**PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
OF
CENTRAL VALLEY COMMUNITY BANCORP
To Be Held on May 19, 2004
600 Pollasky Avenue, Clovis, California 93612**

GENERAL INFORMATION FOR SHAREHOLDERS

The following information is furnished in connection with the solicitation of the accompanying proxy by and on behalf of the Board of Directors of Central Valley Community Bancorp (the "Company" or "Central Valley") for use at the Annual Meeting of Shareholders to be held at the Company's headquarters office located at 600 Pollasky Avenue, Clovis, California on Wednesday, May 19, 2004, at 7:00 p.m. Only shareholders of record at the close of business on March 22, 2004, (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. On the Record Date, the Company had outstanding 2,625,477 shares of its common stock, all of which will be entitled to vote at the Annual Meeting and any adjournments thereof. All share figures in this proxy statement have been adjusted for the Company's two-for-one stock split that was effective on January 6, 2003. This proxy statement will be first mailed to shareholders on or about March 31, 2004.

Vote By Proxy

As many of the Company's shareholders are not expected to attend the Annual Meeting in person, the Company solicits proxies so that each shareholder is given an opportunity to vote. Shares represented by a duly executed proxy in the accompanying form, received by the Board of Directors prior to the Annual Meeting, will be voted at the Annual Meeting. A shareholder executing and delivering the enclosed proxy may revoke the proxy at any time prior to exercise of the authority granted by the proxy by (i) filing with the secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date; or (ii) attending the meeting and voting in person. A proxy is also revoked when written notice of the death or incapacity of the maker of the proxy is received by the Company before the vote is counted. If a shareholder specifies a choice with respect to any matter on the accompanying form of proxy, the shares will be voted accordingly. If no specification is made, the shares represented by the proxy will be voted in favor of the specified proposal.

Method of Counting Votes

Holders of common stock of the Company ("Common Stock") are entitled to one vote for each share held except that for the election of directors each shareholder has cumulative voting rights and is entitled to as many votes as shall equal the number of shares held by such shareholder multiplied by the number of directors to be elected and such shareholder may cast all his or her votes for a single candidate or distribute such votes among any or all of the candidates as he or she chooses. However, no shareholder shall be entitled to cumulate votes (in other words, cast for any candidate a number of votes greater than the number of shares of stock held by such shareholder) unless such candidates' names have been placed in nomination prior to the voting and the shareholder has given notice at the Meeting prior to the voting of the shareholder's intention to cumulate votes. If any shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. An opportunity will be given at the Meeting prior to the voting for any shareholder who desires to do so, to announce his or her intention to cumulate his or her votes. The proxy holders are given, under the terms of the Proxy, discretionary authority to cumulate votes represented by shares for which they are named in the Proxy.

The proxy holders, Daniel J. Doyle and Wanda L. Rogers, both of whom are directors of the Company, will vote all shares of Common Stock represented by the proxies unless authority to vote such shares is withheld or the proxy is revoked. However, the proxy holders cannot vote the shares of the shareholder unless the shareholder signs and returns a proxy card. Proxy cards also confer upon the proxy holders discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed, which may properly be presented for action at the Annual Meeting, including a motion to adjourn, and with respect to procedural matters pertaining to the conduct of the Annual Meeting. The total expense of soliciting the proxies in the accompanying form will be borne by the

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

Company. While proxies are normally solicited by mail, proxies may also be solicited directly by officers, directors and employees of the Company or its subsidiary, Central Valley Community Bank (the "Bank"). Such officers, directors and employees will not be compensated for this service beyond normal compensation to them.

Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. In determining whether a proposal has been approved, abstentions are counted in tabulations of the votes cast on proposals presented to shareholders and broker non-votes are not counted as votes for or against a proposal or as votes present and voting on the proposal.

Unless contrary instructions are indicated on the Proxy, all shares represented by valid Proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted as follows:

FOR the election of all nominees for director named herein; and

FOR ratification of the selection of Perry-Smith LLP as the Company's independent public accountants.

In the event a shareholder specifies a different choice on the Proxy, his or her shares will be voted in accordance with the specification so made. In addition, such shares will, at the proxy holders' discretion, be voted on such other matters, if any, which may come before the Meeting (including any proposal to adjourn the Meeting). Boxes and a designated blank space are provided on the proxy card for shareholders to mark if they wish either to abstain on one or more of the proposals or to withhold authority to vote for one or more nominees for director.

A copy of the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2003 is enclosed with this Proxy Statement.

Vote Required

The nine (9) nominees receiving the highest number of votes of the shares of the Company's Common Stock represented and entitled to vote at the Meeting will be elected directors of the Company.

The affirmative vote of the holders of a majority of the shares of the Company's Common Stock represented and entitled to vote at the Meeting is necessary for the ratification of the selection of auditors.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on March 22, 2004, are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on that date, the Company had outstanding, 2,625,477 shares of its no par value Common Stock.

The 2000 Plan was approved by the Company's shareholders at the Company's 2001 Annual Meeting of Shareholders. The 2000 Plan permits the granting of nonqualified stock options and incentive stock options during a period of ten years from the date of adoption by the Board of Directors. The 2000 Plan is administered by the Board of Directors, which receives recommendations from the Strategic Planning Committee.

The total number of shares reserved for issuance under the 2000 Plan is 525,724, subject to adjustment if the outstanding shares of Company Common Stock are increased, decreased, or changed into or exchanged for a different number or kind of shares or securities of the Company, through a reorganization, merger, recapitalization, reclassification, stock split, reverse stock split, stock dividend, stock consolidation, or otherwise, without consideration to the Company. Under the 2000 Plan, all options are granted at an exercise price of not less than 100% of the fair market value of the Company Common Stock at the time the option is granted. The 2000 Plan provides for the granting of options for exercise periods of up to ten years from the date of the grant, with the exact exercise period to be determined by the Board of Directors. The exercise period of an incentive stock option granted to an individual who owns more than 10% of the total combined voting power of all classes of stock of the Company may not exceed five years. As of December 31, 2003, options available for future granting total 103,398 shares of Company Common Stock.

The Bank established the 1992 Plan, in which directors, officers and employees of the Bank are eligible to participate. Pursuant to the terms of the Plan of Reorganization and Merger Agreement by which the Company became the sole shareholder of the Bank, the Company agreed to issue shares of Company Common Stock upon the exercise of options outstanding under the 1992 Plan. As of December 31, 2003, there were options to purchase 164,972 shares of Company Common Stock outstanding under the 1992 Plan. No further options will be granted under the 1992 Plan.

Employment Contract and Salary Continuation Agreement for President and Chief Executive Officer

The Bank entered into an employment agreement with Mr. Doyle in 1998, pursuant to which Mr. Doyle is employed as President and Chief Executive Officer of the Bank. The agreement provided that the initial term of the agreement would end on December 31, 2001, but also provided that the

agreement will be renewed annually for additional one-year terms unless terminated by either party not later than sixty days prior to the end of the particular term. The agreement provided for Mr. Doyle's base salary to be set after the 1998 and 1999 terms by the Board of Directors at no less than \$160,000. For fiscal year 2003 Mr. Doyle's base salary was \$200,000. The Board of Directors has set Mr. Doyle's base salary for 2004 at \$220,000.

Additionally, Mr. Doyle's employment agreement provided that for years after 1998 Mr. Doyle would receive a target bonus of a percentage of his salary, based on the achievement by year-end of certain performance goals. For fiscal years 2003 and 2002, Mr. Doyle received a bonus of \$120,000 and \$113,000, respectively. The Board of Directors provided that for both 2003 and 2002 Mr. Doyle would be entitled to receive a target bonus of 40% of salary. The bonus is allocated as follows: 1) 70% of the bonus is based on the Company reaching certain financial targets; and 2) 30% is based on shareholder value and management components. Additionally, the total can be modified up or down based upon results of annual regulatory examinations. Mr. Doyle's performance in 2003 and 2002 exceeded the goals established for those years, and therefore, per the terms of the employment agreement, the bonuses paid to Mr. Doyle during those years exceeded the target bonus percentages specified in the employment agreement. For further fiscal years, the specific goals for the bonus shall be set by mutual agreement of the Board of Directors and Mr. Doyle. The Board of Directors set the target bonus for 2004 at 45% of his salary. The actual bonus Mr. Doyle may receive under the employment agreement for his performance during 2004 may be higher or lower than the target bonus of 45% of his base salary for 2004 depending on actual performance.

The employment agreement with Mr. Doyle also provided for: (a) a Bank-paid membership in a local country club; (b) an automobile allowance of \$1,000 per month; (c) participation in medical, dental and similar plans offered by the Bank for Mr. Doyle and his dependents, as well as Bank-paid term life insurance coverage of at least \$100,000; and (d) four weeks of vacation annually.

The employment agreement with Mr. Doyle is terminable by the Bank at any time for "cause," as defined in the agreement, upon which Mr. Doyle would be eligible to receive no payments or benefits other than those accrued through the date of termination. The agreement provides for termination upon the disability of Mr. Doyle under certain circumstances, as well as the payment of Mr. Doyle's salary for six months following such disability if certain conditions are met. The Bank may terminate Mr. Doyle's employment without cause, in which case, Mr. Doyle would be entitled to continue to receive payments based on his base salary for two years, subject to his finding comparable employment. In the event of a merger in which the Bank is not the surviving entity or a change in control of 50% or more of the Common Stock of the Bank (other than as a result of the organization of a holding company for the Bank) (a "Reorganization"), then the employment agreement shall not be terminated but instead the surviving or resulting corporation or the transferee of the Company's stock or assets (the "Successor") shall be bound by the employment agreement. However, in the event that Mr. Doyle elects to leave the employ of the Successor, he will be entitled to a lump sum severance payment equal to two times the average total annual cash compensation paid to him by the Bank during the most recent three fiscal years. Additionally, during the 24 months following a Reorganization, Mr. Doyle will be entitled to receive the lump sum payment mentioned in the preceding sentence upon a demotion in title, decrease in total compensation, material changes in duties and authority and/or change in office location of more than 30 miles from Clovis, California.

On July 17, 2002 the Bank and Mr. Doyle entered into an amendment to the employment agreement pursuant to which Mr. Doyle is employed as President and Chief Executive Officer of the Bank. The amendment added a provision to the employment agreement that requires, if any payment or other distribution under the employment agreement becomes subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, Mr. Doyle shall be entitled to receive an additional payment in an amount sufficient to pay all sums due as a result of the imposition of the excise tax. If the sum of the payments to be made to Mr. Doyle under the employment agreement does not exceed

110% of the amount that would give rise to the imposition of an excise tax payment, the amendment results in no such additional payment and a reduction in the overall payments to be received by Mr. Doyle in the ordinary course of the employment agreement. The amendment provides that all determinations of the necessity for additional payments shall be made, at the cost of the Bank, by a certified public accounting firm selected by the Bank and acceptable to Mr. Doyle.

In 2000, the Bank and Mr. Doyle entered into an Executive Salary Continuation Agreement (the "Salary Continuation Agreement") and a Life Insurance Endorsement Method Split Dollar Plan Agreement (the "Life Insurance Agreement") (collectively, the "Agreements"). On October 16, 2002, the Salary Continuation Agreement was amended to add a provision similar to the provision added to his employment agreement, as described above, regarding an additional payment to be made to Mr. Doyle in an amount sufficient to pay all sums due as a result of the imposition of any excise tax in connection with his receipt of any payment or other distribution under his employment agreement.

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

In 2003, the Bank and Mr. Doyle agreed to amend the Agreements. The Agreements, as amended, provide the following benefits for Mr. Doyle.

The Salary Continuation Agreement provides for payment by the Bank to Mr. Doyle of \$150,000 annually for 15 years, in the event of Mr. Doyle's normal retirement on or after December 31, 2010. Reduced salary continuation benefits are also payable upon his early retirement after age 60 or upon his disability before December 31, 2010. Benefits are payable in a lump sum following an involuntary termination (other than for cause) or a change of control before December 31, 2010. Normal retirement, early retirement, and disability salary continuation benefits are increased each year by 3% from the previous year's benefit amount.

If Mr. Doyle dies before he reaches age 79, any salary continuation payments cease or, if he dies before such payments have begun, the salary continuation is forfeited under the Life Insurance Agreement. In that event, Mr. Doyle's beneficiaries will receive a lump sum death benefit. The amount of the death benefit depends on Mr. Doyle's age at death. The maximum death benefit under the Life Insurance Agreement and associated term life insurance is approximately \$1.6 million at age 65, and the death benefit is reduced if Mr. Doyle's death occurs after age 65.

Benefits under the Salary Continuation Agreement shall be paid from the general funds of the Bank. Mr. Doyle's benefits under the Salary Continuation Agreement were vested 30% as of December 31, 2003, and will continue to vest at a rate of 10% per year thereafter.

The Salary Continuation Agreement specifically provides that the Bank has no obligation to fund the obligations to pay the retirement or lump sum benefits described therein. However, as noted above, coincident with the execution of the Salary Continuation Agreement the Bank and Mr. Doyle entered into the Life Insurance Agreement. The Bank purchased a flexible premium adjustable life insurance policy insuring the life of Mr. Doyle. The Bank owns the policy and is entitled to the policy's cash value.

Salary Deferral Plan

The Bank adopted a Salary Deferral Plan, effective as of January 1, 1983, for the benefit of its employees. The Salary Deferral Plan is intended to qualify for favorable tax treatment under Sections 401(a) and 501(a) of the Internal Revenue Code of 1986 (the "Code"), commonly referred to as a "401(k) plan". The Salary Deferral Plan has two components consisting of a deferred salary portion and a profit sharing portion. The purpose of the Salary Deferral Plan is to provide eligible employees of the Bank with a means of deferring a portion of their compensation to encourage retirement savings, to enable them to share in profits of the Bank, and to provide benefits in the event of death or disability.

15

Under the profit sharing portion of the Salary Deferral Plan, the Bank may, but is not required to, make annual profit-sharing contributions to the Salary Deferral Plan. For fiscal year 2003, the Bank made a \$120,000 profit sharing contribution. Additionally, under the deferred salary portion of the plan, the Bank may elect to make a matching contribution to the participants' accounts. The matching contribution is announced by the Bank at the beginning of the plan year. In 2003, the Bank made a 100% matching contribution on all deferred amounts up to 3% and a 50% match on the next 2% of eligible compensation, totaling \$157,000. For 2004, the Bank announced a 100% matching contribution on all deferred amounts up to 3% of eligible compensation and a 50% match on the next 2% of eligible compensation deferred.

Deferred Compensation Agreements

Six of the Bank's non-employee directors have entered into deferred compensation agreements with the Bank, electing to defer some or all of their fees in exchange for the Bank's promise to pay a deferred benefit in the future. A deferred compensation agreement allows a non-employee director to reduce current taxable income in exchange for larger payments at retirement, when the recipient could be in a lower tax bracket. Deferred director fees are expensed by the Bank and are set aside in a separate liability account. Credited on the account balance at a rate determined annually by the Board of Directors, interest on deferred fees continues to accrue until the director's service terminates and payment of benefits commences. Payment of accrued benefits, represented by the account balance, can be made in a lump sum or in installments, at each participating director's election. After retirement, benefit payments are taxable income to the participating director and are deductible expenses to the Bank as they are paid. The deferred compensation arrangement with non-employee directors is an unfunded plan, which means that a participating director has no rights beyond those of a general creditor of the Bank, and no specific Bank assets are set aside for payment of account balances. A director whose service terminates for cause forfeits all accrued interest and is entitled solely to the fees previously deferred.

The Bank has a universal life insurance policy insuring the life of each participating director. The Bank is the owner of each policy. Each non-employee director who has entered into a deferred compensation agreement has also entered into a related Split Dollar Agreement and Endorsement. Under the latter Split Dollar Agreement and Endorsement, the Bank and each participating director agree to a division of death

benefits under the life insurance policies. A Split Dollar Agreement and Endorsement provides that a director's designated beneficiary(ies) is entitled at the director's death to receive life insurance proceeds:

- (a) In an amount intended to approximate the projected deferred compensation agreement account balance at the director's retirement, if the director dies before terminating service with the Bank.
- (b) In an amount intended to approximate the deferred compensation agreement account balance remaining unpaid, if the director dies after terminating service with the Bank.

In either case, the Bank's obligations under a deferred compensation agreement are extinguished by the director's death. The Bank is entitled to any insurance policy death benefits remaining after payment to the director's beneficiary(ies). The Bank expects to recover in full from its portion of the policies' death benefits all life insurance premiums previously paid by the Bank. The policies serve informally as a source of financing for the Bank's deferred compensation obligations arising out of a director's death before retirement, as well as an investment to finance post-retirement payment obligations. Although the Bank expects the policies to serve as a source of funds for death benefits payable under the deferred compensation agreements, as noted above the directors' contractual entitlements are not funded. These contractual entitlements remain contractual liabilities of the Bank, payable after the directors' termination of service.

Senior Management Incentive Plan

The Board of Directors of the Bank approved a Senior Management Incentive Plan ("SMIP") effective January 1, 1999 for the purpose of advancing the interests of the Bank and its shareholders through annual incentive compensation that will attract, retain and motivate key executives of the Bank. The Board of Directors has discretion to determine which executives are eligible to participate in the SMIP, to determine the bases for and the amount of any incentive awards (based generally on Board-established targets) and to consider any additional or extraordinary performance factors for a particular participant. Mr. Doyle does not participate in the SMIP.

The Board of Directors allocated contributions to the SMIP for the fiscal year ended December 31, 2003 and, accordingly, payments were made to executives who are participants in the SMIP totaling \$182,377, which are included under Bonus in the Summary Compensation Table.

Senior Management Executive Salary Continuation Agreements

During 2000 and 2001, the Board of Directors of the Bank adopted and entered into with each of Ms. Graham, Mrs. Wilburn and Messrs. Quisenberry and Sommer an Executive Salary Continuation Agreement (each, a "Salary Continuation Agreement" and collectively, the "Salary Continuation Agreements"). The Salary Continuation Agreements provide for an annual payment for a period of 15 years following retirement from service as an executive of the Bank. Ms. Graham's benefits under her Salary Continuation Agreement are subject to an annual vesting percentage of 10% for each full year of service from the first anniversary of the effective date of the agreement. Mrs. Wilburn's benefits, under her Salary Continuation Agreement, will be 40% vested on the third anniversary of employment with the Bank, an additional 10% on each of the fourth and fifth anniversaries of employment, an additional 20% on the sixth anniversary and an additional 10% on each of the seventh and eighth anniversaries of employment. Messrs. Quisenberry and Sommer's benefits under each of their Salary Continuation Agreements are subject to an annual vesting percentage of 10% for each full year of service from the second anniversary of the effective date of the agreement. Each person's annual benefit is determined at the time of retirement, on the basis of (i) the individual's age upon retirement, (ii) the percentage of benefit vested upon retirement, and (iii) the maximum annual benefit assigned in the individual's Salary Continuation Agreements.

The Salary Continuation Agreements covering Ms. Graham, Mrs. Wilburn and Messrs. Quisenberry and Sommer, provide for each to receive a maximum annual benefit of \$40,000, and provide that each will receive the maximum benefit if she or he reaches the age of 65 prior to retiring.

The Salary Continuation Agreements terminate upon death prior to retirement, voluntary termination of service prior to retirement, or involuntary termination of service for cause. The Salary Continuation Agreements provide for payment of a lump sum in the event of a Change Of Control of the Bank, defined as the cumulative transfer of more than fifty percent (50%) of the voting stock of the Bank.

The Salary Continuation Agreements specifically provide that the Bank has no obligation to fund the obligations to pay the retirement or lump sum benefits described therein. However, coincident with the execution of the Salary Continuation Agreements the Bank and each of Ms. Graham, Mrs. Wilburn and Messrs. Quisenberry and Sommer entered into a Life Insurance Endorsement Method Split Dollar Plan

Agreement. The Bank purchased flexible premium adjustable life insurance policies insuring the life of each participant. The Bank owns the policies and is entitled to the policies' cash value. The participant's beneficiaries are entitled to a share of the death proceeds should the participant die before attaining the maximum benefit age as defined in the Salary Continuation Agreements or be retired from the Bank and die on or subsequent to attaining the maximum benefit age or die after involuntary termination from the Bank.

Compensation of Directors

The Board of Directors of the Company has not approved payment of fees in connection with attendance at Company Board or Board Committee meetings.

The Chairman of the Board of the Bank receives \$1,400 and all other directors of the Bank receive \$1,000 per month for Board meeting attendance. On January 21, 2004, the Board of Directors approved a 20% increase in director compensation. The Chairman of the Board of the Bank will receive \$1,680 per month and all other directors of the Bank will receive \$1,200 per month.

Aggregate Bank directors' fees in the sum of \$112,800 were paid (including amounts deferred under Deferred Compensation Agreements between the Bank and certain of its directors) during the fiscal year ended December 31, 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There have been no material transactions, except as disclosed below, since January 1, 2003, nor are there any currently proposed transactions, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$60,000 and in which any director, executive officer, five-percent shareholder or any member of the immediate family of any of the foregoing persons had, or will have, a direct or indirect material interest.

Reimbursement and Tax Sharing Agreement

The Company has entered into an agreement with the Bank pursuant to which the Bank has agreed to reimburse the Company for certain expenses incurred by the Company in rendering management services on terms and conditions consistent with the requirements of Section 23A of the Federal Reserve Act and Federal Reserve Regulation W. In addition, the Company has entered into a tax sharing agreement with the Bank providing for the allocation of tax obligations among the Company and the Bank in compliance with regulatory requirements.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. To the best knowledge of the Company, the only greater than ten-percent holder of the Company's Common Stock is Mr. Louis McMurray and his related interests. See Principal Shareholders.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 4 and 5 were required for those persons, the Company believes that for the 2003 fiscal year, the officers and directors of the Company complied with all applicable filing requirements, except that each of Daniel N. Cunningham, Sidney B. Cox, Edwin S. Darden, Jr., Daniel J. Doyle, Steven D. McDonald, Louis McMurray, Wanda L. Rogers, William Smittcamp, Joseph B. Weirick, Gayle Graham, Gary Quisenberry, and Thomas L. Sommer filed one Form 4 late. Those Form 4's reported a single transaction for each person: one option grant. PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Perry-Smith LLP, which served the Company as independent public accountants for 2003, has been selected by the Audit Committee of the Board of Directors of the Company to be the

Company's independent public accountants for 2004. All Proxies will be voted "FOR" ratification of such selection unless authority to vote for the ratification of such selection is withheld or an abstention is noted. If the nominee should unexpectedly for any reason decline or be unable to act as independent public accountants, the Proxies will be voted for a substitute nominee to be designated by the Audit Committee.

Representatives from the accounting firm of Perry-Smith LLP will be present at the meeting, will be afforded the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

The following presents fees billed for the years ended December 31, 2003 and 2002 for professional services rendered by the Company's independent public accountants in connection with the audit of the Company's consolidated financial statements and fees billed by the Company's independent public accountants for other services rendered to the Company.

FEES	2003	2002
Audit Fees(1)	\$ 100,335	\$ 100,020
Audit-Related Fees	-0-	-0-
Tax Fees(2)	\$ 17,725	\$ 15,975
All Other Fees(3)	\$ 72,985	\$ 57,195

- (1) Audit fees consist of fees for professional services rendered for the audit of the Company's consolidated financial statements and review of financial statements included in the Company's quarterly reports. The audit fees also consist of services normally provided in connection with statutory and regulatory filings or engagements.
- (2) Tax service fees consist of compliance fees for the preparation of original and amended tax returns, claims for refunds and tax payment-planning services for tax compliance, tax planning and tax advice. Tax service fees also include fees relating to other tax advice, tax consulting and planning other than for tax compliance and preparation.
- (3) All other fees consisted of consulting services for the Company's strategic plan, operational review and compilation of a compensation survey.

The Audit/Compliance Committee has determined that the provision of services, in addition to audit services, rendered by Perry-Smith LLP and the fees paid therefor in fiscal years 2003 and 2002 were compatible with maintaining Perry-Smith LLP's independence.

The Audit Committee preapproves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the *de minimis* exceptions for non-audit services described in Section 10A(i) (1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF PERRY-SMITH LLP AS THE COMPANY'S INDEPENDENT AUDITORS. APPROVAL OF THE PROPOSAL REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE SHARES REPRESENTED AND VOTING AT THE MEETING.
