PROXY STATEMENT

The Board of Directors of Cogent Communications Group, Inc. (the "Company"), a Delaware corporation, is soliciting your proxy on the proxy card enclosed with this Proxy Statement. Your proxy will be voted at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on April 17, 2008, at 9:00 a.m., local time, at the Company's offices at 1015 31st Street, NW, Washington, D.C. 20007, and any adjournment or postponement thereof. This Proxy Statement, the accompanying proxy card and the Company's Annual Report to Stockholders are first being mailed to stockholders on or about March 11, 2008.

VOTING SECURITIES

Voting Rights and Outstanding Shares

Only stockholders of record on the books of the Company as of 5:00 p.m., March 4, 2008 (the "Record Date"), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, the outstanding voting securities of the Company consisted of 46,728,059 shares of common stock, par value \$0.001 per share.

Holders of our common stock are entitled to one vote for each share held of record on all matters submitted to a vote of the stockholders.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections with the assistance of the Company's transfer agent. The Inspector will also determine whether or not a quorum is present. Except in very limited circumstances, the affirmative vote of a majority of the shares having voting power present in person or represented by proxy at a duly held meeting at which a quorum is present is required under the Company's Bylaws for approval of proposals presented to stockholders. In general, our Bylaws also provide that a quorum consists of a majority of the shares issued and outstanding and entitled to vote, the holders of which are present in person or represented by proxy. The Inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum and therefore, abstentions will have the effect of a negative vote for purposes of determining the approval of any matter submitted to the stockholders for a vote.

Proxies

The shares represented by the proxies received, properly dated and executed and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders. A proxy may be revoked at any time before it is exercised by:

delivering written notice of revocation to the Company, Attention: Ried Zulager;

delivering a duly executed proxy bearing a later date to the Company; or

attending the Annual Meeting and voting in person.

Any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted "FOR" the election of directors, "FOR" the ratification of the selection by

the Audit Committee of Ernst & Young LLP as independent registered public accountants and as the proxy holders deem advisable on other matters that may come before the meeting. If a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present with respect to that matter. The Company believes that the tabulation procedures to be followed by the Inspector are consistent with the general statutory requirements in Delaware concerning voting of shares and determination of a quorum.

The cost of soliciting proxies will be borne by the Company. In addition, the Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers and regular employees, without additional compensation, personally or by telephone or telegram.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Seven directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the Board shall be approved by a majority of the votes cast by holders of our common stock present in person or by proxy at the Annual Meeting, each share being entitled to one vote.

PROPOSAL NO. 2

Ratification of Appointment of Ernst & Young LLP as Independent Registered Public Accountants

The Audit Committee of the Board has appointed Ernst & Young LLP as the Company's independent registered public accountant for the fiscal year ending December 31, 2008. Services provided to the Company and its subsidiaries by Ernst & Young LLP in fiscal years 2006 and 2007 are described under "Relationship with Independent Registered Public Accountants Fees and Services of Ernst & Young LLP," below.

We are asking our stockholders to ratify the selection of Ernst & Young LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice.

Representatives of Ernst & Young LLP will be available by phone at the annual meeting to respond to appropriate questions.

The affirmative vote of the holders of a majority of shares represented in person or by proxy and entitled to vote on this item will be required for approval. Abstentions will be counted as represented and entitled to vote and will therefore have the effect of a negative vote.

The Board recommends that stockholders vote "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for fiscal year 2008. Unless marked otherwise, proxies received will be voted "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for fiscal year 2008.

In the event stockholders do not ratify the appointment, the appointment may be reconsidered by the Audit Committee and the Board. The Company believes that neither the Audit Committee nor the Board is obliged to make any such reconsideration under Delaware law, the rules of the stock exchange on which it is listed, or the rules promulgated by the Securities and Exchange Commission that frame certain specific obligations of the members of all public company audit committees with respect to the selection of independent registered public accountants. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

Recommendation of the Board of Directors:

The Board recommends a vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accountants for 2008.

THE BOARD OF DIRECTORS AND COMMITTEES

The Board of Directors met seven (7) times during 2007 and acted by unanimous written consent five (5) times. Each director, during his term as director, attended at least 80% of the aggregate number of meetings of the Board. Each director, during his term as director, attended 100% of the aggregate number of meetings of the committees of the Board of which he was a member. During 2007, the Board had a standing Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Nominating and Corporate Governance Committee

We established our Nominating and Corporate Governance Committee in April 2005. The members of this committee are Messrs. Brooks and Ferguson who are both independent members of our Board. Edward Glassmeyer served on this committee through April 2007 but did not stand for

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

reelection at last year's annual meeting. Our Board has adopted a charter governing the activities of the Nominating and Corporate Governance Committee. The charter of the Nominating and Corporate Governance Committee may be found on the Company's website at

www.cogentco.com. Pursuant to its charter, the Nominating and Corporate Governance Committee's tasks include identifying individuals qualified to become Board members, recommending to the Board director nominees to fill vacancies in the membership of the Board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting, making recommendations to the Board concerning the size and composition of the Board, conducting succession planning regarding the Chief Executive Officer and other senior officer positions of the Company and leading the Board in its annual review of Board performance. The committee also develops and recommends to the Board corporate governance principles applicable to the Company.

Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the committee's understood needs of the Board at that time. In addition, the committee considers whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, the Company seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Nominating and Corporate Governance Committee has the sole authority to retain, compensate, and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The Nominating and Corporate Governance Committee considers proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not to date adopted a formal process because it believes that the informal consideration process has been adequate. The committee intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for committee consideration, the name of that nominee and related personal information should be forwarded to the Nominating and Corporate Governance Committee, in care of the corporate Secretary, at least three months before the next annual meeting to ensure meaningful consideration by the committee. See also "Notice of Stockholder Business and Nominations" for Bylaw requirements for nominations.

The functions of the Nominating and Corporate Governance Committee were undertaken in conjunction with full board meetings during 2007. These functions took place during scheduled in-person board meetings when prospective new board members met with the existing board and discussed the Company. As a result of these activities Mr. Ferguson was subsequently invited to join the Company's board of directors.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications that are received by the Secretary for the Board's attention, or summaries thereof, are then forwarded to the Board has served the Board's and the stockholders' needs. In view of Securities and Exchange Commission, or SEC, disclosure requirements relating to this issue, the Nominating and Corporate Governance Committee may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website at www.cogentco.com, any communications to the Board should be sent to it in care of the Secretary.

Code of Conduct

The Company's Code of Conduct may be found on the Company's website under the "Investor Relations" link at www.cogentco.com.

Board Member Attendance at Annual Meetings

The Company encourages all of its directors to attend the Annual Meeting of Stockholders. The Company generally holds a board meeting coincident with the Annual Meeting to minimize director travel obligations and facilitate their attendance at the Annual Meeting.

Director Independence

Nasdaq Marketplace Rules require that a majority of the Board be independent. No director qualifies as independent unless the Board determines that the director has no direct or indirect relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In assessing the independence of its members, the Board examined the commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships of each member. The Board's inquiry extended to both direct and indirect relationships with the Company. Based upon both detailed written submissions by its members and discussions regarding the facts and circumstances pertaining to each member, considered in the context of applicable Nasdaq Marketplace Rules, the Board has determined that all of the directors standing for reelection are independent other than Mr. Schaeffer.

Audit Committee

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), consists of Messrs. Liebhaber (Chairman), Ferguson, and Bath, each of whom is independent as the term "independence" is defined in the applicable listing standards of Nasdaq and Rule 10A-3 under the Exchange Act. The Board has determined that each of Messrs. Liebhaber, Ferguson and Bath qualifies as a financial expert, as that term is defined in the Exchange Act. (Jean-Jacques Bertrand served on this committee through April 2007 but did not stand for reelection at last year's annual meeting. The board determined that he was independent.) The responsibilities of this committee include:

the appointment, compensation, retention and oversight of our independent registered public accountants;

reviewing with the independent registered public accountants the plans and results of the audit engagement;

pre-approving professional services provided by the independent registered public accountants;

reviewing our critical accounting policies, our Annual and Quarterly reports on Forms 10-K and 10-Q, and our earnings releases;

reviewing the independence of the independent registered public accountants; and

reviewing the adequacy of our internal accounting controls and overseeing our ethics program.

The Audit Committee met five (5) times during 2007 and did not act by unanimous written consent. The charter of the Audit Committee may be found as *Appendix A* to the Company's proxy statement filed on April 28, 2006 for the Annual Meeting held on June 7, 2006, a copy of which is available at www.sec.gov under the Company's filings with the SEC or at www.cogentco.com under the tab Investor Relations, under the tab Corporate Governance.

Audit Committee Report

To the Board of Directors:

We have reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2007.

We have discussed with the independent registered public accountants, Ernst & Young LLP, the matters required to be discussed with us by the American Institute of Certified Public Accountants, the Securities and Exchange Commission, the Nasdaq Stock Market and the Public Company Accounting Oversight Board, including those required by the Statement on Auditing Standards No. 61.

We have received and reviewed the letter from Ernst & Young LLP required by the Independence Standards Board, and have discussed with Ernst & Young LLP their independence, including the written disclosures and letter required by Independence Standard No. 1 of the Independence Standards Board.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007 for filing with the Securities and Exchange Commission.

Audit Committee:

Richard Liebhaver
Lewis Ferguson
D. Blake Bath

In 2007 the functions of the Compensation Committee were undertaken by the full Board during closed executive session meetings held in conjunction with regularly scheduled in-person meetings of the Board. Salary and equity compensation awards for all of the executive officers and key employees of the Company listed in this proxy statement were considered during these meetings and Mr. Schaeffer was absent from any discussions concerning his compensation. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of the board of directors is responsible for determining compensation changes for senior officers and employees in general. The Chief Executive Officer participates in the decision making by making recommendations to the committee. After informal discussion and amendment among the committee members and the CEO, recommendations for compensation changes are voted upon by the committee and the board of directors. The compensation changes take the form of specific amounts for the CEO and other executive officers and general guidelines for use by the CEO in determining compensation for other employees. Compensation changes are developed based upon the understanding of the CEO and the committee of the compensation of officers and employees in similar companies and the performance of the individual officers. Neither the CEO nor the committee has retained any third party consultants or engaged in any formal comparison of compensation at the Company to compensation at other companies.

The compensation philosophy of the CEO and the committee has been to pay reasonable salaries in light of the perceived market for the skills of each individual hired, to avoid offering any perquisites (such as automobiles, club dues, etc.), to pay cash bonuses based on performance as measured by cash flow, EBITDA, and revenue, and to give every employee an opportunity to benefit from share price

increases through grants of options and restricted stock. (EBITDA is the acronym for earnings before interest, taxes, depreciation, and amortization, and is calculated by us in the manner reflected in our Form S-1 (File No. 333-122821) filed February 14, 2005, as amended.) The Company believes that this philosophy has been successful in recruiting and retaining its management team as evidenced by the Company's success and the low turnover of the management team.

The compensation of the Chief Executive Officer was originally determined in negotiations with the venture capitalists that initially invested in the Company in February 2000. At the same time he entered into an employment agreement that governs various aspects of his employment. His employment agreement is described below. The compensation of subsequently hired executive officers was determined in negotiations between the Chief Executive Officer and such executive officers and in consultation with the Board of Directors and the Compensation Committee and is governed by the terms of employment agreements. Subsequent adjustments to the compensation of executive officers have been made based upon the recommendation of the Chief Executive Officer after consultation with the Compensation Committee. Any change to any aspect of the compensation of the CEO is approved by the Board, excluding the CEO, upon recommendation from the Compensation Committee.

The Company's current executive compensation program is composed primarily of salary paid in cash, bonuses paid in cash, stock options and restricted stock. All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan and its medical, dental and other benefits plans. Changes in all elements of compensation for all executive officers, including the CEO, have generally arisen from informal discussions among the CEO and the directors followed by formal recommendations by the CEO to the Compensation Committee and the Board of Directors.

Salary

The Compensation Committee periodically reviews the compensation of the Company's Chief Executive Officer and each executive officer and, based on recommendations from the CEO, determines the compensation for each executive. In recent years the Company has given raises to all employees to partially compensate for general inflation. Specific executive officers have been given additional raises based on the officer's increased responsibilities as the Company has grown. The CEO and the committee members have determined the amount of these raises based on their experience as managers and directors without reference to studies or consultants.

Bonus

The Company's executive officers and employees have received cash bonuses based on the performance measured by revenue, cash flow, and EBITDA. The Compensation Committee and the Board have made specific awards to the CEO, specified the maximum awards for other executive officers, and determined the of bonus pools for awards to non-executive employees. Subject to these limitations the Board has authorized the CEO to make bonus grants to executive officers and employees (other than the CEO). The CEO has also authorized specific cash bonuses to certain employees and officers for performance based on a qualitative assessment of performance. In all cases the Compensation Committee and the Board have reviewed and approved any bonus for the CEO. The cash bonuses paid in 2007 were much lower than those paid in 2006 because in 2006 the Company met a long term goal positive cash flow that had been established as a target.

Options and Restricted Stock

The Company has made awards of options and restricted stock to employees to align their interests with the Company's outside stockholders. Every employee has received options. Awards are not timed to material company events. New employees receive grants on the first day of the month following the month in which they are hired. The strike price of the option awarded to a new employee is the closing price of Company's common stock on the grant date. Subsequent awards are based on performance and tenure.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14A

Vesting of options and restricted stock is based on continued employment with acceleration of vesting upon a change of control or, for some awards, if the executive is discharged other than for cause or resigns for good cause. Awards to senior officers are determined by the Compensation Committee and/or the full Board of Directors as appropriate, taking into account such factors as the nature of the participant's responsibilities and the business priorities of the Company. Awards to employees other than senior officers are made by the CEO pursuant to general guidelines established by the Compensation Committee and the Board. The restricted stock granted in 2007 to our executive officers fully vests upon a change of control, even if the officer is not discharged. A change of control is defined as a transaction after which the current stockholders of the Company have less than 50% of the stock of the surviving entity, e.g. a merger, sale of substantially all of the assets of the Company, or similar transaction. Permitting the officers to become fully vested upon a change of control and allowing this to occur without the executive being discharged provides, in the view of the board of directors, an incentive for the executives to pursue a transaction that could be beneficial for the stockholders even though the change of control would create uncertainty with respect to the future of each officer. Grants of restricted stock and options have generally been made once a year by the Board of Directors.

Tax Deductibility of Compensation

Section 162(m) of the Code limits the Company's federal income tax deduction for certain executive compensation in excess of \$1,000,000 paid to the Chief Executive Officer and the four other most highly compensated executive officers. The \$1,000,000 deduction limit does not apply, however, to "performance based compensation" as that term is defined in Section 162(m)(4)(C) of the Code and the regulations promulgated there under. Our award plan is structured so that awards granted under that plan may, subject to certain conditions, qualify as performance based compensation under Section 162(m) of the Code. The Compensation Committee recognizes the possibility that if the amount of the base salary and other compensation of a named executive officer exceeds \$1,000,000, it may not be fully deductible for federal income tax purposes. The Compensation Committee will make a determination at any such time whether to authorize the payment of such amounts without regard to deductibility or whether the terms of such payment should be modified as to preserve any deduction otherwise available.

The following table sets forth the cash and non-cash compensation paid or incurred on our behalf to our Chief Executive Officer, our principal financial officer, and each of our three other most highly compensated executive officers, or our named executive officers, whose annual compensation equaled or exceeded \$100,000 for the year two years ended December 31, 2007.

Employment Agreements and Other Potential Post-Employment Payments

Each of Messrs. Schaeffer, Weed, Beury, Karnes, and Harrison entered into an employment agreement with us. Among other things these agreements and the terms of the grants of options and restricted stock provide for certain benefits upon change of control, termination of employment without cause and resignation for good reason. The agreements are as follows:

Dave Schaeffer Employment Agreement. Dave Schaeffer has an employment agreement that provides for his services as Chief Executive Officer. He also receives all of our standard employee benefits and a life insurance policy with a death benefit of \$2.0 million. If he is discharged without cause or resigns for "good reason", 100% of his unvested restricted stock will vest and he is entitled to a lump sum amount equal to his annual salary at the time and continuation of his benefits for one year. If he is subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, he is entitled to additional payment to reimburse him for all taxes, up to a maximum additional payment of 20% of the amount subject to tax. In the event of a change of control or if he is discharged without cause or resigns for "good reason", 100% of his then unvested restricted stock and options will vest immediately. The value on December 31, 2007 of the unvested restricted stock and options that could have vested pursuant to these provisions was \$14,700,200. Had his employment been terminated without cause or had he resigned for "good reason" he would have received a payment of \$306,000 (equal to one year's salary). If the entire amount of the these payments was subject to Section 4999 of the Internal Revenue Code he could receive up to an additional \$3,001,240. "Good reason" for resignation includes removal from his position as CEO or failure to elect him as chairman of the board of directors.

Thaddeus Weed Employment Agreement. Thaddeus Weed has an employment agreement under which he serves as Chief Financial Officer. In the event that his employment with us is terminated without cause or he resigns for good reason, the agreement entitles him to twelve months of salary and continuation of benefits for twelve months. Had this occurred on December 31, 2007 he would have received \$217,260 (12 months salary). He is also entitled to accelerated vesting of his options and restricted stock. The value on December 31, 2007 of the unvested stock and options for which vesting would accelerate was \$916,664. In the event of a change of control the vesting of certain of his options accelerates so that he will be 100% vested in not less than 12 months following the change of control and he becomes fully vested in his restricted stock and other options. If this had occurred on December 31, 2007 the value of the restricted stock and options that would have vested was \$1,458,024. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock and options will vest immediately. The value on December 31, 2007 of the unvested stock and options that would have vested was \$1,544,838 (which includes the

\$1,458,024 described in the previous sentence) In addition, he would receive as a lump sum an amount equal to 12 months of salary (\$217,260).

R. Reed Harrison III Employment Agreement. Reed Harrison's employment agreement entitles him to six months of salary and six months of benefits in the event that his employment with us is terminated without cause or he resigns for good reason. Had this occurred on December 31, 2007 he would have received \$150,300 (6 months salary). If this occurred in conjunction with a change of control the payment would be a lump sum. He is also entitled to an additional 3 months vesting of options and accelerated vesting of restricted stock. The value on December 31, 2007 of the unvested stock and options for which vesting would accelerate was \$676,997. In the event of a change of control his restricted stock will fully vest. If this had occurred on December 31, 2007 the value of the restricted stock that would have vested was \$711,300. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock and options will vest immediately. The value on December 31, 2007 of the unvested stock and options that would have vested was \$1,548,416 (which includes the \$711,300 described in the previous sentence). In addition, he would receive as a lump sum an amount equal to six months salary (\$150,300).

Robert N. Beury, Jr. Employment Agreement. Robert Beury's employment agreement entitles him to 12 months of salary and 12 months of benefits in the event that his employment with us is terminated without cause or he resigns for good reason. Had this occurred on December 31, 2007 he would have received \$229,500 (twelve months salary). If this occurred in conjunction with a change of control the payment would be a lump sum. He is also entitled to accelerated vesting of certain options and restricted stock. The value on December 31, 2007 of the unvested stock and options for which vesting would accelerate was \$345,253. In the event of a change of control the vesting of his restricted stock accelerates so that he will be 100% vested. The vesting of his options accelerates so that he will be fully vested in 12 months. Had a change of control occurred on December 31, 2007 the value of the restricted stock and options that would have vested was \$1,458,024. In the event of a change of control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock and options will vest immediately. The value on December 31, 2007 of the unvested stock and options that would have vested was \$1,544,838 (which includes the \$1,458,024 described previously). In addition, he would receive as a lump sum an amount equal to twelve months salary (\$229,500).

Jeffrey Karnes Employment Agreement. Jeffrey Karnes's employment agreement provides that in the event his employment with us is terminated without cause or he resigns for good reason he will receive three months salary and continuation of benefits for six months. Had this occurred on December 31, 2007 he would have received \$57,375 (three months salary). He would also continue vesting for three months in his restricted stock and options. The value on December 31, 2007 of the unvested stock and options for which vesting would accelerate was \$327,795. In the event of a change of control the vesting of certain of his options and restricted stock accelerates. In addition certain of his shares of restricted stock will vest fully. Had a change of control occurred on December 31, 2007 the value of the restricted stock and options that would have vested was \$1,515,023. In the event of a change in control resulting in his termination without cause or resignation for good reason, 100% of his then restricted stock and options will vest immediately. The value on December 31, 2007 of the unvested stock and options that would have vested was \$1,561,980 (which includes the \$1,515,023 described in the previous sentence). In addition, he would receive as a lump sum an amount equal to three months salary (\$57,375).

Equity Plan Information

2004 Incentive Award Plan. In 2004, we adopted our 2004 Incentive Award Plan. The 2004 Award Plan is intended to enhance and supplement the 2003 Award Plan (under which awards are no longer made) by broadening the types of awards that may be granted to employees and consultants and by providing for grants to directors. In addition to awards of restricted shares of common stock, the 2004 Award Plan provides us with the ability to award other equity-based incentive compensation, such as options to purchase shares of our common stock, stock appreciation rights, dividend equivalent rights, performance awards, restricted stock units, deferred stock and stock payments to employees, consultants and directors.

The principal purpose for the adoption of the 2004 Award Plan was to promote the success of our business and enhance our value by linking the personal interests of employees, consultants and directors to our success and by providing these individuals with an incentive for outstanding performance. We believe that the 2004 Plan also gives us the flexibility to offer a variety of types of compensation and to remain competitive in recruiting and retaining qualified key personnel.

As of January 31, 2008 a total of 2,343,779 shares were subject to outstanding stock options and restricted stock held by approximately 461 participants under the award plans. On January 31, 2008, the closing price of our common stock on the NASDAQ was \$20.47 per share.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Employment Agreements

We have employment agreements with certain of our named executive officers as described in "Employment Agreements and Other Potential Post-Employment Payments."

Our Headquarters Lease

We lease office space in Washington, D.C. from a partnership of which our Chairman and Chief Executive Officer, Dave Schaeffer, is the general partner. In 2007 we paid rent including pro-rated utility costs and real estate taxes for this space of approximately \$600,000; the lease expires August 31, 2010. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party.

Transactions with One Communications, Hibernia Atlantic, and Pacwest

We purchase local circuit connections from One Communications and Pacwest and obtain transatlantic circuits from Hibernia Atlantic. Kenneth Peterson (who owned until March 23, 2007 4% of our common stock and was until April 30, 2007 a director), has a substantial interest in each of these companies. Mr. Peterson owns 50% of One Communications, 100% of Hibernia Atlantic, and has substantial debt and preferred stock ownership of Pacwest. One Communications was formed during 2006 when CTC Communications (owned by Mr. Peterson), Choice One Communications, and Conversent merged. In 2007 we paid the three companies in which Mr. Peterson has an interest approximately \$1.1 million for the circuits they provided to us. Each circuit was acquired after we considered alternative suppliers and we believe that the terms under which these circuits were acquired are at least as advantageous to us as those we could received from an unaffiliated party. None of the circuits has a term of service in excess of 12 months. These companies purchased approximately \$60,000 in services from us in 2007.

Payment of expenses of LNG Holdings

During 2007 we paid to various law firms and accounting firms approximately \$34,000 to provide services to LNG Holdings, which is 90% owned by a company that is owned by our CEO, David Schaeffer. We made these payments because LNG had no funds with which to make the payments necessary to defend itself in a lawsuit and to fulfill its legal and accounting obligations. We acquired our French, Spanish, and certain other European operations from LNG in 2004. Because of this

relationship we deemed it beneficial to make certain that these legal and accounting services were provided in order to complete the separation of the subsidiaries from LNG as they have been integrated into our corporate structure. We received reimbursement in 2007 of approximately \$100,000 that we paid for such professional fees for LNG in 2006.

Transactions with JDSU

During 2007 we paid JDS Uniphase approximately \$200,000 for maintenance and purchase of optical test equipment. Our director, Richard Liebhaber, is a member of the board of directors of JDSU.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's stock to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file. Based on its records and other information, the Company believes that all Section 16(a) filing requirements applicable to its directors and executive officers for 2007 were timely met with the exception of a one late Form 4 filed by Mr. Karnes on May 18, 2007 for a single sale transaction that occurred on May 15, 2007.

RELATIONSHIP WITH INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the fiscal year beginning January 1, 2007. In making this appointment, the Audit Committee considered whether the audit and non-audit services Ernst & Young LLP provides are compatible with maintaining the independence of our outside auditors. The Audit Committee has adopted a policy that sets forth the manner in which the Audit Committee will review and approve all services to be provided by Ernst & Young LLP before the firm is retained. The policy requires an individual review by the committee in advance of each service to be provided by Ernst & Young LLP.

Representatives of Ernst & Young LLP will not be present at the Annual Meeting but are expected to be available by telephone should there be questions that need to be addressed by them.

Fees and Services of Ernst & Young LLP

The following table summarizes fees billed to us by Ernst & Young LLP for fiscal years 2006 and 2007; all services were pre-approved by the Audit Committee:

Service	Fees	
	2006	2007
Audit Fees (1)	\$ 1,385,000	\$ 1,176,000
Audit-Related Fees		
Tax Fees (2)	148,000	237,000
Total	\$ 1,533,000	\$ 1,413,000

(1) Fees for audit services include fees associated with the annual audit, the reviews of our quarterly reports on Form 10-Q, statutory audits required internationally, direct out-of-pocket expenses, and fees related to registration statements.

(2) Tax fees included tax compliance, tax advice and tax planning.
