restricted stock as rewards and incentives for key employees who contributed to our record-breaking year of 2001. These awards exceeded the number of shares available under the Stock Option Plan. Therefore, our Board approved these awards subject to our stockholders' approval to increase the number of shares available under the Plan.

If our stockholders approve this amendment, then, in addition to the above grants becoming effective, we will have approximately 1,320,000 additional shares available for future grants. These remaining shares will provide the Board with flexibility necessary to attract and retain officers and key employees in the coming years. As a result, the Board believes that a 2,000,000-share increase in the number of shares available for issuance under the Stock Option Plan is desirable and in New Century's best interests.

**Table of Contents****Specific Benefits**

If our stockholders approve this amendment, then the following options and restricted stock grants will be approved and effective.

<b>Name and Position</b>	<b>Options (1)</b>	<b>Restricted Stock (2)</b>
Robert K. Cole <i>Chairman of the Board and Chief Executive Officer</i>	75,000	
Brad A. Morrice <i>Vice Chairman, President and Chief Operating Officer</i>	75,000	
Edward F. Gotschall <i>Vice Chairman and Chief Financial Officer</i>	75,000	
Executive Officers as a Group	225,000	
Non-Executive Officer Employees as a Group (3)	450,000	145,000

- (1) All of the options granted to Executive Officers and 400,000 of the options granted to Non-Executive Officers were granted on February 27, 2002 at an exercise price of \$15.71 per share. The remaining 50,000 options granted to Non-Executive Officers were granted on October 5, 2001 at an exercise price of \$11.30 per share. All options vest over a five-year period, with 20% vesting on the first anniversary of the grant date and 5% vesting on the last day of each succeeding calendar quarter. The final 5% vests on the fifth anniversary of the grant date.
- (2) These shares were granted on February 22, 2002 for a purchase price of \$0.01 per share. The awards vest 25% on the first and second anniversaries of the grant date and the remaining 50% vests on the third anniversary.
- (3) These options and restricted shares were issued to a group of 20 employees.

The number, amount and type of future awards to officers and directors cannot be determined at this time.

**Vote Required for Approval**

This proposal may be approved by a simple majority of the voting shares present in person or by proxy.

VOTE FOR APPROVAL OF THIS PROPOSED AMENDMENT TO  
THE 1995 STOCK OPTION PLAN.**

**SUMMARY OF THE STOCK OPTION PLAN**

---

In order to help you evaluate Proposal 3, we have summarized the key features of the Stock Option Plan. Because this is only a summary, it does not contain all the information that may be important to you in considering Proposal 3.

We have filed the full text of the amended Stock Option Plan with the Securities and Exchange Commission as an exhibit to this Proxy Statement. It is available on the SEC's website at <http://www.sec.gov>. You may also receive a free copy of the Plan by writing Carrie Marrelli, Vice President - Investor Relations at 18400 Von Karman, Suite 1000, Irvine, California 92612, or at [cmarrell@ncen.com](mailto:cmarrell@ncen.com).

**Purpose of the Plan**

We adopted the Stock Option Plan in December 1995. Its purpose is to promote our success by providing a means to attract, motivate and retain key employees, consultants, advisors and directors.

**Administration**

Awards under the Stock Option Plan are recommended by management and approved by the Compensation Committee, which consists of three members of the Board. The Compensation Committee has the power to interpret the Stock Option Plan and any award agreements, accelerate or extend the vesting or exercisability of awards, extend the term of any award (within the maximum 10-year limit), and make all other decisions necessary or desirable to administer the Plan.

**Participation in the Plan**

Under the Stock Option Plan, the Compensation Committee can grant awards to officers, key employees and consultants. In addition, our non-employee directors receive automatic annual options described below under the heading "Types of Awards - Stock Options." Including executive officers and directors, approximately 1,700 people are eligible to receive awards under the Plan.

The following information may be relevant to your analysis of this proposal:

Number of Shares Available for Issuance under the Plan	140,523
Total Number of Granted but Unexercised Options	2,278,511
Total Number of Shares of Outstanding Restricted Stock	155,000
Weighted Average Exercise Price of Granted but Unexercised Options	\$9.65
Weighted Average Term Remaining for Granted but Unexercised Options	7.43 yrs

## **Table of Contents**

### **Types of Awards**

Under the Stock Option Plan, the Compensation Committee may award:

Stock  
Options;

Restricted  
Stock;

Stock Appreciation Rights  
( SARs ); and

Performance  
Share Awards.

#### *Stock Options*

The Compensation Committee determines the exercise price, vesting provisions, term and type of option granted to participants under the Plan. The Compensation Committee may grant two types of stock options nonqualified stock options and incentive stock options.

Incentive stock options are intended to qualify under Section 422 of the Internal Revenue Code and, therefore, they may be only granted to our employees. Moreover, the exercise price of incentive stock options must be at least equal to the fair market value of our Common Stock on the date of grant. If incentive stock options are granted to an owner of 10% or more of our Common Stock, then the exercise price must be at least 110% of the fair market value.

On the date of each annual meeting, each newly elected or appointed non-employee director is automatically granted a nonqualified stock option to purchase 15,000 shares of Common Stock. All returning non-employee directors are granted a nonqualified stock option for 10,000 shares. The exercise price for these options is equal to the closing price of our Common Stock on the date of the annual meeting. These options are granted for 10-year terms and vest in three equal annual installments.

#### *Restricted Stock Awards*

The Compensation Committee may award restricted stock, establishing the number of shares, the grant date and the purchase price for the stock (if any). The Compensation Committee may also impose whatever restrictions on the stock it deems appropriate, provided that the restrictions are imposed for a minimum of six months after the grant date.

#### *Stock Appreciation Rights*

The Compensation Committee may grant Stock Appreciation Rights to participants under the Plan. This type of an award allows the participant to benefit from an appreciation in the value of our Common Stock. The terms of the SAR award set forth the number of shares, exercise price, vesting, term and any other features of the award. If the SAR is granted together with an incentive stock option, then the exercise price and vesting of the SAR will be tied to those terms of the related option. The Compensation Committee may elect to pay participants the value of their awards in cash, Common Stock or in a combination of both.

---

**Table of Contents**

*Performance Share Awards*

The Compensation Committee may grant performance share awards based on whatever factors it deems appropriate. The Compensation Committee will specify the number of shares, the purchase price for the shares and any other conditions.

*Performance-Based Awards*

The Compensation Committee may grant other performance-based awards, which may be in the form of cash, options, restricted stock, SARs and performance share awards. These awards are intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code.

Only our executive officers may receive performance-based awards. No executive officer may receive more than 500,000 shares of Common Stock in any calendar year nor may any executive officer receive cash awards in excess of \$1,000,000.

The performance goals and performance targets are determined by the Compensation Committee and may be based on any of the following criteria:

<i>Cash Flow</i>	<i>Loan Production Volume</i>	<i>Return on Equity</i>
<i>Earnings Per Share</i>	<i>Loan Quality</i>	<i>Total Stockholder Return</i>
<i>Gain on Sale of Loans</i>		

These goals and targets will be determined before the deadline under Section 162(m) of the Code and only at a time when achievement of such targets is substantially uncertain. The Compensation Committee may adjust goals and targets if unanticipated events arise. Conversely, the Compensation Committee may reduce, but not increase, the amount of a performance-based award, even if the previously specified goals and targets are met.

**Award Limits**

The Stock Option Plan currently authorizes 3,500,000 shares of Common Stock for issuance. If our stockholders approve Proposal 3, there will be an additional 2,000,000 shares, or 5,500,000 shares in total, available to participants. In either event, no participant may receive awards for more than 500,000 shares in any calendar year. These limits are subject to adjustment in connection with stock splits, stock dividends and similar events. For more information on these adjustments, please consult Section 6.2 of the Plan.

**Non-Transferability**

Generally, awards under our plan may only be exercised by the participant and may not be sold, assigned, pledged, encumbered or otherwise transferred. However, the Compensation Committee may, for estate or tax planning purposes, allow a participant's relatives or related entities to exercise the participant's awards.

**Table of Contents****Termination of Employment**

The following table describes how different types of awards are usually treated upon termination of the participant's employment with us:

<b>Type of Award</b>	<b>Reason for Termination</b>	<b>Consequences</b>
Options not yet exercisable	For any reason	Options lapse immediately
	Discharge for cause	Options lapse immediately
Options that are exercisable	Retirement, total disability, death	Options must be exercised within 3 months of termination date, or sooner if provided in the option agreement
	For any other reason	Options must be exercised within 30 days of termination
SARs granted with options	For any reason	SARs terminate in the same manner as the related options
SARs granted without options	For any reason	SARs terminate in accordance with the award agreement
Restricted Stock	For any reason	Unvested shares are forfeited
Performance Shares	For any reason	Shares are forfeited according to the award agreement unless the shares have been issued or have become issuable on the date of termination

**Acceleration of Awards**

If certain events occur, all awards under the Stock Option Plan will become immediately vested unless, prior to the event, our Board determined that there would be either no acceleration or limited acceleration of vesting. These events are: (1) our dissolution or liquidation, (2) certain mergers or consolidations with another entity, and (3) the sale of all or substantially all of our assets.

**Amendments and Termination of the Stock Option Plan; Limitations on Option Repricing**

Generally, the Board of Directors and the Compensation Committee have the authority to amend any aspect of the Stock Option Plan and any outstanding award granted thereunder. However, stockholder approval is required for any amendment that would (i) increase the maximum number of shares under the Plan, (ii) materially increase the benefits to participants, or (iii) materially change the requirements for eligibility to participate in the Plan. Also, stockholder approval is required for any option repricing where the new exercise price would be less than the fair market value of our Common Stock on the original grant date.

The plan will terminate in December 2005 unless sooner terminated by our Board. Upon termination, no further award grants may be made. However, any award grants made prior to termination shall remain in effect and the participants will not lose their rights with respect to such awards.

**Table of Contents****Federal Income Tax Consequences**

Generally, the federal income tax consequences arising from awards under the Stock Option Plan are as follows:

Type of Award	Taxable/Deductible Amount	Tax Effect	
		On the Participant	On New Century
Incentive Stock Options	Difference between the sales price of the stock and the exercise price	Taxable upon sale of the underlying stock	Not deductible
Nonqualified Stock Options	Difference between the fair market value of the stock at the time of exercise and the exercise price	Taxable upon exercise of the option	Deductible at the time of exercise
Restricted Stock <sup>1</sup>	Difference between the fair market value of the stock when the restrictions lapse and the purchase price, if any	Taxable when the restrictions lapse	Deductible when the restrictions lapse
Performance Share Awards & Unrestricted Stock Bonuses	The fair market value of the stock when received	Taxable upon receipt	Deductible upon issuance
Cash-based Awards	The amount of the award	Taxable upon receipt	Deductible upon payment

1. If the restrictions involve a substantial risk of forfeiture, then the participant may defer recognizing income until the date upon which the substantial risk of forfeiture lapses. However, even in such case, the participant may elect to recognize income immediately in the amount equal to the difference between the fair market value of the stock on the date of grant and the purchase price, if any. If there is no substantial risk of forfeiture, then income is automatically recognized on the date of grant.

If an award is accelerated under the Stock Option Plan, we may not be permitted to deduct the portion of the compensation attributable to the acceleration. Furthermore, if the award is not performance-based within the meaning of Section 162(m) of the Internal Revenue Code, we may not be permitted to deduct such compensation. The above tax summary is based upon federal income tax laws in effect on March 15, 2002.

**Table of Contents****SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND MANAGEMENT**

**Table of Contents****Attendance at Board and Committee Meetings**

During 2001, our Board of Directors met 14 times. Also, during 2001, the Audit Committee met 5 times and the Compensation Committee met 8 times. Each director attended at least 75% of the meetings of the full Board and the committees on which he served.

**Committees of the Board**

The Board of Directors has a Compensation Committee, an Executive Committee and an Audit Committee. The following table sets forth the committee assignments for each director.

*The Compensation Committee*

The Compensation Committee is comprised of Messrs. Forster, Sachs and Sandvik, all of whom are non-employee directors. The Compensation Committee has the responsibility for establishing the compensation and other benefits payable to executive officers. It is also responsible for administering incentive compensation and benefit plans, including the Stock Option Plan and the 1999 Incentive Compensation Plan.

*The Executive Committee*

From time to time, the Board of Directors delegates special powers and authority to the Executive Committee. The Executive Committee is comprised of Messrs. Cole, Sachs and Zona. Any act of the Executive Committee requires at least two affirmative votes. The Executive Committee did not meet during 2001.

*The Audit Committee*

The Audit Committee is comprised of three non-employee directors Messrs. Forster, Sachs and Zona. Nasdaq Marketplace Rules require that at least two members of the Audit Committee be independent directors. Under these rules, Messrs. Forster and Sachs are independent directors but Mr. Zona is not because he was employed by U.S. Bancorp within the last three years. Under the securities laws, U.S. Bancorp could be deemed as one of our affiliates due to its 14.9% ownership stake in New Century. Nevertheless, the Board of Directors concluded that Mr. Zona's former affiliation with U.S. Bancorp would not compromise his independence, and that his considerable experience as a CPA and senior executive would be beneficial to the work of the Audit Committee.

**Table of Contents**

The Audit Committee operates under a written charter adopted by the Board of Directors. A copy of this charter was included in last year's proxy statement and is available on the Securities and Exchange Commission's website at <http://www.sec.gov>. You may also receive a free copy of the Audit Committee Charter by writing Carrie Marrelli, Vice President- Investor Relations at 18400 Von Karman, Suite 1000, Irvine, California 92612, or at [cmarrell@ncen.com](mailto:cmarrell@ncen.com).

The Audit Committee is responsible for reviewing the adequacy of our internal accounting controls. It is also responsible for recommending and approving the services provided by independent certified public accountants. In this regard, the Audit Committee has considered whether KPMG's provision of the services listed below as "All Other Fees" is compatible with maintaining its independence.

**Compensation of Directors**

Our directors who are also employees of New Century do not receive any compensation for serving on the Board.

During 2001, we paid our non-employee directors an annual retainer of \$10,000 and a fee of \$2,500 for each board or committee meeting attended. If a board and committee meeting occurred on the same day, the \$2,500 meeting fee was only paid once. Also, we did not compensate non-employee directors for brief ad hoc telephonic meetings for which the combined preparation and meeting time did not exceed one hour. Lastly, we reimbursed our non-employee directors for reasonable expenses incurred in attending meetings.

In addition, pursuant to our Stock Option Plan, after last year's annual meeting, we granted each non-employee director a nonqualified stock option to purchase 25,000 shares of our Common Stock at an exercise price of \$10.05 per share. After this year's meeting, each non-employee director will automatically receive an option to purchase an additional 10,000 shares at an exercise price equal to the closing price of our Common Stock on the date of grant. All of these options will vest in three annual installments.

### **Certain Relationships and Related Transactions**

We have a variety of business relationships with U.S. Bancorp, the holder of convertible preferred stock with voting rights equivalent to 14.9% of our total outstanding voting power.

*Warehouse Credit Lending.* U.S. Bank National Association is the agent and lead lender under our warehouse credit agreement. In 2001, our outstanding borrowings under that agreement averaged approximately \$148 million, and we expect borrowings in the current year to grow in excess of that figure.

*Subordinated Debt.* We have borrowed \$40 million from U.S. Bank in the form of subordinated debt. This debt matures on December 31, 2003.

*Trustee and Custodian Relationships.* U.S. Bank National Association serves as Trustee or Trust Administrator for our loan securitizations. In 2001, U.S. Bank received fees of approximately \$200,000 for providing these services. U.S. Bank also serves as custodian of our loan files held as collateral under financing arrangements with third parties.

*Private Placement.* In February 2002, we repurchased 7,144 shares of Series 1999A Convertible Preferred Stock from U.S. Bancorp for approximately \$7 million. Concurrently, U.S. Bancorp entered into an agreement whereby it agreed to convert its remaining convertible preferred stock into 3,624,462 shares of Common Stock and to sell those shares to a group of private investors. To facilitate this transaction, we filed a registration statement on Form S-3 relating to the resale of the shares that will be sold in this transaction.

During part of 2001, Mr. Forster was a director and consultant to LoanTrader, Inc. He also owned approximately 4% of LoanTrader's equity. During 2001, LoanTrader paid approximately \$1 million to New Century for office space, furniture and equipment. In November 2001, LoanTrader's successor-in-interest terminated its rental agreements with us.

### **Compensation Committee Interlocks and Insider Participation**

No member of the Compensation Committee is a former or current officer or employee of New Century or any of its subsidiaries. No executive officer serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

**AUDIT COMMITTEE REPORT**

---

To the Board of Directors  
of New Century Financial Corporation

February 22, 2002

Our Committee has reviewed and discussed with the Company's management and its independent auditing firm, KPMG LLP, the Company's audited financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission (the "Audited Financial Statements"). In addition, we have discussed with KPMG LLP the matters required by Codification of Statements on Auditing Standards No. 61.

The Committee also has received and reviewed the written disclosures and the letter from KPMG LLP required by Independence Standards Board Standard No. 1, and we have discussed with that firm its independence from the Company. We also have discussed with the Company's management and KPMG LLP such other matters and received such assurances from them as we deemed appropriate.

Management is responsible for the Company's internal controls and the financial reporting process. KPMG LLP is responsible for performing an independent audit of the Financial Statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes.

Based on the foregoing review and discussions and a review of the report of KPMG LLP with respect to the Audited Financial Statements, and relying thereon, we have recommended to the Company's Board of Directors the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2001.

**REPORT OF COMPENSATION COMMITTEE**

---

The Compensation Committee administers the Company's two incentive plans: the 1995 Stock Option Plan and the 1999 Incentive Compensation Plan. In addition, the Committee evaluates the performance and compensation levels of the Company's senior executives and considers management succession and related matters.

**Overall Compensation Policies**

The Committee's overriding objective is to structure executive compensation in a way that helps to achieve New Century's strategic and financial goals. To this end, the Committee is guided by the following basic principles:

- (1) Compensation levels should be appropriate to attract, retain and motivate talented executives and should be competitive with levels for executive officers of similar companies.
- (2) A substantial portion of each executive officer's annual compensation should be linked to New Century's overall financial performance.
- (3) Executive officers should have a strong incentive to advance long-term strategic and financial goals, and not merely be concerned with shorter-term financial performance.
- (4) Recognizing the importance of the unique partnership-like working relationship of the Founding Managers Messrs. Cole, Morrice and Gotschall, the Committee strives to provide them with substantially equal compensation arrangements.
- (5) The tax implications to New Century and its executive officers of various payments and benefits should be considered in structuring total executive compensation.

The Committee relies principally on three forms of compensation to pursue this objective: annual salary, annual bonus and stock-based awards. During 2001, the Committee performed a thorough reevaluation of these three components in order to assure that executive officer compensation was properly structured to help achieve New Century's objectives going forward. The Committee engaged an outside consultant to assist it in this process. As a result, the Committee restructured the Founding Managers' incentive compensation program, incorporating these changes into revised employment agreements that became effective on January 1, 2002. The revised compensation program provides for (i) more modest percentages of return on equity to be paid to the executive officers in the form of annual cash and restricted stock bonuses, (ii) a higher proportion of incentive compensation paid in stock rather than cash, and (iii) consideration of larger annual stock option grants to the executive officers.

**Table of Contents**

**2001 Executive Compensation**

*Factors Considered.* The 2001 compensation for the Founding Managers was a function of (1) pre-established base salary compensation under their employment agreements, (2) pre-established return on equity targets, and (3) a discretionary grant of 150,000 options to each Founding Manager in recognition of New Century's strong performance and the significant contribution each Founding Manager made to this performance.

*Base Salary.* The Founding Managers' base salary of \$367,500 for 2001 was established under their January 1, 1999 employment agreements, and represented the contractually specified 5% minimum raise over their 2000 base salary.

*Bonus.* For 2001, each Founding Manager received a cash bonus of \$735,000 and restricted stock worth \$97,098, based on New Century's return on equity in 2001. The Committee designed the bonus program to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code. The specific targets were based on the ratio of earnings before income taxes compared to average stockholders' equity for the year.

*Stock-Based Compensation.* In 2001, the Committee granted each Founding Manager an option to purchase 150,000 shares of Common Stock. The grants were based on an evaluation of New Century's overall performance as well as the contribution of each Founding Manager to that performance. The grants also reflected the Committee's conclusion, based on an extensive peer group analysis performed by an outside consultant, that the stock-based component of the Founding Managers' compensation had been under-weighted in prior years.

**2002 Executive Compensation**

Effective January 1, 2002, New Century entered into new employment agreements with each Founding Manager. These employment agreements incorporate changes that the Committee concluded were appropriate based on the compensation analysis it performed in 2001. Upon his promotion to President of New Century Mortgage Corporation in February 2002, Patrick Flanagan entered into an identical employment agreement.

For 2002, Messrs. Cole, Morrice, Gotschall and Flanagan will each receive a base salary \$385,875. This represents a 5% increase over the base salary that the Founding Managers received in 2001. The revised employment agreements, including the new incentive compensation formula, are described in greater detail in the "Executive Compensation" section of the Proxy Statement in which this Report appears.

**Employment Agreements and Change-in-Control Arrangements**

*Executive Officer Employment Agreements.* We have entered into employment agreements with Messrs. Cole, Morrice and Gotschall. Each agreement is effective as of January 1, 2002 and continues for a three-year term. Unless terminated by either party, each agreement renews for an additional three years at the end of each year. For instance, on December 31, 2002, the term of each agreement will be automatically extended until December 31, 2005 unless otherwise terminated.

The agreements provide for a base salary of \$385,875 in 2002. The Board has the authority to establish the base salary level for subsequent years, provided that it must represent at least a 5% increase over the preceding year. The agreements also provide for a \$500 per month automobile allowance.

If the executive officer is terminated without cause or quits his employment for good reason (as such terms are defined in the employment agreements), then he will receive severance pay as follows:

- (1) his base salary through the end of the current month plus credit for any vacation earned but not taken;
- (2) severance pay equal to (a) his base salary through the expiration of the current term of the employment agreement (however, this component will not be less than six months salary); plus (b) the average of his last three years incentive bonus compensation;
- (3) continued coverage under our medical insurance and other benefit programs until the expiration of his term of employment or his commencement of full-time employment with a new employer; and
- (4) up to \$20,000 for the cost of a senior executive outplacement program.

Also, if within twelve months following a change in control (as defined in the employment agreement), the executive officer is terminated without cause, quits his employment for good reason, or is given notice that New Century intends not to renew his employment agreement, then he will receive severance pay in the amounts set forth above, except that he shall be entitled to receive his base salary for a minimum of 18 months.

*Incentive Compensation Plan Awards.* Under the agreements, the named executive officers are also eligible to receive incentive compensation awards under our 1999 Incentive Compensation Plan. The awards provide that the executive officers will receive a percentage of our pre-tax net income based upon the ratio of our pre-tax net income to our average stockholders equity, measured over a six-month and a twelve-month period as set forth below:

**Table of Contents****Six-Month Performance Period from January 1 June 30**

<b>Ratio of Pre-Tax Net Income to Average Stockholders' Equity</b>	<b>Amount of Bonus</b>
Less than 9%	None
Between 9-14%	1.125% of Pre-Tax Net Income in excess of 9% but not in excess of 14% of Average Stockholders' Equity
Between 14-19%	The amount above <i>plus</i> 0.75% of Pre-Tax Net Income in excess of 14% but not in excess of 19% of Average Stockholders' Equity
More than 19%	The amounts above <i>plus</i> 0.60% of Pre-Tax Net Income in excess of 19% of Average Stockholders' Equity

**Twelve-Month Performance Period from January 1 December 31**

<b>Ratio of Pre-Tax Net Income to Average Stockholders' Equity</b>	<b>Amount of Bonus</b>
Less than 18%	None
Between 18-28%	1.125% of Pre-Tax Net Income in excess of 18% but not in excess of 28% of Average Stockholders' Equity
Between 28-38%	The amount above <i>plus</i> 0.75% of Pre-Tax Net Income in excess of 28% but not in excess of 38% of Average Stockholders' Equity
More than 38%	The amounts above <i>plus</i> 0.60% of Pre-Tax Net Income in excess of 38% of Average Stockholders' Equity

The incentive bonus for the 6-month period may not exceed 80% of the executive's base salary for that year. Also, the amount of bonus paid for the 12-month performance period will be reduced by any amounts already paid for the 6-month performance period that falls in the same year. Finally, the amount of any 12-month bonus that exceeds 150% of the executive's base salary for the applicable year will be paid in restricted stock unless the Compensation Committee decides otherwise.

*Other Change-In-Control Provisions.* The 1995 Stock Option Plan allows for the acceleration of award vesting upon a change in control (as defined in the plan), unless the Board decides otherwise prior to the change in control. Similarly, under the Incentive Compensation Plan, unless the Board decides otherwise prior to the event, a change in control results in accelerated payment of outstanding incentive compensation awards. The payment level assumes achievement of the maximum performance goal for each award, but is pro-rated according to the portion of the applicable performance period elapsed at the time of acceleration.

- (3) This column shows the hypothetical gains or option spreads of the options granted based on the per-share market price of the Common Stock at the time of the grant and assumes annual compound stock appreciation rates of 5% and 10% over the full 10-year term of the options. The 5% and 10% assumed rates of appreciation are mandated by the rules of the Securities and Exchange Commission and do not represent our projections. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses. The actual gains, if any, on the exercise of stock options will depend on the future performance of the Common Stock, the option holder's continued employment, and the date on which the options are exercised.

**1995 STOCK OPTION PLAN**  
(Amended and Restated May 30, 1997)

Composite Plan document reflecting Amendments to the Plan  
approved by shareholders May 18, 1998, May 17, 1999, May 15, 2000, May 15, 2001, and Amendments  
approved by the Board of Directors on November 29, 2000 and March 26, 2002.

**I. THE  
PLAN.**

**1.1 Purpose.**

The purpose of this Plan is to promote the success of the Company by providing an additional means to attract, motivate and retain key personnel, consultants, advisors and knowledgeable directors through the grant of Options and other Awards that provide added long term incentives for high levels of performance and for significant efforts to improve the financial performance of the Company. Capitalized terms are defined in Article VII.

**1.2 Administration.**

(a) This Plan shall be administered by the Committee. Action of the Committee with respect to the administration of this Plan shall be taken pursuant to a majority vote or the unanimous written consent of its members. In the event action by the Committee is taken by written consent, the action shall be deemed to have been taken at the time specified in the consent or, if none is specified, at the time of the last signature. The Committee may delegate administrative functions to individuals who are officers or employees of the Company.

(b) Subject to the express provisions of this Plan, the Committee shall have the authority to construe and interpret this Plan and any agreements defining the rights and obligations of the Company and Participants under this Plan, to further define the terms used in this Plan, to prescribe, amend and rescind rules and regulations relating to the administration of this Plan, to determine the duration and purposes of leaves of absence which may be granted to Participants without constituting a termination of their employment or consulting services for purposes of this Plan, to accelerate or extend the exercisability or extend the term of any or all outstanding Awards within the maximum term of such Awards required by Section 2.3 or applicable law, and to make all other determinations necessary or advisable for the administration of this Plan. The determination of the Committee on any of the foregoing matters shall be conclusive.

(c) Any action taken by, or inaction of, the Company, any Subsidiary, the Board or the Committee relating to this Plan shall be within the absolute discretion of that entity or body. No member of the Board or Committee, or officer of the Company or any Subsidiary, shall be liable for any such action or inaction.

(d) In making any determination or in taking or not taking any action under this Plan, the Company, any Subsidiary, the Board or the Committee may obtain and rely upon the advice of experts, including professional advisors to the Company. No member of the Board or Committee, or officer of the Company or any Subsidiary, shall be liable for any such action or determination made or omitted.

**Table of Contents**

(e) Subject to the requirements of Section 7.1(h), the Board, at any time it so desires, may increase or decrease the number of members of the Committee, may remove from membership on the Committee all or any portion of its members, and may appoint such person or persons as it desires to fill any vacancy existing on the Committee, whether caused by removal, resignation or otherwise.

**1.3 Participation.**

Awards may be granted only to Eligible Employees. An Eligible Employee who has been granted an Award may, if otherwise eligible, be granted additional Awards if the Committee shall so determine. Except as provided in Section 2.6 below, members of the Board who are not officers or employees of the Company shall not be eligible to receive Awards.

**1.4 Shares Available Under the Plan.**

Subject to the provisions of Section 6.2, the capital stock that may be delivered under this Plan shall be shares of the Company s authorized but unissued Common Stock and any shares of its Common Stock held as treasury shares. The aggregate maximum number of shares of Common Stock that may be issued or transferred pursuant to Awards (including Incentive Stock Options) granted under this Plan shall not exceed 5,500,000\* shares. The maximum number of shares of Common Stock that may be delivered pursuant to options qualified as Incentive Stock Options granted under the Plan is 5,500,000\* shares. The maximum number of shares that may be subject to Options and Stock Appreciation Rights that are granted during any calendar year to any individual shall not exceed 500,000 shares. Each of the foregoing numerical limits shall be subject to adjustment as contemplated by this Section 1.4 and Section 6.2. If any Option and any related Stock Appreciation Right shall lapse or be cancelled or terminate without having been exercised in full, or any Common Stock subject to a Restricted Stock Award shall not vest or any Common Stock subject to a Performance Share Award shall not have been transferred, the unpurchased, unvested or nontransferred shares subject thereto shall again be available for purposes of this Plan.

\* Reflects proposed share increase to be considered by stockholders at 2002 Annual Meeting

**1.5 Grant of Awards.**

Subject to the express provisions of this Plan, the Committee shall determine from the class of Eligible Employees those individuals to whom Awards under this Plan shall be granted, the terms of Awards (which need not be identical) and the number of shares of Common Stock subject to each Award. Each Award shall be subject to the terms and conditions set forth in this Plan and such other terms and conditions established by the Committee as are not inconsistent with the purpose and provisions of this Plan. The grant of an Award is made on the Award Date.

**1.6 Exercise of Awards.**

An Option or Stock Appreciation Right shall be deemed to be exercised when the Secretary of the Company receives written notice of such exercise from the Participant, together with payment of the purchase price made in accordance with Section 2.2(a), except to the extent payment may be permitted to be made following delivery of written notice of exercise in accordance with Section 2.2(b). Notwithstanding any other provision of this Plan, the Committee may impose, by rule and in Awards Agreements, such conditions upon the exercise of Awards (including, without limitation, conditions limiting the time of exercise to specified periods) as may be required to satisfy applicable regulatory requirements.

**Table of Contents**

**1.7 No Transferability; Limited Exception to Transfer Restrictions.**

(a) Unless otherwise expressly provided below (or pursuant to) this Section 1.7, by applicable law and by the Award Agreement, as the same may be amended, (i) all Awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; Awards shall be exercised only by the Participant; and (ii) amounts payable or shares issuable pursuant to an Award shall be delivered only to (or for the account of) the Participant.

(b) The Committee may permit Awards to be exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's immediate family and/or charitable institutions, or to such other persons or entities as may be approved by the Committee, pursuant to such conditions and procedures as the Committee may establish. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes on a gratuitous or donative basis and without consideration (other than minimal consideration). Notwithstanding the foregoing, Incentive Stock Options and Restricted Stock Awards shall be subject to any and all additional transfer restrictions under the Code.

(c) The exercise and transfer restrictions in Section 1.7(a) shall not apply to:

(i) transfers to the Company;

(ii) the designation of a beneficiary to receive benefits in the event of the Participant's death or, if the Participant has died, transfers to or exercise by the Participant's beneficiary, or in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution;

(iii) transfers pursuant to a QDRO order if approved or ratified by the Committee;

(iv) if the Participant has suffered a Total Disability, permitted transfers or exercises on behalf of the Participant by his legal representative;

(v) the authorization by the Committee of cashless exercise procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of Awards consistent with applicable laws and the express authorization of the Committee.

**II. OPTIONS.**

**2.1 Grants.**

One or more Options may be granted to any Eligible Employee. Each Option so granted shall be designated by the Committee as either a Nonqualified Stock Option or an Incentive Stock Option; provided, however, that consultants or advisors may not be granted Incentive Stock Options under the Plan.

**Table of Contents**

**2.2 Option Price.**

(a) The purchase price per share of Common Stock covered by each Option shall be determined by the Committee, but in the case of Incentive Stock Options shall not be less than 100% (110% in the case of a Participant who owns more than 10% of the total combined voting power of all classes of stock of the Company) of the Fair Market Value of the Common Stock on the date the Incentive Stock Option is granted. The purchase price of any shares purchased shall be paid in full at the time of each purchase in one or a combination of the following methods: (i) in cash or by check payable to the order of the Company, (ii) if authorized by the Committee or specified in the Option being exercised, by a promissory note made by the Participant in favor of the Company, upon the terms and conditions determined by the Committee, and secured by the Common Stock issuable upon exercise in compliance with applicable law (including, without limitation, state corporate law and federal margin requirements) or (iii) if authorized by the Committee or specified in the Option being exercised, by shares of Common Stock of the Company already owned by the Participant; provided, however, that any shares delivered which were initially acquired upon exercise of a stock option must have been owned by the Participant at least six months as of the date of delivery. Shares of Common Stock used to satisfy the exercise price of an Option shall be valued at their Fair Market Value on the date of exercise.

(b) In addition to the payment methods described in subsection (a), the Option may provide that the Option can be exercised and payment made by delivering a properly executed exercise notice together with irrevocable instructions to a bank or broker to promptly deliver to the Company the amount of sale or loan proceeds necessary to pay the exercise price and, unless otherwise allowed by the Committee, any applicable tax withholding under Section 6.6. The Company shall not be obligated to deliver certificates for the shares unless and until it receives full payment of the exercise price therefor.

**2.3 Option Period.**

Each Option and all rights or obligations thereunder shall expire on such date as shall be determined by the Committee, but not later than 10 years after the Award Date, and shall be subject to earlier termination as hereinafter provided.

**2.4 Exercise of Options.**

(a) Subject to Sections 6.2 and 6.4, an Option may become exercisable or vest, in whole or in part, on the date or dates specified in the Award Agreement and thereafter shall remain exercisable until the expiration or earlier termination of the Option. An Option may be exercisable or vest on the Award Date.

(b) The Committee may, at any time after grant of the Option and from time to time, increase the number of shares exercisable at any time so long as the total number of shares subject to the Option is not increased. No Option shall be exercisable except in respect of whole shares, and fractional share interests shall be disregarded. Not less than 10 shares of Common Stock may be purchased at one time unless the number purchased is the total number at the time available for purchase under the terms of the Option.

**Table of Contents**

**2.5 Limitations on Grant of Incentive Stock Options.**

(a) To the extent that the aggregate fair market value of stock with respect to which incentive stock options first become exercisable by a Participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to Incentive Stock Options under this Plan and stock subject to incentive stock options under all other plans of the Company, such options shall be treated as nonqualified stock options. For purposes of determining whether the \$100,000 limit is exceeded, the fair market value of stock subject to options shall be determined as of the date the options are awarded. In reducing the number of options treated as incentive stock options to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Company may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an Incentive Stock Option.

(b) There shall be imposed in any Award Agreement relating to Incentive Stock Options such terms and conditions as are required in order that the Option be an incentive stock option as that term is defined in Section 422 of the Code.

(c) No Incentive Stock Option may be granted to any person who, at the time the Incentive Stock Option is granted, owns shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, unless the exercise price of such Option is at least 110% of the Fair Market Value of the stock subject to the Option and such Option by its terms is not exercisable after the expiration of five years from the date such Option is granted.

**2.6 Non-Employee Director Options.**

(a) Participation. Options under this Section 2.6 shall be granted only to Non-Employee Directors. Options granted pursuant to this Section 2.6 will be evidenced by Award Agreements the forms of which have been approved by the Board. Option grants contemplated by this Section 2.6 shall be made without any further action by the Board or the Committee.

(b) 2001 Option Grants. Upon the date of the Company's annual meeting of stockholders in 2001, each Non-Employee Director then in office (or elected to office at such meeting) who continues as a Non-Employee Director after such meeting shall automatically be granted a Nonqualified Stock Option (the Award Date of which shall be the date of such meeting) to purchase 25,000 shares of Common Stock.

(c) Initial Option Grants. Upon an individual's initial election to the Board as a Non-Employee Director (or initial appointment to the Board as a Non-Employee Director), such Non-Employee Director shall automatically be granted a Nonqualified Stock Option (the Award Date of which shall be the date of such election or appointment) to purchase 15,000 shares of Common Stock. Notwithstanding the foregoing, a Non-Employee Director whose initial election or appointment to the Board as a Non-Employee Director occurs in 2001 and on or before the date of the Company's annual meeting of stockholders in 2001 shall be eligible to be granted an Option under Section 2.6(b) but shall not be granted an Option under this Section 2.6(c) (or the predecessor provision to this Section 2.6(c)).

**Table of Contents**

(d) Annual Option Grants. Each Non-Employee Director then continuing in office shall automatically be granted on the day of the Company's annual stockholders meeting in each year during the term of this Plan commencing in 2002 a Nonqualified Stock Option (the Award Date of which shall be the date of such meeting) to purchase 10,000 shares of Common Stock. Notwithstanding the foregoing, a Non-Employee Director shall not be granted an Option under this Section 2.6(d) if, during the same calendar year, he or she had been granted or is then entitled to an Option grant under Section 2.6(b) or under Section 2.6(c) (or the predecessor provision to Section 2.6(c)).

(e) Option Price. The purchase price per share of the Common Stock covered by each Option granted pursuant to this Section 2.6 shall be one hundred percent of the Fair Market Value of the Common Stock on the Award Date. The purchase price of any shares purchased shall be paid in full at the time of each purchase in cash or by check or in shares of Common Stock valued at their Fair Market Value on the business day next preceding the date of exercise of the Option, or partly in such shares and partly in cash.

(f) Option Period. Each Option granted under this Section 2.6 and all rights or obligations thereunder shall expire on the tenth anniversary of the Award Date and shall be subject to earlier termination as provided below.

(g) Exercise of Options. Except as otherwise provided in the applicable Award Agreement and Sections 2.6(h) and 2.6(i), each Option granted under this Section 2.6 shall become exercisable according to the following schedule: (i) one-third of the total number of shares subject to the Option shall become exercisable on the May 1 that occurs in the first calendar year following the calendar year in which the Award Date occurs, (ii) an additional one-third of the total number of shares subject to the Option shall become exercisable on the May 1 that occurs in the second calendar year following the calendar year in which the Award Date occurs, and (iii) the remaining number of shares subject to the Option shall become exercisable on the May 1 that occurs in the third calendar year following the calendar year in which the Award Date occurs.

(h) Termination of Directorship. If a Non-Employee Director Participant's services as a member of the Board terminate, each Option granted pursuant to this Section 2.6 to such Non-Employee Director Participant which is not then exercisable shall terminate; provided, however, that if a Non-Employee Director Participant's services as a member of the Board terminate by reason of death or Total Disability, either the Board or the Committee may, in its discretion, consider to be exercisable a greater portion of any such Option than would otherwise be exercisable, upon such terms as the Board or the Committee shall determine. If a Non-Employee Director Participant's services as a member of the Board terminate by reason of death or Total Disability, any portion of any such Option which is then exercisable may be exercised for one year after the date of such termination or the balance of such Option's term, whichever period is shorter. If a Non-Employee Director Participant's services as a member of the Board terminate for any other reason, any portion of any such Option which is then exercisable may be exercised for six months after the date of such termination or the balance of such Option's term, whichever period is shorter.

(i) Acceleration Upon an Event. Immediately prior to the occurrence of an Event, in order to protect the holders of Options granted under this Section 2.6, each Option granted under this Section 2.6 and then outstanding shall become exercisable in full.

**Table of Contents**

(j) Adjustments. The specific numbers of shares stated in Sections 2.6(b), 2.6(c) and 2.6(d) and the consideration payable for such shares shall be subject to adjustment in certain events as provided in Section 6.2 of this Plan.

(k) Prior Option Grants. Options granted under this Section 2.6 prior to the amendment of this Section 2.6 in 2001 shall be governed by the provisions of this Section 2.6 as in effect on the Award Date of the respective Option.

(l) Limits. Option grants under this Section 2.6 that would otherwise exceed the maximum number of shares otherwise available for Award grants under this Plan shall be prorated within such limitation.

**2.7 No Repricing.**

Subject to Section 1.4 and Section 6.7 and the specific limitations on Options contained in this Plan, the Committee from time to time may authorize, generally or in specific cases only, for the benefit of any Eligible Employee, any adjustment in the exercise price, the number of shares subject to or the term of, an Option granted under this Plan by cancellation of an outstanding Option and a subsequent regranting of an Option, by amendment, by substitution of an outstanding Option, by waiver or by other legally valid means; provided, however, that no such amendment or other action (other than adjustments contemplated by Section 6.2) shall constitute or result in a repricing of an outstanding Option to a per share exercise price that is less than the Fair Market Value of a share of Common Stock on the original Award Date of the initial Option at issue without stockholder approval of such amendment or other action.

**III. STOCK APPRECIATION RIGHTS.**

**3.1 Grants.**

In its discretion, the Committee may grant Stock Appreciation Rights concurrently with the grant of Options. A Stock Appreciation Right shall extend to all or a portion of the shares covered by the related Option. A Stock Appreciation Right shall entitle the Participant who holds the related Option, upon exercise of the Stock Appreciation Right and surrender of the related Option, or portion thereof, to the extent the Stock Appreciation Right and related Option each were previously unexercised, to receive payment of an amount determined pursuant to Section 3.3. Any Stock Appreciation Right granted in connection with an Incentive Stock Option shall contain such terms as may be required to comply with the provisions of Section 422 of the Code and the regulations promulgated thereunder. In its discretion, the Committee may also grant Stock Appreciation Rights independently of any Option subject to such conditions as the Committee may in its absolute discretion provide.

**3.2 Exercise of Stock Appreciation Rights.**

(a) A Stock Appreciation Right granted concurrently with an Option shall be exercisable only at such time or times, and to the extent, that the related Option shall be exercisable and only when the Fair Market Value of the stock subject to the related Option exceeds the exercise price of the related Option.

(b) In the event that a Stock Appreciation Right granted concurrently with an Option is exercised, the number of shares of Common Stock subject to the related Option shall be charged against the maximum amount of Common Stock that may be

**Table of Contents**

issued or transferred pursuant to Awards under this Plan. The number of shares subject to the Stock Appreciation Right and the related Option of the Participant shall also be reduced by such number of shares.

(c) If a Stock Appreciation Right granted concurrently with an Option extends to less than all the shares covered by the related Option and if a portion of the related Option is thereafter exercised, the number of shares subject to the unexercised Stock Appreciation Right shall be reduced only if and to the extent that the remaining number of shares covered by such related Option is less than the remaining number of shares subject to such Stock Appreciation Right.

(d) A Stock Appreciation Right granted independently of any Option shall be exercisable pursuant to the terms of the Award Agreement.

**3.3 Payment.**

(a) Upon exercise of a Stock Appreciation Right and surrender of an exercisable portion of the related Option, the Participant shall be entitled to receive payment of an amount determined by multiplying

(i) the difference obtained by subtracting the exercise price per share of Common Stock under the related Option from the Fair Market Value of a share of Common Stock on the date of exercise of the Stock Appreciation Right, by

(ii) the number of shares with respect to which the Stock Appreciation Right shall have been exercised.

(b) The Committee, in its sole discretion, may settle the amount determined under paragraph (a) above solely in cash, solely in shares of Common Stock (valued at Fair Market Value on the date of exercise of the Stock Appreciation Right), or partly in such shares and partly in cash, provided that the Committee shall have determined that such exercise and payment are consistent with applicable law. In any event, cash shall be paid in lieu of fractional shares. Absent a determination to the contrary, all Stock Appreciation Rights shall be settled in cash as soon as practicable after exercise. The exercise price for the Stock Appreciation Right shall be the exercise price of the related Option. Notwithstanding the foregoing, the Committee may, in the Award Agreement, determine the maximum amount of cash or stock or a combination thereof which may be delivered upon exercise of a Stock Appreciation Right.

(c) Upon exercise of a Stock Appreciation Right granted independently of any Option, the Participant shall be entitled to receive payment of an amount based on a percentage, specified in the Award Agreement, of the difference obtained by subtracting the Fair Market Value per share of Common Stock on the Award Date from the Fair Market Value per share of Common Stock on the date of exercise of the Stock Appreciation Right. Such amount shall be paid as described in paragraph (b) above.

**Table of Contents**

**IV. RESTRICTED STOCK AWARDS.**

**4.1 Grants.**

Subject to Section 1.4, the Committee may, in its discretion, grant one or more Restricted Stock Awards to any Eligible Employee. Each Restricted Stock Award agreement shall specify the number of shares of Common Stock to be issued to the Participant, the date of such issuance, the price, if any, to be paid for such shares by the Participant and the restrictions imposed on such shares, which restrictions shall not terminate earlier than six months after the Award Date.

**4.2 Restrictions.**

(a) Shares of Common Stock included in Restricted Stock Awards may not be sold, assigned, transferred, pledged or otherwise disposed of or encumbered, either voluntarily or involuntarily, until such shares have vested.

(b) Participants receiving Restricted Stock shall be entitled to dividend and voting rights for the shares issued even though they are not vested, provided that such rights shall terminate immediately as to any forfeited Restricted Stock.

(c) In the event that the Participant shall have paid cash in connection with the Restricted Stock Award, the Award Agreement shall specify whether and to what extent such cash shall be returned upon a forfeiture (with or without an earnings factor).

**V. PERFORMANCE SHARE AWARDS.**

**5.1 Grants of Performance Share Awards.**

The Committee may, in its discretion, grant Performance Share Awards to Eligible Employees based upon such factors as the Committee shall determine. A Performance Share Award agreement shall specify the number of shares of Common Stock (if any) subject to the Performance Share Award, the price, if any, to be paid for any such shares by the Participant and the conditions upon which payment or issuance to the Participant shall be based. The amount of cash or shares or other property that may be deliverable pursuant to a Performance Share Award shall be based upon the degree of attainment over a specified period of not more than 10 years (a performance cycle ) as may be established by the Committee of such measure(s) of the performance of the Company (or any part thereof) or the Participant as may be established by the Committee. The Committee may provide for full or partial credit, prior to completion of such performance cycle or the attainment of the performance achievement specified in the Award in the event of the Participant's death, Retirement, or Total Disability, an Event or in such other circumstances as the Committee, consistent with Section 6.12, may determine.

Code ( Performance-Based Awards ), whether in the form of Cash-Based Awards, restricted stock, performance stock, phantom stock or other rights, the grant, vesting, exercisability, or payment of which depends on the degree of achievement of the Performance Goals relative to preestablished targeted levels for the Company or a consolidated segment, subsidiary, or division of the Company, may be granted under this Plan. Any Qualifying Option or Qualifying Stock Appreciation Right shall be subject only to the requirements of subsections (a) and (c) below in order for such Awards to satisfy the requirements for Performance-Based Awards under this Section 5.2. With the exception of any Qualifying Option or Qualifying Stock Appreciation Right, an Award that is intended to satisfy the requirements of this Section 5.2 shall be designated as a Performance-Based Award at the time of grant.

- (a) The eligible class of persons for Performance-Based Awards under this Section shall be executive officers of the Company.
- (b) The applicable performance goals for Performance-Based Awards (other than Qualifying Options) shall be, on an absolute or relative basis, one or more of the Performance Goals, as selected by the Committee in its sole discretion. The Committee shall establish in the applicable Award Agreement the specific performance targets(s) relative to the Performance Goal(s) which must be attained before the compensation under the Performance-Based Award becomes payable. The specific targets shall be determined within the time period permitted under Section 162(m) of the Code (and any regulations issued thereunder) so that such targets are considered to be preestablished and so that the attainment of such targets is substantially uncertain at the time of their establishment. The applicable performance measurement period may not be less than one nor more than 10 years.
- (c) Notwithstanding any other provision of the Plan to the contrary, the maximum number of shares of Common Stock which may be delivered pursuant to Awards qualified as Performance-Based Awards to any Participant in any calendar year shall not exceed 500,000 shares, either individually or in the aggregate, subject to adjustment as provided in Section 6.2. Awards that are cancelled during the year shall be counted against this limit to the extent required by Section 162(m) of the Code. In addition, the aggregate amount of compensation to be paid to any Participant in any calendar year in respect of any Cash-Based Awards granted during any calendar year as Performance-Based Awards shall not exceed \$1,000,000.
- (d) Before any Performance-Based Award under this Section 5.2 is paid (other than a Qualifying Option or Qualifying Stock Appreciation Right), the Committee must certify in writing that the Performance Goals and any other material terms of the Performance-Based Award were satisfied; provided, however, that a Performance-Based Award may be paid without regard to the satisfaction of the applicable Performance Goal(s) with respect to an Event in accordance with Section 6.4.
- (e) The Committee will have discretion to determine the restrictions or other limitations of the individual Awards under this Section 5.2 (including the authority to reduce Awards, payouts or vesting or to pay no Awards, in its sole discretion, if the Committee preserves such authority at the time of grant by language to this effect in its authorizing resolutions or otherwise).
- (f) In the event of a change in corporate capitalization, such as a stock split or stock dividend, or a corporate transaction, such as a merger, consolidation, spinoff, reorganization or similar event, or any partial or complete liquidation of the Company, or

any similar event consistent with the regulations issued under Section 162(m) of the Code including, without limitation, any material change in accounting policies or practices affecting the Company and/or the Performance Goals or targets, then the Committee may make adjustments to the Performance Goals and targets relating to outstanding Performance-Based Awards to the extent such adjustments are made to reflect the occurrence of such an event; provided, however, that adjustments described in this subsection may be made only to the extent that the occurrence of an event described herein was unforeseen at the time the targets for a Performance-Based Award were established by the Committee.

**VI. OTHER PROVISIONS.**

**6.1 Rights of Eligible Employees, Participants and Beneficiaries.**

(a) Status as an Eligible Employee shall not be construed as a commitment that any Award will be granted under this Plan to any Eligible Employee generally.

(b) Nothing contained in this Plan (or in Award Agreements or in any other documents related to this Plan or to Awards) shall confer upon any Eligible Employee or Participant any right to continue in the service or employ of the Company or a Subsidiary or constitute any contract or agreement of service or employment, or interfere in any way with the right of the Company or a Subsidiary to reduce such person's compensation or other benefits or to terminate the services or employment of such Eligible Employee or Participant, with or without cause, but nothing contained in this Plan or any document related thereto shall affect any independent contractual right of any Eligible Employee or Participant. Nothing contained in this Plan or any document related hereto shall influence the construction or interpretation of the Company's Certificate of Incorporation or Bylaws regarding service on the Board.

(c) Options payable under this Plan shall be payable in shares and no special or separate reserve, fund or deposit shall be made to assure payment of such Options. No Participant, Beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock) of the Company by reason of any Award granted hereunder. Neither the provisions of this Plan (or of any documents related hereto), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company (or any Subsidiary) and any Participant, Beneficiary or other person. To the extent that a Participant, Beneficiary or other person acquires a right to receive an Award hereunder, such right shall be no greater than (and will be subordinate to) the right of any unsecured general creditor of the Company.

**6.2 Adjustments Upon Changes in Capitalization.**

(a) If the outstanding shares of Common Stock are changed into or exchanged for cash or a different number or kind of shares or securities of the Company or of another issuer, or if additional shares or new or different securities are distributed with respect to the outstanding shares of the Common Stock, through a reorganization or merger to which the Company is a party, or through a combination, consolidation, recapitalization, reclassification, stock split, stock dividend, reverse stock split, stock consolidation or other capital change or adjustment, an appropriate adjustment shall be

made in the number and kind of shares or other consideration that is subject to or may be delivered under this Plan and pursuant to outstanding Awards. A corresponding adjustment to the consideration payable with respect to Awards granted prior to any such change and to the price, if any, paid in connection with Restricted Stock Awards or Performance Share Awards shall also be made. Any such adjustment, however, shall be made without change in the total payment, if any, applicable to the portion of the Award not exercised but with a corresponding adjustment in the price for each share. Corresponding adjustments shall be made with respect to Stock Appreciation Rights based upon the adjustments made to the Options to which they are related or, in the case of Stock Appreciation Rights granted independently of any Option, based upon the adjustments made to Common Stock.

(b) Upon the dissolution or liquidation of the Company, or upon a reorganization, merger or consolidation of the Company with one or more corporations as a result of which the Company is not the surviving corporation, the Plan shall terminate. Notwithstanding the foregoing, the Committee may provide in writing in connection with, or in contemplation of, any such transaction for any or all of the following alternatives (separately or in combinations): (i) for the assumption by the successor corporation of the Awards theretofore granted or the substitution by such corporation for such Awards of Awards covering the stock of the successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices; (ii) for the continuance of this Plan by such successor corporation in which event this Plan and the Options shall continue in the manner and under the terms so provided; or (iii) for the payment in cash or shares of Common Stock in lieu of and in complete satisfaction of such Awards.

(c) In adjusting Awards to reflect the changes described in this Section 6.2, or in determining that no such adjustment is necessary, the Committee may rely upon the advice of independent counsel and accountants of the Company, and the determination of the Committee shall be conclusive. No fractional shares of stock shall be issued under this Plan on account of any such adjustment.

**6.3 Termination of Employment.**

(a) If the Participant's service to or employment by the Company and its Subsidiaries terminates for any reason other than Retirement, death or Total Disability, the Participant shall have, subject to earlier termination pursuant to or as contemplated by Section 2.3, thirty days or such shorter period as is provided in the Award Agreements from the date of termination of services or employment to exercise any Option to the extent it shall have become exercisable on the date of termination of employment, and any Option not exercisable on that date shall terminate. Notwithstanding the preceding sentence, in the event the Participant is discharged for cause as determined by the Committee in its sole discretion, all Options shall lapse immediately upon such termination of services or employment.

(b) If the Participant's service to or employment by the Company and its Subsidiaries terminates as a result of Retirement or Total Disability, the Participant or Participant's Personal Representative, as the case may be, shall have, subject to earlier termination pursuant to or as contemplated by Section 2.3, 3 months or such shorter period as is provided in the Award Agreements from the date of termination of services or employment to exercise any Option to the extent it shall have become exercisable by the date of termination of services or employment and any Option not exercisable on that date shall terminate.

**Table of Contents**

(c) If the Participant's service to or employment by the Company and its Subsidiaries terminates as a result of death while the Participant is rendering services to the Company (or a Subsidiary) or is employed by the Company (or a Subsidiary) or during the 3 month period referred to in subsection (b) above, the Participant's Option shall be exercisable by the Participant's Beneficiary, subject to earlier termination pursuant to or as contemplated by Section 2.3, during the 3 month period or such shorter period as is provided in the Award Agreements following the Participant's death, as to all or any part of the shares of Common Stock covered thereby to the extent exercisable on the date of death (or earlier termination).

(d) Each Stock Appreciation Right granted concurrently with an Option shall have the same termination provisions and exercisability periods as the Option to which it relates. The termination provisions and exercisability periods of any Stock Appreciation Right granted independently of an Option shall be established in accordance with Section 3.2(d). The exercisability period of a Stock Appreciation Right shall not exceed that provided in Section 2.3 or in the related Award Agreement and the Stock Appreciation Right shall expire at the end of such exercisability period.

(e) In the event of termination of services to or employment with the Company and its Subsidiaries for any reason, (i) shares of Common Stock subject to the Participant's Restricted Stock Award shall be forfeited in accordance with the provisions of the related Award Agreement to the extent such shares have not become vested on that date; and (ii) shares of Common Stock subject to the Participant's Performance Share Award shall be forfeited in accordance with the provisions of the related Award Agreement to the extent such shares have not been issued or become issuable on that date.

(f) In the event of termination of services to or employment with the Company and its Subsidiaries for any reason, other than discharge for cause, the Committee may, in its discretion, increase the portion of the Participant's Award available to the Participant, or Participant's Beneficiary or Personal Representative, as the case may be, upon such terms as the Committee shall determine.

(g) If an entity ceases to be a Subsidiary, such action shall be deemed for purposes of this Section 6.3 to be a termination of services or employment of each consultant or employee of that entity who does not continue as a consultant or as an employee of another entity within the Company.

(h) Upon forfeiture of a Restricted Stock Award pursuant to this Section 6.3, the Participant, or his or her Beneficiary or Personal Representative, as the case may be, shall transfer to the Company the portion of the Restricted Stock Award not vested at the date of termination of services or employment, without payment of any consideration by the Company for such transfer unless the Participant paid a purchase price in which case repayment, if any, of that price shall be governed by the Award Agreement. Notwithstanding any such transfer to the Company, or failure, refusal or neglect to transfer, by the Participant, or his or her Beneficiary or Personal Representative, as the case may be, such nonvested portion of any Restricted Stock Award shall be deemed transferred automatically to the Company on the date of termination of services or employment. The Participant's original acceptance of the Restricted Stock Award shall constitute his or her appointment of the Company and each of its authorized representatives as attorney(s)-in-fact to effect such transfer and to execute such documents as the Company or such representatives deem necessary or advisable in connection with such transfer.

**6.4 Acceleration  
of Awards.**

(a) Unless prior to an Event the Board determines that, upon its occurrence, there shall be no acceleration of Awards or determines those selected Awards which shall be accelerated and the extent to which they shall be accelerated, upon the occurrence of an Event (i) each Option and each related Stock Appreciation Right shall become immediately exercisable to the full extent theretofore not exercisable, (ii) Restricted Stock shall immediately vest free of restrictions and (iii) the number of shares covered by each Performance Share Award shall be issued to the Participant; subject, however, to compliance with applicable regulatory requirements, including without limitation Section 422 of the Code. For purposes of this section only, the Board shall mean the Board as constituted immediately prior to the Event.

(b) If any Option or other right to acquire Common Stock under this Plan has been fully accelerated as permitted by Section 6.4(a) but is not exercised prior to (i) a dissolution of the Corporation, or (ii) an event described in Section 6.2 that the Corporation does not survive, such Option or right shall thereupon terminate, subject to any provision that has been expressly made by the Committee pursuant to Section 6.2(b) for the survival, substitution, exchange or other settlement of such Option or right.

**6.5 Government  
Regulations.**

This Plan, the granting and vesting of Awards under this Plan and the issuance or transfer of shares of Common Stock (and/or the payment of money) pursuant thereto are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under this Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements.

The above notwithstanding, in any case where a tax is required to be withheld in connection with the issuance or transfer of shares of Common Stock under this Plan, the Participant may elect, pursuant to such rules as the Committee may establish, to have the Company reduce the number of such shares issued or transferred by the appropriate number of shares to accomplish such withholding.

**Table of Contents**

(b) The Committee may, in its discretion, permit a loan from the Company to a Participant in the amount of any taxes which the Company or a Subsidiary may be required to withhold with respect to shares of Common Stock received pursuant to a transaction described in subsection (a) above. Such a loan will be for a term, at a rate of interest and pursuant to such other terms and rules as the Committee may establish.

**6.7 Amendment, Termination and Suspension.**

(a) The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan (or any part hereof). In addition, the Committee may, from time to time, amend or modify any provision of this Plan except Section 6.4 and, with the consent of the Participant, make such modifications of the terms and conditions of such Participant's Award as it shall deem advisable. The Committee, with the consent of the Participant, may also amend the terms of any Option to provide that the Option price of the shares remaining subject to the original Award shall be reestablished at a price not less than 100% of the Fair Market Value of the Common Stock on the effective date of the amendment. No modification of any other term or provision of any Option which is amended in accordance with the foregoing shall be required, although the Committee may, in its discretion, make such further modifications of any such Option as are not inconsistent with or prohibited by this Plan. No Awards may be granted during any suspension of this Plan or after its termination.

(b) If an amendment would materially (i) increase the benefits accruing to Participants, (ii) increase the aggregate number of shares which may be issued under this Plan, or (iii) modify the requirements of eligibility for participation in this Plan, the amendment shall be approved by the Board and, to the extent then required by applicable law or deemed necessary or desirable by the Board, by a majority of the shareholders.

(c) In the case of Awards issued before the effective date of any amendment, suspension or termination of this Plan, such amendment, suspension or termination of the Plan shall not, without specific action of the Board or the Committee and the consent of the Participant, in any way modify, amend, alter or impair any rights or obligations under any Award previously granted under the Plan.

**6.8 Privileges of Stock Ownership.**

Except as otherwise expressly authorized by the Committee or under this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by him or her. No adjustment will be made for dividends or other rights as a shareholder for which a record date is prior to such date of delivery.

**6.9 Effective Date of the Plan.**

This Plan shall be effective upon its approval by the Board, subject to approval by the shareholders of the Company within twelve months from the date of such Board approval.

**6.10 Term of the Plan.**

**6.11 Governing Law.**

This Plan and the documents evidencing Awards and all other related documents shall be governed by, and construed in accordance with, the laws of the State of California. If any provision shall be held by a court of competent jurisdiction to be invalid and unenforceable, the remaining provisions of this Plan shall continue to be fully effective.

**6.12 Plan Construction.**

(a) It is the intent of the Company that transactions in and affecting Awards in the case of Participants who are or may be subject to Section 16 of the Exchange Act satisfy any then applicable requirements of Rule 16b-3 so that such persons (unless they otherwise agree) will be entitled to the benefits of such rule or other exemptive rules under Section 16 of the Exchange Act in respect of those transactions and will not be subjected to avoidable liability thereunder. If any provision of the Plan or of any Award would frustrate or otherwise conflict with the intent expressed above, that provision to the extent possible shall be interpreted as to avoid such conflict. If the conflict remains irreconcilable, the Committee may disregard the provision if it concludes that to do so furthers the interest of the Company and is consistent with the purposes of the Plan as to such persons in the circumstances.

(b) It is the further intent of the Company that Options and Stock Appreciation Rights with an exercise or base price not less than Fair Market Value on the date of grant and Performance Share Awards under Section 5.2 of this Plan that are granted to or held by a person subject to Section 16 of the Exchange Act shall qualify as performance-based compensation under Section 162(m) of the Code, and this Plan shall be interpreted consistent with such intent.

**6.13 Non-Exclusivity of Plan.**

Nothing in this plan shall limit or be deemed to limit the authority of the Board to grant options, stock awards or authorize any other compensations under any other plan or authority.
