PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
May 18, 2005**

VOTING

Record Date and Mailing Date

Stockholders of record as of the close of business on March 25, 2005 may vote at the meeting. This proxy statement and form of proxy will be mailed to stockholders on approximately April 8, 2005.

Methods of Voting

Stockholders of record (you own shares in your own name) may vote by mail, by telephone, on the Internet or in person, as described below. Street name stockholders (you own shares held in the name of a bank, broker or other holder), please refer to the proxy card or information you receive from your bank, broker or other holder of your stock for voting instructions.

Voting by Mail. Complete, sign, date and return the enclosed proxy card in the postage-paid envelope provided. If you fail to sign your proxy card, your vote cannot be counted. If you sign your proxy card but do not indicate how you want to vote, then your proxy will be voted as recommended by the Board of Directors.

Voting by Telephone. You may vote by telephone by using the toll-free number listed on the proxy card and following the instructions on the proxy card.

Voting on the Internet. You may vote on the Internet. The web site for Internet voting is www.continentalstock.com. Follow the instructions on the proxy card.

Voting in Person. Even if you plan to attend the meeting, the Board recommends that you vote using one of the other voting methods. You are permitted, however, to vote in person at the meeting. If your shares are held in street name, you must obtain a proxy, executed in your favor, from your bank, broker or other holder to be able to vote in person at the meeting.

Revoking your Proxy

You may revoke your proxy at any time before the vote is taken by (i) delivering to the Assistant Corporate Secretary of Cimarex a proxy with a later date, (ii) voting again by Internet or telephone, (iii) delivering to the Assistant Corporate Secretary a written revocation prior to the meeting or (iv) voting in person at the meeting.

Shares Entitled to Vote

Each share of common stock that you held on March 25, 2005, entitles you to one vote at the meeting. As of March 25, 2005, there were 44,774,841 shares of Cimarex Energy Co. common stock outstanding, which are entitled to vote at the meeting.

Vote Required

Election of Directors. Directors will be elected by a plurality of the votes. A "plurality" means that the three director nominees receiving the most "FOR" votes will be elected as Class III directors. Neither abstentions nor broker non-votes will have an effect on the votes for or against the election of a director.

Ratify KPMG LLP as Cimarex's Independent Auditors for 2005. The affirmative vote of a majority of the shares present and entitled to vote, in person or by proxy, at the Annual Meeting is required to ratify the Audit Committee's appointment of KPMG LLP as Cimarex's independent auditors for 2005.

Proxies will be solicited by mail and may be solicited by certain officers and regular employees of Cimarex by mail, telephone or in person. We will pay for all solicitation costs, including reimbursements to brokerage firms and others for their expenses in forwarding proxy materials.

Quorum

In order to conduct business at the meeting, we must have a majority quorum. This means that greater than 50% of the outstanding shares of common stock as of the close of business on March 25, 2005 must be represented in person or by proxy at the meeting. Abstentions and broker non-votes are counted as present for establishing a quorum. Broker non-votes occur when a broker returns a proxy but does not have authority to vote on a particular proposal. If a quorum is not present at the meeting, a vote for adjournment will be taken among the stockholders present or represented by proxy. If a majority of the stockholders present or represented by proxy vote for adjournment, it is our intention to adjourn the meeting until a later date and to vote proxies at such adjourned meeting.

Tabulation of Votes

Continental Stock Transfer & Trust Company, New York, New York, our stock transfer agent, will receive proxies and ballots, tabulate the vote, determine whether a quorum exists and serve as inspector of election at the meeting.

Cimarex 401(k) Participants

Participants in the Cimarex Energy Co. 401(k) Plan who have shares of Cimarex stock credited to their Plan account as of March 25, 2005 will receive a proxy card. Participants have the right to instruct the Trustee of the Plan (Vanguard) how to vote the shares. The proxy card serves as a voting instruction card, and the Trustee will vote the shares in accordance with the instructions on the card. If you do not sign and return the proxy card to indicate your instructions, the Trustee will vote your 401(k) Plan shares in the same proportion as shares were voted by other Plan participants.

Householding

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of the proxy statement may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of this document to you if you call or write us at the following address or phone number: 1700 Lincoln Street, Suite 1800, Denver, Colorado 80203-4518, phone 303-295-3995, Attention: Mary Kay Rohrer. If you prefer to receive separate copies of our proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee holder, or you may contact us at the above address and phone number.

ELECTION OF DIRECTORS

Our Board of Directors consists of nine members and is divided into three classes: Class I, Class II and Class III directors. At each annual meeting, a class of directors is elected for a term expiring at the annual meeting in the third year following the year of election. Each director holds office until his successor is elected and qualifies.

The terms of the three current Class III directors, Glenn A. Cox, David A. Hentschel and L. Paul Teague, will expire at the 2005 annual meeting. Messrs. Cox, Hentschel and Teague have each been nominated to stand for reelection at the meeting to hold office until our 2008 annual meeting.

Unless instructed otherwise, the proxies will be voted "FOR" the election of each of the Class III nominees named above to serve for three years or until his successor is elected and qualifies. If, prior to the annual meeting, one or more of the nominees becomes unavailable to serve as a director, any shares represented by a proxy directing a vote will be voted for the remaining nominees and for any substitute nominee or nominees designated by our Board of Directors or its Governance Committee. As of the mailing of these proxy materials, the Board of Directors knows of no reason why any director nominee would not be available to serve as a director.

We encourage our directors to attend annual meetings. All but one of our directors attended last year's annual meeting held on May 19, 2004.

Independence of Directors

The Board of Directors has determined that Messrs. Cox, Dietler, Hentschel, Holleman, Rooney, Sullivan and Teague are independent within the meaning of the rules of the Securities and Exchange Commission, the listing standards of the New York Stock Exchange and the Corporate Governance Guidelines of Cimarex. Messrs. Merelli and Helmerich are not independent because Mr. Merelli is an

executive officer of Cimarex, and Mr. Helmerich was an executive officer of Cimarex. There are no family relationships among any directors or executive officers of Cimarex.

Board of Directors' Meetings and Committees

During 2004, the Board of Directors held four meetings. Each incumbent director attended at least 75% of all meetings of the Board of Directors, except Mr. Rooney who attended 50% of the meetings.

The Board of Directors has an Audit Committee and a Governance Committee. All members of each Committee are independent within the meaning of the rules of the Securities and Exchange Commission, the listing standards of the New York Stock Exchange and the Corporate Governance Guidelines of Cimarex. The members of these committees are:

<u>Audit Committee</u>	<u>Governance Committee</u>
Cortlandt S. Dietler, Chairman	L. Paul Teague, Chairman
Glenn A. Cox	David A. Hentschel
Paul D. Holleman	L. F. Rooney, III
Michael J. Sullivan	

Audit Committee. The primary purposes of our Audit Committee are to assist the Board in monitoring (i) the integrity of our financial statements, appropriateness of our accounting policies and adequacy of our internal controls, (ii) qualifications and independence of our independent auditors, (iii) performance of our internal audit function, and (iv) compliance with legal and regulatory requirements.

The Audit Committee operates in accordance with a Charter which has been approved by the Board of Directors. A copy of the charter was appended to the proxy statement for our annual meeting held in 2003, and is available on our website at www.cimarex.com.

During 2004, the Audit Committee held eight meetings. Each member of the Committee attended at least 75% of all meetings. The members of the Audit Committee meet in executive session at the end of each non-telephonic meeting. The Audit Committee and our Board have established a procedure whereby complaints or concerns with respect to accounting, internal controls and auditing matters may be submitted to the Committee, which is described under "Complaint and Reporting Procedures" in this proxy statement. Our Board has determined that each member of the Audit Committee is financially literate, and that each of Messrs. Cox and Dietler has accounting or related financial management expertise, as such qualifications are defined under the rules of the New York Stock Exchange, and is an "audit committee financial expert" within the meaning of the rules of the Securities and Exchange Commission. Mr. Cox is a former chief financial officer of Phillips Petroleum Company, and Mr. Dietler, in his positions as Chairman of the Board and Chief Executive Officer of TransMontaigne, has supervised principal financial officers or persons performing similar functions. The report of the Audit Committee is included in this proxy statement.

Governance Committee. The Governance Committee operates under the Governance Committee Charter which has been approved by the Board of Directors. A copy of the charter is available on our website at www.cimarex.com. The Governance Committee has two principal functions: (i) nominating and governance and (ii) compensation.

The primary purposes of the nominating and governance function are to (a) recommend individuals to the Board Directors for nomination, election or appointment as members of the Board of Directors and its committees, consistent with the criteria included in our Corporate Governance Guidelines, (b) oversee the evaluation of the performance of the Board of Directors and its committees and our chief executive officer, and (c) take a leadership role in shaping the corporate governance of Cimarex. In identifying and recommending nominees for positions on the Board of Directors, the

Committee places emphasis on the criteria set forth in our Corporate Governance Guidelines, namely: (a) high personal and professional ethics, (b) integrity and values, (c) commitment to the long-term interest of the stockholders and (d) a mix of characteristics and diverse experiences, perspectives and skills appropriate to our business. The Committee does not set specific, minimum qualifications that nominees must meet, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the business and needs of Cimarex and the composition of the Board of Directors. The Governance Committee will consider nominees recommended by stockholders. The Governance Committee did not receive nominations from a stockholder prior to February 21, 2005, the deadline for stockholder nominations. Stockholders who wish to submit a nominee for consideration by the Governance Committee for election at our 2006 annual meeting of stockholders may do so during the period February 10, 2006 to February 20, 2006, by submitting in writing such nominee's name, in compliance with the procedures and along with the other information required by our By-laws, to our Assistant Corporate Secretary, Cimarex Energy Co., 1700 Lincoln Street, Suite 1800, Denver, Colorado 80203.

The primary purposes of the compensation function are to determine and approve the compensation of our chief executive officer, to make recommendations to the Board with respect to other executive officer compensation and incentive compensation plans and to prepare a report on executive compensation. The Governance Committee Report on Executive Compensation is included in this proxy statement.

During 2004, the Governance Committee held four meetings. Each member of the Committee attended at least 75% of all meetings, except Mr. Rooney who attended 50% of the meetings.

Compensation Committee Interlocks

There are no Governance Committee interlocks with any other entity.

Non-Management Directors' Meetings

In addition to the meetings of the committees of the Board of Directors described above, our non-management directors meet in executive session following each Board meeting. Only independent directors attend the executive session held the date of the annual meeting. At the December 7, 2004 meeting, the non-management directors chose Mr. Dietler to act as the presiding director, to serve until the December 2005 Board meeting, at which time a new presiding director will be chosen.

Compensation of Directors

For fiscal 2004, non-management director compensation consisted of the following annual retainer and committee and meeting fees:

Annual Retainer	\$	20,000
Committee Chair	\$	5,000
Attendance at Board Meeting	\$	1,500
Attendance at Committee Meeting	\$	1,000

On May 19, 2004, 1,829 shares of restricted stock were issued to each non-management director. The restricted stock vests at the rate of one-third per year on May 19, 2005, 2006 and 2007. The number of shares issued was determined by dividing \$50,000 by the average of the highest and lowest sales prices of Cimarex common stock as reported by the New York Stock Exchange on May 19, 2004. Three of the directors elected to exchange their restricted stock for a like number of deferred compensation units payable on the date specified in the director's election form.

Edgar Filing: CIMAREX ENERGY CO - Form DEF 14A

On March 10, 2005, upon the recommendation of the Governance Committee, the Board voted to provide increased compensation to the non-management directors effective May 18, 2005. The additional compensation consists of an annual retainer of \$40,000, an additional annual retainer of \$10,000 to each non-management director who serves as a chairman of a committee, and a number of shares of restricted stock determined by dividing \$70,000 by the average of the highest and lowest sales prices of Cimarex common stock as reported by the New York Stock Exchange on May 18, 2005. The recommendation was based upon a review of the levels of compensation paid to directors of other companies of similar size and complexity.

We reimburse Board members for their actual expenses related to attending Board meetings. Directors who are also employees of Cimarex receive no compensation for serving as a director.

EXECUTIVE COMPENSATION

Information regarding the compensation of the persons who serve as the chief executive officer and the five most highly compensated executive officers of Cimarex is set forth below. Employment Agreement and Change in Control Arrangements with Named Executive Officers

F. H. Merelli. Mr. Merelli serves under an employment agreement that provides for annual compensation reviews by the Governance Committee. Mr. Merelli's salary may be increased as a result of the review but may not be decreased. Mr. Merelli is also entitled to receive an annual incentive bonus under any plan or program implemented for executives. The agreement has an indefinite term.

Cimarex may terminate Mr. Merelli's employment at any time for cause or after 30 days' notice if not for cause. Mr. Merelli may terminate his employment at any time for any reason. If Mr. Merelli's employment is terminated without cause or because of death or disability, or he resigns for good reason, he will receive his base salary for two years and the maximum incentive compensation payable pursuant to any Cimarex plan or program. Mr. Merelli also participates in the Change in Control Plan described below, which provides for continuation of his salary and benefits upon a Change of Control, as that term is defined in the Plan. Any payment made to Mr. Merelli under his employment agreement will be deducted from the benefits under the Change in Control Plan.

While he is with Cimarex and for three years after he leaves Cimarex, Mr. Merelli must keep confidential any information about Cimarex or its business that is not generally available to the public. Cimarex has indemnified Mr. Merelli to the maximum extent permissible under applicable law.

Messrs. Jorden, Korus, Albi and Bell. Each of Messrs. Jorden, Korus, Albi and Bell serve under employment agreements that have expired. However, each agreement provided that, if the executive continues as an employee after the term of the agreement (as each executive has done) and is terminated without cause following a change in control, the executive will be entitled to a lump-sum payment equal to two times the executive's base salary at the time of the change in control. Cimarex assumed this obligation following the Key reorganization. Accordingly, if Cimarex terminates the executive's employment without cause after September 30, 2002, Cimarex is obligated to make a lump-sum payment to the executive equal to two times his base salary at September 30, 2002.

Change in Control Severance Plan. On March 10, 2005, the Board of Directors adopted a Change-in-Control Severance Plan covering each employee who is actively employed by Cimarex on the date of a Change in Control, as such term is defined in the Plan. If a participant's employment is terminated by Cimarex for any reason other than Cause, death or Disability (as defined in the Plan) or by the participant for Good Reason (as defined in the Plan, including a reduction in base salary, a

material reduction in annual incentive compensation opportunity, relocation greater than 50 miles from previous office location, the failure to provide comparable benefits), the participant shall be entitled to:

1. An amount equal to (a) in the case of a participant with three or more years of service, two times the participant's annual two-year average cash compensation (salary and bonus) or (b) in the case of a participant who has less than three years of service, 1/24th of such participant's annual average cash compensation (salary and bonus) for each month of service earned by the participant at the date of termination, not to exceed 1.5 times the participant's annual average cash compensation (salary and bonus).
2. A pro rata portion of the annual cash incentive bonus that would otherwise be payable in the year of termination; and
3. Medical, dental, disability and life insurance benefits for the participant and his or her family during the period of time in which cash payments are payable, as if the participant's employment had not been terminated.

If a participant is entitled to separation benefits under the Plan and is also entitled to benefits under any other severance pay plan or policy of Cimarex, or any other agreement, including an employment agreement, benefits from this Plan will be offset by the amount of the benefits received under or payable in accordance with such other agreement or plan.

Governance Committee Report on Executive Compensation

The Governance Committee performs nominating, corporate governance and compensation functions. The Committee administers Cimarex's executive compensation program and establishes the salaries of our executive officers. The Committee consists of only non-management directors who are appointed by the Board of Directors.

The Committee's objective is to provide Cimarex executive officers with a comprehensive compensation package that is designed to encourage recipients to identify and take actions that will achieve short-and long-term objectives. The compensation policies and programs utilized by the Governance Committee have been reviewed by independent compensation consultants and endorsed by the Board of Directors and generally consist of the following:

Provide executive officer total compensation in relation to the performance of Cimarex;

Provide a compensation program competitive with that received by executives of comparable companies in the oil and gas industry in order to attract, motivate and retain qualified personnel;

Provide a management tool for focusing and directing the energies of key executives toward achieving individual and corporate objectives; and

Provide long-term incentive compensation in the form of stock options, restricted stock and stock unit awards to link individual success to that of Cimarex.

Cimarex's executive compensation consists of three key components: base salary, annual incentive compensation in the form of cash bonuses, and long-term incentive compensation in the form of equity based compensation, each of which is intended to complement the others and, collectively, satisfy Cimarex's compensation objectives. The Governance Committee's policies with respect to each of the three components are discussed below.

Base Salary. Each fiscal year the Governance Committee reviews and approves the annual salary of the Chief Executive Officer; and the Committee, along with the Chief Executive Officer, reviews and recommends for Board approval the annual salaries for our executive officers. Many factors are included in determining base salaries, such as the responsibilities borne by the executive officer, a comparison of the compensation of the executive with the compensation of other executives in comparable industries with similar responsibilities, the scope of the position and corporate and individual performance.

Cash Bonuses. The Governance Committee provides annual incentives to Cimarex executive officers in the form of cash bonuses. Criteria that determine bonuses include company performance compared to external benchmarks, operational and financial performance and internally set objectives.

Equity-Based Compensation. The primary objective of the equity-based program is to link the interests of executive officers and other selected employees with the stockholders. The Cimarex Energy Co. 2002 Stock Incentive Plan authorizes the Committee to grant incentive and non-qualified stock options, restricted stock and stock units to officers and other employees meeting certain criteria. Subject to general limits prescribed by the Stock Incentive Plan, the Governance Committee has the authority to determine the individuals to whom equity compensation is awarded, the terms of the awards and the number of shares of common stock subject to the awards. The size of any particular award is based upon the employee's position with Cimarex and individual performance.

Chief Executive Officer's Compensation. As discussed under "Employment Agreements," Cimarex is a party to an employment agreement with Mr. Merelli. The salary determined by the Governance Committee for Mr. Merelli was based upon the compensation paid to chief executive officers of

comparable companies and the Governance Committee's recognition of Mr. Merelli's continued leadership of Cimarex.

INDEPENDENT AUDITORS AND REPORT OF AUDIT COMMITTEE

Independent Auditors

The Audit Committee of the Board of Directors has appointed KPMG LLP to audit our financial statements for 2005. KPMG has been our independent auditors since October 1, 2002.

We are asking that stockholders ratify the appointment of KPMG as independent auditors. If stockholders fail to ratify the appointment of KPMG, the Audit Committee may reconsider this appointment. A KPMG representative will be at the annual meeting to answer appropriate questions and to make a statement if he or she desires.

The following table sets forth the aggregate fees and costs paid to KPMG during the last two fiscal years for professional services rendered to Cimarex:

	Years Ended December 31,	
	2004	2003
Audit Fees	\$ 655,401	\$ 165,476
Audit-Related Fees	\$ 0	\$ 0
Tax Fees	\$ 77,713*	\$ 134,656
All Other Fees, including Financial Information Systems Design and Implementation Fees	\$ 0	\$ 0

* Includes review of Federal and state tax returns, Federal and state tax compliance issues and consultation related to treatment of state franchise tax issues.

The Audit Committee annually reviews and pre-approves certain categories of audit, audit-related and tax services to be performed by our independent auditor, subject to a specified range of fees. The Audit Committee may also pre-approve specific services. Certain non-audit services as specified by the Securities and Exchange Commission may not be performed by our independent auditor. The Audit Committee may delegate pre-approval authority to one or more of its members. In the event of any such delegation, any pre-approved decisions will be reported to the Audit Committee at its next scheduled meeting. The services described above and the related fees were pre-approved by the Audit Committee in 2003 and 2004.

Report of Audit Committee

The Audit Committee oversees Cimarex's financial reporting process on behalf of the Board of Directors, including Cimarex's internal controls, the quality of its financial reporting and the independence and performance of Cimarex's independent auditors. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was attached to the Proxy Statement for the 2003 annual meeting of stockholders and is available on our website at www.cimarex.com.

Management has the primary responsibility for the financial statements and the overall reporting process of Cimarex, including Cimarex's system of internal controls. The independent auditors audit the

annual financial statements prepared by management, express an opinion as to whether those financial statements fairly present the consolidated financial position, results of operations and cash flows of Cimarex and its subsidiaries in conformity with generally accepted accounting principles.

The independent auditors also audit the effectiveness of the Company's internal control over financial reporting, based on the criteria established in Internal Control-Integrated Framework issued by the Committee of the Sponsoring Organizations of the Treadway Commission, and express an opinion on management's assessment of, and the effective operation of, internal control over financial reporting.

The Audit Committee reviewed Cimarex's audited financial statements as of and for the year ended December 31, 2004 and met with both management and KPMG, Cimarex's independent auditors, to discuss those financial statements and the effectiveness of the Company's internal control over financial reporting. Management has represented to us that the financial statements were prepared in accordance with generally accepted accounting principles, and that the Company's internal controls over financial reporting are effective in both design and operation. KPMG has informed us that their opinions regarding both Cimarex's financial statements and the effectiveness of the Company's internal control over financial reporting are unqualified.

We have received from KPMG the communication required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and discussed with KPMG their independence from Cimarex and its management. The Audit Committee also discussed with KPMG any matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that Cimarex's audited financial statements be included in Cimarex's Annual Report on Form 10-K for the fiscal year ended December 31, 2004.
