Report of Independent Accountants

To the Participants and Administrative Committee of the  
Central Maine Power Company  
Employee Savings and Investment Plan for Non-Union Employees

In our opinion, the accompanying statements of net assets available for benefits and the related statements of changes in net assets available for benefits present fairly, in all material respects, the net assets available for benefits of the Central Maine Power Company Employee Savings and Investment Plan for Non-Union Employees (the "Plan") at December 31, 2002 and 2001, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the Plan's management; our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Central Maine Power Company  
Employee Savings and Investment Plan for Non-Union Employees  
Notes to Financial Statements  
December 31, 2002 and 2001

1. DESCRIPTION OF THE PLAN

The following description of the Central Maine Power Company (Company) Employee Savings and Investment Plan for Non-Union Employees (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established by the Company on February 19, 1981, and became effective May 1, 1981, under the provisions of Section 401(a) of the Internal Revenue Code (Code), and it includes a qualified cash or deferred arrangement as described in Section 401(k) of the Code for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income

Security Act of 1974. The Plan Administrator is the Company and an Administrative Committee has been appointed to serve as manager of the Plan.

The Plan is a defined contribution plan covering non-union employees of the Company, as well as the non-union employees of the CMP Group, Inc. family of companies that elect to participate under the Plan provisions. Energy East Corporation (Energy East), the parent corporation of the Company, through its subsidiaries, delivers electricity and natural gas to retail customers and provides electricity, natural gas, energy management and other services to retail and wholesale customers in the Northeast.

Effective July 2, 2001, the Company changed its recordkeeper from Fidelity Management Trust Company (Fidelity) to Putnam Fiduciary Trust Company (Putnam). Effective with this change, Putnam was appointed trustee of the Plan and assets were transferred to Putnam.

#### Eligibility

Each full-time, part-time and temporary non-union employee of the Company, or an affiliated employer who is not in a unit of employees covered by a collective bargaining agreement, is immediately eligible to participate in the Plan.

#### Contributions

Each participant elects a salary reduction percentage to be contributed to the Plan. Participants may elect to make contributions in amounts equal to 2% to 50% (in multiples of 1%) of their base compensation to the Plan through salary reduction agreements. As of January 1, 2002, participants age 50 or over by the end of the Plan year can make an additional contribution to the Plan in accordance with and subject to the limitations of Section 414(v) of the Code. The maximum additional contribution in 2002 was \$1,000 and increases by \$1,000 a year until the additional contribution reaches a maximum of \$5,000 in 2006.

As of April 1, 2002, the Plan accepts rollovers from other qualified plans, as well as 403(b) and government 457 plans, traditional Individual Retirement Accounts (IRAs), conduit IRAs (but not Roth IRAs), after-tax distributions from employer retirement plans and spousal death benefit payments.

#### 1. DESCRIPTION OF THE PLAN (Continued)

##### Contributions

(Continued)

The Company contributes to the Plan an amount equal to 60% of the first 5% of the salary reduction plus 50% of the next 2% for a possible total match of 4% on a 7% salary reduction amount, provided, however, that the total contribution that the Company is obligated to make for any year does not exceed the maximum amount deductible from the Company's gross income under applicable provisions of the Code. The Company's matching contribution is made simultaneously with the payroll cycle. As of January 1, 2002, the Energy East Stock Fund was converted to an Employee Stock Ownership Plan (ESOP). Dividends from the ESOP may be reinvested or taken in cash.

#### Benefit Payments

On termination of service a participant may elect either a lump sum amount equal to the value of the interest in the participant's account, or installments over a period permissible under the Code. Distributions made from the Funds occur as a result of termination of employment, death, retirement or permanent disability no later than 60 days after the end of the Plan year, unless under certain circumstances participants elect otherwise.

A participant may elect to make a regular withdrawal of up to 100% of the value of the participant's contributions made prior to July 1, 1983, and earnings thereon (but not less than \$1,000 unless the value of such participant's contributions and earnings thereon total less than \$1,000, in which case such total may be withdrawn), after approval by the Savings and Investment Plan for Non-Union Employees Committee. Only one regular withdrawal may be made in any year.

Withdrawals with respect to contributions made subsequent to July 1, 1983, may be made only for reasons of hardship. With the consent of the Company's Savings and Investment Plan for Non-Union Employees Committee, a participant may elect to make a hardship withdrawal, as determined in accordance with the Plan provisions, of up to 100% of the participant's account.

#### Vesting

Participants are 100% vested in their account balances. Each participant's account consists of the participant's contributions and any rollover money, the matching Company contribution and any net earnings thereon.

#### Participant Loans

Participants may, in general, borrow in the aggregate not more than 50% of their account balances, subject to a maximum loan of \$50,000. Loan interest rates are set by the Committee in accordance with prevailing rates charged by local banks. Interest rates on loans outstanding at year end range from 7.25% to 10.06%. The maximum term of the loans is generally five years, or longer for mortgages, with borrowed funds being repaid through payroll deductions.

Notes to Financial Statements  
December 31, 2002 and 2001

1. DESCRIPTION OF THE PLAN (Continued)

Participant Loans

(Continued)

Effective January 1, 2002, a \$25 origination fee and a \$3.75 quarterly loan maintenance fee is charged. If a participant's employment terminates for any reason, the loan will become immediately due and payable and must be paid within 90 days from the date of termination.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements are prepared on an accrual basis and in conformity with accounting principles generally accepted in the United States of America, which require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at the net asset value of shares held by the Plan at year end. Units of common/collective trust funds are valued at the net asset value of units held by the Plan at year end. The Energy East Stock Fund, comprised solely of Energy East common stock, is valued at its quoted market price at year end. Participant loans are valued at cost, which approximates fair value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Plan Termination

Although the Company has not expressed any intent to terminate the Plan, it has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of the Plan Document.

Risk and Uncertainties

The Plan provides for various investment options in any combination of stocks, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the

Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

Neuberger & Berman Genesis Trust Fund	\$5,059,113	-
Energy East Corporation Stock	\$5,752,839	-
Plan investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value during 2002 and 2001, as follows:		

	2002	2001
Registered Investment Companies	\$(8,025,835)	\$(3,855,358)
Common/Collective Trust	(3,119,100)	-
Energy East Stock Fund	612,687	(322,067)
	<u>\$(10,532,248)</u>	<u>\$(4,177,425)</u>

4. MASTER TRUST

Prior to the conversion to Putnam on July 2, 2001, the assets of the Plan were invested in a Master Trust Agreement (Master Trust) with Fidelity. The Plan's undivided interest in the Master Trust was approximately 70%. Master Trust investments appreciated (depreciated) in value for the period from January 1 through July 2, 2001, as follows:

	January 1 through July 2, 2001
Registered Investment Companies	\$(5,893,913)
Energy East Stock Fund	285,629
	<u>\$(5,608,284)</u>

Investment income for the Master Trust for the period from January 1 through July 2, 2001 was \$1,532,381.

5. INCOME TAX STATUS

The Internal Revenue Service determined and informed the Company sponsor by letter dated February 21, 2001, that the Plan is qualified and the related trust established under the Plan is tax-exempt, under the applicable sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

6. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies managed by Fidelity (trustee and recordkeeper prior to July 2, 2001) and Putnam (trustee and recordkeeper from July 2, 2001). Fidelity and Putnam are the trustees as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

7. ADMINISTRATIVE EXPENSES

Administrative expenses represent certain transaction fees that are paid by the Plan's participants.

8. ASSET TRANSFERS

Transfers from the Plan of \$44,807 in 2002 represent the net rollovers of participant account balances to other qualified defined contribution benefit plans.

Transfers from the Plan of \$69,200 in 2001 represent the net rollovers of participant account balances to other qualified defined contribution benefit plans.
