  1. Each performance stock unit represents a contingent right to receive one share of American Water's (the "Company") common stock. The actual number of performance stock units that may be earned will be based on the Company's annual total stockholder return ("TSR") relative to the performance of the other companies in the Dow Jones U.S. Utility Index over the three-year performance period beginning on January 1, 2010 and ending December 31, 2012. The number of performance stock units shown in column 5 is equal to the target number of performance stock units that may be earned.
  - (2) 2. The options vest in three equal installments on January 1, 2011, 2012 and 2013.
