Item 4. *Description of Securities*

Not applicable.

Item 5. *Interests of Named Experts and Counsel*

William G. Green, who has provided an opinion to the Registrant on the validity of the securities being registered which is Exhibit 5 to this registration statement, is Senior Vice President, General Counsel and Secretary of the Registrant.

Item 6. *Indemnification of Directors and Officers*

Section 145 of the General Corporation Law of the State of Delaware and the Bylaws of the Registrant contain certain provisions covering indemnification of corporate directors, officers and employees under certain conditions and subject to certain limitations.

## Edgar Filing: CHIRON CORP - Form S-8

In addition, the Registrant has entered into supplemental indemnification agreements with its directors which broaden the scope of indemnity beyond that expressly provided by the Bylaws or the Delaware General Corporation Law. These supplemental contracts are permissible under the General Corporation Law and have been approved by the Registrant's stockholders. Accordingly, the indemnification agreements with directors will (i) confirm the present indemnity provided to them by the Registrant's Bylaws and give them assurance that this indemnity will continue to be provided despite future changes in the Bylaws, and (ii) provide that, in addition, the directors shall be indemnified to the fullest possible extent permitted by law against all expenses (including attorneys' fees), judgments, fines and settlement amounts, incurred or paid by them in any action or proceeding, including any action by or in the right of the Registrant, on account of their service as a director or officer of the Registrant, or as a director or officer of any subsidiary of the Registrant, or as a director, officer, or similar official of any other company or enterprise when they are serving in such capacities at the request of the Registrant. The indemnification agreements further provide that expenses incurred by a director in such cases shall be paid in advance, subject to the director's obligation to reimburse the Registrant in the event it ultimately determines that the director is not entitled to be indemnified for such expenses under any of the provisions of the indemnification agreement. However, no indemnity will be provided to any director under the agreements as described in clause (ii) of the third sentence of this paragraph on account of conduct which is finally adjudged to be knowingly fraudulent, deliberately dishonest or to constitute willful misconduct. In addition, no indemnification will be provided if a final court adjudication shall determine that such indemnification is not lawful, or in respect to any suit in which judgment is rendered against a director for an accounting of profits made from a purchase or sale of securities of the Registrant in violation of Section 16(b) of the Exchange Act, as amended, or of any similar statutory provision, or on account of any remuneration paid to a director which is finally adjudged to have been paid in violation of law. The indemnification agreements also contain provisions designed to protect the Registrant from unreasonable settlements or redundant legal expenditures.

The Registrant maintains liability insurance for each of its directors and officers which provides for coverage for certain liabilities for which indemnification by the Registrant may not be permissible under applicable law and public policy, including liabilities under the Securities Act of 1933, as amended (the "1933 Act").

Item 9. *Undertakings*

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the 1933 Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into this Registration Statement; (2) that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Registrant's 2004 Stock Compensation Plan.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

**SIGNATURES**
