Item 1.01. Entry into a Material Definitive Agreement.

On December 18, 2008 (the "*Distribution Date*"), the separation of Facet Biotech Corporation ("*Facet*" or the "*Company*") from PDL BioPharma, Inc. ("*PDL*") was completed through the distribution of all the outstanding shares of common stock of Facet to the stockholders of PDL (the "*Spin-Off*"). Each PDL stockholder of record as of 5:00 p.m. Eastern Time on December 5, 2008 received on the Distribution Date one share of Facet common stock for every five shares of PDL common stock.

In connection with the Spin-Off, Facet entered into certain agreements with PDL to effect the Spin-Off, to define the ongoing relationship between Facet and PDL following the Spin-Off, and to allocate responsibility for obligations arising before and after the Spin-Off, including obligations with respect to liabilities relating to Facet's business, certain transition services and taxes.

Separation and Distribution Agreement

On December 17, 2008, Facet and PDL entered into a Separation and Distribution Agreement which sets forth Facet's agreement with PDL regarding the principal transactions necessary to separate Facet from PDL. The Separation and Distribution Agreement also sets forth other provisions that govern certain aspects of Facet's relationship with PDL after the completion of the Spin-Off. The Separation and Distribution Agreement identifies assets PDL transferred, liabilities Facet assumed and contracts PDL assigned to Facet as part of the Spin-Off, and describes the terms upon which these transfers, assumptions and assignments will occur.

Transition Services Agreement

On December 18, 2008, Facet and PDL entered into a Transition Services Agreement pursuant to which Facet and PDL will provide each other with a variety of administrative services for a period of up to 36 months following the Spin-Off. The transition services include, but are not limited to, services related to financial, tax and accounting support, other administrative support and information technology support.

Tax Sharing and Indemnification Agreement

On December 18, 2008, Facet and PDL entered into a Tax Sharing and Indemnification Agreement that generally governs Facet's and PDL's respective rights, responsibilities and obligations after the Spin-Off with respect to taxes. Under the Tax Sharing and Indemnification Agreement, PDL will bear all tax liabilities attributable to PDL for any and all periods or portions thereof ending prior to or on the Distribution Date resulting or arising from the contribution of PDL's biotechnology operations to Facet, the distribution of Facet's shares of common stock and the other separation transactions. As a result, Facet generally expects to be liable only for tax liabilities attributable to, or incurred with respect to, the biotechnology business after the Distribution Date.

The foregoing descriptions of the Separation and Distribution Agreement, the Transition Services Agreement and Tax Sharing and Indemnification Agreement are qualified in their entirety by reference to the terms and conditions in the agreements attached hereto as Exhibits 10.1 - 10.3 to this Current Report on Form 8-K which are incorporated herein by reference.
