PROXY STATEMENT ANNUAL MEETING OF SHAREHOLDERS

APRIL 26, 2005

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies ("Proxies") by the Board of Directors (the "Board") of Central Pacific Financial Corp. (the "Company") for use at the Annual Meeting of Shareholders (the "Meeting") of the Company to be held in the Plumeria Room of the Ala Moana Hotel, 410 Atkinson Drive, Honolulu, Hawaii, on April 26, 2005, 6:00 p.m., Hawaii time, and at any and all adjournments thereof. The approximate date on which this Proxy Statement and accompanying Notice and form of proxy are first being mailed to shareholders is March 30, 2005.

Matters to be Considered

The matters to be considered and voted upon at the Meeting will be:

1. **Election of Directors.** To elect five persons to the Board for a term of three years and to serve until their successors are elected and qualified.
2. **Ratification of Appointment of Independent Registered Public Accounting Firm.** To ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005.
3. **Approval of Amendment to Restated Articles of Incorporation of Central Pacific Financial Corp.** To approve an amendment to the Restated Articles of Incorporation of Central Pacific Financial Corp. to add a new Article IX regarding limitation of liability for directors as provided for under Hawaii law.
4. **Other Business.** To transact such other business as may properly come before the Meeting and at any and all adjournments thereof.

Record Date, Outstanding Securities and Voting Rights

The Board fixed the close of business on February 28, 2005 as the record date (the "Record Date") for the determination of the shareholders of the Company entitled to notice of and to vote at the Meeting. Only holders of record of shares of Common Stock at the close of business on the Record Date will be entitled to vote at the Meeting and at any adjournment or postponement of the Meeting. There were 28,270,840 shares of the Company's common stock, no par value ("Common Stock"), issued and outstanding on the Record Date, held by approximately 4,500 holders of record.

Each holder of Common Stock will be entitled to one vote, in person or by proxy, for each share of Common Stock standing in the holder's name on the books of the Company as of the Record Date on any matter submitted to the vote of the shareholders.

Quorum

The required quorum for the transaction of business at the Meeting is a majority of the total outstanding shares of Common Stock entitled to vote at the Meeting, either present in person or represented by proxy. Abstentions will be included in determining the number of shares present at the Meeting for the purpose of determining the presence of a quorum.

Broker Authority to Vote

Under the rules of the National Association of Securities Dealers, Inc., member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, Inc. ("NYSE"), a member broker who holds shares in street name for customers has the authority to vote on certain terms if it has transmitted proxy soliciting materials to the beneficial owner but has not received instructions from that owner. NYSE rules permit member brokers that do not receive instructions from their customers to vote on all three of the proposals discussed above in their discretion.

Vote Required to Approve the Proposals

Proposal 1: Election of Directors. You may vote "FOR" or "WITHHOLD" with respect to any or all director nominees. The election of directors requires a plurality of the votes cast "FOR" the election of directors by the shares entitled to vote in the election at a meeting at which a quorum is present. Accordingly, the five directorships to be filled at the meeting will be filled by the five nominees receiving the highest number of "FOR" votes; votes that are "WITHHELD" will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm. The proposal to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm requires the affirmative vote of shareholders holding not less than a majority of the shares of Common Stock represented in person or by proxy and entitled to vote at the Meeting. An abstention from voting on the proposal to ratify the appointment of KPMG LLP will have the effect of a vote "AGAINST" the proposal.

Proposal 3: Approval of Amendment to Restated Articles of Incorporation of Central Pacific Financial Corp. The proposal to approve an amendment to the Restated Articles of Incorporation of Central Pacific Financial Corp. to add a new Article IX regarding limitation of liability for directors as provided for under Hawaii law requires the affirmative vote of the holders of two-thirds of the shares entitled to vote thereon. An abstention from voting on the proposal to amend the Restated Articles of Incorporation will have the same effect as a vote "AGAINST" the proposal.

The Board of Directors recommends a vote "FOR" the election of all nominees as directors, "FOR" ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005, and "FOR" the amendment to the Restated Articles of Central Pacific Financial Corp. It is not anticipated that any matters will be presented at the Meeting other than as set forth in the accompanying Notice of the Meeting. If any other matters are presented properly at the Meeting, however, the Proxy will be voted by the Proxy Holders in accordance with the recommendations of the Board of Directors.

Revocability of Proxies

Any shareholder who executes and delivers such Proxy has the right to revoke it at any time before it is exercised by filing with the Corporate Secretary of the Company an instrument revoking it or a duly executed Proxy bearing a later date. A Proxy may also be revoked by attending the Meeting and voting in person at the Meeting. Subject to such revocation, all shares represented by a properly executed Proxy

received in time for the Meeting will be voted by the Proxy Holders in accordance with the instructions on the Proxy.

Solicitation of Proxies

This solicitation of Proxies is made on behalf of the Board and the Company will bear the costs of the preparation of proxy materials and the solicitation of Proxies for the Meeting. It is contemplated that Proxies will be solicited principally through the mail, but directors, officers and regular employees of the Company or its subsidiary, Central Pacific Bank (the "Bank"), may solicit Proxies personally, by telephone, electronically or by other means of communication. Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding these proxy materials to beneficial owners. The Company does not intend to utilize the services of other individuals or entities not employed by or affiliated with the Company in connection with the solicitation of Proxies.

Dr. Hirota commenced service as a director of the Company on February 1, 1982, the date of formation of the Company. Dr. Hirota served as a director of the Company until April 23, 1985 when the Company's shareholders adopted a classified Board and reduced the number of directors to nine. Code of Conduct & Ethics

The Company is committed to promoting and fostering ethical conduct and sound corporate governance principles. Director Nomination Process

Director Qualifications. The Corporate Governance and Nominating Committee is responsible for reviewing the qualifications and independence of director nominees in accordance with the criteria set forth in the Company's Corporate Governance Guidelines. The general criteria considered include qualification as independent, diversity, age, skills, experience and other relevant considerations in the context of the needs of the Board.

Identifying and Evaluating Nominees. The Board seeks to identify candidates for director positions that are best qualified and suited to meet the needs of the Company and to present these candidates for shareholder approval, as and when director positions become open and available. The Corporate Governance and Nominating Committee will first identify, review, evaluate and recommend to the Board, nominees for director positions. The Board will then vote whether or not to recommend such nominees to the Company's shareholders for election.

In identifying potential director nominees, the Corporate Governance and Nominating Committee will search within the State of Hawaii and may search outside the State of Hawaii for any potential director candidates, and in this regard, may utilize the services of a professional search firm. While the same general criteria set forth above shall be applied in evaluating a candidate's qualifications, it is difficult to enumerate all of the attributes, skills and qualities that the Corporate Governance and Nominating Committee and/or Board may, at any given point in time, determine, consider and value in evaluating, selecting and recommending director nominees. Accordingly, the Corporate Governance and Nominating Committee and the Board exercise their discretion and consider any circumstances, experiences, attributes, skills, qualities, and factors applicable to any director nominee with the intent and purpose of having the best qualified and best suited directors serving on the Board at all times, as well as ensuring that the Board as a whole is diverse and well rounded. The Board may enlist the services of a third party to conduct a background check or other investigation in order to determine whether a candidate meets any criteria.

Shareholder Nominees. In accordance with the policies set forth in the Company's Corporate Governance Guidelines, the Corporate Governance and Nominating Committee will consider properly submitted director nominees for election at the 2006 Annual Meeting of Shareholders recommended by shareholders if such recommendations are received in writing prior to January 25, 2006. Shareholder recommendations should be addressed to the Company's Corporate Secretary, P.O. Box 3590, Honolulu, Hawaii 96811.

Any such communication may be directed to the attention of the Chairman of the Board or the Chair of any Board Committee (such as, for example, the Chair of the Audit Committee or the Chair of the Corporate Governance and Nominating Committee). Shareholders sending such communications must include the following in their written communication: (a) such shareholder(s) must identify himself/herself/itself/themselves and provide reasonably satisfactory proof of their ownership of the Company's stock; (b) such shareholder(s) must state in reasonable detail and communicate with reasonable clarity and specificity their issue or concern; and (c) such shareholder(s) must include their contact information (at a minimum, phone number and address).

Report of the Audit Committee

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filings under the Securities Act of 1933, as amended (the "Securities Act") or under the Exchange Act, except to the extent we specifically incorporate this Report by reference.

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the Committee are "independent", as required by applicable listing standards of the New York Stock Exchange. The Board of Directors has also determined that each member is financially literate, as such qualification is defined under the rules of the NYSE, and that one member of the Committee has accounting or related financial management expertise, as such qualification is defined under the rules of the NYSE and is an "audit committee financial expert" within the meaning of the rules of the SEC. The Committee operates pursuant to a Charter that was last amended and restated by the Board on February 1, 2005, a copy of which is attached to this Proxy Statement as Appendix A. In addition, the Charter of the Audit Committee is available on the Company's website (www.centralpacificbank.com).

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

Pursuant to the Audit Committee Charter, the Audit Committee's primary purpose is to assist the Board in overseeing various accounting, auditing, internal control, legal and regulatory matters of the Company, and in fulfillment of this purpose, the Audit Committee's primary responsibilities are to:

monitor the integrity of the financial statements and accounting, the internal audits, the internal controls, and the handling of legal matters, of the Company and its subsidiaries;

appoint, determine the qualifications, independence and compensation of, oversee the work of, and evaluate the performance of, the Company's independent and internal auditors;

monitor the compliance by the Company with legal and regulatory requirements; and

coordinate and facilitate communication among the auditors, Company management and the Board respecting accounting, auditing, internal control and legal matters.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the Company's independent registered public accounting firm. The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, and not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement of Auditing Standards No. 61, as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees).

The Audit Committee also obtained from the independent registered public accounting firm a formal written statement describing all relationships between the Company and the independent registered public accounting firm that bear on the independent registered public accounting firm's independence consistent with Independence Standards Board Standard No. 1, (Independence Discussions with Audit Committee). The Audit Committee has received and discussed with the independent registered public accounting firm the matters in the written disclosures required by the Independence Standards Board and as required under the Sarbanes-Oxley Act of 2002. The Audit Committee discussed with the independent registered public accounting firm any relationships that may impact on the firm's objectivity and independence and satisfied itself as to the registered public accounting firm's independence.

The Audit Committee discussed with the Company's internal auditor and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee met with the internal auditor and independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of the internal controls, and the overall quality of the financial reporting.

In reliance on these discussions and reviews referred to above, the Audit Committee recommended that the Board of Directors approve the inclusion of the Company's audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, for filing with the Securities and Exchange Commission.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States of America. The Company's independent registered public accounting firm is responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not all be, and we may not all represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent registered public

accounting firm included in its report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions with management and the independent registered public accounting firm do not assure that the Company's financial statements are presented in accordance with accounting principles generally accepted in the United States of America, that the audit of our Company's financial statement has been carried out in accordance with generally accepted auditing standards as established by the Auditing Standards Board (United States) and in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) or that our Company's independent registered public accounting firm is in fact "independent."

Respectfully submitted by the members of the Audit Committee of the Board of Directors:

B. JEANNIE HEDBERG, CHAIR
CHRISTINE H. H. CAMP
FRIEDMAN
MIKE K. SAYAMA
MAURICE H. YAMASATO

Director Compensation

The Company and the Bank each has a policy of paying fees to non-management directors for their attendance at board and board committee meetings. The Company and the Bank pay each of their non-management directors \$800 per board meeting attended and \$600 per board committee meeting attended. In addition, the Company pays \$10,000 annually to each non-management director, and the Bank pays \$15,000 annually to each non-management director. The Company pays the Chair of the Audit Committee \$10,000 annually, the Chair of the Compensation Committee \$5,000 annually, and the Chair of the Corporate Governance & Nominating Committee \$5,000 annually.

Non-employee directors of the Company and the Bank have been eligible to participate in the Company's 1997 Stock Option Plan and continue to be eligible to participate in the Company's 2004 Stock Compensation Plan. The Company annually grants restricted Common Stock of the Company to non-employee directors of both the Company and the Bank. In 2004, the Company granted 300 restricted shares of the Company's Common Stock to each of the Company's and the Bank's non-employee directors (where an individual was both a director of the Company and the Bank, he or she only received a total of 300 restricted shares of Common Stock). For 2005, the Company granted the equivalent of \$6,000 of the Company's Common Stock (with restrictions) to each of the Company's non-employee directors, and in addition, the equivalent of \$6,000 of the Company's Common Stock (with restrictions) to each of the Bank's non-employee directors (where an individual is both a director of the Company and the Bank, they received a total of \$12,000 worth of the Company's Common Stock (with restrictions)).

During 1997, non-employee directors received a one-time grant of stock options to purchase, in the aggregate, 294,000 shares of Common Stock at an exercise price of \$8.9375 per share. Options vest at a rate of 3,000 shares per year until the earlier of the director's retirement at age 70 or 10 years from the date of grant.

The Company also maintains a Directors Deferred Compensation Plan, which became effective as of January 1, 2001, and under which each non-employee director of the Company and the Bank may elect to defer all or a portion of his or her annual retainer and meeting fees. Distribution of the deferred compensation account will be made in the form of a lump sum payment within ten years following termination from service or annual installment payments over a period no greater than ten years following termination from service, in accordance generally with the director's election made at the time of the deferral. A withdrawal from the deferred compensation account is also available in the case of an unforeseeable emergency. Under the Directors Deferred Compensation Plan, deferred amounts are valued based on corresponding investments in certain investment funds offered by the Bank's Trust Division which may be selected by the director. The Directors Deferred Compensation Plan is a nonqualified deferred compensation plan under which distributions are made from the general assets of the Company under the direction and oversight of the Compensation Committee.

Defined Benefit Pension Plan. The Bank has a Defined Benefit Pension Plan that was closed to new participants effective December 31, 2002. To be eligible, an executive must have been hired prior to December 2, 2001. Accordingly, Messrs. Arnoldus, Hirata, Isono and Weld are not eligible to receive benefits pursuant to the Defined Benefit Pension Plan.

The table below shows estimated annual retirement benefits at age 65 for various levels of executive compensation and service under the Bank's Defined Benefit Pension Plan.

Under the Defined Benefit Pension Plan, benefits are based upon the employee's years of service and highest average annual salary in the final 60-consecutive month period of service as of December 31, 2002. The credited years of service as of December 31, 2004 for Messrs. Kanda, Chikamoto and Fujimoto are 13, 25 and 2, respectively.

Supplemental Executive Retirement Arrangements. The Company also has non-qualified, unfunded supplemental executive retirement arrangements ("SERA") for certain executive officers. For Mr. Arnoldus, the SERP provides a lump sum payment equal to the actuarial equivalent of a joint and 100% survivor annuity payable for life and upon his death to his current spouse for life starting at age 65. The

annuity amount on which the SERA benefit will be based is equal to (A) the product of his years of service with the Company, up to a maximum of 15 years, multiplied by $3\frac{1}{3}\%$ of the average of his salary and bonus for the three fiscal years preceding his termination, reduced by (B) the actuarial equivalent of his benefit under the Social Security Act and any other retirement benefits provided by the Company. For Mr. Kanda, the SERA provides a benefit equal to the difference between (A) the benefit which would have accrued under the Company's Defined Benefit Pension Plan, without regard to limitations imposed by laws and regulations governing such plans, reduced by (B) the benefit that actually accrued under the Defined Benefit Pension Plan. The Defined Benefit Pension Plan was curtailed effective December 31, 2002, and accordingly, no new benefits are accruing to Mr. Kanda. Each of Mr. Hirata and Mr. Weld is entitled to receive, upon termination, a SERA benefit calculated as if the Supplemental Executive Retirement Agreement between each of Messrs. Hirata and Weld and CB Bancshares, Inc. (the "CB SERP") had continued in effect until the date of termination of his employment and a SERA benefit calculated under the "change of control" provisions of the CB SERP as of the date of the merger of the Company and CB Bancshares, Inc. The nominal SERA benefit under the CB SERP would be a life annuity equal to the greater of (A) 65% of final average compensation, less 50% of his social security benefit and less any pension benefits accrued under any CB Bancshares defined contribution plan or (B) the full SERA benefit that he would have received had he remained in the employ of CB Bancshares and retired at age 65 and calculated as of the date of the merger of the Company and CB Bancshares, Inc. The 65% formula is reduced by 2.5% for each year of service less than 25 years of service and increased by 2.5% for each year of service exceeding 25 years of service (subject to a maximum adjusted percentage of 70%). The final average compensation means the average base salary plus bonus for the five year period preceding the executive's termination of employment.

Employment Arrangements

Effective September 14, 2004, the Company entered into a separate Employment Agreement with each of (a) Clint Arnoldus, Chief Executive Officer and Vice Chairman of the Company and the Bank, (b) Ronald K. Migita, Chairman of the Company and the Bank, (c) Neal K. Kanda, President and Chief Operating Officer of the Company and the Bank, (d) Dean K. Hirata, Executive Vice President and Chief Financial Officer of the Company and the Bank, (e) Douglas R. Weld, Executive Vice President and Chief Credit Officer of the Bank, (f) Alwyn S. Mr. Arnoldus will be subject to a non-solicitation and non-competition requirement for the remainder or the term of his employment agreement.

In the event of a change of control of the Company, Mr. Arnoldus may voluntarily resign during the sixty-day period following the sixth month after the change of control date. In the event Mr. Arnoldus' employment is terminated in anticipation of or following a change of control, he will be entitled to the

same benefits he would have received had he been terminated without cause or resigned for good reason except that his severance amount will be three times base salary and target bonus. He will also be entitled to payments to cover any excise tax liability (on an after-tax basis) under Section 4999 of the Internal Revenue Code with respect to his payments under the employment agreement.

The Company may terminate Mr. Kanda's employment at any time, and Mr. Kanda may resign at any time. If the Company chooses to terminate Mr. Kanda's employment for reasons other than "cause" (as defined in his agreement) or if Mr. Kanda resigns for "good reason" (as defined in his agreement), the Company will be required to pay to Mr. Kanda a lump-sum payment equal to salary and target bonus for the "severance period", which is two years. In addition, the Company will be required to pay Mr. Kanda his accrued but unpaid compensation, a pro rata target bonus, continued health and welfare benefits for the remainder of the severance period, accelerated vesting of equity awards and outplacement assistance. In this circumstance, Mr. Kanda will be subject to a non-solicitation and non-competition requirement for the duration of his severance period. If Mr. Kanda terminates his employment without good reason or the Company terminates his employment for cause, Mr. Kanda will be subject to a non-solicitation and non-competition requirement for the remainder of the term of his employment agreement. Mr. Kanda would also be entitled to these severance benefits if the Company does not agree to renew his employment on substantially similar terms after the end of his two-year term. If there is a change of control of the Company, the term of the employment agreement and the severance period will both automatically extend to three years and Mr. Kanda will be entitled to payments to cover any excise tax liabilities (on an after-tax basis) under Section 4999 of the Internal Revenue Code with respect to his payments under the agreement.

Terms of Mr. Hirata's Agreement

Under his agreement, Mr. Hirata receives an annual base salary of \$200,000 with a minimum bonus target of 30% of his base salary.

The Company may terminate Mr. Hirata's employment at any time, and Mr. Hirata may resign at any time. In addition, Mr. Hirata will also be entitled to his accrued but unpaid compensation, a pro rata target bonus, continued health and welfare benefits for the remainder of the severance period, outplacement assistance and accelerated vesting of all equity awards. In this circumstance, Mr. Hirata will be subject to a non-solicitation and non-competition requirement for the

duration of his severance period. If Mr. Hirata terminates his employment without good reason or the Company terminates his employment for cause, Mr. Hirata will be subject to a non-solicitation and non-competition requirement for the remainder of the terms of the employment agreement. If there is a change in control of the Company, the term of the employment agreement and the severance period will both automatically extend to three years, and Mr. Hirata will be entitled to payments to cover any excise liabilities (on an after-tax basis) under Section 4999 of the Internal Revenue Code.

Under certain circumstances provided in his agreement, Mr. Hirata will be provided with benefits and/or payments as if the change of control agreement and supplemental executive retirement agreement that he previously had with CB Bancshares continued in effect.

Terms of Mr. Weld's Agreement

Under his agreement, Mr. Weld receives an annual base salary of \$195,000 with a minimum bonus target of 30% of his base salary.

The Company may terminate Mr. Weld's employment at any time, and Mr. Weld may resign at any time. If the Company chooses to terminate Mr. Weld's employment for reasons other than "cause" (as defined in his agreement) or if Mr. Weld resigns for "good reason" (as defined in his agreement), Central Pacific will be required to pay Mr. Weld a lump-sum payment equal to the higher of (1) about \$819,000 and (2) salary and target bonus for the "severance period", which is the shorter of two years or the remainder of the term of the employment agreement. In addition, Mr. Weld will also be entitled to his accrued but unpaid compensation, a pro rata target bonus, continued health and welfare benefits for the remainder of the severance period and accelerated vesting of all equity awards. In this circumstance, Mr. Weld will be subject to a non-solicitation and non-competition requirement for the duration of his severance period. If Mr. Weld terminates his employment without good reason or the Company terminates his employment for cause, Mr. Weld will be subject to a non-solicitation and non-competition requirement for the remainder of the term of the employment agreement. If there is a change of control of the Company, the term of the employment agreement and the severance period will both automatically extend to three years, and Mr. Weld will be entitled under the proposed terms to payments to cover any excise tax liabilities (on an after-tax basis) under Section 4999 of the Internal Revenue Code.

Under certain circumstances provided in his agreement, Mr. Weld will be provided with benefits and/or payments as if the change of control agreement and supplemental executive retirement agreement that he previously had with CB Bancshares continued in effect.

Under his respective employment agreement, each of Messrs. Chikamoto, Fujimoto and Isono will receive an annual base salary with a minimum bonus target of 30% of his base salary. The annual base salary for each of Messrs. Chikamoto and Fujimoto is \$194,670 and for Mr. Isono is \$189,263.

The Company may terminate the employment of each of the officers listed above at any time, and each officer may resign at any time. If the Company chooses to terminate the officers' employment for reasons other than "cause" (as defined in their respective agreements) or if the officer resigns for "good reason" (as defined in their respective agreements), the Company will be required to pay the officer a lump sum payment equal to salary and target bonus for the "severance period", which is the shorter of two years or the remainder of the term of the employment agreement. In addition, the Company will be required to pay the officer his accrued but unpaid compensation, a pro rata target bonus, continued health and welfare benefits for the severance period, accelerated vesting of all equity awards and outplacement assistance. In this circumstance, the officer will be subject to a non-solicitation and non-competition requirement for the duration of his severance period. If the officer terminates his employment without good reason or the Company terminates his employment for cause, the officer will be subject to a non-solicitation and non-competition agreement for the remainder of the term of the employment

If there is a change of control of the Company, the term of the employment agreement and the severance period will both automatically extend to three years, and the officer will be entitled to payments to cover any excise tax liabilities (on an after-tax basis) under Section 4999 of the Internal Revenue Code with respect to his payments under the agreement.

Report of the Compensation Committee

Set forth below is a report of the Compensation Committee addressing the Company's compensation policies for 2004 applicable to the Company's executives, including the Named Executive Officers.

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filings under the Securities Act or under the Exchange Act, except to the extent we specifically incorporate this Report of the Compensation Committee by reference.

Report of the Compensation Committee on Executive Compensation

The Company's compensation programs reflect the philosophy that executive compensation should be linked to Company performance, yet be competitive and consistent with the compensation paid to others holding positions of similar responsibility in the banking and financial services industries. The Company's compensation plans are designed to assist the Company in attracting and retaining qualified employees critical to the Company's long-term success, while motivating employees to perform to their fullest abilities to increase profitability and maximize shareholder value.

Salary Compensation

The Company pays cash salaries to its executive officers which are competitive with salaries paid to executives of other companies in the banking and financial services industries based upon the individual's experience, performance and responsibilities and past and potential contribution to the Company. In determining the market rate, the Company obtains information regarding executive salary levels for other companies in the banking and financial services industries, including national banking organizations. The relative asset size and profitability levels of these institutions are also considered. On April 28, 2004, the Company's Board approved the compensation for all executive officers for the ensuing year, effective May 1, 2004.

The Company's Chief Executive Officer, Clint Arnoldus, was hired in January 2002 as President and Chief Operating Officer and became Chairman, President and Chief Executive Officer in April 2002. In September 2004, in connection with the Company's merger with CB Bancshares, Mr. Arnoldus relinquished the titles of Chairman and President and since that time has served in the positions of Chief Executive Officer and Vice Chairman. In determining Mr. Arnoldus' compensation, the Compensation Committee considered the Company's performance, his experience and background, and peer-level compensation. Other considerations included his leadership, management philosophy, vision and other factors that were determined to be key to the Company's future success.

Incentive Compensation

During 2004, the Company had two programs whereby compensation for the Named Executive Officers was directly linked to the Company's performance: the Profit Sharing Plan and the Annual Executive Incentive Plan.

Profit Sharing Plan. The Bank has a Profit Sharing Plan (the "Profit Sharing Plan") pursuant to which the Bank makes annual profit-sharing contributions (the "Profit Sharing Contribution") to the Retirement Savings Plan as determined by the Bank's Board of Directors depending on the profitability of

the Bank during the year, subject to certain limitations on contributions under the Internal Revenue Code and the Profit Sharing Plan.

Employees with not less than one year of service with the Bank are eligible to participate in the Profit Sharing Plan. The Profit Sharing Contribution is allocated among participating employees, including the Named Executive Officers, in the proportion which each participant's compensation for the fiscal year bears to the total compensation for all participating employees for such year. Benefits vest at a rate of twenty percent (20%) per year and participants receive a distribution of vested amounts allocated to their accounts only upon retirement or termination of employment with the Bank.

In 1994, the Bank's Board of Directors approved the Cash or Deferred Arrangement ("CODA") program which allows each employee who is a participant in the Profit Sharing Plan to elect to receive up to one-half of the current year's profit sharing contribution in cash with the other half being allocated to such employee's account under the Retirement Savings Plan. Elections not made would be deferred into that employee's Retirement Savings Plan account.

The Bank's Board of Directors makes its determination of the amount of the Profit Sharing Contribution based upon management's recommendation at the end of the fiscal year. For 2004, the Profit Sharing Contribution equaled five percent (5%) of the pre-tax income of the Bank (excluding the effect of the Profit Sharing Contribution expense), less the amount of cash dividends paid by the Bank during the fiscal year. In 2004, the Bank's Profit Sharing Contribution was \$1,920,000, which equaled 9.0% of total compensation paid to all participating employees for the year.

Annual Executive Incentive Plan. The 2004 Annual Executive Incentive Plan was adopted by the Company's Board of Directors and approved by the Company's shareholders for the 2004 fiscal year. Executives with the corporate title of Executive Vice President or above as of January 1, 2004, including Messrs. Arnoldus, Kanda, Chikamoto, Fujimoto and Isono, were eligible to participate in the Annual Executive Incentive Plan.

Subject to approval by the Compensation Committee, participants were eligible to receive a cash bonus under the Annual Executive Incentive Plan based upon a combination of Company and individual performance criteria. The Company performance criteria was based on a number of financial measures including the Company's return on equity, efficiency ratio and earnings per share, adjusted to exclude the impact of the merger. The Company achieved its return on equity and minimum earnings per share thresholds, and accordingly, cash bonuses were paid to Messrs. Kanda, Chikamoto, Fujimoto and Isono. Discretionary cash bonuses were also paid to Messrs. Hirata and Weld reflecting their contributions to the Company since the merger.

Stock-Based Compensation

The Company also believes that stock ownership by employees, including the Named Executive Officers, provides valuable long-term incentives for such persons who will benefit as the Common Stock price increases and that stock-based performance compensation arrangements are beneficial in aligning employees' and shareholders' interests. To facilitate these objectives, the Company adopted the 2004 Stock Compensation Plan.

2004 Stock Compensation Plan. The 2004 Stock Compensation Plan was adopted in 2004 to replace the 1997 Stock Option Plan. The 2004 Stock Compensation Plan provides for the award of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares, performance units and stock-based awards to be given to any employee, director, or independent contractor of the Company or any of its affiliates. The 2004 Stock Compensation Plan is administered by the Compensation Committee of the Board.

The granting of stock options for fiscal year 2004 was conditioned upon the attainment of all financial performance objectives consistent with the Annual Executive Incentive Plan. Since those performance

thresholds were not met in their entirety, there were no grants of stock options for 2004, other than those granted to Mr. Arnoldus in connection with the merger.

Other Compensation

In connection with the Company's merger with CB Bancshares, Inc. on September 15, 2004, certain officers received merger-related bonus payments from the Company. Mr. Arnoldus received a one-time merger-related bonus. Each of Messrs. Kanda, Chikamoto, Fujimoto and Isono received a retention bonus: \$100,000 was paid to such executive on the merger closing date and \$100,000 will be paid on the first anniversary of the merger closing date provided the executive is still in the employ of the Company on such date.

The Named Executive Officers also participate in the Company's broad-based employee benefit plans, such as the 401(k) Savings Plan and medical, dental, supplemental disability and term life insurance programs.

Certain Company executives are eligible to participate in the Company's Defined Benefit Pension Plan (the "Pension Plan"), SERA and the Split Dollar Life Insurance Plan (the "Insurance Plan"). See "**ELECTION OF DIRECTORS Compensation of Directors and Executive Officers Executive Compensation Defined Benefit Pension Plan and Supplemental Executive Retirement Plan.**" Under the Insurance Plan, the Company provides life insurance coverage for certain senior officers. The Insurance Plan agreements provide death benefits of approximately two times the officer's normal annual salary during employment and an amount approximating the officer's final normal annual salary upon retirement. Of the Named Executive Officers, Messrs. Chikamoto, Fujimoto and Kanda participate in the Pension Plan, Messrs. Arnoldus, Kanda, Hirata and Weld are eligible to receive benefits pursuant to the SERA, and Messrs. Chikamoto and Kanda participate in the Insurance Plan.

Respectfully submitted by the members of the Compensation Committee of the Board of Directors:

COLBERT M. MATSUMOTO, CHAIR
DWIGHT L. YOSHIMURA, VICE CHAIR
RICHARD J. BLANGIARDI
CLAYTON K. HONBO

Earl E. Fry

B. Jeannie Hedberg

Duane K. Kurisu

Colbert M. Matsumoto

Crystal K. Rose

For more information regarding the background of each of the nominees for director, see the section titled "**ELECTION OF DIRECTORS Director's and Executive Officers' Information**". The person named as "Proxy" in the enclosed form of proxy statement will vote the shares represented by all valid returned proxies in accordance with the specifications of the shareholders returning such proxies. If at the time of the Annual Meeting of Shareholders any of the nominees named above should be unable to serve, which event is not expected to occur, the discretionary authority provided in the proxy statement will be exercised to vote for such substitute nominee or nominees, if any, as shall be designated by the Board of Directors.

The election of directors requires a plurality of the votes cast "FOR" the election of the directors by the shares entitled to vote in the election at a meeting at which a quorum is present. Accordingly, the five directorships to be filled at the meeting will be filled by the five (5) nominees receiving the highest number of "FOR" votes.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" ALL 5 NOMINEES. UNLESS A CONTRARY CHOICE IS SPECIFIED, PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" ALL 5 NOMINEES.

PROPOSAL 2:**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board has appointed KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2005. KPMG LLP audited the Company's financial statements for the fiscal year ended December 31, 2004, and has audited the Company's financial statements since the Company's inception in 1982. Representatives of KPMG LLP are expected to attend the Meeting. The representatives are expected to be available to respond to appropriate questions and will have an opportunity to make a statement, if they desire to do so.

Independent Registered Public Accounting Firm*Fees*

The following table sets forth the aggregate fees the Company has incurred for audit and non-audit services provided by KPMG LLP who acted as independent registered public accounting firm for the fiscal year ending 2004 and performed the Company's audit services in fiscal year 2004. The table lists audit fees, audit-related fees, tax fees, and all other fees.

Audit Fees. The audit fees include only fees that are customary under generally accepted auditing standards as established by the Auditing Standards Board (United States) and in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and are the aggregate fees the Company incurred for professional services rendered for the audit of the Company's annual financial statements for fiscal year 2004, the audit of internal controls over financial reporting for fiscal year 2004, reviews of the financial statements included in the Company's Quarterly Reports on Forms 10-Q for fiscal year 2004, review of financial statements included in the Company's Registration Statement on Form S-4 and amendments thereto filed in fiscal year 2004, and regulatory and statutory engagements related to the aforementioned statements.

Audit-Related Fees. Audit-related fees include fees for assurance and related services that are related to the performance of the audit of the financial statements, but are not reported under audit fees. These services include audits of the Company's retirement plans and common area maintenance audits for office buildings owned by the Company.

Tax Fees. Tax fees include only fees the Company incurred for professional services rendered for preparation of the Company's tax return, tax filings, and tax consulting.

All Other Fees. All other fees include the aggregate fees billed for services rendered by KPMG LLP other than those services covered above. All other fees consist principally of fees for services relating to the compilation of the Company's existing loan policies into a loan manual.

	Year Ended December 31, 2004		Year Ended December 31, 2003	
	Amount	Percent Approved by Audit Committee	Amount	Percent Approved by Audit Committee
Audit Fees(1)	\$ 1,623,500	100%	\$ 405,600	100%
Audit-Related Fees	68,500	100%	63,600	100%
Tax Fees	53,000	100%	67,200	55%
All Other Fees	8,120	100%	21,450	100%

(1) The increase in audit fees for fiscal year 2004 is attributable primarily to costs related to the audit of internal control over financial reporting and the CB Bancshares merger.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

The Audit Committee of the Board established a policy in 2003 to pre-approve all services provided by KPMG LLP. Each service to be provided by KPMG LLP is presented for pre-approval at the Audit Committee's regular meeting or presented to the Chair of the Audit Committee for pre-approval under delegated authority and presented to the Audit Committee at their next regular meeting. All engagements with KPMG LLP that commenced during 2003 and since then have been pre-approved in accordance with the pre-approval policy. Tax fees for the year ended December 31, 2003 that were not pre-approved by the Audit Committee related to an engagement that commenced prior to the Audit Committee's establishment of the pre-approval process.

The Audit Committee considered whether the provision of audit-related services, tax services, and all other services is compatible with maintaining the independence of KPMG LLP.

The Board has submitted its appointment of KPMG LLP for ratification by the Company's shareholders. The affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock represented and entitled to vote at the Meeting will be required for passage of this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THIS PROPOSAL. UNLESS A CONTRARY CHOICE IS SPECIFIED, PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THIS PROPOSAL.

PROPOSAL 3:

AMENDMENT OF RESTATED ARTICLES OF INCORPORATION OF CENTRAL PACIFIC FINANCIAL CORP.

The Board of Directors recommends the approval of an amendment to the Restated Articles of Incorporation of Central Pacific Financial Corp. to add a new Article IX regarding director limitation of liability as provided for under Hawaii law. The amendment will limit the liability of directors of the Company to the fullest extent permitted by Hawaii law. The Company believes that the new provisions relating to limitation on liability, which are similar to those commonly found in the charters of companies in Hawaii and nationwide, will enhance the Company's ability to continue to attract qualified individuals to serve as directors.

The specific language of the proposed amendment is as follows:

ARTICLE IX

1. To the fullest extent permitted by the Hawaii Business Corporation Act, including, without limitation, Hawaii Revised Statutes, Section 414-222, as the Hawaii Business Corporation Act now exists or hereafter may be amended (but, in the case of any such amendment, if permitted by law, only to the extent that such amendment permits the Corporation to provide a broader limitation on monetary liability than permitted before that amendment), no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages for any action taken, or any failure to take any action, as a director.
2. Any repeal or modification of the foregoing paragraph shall not adversely affect any right or protection of a director of the Corporation existing at the time of that repeal or modification.

This provision is permitted under Hawaii law, specifically Section 414-222 of the Hawaii Revised Statutes (Hawaii Business Corporation Act), which states verbatim and in its entirety:

§414-222 Limitation of liability of directors; shareholder approval required.

(a) A corporation may eliminate or limit the personal liability of its directors in any action brought by the shareholders or the corporation for monetary damages against any director of the corporation for any action taken, or any failure to take any action, as a director; provided that:

(1) The elimination or limitation shall be authorized, directed, or provided for in: (A) The articles of incorporation of the corporation; or (B) Any duly adopted amendment of the articles of incorporation; and

(2) If the provision eliminating or limiting the personal liability of a corporation's directors is authorized, directed, or provided for by amendments to the articles of incorporation, it shall be adopted upon the affirmative vote of the holders of two-thirds of the shares represented at the shareholders' meeting and entitled to vote; provided that the vote also constitutes a majority of the shares entitled to vote.

(b) A corporation shall not eliminate or limit the personal liability of a director for:

(1) The amount of a financial benefit received by a director to which the director is not entitled;

(2) An intentional infliction of harm on the corporation or the shareholders;

(3) A violation of section 414-223 ["Liability for unlawful distributions."]; or

(4) An intentional violation of criminal law.

(c) The shareholders of the corporation shall receive written notice of any proposal by the corporation to eliminate or limit the personal liability of the directors under subsection (a)(2), and the

corporation shall in such cases submit the duly adopted amendment to the articles of incorporation to the department director [Director of Commerce and Consumer Affairs].

(d) Nothing in this section shall impair or affect the validity of any provisions of the bylaws of a corporation eliminating or limiting the personal liability of the directors, which were authorized, directed, or provided for and approved by the shareholders of the corporation in compliance with then existing law prior to July 1, 1996.

Subsection (a)(2) of §414-222 requires that the proposed amendment must be adopted by the affirmative vote of the holders of two-thirds of the shares represented at the shareholders' meeting and entitled to vote, provided that the vote also constitutes a majority of the shares entitled to vote.

If the proposed amendment is adopted, a director would still remain personally liable for certain acts described under subsection (b) of §414-222.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE AMENDMENT TO THE RESTATED ARTICLES OF INCORPORATION OF CENTRAL PACIFIC FINANCIAL CORP. UNLESS A CONTRARY CHOICE IS SPECIFIED, PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THIS PROPOSAL.

PROPOSALS OF SHAREHOLDERS

The Company's Restated Bylaws contain procedures that shareholders must follow to present business at a meeting of shareholders if such business is not specified in the proxy statement. A shareholder may obtain a copy of these procedures from the Company's Secretary. In addition to other applicable requirements, for business to be properly brought before the 2006 annual meeting of shareholders, a shareholder must give notice to the matter to be presented at the meeting in a proper written form to the Company's Secretary. The Secretary must receive this written notice at the principal offices of the Company not less than 90 calendar days nor more than 120 calendar days prior to the anniversary date of the preceding year's annual meeting. Shareholder proposals not made in accordance with these requirements may be disregarded by the chairperson of the meeting.

OTHER BUSINESS

The Board knows of no other business that will be presented for consideration at the Meeting other than as stated in the Notice of Meeting. If, however, other matters are properly brought before the Meeting, it is the intention of the persons named in the accompanying form of Proxy to vote the shares represented thereby on such matters in accordance with the recommendation of the Board.

To the extent that this Proxy Statement is incorporated by reference into any other filing by the company under the U.S. Securities Act of 1933 or the U.S. Securities Exchange Act of 1934, the sections of this Proxy Statement entitled "Report of the Compensation Committee on Executive Compensation," "Report of the Audit Committee" (to the extent permitted by the rules of the SEC) and "Stock Price Performance," will not be deemed incorporated, unless specifically provided otherwise in such filing.

8. Pre-approve all auditing services and permitted non-audit services to be performed for the Company or any of its subsidiaries by the independent auditors, except as provided in this paragraph. The Committee may delegate to one or more of its members the authority to grant pre-approvals of such permitted non-audit services, provided that any such pre-approvals granted pursuant to this delegated authority shall be reported to the Committee at its next regular meeting. 2. In addition to Committee minutes, maintain any other records of the Committee's activities.
3. Review and assess the quality and clarity of the information provided to the Committee and make recommendations to management as the Committee may deem appropriate for improving such materials.
4. Annually review the performance of the Committee.
5. Perform the duties required to be performed by the audit committee for any subsidiary of the Company that does not have its own audit committee, in each case to the extent permitted, and in the manner required, by applicable laws and regulations.
6. Perform any other activities in fulfillment of and consistent with the responsibilities of the Committee under this Charter, and as the Board may deem necessary or appropriate.

VII. HIRING OF EMPLOYEES OR FORMER EMPLOYEES OF INDEPENDENT AUDITOR.

The Company shall not employ in any position involved in financial reporting matters (to include, but not be limited to, the Company's chief executive officer, chief financial officer, and controller), any person who, within the one-year period preceding the commencement of the audit of the Company's current year's financial statements, was employed by the Company's independent auditor and performed more than ten hours of work on the independent audit or any other audit, review or attestation engagement for the Company. The Company may employ such person at any time in a position that does not involve financial reporting matters.

VIII. AMENDMENT.

This Charter may only be amended by a majority of the Board. The Committee, may, however, in its best judgment and discretion, deviate from or alter, modify or change any of its responsibilities in this Charter if doing so would better serve the primary purpose and objectives of this Charter, provided such deviation is of a temporary nature, and provided further that the Chair informs the Board of such deviation and obtains Board approval of same.

IX. LIMITATIONS.

A.

It should be noted that the Committee's job is one of oversight as set forth in this Charter. It is not the duty of the Committee to prepare the Company's financial statements, to conduct audits, or to determine that the Company's financial statements are complete and accurate and are in accordance with GAAP. The Company's management is responsible for preparing the Company's financial statements and for maintaining internal control, and the independent auditors are responsible for auditing the financial statements. Nor is it the duty of the Committee to assure the Company's compliance with all applicable laws.

B.

In performing their responsibilities, Committee members are entitled to rely in good faith on information, opinions, reports or statements prepared or presented by the following persons and groups.

1.

One or more officers or employees of the Company whom the Committee members reasonably believe to be reliable and competent in the matters presented.

2.

Accountants, auditors, counsel or other persons as to matters which the Committee members reasonably believe to be within the professional or expert competence of such person.

3.

Another committee of the Board as to matters within its designated authority which committee the Committee members reasonably believe to merit confidence.

**CENTRAL PACIFIC FINANCIAL CORP.
STANDARDS REGARDING DIRECTOR INDEPENDENCE**

A. In order to qualify as independent, a Director ("Director") of Central Pacific Financial Corp. ("CPF") or Central Pacific Bank ("CPB") must meet all of the following criteria:

I. The Board of Directors of CPF and CPB must affirmatively determine that the Director has no material relationship with CPF, either directly or as a partner, shareholder or officer of an organization that has a relationship with CPF.

Note: Under the NYSE Corporate Governance Standards, in order for any Director to qualify as "independent" the Board must affirmatively determine that the Director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company or any subsidiary of the Company). In making its independence determination, the Board should broadly consider all relevant facts and circumstances. In particular, when assessing the materiality of a Director's relationship with the Company, the Board should consider the issue not merely from the standpoint of the Director, but also from that of persons or organizations with which the Director has an affiliation. Material relationships can include commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, among others. Ownership of a significant amount of stock in the Company is not, by itself, however, a bar to an independence finding. The identity of the independent Directors and the basis for the Board's determination that a relationship is not material must be disclosed in the Company's annual proxy statement.

None of the following relationships shall be considered to be a material relationship that would cause a director not to be independent (provided such relationships do not otherwise conflict with any independence standards set by the New York Stock Exchange, the Securities and Exchange Commission, or by any other applicable law, rule or regulation):

- a. Service by a Director as an executive officer, employee or equity owner of a company that has made payments to or received payments from CPF or CPB or any subsidiary or affiliate of CPF or CPB, so long as the payments made or received during such other company's last three fiscal years are not in excess of the greater of \$1 million or 2% of such other company's consolidated gross revenues for such other company's fiscal year in which the payments were made.
- b. Service by a Director solely in the position of director, trustee, advisor or similar position, of a business or entity that engages in a transaction with CPF or CPB or any subsidiary or affiliate of CPF or CPB, provided a majority of the directors of that business or entity do not comprise a majority of the directors of CPF or CPB or any subsidiary or affiliate of CPF or CPB.
- c. Extensions of credit by CPB to a Director, or a company of which a Director is an executive officer, employee or equity owner, or maintenance at CPB by a Director, or a company of which a Director is an executive officer, employee or equity owner, of deposit, checking, trust, investment, or other accounts with CPB, in each case on terms that are substantially similar to those available to similarly situated customers of CPB.
- d. Referrals by a Director of clients, business or personal acquaintances or family members to CPF or CPB or any other subsidiary or affiliate of CPF or CPB.
- e. Service by a Director solely in the position of director, trustee, advisor or similar position of a tax-exempt organization to which CPF or CPB or any subsidiary or affiliate of CPF or CPB makes contributions.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

f. Any other transaction or relationship between a Director and CPF or CPB or any subsidiary or affiliate of CPF or CPB in which the amount involved does not exceed \$10,000.

2. The Director is not employed by CPF nor was employed by CPF within the last 3 years.

3. None of the Director's immediate family members is an executive officer of CPF nor was an executive officer of CPF within the last 3 years.

4. Within the last 3 years, the Director has not received more than \$100,000 during any twelve-month period in direct compensation from CPF, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

5. Within the last 3 years, none of the Director's immediate family members has received more than \$100,000 during any twelve-month period in direct compensation from CPF, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service).

Note: Compensation received by an immediate family member for service as a non-executive employee of CPF need not be considered in determining independence.

6. The Director is not a current partner of a firm that is CPF's internal or external auditor.

7. None of the Director's immediate family members are a current partner of a firm that is CPF's internal or external auditor.

8. The Director is not a current employee of a firm that is CPF's internal or external auditor.

9. The Director does not have an immediate family member who is an employee of a firm that is CPF's internal or external auditor, and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice.

10. Within the last 3 years, the Director was not a partner or employee of a firm that is or was CPF's internal or external auditor, who personally worked on CPF's audit within that time.

11. Within the last 3 years, no immediate family member of the Director was a partner or employee of a firm that is CPF's internal or external auditor, who personally worked on CPF's audit within that time.

12. The Director does not serve, and within the last 3 years has not served, as an executive officer of another company (excluding CPF companies) in which any present CPF executive officer serves on that other company's compensation committee.

13. None of the Director's immediate family members is, nor within the last 3 years has been, employed as an executive officer of another company (excluding CPF companies) in which any present CPF executive officer serves on that other company's compensation committee.

14. The Director is not a current employee of a company that has made payments to, or received payments from, CPF for property or services in an amount which, in any of the last 3 fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Edgar Filing: CENTRAL PACIFIC FINANCIAL CORP - Form PRE 14A

Note: Both the payments and the consolidated gross revenues to be measured shall be those reported in the last completed fiscal year of such other company. The look-back provision for this test applies solely to the financial relationship between CPF and the director or immediately family member's current employer; a listed company need not consider former employment of the director or immediate family member.

Note: Contributions to tax exempt organizations shall not be considered "payments", provided however, that CPF must disclose in its annual proxy statement, any such contributions made by CPF to any tax exempt organization in which any independent director serves as an executive officer if,

B-2

within the preceding 3 years, contributions in any single fiscal year from CPF to the organization exceeded the greater of \$1 million or 2% of such tax exempt organization's consolidated gross revenues.

15.

None of the Director's immediate family members is a current executive officer of a company that has made payments to, or received payments from, CPF for property or services in an amount which, in any of the last 3 fiscal years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.

Note: Same "Notes" in number 14 above apply to this number 15.

B.

In order to qualify as independent for purposes of the audit committee, a Director must meet all of the following additional independence criteria:

1.

Other than in his or her capacity as a member of the Board or any Board committee, a Director must not accept or have accepted, directly or indirectly, any consulting, advisory, or other compensatory fee from CPF.

Note: Compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with CPF (provided that such compensation is not contingent in any way on continued service).

Note: The term indirect acceptance by a member of an audit committee of any consulting, advisory or other compensatory fee includes acceptance of such a fee by a spouse, a minor child or stepchild or a child or stepchild sharing a home with the member or by an entity in which such member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to CPF or any of its subsidiaries.

2.

A Director must not be affiliated with CPF or any subsidiary of CPF.

Note: An audit committee member that sits on the board of directors of a listed issuer and an affiliate of the listed issuer is exempt from this requirement if the member, except for being a director on each such board of directors, otherwise meets the independence requirements for each such entity, including the receipt of only ordinary-course compensation for serving as a member of the board of directors, audit committee or any other board committee of each such entity.

When used above the following terms shall have the following meanings:

"affiliate of" or "affiliated with", a specified person, means a person that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, the person specified. A person is not deemed to be in control of a specified person if the person is not the beneficial owner, directly or indirectly, of more than 10% of any class of voting equity securities of the specified person, and is not an executive officer of the specified person. The following are deemed affiliates: an executive officer of an affiliate; a director who is also an employee of an affiliate; a general partner of an affiliate, and a managing member of an affiliate. [See Securities Exchange Act of 1934, Rule 10-A-3] The term "affiliate" also includes a subsidiary, sibling company, predecessor, parent company, or former parent company. [See NYSE Corporate Governance Standards]

"Company" and "CPF" means and includes Central Pacific Financial Corp. and its affiliates and subsidiaries.

"executive officer" means and includes as to Central Pacific Financial Corp., its chief executive officer, president, any vice president in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy making function or any other person

who performs similar policy making functions for Central Pacific Financial Corp. Executive officers of affiliates and subsidiaries of Central Pacific Financial Corp. may be deemed executive officers of Central Pacific Financial Corp. if they perform such policy making functions for Central Pacific Financial Corp. [See Securities Exchange Act of 1934, Rule 3b-7]

"immediate family member(s)" means and includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who share such person's home (when applying the look-back provisions, one need not consider individuals who are no longer immediate family members as a result of legal separation or divorce, or those who have died or become incapacitated).
