JOINT PROXY STATEMENT/PROSPECTUS

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

[•], 2018

To the Stockholders of Two Harbors Investment Corp. and the Stockholders of CYS Investments, Inc.:

The board of directors (the "Two Harbors Board") of Two Harbors Investment Corp. ("Two Harbors") and the board of directors (the "CYS Board") of CYS Investments, Inc. ("CYS"), each a Maryland corporation, each have approved an Agreement and Plan of Merger, dated as of April 25, 2018 (the "Merger Agreement"), by and among Two Harbors, Eiger Merger Subsidiary LLC ("Merger Sub") and CYS, pursuant to which Merger Sub will merge with and into CYS, with CYS continuing as the surviving corporation (the "Merger"). As a result of the Merger, the surviving corporation will become an indirect, wholly owned subsidiary of Two Harbors. The closing of the Merger will occur as promptly as practicable following satisfaction of all closing conditions set forth in the Merger Agreement, and either Two Harbors or CYS may terminate the Merger Agreement if closing has not occurred by October 31, 2018. After the Merger, the combined company of Two Harbors and CYS will retain the name "Two Harbors Investment Corp." and its shares will continue to trade on the New York Stock Exchange under the symbol "TWO".

Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger, each outstanding share of common stock, par value \$0.01 per share, of CYS ("CYS Common Stock") will be converted into the right to receive from Two Harbors (a) a number of shares of common stock, par value \$0.01 per share, of Two Harbors ("Two Harbors Common Stock") determined (to the nearest one-ten-thousandth) by dividing (i) CYS's adjusted book value per share, multiplied by 96.75%, by (ii) Two Harbors' adjusted book value per share, multiplied by 94.20%, each as calculated at a time and pursuant to certain calculation principles set forth in the Merger Agreement, and (b) \$15,000,000 divided by the sum of the number of shares of CYS Common Stock issued and outstanding immediately prior to the effective time of the Merger (excluding any cancelled shares), including outstanding CYS restricted stock that will vest upon completion of the Merger pursuant to the Merger Agreement (less any shares surrendered for income tax purposes).

Based on the number of shares of CYS Common Stock outstanding on June 22, 2018, the record date for the Two Harbors special meeting, and an assumed exchange ratio of 0.4872 based on the adjusted book value per share of Two Harbors Common Stock and CYS Common Stock as of March 31, 2018, calculated in accordance with the Merger Agreement, we expect approximately [•] shares of Two Harbors Common Stock will be issued in connection with the Merger. The actual Exchange Ratio will be publicly announced at least five business days before each of the special meetings of stockholders described below.

In addition, each share of 7.75% Series A Cumulative Redeemable Preferred Stock, par value \$0.01 per share, of CYS (the "CYS Series A Preferred Stock") will be converted into the right to receive one share of newly classified 7.75% Series D Cumulative Redeemable Preferred Stock, par value \$0.01 per share, of Two Harbors (the "Two Harbors Series D Preferred Stock"), and each share of 7.50% Series B Cumulative Redeemable Preferred Stock, par value \$0.01 per share, of CYS (the "CYS Series B Preferred Stock") will be converted into the right to receive one share of newly classified 7.50% Series E Cumulative Redeemable Preferred Stock, par value \$0.01 per share, of Two Harbors (the "Two Harbors Series E Preferred Stock").

In connection with the Merger, PRCM Advisers LLC ("PRCM Advisers"), Two Harbors' external manager and a subsidiary of Pine River Capital Management L.P., has agreed to reduce the base management fee it charges Two Harbors with respect to the additional equity under management resulting from the Merger from 1.5% of stockholders' equity on an annualized basis to 0.75% through the first anniversary of Closing. PRCM Advisers will also make a one-time downward adjustment of \$15,000,000 to the management fees payable by Two Harbors for the quarter in which the Merger closes as well as a downward adjustment to the management fees payable by Two Harbors of up to an additional \$3.3 million to reimburse Two Harbors for certain transaction-related expenses.

Two Harbors and CYS will each hold a special meeting of their respective common stockholders. Two Harbors' special meeting will be held at 601 Carlson Parkway, 2nd Floor, Minnetonka, Minnesota 55305 on July 27, 2018, at 9:00 a.m., Central Time. CYS's special meeting will be held at 50 Rowes Wharf, Boston, Massachusetts 02110 on July 27, 2018, at 9:00 a.m., Eastern Time. The preferred stockholders of each of CYS and Two Harbors are not entitled to vote on

At the Two Harbors special meeting, the Two Harbors common stockholders will be asked to (i) consider and vote on a proposal to approve the issuance of shares of Two Harbors Common Stock in the Merger and upon any conversion (upon certain future changes of control of Two Harbors, if any) of the Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock to be issued in the Merger (the "Two Harbors Common Stock Issuance Proposal") and (ii) approve the adjournment of the Two Harbors special meeting, if necessary or appropriate, for the purpose of soliciting additional votes for the approval of the Two Harbors Common Stock Issuance Proposal (the "Two Harbors Adjournment Proposal"). The Two Harbors Board has unanimously (i) determined that the Merger Agreement and the other transactions contemplated therein, including the Merger and the issuance of shares of Two Harbors Common Stock (the "Two Harbors Common Stock Issuance"), are in the best interests of Two Harbors and its stockholders, (ii) approved the Merger Agreement and the other transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, (iii) directed that the Two Harbors Common Stock Issuance Proposal be submitted to the holders of Two Harbors Common Stock for consideration at the Two Harbors special meeting and (iv) recommended that the holders of Two Harbors Common Stock approve the Two Harbors Common Stock Issuance Proposal. **The Two Harbors Board unanimously recommends that the Two Harbors common stockholders vote "FOR" the Two Harbors Common Stock Issuance Proposal and "FOR" the Two Harbors Adjournment Proposal.** Only those matters included in the Two Harbors Notice of Meeting may be considered and voted upon at the Two Harbors special meeting.

At the CYS special meeting, the CYS common stockholders will be asked to (i) consider and vote on a proposal to approve the Merger (the "Merger Proposal"), (ii) consider and vote on a non-binding advisory proposal to approve the compensation that may be paid or become payable to CYS's named executive officers that is based on or otherwise relates to the Merger (the "CYS Non-Binding Compensation Advisory Proposal"), and (iii) approve the adjournment of the CYS special meeting, if necessary or appropriate, for the purpose of soliciting additional votes for the approval of the Merger Proposal (the "CYS Adjournment Proposal"). The CYS Board, acting upon the unanimous recommendation of a special committee of independent directors of CYS formed for the purpose of, among other things, evaluating and making a recommendation to the CYS Board with respect to the Merger Agreement and the other transactions contemplated therein, has unanimously (i) determined that the Merger Agreement and the other transactions contemplated therein, including the merger of Merger Sub with and into CYS, are in the best interests of CYS and its stockholders, (ii) approved the Merger Agreement and declared that the transactions contemplated therein, including the Merger, are advisable, (iii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted to the holders of CYS Common Stock for consideration at the CYS special meeting and (iv) recommended that the CYS common stockholders approve the Merger and the other transactions contemplated by the Merger Agreement.

The CYS Board unanimously recommends that the CYS common stockholders vote "FOR" the Merger Proposal, "FOR" the CYS Non-Binding Compensation Advisory Proposal and "FOR" the CYS Adjournment Proposal. Only those matters included in the CYS Notice of Meeting may be considered and voted upon at the CYS special meeting.

This joint proxy statement/prospectus provides detailed information about the special meetings of Two Harbors and CYS, the Merger Agreement, the Merger and other related matters. A copy of the Merger Agreement is included as Annex A to this joint proxy statement/prospectus. Whether or not you plan to attend the Two Harbors special meeting or the CYS special meeting, as applicable, please complete, date, sign and return, as promptly as possible, the enclosed proxy card in the accompanying reply envelope or authorize a proxy to vote your shares through the Internet or by telephone. You may also authorize a proxy to vote your shares over the Internet using the Internet address on the enclosed proxy card or by telephone using the toll-free number on the enclosed proxy card. If you authorize a proxy to vote your shares through the Internet or by telephone, you will be asked to provide the company number and control number from the enclosed proxy card. Q:

What is the proposed transaction for which I am being asked to vote?

A:

The CYS common stockholders are being asked to approve the Merger. The approval of the Merger by the CYS common stockholders is a condition to the effectiveness of the Merger.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

The Two Harbors common stockholders are being asked to approve the Two Harbors Common Stock Issuance Proposal in connection with the Merger. The approval of the Two Harbors Common Stock Issuance Proposal by the Two Harbors common stockholders is a condition to the effectiveness of the Merger.

The CYS common stockholders are being asked to approve the CYS Non-Binding Compensation Advisory Proposal, and the CYS common stockholders and the Two Harbors common stockholders are also being asked to approve the CYS Adjournment Proposal and the Two Harbors Adjournment Proposal, respectively, if necessary. The approval of these proposals is not a condition to the effectiveness of the Merger.

Table of Contents

Q: **Why are Two Harbors and CYS proposing the Merger?**

A: The Two Harbors Board and the CYS Board have determined that the Merger will provide a number of significant strategic opportunities and benefits and will be in the best interests of their respective stockholders. At Closing, the Combined Company will have a larger capital base, which will support continued growth across Two Harbors' target assets and will position Two Harbors to take advantage of market opportunities as they arise. The Combined Company is expected to provide improved scale, liquidity and capital alternatives for Two Harbors stockholders as a result of the increased equity capitalization and the increased stockholder base of the Combined Company. The combination of Two Harbors and CYS is also expected to create cost efficiencies and decrease Two Harbors' other operating expense ratio by 30 to 40 basis points. To review the reasons for the Merger in greater detail, see "The Merger Recommendation of the Two Harbors Board and Its Reasons for the Merger" beginning on page 78 and "The Merger Recommendation of the CYS Board and Its Reasons for the Merger" beginning on page 81.

Q: **Were appraisals or valuations performed on the assets and liabilities of Two Harbors and CYS in connection with the Merger?**

A: Except for the valuation to be performed on an office property owned by CYS (representing less than 1% of CYS's total assets), no third-party appraisals or valuations on the assets and liabilities of Two Harbors and CYS were obtained in connection with the Merger.

Q: **What happens if the market price of Two Harbors Common Stock or CYS Common Stock changes before the Closing?**

A: Changes in the market price of Two Harbors Common Stock or the market price of CYS Common Stock at or prior to the effective time of the Merger will not change the number of shares of Two Harbors Common Stock that CYS common stockholders will receive because the Exchange Ratio is linked to Two Harbors' adjusted book value per share and CYS's adjusted book value per share as of the Determination Date, and not to the market price of either stock.

Q: **What happens if the adjusted book value per share of Two Harbors or the adjusted book value per share of CYS changes before the Determination Date?**

A: The value of the merger consideration received by CYS common stockholders will depend on the Exchange Ratio and the value of a share of Two Harbors Common Stock at the effective time of the Merger. The Exchange Ratio will be based on Two Harbors' adjusted book value per share and CYS's adjusted book value per share as of the Determination Date. These adjusted book value per share amounts may vary from their respective amounts as of March 31, 2018. As a result, the Exchange Ratio may also vary. As of March 31, 2018, the adjusted book values per share for Two Harbors and CYS, on a pro forma basis, would have been \$15.63 and \$7.41, respectively, representing an illustrative Exchange Ratio of 0.4872, with each share of CYS being exchanged for the right to receive 0.4872 shares of Two Harbors (plus the Per Share Cash Consideration). The actual Exchange Ratio for the Merger will be based on each of the parties' adjusted book values per share as of the Determination Date, and such Exchange Ratio will be publicly announced at least five business days prior to the special meetings.

Q: **Are there any conditions to completion of the Merger?**

A: Yes. In addition to the approvals of the Two Harbors common stockholders and the CYS common stockholders, as described herein, there are a number of conditions that must be satisfied or waived for the Merger to be consummated. For a description of all the conditions to the Merger, see "The Merger Agreement Conditions to Complete the Merger" beginning on page 141.

Q:
How does the Two Harbors Board recommend that I vote on the proposals?

A:
The Two Harbors Board has unanimously (i) determined that the Merger Agreement and the other transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, are in the best interests of Two Harbors and its stockholders, (ii) approved the Merger Agreement and the other transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, (iii) directed that the Two Harbors Common Stock Issuance Proposal be submitted to the holders of Two Harbors Common Stock for consideration at the Two Harbors special meeting and (iv) recommended that the holders of Two Harbors Common Stock approve the Two Harbors Common Stock Issuance Proposal. The Two Harbors Board unanimously recommends that the Two Harbors common stockholders vote "**FOR**" the Two Harbors Common Stock Issuance Proposal and "**FOR**" the Two Harbors Adjournment Proposal. For a more complete description of the recommendation of the Two Harbors Board, see "The Merger Recommendation of the Two Harbors Board and Its Reasons for the Merger" beginning on page 78.

Q:
What constitutes a quorum for the Two Harbors special meeting?

A:
The presence, in person or by proxy, of the holders of shares of Two Harbors Common Stock entitled to cast a majority of all the votes entitled to be cast at the Two Harbors special meeting will constitute a quorum at the Two Harbors special meeting. Two Harbors will include abstentions in the calculation of the number of shares considered to be present at the Two Harbors special meeting for purposes of determining the presence of a quorum at the Two Harbors special meeting. As of the close of business on June 22, 2018, the record date for the Two Harbors special meeting, there were [•] shares of Two Harbors Common Stock outstanding.

Q:
What vote is required for Two Harbors common stockholders to approve the Two Harbors Common Stock Issuance Proposal?

A:
Approval of the Two Harbors Common Stock Issuance Proposal will require that the number of votes cast for the Two Harbors Common Stock Issuance Proposal exceeds the number of votes cast against and abstaining from the Two Harbors Common Stock Issuance Proposal, provided a quorum is present.

Holders of Two Harbors preferred stock will not be entitled to vote on any matter at the Two Harbors special meeting.

Table of Contents

Q: What vote is required for Two Harbors common stockholders to approve the Two Harbors Adjournment Proposal?

A: Approval of the Two Harbors Adjournment Proposal will require that the number of votes cast for the Two Harbors Adjournment Proposal exceeds the number of votes cast against the Two Harbors Adjournment Proposal, provided a quorum is present.

Q: How are votes counted?

A: For the Two Harbors Common Stock Issuance Proposal, you may vote "**FOR**", "**AGAINST**" or "**ABSTAIN**". If you do not return your proxy card or otherwise authorize a proxy to vote your shares or attend the meeting in person, your shares will not be considered present for the purpose of determining the presence of a quorum and will have no effect on the Two Harbors Common Stock Issuance Proposal. Under NYSE rules, abstentions will be considered as votes cast and, accordingly, will have the same effect as votes "**AGAINST**" the Two Harbors Common Stock Issuance Proposal.

For the Two Harbors Adjournment Proposal, you may vote "**FOR**", "**AGAINST**" or "**ABSTAIN**". Abstentions and other shares not voted (whether by broker non-votes, if any, or otherwise) will not have an effect on the Two Harbors Adjournment Proposal, provided that a quorum is otherwise present.

Properly executed proxy cards with no instructions indicated on the proxy card will be voted "**FOR**" the Two Harbors Common Stock Issuance Proposal and "**FOR**" the Two Harbors Adjournment Proposal.

In addition, banks, brokers and other nominees that hold their customers' shares in street name may not vote their customers' shares on "non-routine" matters without instructions from their customers. As each of the proposals to be voted upon at the Two Harbors special meeting is considered "non-routine," such organizations do not have discretion to vote on any of the proposals. As a result, if you fail to provide your broker, bank or other nominee with any instructions regarding how to vote your shares of Two Harbors Common Stock, your shares of Two Harbors Common Stock will not be considered present at the Two Harbors special meeting and will not be voted on any of the proposals.

Q: Who is entitled to vote at the Two Harbors special meeting?

A: All holders of Two Harbors Common Stock as of the close of business on June 22, 2018, the record date for the Two Harbors special meeting, are entitled to vote at the Two Harbors special meeting, unless a new record date is fixed for any adjournment or postponement of the Two Harbors special meeting. As of the record date, there were [•] issued and outstanding shares of Two Harbors Common Stock. Each holder of Two Harbors Common Stock on the record date is entitled to one vote per share.

Holders of Two Harbors preferred stock will not be entitled to vote on any matter at the Two Harbors special meeting.

Q: How will Two Harbors common stockholders be affected by the Merger and the Two Harbors Common Stock Issuance?

A: After the Merger, each Two Harbors common stockholder will continue to own the shares of Two Harbors Common Stock that such stockholder held immediately prior to the Merger. As a result, each Two Harbors common stockholder will continue to own common stock in the Combined Company, which will be a larger company with more assets. However, because Two Harbors will be issuing new shares of Two Harbors Common Stock to CYS common stockholders in the Merger, each outstanding share of Two Harbors Common Stock immediately prior to the Merger will represent a smaller percentage of the aggregate number of shares of Two Harbors Common Stock outstanding after the Merger.

Table of Contents

Q:

Do the Two Harbors directors and executive officers and its external manager, PRCM Advisers, have any interests in the Merger?

A:

Yes. The Combined Company will continue to be managed by PRCM Advisers under the terms of the Management Agreement. Under the Management Agreement, PRCM Advisers provides the day-to-day management of Two Harbors' business, including providing Two Harbors with its executive officers and all other personnel necessary to support its operations. In exchange for its services, Two Harbors pays PRCM Advisers a management fee and reimburses it for certain expenses incurred by it and its affiliates in rendering management services to Two Harbors. Pine River is the parent of PRCM Advisers. Certain directors and executive officers of Two Harbors are partners and employees of Pine River.

Pursuant to the Management Agreement, Two Harbors pays PRCM Advisers a base management fee equal to 1.5% per annum of its stockholders' equity, which is calculated and payable quarterly in arrears. Following the Merger, Two Harbors stockholders' equity will include the additional equity attributable to the acquisition of CYS, thus the amount of the management fees payable to PRCM Advisers will also increase, which gives PRCM Advisers and its parent, Pine River (and therefore, Two Harbors' management), an incentive, not shared by Two Harbors stockholders, to negotiate and effect the Merger, possibly on terms less favorable to Two Harbors than would otherwise have been achieved. However, in connection with the Merger, PRCM Advisers has agreed to amend the Management Agreement to provide for: (i) a reduction in the base management fee PRCM Advisers charges Two Harbors with respect to the additional equity under management resulting from the Merger from 1.5% of stockholders' equity on an annualized basis to 0.75% through the first anniversary of the Closing; (ii) a one-time downward adjustment of \$15,000,000 to the management fees payable by Two Harbors for the quarter in which the Merger closes; and (iii) a one-time downward adjustment of up to \$3.3 million in the management fees payable by Two Harbors for the quarter in which the Merger occurs in order to reimburse Two Harbors for certain expenses it incurs in connection with the Merger. In the event the total amount of the management fee payable for the quarter referenced in clauses (ii) and (iii) above is less than the aggregate amount of the referenced downward adjustments (collectively, the "Adjustments"), PRCM Advisers will pay to Two Harbors in immediately available funds the difference between (i) such Adjustments and (ii) the base management fee payable to PRCM Advisers with respect to such quarter.

The Fourth Amendment to the Management Agreement between Two Harbors and PRCM Advisers was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to Two Harbors as if it had been negotiated with an unaffiliated third party.

The following questions and answers apply to CYS common stockholders only:

Q:

What will I receive for my CYS Stock in the Merger?

A:

Under the terms of the Merger Agreement, each share of CYS Common Stock will be converted into the right to receive (i) the Per Share Cash Consideration and (ii) a number of shares of Two Harbors Common Stock based on the Exchange Ratio, which will be publicly announced at least five business days prior to the earlier of the CYS special meeting and the Two Harbors special meeting. Each share of CYS Series A Preferred Stock will be converted into the right to receive one share of newly classified Two Harbors Series D Preferred Stock. Each share of CYS Series B Preferred Stock will be converted into the right to receive one share of newly classified Two Harbors Series E Preferred Stock.

Table of Contents

Q: **How will I receive the merger consideration if the Merger is completed?**

A: For CYS stockholders, if you hold physical share certificates of CYS Common Stock or CYS Preferred Stock, you will be sent a letter of transmittal promptly after the Closing describing how you may exchange your shares for the merger consideration, and the exchange agent will forward to you the merger consideration to which you are entitled after receiving the proper documentation from you. If you hold your shares of CYS Common Stock or CYS Preferred Stock in uncertificated book-entry form, you are not required to take any specific actions to exchange your shares. After the consummation of the Merger, uncertificated shares of CYS Common Stock and CYS Preferred Stock will be automatically exchanged for the applicable merger consideration. For more information, see the section entitled "The Merger Agreement Exchange Procedures" beginning on page 127.

Q: **When and where is the CYS special meeting?**

A: The special meeting of CYS common stockholders will be held on July 27, 2018, at 50 Rowes Wharf, Boston, Massachusetts 02110, starting at 9:00 a.m., Eastern Time.

Q: **What matters will be voted on at the CYS special meeting?**

A: You will be asked to consider and vote on the following proposals:

the Merger Proposal;

the CYS Non-Binding Compensation Advisory Proposal; and

the CYS Adjournment Proposal.

CYS will transact no other business at the CYS special meeting or any adjournment or postponement thereof. Holders of CYS Preferred Stock will not be entitled to vote on any matter at the CYS special meeting.

Q: **How does the CYS Board recommend that I vote on the proposals?**

A: The CYS Board, acting upon the unanimous recommendation of a special committee of independent directors of CYS formed for the purpose of, among other things, evaluating and making a recommendation to the CYS Board with respect to the Merger Agreement and the other transactions contemplated therein, has unanimously (i) determined that the Merger Agreement and the other transactions contemplated therein, including the merger of Merger Sub with and into CYS, are in the best interests of CYS and its stockholders, (ii) approved the Merger Agreement and declared that the transactions contemplated therein, including the Merger, are advisable, (iii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted to the holders of CYS Common Stock for consideration at the CYS special meeting and (iv) recommended that the CYS common stockholders approve the Merger and the other transactions contemplated by the Merger Agreement.

The CYS Board unanimously recommends that the CYS common stockholders vote "**FOR**" the Merger Proposal, "**FOR**" the CYS Non-Binding Compensation Advisory Proposal and "**FOR**" the CYS Adjournment Proposal. For a more complete description of the recommendation of the CYS Board, see "The Merger Recommendation of the CYS Board and Its Reasons for the Merger" beginning on page 81.

Q: **Do the CYS directors and executive officers have any interests in the Merger?**

A:

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Yes. In considering the CYS Board's recommendation for CYS stockholders to approve the Merger Proposal and the CYS Non-Binding Compensation Advisory Proposal, CYS stockholders

Table of Contents

should be aware that directors and executive officers of CYS have interests in the Merger that may be different from, or in addition to, the interests of CYS stockholders generally and that may present actual or potential conflicts of interests. These interests include:

immediately prior to the effective time of the Merger, each outstanding award of CYS Restricted Stock granted pursuant to the CYS Stock Plan will automatically vest in full and any forfeiture restrictions applicable to such shares of CYS Restricted Stock shall immediately lapse. As a result, each share of CYS Restricted Stock (less any shares surrendered for income tax purposes) will be treated as a share of CYS Common Stock for all purposes of the Merger, including the right to receive the merger consideration; and

continued indemnification and insurance coverage for the directors and executive officers of CYS in accordance with the Merger Agreement.

In addition, CYS maintains employment agreements with each of Messrs. Grant, DeCicco, Cleary, and Rosenbloom (the "Employment Agreements"), which provide for payments and other benefits if the individual's employment terminates for a qualifying event or circumstance, such as being terminated without "cause" or leaving employment for "good reason," as these terms are defined in the Employment Agreements. Upon the termination of such individual's employment by CYS or Two Harbors other than for cause, retirement or disability, or by such individual for good reason, the individual would be eligible to receive, among other benefits, (i) a lump sum severance payment equal to 2.5 in the case of Mr. Grant and 1.0 in the case of Messrs. DeCicco, Cleary and Rosenbloom, multiplied by the average of the sum of such individual's base salary and bonus earned during the shorter of (a) the three (3) fiscal years immediately preceding the year in which the termination of employment occurs or (b) the period of time beginning on the date of the individual's employment agreement and ending on the termination date of such individual's employment, (ii) a pro rata bonus for the year of termination, and (iii) certain benefit continuation rights for up to 24 months for Mr. Grant and up to 12 months for Messrs. DeCicco, Cleary, and Rosenbloom, following termination.

In connection with the approval of the execution of the Merger Agreement, the CYS Board approved an amendment to the Employment Agreements to clarify payment mechanics and timing of severance amounts that may become payable pursuant to the Employment Agreements following a qualifying termination of employment with CYS.

Upon Closing, each of James A. Stern and Karen Hammond, independent directors currently sitting on the CYS Board, will be appointed to the Two Harbors Board and each will be entitled to compensation pursuant to Two Harbors' independent director compensation program.

The CYS Board was aware of these interests and considered them, among other matters, when approving the Merger Agreement and the transactions contemplated thereby, including the Merger. For additional information, see "The Merger Interests of CYS's Directors and Executive Officers in the Merger" beginning on page 116.

Q:
What constitutes a quorum for the CYS special meeting?

A:
The CYS Bylaws provide that the presence in person or by proxy of CYS stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting constitutes a quorum at each meeting of CYS stockholders. Abstentions will be counted for the purpose of determining a quorum.

Q:
What vote is required for CYS common stockholders to approve the Merger Proposal?

A:
Approval of the Merger Proposal will require the affirmative vote of the holders of at least a majority of all outstanding shares of CYS Common Stock entitled to vote on the Merger Proposal,

Table of Contents

which is the only vote of the holders of any class or series of shares of capital stock of CYS required for such approval, provided a quorum is present.

Holders of CYS Preferred Stock will not be entitled to vote on any matter at the CYS special meeting.

Q: **What vote is required for CYS common stockholders to approve the CYS Non-Binding Compensation Advisory Proposal?**

A: Approval of the CYS Non-Binding Compensation Advisory Proposal will require the affirmative vote of a majority of the votes cast on the matter by holders of CYS Common Stock, provided a quorum is present, which is the only vote of the holders of any class or series of shares of capital stock of CYS required for such approval.

Q: **What vote is required for CYS common stockholders to approve the CYS Adjournment Proposal?**

A: Approval of the CYS Adjournment Proposal will require the affirmative vote of a majority of the votes cast on the matter by holders of shares of CYS Common Stock, provided a quorum is present, which is the only vote of the holders of any class or series of shares of capital stock of CYS required for such approval.

Q: **How are votes counted?**

A: For the Merger Proposal, you may vote "**FOR**", "**AGAINST**" or "**ABSTAIN**". If you abstain or fail to return your proxy card, it will have the same effect as a vote "**AGAINST**" the Merger Proposal.

For the CYS Non-Binding Compensation Advisory Proposal, you may vote "**FOR**", "**AGAINST**" or "**ABSTAIN**". Abstentions and other shares not voted (whether by broker non-votes, if any, or otherwise) will not have an effect on the CYS Non-Binding Compensation Advisory Proposal, provided that a quorum is otherwise present.

For the CYS Adjournment Proposal, you may vote "**FOR**", "**AGAINST**" or "**ABSTAIN**". Abstentions and other shares not voted (whether by broker non-votes, if any, or otherwise) will not have an effect on the CYS Adjournment Proposal, provided that a quorum is otherwise present.

Properly executed proxy cards with no instructions indicated on the proxy card will be voted "**FOR**" the Merger Proposal, "**FOR**" the CYS Non-Binding Compensation Advisory Proposal and "**FOR**" the CYS Adjournment Proposal.

In addition, if your shares are held in the name of a bank, broker or other nominee, your bank, broker or other nominee will not vote your shares in the absence of specific instructions from you on how to vote your shares. These "broker non-votes" (if any) and abstentions will have the same effect as a vote against the Merger Proposal.

Q: **Who is entitled to vote at the CYS special meeting?**

A: All holders of CYS Common Stock as of the close of business on June 22, 2018, the record date for the CYS special meeting, are entitled to vote at the CYS special meeting, unless a new record date is fixed for any adjournment or postponement of the CYS special meeting. As of the record date, there were [•] issued and outstanding shares of CYS Common Stock. Each holder of CYS Common Stock on the record date is entitled to one vote per share. Holders of CYS Preferred Stock will not be entitled to vote on any matter at the CYS special meeting.

Table of Contents

Q: **How will CYS stockholders be affected by the Merger?**

A: Under the terms of the Merger Agreement, holders of CYS Common Stock will receive (i) the Per Share Cash Consideration and (ii) a number of shares of Two Harbors Common Stock for each share of CYS Common Stock owned by them immediately prior to the completion of the Merger based on the Exchange Ratio, which will be publicly announced at least five business days prior to the special meeting of CYS stockholders. As such, after the Merger is completed, CYS Common Stock will no longer be listed on the NYSE and will be deregistered under the Exchange Act, and former CYS common stockholders are expected to own in the aggregate approximately 30% of the Combined Company's fully diluted equity. Also as a result of the Merger, each share of CYS Series A Preferred Stock will be converted into the right to receive one share of newly classified Two Harbors Series D Preferred Stock, and each share of CYS Series B Preferred Stock will be converted into the right to receive one share of newly classified Two Harbors Series E Preferred Stock.

The following questions and answers apply to Two Harbors stockholders and CYS stockholders:

Q: **Have any Two Harbors common stockholders or CYS common stockholders already agreed to vote in favor of the proposals?**

A: To either Two Harbors' or CYS's knowledge, no Two Harbors common stockholder has entered into any agreement to vote any of their shares of Two Harbors Common Stock either in favor or against any proposal at the Two Harbors special meeting, and no CYS common stockholder has entered into any agreement to vote any of their shares of CYS Common Stock either in favor or against any proposal at the CYS special meeting.

Q: **What happens if I sell my stock before the special meetings?**

A: The record date for each company's special meeting is earlier than the date of each company's special meeting and the date that the Merger is expected to be completed. If you sell your stock after your company's record date but before the date of your company's special meeting, you will retain any right to vote at your company's special meeting, but, for CYS stockholders, you will have transferred your right to receive the merger consideration. For CYS stockholders, in order to receive the merger consideration, you must hold your stock through completion of the Merger.

Q: **What is the difference between a stockholder of record and a beneficial owner?**

A: If your shares of Two Harbors Common Stock or CYS Common Stock are registered directly in your name with Two Harbors' or CYS's transfer agent, respectively, you are considered the stockholder of record with respect to those shares.

If your shares of Two Harbors Common Stock or CYS Common Stock are held in a stock brokerage account, or by a bank, trustee or other nominee, you are considered the beneficial owner of shares held in "street name." As the beneficial owner, you have the right to direct your broker, bank, trustee or nominee on how to vote the shares that you beneficially own and you are also invited to attend the applicable special meeting. However, beneficial owners generally cannot vote their shares directly because they are not the stockholder of record; instead, beneficial owners must instruct the broker, bank, trustee or other nominee how to vote their shares.

Q:
How do I vote?

A:
Stockholders of Record. If you are a stockholder of record of Two Harbors or CYS, you may have your shares of Two Harbors Common Stock or CYS Common Stock voted on the matters to be presented at the applicable special meeting in any of the following ways:

To authorize a proxy through the Internet, visit the website set forth on the proxy card you received. You will be asked to provide the control number from the enclosed proxy card. Proxies authorized through the Internet must be received by 11:59 p.m., Eastern Time, on July 26, 2018.

You will be asked to provide the control number from the enclosed proxy card. Proxies authorized by telephone or through the Internet must be received by 11:59 p.m., Eastern Time, on July 26, 2018.

To authorize a your proxy by mail, complete, date and sign each proxy card you receive and return it as promptly as practicable in the enclosed prepaid envelope. If you sign and return your proxy card, but do not mark the boxes showing how you wish to vote, your shares of common stock will be voted "**FOR**" the Two Harbors Common Stock Issuance Proposal, the Two Harbors Adjournment Proposal, the Merger Proposal, the CYS Non-Binding Compensation Advisory Proposal and the CYS Adjournment Proposal, as applicable.

If you intend to vote in person, please bring proper identification, together with proof that you are a record owner of shares of the applicable company.

Beneficial Owners. If your shares of Two Harbors or CYS are held in "street name," please refer to the instructions provided by your broker, bank, trustee or other nominee to see which of the above choices are available to you. Please note that if you are a holder in "street name" and wish to vote in person at the special meeting, you must obtain a legal proxy from broker, bank, trustee or other nominee. Please also see the question and answer referencing "street name" shares below.

Q:
What happens if I am both a Two Harbors common stockholder and a CYS common stockholder?

A:
If you are both a Two Harbors common stockholder and a CYS common stockholder, you are entitled to vote at the special meeting of each company. You will receive separate proxy cards for each company and must complete, sign and date each proxy card and return each proxy card in the appropriate preaddressed postage-paid envelope or, if available, by authorizing a proxy to vote your shares by one of the other methods specified in your proxy card or voting instruction card for each company.

Q:
If I am a beneficial owner of Two Harbors or CYS shares, will my broker, bank or other nominee vote my shares for me?

A:
No. If you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in "street name"), you must provide your broker, bank or other nominee with instructions on how to vote your shares. Unless you instruct your broker, bank or other nominee to vote your shares held in street name, your shares will **NOT** be voted. You should follow the procedures provided by your bank, broker or nominee regarding the voting of your shares.

Table of Contents

Q:
How can I revoke or change my vote?

A:
You may revoke your proxy at any time before the vote is taken at the special meeting of the company of which you are a stockholder in any of the following ways:

authorizing a later proxy by telephone or through the Internet prior to 11:59 p.m., Eastern Time, on July 26, 2018;

filing with the Secretary of the applicable company, before the taking of the vote at the applicable company's special meeting, a written notice of revocation bearing a later date than the proxy card;

duly executing a later dated proxy card relating to the same shares and delivering it to the Secretary of the applicable company before the taking of the vote at the applicable company's special meeting; or

voting in person at the applicable company's special meeting.

Your attendance at the applicable company's special meeting does not automatically revoke your previously submitted proxy. If you have instructed your bank, broker or other nominee to vote your shares, the options described above for revoking your proxy do not apply. Instead, you must follow the directions provided by your bank, broker or other nominee to change your vote.

Q:
When is the Merger expected to be consummated?

A:
The Merger is expected to be consummated by the end of the third quarter of 2018, although Two Harbors and CYS cannot assure completion by any particular date, if at all. Because the Merger is subject to a number of conditions, including the approval of the Two Harbors Common Stock Issuance Proposal by the requisite vote of the Two Harbors common stockholders and the Merger Proposal by the requisite vote of the CYS common stockholders, the exact timing of the Merger cannot be determined at this time and Two Harbors and CYS cannot guarantee that the Merger will be completed at all.

Q:
Following the Merger, what percentage of Two Harbors Common Stock will current Two Harbors common stockholders and CYS common stockholders own?

A:
Following the completion of the Merger:

the shares of Two Harbors Common Stock held by the current Two Harbors common stockholders are expected to represent in the aggregate approximately 70% of the Combined Company's fully diluted equity; and

former CYS common stockholders are expected to own in the aggregate the remaining approximately 30% of the Combined Company's fully diluted equity.

Q:
What happens if the Merger is not completed?

A:
If the Two Harbors Common Stock Issuance Proposal or the Merger Proposal is not approved by Two Harbors common stockholders or CYS common stockholders, respectively, or if the Merger is not completed for any other reason, CYS common stockholders will not have their CYS Common Stock exchanged for Two Harbors Common Stock and cash in connection with the Merger. Instead, CYS and Two Harbors would remain separate companies. Under certain circumstances, Two Harbors may be required to pay CYS a termination fee or an expense amount, or CYS may be required to pay Two Harbors a termination fee or expense amount, as described

under "The Merger Agreement Termination Fees and Expenses" beginning on page 144.

Table of Contents

Q: **Am I entitled to exercise appraisal rights?**

A: No. Neither holders of Two Harbors Common Stock nor holders of CYS Common Stock will be entitled to appraisal rights.

Q: **Will Two Harbors have the same business strategy as CYS following the Merger?**

A: No. The Combined Company will follow Two Harbors' current business strategy of investing in, financing and managing Agency residential mortgage-backed securities, non-Agency securities, MSR and other financial assets. See "Description of Policies of Two Harbors" on page 199.

Q: **Will my dividend payments continue after the Merger?**

A: Following completion of the Merger, holders of Two Harbors Common Stock will be entitled to receive dividend or other distributions when, as and if declared by the Two Harbors Board out of funds legally available therefor.

Q: **Are there risks associated with the Merger that I should consider in deciding how to vote?**

A: Yes. There are a number of risks related to the Merger that are discussed in this joint proxy statement/ prospectus described in the section entitled "Risk Factors" beginning on page 42.

Q: **What are the material U.S. federal income tax consequences of the Merger to CYS common stockholders and Two Harbors common stockholders?**

A: Assuming that the Merger is completed as currently contemplated, Two Harbors and CYS expect that the receipt of (i) cash and Two Harbors Common Stock in exchange for CYS Common Stock, (ii) Two Harbors Series D Preferred Stock in exchange for CYS Series A Preferred Stock, or (iii) Two Harbors Series E Preferred Stock in exchange for CYS Series B Preferred Stock, as applicable, by U.S. stockholders pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes. Generally, for U.S. federal income tax purposes, U.S. stockholders of CYS Common Stock will recognize gain or loss as a result of the Merger measured by the difference, if any, between (i) the sum of the fair market value of the Two Harbors Common Stock received and the amount of any cash received, and (ii) the stockholder's adjusted tax basis in its CYS Common Stock. In addition, generally, for U.S. federal income tax purposes, U.S. stockholders of CYS Series A Preferred Stock or CYS Series B Preferred Stock will recognize gain or loss as a result of the Merger measured by the difference, if any, between (i) the fair market value of the Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock received, as applicable, and (ii) the stockholder's adjusted tax basis in its CYS Series A Preferred Stock or CYS Series B Preferred Stock, as applicable. Because the consideration to be given to stockholders of (i) CYS Common Stock consists primarily of Two Harbors Common Stock and (ii) CYS Series A Preferred Stock and CYS Series B Preferred Stock consists solely of Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, respectively, U.S. stockholders of CYS Stock, may need to sell their Two Harbors stock received in the Merger, or raise cash from other sources, to pay any tax obligations resulting from the Merger. Generally, non-U.S. stockholders are not expected to be subject to U.S. federal income tax or U.S. federal withholding tax on any gain recognized from the Merger. See "Material U.S. Federal Income Tax Consequences Consequences of the Merger to Non-U.S. Stockholders of CYS Stock." Two Harbors and CYS anticipate that the Merger will have no material U.S. federal income tax consequences to Two Harbors stockholders who do not own any CYS Stock.

The tax consequences to you of the Merger will depend on your own situation. You should consult your tax advisor for a full understanding of the tax consequences to you of the Merger. For more

information regarding the tax consequences of the Merger to CYS stockholders, please see "Material U.S. Federal Income Tax Consequences" beginning on page 149.

Table of Contents

The Merger (Page 66)

Subject to the terms and conditions of the Merger Agreement, the Merger will be consummated whereby Merger Sub will merge with and into CYS, with CYS continuing as the surviving corporation. As a result of the Merger, CYS will be an indirect, wholly owned subsidiary of Two Harbors.

Upon completion of the Merger, the continuing Two Harbors common stockholders are expected to own in the aggregate approximately 70% of the Combined Company's fully diluted equity, and the former CYS common stockholders are expected to own in the aggregate the remaining approximately 30%. Once the Merger is consummated, the Combined Company will retain the name "Two Harbors Investment Corp.", will continue to be listed on the NYSE, and its shares will trade under the symbol "TWO".

Consideration for the Merger (Page 125)

Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, at the effective time of the Merger, each outstanding share of CYS Common Stock will be converted into the right to receive from Two Harbors (a) a number of shares of Two Harbors Common Stock equal to the "Exchange Ratio," determined by dividing (i) (a) CYS adjusted book value per share, multiplied by (b) 96.75% by (ii) (a) Two Harbors adjusted book value per share, multiplied by (b) 94.20%, in each case as determined in accordance with the Merger Agreement (the "Per Share Stock Consideration") and (b) \$15,000,000 divided by the sum of the number of shares of CYS Common Stock issued and outstanding immediately prior to the effective time of the Merger (excluding any cancelled shares), including outstanding CYS Restricted Stock that will vest upon completion of the Merger (less any shares surrendered for income tax purposes) (the "Per Share Cash Consideration") pursuant to the Merger Agreement.

Based on the number of shares of CYS Common Stock outstanding on March 31, 2018 and an assumed Exchange Ratio of 0.4872 based on the adjusted book value per share of Two Harbors Common Stock and CYS Common Stock as of March 31, 2018, calculated in accordance with the Merger Agreement, it is expected that approximately 75.7 million shares of Two Harbors Common Stock will be issued in connection with the Merger. The actual Exchange Ratio will be publicly announced at least five business days before the earlier of the special meetings of stockholders described below.

Also at the effective time of the Merger, each outstanding share of CYS Series A Preferred Stock will be converted into the right to receive one share of newly classified Two Harbors Series D Preferred Stock, and each outstanding share of CYS Series B Preferred Stock will be converted into the right to receive one share of newly classified Two Harbors Series E Preferred Stock.

No fractional shares of Two Harbors Common Stock will be issued in the Merger, and the value of any fractional interests to which a holder would otherwise be entitled will be paid in cash.

Certain factors considered by the Two Harbors Board in reaching its decision to authorize, approve and adopt the

Recommendation of the CYS Board and Its Reasons for the Merger (Page 81)

On April 25, 2018, after careful consideration, the CYS Board, acting upon the unanimous recommendation of a special committee of independent directors of CYS formed for the purpose of, among other things, evaluating and making a recommendation to the CYS Board with respect to the Merger Agreement and the other transactions contemplated therein, unanimously (i) determined that the Merger Agreement and the other transactions contemplated therein, including the merger of Merger Sub with and into CYS, are in the best interests of CYS and its stockholders, (ii) approved the Merger Agreement and declared that the transactions contemplated therein, including the Merger, are advisable, (iii) directed that the Merger and the other transactions contemplated by the Merger Agreement be submitted to the holders of CYS Common Stock for consideration at the CYS special meeting and (iv) recommended that the CYS common stockholders approve the Merger and the other transactions contemplated by the Merger Agreement. Certain factors considered by the CYS Board in reaching its decision to approve the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement can be found in the section entitled "The Merger Recommendation of the CYS Board and Its Reasons for the Merger" beginning on page 81.

The CYS Board unanimously recommends that CYS stockholders vote "**FOR**" the Merger Proposal, "**FOR**" the CYS Non-Binding Compensation Advisory Proposal and "**FOR**" the CYS Adjournment Proposal.

Summary of Risk Factors Related to the Merger (Page 42)

You should carefully consider the following important risks, together with all of the other information included in this joint proxy statement/prospectus and the risks related to the Merger and the related transactions described under the section "Risk Factors" beginning on page 42, before deciding how to vote:

The Merger is subject to a number of conditions which, if not satisfied or waived in a timely manner, would delay the Merger or adversely impact Two Harbors' and CYS's ability to complete the transaction.

Failure to consummate the Merger as currently contemplated or at all could adversely affect the price of Two Harbors Common Stock or CYS Common Stock and the future business and financial results of Two Harbors and CYS.

The Merger Agreement contains provisions that could discourage a potential competing acquirer of either Two Harbors or CYS or could result in any competing acquisition proposal being at a lower price than it might otherwise be.

The pendency of the Merger could adversely affect Two Harbors' and CYS's business and operations.

Following the Merger, the Combined Company may be unable to integrate Two Harbors' business and CYS's business successfully and realize the anticipated synergies or other expected benefits of the Merger on the anticipated timeframe or at all.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Table of Contents

Because the number of shares of Two Harbors Common Stock exchanged per share of CYS Common Stock is not fixed, any change in Two Harbors' adjusted book value per share or CYS's adjusted book value per share prior to setting the Exchange Ratio will affect the number of shares of Two Harbors Common Stock issued by Two Harbors and received by CYS common stockholders at the Closing.

The Merger and related transactions are subject to Two Harbors common stockholder approval and CYS common stockholder approval.

Two Harbors common stockholders and CYS common stockholders will be diluted by the Merger.

If the Merger is not consummated by October 31, 2018, either Two Harbors or CYS may terminate the Merger Agreement.

The market price of Two Harbors Common Stock may decline as a result of the Merger and the market price of Two Harbors Common Stock after the consummation of the Merger may be affected by factors different from those affecting the price of Two Harbors Common Stock or the price of CYS Common Stock before the Merger.

An adverse judgment in any litigation challenging the Merger may prevent the Merger from becoming effective or from becoming effective within the expected timeframe.

Following the Merger, the Combined Company may not pay dividends at or above the rate currently paid by Two Harbors or CYS.

The Combined Company will have a significant amount of indebtedness and may need to incur more in the future.

The Combined Company is expected to incur substantial expenses related and unrelated to the Merger.

The historical and unaudited pro forma condensed combined financial information included elsewhere in this joint proxy statement/prospectus may not be representative of the Combined Company's results after the Merger, and accordingly, you have limited financial information on which to evaluate the Combined Company following the Merger.

The Merger is expected to be taxable to U.S. stockholders of CYS Stock; however, the cash received by CYS stockholders in the Merger might not be sufficient to pay such tax.

Two Harbors would incur adverse tax consequences if it or CYS failed to qualify as a REIT for U.S. federal income tax purposes.

In connection with the Merger, the Two Harbors Board received a written opinion, dated April 25, 2018, from JMP, as to the fairness, from a financial point of view and as of the date of the opinion, to Two Harbors of the Per Share Stock Consideration (as defined in the Merger Agreement) to be paid by Two Harbors as part of the merger consideration. The full text of JMP's written opinion, which is attached to this joint proxy statement/prospectus as Annex B sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken. **JMP's opinion was directed and addressed to the Two Harbors Board (in its capacity as such) in connection with its consideration of the Merger. JMP's opinion did not address the underlying decision of the Two Harbors Board to proceed with or effect the Merger or the relative merits of the Merger as compared to any alternative strategy or transaction that might exist for Two Harbors. JMP's opinion does not constitute a recommendation as to how the Two Harbors Board or any Two Harbors common stockholder should act or vote with respect to the Merger or any other matter.**

Opinion of CYS's Financial Advisor, Barclays Capital Inc. (Page 92)

Barclays was engaged to act as a financial advisor to the CYS board in connection with a potential transaction involving CYS. At the CYS board meeting on April 25, 2018, Barclays rendered its oral opinion (which was subsequently confirmed in writing) to the CYS board that, as of such date and based upon and subject to the qualifications, limitations and assumptions set forth in the written opinion, the merger consideration to be offered to the holders of CYS common stock in the merger was fair, from a financial point of view, to such holders.

The full text of Barclays' written opinion, dated as of April 25, 2018, is attached to this joint proxy statement/prospectus as Annex C and incorporated by reference herein. Barclays' written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Barclays in rendering its opinion. You are encouraged to read the opinion carefully in its entirety. The summary of Barclays' opinion set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of the opinion. Barclays' opinion is addressed to the CYS board, addresses only the fairness, from a financial point of view, of the merger consideration to be offered to the holders of CYS common stock and does not constitute a recommendation to any stockholder of CYS as to how such stockholder should vote with respect to the merger or any other matter.

For more information, see "The Merger Opinion of CYS's Financial Advisor, Barclays Capital Inc." beginning on page 92 and Annex C.

Opinion of CYS's Financial Advisor, Credit Suisse Securities (USA) LLC (Page 101)

CYS has engaged Credit Suisse to act as a financial advisor to CYS in connection with the proposed merger. In connection with this engagement, Credit Suisse delivered an opinion, dated April 25, 2018, to the CYS board as to the fairness, from a financial point of view and as of the date of such opinion, of the merger consideration to be received by holders of CYS common stock (other than excluded holders (as defined below)) pursuant to the merger agreement. For purposes of Credit Suisse's analyses and opinion, the term "excluded holders" refers to, collectively, CYS, Two Harbors, Merger Sub and any of their respective wholly owned subsidiaries.

The full text of Credit Suisse's written opinion, dated April 25, 2018, is attached to this joint proxy statement/prospectus as Annex D and sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken by Credit Suisse in connection with such opinion. The description of Credit Suisse's opinion set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of Credit Suisse's opinion. Credit Suisse's opinion was provided to the CYS board (in its capacity as such) for its information in connection with its evaluation of the merger consideration from a financial point of view and did not address any other terms, aspects or implications of the proposed merger, the relative merits of the proposed merger or related transactions as compared to alternative transactions or strategies that might be available to CYS or the underlying business decision of the CYS board or CYS to proceed with the proposed merger or related transactions. Credit Suisse's opinion does not constitute advice or a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the proposed merger or otherwise.

Directors and Management of Two Harbors After the Merger (Page 115)

Following the consummation of the Merger, the number of directors on the Two Harbors Board will be increased to eleven, and will include all of the current nine directors of the Two Harbors Board and two additional independent directors from the CYS Board: James A. Stern and Karen Hammond. Each of the executive officers of Two Harbors immediately prior to the effective time of the Merger will continue as an executive officer of the Combined Company following the effective time of the Merger.

Interests of Two Harbors Directors and Executive Officers in the Merger (Page 115)

In considering the recommendation of the Two Harbors Board to approve the Two Harbors Common Stock Issuance, Two Harbors common stockholders should be aware that directors and executive officers of Two Harbors have certain interests in the Merger that may be different from, or in addition to, the interests of Two Harbors common stockholders generally and that may present actual or potential conflicts of interests. The Two Harbors Board was aware of these interests and considered them, among other matters, in reaching its decision to approve the Merger Agreement and the transactions contemplated thereby.

The Combined Company will continue to be managed by PRCM Advisers under the terms of the Management Agreement. Under the Management Agreement, PRCM Advisers provides the day-to-day management of Two Harbors' business, including providing Two Harbors with its executive officers and all other personnel necessary to support its operations. In exchange for its services, Two Harbors pays PRCM Advisers a management fee as well as reimburses it for certain expenses incurred by it and its affiliates in rendering management services to Two Harbors. Pine River is the parent of PRCM Advisers. Certain directors and executive officers of Two Harbors are partners and employees of Pine River.

Pursuant to the Management Agreement, Two Harbors pays PRCM Advisers a base management fee equal to 1.5% per annum of its stockholders' equity, which is calculated and payable quarterly in arrears. Following the Merger, Two Harbors stockholders' equity will include the additional equity attributable to the acquisition of CYS, thus the amount of the management fees payable to PRCM Advisers will also increase, which gives PRCM Advisers and its parent, Pine River (and therefore, Two Harbors' management), an incentive, not shared by Two Harbors stockholders, to negotiate and effect the Merger, possibly on terms less favorable to Two Harbors than would otherwise have been achieved. However, in connection with the Merger, PRCM Advisers has agreed to amend the Management

Table of Contents

Agreement to provide for: (i) a reduction in the base management fee PRCM Advisers charges Two Harbors with respect to the additional equity under management resulting from the Merger from 1.5% of stockholders' equity on an annualized basis to 0.75% through the first anniversary of the Closing; (ii) a one-time downward adjustment of \$15,000,000 to the management fees payable by Two Harbors for the quarter in which the Merger closes; and (iii) a one-time downward adjustment of up to \$3.3 million in the management fees payable by Two Harbors for the quarter in which the Merger occurs in order to reimburse Two Harbors for certain expenses it incurs in connection with the Merger. In the event the total amount of the management fee payable for the quarter referenced in clauses (ii) and (iii) above is less than the aggregate amount of the Adjustments, PRCM Advisers will pay to Two Harbors in immediately available funds the difference between (i) such Adjustments and (ii) the base management fee payable to PRCM Advisers with respect to such quarter.

The Fourth Amendment to the Management Agreement between Two Harbors and PRCM Advisers was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to Two Harbors as if it had been negotiated with an unaffiliated third party.

For additional information, see "The Merger Interests of Two Harbors' Directors and Executive Officers in the Merger" beginning on page 115.

Interests of CYS's Directors and Executive Officers in the Merger (Page 116)

In considering the CYS Board's recommendation for CYS stockholders to approve the Merger Proposal and the CYS Non-Binding Compensation Advisory Proposal, CYS stockholders should be aware that directors and executive officers of CYS have interests in the Merger that may be different from, or in addition to, the interests of CYS stockholders generally and that may present actual or potential conflicts of interests. These interests include:

immediately prior to the effective time of the Merger, each outstanding award of CYS Restricted Stock granted pursuant to the CYS Stock Plan will automatically vest in full and any forfeiture restrictions applicable to such shares of CYS Restricted Stock shall immediately lapse. As a result, each share of CYS Restricted Stock (less any shares surrendered for income tax purposes) will be treated as a share of CYS Common Stock for all purposes of the Merger, including the right to receive the merger consideration; and

continued indemnification and insurance coverage for the directors and executive officers of CYS in accordance with the Merger Agreement.

In addition, CYS maintains Employment Agreements with each of Messrs. Grant, DeCicco, Cleary, and Rosenbloom, which provide for payments and other benefits if the individual's employment terminates for a qualifying event or circumstance, such as being terminated without "cause" or leaving employment for "good reason," as these terms are defined in the Employment Agreements. Upon the termination of such individual's employment by CYS or Two Harbors other than for cause, or by such individual for good reason, the individual would be eligible to receive, among other benefits, (i) a lump sum severance payment equal to 2.5 in the case of Mr. Grant and 1.0 in the case of Messrs. DeCicco, Cleary, and Rosenbloom, multiplied by the average of the sum of such individual's base salary and bonus earned during the shorter of (a) the three (3) fiscal years immediately preceding the year in which the termination of employment occurs or (b) the period of time beginning on the date of the individual's employment agreement and ending on the termination date of such individual's employment, (ii) a pro rata bonus for the year of termination, and (iii) certain benefit continuation rights for up to 24 months for Mr. Grant and up to 12 months for Messrs. DeCicco, Cleary, and Rosenbloom, following termination. In addition, under the agreement, such individuals are eligible to receive a "gross-up" payment, if applicable, related to any excise taxes imposed under Section 4999 of the Code.

Table of Contents

Upon Closing, each of James A. Stern and Karen Hammond, independent directors from the CYS Board, will be appointed to the Two Harbors Board and will be entitled to compensation pursuant to Two Harbors' independent director compensation program.

In connection with the approval of the execution of the Merger Agreement, the CYS Board approved an amendment to the Employment Agreements to clarify payment mechanics and timing of severance amounts that may become payable pursuant to the Employment Agreements following a qualifying termination of employment with CYS.

Treatment of CYS Restricted Stock

Pursuant to the Merger Agreement, immediately prior to the effective time of the Merger, each outstanding award of shares of CYS Restricted Stock granted pursuant to the CYS Stock Plan will automatically vest in full and any forfeiture restrictions applicable to such shares of CYS Restricted Stock shall immediately lapse. As a result, each share of CYS Restricted Stock (less any shares surrendered for income tax purposes) will be treated as a share of CYS Common Stock for all purposes of the Merger, including the right to receive the merger consideration.

Fourth Amendment to the Management Agreement (Page 148)

In connection with the Merger Agreement, the Management Agreement was amended pursuant to the Fourth Amendment to the Management Agreement so as to (a) reduce PRCM Advisers' base management fee with respect to the additional equity under management resulting from the Merger and the transactions contemplated by the Merger Agreement to 0.75% from the effective time of the Merger through the first anniversary of such effective time and (b) for the fiscal quarter in which the Closing occurs, make a one-time downward adjustment of \$15 million to the management fees payable by Two Harbors for such quarter to offset the Per Share Cash Consideration payable to stockholders of CYS, plus up to an additional \$3.3 million downward adjustment for certain transaction-related expenses.

Conditions to Complete the Merger (Page 141)

A number of conditions must be satisfied or, to the extent permitted by law, waived before the Merger can be consummated. These include, among others:

the approval of the Merger Proposal by CYS common stockholders;

the approval of the Two Harbors Common Stock Issuance Proposal by Two Harbors common stockholders;

effectiveness of the registration statement on Form S-4, of which this joint proxy statement/prospectus constitutes a part, and no stop order suspending the effectiveness of the Form S-4 having been initiated or threatened by the SEC;

no injunction or law prohibiting the Merger;

approval for listing on the NYSE of the shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock to be issued in the Merger or reserved therefor, subject to official notice of issuance;

accuracy of each party's representations, subject in most cases to materiality or material adverse effect qualifications;

the absence of a material adverse effect on either Two Harbors or CYS;

material performance and compliance with each party's covenants; and

Table of Contents

the receipt of tax opinions relating to the REIT status of each of Two Harbors and CYS.

Regulatory Approvals Required for the Merger (Page 120)

Two Harbors and CYS are not aware of any material federal or state regulatory requirements that must be complied with, or approvals that must be obtained, in connection with the Merger or the other transactions contemplated by the Merger Agreement.

Listing of Two Harbors Common Stock and Deregistration of CYS Common Stock (Page 122)

It is a condition to the completion of the Merger that the shares of Two Harbors Common Stock issuable in connection with the Merger be approved for listing on the NYSE, subject to official notice of issuance. After the Merger is completed, the CYS Common Stock will no longer be listed on the NYSE and will be deregistered under the Exchange Act.

Accounting Treatment (Page 120)

Each of Two Harbors and CYS prepare their financial statements in accordance with GAAP. The Merger will be accounted for as an asset acquisition, with Two Harbors treated as the acquirer. For more information, see "Accounting Treatment" beginning on page 120.

Comparison of Rights of Two Harbors Common Stockholders and CYS Common Stockholders (Page 195)

Holders of CYS Common Stock will have different rights following the effective time of the Merger because they will hold shares of Two Harbors Common Stock instead of shares of CYS Common Stock, and there are differences between the governing documents of Two Harbors and CYS. For more information regarding the differences in rights of Two Harbors common stockholders and CYS common stockholders, see "Comparison of Rights of Two Harbors Common Stockholders and CYS Common Stockholders" beginning on page 195.

Appraisal Rights (Page 121)

Neither holders of Two Harbors Common Stock nor holders of CYS Common Stock will be entitled to appraisal rights.

No Solicitation; Change in Recommendations (Page 138)

From and after the date of the Merger Agreement until the effective time of the Merger or if earlier, the termination of the Merger Agreement, each of Two Harbors and CYS will not, and will cause its subsidiaries and will instruct its representatives not to, among other things, directly or indirectly:

initiate, solicit or knowingly encourage the making of a Competing Proposal (as defined in "The Merger Agreement Competing Proposals" beginning on page 138);

engage in any discussions or negotiations with any person with respect to a Competing Proposal or furnish any non-public information regarding Two Harbors or CYS or any of their subsidiaries, as applicable, or access to the properties, assets or employees of Two Harbors or CYS or any of their subsidiaries, as applicable, to any person in connection with or in response to any Competing Proposal;

enter into any binding or nonbinding letter of intent or agreement in principle, or other agreement providing for a Competing Proposal (other than certain confidentiality agreements);

Table of Contents

withdraw, modify or qualify, or propose publicly to withdraw, modify or qualify, in a manner adverse to the other party, the Two Harbors board recommendation or the CYS board recommendation, as applicable, or publicly recommend the approval or adoption of, or publicly approve or adopt, any Competing Proposal;

fail to include the Two Harbors board recommendation or the CYS board recommendation, as applicable, in this joint proxy statement or any amendment or supplement thereto; or

fail publicly to reaffirm without qualification the Two Harbors board recommendation or the CYS board recommendation, as applicable, within five business days after the written request of the other party following a Competing Proposal that has been publicly announced (or such fewer number of days as remain prior to the Two Harbors special meeting or CYS special meeting, as applicable, as it may be adjourned or postponed).

Notwithstanding the restrictions set forth above, at any time prior to obtaining the applicable approval of their stockholders at their respective stockholder meetings, each of Two Harbors and CYS may, directly or indirectly through one or more of its representatives, engage in discussions or negotiations with any person with respect to a Competing Proposal or furnish non-public information regarding Two Harbors or CYS or any of their subsidiaries, or access to the properties, assets or employees of Two Harbors or CYS or any of their subsidiaries, to any person in connection with or in response to a Competing Proposal, in either case, if certain conditions are met and such proposal is reasonably expected to lead to a Superior Proposal.

At any time prior to obtaining the applicable approval of their stockholders at their respective stockholder meetings, each of Two Harbors and CYS may effect a change in its board recommendation (i) in response to a *bona fide* written Competing Proposal from a third party that was not solicited at any time following the execution of the Merger Agreement and did not arise from a material breach of the obligations set forth in certain provisions of the Merger Agreement, if the Two Harbors Board or the CYS Board, as applicable, so chooses, and (ii) if the Two Harbors Board or the CYS Board, as applicable, determines in good faith, after consultation with outside legal counsel, that the failure to take such action would be inconsistent with its legal duties under applicable law and Two Harbors or CYS, as applicable, have given notice to the other party that it intends to effect a change in its board recommendation. Additionally, CYS may terminate the Merger Agreement, if prior to taking such action, among other things, the CYS Board determines in good faith after consultation with its financial advisors and outside legal counsel that such CYS Competing Proposal is a CYS Superior Proposal and the CYS Board has approved, and concurrently with the termination thereunder, CYS enters into, a definitive agreement providing for the implementation of such CYS Superior Proposal.

For more information regarding what constitutes a "Competing Proposal" and what constitutes a "CYS Superior Proposal," see "The Merger Agreement Competing Proposals" beginning on page 138.

Termination of the Merger Agreement (Page 143)

The Merger Agreement may be terminated at any time before the effective time of the Merger by the mutual written consent of Two Harbors and CYS.

The Merger Agreement may also be terminated prior to the effective time of the Merger by either Two Harbors or CYS if:

any governmental entity of competent jurisdiction has issued a final and non-appealable order, decree, ruling or injunction or taken any other action permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger, or if there shall have been adopted prior to the effective time of the Merger any law that permanently makes the consummation of the Merger illegal or otherwise permanently prohibited;

the Merger has not been consummated on or before 5:00 p.m. New York, New York time, on October 31, 2018 (the "End Date") (provided that this termination right will not be available to any party whose breach of any representation, warranty, covenant or agreement contained in this Agreement has been the cause of or resulted in the failure of the Merger to occur on or before such date);

the other party breaches any of its representations, warranties, covenants or other agreements (other than a breach of its non-solicitation covenant), if such breach resulted in a failure of a closing condition, and such breach cannot be or has not been cured within 30 days (or, if earlier, the End Date), provided that the other party may not terminate if such other party is similarly in breach;

the other party commits a willful and material breach of its non-solicitation covenant;

Two Harbors common stockholders have failed to approve the issuance of shares of Two Harbors Common Stock in connection with the Merger, or CYS common stockholders have failed to approve Merger and the other transactions contemplated by the Merger Agreement, as applicable; or

the other party's board of directors has effected a change in its board recommendation prior to the time that such party has obtained the applicable approval of its stockholders at its respective stockholder meeting.

In addition to the termination rights set forth above, CYS may also terminate the Merger Agreement upon entering into a definitive agreement providing for the implementation of a CYS Superior Proposal.

For more information regarding termination of the Merger Agreement, see "The Merger Agreement Termination of the Merger Agreement" beginning on page 143.

Termination Fees and Expenses (Page 144)

Generally, all fees and expenses incurred in connection with the Merger and the other transactions contemplated by the Merger Agreement will be paid by the party incurring those fees and expenses; provided that, in certain circumstances, Two Harbors may be obligated to pay to CYS a termination fee of \$51.8 million or an expense amount equal to \$20.6 million, or CYS may be obligated to pay to Two Harbors a termination fee of \$43.2 million or an expense amount equal to \$8.6 million.

For further discussion of the termination fees, see "The Merger Agreement Termination Fees and Expenses" beginning on page 144.

Litigation Relating to the Merger (Page 123)

Four putative class action lawsuits have been filed by purported stockholders of CYS. The first suit, styled as *Fran Stone v. CYS Investments, Inc., et al.*, No. 1:18-cv-11156 (the "Stone Lawsuit"), was filed in the United States District Court for the District of Massachusetts on June 1, 2018 and asserts claims against CYS, certain of its directors, Merger Sub and Two Harbors (collectively, the "Stone Defendants"). The second suit, styled as *Jordan Rosenblatt v. CYS Investments, Inc., et al.*, No.1:18-cv-11220 (the "Rosenblatt Lawsuit"), was filed in the United States District Court for the District of Massachusetts on June 11, 2018 and asserts claims against the Stone Defendants and certain additional CYS directors not named in the Stone Lawsuit (collectively, the "Rosenblatt Defendants"). The third suit, styled as *Peter Enzinna v. CYS Investments, Inc., et al.*, No. 1:18-cv-11238 (the "Enzinna Lawsuit"), was filed in the United States District Court for the District of Massachusetts on June 13, 2018 and asserts claims against CYS and certain of its directors (collectively, the "Enzinna Defendants"). The fourth suit, styled as *Arthur Ruscher v. CYS Investments, Inc., et al.*,

Table of Contents

No. 1:18-cv-01763 (the "Ruscher Lawsuit" and, with the Stone, Rosenblatt, and Enzinna Lawsuits, the "Lawsuits"), was filed in the United States District Court for the District of Maryland on June 14, 2018 and asserts claims against the Enzinna Defendants (the "Ruscher Defendants").

The Lawsuits allege that the defendants violated Section 14(a) of the Exchange Act and Rule 14a-9 promulgated thereunder and/or Section 20(a) of the Exchange Act by disseminating and/or causing to be disseminated an allegedly materially incomplete and misleading registration statement.

The Stone Lawsuit seeks, among other things: preliminary and permanent injunctive relief preventing the Stone Defendants from filing with the SEC (or otherwise disseminating) an amendment to the registration statement or consummating the Merger, in each case unless and until the Stone Defendants disclose additional information identified in the complaint; rescission of the Merger or rescissory damages if the Merger is consummated prior to entry of final judgment by the court; an accounting of any damages suffered as a result of the Stone Defendants' alleged wrongdoing; and litigation costs (including attorneys' and expert fees and expenses). The Rosenblatt Lawsuit seeks, among other things: preliminary and permanent injunctive relief preventing the Rosenblatt Defendants from proceeding with, consummating, or closing the Merger; rescission of the Merger or rescissory damages if the Merger is consummated prior to entry of final judgment by the court; the filing of an amendment to the registration statement that does not contain any untrue statements of material fact and that states all material facts required in it or necessary to make the statements contained therein not misleading; a declaration that the Rosenblatt Defendants violated Section 14(a) and/or Section 20(a) of the Exchange Act and Rule 14a-9 promulgated thereunder; and litigation costs (including attorneys' and expert fees and expenses). The Enzinna Lawsuit seeks, among other things: preliminary and permanent injunctive relief preventing the Enzinna Defendants from proceeding with, consummating, or closing the Merger unless and until the Enzinna Defendants disclose additional information identified in the complaint; rescission of the Merger or rescissory damages if the Merger is consummated prior to entry of final judgment by the court; a declaration that the Enzinna Defendants violated Section 14(a) and/or Section 20(a) of the Exchange Act and Rule 14a-9 promulgated thereunder; and litigation costs (including attorneys' and expert fees and expenses). The Ruscher Lawsuit seeks, among other things: injunctive relief preventing the Ruscher Defendants from proceeding with, consummating, or closing the Merger unless and until the Ruscher Defendants disclose additional information identified in the complaint; an accounting of any damages suffered as a result of the Ruscher Defendants' alleged wrongdoing; and litigation costs (including attorneys' and expert fees and expenses).

Two Harbors and CYS believe that the claims asserted in the Lawsuits are without merit and intend to defend vigorously against the Lawsuits.

For more information, see "Litigation Relating to the Merger" on page 123.

Material U.S. Federal Income Tax Consequences (Page 149)

Assuming that the Merger is completed as currently contemplated, CYS and Two Harbors expect that the receipt of (i) cash and Two Harbors Common Stock in exchange for CYS Common Stock, (ii) Two Harbors Series D Preferred Stock in exchange for CYS Series A Preferred Stock, or (iii) Two Harbors Series E Preferred Stock in exchange for CYS Series B Preferred Stock, as applicable, by U.S. stockholders pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes. Generally, for U.S. federal income tax purposes, U.S. stockholders of CYS Common Stock will recognize gain or loss as a result of the Merger measured by the difference, if any, between (i) the sum of the fair market value of the Two Harbors Common Stock received and the amount of any cash received, and (ii) the stockholder's adjusted tax basis in its CYS Common Stock. In addition, generally, for U.S. federal income tax purposes, U.S. stockholders of CYS Series A Preferred Stock or CYS Series B Preferred Stock will recognize gain or loss as a result of the Merger measured by the

Table of Contents

difference, if any, between (i) the fair market value of the Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock received, as applicable, and (ii) the stockholder's adjusted tax basis in its CYS Series A Preferred Stock or CYS Series B Preferred Stock, as applicable. Because the consideration to be given to stockholders of (i) CYS Common Stock consists primarily of Two Harbors Common Stock and (ii) CYS Series A Preferred Stock and CYS Series B Preferred Stock consists solely of Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, respectively, U.S. stockholders of CYS Stock may need to sell their Two Harbors stock received in the Merger, or raise cash from other sources, to pay any tax obligations resulting from the Merger. Generally, non-U.S. stockholders are not expected to be subject to U.S. federal income tax or U.S. federal withholding tax on any gain recognized from the Merger. See "Material U.S. Federal Income Tax Consequences - Consequences of the Merger to Non-U.S. Stockholders of CYS Stock." CYS and Two Harbors anticipate that the Merger will have no material U.S. federal income tax consequences to Two Harbors stockholders who do not own any CYS stock.

The tax consequences to you of the Merger will depend on your own situation. You should consult your tax advisor for a full understanding of the tax consequences to you of the Merger. For more information regarding the U.S. federal income tax consequences of the Merger to CYS stockholders, please see "Material U.S. Federal Income Tax Consequences of the Merger" beginning on page 149.

information in the table is unaudited. You should read the table below together with the historical consolidated financial statements and related notes thereto of Two Harbors and CYS contained in Two Harbors' Annual Report on Form 10-K for the year ended December 31, 2017, CYS's Annual Report on Form 10-K for the year ended December 31, 2017, and each of Two Harbors' and CYS's respective Quarterly Reports on Form 10-Q for the quarter ended March 31, 2018, all of which are incorporated herein by reference into this joint proxy statement/prospectus. See "Where You Can Find More Information and Incorporation by Reference" beginning on page 210.

The Two Harbors pro forma combined amounts were calculated using the methodology as described above under the heading "Unaudited Pro Forma Condensed Combined Financial Statements," and are subject to all the assumptions, adjustments and limitations described thereunder. The unaudited pro forma condensed combined balance sheet data gives effect to the Merger as if it occurred on March 31, 2018. The unaudited pro forma condensed combined statements of operations data gives effect to the Merger as if it occurred on January 1, 2017. The unaudited pro forma condensed combined financial statements are not necessarily indicative of what the actual financial position and operating results would have been had the Merger occurred on March 31, 2018 or January 1, 2017, respectively, nor do they purport to represent Two Harbors' future financial position or operating results. The CYS pro forma equivalent amounts were calculated by multiplying the Two Harbors pro forma combined amounts by the assumed Exchange Ratio of 0.4872 based on the adjusted book value per share of Two Harbors Common Stock and CYS Common Stock as of March 31, 2018, calculated in accordance with the Merger Agreement.

RISK FACTORS

In addition to other information included elsewhere in this joint proxy statement/prospectus and in the annexes to this joint proxy statement/prospectus, including the matters addressed in the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 51, you should carefully consider the following risk factors in deciding whether to vote for the Two Harbors Common Stock Issuance Proposal or the Merger Proposal. In addition, you should read and consider the risks associated with the businesses of each of Two Harbors and CYS. These risks can be found in the Annual Report on Form 10-K for the year ended December 31, 2017 and Quarterly Report on Form 10-Q for the quarter ended March 31, 2018 of CYS and the Annual Report on Form 10-K for the year ended December 31, 2017 and Quarterly Report on Form 10-Q for the quarter ended March 31, 2018 of Two Harbors, which reports are incorporated by reference into this joint proxy statement/prospectus, including particularly the sections therein titled "Risk Factors" and "Tax Risks". You should also read and consider the other information in this joint proxy statement/prospectus and the other documents incorporated by reference into this joint proxy statement/prospectus. Please also see "Where You Can Find More Information and Incorporation by Reference" on page 210.

Risks Related to the Merger

The Merger is subject to a number of conditions which, if not satisfied or waived in a timely manner, would delay the Merger or adversely impact Two Harbors' and CYS's ability to complete the transaction.

The completion of the Merger is subject to the satisfaction or waiver of a number of conditions. In addition, under circumstances specified in the Merger Agreement, Two Harbors or CYS may terminate the Merger Agreement. In particular, completion of the Merger requires (i) the approval of the Merger Proposal by the CYS common stockholders, and (ii) the approval of the Two Harbors Common Stock Issuance Proposal by Two Harbors common stockholders. While it is currently anticipated that the Merger will be completed shortly after the later of the CYS special meeting to approve the Merger Proposal and the Two Harbors special meeting to approve the Two Harbors Common Stock Issuance Proposal, there can be no assurance that the conditions to Closing will be satisfied in a timely manner or at all, or that an effect, event, circumstance, occurrence, development or change will not transpire that could delay or prevent these conditions from being satisfied. Accordingly, Two Harbors and CYS cannot provide any assurances with respect to the timing of the Closing, whether the Merger will be completed at all and when the CYS stockholders would receive the consideration for the Merger, if at all.

Failure to consummate the Merger as currently contemplated or at all could adversely affect the price of Two Harbors Common Stock or CYS Common Stock and the future business and financial results of Two Harbors and/or CYS.

Completion of the Merger is subject to the satisfaction or waiver of a number of conditions, including approval by the Two Harbors common stockholders of the Two Harbors Common Stock Issuance Proposal and approval by the CYS common stockholders of the Merger Proposal. Two Harbors and CYS cannot guarantee when or if these conditions will be satisfied or that the Merger will be successfully completed. The consummation of the Merger may be delayed, the Merger may be consummated on terms different than those contemplated by the Merger Agreement, or the Merger may not be consummated at all. If the Merger is not completed, or is completed on different terms than as contemplated by the Merger Agreement, Two Harbors and CYS could be adversely affected and subject to a variety of risks associated with the failure to consummate the Merger, or to consummate the Merger as contemplated by the Merger Agreement, including the following:

the Two Harbors stockholders and the CYS stockholders may be prevented from realizing the anticipated benefits of the Merger;

Table of Contents

the market price of Two Harbors Common Stock or CYS Common Stock could decline significantly;

reputational harm due to the adverse perception of any failure to successfully consummate the Merger;

Two Harbors and CYS being required, under certain circumstances, to pay to the other party a termination fee or expense amount;

incurrence of substantial costs relating to the proposed Merger, such as legal, accounting, financial advisor, filing, printing and mailing fees; and

the attention of Two Harbors' and CYS's management and employees may be diverted from their day-to-day business and operational matters as a result of efforts relating to attempting to consummate the Merger.

Any delay in the consummation of the Merger or any uncertainty about the consummation of the Merger on terms other than those contemplated by the Merger Agreement, or if the Merger is not completed, could materially adversely affect the business, financial results and stock price of Two Harbors and CYS.

The Merger Agreement contains provisions that could discourage a potential competing acquirer of either Two Harbors or CYS or could result in any competing acquisition proposal being at a lower price than it might otherwise be.

The merger agreement contains provisions that, subject to limited exceptions, restrict the ability of each of Two Harbors and CYS to solicit, initiate, knowingly encourage or facilitate any Competing Proposal. With respect to any written, bona fide Competing Proposal received by either Two Harbors or CYS, the other party generally has an opportunity to offer to modify the terms of the Merger Agreement in response to such proposal before the Two Harbors Board or CYS Board, as the case may be, or committee thereof, may withdraw or modify its recommendation to their respective stockholders in response to such Competing Proposal. In the event that either party's board of directors withdraws or modifies its recommendation, the other party may terminate the Merger Agreement, in which case CYS may be required to pay to Two Harbors a termination fee of \$43.2 million or Two Harbors may be required to pay to CYS a termination fee of \$51.8 million, payable by the party whose board withdrew or modified its recommendation. Similarly, such termination fees may be payable in certain circumstances if the Merger Agreement is terminated because of a failure to obtain stockholder approval following the announcement of a competing acquisition proposal. See "The Merger Agreement Competing Proposals" beginning on page 138, "The Merger Agreement Termination of the Merger Agreement" beginning on page 143 and "The Merger Agreement Termination Fees and Expenses" beginning on page 144.

These provisions could discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of Two Harbors or CYS from considering or proposing a competing acquisition, even if the potential competing acquirer was prepared to pay consideration with a higher per share cash value than that market value proposed to be received or realized in the Merger, or might result in a potential competing acquirer proposing to pay a lower price than it might otherwise have proposed to pay because of the added expense of the termination fee or expense amount that may become payable in certain circumstances under the Merger Agreement.

The pendency of the Merger could adversely affect Two Harbors' and CYS's business and operations.

In connection with the pending Merger, some of the parties with whom Two Harbors or CYS does business may delay or defer decisions, which could negatively impact Two Harbors' or CYS's revenues, earnings, cash flows and expenses, regardless of whether the Merger is completed. In addition, under

Table of Contents

the Merger Agreement, Two Harbors and CYS are each subject to certain restrictions on the conduct of its respective business prior to completing the Merger. These restrictions may prevent Two Harbors or CYS from pursuing certain strategic transactions, acquiring and disposing assets, undertaking certain capital projects, undertaking certain financing transactions and otherwise pursuing other actions that are not in the ordinary course of business, even if such actions could prove beneficial. These restrictions may impede Two Harbors' or CYS's growth which could negatively impact its respective revenue, earnings and cash flows. Additionally, the pendency of the Merger may make it more difficult for Two Harbors or CYS to effectively retain and incentivize key personnel.

Because the number of shares of Two Harbors Common Stock exchanged per share of CYS Common Stock is not fixed, any change in Two Harbors' adjusted book value per share or CYS's adjusted book value per share prior to the Determination Date will affect the number of shares of Two Harbors Common Stock issued by Two Harbors and received by CYS common stockholders at the Closing.

The number of shares of Two Harbors Common Stock to be received by CYS stockholders will be based on the Exchange Ratio to be determined by dividing 96.75% of the CYS adjusted book value per share by 94.20% of the Two Harbors adjusted book value per share. As defined in the Merger Agreement as "Company Adjusted Book Value Per Share" and "Parent Adjusted Book Value Per Share," as applicable, adjusted book value per share for each company means (i) such company's total consolidated common stockholders' equity after giving pro forma effect to any dividends or other distributions for which the record date is after the exchange ratio but prior to the Closing and as modified for potential transaction-related adjustments, divided by (ii) each respective company's number of shares of common stock issued and outstanding, including shares issuable upon the vesting of restricted stock (less any shares surrendered for income tax purposes). Changes in the adjusted book value per share of either Two Harbors or CYS prior to the Determination Date will affect the consideration that CYS stockholders will receive on the date of Closing.

Changes in Two Harbors' adjusted book value per share and CYS's adjusted book value per share may result from a variety of factors (some of which may be beyond the control of Two Harbors and CYS), including the following factors:

changes in interest rates;

changes in prepayment rates of mortgages;

the occurrence, extent and timing of credit losses within Two Harbors' and CYS's respective portfolios;

exposure to adjustable-rate and negative amortization mortgage loans;

the state of the credit markets and other general economic conditions, particularly as they affect the price of earning assets and the credit status of borrowers;

the concentration of the credit risks to which Two Harbors and CYS are exposed;

legislative and regulatory actions affecting Two Harbors' and CYS's businesses;

the availability and cost of Two Harbors' and CYS's target assets;

the availability and cost of financing for Two Harbors' and CYS's target assets, including repurchase agreement financing, lines of credit, revolving credit facilities and, with respect to Two Harbors, financing through the Federal Home Loan Bank of Des Moines;

declines in home prices;

increases in payment delinquencies and defaults on the mortgages;

Table of Contents

changes in liquidity in the market for real estate securities, the re-pricing of credit risk in the capital markets, inaccurate ratings of securities by rating agencies, rating agency downgrades of securities, and increases in the supply of real estate securities available-for-sale; and

other factors beyond the control of either Two Harbors or CYS, including those described or referred to elsewhere in this "Risk Factors" section.

Two Harbors' adjusted book value per share and CYS's adjusted book value per share at the Determination Date may vary from their respective adjusted book values per share on March 31, 2018, the date used to determine the illustrative Exchange Ratio of 0.4872 used in this joint proxy statement/prospectus and on the dates of Two Harbors' and CYS's special meetings. As a result, the market value of the consideration for the Merger represented by the Exchange Ratio may also vary. Therefore, Two Harbors common stockholders cannot be sure of the Exchange Ratio or the market value of the consideration that will be paid to CYS common stockholders upon completion of the Merger, and CYS common stockholders cannot be sure of the Exchange Ratio or the market value of the consideration they will receive upon completion of the Merger. Neither Two Harbors nor CYS has the right to terminate the Merger Agreement based on an increase or decrease in their respective adjusted book value per share or the market price of Two Harbors Common Stock.

The Merger and related transactions are subject to Two Harbors common stockholder approval and CYS common stockholder approval.

The Merger cannot be completed unless (i) CYS common stockholders approve the Merger Proposal by the affirmative vote of the holders of at least a majority of all outstanding shares of CYS Common Stock entitled to vote on the Merger Proposal and (ii) Two Harbors common stockholders approve the Two Harbors Common Stock Issuance Proposal by the affirmative vote of a majority of the votes cast on such proposal, provided a quorum is present. Pursuant to the guidance of the NYSE, abstentions with regard to the Two Harbors Common Stock Issuance Proposal will have the effect of a vote against such proposal. If stockholder approval is not obtained from either CYS common stockholders or Two Harbors common stockholders, the Merger and related transactions cannot be completed.

Two Harbors common stockholders and CYS common stockholders will be diluted by the Merger.

The Merger will dilute the ownership position of Two Harbors common stockholders and result in CYS common stockholders having an ownership stake in the Combined Company that is smaller than their current stake in CYS. Following the Two Harbors Common Stock Issuance, Two Harbors and CYS estimate that current Two Harbors common stockholders will own in the aggregate approximately 70% of outstanding Two Harbors Common Stock immediately after the Merger, and CYS common stockholders will own in the aggregate approximately 30% of outstanding Two Harbors Common Stock immediately after the Merger. Consequently, Two Harbors common stockholders and CYS common stockholders, as a general matter, will have less influence over the Combined Company's management and policies after the effective time of the Merger than they currently exercise over the management and policies of Two Harbors and CYS, respectively.

If the Merger is not consummated by October 31, 2018, Two Harbors or CYS may terminate the Merger Agreement.

Either Two Harbors or CYS may terminate the Merger Agreement under certain circumstances, including if the Merger has not been consummated by October 31, 2018. However, this termination right will not be available to a party if that party failed to fulfill its obligations under the Merger Agreement and that failure was the cause of, or resulted in, the failure to consummate the Merger on or before such date.

Table of Contents

The market price of Two Harbors Common Stock may decline as a result of the Merger and the market price of Two Harbors Common Stock after the consummation of the Merger may be affected by factors different from those affecting the price of Two Harbors Common Stock or the price of CYS Common Stock before the Merger.

The market price of Two Harbors Common Stock may decline as a result of the Merger if the Combined Company does not achieve the perceived benefits of the Merger or the effect of the Merger on the Combined Company's financial results is not consistent with the expectations of financial or industry analysts.

In addition, upon consummation of the Merger, Two Harbors stockholders and CYS stockholders will own interests in the Combined Company operating an expanded business with a different mix of assets, risks and liabilities. Two Harbors current stockholders and CYS's current stockholders may not wish to continue to invest in the Combined Company, or for other reasons may wish to dispose of some or all of their shares of Two Harbors Common Stock. If, following the effective time of the Merger, a large amount of Two Harbors Common Stock is sold, the price of Two Harbors Common Stock could decline.

Further, the Combined Company's results of operations, as well as the market price of Two Harbors Common Stock after the Merger may be affected by factors in addition to those currently affecting Two Harbors' or CYS's results of operations and the market prices of Two Harbors Common Stock and CYS Common Stock, particularly the increase in the Combined Company's leverage compared to that in place for Two Harbors and CYS today, and other differences in assets and capitalization. Accordingly, Two Harbors' and CYS's historical market prices and financial results may not be indicative of these matters for the Combined Company after the Merger.

An adverse judgment in any litigation challenging the Merger may prevent the Merger from becoming effective or from becoming effective within the expected timeframe.

It is possible that Two Harbors stockholders or CYS stockholders may file lawsuits challenging the Merger or the other transactions contemplated by the Merger Agreement, which may name Two Harbors, CYS, Two Harbors Board and/or the CYS Board as defendants. The outcome of such lawsuits cannot be assured, including the amount of costs associated with defending these claims or any other liabilities that may be incurred in connection with the litigation of these claims. If plaintiffs are successful in obtaining an injunction prohibiting the parties from completing the Merger on the agreed-upon terms, such an injunction may delay the consummation of the Merger in the expected timeframe, or may prevent the Merger from being consummated altogether. Whether or not any plaintiff's claim is successful, this type of litigation may result in significant costs and divert management's attention and resources, which could adversely affect the operation of Two Harbors' business and/or CYS's business.

Risks Related to the Combined Company Following the Merger

Following the Merger, the Combined Company may be unable to integrate Two Harbors' business and CYS's business successfully and realize the anticipated synergies and other expected benefits of the Merger on the anticipated timeframe or at all.

The Merger involves the combination of two companies that currently operate as independent public companies. The Combined Company expects to benefit from the elimination of duplicative costs associated with supporting a public company platform and operating the respective businesses, and the resulting economies of scale. These savings are not expected to be realized until full integration, which is not expected to occur until 2019. The Combined Company will be required to devote significant management attention and resources to the integration of Two Harbors' and CYS's business practices

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Table of Contents

and operations. The potential difficulties the Combined Company may encounter in the integration process include, but are not limited to, the following:

the inability to successfully combine Two Harbors' and CYS's business in a manner that permits the Combined Company to achieve the cost savings anticipated to result from the Merger, which would result in the anticipated benefits of the Merger not being realized in the timeframe currently anticipated or at all;

the complexities associated with integrating personnel from the two companies;

the complexities of combining two companies with different histories, cultures, geographic footprints and portfolio assets;

difficulties or delays in redeploying the capital acquired in connection with the Merger into the target assets of the Combined Company;

potential unknown liabilities and unforeseen increased expenses, delays or conditions associated with the Merger; and

performance shortfalls as a result of the diversion of management's attention caused by completing the Merger and integrating the companies' operations.

For all these reasons, you should be aware that it is possible that the integration process could result in the distraction of the Combined Company's management, the disruption of the Combined Company's ongoing business or inconsistencies in its operations, services, standards, controls, policies and procedures, any of which could adversely affect the Combined Company's ability to deliver investment returns to stockholders, to maintain relationships with its key stakeholders and employees, to achieve the anticipated benefits of the Merger, or could otherwise materially and adversely affect its business and financial results.

Following the Merger, the Combined Company may not pay dividends at or above the rate currently paid by Two Harbors or CYS.

Following the Merger, the Combined Company's stockholders may not receive dividends at the same rate that they did as Two Harbors stockholders or CYS stockholders prior to the Merger for various reasons, including the following:

the Combined Company may not have enough cash to pay such dividends due to changes in its cash requirements, capital spending plans, cash flow or financial position;

decisions on whether, when and in what amounts to make any future dividends will remain at all times entirely at the discretion of the Combined Company's board of directors, which reserves the right to change its dividend practices at any time and for any reason; and

the amount of dividends that the Combined Company's subsidiaries may distribute to the Combined Company may be subject to restrictions imposed by state law and restrictions imposed by the terms of any current or future indebtedness that these subsidiaries may incur.

The Combined Company's stockholders will have no contractual or other legal right to dividends that have not been declared by its board of directors.

The Combined Company will have a significant amount of indebtedness and may need to incur more in the future.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

The Combined Company will have substantial indebtedness following completion of the Merger. In addition, in connection with executing its business strategies following the Merger, the Combined Company expects to evaluate the possibility of investing in additional target assets and making other

Table of Contents

strategic investments, and it may elect to finance these endeavors by incurring additional indebtedness. The amount of such indebtedness could have material adverse consequences for the Combined Company, including:

hindering its ability to adjust to changing market, industry or economic conditions;

limiting its ability to access the capital markets to raise additional equity or refinance maturing debt on favorable terms or to fund acquisitions or emerging businesses;

limiting the amount of free cash flow available for future operations, acquisitions, dividends, stock repurchases or other uses;

making it more vulnerable to economic or industry downturns, including interest rate increases; and

placing it at a competitive disadvantage compared to less leveraged competitors.

Moreover, to respond to competitive challenges, the Combined Company may be required to raise substantial additional capital to execute its business strategy. The Combined Company's ability to arrange additional financing will depend on, among other factors, its financial position and performance, as well as prevailing market conditions and other factors beyond its control. If the Combined Company is able to obtain additional financing, its credit ratings could be further adversely affected, which could further raise its borrowing costs and further limit its future access to capital and its ability to satisfy its obligations under its indebtedness.

The Combined Company is expected to incur substantial expenses related and unrelated to the Merger.

Two Harbors and CYS have incurred substantial legal, accounting, financial advisory and other costs, and the management teams of Two Harbors and CYS have devoted considerable time and effort in connection with the Merger. Two Harbors and CYS may incur significant additional costs in connection with the completion of the Merger or in connection with any delay in completing the Merger or termination of the Merger Agreement, in addition to the other costs already incurred. If the Merger is not completed, Two Harbors and CYS will separately bear certain fees and expenses associated with the Merger without realizing the benefits of the Merger. If the Merger is completed, the Combined Company expects to incur substantial expenses in connection with integrating the business, operations, network, systems, technologies, policies and procedures of the two companies. The fees and expenses may be significant and could have an adverse impact on the Combined Company's results of operations.

Although Two Harbors and CYS have assumed that a certain level of transaction and integration expenses would be incurred, there are a number of factors beyond the control of either Two Harbors or CYS that could affect the total amount or the timing of the integration expenses. Many of the expenses that will be incurred, by their nature, are difficult to estimate accurately at the present time. As a result, the transaction and integration expenses associated with the Merger could, particularly in the near term, exceed the savings that the Combined Company expects to achieve from the elimination of duplicative expenses and the realization of economies of scale and cost savings related to the integration of the businesses following the completion of the Merger.

The historical and unaudited pro forma condensed combined financial information included elsewhere in this joint proxy statement/prospectus may not be representative of the Combined Company's results after the Merger, and accordingly, you have limited financial information on which to evaluate the Combined Company following the Merger.

The unaudited pro forma condensed combined financial information included elsewhere in this joint proxy statement/prospectus has been presented for informational purposes only and is not

Table of Contents

necessarily indicative of the financial position or results of operations that actually would have occurred had the Merger been completed as of the date indicated, nor is it indicative of the future operating results or financial position of the Combined Company following the Merger. The unaudited pro forma condensed combined financial information does not reflect future events that may occur after the Merger. The unaudited pro forma condensed combined financial information presented elsewhere in this joint proxy statement/prospectus is based in part on certain assumptions regarding the Merger that Two Harbors and CYS believe are reasonable under the circumstances. Neither Two Harbors nor CYS can assure you that the assumptions will prove to be accurate over time.

The Merger will be taxable to U.S. stockholders of CYS Stock and stockholders of CYS Common Stock will receive limited cash, if any, with which to pay any tax.

Assuming that the Merger is completed as currently contemplated, CYS and Two Harbors expect that the receipt of (i) cash and Two Harbors Common Stock in exchange for CYS Common Stock, (ii) Two Harbors Series D Preferred Stock in exchange for CYS Series A Preferred Stock, or (iii) Two Harbors Series E Preferred Stock in exchange for CYS Series B Preferred Stock, as applicable, by U.S. stockholders pursuant to the Merger will be a taxable transaction for U.S. federal income tax purposes. Generally, for U.S. federal income tax purposes, U.S. stockholders of CYS Common Stock will recognize gain or loss as a result of the Merger measured by the difference, if any, between (i) the sum of the fair market value of the Two Harbors Common Stock received and the amount of any cash received, and (ii) the stockholder's adjusted tax basis in its CYS Common Stock. In addition, generally, for U.S. federal income tax purposes, U.S. stockholders of CYS Series A Preferred Stock or CYS Series B Preferred Stock will recognize gain or loss as a result of the Merger measured by the difference, if any, between (i) the fair market value of the Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock received, as applicable, and (ii) the stockholder's adjusted tax basis in its CYS Series A Preferred Stock or CYS Series B Preferred Stock, as applicable. Because the consideration to be given to stockholders of (i) CYS Common Stock consists primarily of Two Harbors Common Stock and (ii) CYS Series A Preferred Stock and CYS Series B Preferred Stock consists solely of Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, respectively, U.S. stockholders of CYS Stock may need to sell their shares of Two Harbors Stock received in the Merger, or raise cash from other sources, to pay any tax obligations resulting from the Merger. Generally, non-U.S. stockholders are not expected to be subject to U.S. federal income tax or U.S. federal withholding tax on any gain recognized from the Merger. See "Material U.S. Federal Income Tax Consequences Consequences of the Merger to Non-U.S. Stockholders of CYS Stock."

Two Harbors would incur adverse tax consequences if it or CYS failed to qualify as a REIT for U.S. federal income tax purposes.

Two Harbors has assumed, based on public filings, that CYS has qualified and will continue to qualify as a REIT for U.S. federal income tax purposes prior to the Merger and that Two Harbors will be able to continue to qualify as a REIT following the Merger. In addition, as a condition of the Merger, Two Harbors expects to receive an opinion of Vinson & Elkins L.L.P. ("Vinson & Elkins") to the effect that CYS has qualified as a REIT for U.S. federal income tax purposes commencing with its taxable year ended December 31, 2006. However, if CYS has failed or fails to qualify as a REIT, Two Harbors and Merger Sub generally would succeed to or incur significant tax liabilities (including the significant tax liability that would result from the deemed sale of assets by CYS pursuant to the Merger), and Two Harbors could possibly lose its REIT status should disqualifying activities continue after the acquisition.

REITs are subject to a range of complex organizational and operational requirements. As a REIT, Two Harbors must distribute with respect to each year at least 90% of its REIT taxable income to its stockholders. Other restrictions apply to its income and assets. Two Harbors' REIT status is also

Table of Contents

dependent upon the ongoing qualification of subsidiary entities as REITs, as a result of its substantial ownership interest in those entities.

For any taxable year that Two Harbors fails to qualify as a REIT and is unable to avail itself of certain savings provisions set forth in the Code, it would be subject to U.S. federal income tax at the regular corporate rates on all of its taxable income, whether or not it makes any distributions to its stockholders. Those taxes would reduce the amount of cash available for distribution to its stockholders or for reinvestment and would adversely affect Two Harbors' earnings. As a result, Two Harbors' failure to qualify as a REIT during any taxable year could have a material adverse effect upon Two Harbors and its stockholders. Furthermore, unless certain relief provisions apply, Two Harbors would not be eligible to elect REIT status again until the fifth taxable year that begins after the first year for which it failed to qualify.

Two Harbors Investment Corp.

Two Harbors is a Maryland corporation focused on investing in, financing and managing Agency RMBS, non-Agency securities, MSR and other financial assets, which Two Harbors collectively refers to as its target assets. Two Harbors operates as a REIT and is externally managed by PRCM Advisers.

Two Harbors was incorporated on May 21, 2009 and commenced operations as a publicly traded company on October 28, 2009, upon completion of a merger with Capitol Acquisition Corp. which became its wholly owned indirect subsidiary as a result of the merger.

Two Harbors' objective is to provide attractive risk-adjusted total return to its stockholders over the long term, primarily through dividends and secondarily through capital appreciation. Two Harbors selectively acquires and manages an investment portfolio of its target assets, which is constructed to generate attractive returns through market cycles. Two Harbors focuses on asset selection and implements a relative value investment approach across various sectors within the mortgage market. Two Harbors' target assets include the following:

Agency RMBS, meaning RMBS whose principal and interest payments are guaranteed by the Government National Mortgage Association, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation;

non-Agency securities that are not issued or guaranteed by the Government National Mortgage Association, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation;

MSR; and

other financial assets comprising approximately 5% to 10% of the portfolio.

Two Harbors seeks to deploy moderate leverage as part of its investment strategy. Two Harbors generally finances its Agency RMBS and non-Agency securities through short- and long-term borrowings structured as repurchase agreements and advances from the FHLB. Two Harbors also finances its MSR through repurchase agreements and revolving credit facilities.

Two Harbors has elected to be treated as a REIT for U.S. federal income tax purposes. To qualify as a REIT, Two Harbors is required to meet certain investment and operating tests and annual distribution requirements. Two Harbors generally will not be subject to U.S. federal income taxes on its taxable income to the extent that it annually distributes all of its net taxable income to stockholders, does not participate in prohibited transactions and maintains its intended qualification as a REIT. However, certain activities that Two Harbors may perform may cause Two Harbors to earn income which will not be qualifying income for REIT purposes. Two Harbors has designated certain of its subsidiaries as taxable REIT subsidiaries, as defined in the Code, to engage in such activities, and Two Harbors may form additional taxable REIT subsidiaries in the future. Two Harbors also operates its business in a manner that will permit it to maintain its exemption from registration under the Investment Company Act of 1940, as amended (the "1940 Act").

Shares of Two Harbors Common Stock are listed on the NYSE, trading under the symbol "TWO".

CYS seeks to achieve this objective by investing, on a leveraged basis, in Agency RMBS. In addition, CYS's investment guidelines permit investments in collateralized mortgage obligations issued by a government agency or a government-sponsored entity that are collateralized by Agency RMBS, or CMOs, debt securities issued by the U.S. Department of the Treasury or a government-sponsored entity that are not backed by collateral but, in the case of government agencies, are backed by the full faith and credit of the U.S. government, or U.S. Treasury Securities, and, in the case of government sponsored entities, are backed by the integrity and creditworthiness of the issuer, or U.S. Agency Debentures and credit risk transfer securities, such as Structured Agency Credit Risk ("STACR") debt securities issued by Freddie Mac, Connecticut Avenue Securities ("CAS") issued by Fannie Mae and similar securities issued by a GSE where their cash flows track the credit risk performance of a notional reference pool of mortgage loans.

CYS was formed as a Maryland corporation on January 3, 2006. CYS has elected to be taxed as a REIT for U.S. federal income tax purposes. The CYS Common Stock, CYS Series A Preferred Stock and CYS Series B Preferred Stock trade on the NYSE under the symbols "CYS," "CYS PrA" and "CYS PrB," respectively.

The Combined Company

Quorum; Abstentions and Broker Non-Votes

The presence, in person or by proxy, of the holders of shares of Two Harbors Common Stock entitled to cast a majority of all the votes entitled to be cast at the Two Harbors special meeting will constitute a quorum at the Two Harbors special meeting. Two Harbors will include abstentions in the calculation of the number of shares considered to be present at the Two Harbors special meeting for purposes of determining the presence of a quorum at the Two Harbors special meeting. Approval of the Two Harbors Common Stock Issuance Proposal requires that the number of votes cast for the Two Harbors Common Stock Issuance Proposal exceeds the number of votes cast against and abstaining from the Two Harbors Common Stock Issuance Proposal, assuming a quorum is present. Under NYSE guidance applicable to the Two Harbors Stock Issuance Proposal, abstentions will be considered as votes cast and accordingly will have the same effect as votes "AGAINST" the Two Harbors Stock Issuance Proposal. Approval of the Two Harbors Adjournment Proposal requires that the number of votes cast for the Two Harbors Adjournment Proposal exceeds the number of votes cast against the Two Adjournment Proposal. Abstentions will not be counted as "votes cast" for this proposal and will therefore have no effect on the outcome of the vote on the Two Harbors Adjournment Proposal. Any failure to return your proxy card or other failure to vote will have no effect on the outcome of the vote on either the Two Harbors Stock Issuance Proposal or the Two Harbor Adjournment Proposal provided that a quorum is otherwise present at the Two Harbors special meeting.

Banks, brokers and other nominees that hold their customers' shares in street name may not vote their customers' shares on "non-routine" matters without instructions from their customers. As each of the proposals to be voted upon at the Two Harbors special meeting is considered "non-routine," such organizations do not have discretion to vote on any of the proposals. As a result, if you do not provide your broker, bank or other nominee with instructions regarding how to vote your shares of Two Harbors Common Stock, your shares of Two Harbors Common Stock will not be considered present at the Two Harbors special meeting and will not be voted on any of the proposals.

If voted upon at the Two Harbors special meeting, approval of the Two Harbors Adjournment Proposal requires that the number of votes cast for the Two Harbors Adjournment Proposal exceeds the number of votes cast against the Two Harbors Adjournment Proposal. Abstentions will not be counted as "votes cast" for this proposal and will therefore have no effect on the outcome of the vote on the Two Harbors Adjournment Proposal.

Regardless of the number of shares of Two Harbors Common Stock you own, your vote is important. Please complete, sign, date and promptly return the enclosed proxy card today or vote by phone or Internet.

Quorum; Abstentions and Broker Non-Votes

The presence in person or by proxy of the holders of shares of CYS Common Stock entitled to cast a majority of all the votes entitled to be cast at the CYS special meeting will constitute a quorum at the special meeting. Shares that abstain from voting will be treated as shares that are present and entitled to vote at the CYS special meeting for purposes of determining whether a quorum exists. Because approval of the Merger Proposal requires the affirmative vote of holders of a majority of the outstanding shares of CYS Common Stock entitled to vote on the matter, abstentions and the failure to vote will have the same effect as votes "AGAINST" approval of the Merger Proposal. For the CYS Non-Binding Compensation Advisory Proposal and the CYS Adjournment Proposal, a failure to vote, a failure to instruct your bank, broker or nominee to vote or an abstention from voting will have no effect, assuming a quorum is present.

Banks, brokers and other nominees that hold their customers' shares in street name may not vote their customers' shares on "non-routine" matters without instructions from their customers. As each of the proposals to be voted upon at the CYS special meeting is considered "non-routine," such organizations do not have discretion to vote on any of the proposals. As a result, if you hold your shares in "street name" and you fail to provide your broker, bank or other nominee with any instructions regarding how to vote your shares of CYS Common Stock your shares of CYS Common Stock will not be considered present at the CYS special meeting and will not be voted on any of the proposals.

Required Vote

Approval of the Merger Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of CYS Common Stock entitled to vote on the matter.

Approval of the CYS Non-Binding Compensation Advisory Proposal requires, provided a quorum is present, the affirmative vote of a majority of the votes cast on the CYS Non-Binding Compensation Advisory Proposal by holders of CYS Common Stock at the CYS special meeting.

Approval of the CYS Adjournment Proposal requires, provided a quorum is present, the affirmative vote of a majority of the votes cast on the CYS Adjournment Proposal by holders of CYS Common Stock at the CYS special meeting.

PROPOSALS SUBMITTED TO THE CYS COMMON STOCKHOLDERS

Proposal 1: Merger Proposal

CYS common stockholders are asked to approve the Merger Proposal as contemplated by the Merger Agreement. For a summary and detailed information regarding the Merger Proposal, see the information about the Merger and the Merger Agreement throughout this joint proxy statement/prospectus, including the information set forth in sections entitled "The Merger" beginning on page 66 and "The Merger Agreement" beginning on page 124. A copy of the Merger Agreement is attached as Annex A to this joint proxy statement/prospectus.

Pursuant to the Merger Agreement, approval of the Merger Proposal is a condition to the consummation of the Merger. If the Merger Proposal is not approved, the Merger will not be completed.

Approval of the Merger Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of CYS Common Stock entitled to vote on the matter.

Recommendation of the CYS Board

The CYS Board unanimously recommends that CYS common stockholders vote "FOR" the Merger Proposal.

Proposal 2: CYS Non-Binding Compensation Advisory Proposal

Pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Rule 14a-21(c) of the Exchange Act, CYS is seeking stockholder approval of a non-binding advisory proposal to approve the compensation that may be paid or become payable to CYS's named executive officers that is based on or otherwise relates to the Merger, as described in the section entitled "The Merger Related Compensation" beginning on page 119.

As an advisory vote, this proposal is not binding upon CYS or the CYS Board, or Two Harbors or the Two Harbors Board, and approval of this proposal is not a condition to completion of the Merger and is a vote separate and apart from the Merger Proposal. Accordingly, you may vote to approve the Merger Proposal and vote not to approve the CYS Non-Binding Compensation Advisory Proposal and vice versa. Because the merger-related executive compensation to be paid in connection with the Merger is based on the terms of the Merger Agreement as well as the contractual arrangements with CYS's named executive officers, such compensation will be payable, regardless of the outcome of this advisory vote, if the Merger Proposal is approved (subject only to the contractual conditions applicable thereto). However, CYS seeks the support of its stockholders and believes that stockholder support is appropriate because CYS has a comprehensive executive compensation program designed to link the compensation of its executives with CYS's performance and the interests of CYS stockholders. Accordingly, holders of shares of CYS Common Stock are being asked to vote on the following resolution:

RESOLVED, that the compensation that may be paid or become payable to CYS's named executive officers, in connection with the Merger Agreement, the Merger and the transactions contemplated thereby and the agreements or understandings pursuant to which such compensation may be paid or become payable, as disclosed pursuant to Item 402(t) of Regulation S-K under the heading "The Merger Merger Related Compensation" is hereby APPROVED.

Approval of the CYS Non-Binding Compensation Advisory Proposal, provided a quorum is present, requires the affirmative vote of a majority of votes cast on the proposal. For purposes of the CYS Non-Binding Compensation Advisory Proposal, a failure to vote, a failure to instruct your bank, broker or nominee to vote or an abstention from voting will have no effect.

Table of Contents

Recommendation of the CYS Board

The CYS Board unanimously recommends that CYS common stockholders vote "FOR" the CYS Non-Binding Compensation Advisory Proposal.

Proposal 3: CYS Adjournment Proposal

The CYS common stockholders are being asked to approve a proposal that will give CYS the authority to adjourn the CYS special meeting, if necessary or appropriate, for the purpose of soliciting additional votes for the approval of the Merger Proposal if there are not sufficient votes at the time of the CYS special meeting to approve the Merger Proposal. If, at the CYS special meeting, the number of shares of CYS Common Stock present or represented by proxy and voting for the approval of the Merger Proposal is insufficient to approve such proposal, CYS intends to move to adjourn the CYS special meeting to another place, date or time in order to enable the CYS Board to solicit additional proxies for approval of the proposal. The affirmative vote of a majority of votes cast, provided a quorum is present, may adjourn the special meeting to another place, date or time. CYS does not intend to call a vote on the CYS Adjournment Proposal if the Merger Proposal is considered and approved at the CYS special meeting. If the CYS special meeting is adjourned for the purpose of soliciting additional proxies, CYS common stockholders who have already submitted their proxies will be able to revoke them at any time prior to their exercise.

Recommendation of the CYS Board

The CYS Board unanimously recommends that CYS common stockholders vote "FOR" the CYS Adjournment Proposal to adjourn the CYS special meeting, if necessary or appropriate, including to solicit additional proxies if there are not sufficient votes to approve the Merger Proposal.

THE MERGER

The following is a summary of the material terms of the Merger. This summary does not purport to be complete and may not contain all of the information about the Merger that is important to you. The summary of the material terms of the Merger below and elsewhere in this joint proxy statement/prospectus is qualified in its entirety by reference to the Merger Agreement, a copy of which is attached to this joint proxy statement/prospectus as Annex A, and is incorporated by reference into this joint proxy statement/prospectus. You are urged to read this joint proxy statement/prospectus, including the Merger Agreement, carefully and in its entirety for a more complete understanding of the Merger.

General

Each of the Two Harbors Board and the CYS Board has unanimously approved the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement. Subject to the terms and conditions of the Merger Agreement, including the approval of the CYS common stockholders of the Merger Proposal and the Two Harbors common stockholders of the Two Harbors Common Stock Issuance Proposal, Merger Sub will merge with and into CYS, with CYS continuing as the surviving corporation. As a result of the Merger, the surviving corporation will be an indirect, wholly owned subsidiary of Two Harbors. CYS stockholders will receive the merger consideration described below under "The Merger Agreement Consideration for the Merger" beginning on page 125.

Background of the Merger

The CYS Board regularly evaluates CYS's strategic direction and ongoing business plans and reviews possible ways of increasing long-term stockholder value. These reviews include the consideration of various investments, diversification into new assets, purchases and sales of assets, potential strategic business combinations, and other transactions with third parties that would further CYS's strategic objectives and ability to create stockholder value.

On April 29, 2016, Kevin E. Grant, Chairman of the CYS Board and President and Chief Executive Officer of CYS, was approached by representatives of a mortgage REIT ("Company A") with an interest in exploring a potential acquisition of CYS. Mr. Grant subsequently briefed Stephen P. Jonas, the then-lead independent director of the CYS Board, and later, Vinson & Elkins, CYS's legal counsel, and the CYS Board regarding these discussions. On May 20, 2016, the CYS Board formed a committee of independent directors consisting of Jeffery P. Hughes, Stephen P. Jonas, Dale A. Reiss and James A. Stern (the "2016 CYS Committee") to evaluate and negotiate any potential transaction with Company A. The CYS Board discussed the appropriateness of engaging a financial advisor to assist in the evaluation of any proposal from Company A and which financial advisor would be a good fit based on such advisor's knowledge of the mortgage REIT sector, familiarity with CYS and independence from Company A. At the CYS Board's direction, Mr. Grant contacted representatives of Barclays to assist the 2016 CYS Committee if a Company A Proposal were to materialize. The CYS Board also authorized the 2016 CYS Committee and CYS management to engage in negotiations with Company A with respect to a non-disclosure agreement (the "Company A NDA"). Over the course of the following month, CYS and Company A engaged in negotiations with respect to the Company A NDA, but no agreement was reached between the two companies. As a result, no confidential information was exchanged, no further discussions ensued between CYS and Company A and the 2016 CYS Committee did not formally engage Barclays.

In July 2016, Mr. Grant received discussion materials from a representative of another mortgage REIT ("Company B"), in which Company B expressed an interest in exploring a potential acquisition of CYS. Following receipt of the materials, the CYS Board worked with Vinson & Elkins to consider how CYS should respond. On August 9, 2016, the CYS Board re-formed the 2016 CYS Committee and

Table of Contents

authorized the 2016 CYS Committee to evaluate and negotiate any potential transaction involving a change of control of CYS, including with Company A and Company B. Following such discussion, the CYS Board authorized the 2016 CYS Committee and CYS management, together with Vinson & Elkins, to engage in negotiations with Company B with respect to a non-disclosure agreement (the "Company B NDA") that also included, at the request of Company B, a 30-day exclusivity period. At the direction of the CYS Board, Mr. Grant contacted representatives of Barclays and inquired as to Barclays' willingness to serve as a financial advisor. The Company B NDA was executed on August 22, 2016, and CYS and Company B subsequently began sharing confidential information about their respective business and operations, and discussing preliminarily the terms of a potential transaction. On August 24, 2016, the 2016 CYS Committee engaged Barclays for the purpose of evaluating any change of control transaction and, if appropriate, issue a fairness opinion with respect to such transaction. On September 22, 2016, Company B withdrew its indication of interest to acquire CYS and discussions with respect to a potential transaction with Company B ceased.

On February 8, 2018, Mr. Grant received an unsolicited letter from a third mortgage REIT ("Company C") that contained a non-binding proposal to acquire CYS in a stock-for-stock merger. Following receipt of the letter from Company C, the CYS Board worked with Vinson & Elkins to consider how CYS should respond to the proposal from Company C.

On February 13, 2018, the CYS Board held a telephonic meeting with representatives of Vinson & Elkins to discuss Company C's proposal. After reviewing the Company C proposal, the independent members of the CYS Board met in executive session without management, including Mr. Grant, to discuss the appropriate roles of management and members of the CYS Board in negotiating and evaluating Company C's proposal and the advisability of forming a special committee of the CYS Board to negotiate a potential transaction with Company C, and to consider other strategic alternatives. The independent members of the CYS Board considered potential conflicts of interests among the members of the CYS Board and determined that there were none. However, due to the possibility of conflicts of interest with Mr. Grant, should he be requested to continue employment with Company C or another acquirer of CYS, the independent members of the CYS Board formed a special committee (the "CYS Special Committee") comprised of James A. Stern (designated by the CYS Board at the February 13, 2018 meeting as the chairman of the CYS Special Committee), Karen Hammond, and Tanya S. Beder. The CYS Board delegated to the CYS Special Committee the power and authority to, among other things, (i) review, evaluate and, if advisable, negotiate the terms and provisions of any transaction involving a change of control of CYS, (ii) determine whether any such potential transaction is fair to, and in the best interests of, CYS and its stockholders, and (iii) make a recommendation to the CYS Board to approve or disapprove of any such proposed transaction. No conflict with Mr. Grant materialized during the process and the Special Committee functioned as a transaction committee throughout the process.

Mr. Grant then rejoined the CYS Board meeting and provided the CYS Board with an update regarding his recent discussions with Company C relating to its proposal. The CYS Board then discussed the relative strategic merits of a potential transaction with Company C and Vinson & Elkins advised the CYS Board of its duties in the context of a sale transaction or business combination. The CYS Board then discussed the hiring of a financial advisor to assist the CYS Board in its consideration of a potential transaction with Company C and other strategic alternatives available to CYS. At this time, representatives of each of Barclays and Credit Suisse were invited to join the meeting and review their respective preliminary financial analyses with respect to a potential transaction with Company C and other strategic alternatives available to CYS. After the representatives of Credit Suisse and Barclays left the meeting, the CYS Board discussed the potential financial advisor candidates, their industry knowledge and experience and how each of Barclays and Credit Suisse could assist the CYS Board and the CYS Special Committee in their consideration of a potential transaction with Company C and other strategic alternatives available to CYS.

On February 15, 2018, the CYS Board held a telephonic meeting with representatives of Vinson & Elkins present to discuss, among other things, the hiring of Barclays, Credit Suisse, or both, to serve as the financial advisor or financial advisors to CYS, the CYS Board and/or the CYS Special Committee. During this meeting, the CYS Board considered the qualifications of each investment bank to serve as a financial advisor and evaluated each investment bank based on various criteria, including, among other things, its past relationships with and knowledge of CYS, its institutional knowledge of the commercial and residential mortgage REIT industries, its capacities as a full-service investment bank, including its knowledge of the trading market for mortgage-backed securities, and the investment banking team's past experience advising other companies in connection with similar transactions. The CYS Board further considered the advantages and disadvantages of engaging two financial advisors as opposed to one. Based on the foregoing criteria, and upon determining that engaging two financial advisors would be more conducive to maximizing value to CYS stockholders, the CYS Board decided to engage both Barclays and Credit Suisse as the CYS Board's and CYS's financial advisors, respectively, in connection with CYS's evaluation of a potential transaction with Company C and other strategic alternatives, subject to the negotiation of acceptable engagement letters. Over the course of the following week, representatives of CYS, including Vinson & Elkins, on the one hand, and each of Barclays and Credit Suisse, on the other hand, negotiated the terms and conditions of the engagement letters, which were executed on February 26, 2018, in the case of the Barclays engagement letter, and February 27, 2018, in the case of the Credit Suisse engagement letter.

On February 16, 2018, the CYS Special Committee held a telephonic meeting, together with representatives of Barclays, Credit Suisse, and Vinson & Elkins, to discuss the unsolicited proposal received by CYS from Company C and whether CYS should pursue a sale of CYS at that time. During the meeting, representatives of Barclays and Credit Suisse reviewed their respective preliminary financial analyses of Company C's proposal. Representatives of Barclays and Credit Suisse also provided general views of the mortgage REIT industry, noting that there were likely other strategic parties that would have an interest in potentially acquiring CYS.

Following the CYS Special Committee meeting, at the direction of the CYS Special Committee, representatives of Barclays and Credit Suisse contacted representatives of Company C to ask certain clarifying questions regarding its proposal.

On February 21, 2018, Mr. Grant received an unsolicited letter that contained a non-binding proposal from Company B relating to a potential acquisition of CYS by Company B.

On February 27, 2018, the CYS Board held a telephonic meeting, together with representatives of Barclays, Credit Suisse, and Vinson & Elkins, to discuss the proposals received from Company B and Company C. During the meeting, representatives of Barclays and Credit Suisse summarized their conversations with Company C regarding its proposal, including Company C's stated willingness to pay a premium over CYS's current book value and engage in discussions relating to certain purchase price protection mechanisms. Members of the CYS Board, with representatives of Barclays and Credit Suisse in attendance, also discussed whether it was in the best interest of CYS and its stockholders to consider a sale of CYS at that time. The CYS Board then engaged in a related discussion regarding whether CYS should solicit additional proposals from other potential bidders and, if so, how a bid process with multiple bidders should be structured in light of CYS having already received unsolicited proposals from different potential acquirers. At the conclusion of the meeting, the CYS Board (i) authorized CYS management to negotiate and execute a non-disclosure agreement with Company C, and (ii) instructed representatives of Barclays and Credit Suisse to contact Company B to obtain additional information about its proposal.

Immediately following the meeting of the CYS Board, the CYS Special Committee held a meeting with representatives of Barclays, Credit Suisse, and Vinson & Elkins to discuss the potential bid process, timing, and outreach to other potential bidders, including the likelihood of various potential

bidders being interested in, and capable of, acquiring CYS or otherwise entering into a strategic transaction or business combination with CYS. During the meeting, the CYS Special Committee decided to engage with other potential bidders, including Company B, while continuing to engage in discussions with Company C. Following such discussion, the CYS Special Committee instructed Barclays and Credit Suisse to contact six other potential bidders (in addition to Company B and Company C) to determine whether they would be interested in submitting an offer to enter into a business combination or strategic transaction with CYS. The CYS Special Committee also instructed Vinson & Elkins to negotiate non-disclosure agreements with any such interested parties, in addition to Company B and Company C.

At the direction of the CYS Special Committee, on February 27, 2018 and February 28, 2018, representatives of Barclays and Credit Suisse reached out to six mortgage REIT counterparties, including Two Harbors, to obtain a general level of interest in a potential strategic transaction with CYS.

On March 2, 2018, the CYS Special Committee held a telephonic meeting to discuss the status of the targeted bid process. During the meeting, representatives of Barclays and Credit Suisse noted that all six of the potential bidders contacted by representatives of Barclays and Credit Suisse, as well as Company B and Company C, had requested non-disclosure agreements and had either entered into a non-disclosure agreement with CYS or were in the process of negotiating a non-disclosure agreement with CYS. Members of the CYS Special Committee and representatives of Vinson & Elkins, Barclays, and Credit Suisse also discussed their initial assessments of the potential bidders.

Following Barclays' and Credit Suisse's outreach to other potential bidders, CYS entered into non-disclosure agreements that contained customary standstill provisions with seven of the eight potential bidders, which included Two Harbors, Company A, Company B, and Company C. CYS subsequently provided all the potential counterparties, except Company C, with certain limited confidential information about CYS's existing securities portfolio for purposes of submitting an initial offer to acquire or otherwise enter into a strategic transaction or business combination with CYS. Company C had previously been provided with similar information. At the direction of the CYS Special Committee, representatives of Barclays and Credit Suisse requested that the counterparties provide preliminary indications of interest by March 12, 2018. Company C was not invited to submit an indication of interest because it had already submitted a non-binding offer to acquire CYS on February 8, 2018.

Shortly after the execution of the Company A NDA, Company A indicated that it was no longer interested in participating in the bid process and that it would not be submitting a bid.

On March 7, 2018, Company C received access to CYS's virtual data room for the purpose of conducting due diligence on CYS.

On March 8, 2018, the CYS Special Committee held telephonic meetings with representatives of Vinson & Elkins, Barclays, and Credit Suisse to discuss the status of each of the potential bidders and the due diligence materials that had been provided to Company C, in addition to transaction structure and appropriate terms and conditions to provide price protection in the event of a transaction involving consideration consisting of shares of stock in whole or in part.

On March 9, 2018, Barclays and Credit Suisse delivered to Company C a reverse diligence request list and requested that Company C populate a virtual data room with relevant information about Company C.

On or about March 12, 2018, representatives of Barclays and Credit Suisse received initial indications of interest from three potential counterparties, including Two Harbors.

On March 13, 2018, CYS and its representatives received access to Company C's virtual data room for purposes of conducting due diligence on Company C. From March 13, 2018 until April 15, 2018, CYS and its representatives engaged in due diligence on Company C.

On the morning of March 14, 2018, CYS and its representatives and Company C held an in-person reciprocal due diligence session.

On March 14, 2018, Barclays and Credit Suisse circulated to the CYS Special Committee preliminary indications of interest received from four potential counterparties, including Two Harbors and Company B. In addition to Company C's non-binding proposal, the non-binding indications of interest included (i) a proposal from Company B for an all-cash tender offer, (ii) a proposal from a publicly traded mortgage REIT ("Company D") for an all-stock merger that would require the approval of Company D's stockholders, (iii) a proposal from a publicly traded mortgage REIT ("Company E") for a part-cash, part-stock merger, and (iv) a proposal from Two Harbors for an all-stock merger that would require the approval of Two Harbors stockholders.

Later on March 14, 2018, the CYS Special Committee held a telephonic meeting with representatives of Barclays, Credit Suisse, and Vinson & Elkins to discuss the indications of interest received from the five bidders described in the foregoing paragraph. Representatives of Barclays and Credit Suisse reviewed their preliminary financial analyses of each indication of interest with the CYS Special Committee. At the conclusion of the meeting, the CYS Special Committee instructed representatives of Barclays and Credit Suisse to request that all five bidders submit revised bids incorporating certain assumptions relating to CYS's anticipated transaction expenses.

Following the CYS Special Committee meeting on March 14, 2018, Barclays and Credit Suisse contacted the five bidders, and requested that each bidder submit revised indications of interest by March 16, 2018 incorporating CYS's transaction expense assumptions.

On or about March 16, 2018, representatives of Barclays and Credit Suisse received revised indications of interest from Company B, Company D, Company E, and Two Harbors.

On March 19, 2018, the CYS Special Committee held a telephonic meeting to discuss the revised bids. Representatives of Barclays and Credit Suisse summarized the revised bids, which reflected the following proposed purchase price per share of CYS Common Stock: (i) Company B proposed \$7.27 per share of CYS Common Stock; (ii) Company C proposed a range of \$7.33 to \$7.47 per share of CYS Common Stock; (iii) Two Harbors proposed \$7.33 per share of CYS Common Stock; (iv) Company D proposed \$7.42 per share of CYS Common Stock and (v) Company E proposed \$7.15 per share of CYS Common Stock. In summarizing the revised bids, representatives of Barclays and Credit Suisse noted that while Company B, Company D, and Company E did not modify their proposed purchase price to acquire CYS, each of these bidders had revised estimated transaction related expenses and as a result, they had each effectively increased their proposed purchase price for CYS on an adjusted book value basis. Representatives of Barclays and Credit Suisse also explained that (i) Company B had indicated a willingness to pay up to 50% of the merger consideration in Company B common stock, (ii) Two Harbors had increased its proposed purchase price by approximately \$0.13 per share of CYS Common Stock and (iii) Two Harbors' external manager, PRCM Advisers, had offered to further reduce its base management fee by 0.25%, to a total reduction of 0.75%, with respect to the additional equity under management resulting from the proposed transaction with CYS for the first year following the effective time of the Merger.

On March 20, 2018, CYS received a letter from Company B indicating that Company B would revoke its proposal to acquire CYS unless Company B was provided with access to CYS's virtual data room by 5:00 p.m. Eastern Time, on March 21, 2018. The letter further indicated that Company B's offer would be withdrawn if no definitive merger agreement were executed by March 28, 2018.

On the evening of March 20, 2018, CYS received a letter from Company C with its revised indication of interest to acquire CYS in a stock-for-stock merger transaction.

On the morning of March 21, 2018, the CYS Special Committee, together with representatives of Barclays, Credit Suisse, and Vinson & Elkins, held a telephonic meeting to discuss the revised indication of interest received from Company C. Following a discussion regarding the advantages and disadvantages of Company C's revised proposal, the meeting was adjourned in anticipation of a CYS Board meeting.

During the telephonic meeting of the CYS Board on March 21, 2018, representatives of Barclays and Credit Suisse reviewed the revised indications of interests from all five bidders. The CYS Board discussed (i) the advantages and disadvantages of each bid, (ii) which bidders, if any, should be eliminated from the bid process, and (iii) the demand from Company B that it would revoke its indication of interest unless CYS undertook certain actions. During the meeting, and upon the request of the CYS Board, Mr. Grant provided an update with respect to CYS's ongoing business operations. Mr. Grant and representatives of Barclays and Credit Suisse also discussed the potential impact of a rising interest rate environment on CYS's business on a going forward basis.

Following the CYS Board meeting, the CYS Special Committee reconvened its meeting to further discuss each of the revised bids, and which bidders should be invited to participate in a subsequent round (the "second round") of the bid process. Following such discussion, the CYS Special Committee instructed representatives of Barclays and Credit Suisse to invite Company C, Company D, and Two Harbors to continue to participate in the bid process. The CYS Special Committee also instructed representatives of Barclays and Credit Suisse to speak with Company B to confirm that it would be willing to move forward in the bid process based on CYS's proposed timeline and approach. The CYS Special Committee further instructed representatives of Barclays and Credit Suisse to invite Company E to participate in the second round of the bid process if Company B elected not to proceed based on CYS's proposed timeline and approach.

On the afternoon of March 21, 2018, representatives of Barclays and Credit Suisse contacted Company B to inquire as to whether it would be willing to proceed on CYS's proposed timeline and approach. Representatives of Company B did not provide a definitive answer in response. On that same afternoon, representatives of Barclays and Credit Suisse reached out to each of Company C, Company D and Two Harbors to request that each party submit a markup of a draft merger agreement by March 28, 2018. Barclays and Credit Suisse also provided each of Company C and Two Harbors a comprehensive due diligence request list and requested that such bidders populate a virtual data room with relevant information about such counterparty. Each of Company D and Two Harbors was also granted access to CYS's virtual data room (Company C had already been granted access to CYS's virtual data room).

Following the March 21, 2018 CYS Board meeting, and continuing through April 5, 2018, each remaining bidder engaged in due diligence of CYS, and CYS and its representatives engaged in due diligence on each bidder.

On the morning of March 22, 2018, representatives of Credit Suisse followed up with Company B and informed it that absent the expression of an affirmative desire to continue in the bid process, CYS would move forward without Company B. Following Company B's failure to confirm that it would be willing to proceed on CYS's proposed timeline and approach, the CYS Special Committee determined that CYS should move forward without Company B and that Company E should be invited to the process in Company B's place. At the direction of the CYS Special Committee, representatives of Vinson & Elkins sent a letter to Company B reminding it of its obligations of confidentiality under its NDA, subsequent to which no further discussions or negotiations took place with Company B. At the direction of the CYS Special Committee, representatives of Barclays and Credit Suisse then contacted

representatives of Company E and invited Company E to participate in the second round of the bid process and provided them with the diligence instructions provided to the other bidders.

Also on March 22, 2018, Company E received access to CYS's virtual data room for the purpose of conducting due diligence on CYS. Also on March 22, 2018, forms of draft merger agreements reflecting alternative transaction structures prepared by Vinson & Elkins were uploaded to CYS's virtual data room. Each merger agreement was based on the same form, but one draft contained a tender offer structure and the other draft contemplated a single-step merger structure.

On the morning of March 26, 2018, representatives of each of Two Harbors and CYS held an in-person diligence session, with representatives of Barclays, Credit Suisse, and Vinson & Elkins in attendance either in person or by telephone. Later that same day, representatives of Company D held an in-person diligence session, with representatives of Barclays, Credit Suisse, and Vinson & Elkins in attendance either in person or by telephone.

On March 27, 2018, representatives of each of Company E and CYS held an in-person diligence session, with representatives of Barclays, Credit Suisse, and Vinson & Elkins in attendance either in person or by telephone. Also on March 27, 2018, CYS management participated in a follow-up diligence call with representatives of Company C.

On March 28, 2018, CYS received a markup of the draft merger agreement from Company E. On March 29, 2018, CYS received markups of the draft merger agreement from Company C, Company D, and Two Harbors.

On April 3, 2018, the CYS Special Committee held a telephonic meeting during which members of the CYS Special Committee and representatives of Barclays, Credit Suisse, and Vinson & Elkins discussed the proposals from the remaining four bidders and their markups to the draft merger agreement. Neither the form of consideration nor the relative values of the bids from Company D, Company E and Two Harbors had changed from their respective previous bids, while Company C had revised its stock-for-stock bid and proposed \$7.46 per share of CYS Common Stock. During the meeting, the CYS Special Committee discussed the advantages and disadvantages of each bid, including various strategic considerations relating to the proposed tax structure of each bid, the expected timing to close, and the value and future prospects of each bidder's common stock that would be issued to CYS stockholders as merger consideration. The CYS Special Committee also discussed the next round (the "third round") of the bid process, including narrowing the number of bidders from four to two and which bidders should be invited to participate in the third round. Following such discussions, the CYS Special Committee decided to discuss the foregoing matters with the CYS Board.

On the afternoon and evening of April 3, 2018, at the direction of the CYS Special Committee, representatives of Vinson & Elkins held telephonic meetings with representatives of each of the four bidders and their legal counsel to discuss their proposed markups of the draft merger agreement. The purpose of each meeting was to remind each bidder of the competitiveness of the bid process and to suggest improvements in regards to the respective positions taken by the bidders with respect to certain legal and business points (the "Legal and Business Points") that would improve the competitiveness of the bidder's markup. Vinson & Elkins also reminded each of the bidders that the CYS Board would be evaluating the mark ups to determine whether such bidder would be invited to continue to participate in the third round of the bid process. Following such meetings, each of the four bidders provided Vinson & Elkins with written responses to the Legal and Business Points. In particular, Two Harbors, upon consultation with its legal counsel, Sidley Austin LLP ("Sidley"), agreed to make certain changes to its proposed markup of the draft merger agreement, including (i) PRCM Advisers agreeing to contribute \$10 million in cash as part of the merger consideration, (ii) providing CYS with the right to terminate the merger agreement for a CYS superior proposal, provided that the fee payable with respect to any CYS superior proposal termination was equal to 3.5% of the expected transaction value,

and (iii) providing each party with an expense amount to be paid in the event the requisite stockholder approval is not obtained equal to 0.5% of the equity value of the other party.

On April 4, 2018, the CYS Special Committee held a telephonic meeting with representatives of Barclays, Credit Suisse, and Vinson & Elkins to discuss each bidder's response to the Legal and Business Points. Representatives of Vinson & Elkins provided an overview of each bidder's response, noting that several of the bidders made significant concessions to their initial markup of the draft merger agreement. Following a discussion of each bid and markup of the draft merger agreement, the CYS Special Committee determined, after considering a multitude of factors, including the value of the consideration offered, the tax structure of the proposed transaction, whether the bidder would be required to obtain stockholder approval, the pricing mechanics of the proposed merger consideration and the markups of the draft merger agreement, among other factors, to recommend to the CYS Board that CYS should (i) continue to engage in negotiations with Company C and Two Harbors and (ii) pause negotiations with Company D and Company E.

On April 5, 2018, the CYS Board held a telephonic meeting with representatives of Barclays, Credit Suisse, and Vinson & Elkins to discuss each of the remaining proposed bids. During the meeting, representatives of Barclays and Credit Suisse reviewed their preliminary financial analyses of each bid and Vinson & Elkins presented an overview of each bidder's markup to the draft merger agreement and their responses to the Legal and Business Points. Following a discussion by members of the CYS Board and representatives of Barclays, Credit Suisse, and Vinson & Elkins regarding the merits of each bid, the CYS Board instructed the CYS Special Committee to (i) continue negotiating with Company C and Two Harbors and (ii) pause discussions regarding a strategic transaction with Company D and Company E unless such parties increased their revised proposals.

Following the April 5, 2018 meeting, at the direction of the CYS Board, representatives of Barclays and Credit Suisse contacted Company C and Two Harbors to inform them that the CYS Board had decided to move forward with each bidder in the bid process. At the direction of the CYS Board, representatives of Barclays and Credit Suisse also contacted Company D and Company E to inform them that CYS would not be moving forward with their proposals unless such parties responded with improved proposals.

On April 7, 2018, at the direction of the CYS Special Committee, Barclays and Credit Suisse provided Two Harbors a comprehensive due diligence request list and requested that Two Harbors populate a virtual data room with relevant information. At the direction of the CYS Special Committee, Barclays and Credit Suisse also delivered CYS' follow-up due diligence request list to representatives of Company C.

On April 8, 2018, Vinson & Elkins delivered revised markups of the draft merger agreement to representatives of Company C and Two Harbors.

On April 9, 2018, counsel to Company C and representatives of Vinson & Elkins held a call to discuss CYS's revised draft of the merger agreement.

Also on April 9, 2018, CYS and its representatives received access to Two Harbors' virtual data room for purposes of conducting due diligence on Two Harbors. From April 9, 2018 until April 25, 2018, CYS and its representatives engaged in corporate, tax and legal due diligence on Two Harbors.

On April 11, 2018, tax counsel to Company C and representatives of Vinson & Elkins held a call to discuss certain tax due diligence items.

Also on April 11, 2018, counsel to Company C delivered a revised draft of the merger agreement to Vinson & Elkins. Company C's revised draft of the merger agreement contained a number of revisions, including adjustments to the offer price and purchase price mechanics that effectively resulted in at least a \$0.11 per share reduction in Company C's per share offer price (to \$7.32 or less, which

Table of Contents

was less than the value of the Two Harbors bid). In addition, Company C's revised draft of the merger agreement failed to include certain purchase price protection mechanisms that were expected to be included in the merger agreement, and deemed by the CYS Board to be favorable and important to CYS stockholders. Upon receipt of Company C's revised draft of the merger agreement, representatives of Barclays and Credit Suisse contacted representatives of Company C to seek further clarification in regards to the revisions to the economic terms that were reflected in the draft of the merger agreement.

On April 12, 2018, representatives of Two Harbors held a call with representatives of CYS to discuss various due diligence matters. During the call, representatives of Two Harbors indicated a desire for the transaction to be structured as a taxable transaction to CYS stockholders and discussed its rationale that a taxable transaction would be in the best interests of the Combined Company as a result of various REIT tax limitations that would be imposed on the Combined Company and the amortization of premium on CYS's assets that were retained, which would have reduced the earnings of the Combined Company, if the transaction were structured as a tax free reorganization.

On April 12, 2018, the CYS Special Committee held a telephonic meeting with representatives of Barclays, Credit Suisse, and Vinson & Elkins, during which they discussed Company C's revised markup of the draft merger agreement, including Company C's revisions to the purchase price mechanics and the effective reduction in Company C's offer price. During the meeting, representatives of Barclays and Credit Suisse briefed the CYS Special Committee on their discussions with Company C about its revised offer price. Representatives of Vinson & Elkins also discussed with the CYS Special Committee the material legal issues contained in Company C's revised markup of the draft merger agreement. Members of the CYS Special Committee also discussed whether to suspend negotiations with Company C regarding a strategic transaction as a result of its reduction in its offer price. Members of the CYS Special Committee also discussed a number of additional business points raised by Two Harbors, including its desire to effect a taxable transaction and the appointment of CYS directors to the Two Harbors Board upon the closing of the transaction.

On the evening of April 12, 2018, a representative of Two Harbors delivered to the CYS Board (i) a revised markup of the merger agreement, and (ii) a letter proposing that Two Harbors and CYS engage on an exclusive basis for a period of at least one week prior to an anticipated signing date of April 24, 2018. The letter also notified the CYS Board that Two Harbors' offer would remain open until 5:00 p.m. Eastern Time, on April 16, 2018.

On April 13, 2018, the CYS Board held a telephonic meeting with members of CYS management, Barclays, Credit Suisse, and Vinson & Elkins during which they discussed, among other things, (i) the projections prepared by CYS management and (ii) the revised proposals and merger agreement markups received from Company C and Two Harbors. During this meeting, members of the CYS Board discussed whether to move forward with both Company C and Two Harbors or to move forward exclusively with Two Harbors. Upon further discussion, the CYS Board determined that the CYS Special Committee should negotiate for additional value and/or concessions from Two Harbors in exchange for agreeing to an exclusivity period.

From April 14 through April 15, 2018, representatives of Barclays and Credit Suisse engaged in further discussions with representatives of Company C to determine whether Company C would be willing to improve the economics of its bid. On April 15, 2018, Company C terminated CYS's access to its virtual data room.

On April 15, 2018, Vinson & Elkins sent a revised draft of the merger agreement to Sidley, and on April 16, 2018, representatives of Vinson & Elkins and Sidley discussed that revised draft of the merger agreement.

On the afternoon of April 16, 2018, the CYS Special Committee held a telephonic meeting. Representatives of Barclays and Credit Suisse informed the CYS Special Committee that Company C had indicated it was still interested in pursuing a transaction with CYS but that it was unwilling to increase its bid. Representatives of Vinson & Elkins then provided an overview of the open issues in the Two Harbors draft merger agreement, which included: (i) the appropriate number of CYS directors that would be appointed to serve on Two Harbors' board upon the closing of the transaction; (ii) whether Two Harbors would have the right to terminate the merger agreement to enter into a definitive agreement with respect to a possible future acquisition transaction involving Two Harbors that the Two Harbors' Board deemed to be a superior proposal; (iii) whether the CYS termination fee would be 3.5% or 4.0% of the expected transaction value; (iv) whether the expense amount payable to each party under certain circumstances would be 0.5% or 0.8% of the equity value of the other party; and (v) whether the transaction would be structured as a taxable transaction to CYS stockholders. The CYS Special Committee then engaged in a discussion regarding whether CYS should engage exclusively with Two Harbors and on what terms CYS would be willing to do so. Following such discussion, members of the CYS Special Committee resolved to propose to Two Harbors that CYS would be willing to agree to enter into exclusive negotiations for a one-week period if (a) Two Harbors or PRCM Advisers agreed to make an additional \$10 million cash payment to CYS stockholders (such that the cash paid to CYS stockholders was \$20 million in the aggregate); (b) three CYS directors would be appointed to the Two Harbors Board upon the closing of the transaction; (c) Two Harbors would not have the right to terminate the merger agreement for a Two Harbors superior proposal; (d) Two Harbors agreed that the CYS termination fee would be 3.5% of the expected transaction value and that the Two Harbors termination fee would be 4.5% of the expected transaction value; and (e) the expense amount payable under certain circumstances would be 0.8% of the other party's equity value. The CYS Special Committee further instructed representatives of Barclays and Credit Suisse to convey CYS's proposal to Two Harbors. Following the meeting, representatives of Barclays and Credit Suisse relayed the foregoing proposal to Two Harbors.

On the evening of April 16, 2018, representatives of Two Harbors contacted representatives of Barclays and Credit Suisse to respond to CYS's proposal. A representative of Two Harbors stated in an email that (i) PRCM Advisers would contribute an additional \$5 million in cash consideration to CYS common stockholders (such that the cash paid to CYS common stockholder was \$15 million in the aggregate), (ii) Two Harbors would agree not to have the right to terminate the merger agreement for a Two Harbors superior proposal, and (iii) Two Harbors would agree to a CYS termination fee equal to 3.5% of the expected transaction value and a Two Harbors termination fee equal to 4.5% of the expected transaction value. The representatives of Two Harbors did not agree to elect three CYS directors to the Two Harbors Board or to the expense amounts proposed by CYS.

On April 17, 2018, the CYS Board met telephonically, together with members of CYS management and representatives of Barclays, Credit Suisse, and Vinson & Elkins, to discuss financial projections prepared by CYS management. Members of CYS management provided an overview of these projections to the CYS Board and the assumptions and approach undertaken with respect to such projections. Following questions from members of the CYS Board and a discussion regarding the projections, the CYS Board determined that, based on the assumptions set forth therein, the CYS management projections were reasonable. Representatives of Barclays, Credit Suisse, and Vinson & Elkins informed the CYS Board that the CYS Special Committee had terminated negotiations with Company C as a result of Company C's unwillingness to increase its offer, which reflected an overall decrease in the economics of Company C's proposal compared to its initial bid, and a lower bid compared to other bids, including Two Harbors' bid. Representatives of Barclays, Credit Suisse, and Vinson & Elkins also explained that the CYS Special Committee had proposed to Two Harbors a list of economic and legal proposals in exchange for CYS negotiating exclusively with Two Harbors and that Two Harbors had agreed to some, but not all, of those requests.

On April 17, 2018, Vinson & Elkins received a draft exclusivity agreement from Sidley. Later that day, the CYS Special Committee met telephonically, together with members of CYS management and representatives of Barclays, Credit Suisse, and Vinson & Elkins, to discuss the draft exclusivity agreement and the open business and legal issues.

Also on April 17, 2018, at the direction of the CYS Special Committee, representatives of Barclays and Credit Suisse proposed to Two Harbors that CYS would agree to a CYS termination fee of 3.75% of the expected transaction value if Two Harbors agreed to expense amounts of 0.75% of the other party's equity value measured at the date of signing. Shortly thereafter, in response to the foregoing proposal, representatives of Two Harbors offered to agree to the proposed termination fee and expense amounts if CYS agreed that it would have the right to designate only two directors for appointment to the Two Harbors Board.

On the afternoon of April 18, 2018, the CYS Special Committee held a telephonic meeting with representatives of Barclays, Credit Suisse, and Vinson & Elkins to discuss the proposed transaction with Two Harbors. Representatives from Credit Suisse provided an update on their discussions with Two Harbors, noting that Two Harbors would not agree to the appointment of three CYS directors to the Two Harbors Board upon the closing of the transaction. Following a discussion, the CYS Special Committee agreed to accept two board seats in exchange for Two Harbors agreeing to the termination fee and expense amounts proposed by CYS.

During the evening of April 18, 2018, Vinson & Elkins sent a revised draft of the exclusivity agreement to Sidley, and CYS and Two Harbors executed an exclusivity agreement providing for exclusivity regarding a potential strategic transaction between CYS and Two Harbors until 11:59 p.m. Central Time on April 25, 2018.

Thereafter, Vinson & Elkins and Sidley exchanged drafts of the merger agreement and the various ancillary documents related thereto.

On the evening of April 23, 2018, the CYS Special Committee met telephonically, together with representatives of Barclays, Credit Suisse, and Vinson & Elkins, to discuss the proposed transaction with Two Harbors. Representatives of Credit Suisse and Barclays informed the CYS Special Committee that Two Harbors had requested that the transaction be structured as a taxable transaction. The CYS Board, together with representatives of Barclays, Credit Suisse, and Vinson & Elkins, discussed the merits of structuring the transaction as a taxable transaction and its impact on CYS stockholders, including the number of CYS stockholders that potentially could be taxed as a result of the transaction. Representatives of Credit Suisse and Barclays also informed the CYS Special Committee that Two Harbors had assumed that certain post-closing transaction expenses had been included in CYS's estimated transaction expense amount that Two Harbors had used to calculate its offer price and that Two Harbors, after being informed that such post-closing expenses were not included, now desired to reduce the purchase price by the amount of such expenses. The CYS Special Committee instructed Barclays and Credit Suisse to seek clarification from Two Harbors regarding how it factored post-closing transaction expenses into the purchase price and to respond negatively to such request before the CYS Special Committee responded to Two Harbors' request for a taxable transaction. Following the meeting, representatives of Barclays and Credit Suisse contacted representatives of Two Harbors to discuss how Two Harbors factored post-closing transaction expenses into the purchase price.

During the early afternoon of April 24, 2018, representatives of Vinson & Elkins and Sidley held a telephone call to discuss various open items in the draft merger agreement, and that evening Vinson & Elkins delivered a revised draft of the merger agreement to Sidley.

On the morning of April 25, 2018, the CYS Board met in person and telephonically, together with members of CYS management and representatives of Barclays, Credit Suisse and Vinson & Elkins to discuss and review the draft merger agreement and to consider the proposed transaction. Barclays and

Credit Suisse provided an update regarding the open business issues, including the post-closing transaction expenses. Following such update, representatives of Venable LLP, Maryland counsel to CYS, reviewed with the CYS Board the duties of the CYS directors under Maryland law. Representatives of Vinson & Elkins then reviewed the terms of the draft merger agreement and noted the outstanding legal issues. Also at this meeting, Barclays and Credit Suisse reviewed with the CYS Board their respective preliminary financial analyses of the proposed transaction with Two Harbors.

At noon, Eastern Time, on April 25, 2018, the CYS Special Committee met telephonically, together with representatives of Barclays, Credit Suisse, and Vinson & Elkins to discuss the open business issues in the draft merger agreement.

On the afternoon of April 25, 2018, the CYS Board met telephonically, and representatives of Barclays, Credit Suisse, and Vinson & Elkins briefed the CYS Board regarding the remaining open issues in the draft merger agreement. Representatives of Barclays and Credit Suisse informed the CYS Board that PRCM Advisers had agreed that it would cover the relevant post-closing transaction expenses up to an amount of \$3.3 million by taking a post-closing downward adjustment in its management fees. After confirming that no other economic or business points remained outstanding, the CYS Board instructed Barclays and Credit Suisse to agree to Two Harbors' request to structure the transaction as a taxable transaction. Following further discussion, the CYS Board instructed Vinson & Elkins, Barclays and Credit Suisse to finalize the draft merger agreement with Two Harbors and its representatives.

Throughout the day on April 25, 2018, Vinson & Elkins and Sidley exchanged drafts of the merger agreement and ancillary agreements related thereto.

On the evening of April 25, 2018, the CYS Board met telephonically to approve the merger agreement. Following a discussion of the resolution of the final open issues in the draft merger agreement, the CYS Board agreed to the terms of the merger agreement. Also at this meeting, representatives of Barclays and Credit Suisse rendered their respective oral fairness opinions, subsequently confirmed by delivery of written opinions, each dated April 25, 2018, that, in the case of Barclays' opinion, based upon and subject to the qualifications, limitations and assumptions set forth therein, as of the date of the opinion, the merger consideration to be offered to the holders of shares of CYS Common Stock in the Merger was fair, from a financial point of view, to such holders of CYS Common Stock, and in the case of Credit Suisse's opinion, as of the date of the opinion and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, the merger consideration to be received by holders of CYS Common Stock (other than excluded holders) pursuant to the Merger Agreement was fair, from a financial point of view, to such holders. Following the delivery of the oral opinions by Barclays and Credit Suisse, the CYS Board unanimously (i) determined that the Merger Agreement and the transactions contemplated thereby (collectively, the "Transactions"), including the Merger, were in the best interests of CYS and its stockholders, (ii) approved the Merger Agreement and declared the Transactions, including the Merger, advisable and (iii) authorized CYS to enter into the Merger Agreement.

On the evening of April 25, 2018, the Two Harbors Board met telephonically to approve the merger agreement with representatives of Two Harbors' management, Sidley and JMP in attendance. At the meeting, Two Harbors' management provided the Two Harbors Board with an update on the resolution of open issues on the merger agreement. Following this discussion, representatives of Sidley reviewed with the Two Harbors Board the duties of directors in connection with transactions of this type. Representatives from Sidley then summarized the final terms of the merger agreement, including the resolution of open issues. Also at this meeting, JMP reviewed with the Two Harbors Board its financial analysis of the Per Share Stock Consideration to be paid by Two Harbors as part of the merger consideration and rendered to the Two Harbors Board an oral opinion, confirmed by delivery

of a written opinion dated April 25, 2018, to the effect that, as of that date and based on and subject to the various assumptions and limitations set forth in its opinion, the Per Share Stock Consideration to be paid by Two Harbors as part of the merger consideration was fair, from a financial point of view, to Two Harbors. After further discussions, and after taking into consideration all of the information presented and discussed in the several prior communications and meetings among Two Harbors' management, the Two Harbors Board and its members that occurred over the course of the negotiations between Two Harbors and CYS, the Two Harbors Board unanimously (i) determined that the Merger Agreement, the Fourth Amendment to the Management Agreement and the Transactions, including the merger of Merger Sub with and into CYS and the Two Harbors Common Stock Issuance, were in the best interests of Two Harbors and its stockholders, (ii) approved the Merger Agreement, the Fourth Amendment to the Management Agreement and the Transactions, including the Merger and the Two Harbors Common Stock Issuance; (iii) directed that Two Harbors Common Stock Issuance be submitted to the holders of Two Harbors Common Stock for consideration at the Two Harbors special meeting, and (iv) recommended that the holders of Two Harbors Common Stock approve the issuance of the shares of Two Harbors Common Stock to be issued in the Merger.

On the morning of April 26, 2018, the parties executed the Merger Agreement, which was dated effective as of April 25, 2018.

Prior to the opening of trading on April 26, 2018 of Two Harbors Common Stock and CYS Common Stock on the NYSE, Two Harbors and CYS issued a joint press release announcing the execution of the Merger Agreement.

Recommendation of the Two Harbors Board and Its Reasons for the Merger

By vote at a meeting held on April 25, 2018, after careful consideration, the Two Harbors Board unanimously (i) determined that the Merger Agreement and the other transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, are in the best interests of Two Harbors and its stockholders, (ii) approved the Merger Agreement and the other transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, (iii) directed that the Two Harbors Common Stock Issuance Proposal be submitted to the holders of Two Harbors Common Stock for consideration at the Two Harbors special meeting and (iv) recommended that the holders of Two Harbors Common Stock approve the Two Harbors Common Stock Issuance Proposal. The Two Harbors Board unanimously recommends that Two Harbors common stockholders vote "**FOR**" the Two Harbors Common Stock Issuance Proposal and "**FOR**" the Two Harbors Adjournment Proposal.

In reaching its determination, the Two Harbors Board evaluated the Merger Agreement and the other transactions contemplated therein in consultation with Two Harbors' senior management and outside legal and financial advisors and carefully considered numerous factors that the Two Harbors Board viewed as supporting its decision, including, but not limited to, the following material factors:

The Two Harbors Board expects that the Merger will provide a number of significant potential strategic opportunities and benefits, including the following:

the combination of Two Harbors and CYS is expected to create cost efficiencies and decrease Two Harbors' other operating expense ratio by approximately 30 to 40 basis points. In addition, PRCM Advisers' agreement to reduce its base management fee on the new CYS equity will further enhance operating cost efficiencies in the year following the Closing;

following the Closing, Two Harbors anticipates that its current quarterly dividend of \$0.47 will be sustainable at least through 2018, subject to market conditions and the discretion and authorization of the Two Harbors Board;

Table of Contents

assuming improvements in Agency spreads in 2018, as is currently expected by Two Harbors, the Merger is expected to be accretive to earnings;

the Combined Company is expected to provide improved scale, liquidity and capital alternatives for Two Harbors stockholders as a result of the increased equity capitalization and the increased stockholder base of the Combined Company. In addition, larger capitalized mortgage REITs have historically carried premium valuations; and

the Combined Company will have a larger capital base, which will support continued growth across Two Harbors' target assets and positions Two Harbors to take advantage of market opportunities as they arise.

The Two Harbors Board considered that the Merger Agreement provides the Two Harbors Board with the right, prior to the receipt of Two Harbors stockholder approval of the Two Harbors Common Stock Issuance Proposal and subject to certain terms and conditions of the Merger Agreement, to make a change in recommendation regarding the Two Harbors Common Stock Issuance Proposal.

The Two Harbors Board considered JMP's opinion, dated April 25, 2018, to the Two Harbors Board as to the fairness, from a financial point of view and as of the date of JMP's opinion, to Two Harbors of the Per Share Stock Consideration (based on an illustrative 0.4872 Exchange Ratio as calculated, with the approval of Two Harbors, based on CYS's adjusted book value per share as of March 31, 2018 (as provided by CYS) and Two Harbors' adjusted book value per share as of March 31, 2018 (as provided by Two Harbors)), as more fully described in the section entitled "The Merger - Opinion of Two Harbors' Financial Advisor" beginning on page 84.

The Two Harbors Board considered its knowledge of the business, operations, financial condition, earnings and prospects of Two Harbors and CYS, taking into account the results of Two Harbors' due diligence review of CYS, as well as its knowledge of the current and prospective environment in which Two Harbors and CYS operate, including economic and market conditions.

The Two Harbors Board considered the commitment on the part of both parties to consummate the Merger as reflected in their respective obligations under the terms of the Merger Agreement, and the likelihood that the stockholder approvals needed to consummate the Merger would be obtained in a timely manner.

The Two Harbors Board also considered a variety of risks and other potentially negative factors in considering the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, including, but not limited to, the following material factors:

the risk of diverting management focus and resources from operational matters and other strategic opportunities while working to implement the Merger;

that, under the terms of the Merger Agreement, Two Harbors must pay CYS a termination fee of \$51.8 million and/or pay an expense amount equal to \$20.6 million if the Merger Agreement is terminated under specified circumstances, which may deter other parties from proposing an alternative transaction that may be more advantageous to Two Harbors stockholders, or which may become payable following a termination of the Merger Agreement in circumstances where no alternative transaction or superior proposal is available to Two Harbors. For more information, see "The Merger Agreement - Termination of the Merger Agreement" on page 143;

the limitations in the Merger Agreement on the right of Two Harbors to (i) solicit, initiate or knowingly encourage the making of a competing proposal, (ii) engage in any discussions or

negotiations with any person with respect to a competing proposal and (iii) furnish non-public information regarding Two Harbors to any person in connection with or in response to a competing proposal;

the risk that, notwithstanding the likelihood of the Merger being completed, the Merger may not be completed, or that completion may be unduly delayed, including the effect of the pendency of the Merger and the effect such failure to be completed may have on the trading price of Two Harbors common stock and Two Harbors' operating results, particularly in light of the costs incurred in connection with the transaction;

the risk that the cost savings, operational synergies and other benefits to the Two Harbors stockholders expected to result from the Merger might not be fully realized or realized at all, including as a result of possible changes in the markets in which the Combined Company will operate;

the risk that Two Harbors will be unable to redeploy the capital acquired in connection with the Merger into its target assets within the anticipated timeline or at anticipated returns;

the risk of other potential difficulties in integrating the two companies and their respective operations;

the substantial costs to be incurred in connection with the transaction, including the transaction expenses arising from the Merger and the costs of integrating the businesses of Two Harbors and CYS;

the restrictions on the conduct of Two Harbors' business during the period between the execution of the Merger Agreement and the Closing. For more information, see "The Merger Agreement Conduct of Business by Two Harbors Pending the Merger";

the risk that Two Harbors or CYS may be unable to retain key employees;

the Merger Agreement's provisions permitting CYS to terminate the Merger Agreement in order to enter into a superior proposal for more than 50% of CYS (as further defined in "The Merger Agreement Competing Proposals CYS Competing Proposal" and "The Merger Agreement Superior Proposals CYS Superior Proposal") (subject to compliance with the provisions of the Merger Agreement regarding non-solicitation of competing proposals) upon payment by CYS to Two Harbors of a termination fee of \$43.2 million and/or an expense amount equal to \$8.6 million. For more information, see "The Merger Agreement Termination of the Merger Agreement"; and

other matters described in the sections entitled "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements."

The foregoing discussion of the factors considered by the Two Harbors Board is not intended to be exhaustive and is not provided in any specific order or ranking, but rather includes material factors considered by the Two Harbors Board. In view of the wide variety of factors considered in connection with its evaluation of the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, and the complexity of these matters, the Two Harbors Board did not consider it practicable to, and did not attempt to, quantify, rank or otherwise assign any relative or specific weights or values to the factors considered, and individual directors may have held varied views of the relative importance of the factors considered and given different weights or values to different factors. The Two Harbors Board viewed its position and recommendation as being based on an overall review of the totality of the information available to it, including discussions with Two Harbors' management and outside legal and financial advisors, and determined that, in the aggregate, the potential benefits considered outweighed the potential risks or possible negative consequences of approving the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement.

The explanation and reasoning of the Two Harbors Board and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed in the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 51.

For the reasons set forth above, the Two Harbors Board has unanimously (i) determined that the Merger Agreement and the transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, are in the best interests of Two Harbors and its stockholders, (ii) approved the Merger Agreement and the other transactions contemplated therein, including the Merger and the Two Harbors Common Stock Issuance, (iii) directed that the Two Harbors Common Stock Issuance Proposal be submitted to the holders of Two Harbors Common Stock for consideration at the Two Harbors special meeting and (iv) recommended that the holders of Two Harbors Common Stock approve the Two Harbors Common Stock Issuance Proposal. The Two Harbors Board unanimously recommends that the Two Harbors common stockholders vote "FOR" the Two Harbors Common Stock Issuance Proposal and "FOR" the Two Harbors Adjournment Proposal.

Recommendation of the CYS Board and Its Reasons for the Merger

In evaluating the Merger Agreement, the Merger, and the other transactions contemplated by the Merger Agreement, the CYS Board and the CYS Special Committee consulted with CYS's financial and legal advisors: Barclays and Credit Suisse, as financial advisors to CYS, and Vinson & Elkins, as legal counsel to CYS. In reaching its determination that the transactions contemplated by the Merger Agreement are advisable and in the best interests of CYS and its stockholders, the CYS Board and CYS Special Committee considered a number of factors, including, but not limited to, the following material factors, which the CYS Board and the CYS Special Committee viewed as supporting its determination with respect to the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement:

in the case of the CYS Board, the unanimous recommendation of the CYS Special Committee that the CYS Board approve the Merger Agreement and declare the transactions contemplated thereby, including the Merger, advisable and in the best interests of CYS and its stockholders, as well as the independence of the members of the CYS Special Committee making such recommendation;

the merger consideration had an implied value per share of CYS Common Stock of \$7.79 which represented a premium of approximately 17.7% to CYS's closing price per share and 105% of CYS's book value per share on April 25, 2018, the last trading day prior to the public announcement of the Merger Agreement;

the final merger consideration is based on the Exchange Ratio, which will fluctuate as a result of changes in the book values of CYS and Two Harbors prior to the Determination Date, plus a cash payment to be paid by Two Harbors in the amount of \$15 million;

the general views of the members of the CYS Board and the CYS Special Committee with respect to the business, financial condition, current business strategy, and short and long-term prospects of CYS;

the belief of the CYS Special Committee that, as a result of the targeted bid process conducted by CYS and its robust negotiations with multiple bidders, including Two Harbors, CYS maximized stockholder value and obtained Two Harbors' best and final offer;

the receipt of Two Harbors Common Stock as part of the merger consideration provides CYS common stockholders the opportunity to continue ownership in the Combined Company, which

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Table of Contents

is expected to provide a number of significant potential strategic opportunities and benefits, including the following:

Two Harbors' more diversified portfolio helps mitigate the impact of rising interest rates due to its mortgage servicing rights and deeply discounted, legacy non-Agency RMBS;

the meaningful premium to the CYS Common Stock price is also a premium to CYS common stockholders on a book value basis;

Two Harbors' hybrid business model is well positioned for periods of market volatility because it is comprised of a mix of asset classes and a well-built platform that has been developed over time. Two Harbors' portfolio includes a rates strategy comprised of Agency RMBS paired with mortgage servicing rights, which typically perform better in a rising interest rate environment, and a credit strategy, comprised primarily of deeply discounted, legacy non-Agency RMBS; and

CYS common stockholders will benefit from increased operating scale, liquidity, and capital alternatives available to the larger Combined Company;

the valuation of Agency RMBS could be vulnerable as the Federal Reserve's balance sheet normalization takes full effect and as interest rates increase;

the merger consideration, which includes shares of Two Harbors Common Stock that will be listed for trading on the NYSE, continues to provide liquidity for CYS common stockholders desiring to liquidate their investment after the Merger;

the opinions of each of Barclays and Credit Suisse, each dated April 25, 2018, to the CYS Board that, in the case of Barclays' opinion, based upon and subject to the qualifications, limitations and assumptions set forth therein, as of the date of the opinion, the merger consideration to be offered to the holders of shares of CYS Common Stock in the Merger was fair, from a financial point of view, to such holders of CYS Common Stock, and in the case of Credit Suisse's opinion, as of the date of the opinion and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, the merger consideration to be received by holders of CYS Common Stock (other than excluded holders) pursuant to the Merger Agreement was fair, from a financial point of view, to such holders, as more fully described below in the sections entitled "The Merger Opinion of CYS's Financial Advisor, Barclays Capital Inc." and "The Merger Opinion of CYS's Financial Advisor, Credit Suisse Securities (USA) LLC" beginning on pages 92 and 101, respectively.

the Merger Agreement permits CYS to continue to pay its stockholders regular quarterly dividends payable in respect of the CYS Common Stock consistent with past practice between the signing of the Merger Agreement and the consummation of the Merger;

the Merger is subject to approval by holders of a majority of the outstanding shares of CYS Common Stock entitled to vote on the matter;

the Merger Agreement provides CYS with the right, under certain specified circumstances, to consider an unsolicited competing proposal if the CYS Board determines in good faith, after consultation with its financial advisors and outside legal counsel, that such competing proposal is, or is reasonably expected to lead to, a Superior Proposal, and provides the CYS Board with the ability, under certain specified circumstances, to make a change in recommendation or to terminate the Merger Agreement in order to enter into a definitive agreement with respect to a Superior Proposal upon payment of a \$43.2 million termination fee;

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Table of Contents

the commitment on the part of each of CYS and Two Harbors to complete the Merger as reflected in their respective obligations under the terms of the Merger Agreement and the absence of any required government consents, and the likelihood that the Merger will be completed on a timely basis;

the fact that the Merger Agreement provides that two current CYS directors will be appointed to serve on the Combined Company's board of directors; and

the other terms of the Merger Agreement, including representations, warranties and covenants of the parties, as well as the conditions to their respective obligations under the Merger Agreement.

The CYS Board and the CYS Special Committee also considered a variety of risks and other potentially negative factors in considering the Merger Agreement, the Merger, and the other transactions contemplated by the Merger Agreement, including, but not limited to, the following material factors:

that, because the Exchange Ratio may fluctuate as a result of changes in either party's book value prior to the Determination Date, an unfavorable change would reduce the number of shares of Two Harbors Common Stock received by holders of CYS Common Stock in the Merger;

the risk that a different strategic alternative, such as continuing as an independent public company, could be more beneficial to CYS stockholders than the Merger;

that the receipt of the merger consideration by CYS U.S. stockholders in exchange for their CYS Stock in the Merger will be a taxable transaction for federal income tax purposes;

that, under the terms of the Merger Agreement, CYS must pay Two Harbors a \$43.2 million termination fee if the Merger Agreement is terminated under certain circumstances, which might discourage or deter other parties from proposing an alternative transaction that may be more advantageous to CYS stockholders;

the possibility that, in certain circumstances, CYS could be required to pay Two Harbors an expense amount equal to \$8.6 million;

that the terms of the Merger Agreement place limitations on CYS's right to initiate, solicit or knowingly encourage the making of any proposal by or with a third party with respect to a competing transaction and to furnish information to, or enter into discussions with, a third party interested in pursuing an alternative strategic transaction;

the risk that, while the Merger is expected to be completed, there is no assurance that all the conditions to the parties' obligations to complete the Merger will be satisfied or waived, or that the Merger in fact will be completed;

that forecasts of future financial and operational results of the Combined Company are necessarily estimates based on assumptions and may vary significantly from future performance;

the risk of diverting management focus and resources from operational matters and other strategic opportunities while working to implement the Merger;

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

that the consummation of the Merger is subject to the approval of the Two Harbors common stockholders, and that the Merger will not close if the Two Harbors common stockholders do not approve the Two Harbors Common Stock Issuance Proposal;

that the consummation of the Merger is subject to the approval of the CYS common stockholders and the Merger will not close if the CYS common stockholders do not approve the Merger Proposal;

Table of Contents

that, under the terms of the Merger Agreement, in certain circumstances, the Two Harbors Board may make a change in recommendation, as more fully described in the section entitled "The Merger Agreement Competing Proposals" beginning on page 138;

that provisions in the Merger Agreement restricting non-ordinary course operation of CYS's business during the period between the signing of the Merger Agreement and consummation of the Merger may delay or prevent CYS from undertaking business opportunities that may arise or other actions it would otherwise take with respect to its operations absent the pending completion of the Merger;

the expenses to be incurred in connection with the Merger; and

the types and nature of the risks described under the section entitled "Risk Factors" beginning on page 42.

The foregoing discussion of the factors considered by the CYS Board and the CYS Special Committee is not intended to be exhaustive and is not provided in any specific order or ranking, but rather includes material factors considered by the CYS Board and the CYS Special Committee. In view of the wide variety of factors considered in connection with their respective evaluation of the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, and the complexity of these matters, the CYS Board and the CYS Special Committee did not consider it practical to, and did not attempt to, quantify, rank or otherwise assign any relative or specific weights or values to the different factors considered and individuals may have given different weights to different factors. The CYS Board and the CYS Special Committee conducted an overall review of the factors considered and determined that, in the aggregate, the potential benefits considered outweighed the potential risks or possible negative consequences of approving the Merger Agreement, the Merger, and the other transactions contemplated by the Merger Agreement.

The explanation and reasoning of the CYS Board and the CYS Special Committee and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed in the section entitled "Cautionary Statement Regarding Forward-Looking Statements" beginning on page 51.

After careful consideration, for the reasons set forth above, the CYS Board has approved the Merger Agreement, the Merger, and the other transactions contemplated thereby and has determined that the transactions contemplated by the Merger Agreement, including the Merger, are advisable and in the best interests of CYS and its stockholders and recommends to the CYS common stockholders that they vote "FOR" the Merger Proposal, "FOR" the CYS Non-Binding Compensation Advisory Proposal and "FOR" the CYS Adjournment Proposal.

Opinion of Two Harbors' Financial Advisor

Two Harbors has retained JMP as its financial advisor in connection with the Merger. In connection with this engagement, the Two Harbors Board requested that JMP evaluate the fairness, from a financial point of view, of the Per Share Stock Consideration to be paid by Two Harbors as part of the merger consideration. On April 25, 2018, at a meeting of the Two Harbors Board at which the Merger was approved, JMP rendered to the Two Harbors Board an oral opinion, confirmed by delivery of a written opinion dated April 25, 2018, to the effect that, as of that date and based on and subject to the matters described in its opinion, the Per Share Stock Consideration to be paid by Two Harbors as part of the merger consideration was fair, from a financial point of view, to Two Harbors.

The full text of JMP's written opinion, dated April 25, 2018, which describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken, is attached to this proxy statement/prospectus as Annex B and is incorporated into this joint proxy statement/prospectus by reference. reviewed certain publicly available research analyst price targets for CYS; and

performed such other studies, analyses and inquiries and considered such other factors as JMP deemed appropriate.

In arriving at its opinion, JMP, with Two Harbors' consent, (i) relied upon and assumed the accuracy and completeness of all information from public sources or which was provided to JMP by or on behalf of CYS or Two Harbors or otherwise reviewed by JMP, without independent verification, (ii) did not assume any responsibility for independently verifying such information, and (iii) relied on the assurances of the senior managements of CYS and Two Harbors that they were not aware of any facts or circumstances that would make such information which was provided to JMP inaccurate or misleading. In addition, with Two Harbors' consent, JMP did not make any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of CYS or Two Harbors, nor was JMP furnished with any such evaluations or appraisals. With respect to the financial projections and net asset value per share estimates referred to above and any other forecasts or forward-looking

information, JMP assumed, upon the advice of the respective senior managements of CYS and Two Harbors, as the case may be, that such projections, estimates, forecasts and information were reasonably prepared and reflected the best currently available estimates and good faith judgments of the managements of CYS and Two Harbors, as the case may be, as to the expected future results of operations and financial condition of CYS and Two Harbors and the other matters covered thereby, and JMP relied on such information in arriving at its opinion and did not assess the reasonableness or achievability of such projections, estimates, forecasts and information. Further, with respect to such financial projections, as part of JMP's analysis in connection with its opinion, JMP assumed, at the direction of Two Harbors, that the financial results reflected therein could be realized in the amounts and at the times indicated thereby. In addition, JMP did not perform or rely upon any analysis to (i) value the respective portfolio investments or assets of CYS or Two Harbors, (ii) value any preferred stock of CYS or Two Harbors, or (iii) evaluate the potential pro forma financial and/or strategic effects of the Merger on Two Harbors. JMP also assumed that there would be no developments with respect to the housing market, mortgage industry and related credit and financial markets that would be material in any respect to its analysis or opinion.

In addition, in arriving at its opinion, JMP assumed, with Two Harbors' consent, that (i) there were no material changes in any of the assets, financial condition, business or prospects of CYS or Two Harbors since the date of the most recent financial statements and other information made available to JMP, (ii) all material information JMP requested from Two Harbors and CYS during the scope of its engagement was provided to JMP fully and in good faith, (iii) the Merger and the other transactions contemplated by the Merger Agreement (including, without limitation, the management fee reductions contemplated by the Fourth Amendment to the Management Agreement ("Management Fee Reductions")) would be consummated in accordance with the terms and conditions set forth in the Merger Agreement (the final terms and conditions of which JMP assumed would not differ in any respect material to its analysis from the aforementioned draft it reviewed), without any waiver, modification or amendment of any material terms or conditions, (iv) the representations and warranties made by the parties to the Merger Agreement were and would be true and correct in all respects material to its analysis, (v) all governmental and third party consents, approvals and agreements necessary for the consummation of the Merger and the other transactions contemplated by the Merger Agreement would be obtained without any adverse effect on Two Harbors, CYS or the Merger, and (vi) the Merger and the other transactions contemplated by the Merger Agreement would not violate any applicable federal or state statutes, rules or regulations. JMP assumed, with Two Harbors' consent, that Two Harbors and CYS have operated in conformity with the requirements for qualification as a REIT for U.S. federal income tax purposes since their respective formation as a REIT, and JMP also assumed, with Two Harbors' consent, that the Merger and the other transactions contemplated by the Merger Agreement would not adversely affect the REIT status of Two Harbors. JMP further assumed, with Two Harbors' consent, that the Merger would qualify for the intended tax treatment described in the Merger Agreement for U.S. federal income tax purposes. JMP did not review, and expressed no view or opinion with respect to, the repurchase agreements of Two Harbors or CYS.

JMP's opinion addressed only the fairness, from a financial point of view and as of the date of JMP's opinion, to Two Harbors of the Per Share Stock Consideration based on an illustrative 0.4872 Exchange Ratio as calculated, with the approval of Two Harbors, based on CYS's adjusted book value per share as of March 31, 2018 (as provided by CYS) and Two Harbors' adjusted book value per share as of March 31, 2018 (as provided by Two Harbors). Two Harbors advised JMP, and JMP assumed, that the proceeds of the one-time downward adjustment of \$15 million to the management fees payable by Two Harbors for the quarter in which the Merger closes would be used by Two Harbors to fund the aggregate Per Share Cash Consideration and, accordingly, (i) JMP treated the Per Share Cash Consideration as if it were paid directly by PRCM Advisers and not Two Harbors and (ii) JMP's opinion did not address, and JMP expressed no view or opinion with respect to, the Per Share Cash Consideration.

Table of Contents

JMP expressed no view or opinion as to the form or structure of the Merger, including, without limitation, the calculation of the Exchange Ratio, what the actual Exchange Ratio would be when determined, the allocation of the consideration to be paid to the holders of CYS Common Stock between the Per Share Stock Consideration and the Per Share Cash Consideration or the treatment of the outstanding shares of CYS Series A Preferred Stock and CYS Series B Preferred Stock in the Merger. JMP's opinion did not constitute legal, regulatory, accounting, insurance, tax or other similar professional advice and did not address (i) the underlying decision of the Two Harbors Board to proceed with or effect the Merger or the other transactions contemplated by the Merger Agreement (including, without limitation, the Management Fee Reductions), (ii) the terms of the Merger (other than the Per Share Stock Consideration to the extent expressly addressed in JMP's opinion), the Management Fee Reductions or any other related transaction or any arrangements, understandings, agreements or documents related to the Merger or any related transaction, (iii) the fairness of the Merger or any other transaction to Two Harbors' equity holders or creditors, PRCM Advisers or any other person or entity (other than to Two Harbors with respect to the Per Share Stock Consideration to the extent expressly addressed in JMP's opinion), (iv) the relative merits of the Merger or the other transactions contemplated by the Merger Agreement as compared to any alternative strategy or transaction that might exist for Two Harbors, or the effect of any other transaction which it may consider in the future, (v) the tax, accounting or legal consequences of the Merger or the other transactions contemplated by the Merger Agreement, (vi) the solvency, creditworthiness, fair market value or fair value of any of Two Harbors, CYS or their respective assets under any applicable laws relating to bankruptcy, insolvency, fraudulent conveyance or similar matters, or (vii) the appropriate capital structure of Two Harbors or the potential dilutive or other effects of the Merger on the existing security holders of Two Harbors. JMP's opinion expressed no opinion as to the fairness of the amount or nature of any compensation to any officers, directors, or employees of any party to the Merger, or any class of such persons, relative to the Per Share Stock Consideration.

JMP's opinion was necessarily based on business, economic, monetary, market and other conditions as they existed and could reasonably be evaluated on, and the information made available to JMP as of, the date of JMP's opinion. Subsequent developments may affect JMP's opinion, and JMP assumed no responsibility for updating or revising its opinion based on circumstances or events occurring after the date of JMP's opinion (regardless of the date of Closing). JMP was not engaged to amend, supplement or update its opinion at any time. JMP expressed no view or opinion as to what the value of Two Harbors Common Stock or any other security of Two Harbors actually would be when issued pursuant to the Merger or otherwise or the prices at which Two Harbors Common Stock, CYS Common Stock or any other security of Two Harbors or CYS might be purchased, sold or exchanged, or otherwise be transferable, at any time. JMP also expressed no view or opinion as to the prices at which any of the respective portfolio investments or assets of Two Harbors or CYS may be purchased, sold or exchanged, or otherwise be transferable, at any time. Except as described in this summary, Two Harbors imposed no other instructions or limitations on JMP with respect to the investigations made or procedures followed by JMP in rendering its opinion.

In preparing its opinion, JMP performed a variety of financial analyses, including those described below. This summary of the analyses is not a complete description of JMP's opinion or the analyses underlying, and factors considered in connection with, JMP's opinion, but summarizes the material analyses performed and presented in connection with such opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to summary description. JMP arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole, and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis for purposes of its opinion. Accordingly, JMP believes that its analyses must be considered as a

whole and selecting portions of its analyses and factors, without considering all analyses and factors, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, JMP considered industry performance, general business, economic, market and financial conditions and other matters existing as of the date of its opinion, many of which are beyond the control of Two Harbors. No company, business or transaction reviewed is identical to Two Harbors, CYS or the Merger. An evaluation of these analyses is not entirely mathematical; rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies, businesses or transactions reviewed.

The estimates contained in JMP's analyses and the valuation ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by its analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, JMP's analyses are inherently subject to substantial uncertainty.

JMP was not requested to, and it did not, recommend the specific consideration payable in the Merger. The type and amount of consideration payable in the Merger was determined through negotiations between Two Harbors and CYS and the decision of Two Harbors to enter into the Merger Agreement was solely that of the Two Harbors Board. JMP's opinion was only one of many factors considered by the Two Harbors Board in its consideration of the Merger and should not be viewed as determinative of the views of the Two Harbors Board or Two Harbors management with respect to the Merger or the consideration to be paid in the Merger.

The following is a summary of the material financial analyses provided to the Two Harbors Board in connection with JMP's opinion. **The financial analyses summarized below include information presented in tabular format. In order to fully understand JMP's financial analyses, the tables must be read together with the text of each summary. Considering the data below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of JMP's financial analyses.**

In addition, Two Harbors has agreed to indemnify JMP against certain claims and liabilities related to or arising out of its engagement. JMP may seek to provide investment banking and other financial services to Two Harbors, CYS or their respective affiliates in the future, for which JMP would expect to receive compensation. JMP and its affiliates in the past provided investment banking and other financial services to Two Harbors and CYS and received compensation for the rendering of these services, including (i) having acted as manager for a share repurchase program of CYS and (ii) having acted as manager on the at-the-market equity placement program for CYS. Furthermore, JMP acted as co-manager on the initial public offering of Granite Point Mortgage Trust Inc., then an affiliate of Two Harbors. In the ordinary course of business, JMP and its affiliates may actively trade or hold the securities of Two Harbors and CYS for their own account or for the account of their customers and, accordingly, may at any time hold a long or short position in those securities.

Barclays was engaged to act as a financial advisor to the CYS Board with respect to pursuing strategic alternatives for CYS, including a possible sale of CYS, pursuant to an engagement letter dated February 26, 2018, as amended. On April 25, 2018, Barclays rendered its oral opinion (which was subsequently confirmed in writing) to the CYS Board that, as of such date and based upon and subject to the qualifications, limitations and assumptions stated in its opinion, from a financial point of view,

the merger consideration to be offered to the holders of shares of CYS Common Stock is fair to such stockholders.

The full text of Barclays' written opinion, dated as of April 25, 2018, is attached as Annex C to this joint proxy statement/prospectus. Barclays' written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Barclays in rendering its opinion. You are encouraged to read the opinion carefully in its entirety. The following is a summary of Barclays' opinion and the methodology that Barclays used to render its opinion. This summary is qualified in its entirety by reference to the full text of the opinion.

Barclays' opinion, the issuance of which was approved by Barclays' Valuation and Fairness Opinion Committee, is addressed to the CYS Board, addresses only the fairness, from a financial point of view, of the merger consideration to be offered to the holders of CYS Common Stock and does not constitute a recommendation to any holder of CYS Common Stock as to how such stockholder should vote with respect to the proposed transaction or any other matter. The terms of the proposed transaction were determined through arm's-length negotiations between CYS and Two Harbors and were unanimously approved by CYS's Board. Barclays did not recommend any specific form of consideration to CYS or that any specific form of consideration constituted the only appropriate consideration for the proposed transaction. Barclays was not requested to address, and its opinion does not in any manner address, CYS's underlying business decision to proceed with or effect the proposed transaction, the likelihood of the consummation of the proposed transaction, or the relative merits of the proposed transaction as compared to any other transaction in which CYS may engage. In addition, Barclays expressed no opinion on, and its opinion does not in any manner address, the fairness of the amount or the nature of any compensation to any officers, directors or employees of any parties to the proposed transaction, or any class of such persons, relative to the consideration to be offered to the holders of CYS Common Stock in the proposed transaction. No limitations were imposed by CYS's Board upon Barclays with respect to the investigations made or procedures followed by it in rendering its opinion.

In arriving at its opinion, Barclays, among other things:

reviewed and analyzed financial and operating information with respect to the business, operations and prospects of CYS furnished to Barclays by CYS, including financial projections of CYS prepared by CYS's management furnished to Barclays by CYS (which are referred to in this section as the "CYS Projections");

reviewed and analyzed financial and operating information with respect to the business, operations and prospects of the pro forma combined company (which is referred to in this section as "Pro Forma Two Harbors") furnished to Barclays by Two Harbors or CYS, including financial projections of Pro Forma Two Harbors prepared by management of Two Harbors and

Table of Contents

furnished to Barclays by Two Harbors (which are referred to in this section as the "Pro Forma Projections");

reviewed and analyzed a trading history of CYS Common Stock and Two Harbors Common Stock from June 17, 2009 through April 20, 2018 and a comparison of those trading histories with each other and with those of other companies that Barclays deemed relevant;

reviewed and analyzed a comparison of the historical financial results and present financial condition of CYS and Two Harbors with each other and with those of other companies that Barclays deemed relevant;

reviewed and analyzed a comparison of the financial terms of the proposed transaction with the financial terms of certain other recent transactions that Barclays deemed relevant;

reviewed and analyzed published estimates of independent research analysts with respect to the future financial performance and net asset value of CYS and Two Harbors and price targets of CYS Common Stock and Two Harbors Common Stock;

had discussions with the managements of CYS and Two Harbors concerning the business, operations, assets, liabilities, financial condition and prospects of Two Harbors and with the management of CYS concerning the strategic rationale for the proposed transaction and the business, operations, assets, liabilities, financial condition and prospects of CYS; and

has undertaken such other studies, analyses and investigations as Barclays deemed appropriate.

In arriving at its opinion, Barclays assumed and relied upon the accuracy and completeness of the financial and other information used by Barclays without any independent verification of such information (and had not assumed responsibility or liability for any independent verification of such information). Barclays also relied upon the assurances of the managements of CYS and Two Harbors that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the CYS Projections, upon the advice and at the direction of CYS, Barclays assumed that such projections, based on the assumptions stated therein, (i) were reasonably prepared and (ii) reflected the most reasonable currently available estimates and judgments of the management of CYS as to the future financial performance of CYS and that CYS would perform substantially in accordance with such projections. With respect to the Two Harbors Projections, upon the advice and at the direction of CYS, Barclays assumed that such projections, based on the assumptions stated therein, (i) were reasonably prepared and (ii) reflected the most reasonable currently available estimates of the management of CYS as to the future financial performance of Two Harbors and that Two Harbors would perform substantially in accordance with such projections. With respect to the Pro Forma Projections, upon the advice and at the direction of CYS, Barclays assumed that such projections, based on the assumptions stated therein, (i) were reasonably prepared and (ii) reflected the most reasonable currently available estimates and judgments of the management of CYS as to the future financial performance of Pro Forma Two Harbors and that Pro Forma Two Harbors would perform substantially in accordance with the Pro Forma Projections.

In arriving at its opinion, Barclays assumed no responsibility for and expressed no view as to any such projections or estimates or the assumptions on which they were based. In arriving at its opinion, Barclays did not conduct a physical inspection of the properties and facilities of CYS or Two Harbors and did not make or obtain any evaluations or appraisals of the assets or liabilities of CYS or Two Harbors. Barclays' opinion was necessarily based upon market, economic and other conditions as they existed on, and could be evaluated as of, April 25, 2018. Barclays assumed no responsibility for updating or revising its opinion based on events or circumstances that may occur after April 25, 2018. Barclays expressed no opinion as to the prices at which (i) shares of Two Harbors Common Stock would trade following the announcement or consummation of the proposed transaction or (ii) shares of CYS Common Stock would trade following the announcement of the proposed transaction. Barclays'

Table of Contents

opinion should not be viewed as having provided any assurance that the market value of the shares of Two Harbors Common Stock to be held by the holders of shares of CYS Common Stock after the consummation of the proposed transaction would be in excess of the market value of the shares of CYS Common Stock owned by such stockholders at any time prior to the announcement or consummation of the Proposed Transaction. Barclays assumed that the executed merger agreement would conform in all material respects to the last draft reviewed by Barclays. Additionally, Barclays assumed the accuracy of the representations and warranties contained in the merger agreement and all agreements related thereto. Barclays also assumed, upon the advice of CYS, that all material governmental, regulatory and third party approvals, consents and releases for the Merger would be obtained within the constraints contemplated by the merger agreement and that the Merger would be consummated in accordance with the terms of the merger agreement without waiver, modification or amendment of any material term, condition or agreement thereof. Barclays did not express any opinion as to any tax or other consequences that might result from the Merger, nor did Barclays' opinion address any legal, tax, regulatory or accounting matters, as to which Barclays understood CYS had obtained such advice as it deemed necessary from qualified professionals.

In connection with rendering its opinion, Barclays performed certain financial, comparative and other analyses as summarized below. In arriving at its opinion, Barclays did not ascribe a specific range of values to the shares of CYS Common Stock but rather made its determination as to fairness, from a financial point of view, to holders of CYS Common Stock of the merger consideration to be offered to such stockholders in the proposed transaction on the basis of various financial and comparative analyses. The preparation of a fairness opinion is a complex process and involves various determinations as to the most appropriate and relevant methods of financial and comparative analyses and the application of those methods to the particular circumstances. Therefore, a fairness opinion is not readily susceptible to summary description.

In arriving at its opinion, Barclays did not attribute any particular weight to any single analysis or factor considered by it but rather made qualitative judgments as to the significance and relevance of each analysis and factor relative to all other analyses and factors performed and considered by it and in the context of the circumstances of the particular transaction. Accordingly, Barclays believes that its analyses must be considered as a whole, as considering any portion of such analyses and factors, without considering all analyses and factors as a whole, could create a misleading or incomplete view of the process underlying its opinion.

Summary of Material Financial Analyses

The following is a summary of the material financial analyses used by Barclays in preparing its opinion to CYS's Board. The summary of Barclays' analyses and reviews provided below is not a complete description of the analyses and reviews underlying Barclays' opinion. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of analysis and review and the application of those methods to particular circumstances, and, therefore, is not readily susceptible to summary description.

For the purposes of its analyses and reviews, Barclays made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of CYS or any other parties to the proposed transaction. No company, business or transaction considered in Barclays' analyses and reviews is identical to CYS, Two Harbors or the proposed transaction, and an evaluation of the results of those analyses and reviews is not entirely mathematical. Rather, the analyses and reviews involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, businesses or transactions considered in Barclays' analyses and reviews. None of CYS, Two Harbors, Barclays or any other person assumes responsibility if future results are materially different from those discussed. Any estimates contained in

these analyses and reviews and the ranges of valuations resulting from any particular analysis or review are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth below. In addition, analyses relating to the value of companies, businesses or securities do not purport to be appraisals or reflect the prices at which the companies, businesses or securities may actually be sold. Accordingly, the estimates used in, and the results derived from, Barclays' analyses and reviews are inherently subject to substantial uncertainty. For purposes of the financial analyses and reviews summarized below, the term "implied per share merger consideration" refers to the value implied by adding \$0.10 (which is the amount obtained by dividing \$15 million (the total cash consideration payable in the merger) by the number of shares of CYS Common Stock estimated by CYS management to be outstanding as of April 25, 2018) to the product of \$15.70 (which was the market price of Two Harbors Common Stock as of April 20, 2018) multiplied by the exchange ratio derived by dividing the product of CYS's March 31, 2018 adjusted book value per share multiplied by 96.75% by the product of Two Harbors' March 31, 2018 adjusted book value per share multiplied by 94.20%, pursuant to the merger agreement.

The summary of the financial analyses and reviews summarized below includes information presented in tabular format. In order to fully understand the financial analyses and reviews used by Barclays, the tables must be read together with the text of each summary, as the tables alone do not constitute a complete description of the financial analyses and reviews. Considering the data in the tables below without considering the full description of the analyses and reviews, including the methodologies and assumptions underlying the analyses and reviews, could create a misleading or incomplete view of Barclays' analyses and reviews.

Selected Comparable Company Analysis

In order to assess how the public market values shares of similar publicly traded companies and to provide a range of relative implied equity values per share of CYS Common Stock and per share of Two Harbors Common Stock by reference to those companies, which could then be used to calculate implied exchange ratio ranges, Barclays reviewed and compared specific financial and operating data relating to CYS and Two Harbors, respectively, with selected companies that Barclays, based on its experience in the agency REIT sector, deemed comparable to CYS and Two Harbors, respectively. The selected comparable companies with respect to CYS (which are referred to in this section collectively as the "CYS comparable") were:

Capstead Mortgage Corporation

The selected comparable companies with respect to Two Harbors which are referred to in this section collectively as the "Two Harbors comparable") were:

Barclays calculated and compared various financial multiples and ratios of CYS, Two Harbors (on a historic standalone basis and pro forma giving effect to the Merger) and the selected comparable

companies. As part of its selected comparable company analysis, Barclays calculated and analyzed (i) CYS's, Two Harbors' (on a historic standalone basis) and each selected comparable company's ratio of its current stock price to its tangible book value per share (which is referred to in this section as "TBVPS") as of December 31, 2017, (ii) CYS's, Pro Forma Two Harbors' and each selected comparable company's ratio of its current stock price to its projected 2018 earnings per share (which is referred to in this section as "2018 expected EPS") and (iii) CYS's, Two Harbors' and each selected comparable company's first quarter of 2018 annualized dividend yield (which is referred to in this section as "2018 Q1 annualized dividend yield"). All of these calculations were performed, and based on (i) publicly available financial data (including FactSet data), (ii) closing prices, as of April 20, 2018, the last reasonably practicable trading date prior to the delivery of Barclays' opinion, (iii) in the case of CYS's 2018 expected EPS and 2018 Q1 annualized dividend yield, the CYS Projections, (iv) in the case of Two Harbors' 2018 Q1 annualized dividend yield, the Two Harbors Projections, and (v) in the case of Pro Forma Two Harbors' 2018 expected EPS, the Pro Forma Projections. The results of this selected comparable company analysis are summarized below:

	CYS			Two Harbors (historic standalone basis)			Pro Forma Two Harbors		
	Bottom Quartile	Median	Top Quartile	Bottom Quartile	Median	Top Quartile	Bottom Quartile	Median	Top Quartile
Price to December 31, 2017 TBVPS	0.86x	0.89x	0.92x	0.86x	0.86x	0.88x			
Price to 2018 expected EPS	8.5x	9.0x	10.5x				8.8x	8.9x	9.3x
2018 Q1 annualized dividend yield	9.6%	10.8%	11.6%	10.4%	11.2%	11.7%			

Barclays selected the comparable companies listed above because their businesses and operating profiles are reasonably similar to that of CYS or Two Harbors, as applicable. However, because no selected comparable company is exactly the same as CYS or Two Harbors, Barclays believed that it was inappropriate to, and therefore did not, rely solely on the quantitative results of the selected comparable company analysis. Accordingly, Barclays also made qualitative judgments concerning differences between the business, financial and operating characteristics and prospects of CYS or Two Harbors, as applicable, and the selected comparable companies that could affect the public trading values of each in order to provide a context in which to consider the results of the quantitative analysis. These qualitative judgments related primarily to the differing sizes, growth prospects, profitability levels and degree of operational risk between CYS or Two Harbors, as applicable, and the companies included in the selected company analysis.

CYS

Based upon these judgments, with respect to CYS, Barclays selected multiple ranges of 0.80x to 0.90x for December 31, 2017 TBVPS and March 31, 2018 TBVPS, 7.5x to 9.0x for 2018 expected EPS and 10.0% to 12.0% for 2018 Q1 annualized dividend yield to calculate a range of implied prices per share of CYS Common Stock. The following summarizes the result of these calculations:

Metric	Implied price per share of CYS Common Stock	Implied per share merger consideration
December 31, 2017 TBVPS	\$6.71 to \$7.54	\$ 7.75
March 31, 2018 TBVPS	\$5.93 to \$6.67	\$ 7.75
2018 expected EPS	\$6.67 to \$8.01	\$ 7.75
2018 Q1 annualized dividend yield	\$7.33 to \$8.80	\$ 7.75

Table of Contents**Two Harbors**

Based upon these judgments, with respect to Two Harbors, Barclays selected multiple ranges of 0.85x to 0.95x for Two Harbors' December 31, 2017 TBVPS (on a historic standalone basis), March 31, 2018 TBVPS (on a historic standalone basis) and June 30, 2018 TBVPS (pro forma giving effect to the Merger), 8.0x to 9.0x for 2018 expected EPS (pro forma giving effect to the Merger) and 10.0% to 12.0% for 2018 Q1 annualized dividend yield (on a historic standalone basis) to calculate a range of implied prices per share of Two Harbors common stock. The following summarizes the result of these calculations:

	Metric	Implied price per share of Two Harbors common stock	Closing stock price as of April 20, 2018
Two Harbors (on a historic standalone basis)	December 31, 2017 TBVPS	\$13.86 to \$15.49	\$ 15.70

	2018 expected EPS	\$14.96 to \$16.83	\$ 15.70

Selected Precedent Transaction Analysis

Barclays reviewed and compared the purchase prices and financial multiples paid in selected other transactions in the mortgage REIT sector that Barclays, based on its experience with merger and acquisition transactions, deemed relevant. Barclays chose such transactions based on, among other things, the similarity of the applicable target companies in the transactions to CYS and Two Harbors with respect to the industry, operations and other characteristics of their businesses. The following list sets forth the transactions analyzed based on such characteristics:

Target / Acquirer	Announcement date
Annaly Capital Management, Inc. / Hatteras Financial Corp.	April 11, 2016
ZAIS Financial Corp. / Sutherland Partners	April 7, 2016
ARMOUR Residential REIT, Inc. / JAVELIN Mortgage Investment Corp.	March 2, 2016
Apollo Commercial Real Estate Finance, Inc. / Apollo Residential Mortgage, Inc.	February 26, 2016

The reasons for and the circumstances surrounding each of the selected precedent transactions analyzed were diverse and there are inherent differences in the business, operations, financial conditions and prospects of CYS, Two Harbors and the companies included in the selected precedent transaction analysis. Using publicly available information, Barclays analyzed the ratio of the per share purchase price paid in each transaction to the pre-announcement TBVPS for the target company as of the Friday the week before the applicable transaction was announced, which ratio is referred to in this section as "Transaction/Book". The following summarizes the result of these calculations:

	Low	Median	Mean	High
Transaction/Book	0.85x	0.88x	0.88x	0.92x

Table of Contents

Based upon this analysis, Barclays applied a Transaction/Book range of 0.85x to 0.92x to CYS's March 31, 2018 TBVPS to calculate a range of implied prices per share of CYS. The following table sets forth the results of such analysis:

	Low	High	Implied per share merger consideration	
Implied price per share of CYS	\$ 6.30	\$ 6.82	\$	7.75

Dividend Discount Analysis

In order to estimate the present value of CYS Common Stock and Two Harbors Common Stock, Barclays performed a dividend discount analysis of CYS and Pro Forma Two Harbors. A dividend discount analysis is a valuation methodology used to derive a valuation of an entity by calculating the "present value" of estimated distributable cash flows of the entity. "Present value" refers to the current value of future distributable cash flows and is obtained by discounting those future distributable cash flows by a discount rate that takes into account macroeconomic assumptions and estimates of risk, the opportunity cost of capital, expected returns and other appropriate factors.

CYS

To calculate the estimated present value of CYS Common Stock, Barclays added the estimated dividends expected to be paid by CYS to holders of CYS Common Stock during the last three quarters of the calendar year ending December 31, 2018 through the calendar year ending December 31, 2020 (based on the CYS Projections) to the estimated terminal value per share of CYS Common Stock on December 31, 2020 and discounted such sum to its present value using a range of selected discount rates. In connection with this analysis, Barclays assumed (i) a terminal value of 0.80x to 1.00x tangible book value (which is referred to in this section as "TBV") on December 31, 2020, (ii) a constant payout ratio of core earnings and drop income of 100% and (iii) discount rates based on the cost of equity (based on the capital asset pricing model) of CYS of 7.5% to 9.5% and the 2018 Q1 annualized dividend yield of the CYS comparable of 10.0% to 12.0%, respectively. Based upon these assumptions, Barclays calculated a range of implied prices per share of CYS Common Stock. The following summarizes the result of these calculations:

	Equity value per share	Implied per share merger consideration	
Cost of equity	\$6.83 - \$8.30	\$	7.75
2018 Q1 annualized dividend yield	\$6.49 - \$7.86	\$	7.75

Two Harbors

To calculate the estimated present value of Two Harbors Common Stock, Barclays added the estimated dividends expected to be paid by Pro Forma Two Harbors to holders of Two Harbors Common Stock during the last two quarters of the calendar year ending December 31, 2018 through the calendar year ending December 31, 2020 (based on the Pro Forma Projections) to the estimated terminal value per share of Two Harbors Common Stock on December 31, 2020 and discounted such sum to its present value using a range of selected discount rates. In connection with this analysis, Barclays assumed (i) a terminal value of 0.85x to 1.00x TBV on December 31, 2020, (ii) dividends paid to holders of Two Harbors Common Stock in accordance with the Pro Forma Projections and (iii) discount rates based on the cost of equity (based on the capital asset pricing model) of Pro Forma Two Harbors of 8.0% to 10.0% and the 2018 Q1 annualized dividend yield of Two Harbors comparable of 10.0% to 12.0%, respectively. Based upon these assumptions, Barclays calculated a range of implied

Table of Contents

prices per share of Two Harbors Common Stock. The following summarizes the result of these calculations:

	Equity value per share		Closing stock price as of April 20, 2018
Cost of equity	\$13.77 - \$16.34	\$	15.70
2018 Q1 annualized dividend yield	\$13.17 - \$15.60	\$	15.70

Additional compensation of between \$7.0 million and \$7.5 million will be payable on completion of the proposed transaction against which the Opinion Fee will be credited. In addition, CYS has agreed to reimburse Barclays for its expenses incurred in connection with the proposed transaction and to indemnify Barclays for certain liabilities that may arise out of its engagement by CYS and the rendering of Barclays' opinion. Opinion of CYS's Financial Advisor, Credit Suisse Securities (USA) LLC

CYS has engaged Credit Suisse to act as a financial advisor to CYS in connection with the proposed merger. In connection with this engagement, the CYS Board requested that Credit Suisse evaluate the fairness, from a financial point of view, of the merger consideration to be received by holders of CYS Common Stock (other than excluded holders) pursuant to the merger agreement. On April 25, 2018, at a meeting of the CYS Board held to evaluate the proposed merger, Credit Suisse rendered an oral opinion, confirmed by delivery of a written opinion dated April 25, 2018, to the CYS Board to the effect that, as of that date and based on and subject to various assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken, the merger consideration to be received by holders of CYS Common Stock (other than excluded holders) pursuant to the merger agreement was fair, from a financial point of view, to such holders. For purposes of Credit Suisse's analyses and opinion, the term "excluded holders" refers to, collectively, CYS, Two Harbors, Merger Sub and any of their respective wholly owned subsidiaries.

The full text of Credit Suisse's written opinion, dated April 25, 2018, to the CYS Board, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations and qualifications on the review undertaken by Credit Suisse in connection with such opinion, is attached to this joint proxy statement/prospectus as Annex D and is incorporated into this joint proxy statement/prospectus by reference in its entirety. The description of Credit Suisse's opinion set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of Credit Suisse's opinion. Credit Suisse's opinion was provided to the CYS Board (in its capacity as

such) for its information in connection with its evaluation of the merger consideration from a financial point of view and did not address any other terms, aspects or implications of the proposed merger, the relative merits of the proposed merger or related transactions as compared to alternative transactions or strategies that might be available to CYS or the underlying business decision of the CYS Board or CYS to proceed with the proposed merger or related transactions. Credit Suisse's opinion does not constitute advice or a recommendation to any stockholder as to how such stockholder should vote or act on any matter relating to the proposed merger or otherwise.

In arriving at its opinion, Credit Suisse reviewed a draft, dated April 25, 2018, of the merger agreement and certain publicly available business and financial information relating to CYS and Two Harbors. Credit Suisse also reviewed certain other information relating to CYS and Two Harbors provided to or discussed with Credit Suisse by the management of CYS, including (i) financial forecasts relating to CYS for the fiscal years ending December 31, 2018 through December 31, 2020 (which are referred to in this section as the "CYS Projections") prepared and provided to Credit Suisse by the management of CYS, (ii) financial forecasts relating to Two Harbors for the fiscal quarters ending June 30, 2018 through December 31, 2020 (which are referred to in this section as the "Two Harbors Projections") prepared by the management of Two Harbors and provided to Credit Suisse by the management of Two Harbors and (iii) financial forecasts relating to the pro forma combined company (reflecting consummation of the proposed merger) for the fiscal quarters ending September 30, 2018 through December 31, 2020 (which are referred to in this section as the "Pro Forma Projections") prepared by the management of Two Harbors and provided to Credit Suisse by the management of Two Harbors. Credit Suisse also met with the management of Two Harbors and certain of its representatives to discuss the business and prospects of Two Harbors and met with the management of CYS and certain of its representatives to discuss the business and prospects of Two Harbors and CYS. Credit Suisse also considered certain financial and stock market data of CYS and Two Harbors, and Credit Suisse compared that data with similar data for other companies with publicly traded equity securities in businesses Credit Suisse deemed similar to those of CYS and Two Harbors, respectively, and Credit Suisse considered, to the extent publicly available, the financial terms of certain other business combinations and transactions which had been effected. Credit Suisse also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which it deemed relevant.

In connection with its review, Credit Suisse did not independently verify any of the foregoing information and, with CYS's consent, Credit Suisse assumed and relied upon such information being complete and accurate in all respects material to Credit Suisse's analyses and opinion. With respect to the CYS Projections, Credit Suisse was advised by the management of CYS, and Credit Suisse assumed, with CYS's consent, that such forecasts and estimates, based on the assumptions stated therein, (i) were reasonably prepared and (ii) reflected the most reasonable currently available estimates and judgments of the management of CYS as to the future financial performance of CYS and the other matters covered thereby. With respect to the Two Harbors Projections and the Pro Forma Projections, Credit Suisse was advised by the management of Two Harbors, and Credit Suisse assumed with CYS's consent, that such forecasts and estimates, based on the assumptions stated therein, (i) were reasonably prepared and (ii) reflected the most reasonable currently available estimates and judgments of the management of CYS as to the future financial performance of Two Harbors and Pro Forma Two Harbors, respectively. At CYS's direction, Credit Suisse assumed that the CYS Projections, the Two Harbors Projections and the Pro Forma Projections are a reasonable basis to evaluate CYS, Two Harbors and the proposed merger and at CYS's direction Credit Suisse relied upon the CYS Projections, the Two Harbors Projections and the Pro Forma Projections for purposes of its analyses and opinion.

Credit Suisse assumed, with CYS's consent, that, in the course of obtaining any regulatory or third-party consents, approvals or agreements in connection with the proposed merger, no modification

Table of Contents

delay, limitation, restriction or condition would be imposed that would have an adverse effect on CYS, Two Harbors or the contemplated benefits of the proposed merger and that the proposed merger would be consummated in compliance with all applicable laws and regulations and in accordance with the terms of the merger agreement without waiver, modification or amendment of any material term, condition or agreement thereof that is material to CYS's analyses or opinion. In addition, CYS was not requested to make, and did not make, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of CYS or Two Harbors, nor was it furnished with any such evaluations or appraisals. With CYS's consent, Credit Suisse further assumed that the final form of the merger agreement, when executed by the parties thereto, would conform to the draft reviewed by Credit Suisse in all respects material to its analyses and opinion.

Credit Suisse's opinion addressed only the fairness, from a financial point of view, to the holders of CYS Common Stock, other than the excluded holders, of the consideration to be received by such holders in the proposed merger pursuant to the merger agreement and did not address any other aspect or implication of the proposed merger or any agreement, arrangement or understanding entered into in connection therewith or otherwise, including, without limitation, the form or structure of the proposed merger or the consideration and the fairness of the amount or nature of, or any other aspect relating to, any compensation or consideration to be received or otherwise payable to any officers, directors, employees, securityholders or affiliates of any party to the proposed merger, or class of such persons, relative to the consideration or otherwise. Furthermore, Credit Suisse did not express any advice or opinion regarding matters that required legal, regulatory, accounting, insurance, intellectual property, tax, environmental, executive compensation or other similar professional advice. Credit Suisse assumed that CYS had or would obtain such advice or opinions from the appropriate professional sources. The issuance of Credit Suisse's opinion was approved by Credit Suisse's authorized internal committee.

Credit Suisse's opinion was necessarily based on information made available to Credit Suisse as of the date of Credit Suisse's opinion and upon financial, economic, market and other conditions as they existed and could be evaluated on that date. It should be understood that Credit Suisse has not undertaken, and is under no obligation, to update, revise, reaffirm or withdraw its opinion or otherwise comment on or consider events occurring or coming to its attention after the date of its opinion. Credit Suisse did not express any opinion as to what the value of shares of Two Harbors Common Stock actually would be when issued to the holders of CYS Common Stock pursuant to the merger agreement or the prices or ranges of prices at which shares of CYS Common Stock or Two Harbors Common Stock might be purchased or sold at any time. Credit Suisse assumed that the shares of Two Harbors Common Stock to be issued in the proposed merger would be approved for listing on the NYSE prior to the consummation of the proposed merger. Credit Suisse's opinion did not address the relative merits of the proposed merger as compared to alternative transactions or strategies that might be available to CYS, nor did it address the underlying business decision of the CYS Board or CYS to proceed with or effect the proposed merger.

In preparing its opinion to the CYS Board, Credit Suisse performed a variety of financial and comparative analyses, including those described below. The summary of Credit Suisse's analyses described below is not a complete description of the analyses underlying Credit Suisse's opinion. The preparation of a fairness opinion is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to partial analysis or summary description. Credit Suisse arrived at its ultimate opinion based on the results of all analyses undertaken by it and assessed as a whole and did not draw, in isolation, conclusions from or with regard to any one factor or method of analysis. Accordingly, Credit Suisse believes that its analyses must be considered as a whole and that selecting portions of its analyses and factors or focusing on information presented in tabular format, without considering all analyses and factors or the narrative

Table of Contents

description of the analyses, could create a misleading or incomplete view of the processes underlying its analyses and opinion.

In its analyses, Credit Suisse considered industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of CYS and Two Harbors and the other parties involved in the proposed merger. No company, business or transaction used for comparative purposes in Credit Suisse's analyses is identical to CYS, Two Harbors or the proposed merger, and an evaluation of the results of those analyses is not entirely mathematical. Rather, the analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the acquisition, public trading or other values of the companies, businesses or transactions analyzed. The estimates contained in Credit Suisse's analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by the analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or securities actually may be sold or acquired. Accordingly, the estimates used in, and the results derived from, Credit Suisse's analyses are inherently subject to substantial uncertainty.

Credit Suisse was not requested to, and it did not, determine or recommend the merger consideration, which was determined through negotiations among CYS and Two Harbors, and the decision to enter into the merger agreement was solely that of the CYS Board. Credit Suisse's opinion and financial analyses were only one of many factors considered by the CYS Board in its evaluation of the merger consideration and should not be viewed as determinative of the views of the CYS Board or CYS management with respect to the proposed merger or the consideration payable in the proposed merger.

Financial Analyses

The summary of the financial analyses described in this section entitled " Financial Analyses" is a summary of the material financial analyses reviewed by Credit Suisse with the CYS Board on April 25, 2018 in connection with Credit Suisse's opinion. **The financial analyses summarized below include information presented in tabular format. In order to fully understand Credit Suisse's financial analyses, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Credit Suisse's financial analyses.** For purposes of the analyses described below, the term "implied per share merger consideration" refers to the value implied by adding \$0.10, which is the amount obtained by dividing \$15 million (the total cash consideration payable in the proposed merger) by the number of shares of CYS Common Stock estimated by CYS management to be outstanding as of April 25, 2018, to the product of \$15.70, which was the closing stock price of Two Harbors Common Stock as of April 20, 2018, multiplied by the exchange ratio derived by dividing the product of CYS's March 31, 2018 adjusted book value per share multiplied by 96.75% by the product of Two Harbors' March 31, 2018 adjusted book value per share multiplied by 94.20%, pursuant to the merger agreement.

Table of Contents*Two Harbors Projections*

The following table presents selected unaudited prospective financial data for the fiscal years ending 2018 through 2020 for Two Harbors on a standalone basis.

	For the year ended December 31,		
	2018E	2019E	2020E
Core Earnings, including dollar roll income, Per Common Share(1)	\$ 1.88	\$ 1.90	\$ 1.90

(1)

Core Earnings is a non-U.S. GAAP measure that Two Harbors defines as comprehensive (loss) income attributable to common stockholders, excluding "realized and unrealized gains and losses" (impairment losses, realized and unrealized gains and losses on the aggregate portfolio, reserve expense for representation and warranty obligations on mortgage servicing rights and non-cash compensation expense related to restricted common stock). As defined, Core Earnings includes interest income or expense and premium income or loss on derivative instruments and servicing income, net of estimated amortization on mortgage servicing rights. Dollar roll income is the economic equivalent to holding and financing Agency residential mortgage-backed securities using short-term repurchase agreements. Two Harbors believes the presentation of Core Earnings, including dollar roll income, provides investors greater transparency into its period-over-period financial performance and facilitates comparisons to peer REITs.

In preparing the Two Harbors Projections, Two Harbors made a number of assumptions. Assumptions made include, among others:

Two Harbors maintains the ability to acquire its targeted assets of Agency RMBS, MSR and non-Agency RMBS at its current levered return targets;

other operating expenses increase marginally throughout 2018, 2019 and 2020 and are limited to volume-driven activities and/or inflationary increases in compensation and vendor contracts;

tangible book value will have no material change over the forecast period, including any impact from changes in Agency RMBS and non-Agency RMBS spreads;

interest rates remain static throughout the forecast period;

no significant changes in its investment strategy or targeted leverage are forecasted for 2018, 2019 or 2020; and

no new equity capital raises, share repurchases and/or change in the number of outstanding shares of Two Harbors Common Stock or Two Harbors preferred stock are forecasted for 2018, 2019 or 2020.

Certain CYS Unaudited Prospective Financial Information

CYS does not make public long-term projections as to future interest income, performance, earnings, or other results due to, among other reasons, the inherent uncertainty and subjectivity of the underlying assumptions and estimates. Such projections inherently become subject to substantially greater uncertainty as they extend further into the future. As a result, neither CYS nor Two Harbors can give you any assurance that actual results will not differ materially from the unaudited prospective financial information included in this document. However, in connection with the Merger, CYS's management prepared and provided certain unaudited prospective financial information regarding CYS's operations for fiscal years 2018 through 2020 (the "CYS Projections") to the CYS Board and the CYS Special Committee, in connection with its evaluation of the transaction, and to its financial

The assumptions underlying the unaudited prospective financial information may not prove to have been, or may no longer be, accurate. Important factors that may affect actual results and cause this unaudited prospective financial information not to be achieved include, but are not limited to, risks and uncertainties relating to CYS's business (including its ability to achieve strategic goals, objectives, and targets over applicable periods), changes in the CYS investment portfolio, changes in interest rates, trading activity and market valuations, industry performance, general business and economic conditions, and other factors described in the sections entitled "Cautionary Statement Regarding Forward-Looking Statements" and "Risk Factors." The inclusion of this information should not be regarded as an indication that CYS, the CYS Board, the CYS Special Committee, Barclays, Credit Suisse or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results. None of CYS, Two

evaluate the effective yield of the portfolio after operating expenses. CYS believes that providing users of CYS's financial information with such measures, in addition to the related GAAP measures, gives investors additional transparency and insight into the information used by CYS's management in its financial and operational decision-making. The primary limitation associated with core earnings as a measure of financial performance over any period is that it excludes the effects of net realized and unrealized gain (loss) on investments and derivative instruments. In addition, CYS's presentation of core earnings may not be comparable to similarly-titled measures used by other companies, which may employ different calculations. As a result, core earnings should not be considered a substitute for CYS's GAAP net income (loss), as a measure of its financial performance, or any measure of CYS's liquidity under GAAP. Core earnings per common share is estimated to be constant from 2018 through 2020 based on numerous variables and assumptions, including the assumptions set forth in the second paragraph above the table, particularly assumption (5) with respect to recurring income and expenses remaining unchanged in those years from that reported for the first quarter of 2018.

Directors and Management of Two Harbors After the Merger

The Merger Agreement provides that, upon and immediately after the effective time of the Merger, the board of directors of the Combined Company will be increased to eleven members and will include all the current nine directors of the Two Harbors Board and two additional independent directors from the CYS Board: James A. Stern and Karen Hammond. The current directors of Two Harbors are: Brian C. Taylor, Stephen G. Kasnet, E. Spencer Abraham, James J. Bender, Lisa A. Pollina, William Roth, W. Reid Sanders, Thomas E. Siering and Hope B. Woodhouse.

Each of the executive officers of Two Harbors immediately prior to the effective time of the Merger will continue as an executive officer of the Combined Company following the effective time of the Merger. The current senior leadership team will continue to be led by Thomas E. Siering as Chief Executive Officer and President, William Roth as Chief Investment Officer, Brad Farrell as Chief Financial Officer and Treasurer, and Rebecca B. Sandberg as General Counsel and Secretary.

Interests of Two Harbors' Directors and Executive Officers in the Merger

In considering the recommendation of the Two Harbors Board to approve the Two Harbors Common Stock Issuance Proposal, Two Harbors common stockholders should be aware that certain executive officers and directors of Two Harbors have certain interests in the Merger that may be different from, or in addition to, the interests of Two Harbors common stockholders generally and that may present actual or potential conflicts of interests. The Two Harbors Board was aware of these interests and considered them, among other matters, in reaching its decision to approve the Merger Agreement and the transactions contemplated thereby.

Following the consummation of the Merger, all nine of the current directors of the Two Harbors Board are expected to continue as directors of the board of directors of the Combined Company. Brian C. Taylor, Two Harbors' Chairman, will serve as Chairman of the board of directors of the Combined Company. Stephen G. Kasnet, lead independent director for Two Harbors, will serve as lead independent director for the Combined Company. In addition, Thomas E. Siering, Two Harbors' President and Chief Executive Officer, will serve as President and Chief Executive Officer of the Combined Company, William Roth, Two Harbors' Chief Investment Officer, will serve as Chief Investment Officer of the Combined Company, Brad Farrell, Two Harbors' Chief Financial Officer and Treasurer, will serve as Chief Financial Officer and Treasurer of the Combined Company and Rebecca B. Sandberg, Two Harbors' General Counsel and Secretary, will serve as General Counsel and Secretary of the Combined Company.

The Combined Company will continue to be managed by PRCM Advisers under the terms of the Management Agreement. Under the Management Agreement, PRCM Advisers provides the day-to-day management of Two Harbors' business, including providing Two Harbors with its executive officers and all other personnel necessary to support its operations. In exchange for its services, Two Harbors pays PRCM Advisers a management fee as well as reimburses it for certain expenses incurred by it and its affiliates in rendering management services to Two Harbors. Pine River is the parent of PRCM Advisers. Mr. Taylor is the Chief Executive Officer, Co-Chief Investment Officer and Founding Partner of Pine River. Messrs. Siering and Roth are each partners of Pine River. Mr. Farrell and Ms. Sandberg are each employees of Pine River.

Pursuant to the Management Agreement, Two Harbors pays PRCM Advisers a base management fee equal to 1.5% per annum of its stockholders' equity, which is calculated and payable quarterly in arrears. Following the Merger, Two Harbors stockholders' equity will include the additional equity attributable to the acquisition of CYS, thus the amount of the management fees payable to PRCM Advisers will also increase, which gives PRCM Advisers and its parent, Pine River (and therefore, Two Harbors' management), an incentive, not shared by Two Harbors stockholders, to negotiate and effect the Merger, possibly on terms less favorable to Two Harbors than would otherwise have been achieved. However, in connection with the Merger, PRCM Advisers has agreed to amend the Management Agreement to provide for: (i) a reduction in the base management fee PRCM Advisers charges Two Harbors with respect to the additional equity under management resulting from the Merger from 1.5% of stockholders' equity on an annualized basis to 0.75% through the first anniversary of the Closing; (ii) a one-time downward adjustment of \$15,000,000 to the management fees payable by Two Harbors for the quarter in which the Merger closes; and (iii) a one-time downward adjustment of up to \$3.3 million in the management fees payable by Two Harbors for the quarter in which the Merger occurs in order to reimburse Two Harbors for certain expenses it incurs in connection with the Merger. In the event the total amount of the management fee payable for the quarter referenced in clauses (ii) and (iii) above is less than the aggregate amount of the Adjustments, PRCM Advisers will pay to Two Harbors in immediately available funds the difference between (i) such Adjustments and (ii) the base management fee payable to PRCM Advisers with respect to such quarter.

The Fourth Amendment to the Management Agreement between Two Harbors and PRCM Advisers was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to Two Harbors as if it had been negotiated with an unaffiliated third party.

Interests of CYS's Directors and Executive Officers in the Merger

In considering the recommendation of the CYS Board to approve the Merger Proposal and the CYS Non-Binding Compensation Advisory Proposal, CYS stockholders should be aware that directors and executive officers of CYS have interests in the Merger that may be different from, or in addition to, the interests of CYS stockholders generally and that may present actual or potential conflicts of interests. The CYS Board was aware of, and considered the interests of, its directors and executive officers in reaching its decision to approve the Merger Agreement and the transactions contemplated thereby.

Restricted Stock

Pursuant to the Merger Agreement, immediately prior to the effective time of the Merger, each outstanding award of CYS Restricted Stock granted pursuant to the CYS Stock Plan will automatically vest in full and any forfeiture restrictions applicable to such shares of CYS Restricted Stock shall immediately lapse. As a result, each share of CYS Restricted Stock (less any shares surrendered for income tax purposes) will be treated as a share of CYS Common Stock for all purposes of the Merger, including the right to receive the merger consideration.

Table of Contents*Quantification of the Value of Accelerated CYS Restricted Stock*

The following table shows, for each member of the CYS Board and each executive officer of CYS, and subject to any shares surrendered for income tax purposes, (i) the number of shares of CYS Restricted Stock held by such individual as of the date of this joint proxy statement/prospectus that are expected to vest; and (ii) the estimated value of the accelerated vesting of those shares (on a pre-tax basis) as a result of the Merger. Such amounts have been calculated assuming that (x) each share of CYS Restricted Stock will result in a cash payment equal to \$0.10, which was calculated by dividing \$15,000,000 by 155,438,320, the sum of the number of shares of CYS Common Stock and CYS Restricted Stock outstanding as of April 25, 2018; (y) the closing price of a share of CYS Common Stock on the completion of the Merger is \$7.46 (which was determined by multiplying an assumed exchange ratio of 0.4872 by \$15.31, the average closing price of a share of Two Harbors Common Stock over the first five business days following the first public announcement of the Merger; and (z) the Merger is completed on August 1, 2018. Depending upon when the Merger is completed, certain awards that are outstanding as of the date hereof and included in the table below may vest pursuant to their terms, independent of the Merger. The actual value of the acceleration of the shares of CYS Restricted Stock cannot be determined with any certainty until the actual acceleration occurs.

Directors' and Officers' Indemnification and Insurance

The Merger Agreement generally provides that, from and after the effective time of the Merger, Two Harbors and the surviving entity will indemnify all present and former directors, officers and fiduciaries of any employee benefit plan of CYS or any of its subsidiaries, or those who served at the request of CYS, or any of its subsidiaries, as an officer, director, or fiduciary of any employee benefit plan of any of CYS's subsidiaries for losses, claims, damages, costs, fines, penalties, expenses, liabilities or judgments or amounts that are based, in whole or in part, on the fact that such person is or was a director, officer or fiduciary of an employee benefit plan of CYS or any of its subsidiaries, or serving at the request of CYS or any of its subsidiaries as a director, officer or fiduciary of an employee benefit plan (including, without limitation, the transactions contemplated by the Merger Agreement) to the fullest extent permitted under applicable law.

In addition, the Merger Agreement also generally requires Two Harbors and the surviving entity to maintain for a period of six years from the effective time of the Merger, "tail" director and officer liability coverage for the benefit of the directors and officers of CYS and its subsidiaries without reduction of existing coverage under, and having terms not less favorable to the insured persons than, the director and officer liability insurance coverage currently maintained by CYS (as long as the annual premium does not exceed 300% of the annual premium under CYS's existing policies).

Employment Agreements

CYS maintains employment agreements with each of its named executive officers (each, individually, a "NEO" and collectively, the "NEOs"). Upon a termination of the NEOs' employment by CYS without "cause" or upon the NEOs' termination of employment for "good reason" (both as defined below), including terminations without "cause" or for "good reason" in connection with the Merger, the NEOs will be entitled to the immediate vesting of all outstanding awards of shares of CYS Restricted Stock (which is also required by the terms of the award agreements evidencing such awards of CYS Restricted Stock). In addition, the NEOs will be eligible to receive (i) a payment of accrued but unpaid base salary through the date of termination and any earned but unpaid incentive compensation for performance periods that ended prior to the date of termination, (ii) a lump sum severance payment equal to 2.5 in the case of Mr. Grant and 1.0 in the case of Messrs. DeCicco, Cleary and Rosenbloom, multiplied by the average of the sum of such NEO's base salary and bonus earned during the shorter of (a) the three (3) fiscal years immediately preceding the year in which the termination of employment occurs or (b) the period of time beginning on the date of the NEO's employment agreement and ending on the termination date of the NEO's employment, (iii) a pro rata bonus for the year of termination, and (iv) certain benefit continuation rights for up to 24 months for Mr. Grant and up to 12 months for Messrs. DeCicco, Cleary, and Rosenbloom following termination. For purposes of the Employment Agreements:

Cause, generally means, subject to certain cure and notice rights, (i) the commission of acts or omissions constituting gross or willful misconduct on the part of the NEO in connection with the performance of his duties to CYS, (ii) a material breach by the NEO of the terms of his Employment Agreement, (iii) the failure of the NEO to adhere to the lawful directions of the CYS Board that are reasonably consistent with the NEO's duties and positions or (iv) the NEO's conviction or plea of guilty or *nolo contendere* for fraud, misappropriation or embezzlement in connection with the assets of CYS, or to a felony.

Good reason, generally means, without the NEO's written consent, any of the following events following a change in control, without the Individual's consent, (i) the failure of CYS to pay any amounts due under the Employment Agreement in a timely manner, (ii) a material diminution in the NEO's duties, authorities or responsibilities, (iii) a reduction of the NEO's base salary, (iv) the relocation of the NEO's principal place of employment more than 50 miles from Waltham, Massachusetts, except for a relocation of the NEO's principal place of employment that is approved by a majority of the independent directors of the CYS Board after making a determination that such relocation is in the best interests of CYS, (v) a material breach of the Employment Agreement by CYS, or (vi) the failure of CYS to obtain the assumption in writing of its obligations to perform the Employment Agreement by any successor to CYS following a change of control.

In connection with the approval of the execution of the Merger Agreement, the CYS Board approved an amendment to the Employment Agreements to provide that, beginning on the date of the public announcement of the Merger, through the consummation of the Merger, upon the earliest of (i) the date on which the NEO is informed that his employment with CYS, or its successor, will be terminated other than for cause (as defined above), (ii) the date on which the NEO informs CYS that he has good reason to terminate his employment with CYS, or its successor, and (iii) the consummation of the Merger (the "Triggering Date"), CYS, or its successor, shall, upon the Triggering Date deliver to an escrow agent (the "Escrow Agent") approved by the NEO, which approval will not be unreasonably withheld, the severance amount that would become due to the NEO pursuant to the applicable Employment Agreement, calculated as if the NEO's termination of employment occurred on the Triggering Date (the "Escrowed Amount"). Upon delivery of the Escrowed Amount, CYS, or its successor, and the NEO, will provide the Escrow Agent with written instructions to automatically deliver and transfer to the NEO the Escrowed Amount upon the effectiveness of the NEO's release of claims, and CYS, or its successor, shall take all steps necessary to cause the Escrow Agent to deliver

Table of Contents

the Escrowed Amount to the NEO, consistent with the requirements of the Employment Agreement. If the NEO's employment with CYS, or its successor, is not actually terminated by CYS, or its successor, without cause or the NEO does not terminate his employment with CYS, or its successor, for good reason within twelve months following the Merger, the amount held in escrow shall be returned to CYS, or its successor.

Director Appointments

Upon Closing, each of James A. Stern and Karen Hammond, independent directors currently sitting on the CYS Board, will be appointed to the Two Harbors Board and will be entitled to compensation pursuant to Two Harbors' independent director compensation program.

Merger Related Compensation

This section sets forth the information required by Item 402(t) of Regulation S-K regarding the compensation for the NEOs that is based on or otherwise relates to the Merger. This compensation is referred to as "golden parachute" compensation by the applicable SEC disclosure rules, and in this section such term is used to describe the compensation payable to the NEOs that is related to the Merger. The "golden parachute" compensation payable to the NEOs is subject to a non-binding advisory vote of CYS stockholders. The amounts set forth below have been calculated assuming (1) that the Merger is completed on August 1, 2018, (2) that each NEO experiences a qualifying termination of employment as of August 1, 2018, and (3) that the accelerated vesting of each share of CYS Restricted Stock will result in a cash payment equal to \$0.10, which was calculated by dividing \$15,000,000 by 155,438,320, the sum of the number of shares of CYS Common Stock and CYS Restricted Stock outstanding as of April 25, 2018; and (4) the closing price of a share of CYS Common Stock on the completion of the Merger is \$7.46 (which was determined by multiplying an assumed exchange ratio of 0.4872 by \$15.31, the average closing price of a share of Two Harbors Common Stock over the first five business days following the first public announcement of the Merger). Depending upon when the Merger is completed, certain awards that are outstanding as of the date hereof and included in the table below may vest pursuant to their terms, independent of the Merger. For further information regarding the consideration to be received in settlement of equity-based awards, see "Interests of CYS's Directors and Executive Officers in the Merger Quantification of the Value of Accelerated CYS Restricted Stock" on page 117.

The amounts indicated below are estimates of amounts that would be payable to the NEOs, and such estimates are based on assumptions that may or may not actually occur, including assumptions described in this joint proxy statement/prospectus. Some of the assumptions are based on information not currently available and, as a result, the actual amounts, if any, to be received by any NEO may differ in material respects from the amounts set forth below. All dollar amounts set forth below have been rounded to the nearest whole number.

(2)

Represents the value of the unvested shares of CYS Restricted Stock held by each NEO that, as a result of the Merger, will automatically vest in full and any forfeiture restrictions applicable to such shares of CYS Restricted Stock shall immediately lapse. As a result, each share of CYS Restricted Stock (less any shares surrendered for income tax purposes) will be treated as a share of CYS Common Stock for all purposes of the Merger, including the right to receive the merger consideration. The amount of awards deemed to be held by each NEO has been disclosed within the tables above under the heading "Quantification of the Value of Accelerated CYS Restricted Stock". These amounts are all considered "single trigger" benefits because they will vest solely upon a change in control of CYS pursuant to the terms of the award agreements underlying the awards of CYS Restricted Stock.

(3)

Benefits include continuation of health and dental coverage for each NEO and outplacement services for each NEO other than Mr. Grant. Continued health and dental coverage will be provided for a period of 24 months for Mr. Grant and 12 months for Messrs. DeCicco, Cleary, and Rosenbloom following a qualifying termination. Contingent on the closing of the Merger and the qualifying termination of employment of the applicable NEO prior to or in connection with the Merger, each NEO other than Mr. Grant will become eligible, at the election of the applicable NEO, for outplacement services. For purposes of this column, it is assumed that each NEO other than Mr. Grant will utilize outplacement services with a total value of \$40,000. However, the actual amount of the outplacement services actually utilized by an applicable NEO cannot be determined at this time. The amounts included in this column are "double trigger" payments which become payable only in connection with a qualifying termination.

Regulatory Approvals Required for the Merger

Two Harbors and CYS are not aware of any material federal or state regulatory requirements that must be complied with, or approvals that must be obtained, in connection with the Merger or the other transactions contemplated by the Merger Agreement.

Accounting Treatment

GAAP requires the acquirer in a merger transaction to evaluate whether substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or a group of similar identifiable assets. If that threshold is met, the set of acquired assets and associated activities is not deemed a business and is required to be accounted for as an asset acquisition.

As of March 31, 2018, approximately 90% of the CYS assets to be acquired are Agency mortgage-backed securities. Two Harbors concluded that they are similar identifiable assets to be grouped to evaluate whether the "substantially all" threshold is met as the Agency mortgage-backed securities are financial assets with similar risk characteristics associated with managing these assets. Given the concentration of the fair value of the Agency mortgage-backed securities of the gross assets to be acquired, Two Harbors has concluded that the fair value of the gross assets acquired is concentrated in a group of similar identifiable assets, and therefore, the Merger is accounted for as an asset acquisition.

Asset acquisitions are generally accounted for by allocating the cost of the acquisition including direct transaction costs to the individual assets acquired, including identified intangible assets, and liabilities assumed on a relative fair value basis. This allocation may cause identified assets to be

Table of Contents

recognized at amounts that are greater than their fair values. However, "non-qualifying" assets, which include financial assets and other current assets, should not be assigned an amount greater than their fair value.

The gross assets acquired in the Merger consist most significantly of financial assets and other current assets. The cost of the acquisition of CYS including direct transaction costs exceeds gross assets acquired less liabilities assumed in the Merger. As there are no meaningful nonfinancial assets and non-current assets in this transaction and no identified intangible assets to assign value, the excess consideration and transaction costs are recognized in the income statement as an expense and an associated reduction in stockholders' equity.

Appraisal Rights

Neither holders of Two Harbors Common Stock nor holders of CYS Common Stock will be entitled to appraisal rights in the Merger.

Exchange of Shares of Stock in the Merger

Two Harbors has appointed Equiniti Trust Company to act as the exchange agent for the exchange of CYS Common Stock for the merger consideration as well as the exchange of CYS Series A Preferred Stock and CYS Series B Preferred Stock for shares of Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, respectively.

Prior to the effective time of the Merger, Two Harbors or Merger Sub will deposit or cause to be deposited with the exchange agent the number of shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock issuable to the holders of CYS Common Stock, CYS Series A Preferred Stock and CYS Series B Preferred Stock, as applicable. Two Harbors will deposit with the exchange agent cash in an aggregate amount sufficient to pay the Per Share Cash Consideration and, from time to time as needed, cash in an amount sufficient to pay any dividends or other distributions and any payments in lieu of fractional shares.

Promptly after the effective time of the Merger, Two Harbors or Merger Sub will cause the exchange agent to mail a letter of transmittal to each holder of record of a certificate representing shares of CYS Common Stock and CYS Preferred Stock converted pursuant to the Merger Agreement. The letter of transmittal will advise the holder of the effectiveness of the Merger and the conversion of the holder's CYS Common Stock or CYS Preferred Stock into the right to receive the merger consideration and specify that delivery will be effected, and risk of loss and title to the shares of CYS Common Stock or CYS Preferred Stock will pass, only upon proper delivery of such certificate (or affidavit of loss in lieu of the certificate) to the exchange agent and will provide instructions for use in effecting the surrender of share certificates in exchange for payment of the merger consideration.

Upon the delivery of a certificate (or affidavit of loss) to the exchange agent, the holder of such certificate will receive the number of whole shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock and the amount of cash that such holder is entitled to receive in respect of each such uncertificated share, including if applicable the Per Share Cash Consideration and any cash in lieu of fractional shares and any dividends and other distributions in respect of the Two Harbors Common Stock to be issued or paid (after giving effect to any required tax withholdings). Surrendered share certificates will be cancelled and no interest will be paid or accrue on any cash.

For holders of uncertificated shares of CYS Common Stock or Preferred Stock, promptly after the effective time of the Merger, Two Harbors or Merger Sub will cause the exchange agent to (i) mail to each record holder of uncertificated shares materials advising such holder of the effectiveness of the Merger and the conversion of its shares into the right to receive the applicable merger consideration and (ii) issue to each holder of uncertificated shares the number of whole shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock, along

Table of Contents

with the amount of cash that such holder is entitled to receive in respect of such uncertificated shares, including if applicable the Per Share Cash Consideration and any cash in lieu of fractional shares and any dividends and other distributions in respect of the Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock to be issued or paid (after giving effect to any required tax withholdings). No interest will be paid or accrued on the applicable merger consideration.

Two Harbors stockholders need not take any action with respect to their share certificates or book-entry shares.

Dividends

Two Harbors pays regular quarterly dividend distributions to its stockholders. All dividend distributions are declared by the Two Harbors Board, in its sole discretion, and depend on such items as Two Harbors REIT taxable earnings, financial condition, maintenance of its REIT status, and other factors that the Two Harbors Board may deem relevant from time to time. Holders of Two Harbors Common Stock share proportionally on a per share basis in all declared dividends on Two Harbors Common Stock. Two Harbors currently intends to pay quarterly dividends and distribute to its stockholders as dividends 100% of its REIT taxable income, on an annual basis. Two Harbors has not established a minimum dividend distribution level for shares of Two Harbors Common Stock. CYS currently pays a quarterly dividend on shares of CYS Common Stock of \$0.22 per share. Each of Two Harbors and CYS plans to continue its current dividend policy until the Closing. Pursuant to the Merger Agreement, prior to the date of Closing each of CYS and Two Harbors will declare an interim dividend to their respective holders, which shall be based on CYS's and Two Harbors' most recent quarterly dividend amount and prorated to reflect the number of days elapsed since each party's most recent quarterly dividend record date. The payment date for each respective interim dividend will be the close of business on the last business day prior to the date of Closing, subject to funds being legally available therefor, and the record date for which will be three business days before the payment date.

In addition, the Merger Agreement permits Two Harbors to continue to pay regular quarterly dividends, and any distribution that is reasonably necessary to maintain its REIT qualification under the Code and avoid or reduce the imposition of any corporate level tax or excise tax under the Code. The Merger Agreement permits CYS to continue to pay regular quarterly dividends, and any distribution that is reasonably necessary to maintain its REIT qualification under the Code and avoid or reduce the imposition of any corporate level tax or excise tax under the Code.

Following the Closing, Two Harbors expects the Combined Company will continue Two Harbors' current dividend policy for stockholders, subject to the discretion and authorization of the Two Harbors Board, which reserves the right to change the dividend policy of the Combined Company at any time and for any reason. See "Risk Factors Risks Related to the Combined Company Following the Merger" on page 46.

Listing of Shares of Stock

It is a condition to the completion of the Merger that the shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock issuable in connection with the Merger be approved for listing on the NYSE, subject to official notice of issuance.

Deregistration of CYS Common Stock and CYS Preferred Stock

After the Merger is completed, the CYS Common Stock, CYS Series A Preferred Stock and CYS Series B Preferred Stock will no longer be listed on the NYSE and will be deregistered under the Exchange Act.

Litigation Relating to the Merger

Four putative class action lawsuits have been filed by purported stockholders of CYS. The first suit, styled as *Fran Stone v. CYS Investments, Inc., et al.*, No. 1:18-cv-11156 (the "Stone Lawsuit"), was filed in the United States District Court for the District of Massachusetts on June 1, 2018 and asserts claims against CYS, certain of its directors, Merger Sub and Two Harbors (collectively, the "Stone Defendants"). The second suit, styled as *Jordan Rosenblatt v. CYS Investments, Inc., et al.*, No.1:18-cv-11220 (the "Rosenblatt Lawsuit"), was filed in the United States District Court for the District of Massachusetts on June 11, 2018 and asserts claims against the Stone Defendants and certain additional CYS directors not named in the Stone Lawsuit (collectively, the "Rosenblatt Defendants"). The third suit, styled as *Peter Enzinna v. CYS Investments, Inc., et al.*, No. 1:18-cv-11238 (the "Enzinna Lawsuit"), was filed in the United States District Court for the District of Massachusetts on June 13, 2018 and asserts claims against CYS and certain of its directors (collectively, the "Enzinna Defendants"). The fourth suit, styled as *Arthur Ruscher v. CYS Investments, Inc., et al.*, No. 1:18-cv-01763 (the "Ruscher Lawsuit" and, with the Stone, Rosenblatt, and Enzinna Lawsuits, the "Lawsuits"), was filed in the United States District Court for the District of Maryland on June 14, 2018 and asserts claims against the Enzinna Defendants (the "Ruscher Defendants").

The Lawsuits allege that the defendants violated Section 14(a) of the Exchange Act and Rule 14a-9 promulgated thereunder and/or Section 20(a) of the Exchange Act by disseminating and/or causing to be disseminated an allegedly materially incomplete and misleading registration statement.

The Stone Lawsuit seeks, among other things: preliminary and permanent injunctive relief preventing the Stone Defendants from filing with the SEC (or otherwise disseminating) an amendment to the registration statement or consummating the Merger, in each case unless and until the Stone Defendants disclose additional information identified in the complaint; rescission of the Merger or rescissory damages if the Merger is consummated prior to entry of final judgment by the court; an accounting of any damages suffered as a result of the Stone Defendants' alleged wrongdoing; and litigation costs (including attorneys' and expert fees and expenses). The Rosenblatt Lawsuit seeks, among other things: preliminary and permanent injunctive relief preventing the Rosenblatt Defendants from proceeding with, consummating, or closing the Merger; rescission of the Merger or rescissory damages if the Merger is consummated prior to entry of final judgment by the court; the filing of an amendment to the registration statement that does not contain any untrue statements of material fact and that states all material facts required in it or necessary to make the statements contained therein not misleading; a declaration that the Rosenblatt Defendants violated Section 14(a) and/or Section 20(a) of the Exchange Act and Rule 14a-9 promulgated thereunder; and litigation costs (including attorneys' and expert fees and expenses). The Enzinna Lawsuit seeks, among other things: preliminary and permanent injunctive relief preventing the Enzinna Defendants from proceeding with, consummating, or closing the Merger unless and until the Enzinna Defendants disclose additional information identified in the complaint; rescission of the Merger or rescissory damages if the Merger is consummated prior to entry of final judgment by the court; a declaration that the Enzinna Defendants violated Section 14(a) and/or Section 20(a) of the Exchange Act and Rule 14a-9 promulgated thereunder; and litigation costs (including attorneys' and expert fees and expenses). The Ruscher Lawsuit seeks, among other things: injunctive relief preventing the Ruscher Defendants from proceeding with, consummating, or closing the Merger unless and until the Ruscher Defendants disclose additional information identified in the complaint; an accounting of any damages suffered as a result of the Ruscher Defendants' alleged wrongdoing; and litigation costs (including attorneys' and expert fees and expenses).

Two Harbors and CYS believe that the claims asserted in the Lawsuits are without merit and intend to defend vigorously against the Lawsuits.

Neither holders of Two Harbors Common Stock nor holders of CYS Common Stock will be entitled to appraisal rights in the Merger.

Exchange Procedures

Two Harbors has appointed Equiniti Trust Company to act as the exchange agent for the exchange of CYS Common Stock for the merger consideration as well as the exchange of CYS Series A Preferred Stock and CYS Series B Preferred Stock for shares of Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, respectively.

Prior to the effective time of the Merger, Two Harbors or Merger Sub will deposit or cause to be deposited with the exchange agent the number of shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock issuable to the holders of CYS Common Stock, CYS Series A Preferred Stock and CYS Series B Preferred Stock, as applicable. Two Harbors will deposit with the exchange agent cash in an aggregate amount sufficient to pay the Per Share Cash Consideration and, from time to time as needed, cash in an amount sufficient to pay any dividends or other distributions and any payments in lieu of fractional shares.

Promptly after the effective time of the Merger, Two Harbors or Merger Sub will cause the exchange agent to mail a letter of transmittal to each holder of record of a certificate representing shares of CYS Common Stock and CYS Preferred Stock converted pursuant to the Merger Agreement. The letter of transmittal will advise the holder of the effectiveness of the Merger and the conversion of the holder's CYS Common Stock or CYS Preferred Stock into the right to receive the merger consideration and specify that delivery will be effected, and risk of loss and title to the shares of CYS Common Stock or CYS Preferred Stock will pass, only upon proper delivery of such certificate (or affidavit of loss in lieu of the certificate) to the exchange agent and will provide instructions for use in effecting the surrender of share certificates in exchange for payment of the merger consideration.

Upon the delivery of a certificate (or affidavit of loss) to the exchange agent, the holder of such certificate will receive the number of whole shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock and the amount of cash that such holder is entitled to receive in respect of each such uncertificated share, including if applicable the Per Share Cash Consideration and any cash in lieu of fractional shares and any dividends and other distributions in respect of the Two Harbors Common Stock to be issued or paid (after giving effect to any required tax withholdings). Surrendered share certificates will be cancelled and no interest will be paid or accrue on any cash.

For holders of uncertificated shares of CYS Common Stock or Preferred Stock, promptly after the effective time of the Merger, Two Harbors or Merger Sub will cause the exchange agent to (i) mail to each record holder of uncertificated shares materials advising such holder of the effectiveness of the Merger and the conversion of its shares into the right to receive the applicable merger consideration and (ii) issue to each holder of uncertificated shares the number of whole shares of Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock, along with the amount of cash that such holder is entitled to receive in respect of such uncertificated shares, including if applicable the Per Share Cash Consideration and any cash in lieu of fractional shares and any dividends and other distributions in respect of the Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock to be issued or paid (after giving effect to any required tax withholdings). No interest will be paid or accrued on the applicable merger consideration.

Material Adverse Effect

Many of the representations of the parties to the Merger Agreement are qualified by a "material adverse effect" standard (that is, they will not be deemed to be untrue or incorrect unless their failure to be true and correct, individually or in the aggregate, has had or would reasonably be expected to have a material adverse effect). For the purposes of the Merger Agreement, "material adverse effect" means any fact, occurrence, state of fact, effect, change, event or development that, individually or in the aggregate, materially adversely effects (a) the financial condition, business, assets, properties or results of operations of Two Harbors or CYS, as applicable, taken as a whole, or (b) the ability of the applicable parties to consummate the Merger before the End Date, except that no effect (by itself or when aggregated or taken together with any and all other effects) resulting from, arising out of, attributable to, or related to any of the following shall be deemed to be or constitute a material adverse effect, and no effect (by itself or when aggregated or taken together with any and all other such effects) directly or indirectly resulting from, arising out of, attributable to, or related to any of the following shall be taken into account when determining whether a material adverse effect has occurred or may, would or could occur:

general economic conditions (or changes in such conditions) or conditions in the global economy generally;

conditions (or changes in such conditions) in the securities markets, credit markets, currency markets or other financial markets, including (i) changes in interest rates and changes in exchange rates for the currencies of any countries and (ii) any suspension of trading in securities (whether equity, debt, derivative or hybrid securities) generally on any securities exchange or over-the-counter market;

conditions (or changes in such conditions) in any industry or industries in which Two Harbors or CYS operates (including changes in general market prices and regulatory changes affecting the industry);

political conditions (or changes in such conditions) or acts of war, sabotage or terrorism (including any escalation or general worsening of any such acts of war, sabotage or terrorism);

compliance with the terms of, or the taking of any action expressly required by, the Merger Agreement;

any changes in Two Harbors stock price or the trading volume of Two Harbors Common Stock, or any failure by Two Harbors to meet any analysts' estimates or expectations of Two Harbors' revenue, earnings or other financial performance or results of operations for any period, or any failure by Two Harbors or any of its subsidiaries to meet any internal budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations (it being understood that the facts or occurrences giving rise to or contributing to such changes or failures may constitute, or be taken into account in determining whether there has been or will be, a material adverse effect);

any changes in CYS stock price or the trading volume of CYS stock, or any failure by CYS to meet any analysts' estimates or expectations of CYS's revenue, earnings or other financial performance or results of operations for any period, or any failure by CYS or any of its subsidiaries to meet any internal budgets, plans or forecasts of its revenues, earnings or other financial performance or results of operations (it being understood that the facts or occurrences giving rise to or contributing to such changes or failures may constitute, or be taken into account in determining whether there has been or will be, a material adverse effect); or

any proceedings made or brought by any of the current or former stockholders of Two Harbors or CYS (on their own behalf or on behalf of Two Harbors or CYS) against CYS, Two Harbors, Merger Sub or any of their directors or officers, arising out of the Merger or in connection with any other transactions contemplated by the Merger Agreement,

except to the extent such effects resulting from, arising out of, attributable to or related to the matters described in the first, second, third, fourth, fifth and sixth dot points disproportionately adversely affect the applicable party and its subsidiaries, taken as a whole, as compared to other participants that conduct business in the regions in the world and in the industries in which the applicable party and its subsidiaries conduct business (in which case, the incremental adverse effects (if any) will be taken into account when determining whether a material adverse effect has occurred or may, would or could occur solely to the extent they are disproportionate).

Conduct of Business by CYS Pending the Merger

Under the Merger Agreement, CYS has agreed that, except (a) as disclosed in CYS's disclosure letter, (b) as permitted or required by the Merger Agreement, (c) as may be required by applicable law or (d) as otherwise consented to by Two Harbors in writing (which consent will not be unreasonably withheld, delayed or conditioned), between the date of the Merger Agreement and the earlier to occur of the effective time of the Merger and the date, if any, on which the Merger Agreement is terminated (the "Interim Period"), it will maintain its status as a REIT and it will, and will cause each of the CYS subsidiaries to, use commercially reasonable efforts to (i) conduct its businesses in all material respects in the ordinary course consistent with past practice and (ii) preserve substantially intact its present business organization and preserve its existing relationships with its key business relationships, vendors and counterparties.

(i) (a) CYS or Two Harbors terminates the Merger Agreement because the Merger has not been consummated by the End Date (and CYS has obtained common stockholder approval for the Merger Proposal but Two Harbors has not obtained common stockholder approval for the Two Harbors Common Stock Issuance Proposal) or (b) CYS terminates the Merger Agreement because Two Harbors has committed a Terminable Breach, (ii) on or before the date of any such termination an Alternative Proposal or Two Harbors Competing Proposal has been publicly announced or publicly disclosed or otherwise publicly communicated to the Two Harbors Board and not withdrawn prior to such date, and (iii) within 12 months after the date of such termination, Two Harbors or any subsidiary of Two Harbors enters into a definitive agreement with respect to any Alternative Proposal or Two Harbors Competing Proposal or consummates any Alternative Proposal or Two Harbors Competing Proposal. For purposes of this paragraph, any reference in the definition of Two Harbors Competing Proposal to "25%" will be deemed to be a reference to "more than 50%."; or

(i) CYS or Two Harbors terminates the Merger Agreement because Two Harbors has not obtained common stockholder approval for the Two Harbors Common Stock Issuance Proposal after a vote held at the Two Harbors special meeting, (ii) on or before the date of the Two Harbors special meeting an Alternative Proposal or a Two Harbors Competing Proposal has been publicly announced or publicly disclosed and not withdrawn prior to such date, and (iii) within 12 months after the date of such termination, Two Harbors or a subsidiary of Two Harbors enters into a definitive agreement with respect to any Alternative Proposal or Two Harbors Competing Proposal or consummates any Alternative Proposal or Two Harbors Competing Proposal. For purposes of this paragraph, any reference in the definition of Two Harbors Competing Proposal to "25%" will be deemed to be a reference to "more than 50%".

Expense Amount Payable by Two Harbors

Two Harbors will pay to CYS an expense amount equal to \$20.6 million if:

either CYS or Two Harbors terminates the Merger Agreement because the Merger has not been consummated by the End Date, and CYS has obtained common stockholder approval for the Merger Proposal but Two Harbors has not obtained common stockholder approval for the Two Harbors Common Stock Issuance Proposal;

either CYS or Two Harbors terminates the Merger Agreement because Two Harbors has not obtained common stockholder approval for the Two Harbors Common Stock Issuance Proposal after a vote held at the Two Harbors special meeting; or

CYS terminates the Merger Agreement because Two Harbors has committed a Terminable Breach.

In no event will Two Harbors be entitled to receive more than one payment of a termination fee or expense amount. In addition, if Two Harbors receives full payment of a termination fee, then Two Harbors will not be entitled to also receive a payment of an expense amount. In no event will CYS be entitled to receive more than one payment of a termination fee or expense amount. In addition, if CYS

receives full payment of a termination fee, then CYS will not be entitled to also receive a payment of an expense amount.

Amendment and Waiver

The Merger Agreement may be amended by the parties, by action taken or authorized by their respective boards of directors at any time before or after adoption of the Merger Agreement by the CYS common stockholders or the Two Harbors common stockholders, but, after any such adoption, no amendment will be made which by law would require the further approval by such stockholders without first obtaining such further approval. The Merger Agreement may not be amended except by an instrument in writing signed on behalf of each of CYS, Two Harbors and Merger Sub.

At any time prior to the effective time of the Merger, any party to the Merger Agreement may waive (prospectively or retroactively) the other party's compliance with certain provisions of the Merger Agreement, to the extent legally allowed and except as otherwise set forth in the Merger Agreement.

Specific Performance

Each of the parties to the Merger Agreement will be entitled to seek an injunction or injunctions, or any other appropriate form of specific performance or equitable relief, to prevent breaches of the Merger Agreement and to enforce specifically the terms and provisions of the Merger Agreement in addition to any and all other remedies at law or in equity to which each is entitled.

FOURTH AMENDMENT TO THE MANAGEMENT AGREEMENT

On October 28, 2009, Two Harbors entered into the Management Agreement with Two Harbors Operating Company LLC and PRCM Advisers. The Management Agreement was subsequently amended pursuant to an Amendment to Management Agreement dated as of December 19, 2012, a Second Amendment to Management Agreement dated as of November 3, 2014, and a Third Amendment to Management Agreement dated as of June 28, 2017.

In connection with the Merger, the Management Agreement was further amended pursuant to the Fourth Amendment to the Management Agreement dated as of April 25, 2018. The following is a summary of the material terms of the Fourth Amendment to the Management Agreement. This summary does not purport to be complete and may not contain all of the information about the amendment or the Management Agreement that is important to you. The summary of the material terms of the Fourth Amendment to the Management Agreement below and elsewhere in this joint proxy statement/prospectus is qualified in its entirety by reference to the Fourth Amendment to the Management Agreement, a form of which is attached as an annex to this joint proxy statement/prospectus and incorporated by reference herein.

Amendment of Base Management Fee

Contingent upon the Closing, the Base Management Fee (as defined in the Management Agreement) otherwise payable pursuant to the Management Agreement is adjusted as follows:

from the effective time of the Merger until the first anniversary of such effective time, the Base Management Fee will be reduced to 0.75% per annum with respect to that portion of Stockholders' Equity (as defined in the Management Agreement) equal to the amount of the stockholders' equity of CYS as of the close of business on the business day on which the effective time of the Merger occurs;

with respect to the fiscal quarter in which the effective time of the Merger occurs, in addition to any reduction resulting from the immediately preceding paragraph, the Base Management Fee will be reduced by an additional \$15,000,000; *provided*, however, that if the management fees payable pursuant to the Management Agreement are less than \$15,000,000, PRCM Advisers shall pay to Two Harbors in immediately available funds the difference between (i) \$15,000,000 and (ii) the Base Management Fee payable to PRCM Advisers with respect to such quarter pursuant to the Management Agreement; and

with respect to the fiscal quarter in which the effective time of the Merger occurs, in addition to any reduction resulting from the two paragraphs above, the Base Management Fee will be further reduced, up to an aggregate maximum amount of \$3,300,000, by an additional amount equal to the sum of certain transaction-related expenses expected to be incurred by Two Harbors in connection with the Merger, as set forth on the schedule to the Management Agreement; *provided, however*, that if, after taking into account the reductions set forth in the Management Agreement, the management fees payable pursuant to the Management Agreement are less than the aggregate amount of such Adjustments, PRCM Advisers shall pay to Two Harbors in immediately available funds the difference between (i) such Adjustments and (ii) the Base Management Fee payable to PRCM Advisers, if any after taking into account the applicable reductions, with respect to such quarter pursuant to the Management Agreement.

MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the material U.S. federal income tax considerations relating to (i) the tax consequences related to the Merger and (ii) the qualification and taxation of Two Harbors as a REIT and the acquisition, holding and disposition of Two Harbors Common Stock. This summary is based upon the Code, the regulations promulgated by the U.S. Treasury Department, or the Treasury Regulations, current administrative interpretations and practices of the Internal Revenue Service (the "IRS") (including administrative interpretations and practices expressed in private letter rulings which are binding on the IRS only with respect to the particular taxpayers who requested and received those rulings), and judicial decisions, all as currently in effect and all of which are subject to differing interpretations or to change, possibly with retroactive effect. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax considerations described below. No advance ruling has been or will be sought from the IRS regarding any matter discussed in this summary. The summary is also based upon the assumption that Two Harbors' operation, and the operation of Two Harbors' subsidiaries and other lower-tier and affiliated entities will, in each case, be in accordance with such entity's applicable organizational documents. This summary does not discuss the impact that U.S. state and local taxes and taxes imposed by non-U.S. jurisdictions could have on the matters discussed in this summary. This summary is for general information only, and does not purport to discuss all aspects of U.S. federal income taxation that may be important to a particular stockholder in light of its investment or tax circumstances or to stockholders subject to special tax rules, such as:

U.S. expatriates;

persons who mark-to-market Two Harbors Common Stock or CYS Stock;

subchapter S corporations;

U.S. stockholders (as defined below) whose functional currency is not the U.S. dollar;

financial institutions;

insurance companies;

broker-dealers;

regulated investment companies ("RICs");

non-U.S. stockholders (as defined below, and except as otherwise discussed below).

This summary assumes that stockholders hold their stock as capital assets, which generally means as property held for investment.

For purposes of this discussion, a "U.S. stockholder" is a beneficial owner of Two Harbors or CYS who, for U.S. federal income tax purposes, is:

a citizen or resident of the United States;

a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States or of a political subdivision thereof (including the District of Columbia);

an estate that is subject to U.S. federal income tax on its income regardless of its source; or

any trust if (i) a U.S. court is able to exercise primary supervision over the administration of such trust and one or more United States persons have the authority to control all substantial decisions of the trust or (ii) it has a valid election in place to be treated as a United States person.

For purposes of this discussion, a "non-U.S. stockholder" is a beneficial owner of Two Harbors or CYS Stock who is neither a U.S. stockholder nor an entity that is treated as a partnership for U.S. federal income tax purposes.

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes holds Two Harbors or CYS Stock, the U.S. federal income tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of a partnership holding Two Harbors or CYS Stock should consult its tax advisor regarding the U.S. federal income tax consequences to the partner of the Merger and of the acquisition, ownership and disposition of Two Harbors stock by the partnership.

THE U.S. FEDERAL INCOME TAX TREATMENT OF THE MERGER AND OF HOLDERS OF TWO HARBORS OR CYS STOCK DEPENDS IN SOME INSTANCES ON DETERMINATIONS OF FACT AND INTERPRETATIONS OF COMPLEX PROVISIONS OF U.S. FEDERAL INCOME TAX LAW FOR WHICH NO CLEAR PRECEDENT OR AUTHORITY MAY BE AVAILABLE. IN ADDITION, THE U.S. FEDERAL INCOME TAX TREATMENT OF THE MERGER AND OF HOLDING TWO HARBORS COMMON STOCK TO ANY PARTICULAR STOCKHOLDER WILL DEPEND ON THE STOCKHOLDER'S PARTICULAR TAX CIRCUMSTANCES. YOU ARE URGED TO CONSULT YOUR TAX ADVISOR REGARDING THE U.S. FEDERAL, STATE, LOCAL, AND FOREIGN INCOME AND OTHER TAX CONSEQUENCES TO YOU, IN LIGHT OF YOUR PARTICULAR INVESTMENT OR TAX CIRCUMSTANCES, OF THE MERGER AND OF ACQUIRING, HOLDING, AND DISPOSING OF TWO HARBORS COMMON STOCK OR CYS STOCK.

I.

Material U.S. Federal Income Tax Consequences of the Merger

Consequences to CYS of the Merger

For U.S. federal income tax purposes, CYS and Two Harbors intend to treat the Merger as (i) a taxable sale of CYS Common Stock, CYS Series A Preferred Stock and CYS Series B Preferred Stock in exchange for cash and Two Harbors Common Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, respectively, immediately followed by (ii) the taxable liquidation of CYS for U.S. federal income tax purposes. As a REIT, CYS is generally entitled to receive a deduction for liquidating distributions, and it anticipates that its deemed liquidating distribution will exceed its taxable income recognized as a result of the Merger (together with any other undistributed

Table of Contents

taxable income recognized in the taxable year of the Merger). Accordingly, CYS anticipates that it will not be subject to U.S. federal income tax on any gain recognized in connection with the Merger and the other transactions contemplated by the Merger Agreement.

Consequences of the Merger to U.S. Stockholders of CYS Stock

General

A U.S. stockholder's receipt of (i) cash and Two Harbors Common Stock in exchange for CYS Common Stock, (ii) Two Harbors Series D Preferred Stock in exchange for CYS Series A Preferred Stock, or (iii) Two Harbors Series E Preferred Stock in exchange for CYS Series B Preferred Stock, as applicable, will be treated as a taxable sale for U.S. federal income tax purposes.

In general, a U.S. stockholder of CYS Common Stock will recognize gain or loss for U.S. federal income tax purposes equal to the difference between:

the sum of the fair market value of the Two Harbors Common Stock and the amount of cash received in exchange for such CYS Common Stock (including any cash received for fractional shares of CYS Common Stock); and

the U.S. stockholder's adjusted tax basis in its CYS Common Stock.

In general, a U.S. stockholder of CYS Series A Preferred Stock or CYS Series B Preferred Stock will recognize gain or loss for U.S. federal income tax purposes equal to the difference between:

the fair market value of the Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock, as applicable, received in exchange for such CYS Stock; and

the U.S. stockholder's adjusted tax basis in its CYS Series A Preferred Stock or CYS Series B Preferred Stock, as applicable.

Gain or loss will be calculated separately for each block of CYS Stock, with a block consisting of either multiple shares of CYS Common Stock, CYS Series A Preferred Stock or CYS Series B Preferred Stock acquired at the same cost in a single transaction. Generally, any gain or loss recognized will be capital gain or loss and will constitute long-term capital gain or loss if the U.S. stockholder has held the related CYS Stock for more than one year as of the effective date of the Merger. An individual U.S. stockholder will be subject to tax on net long-term capital gain at a maximum U.S. federal income tax rate of 20%. Additionally, a 3.8% Medicare contribution tax will apply to any gain recognized by individuals, trusts and estates whose income exceeds certain threshold levels. Capital gains of corporate U.S. stockholders generally are taxable at the regular U.S. federal income tax rates applicable to corporations (currently, a maximum rate of 21%). The deductibility of capital losses is subject to limitations.

A U.S. stockholder's tax basis its Two Harbors Common Stock, Two Harbors Series D Preferred Stock or Two Harbors Series E Preferred Stock received in the Merger, as applicable, will equal the fair market value of such stock as of the effective date of the Merger, and the holding period for such stock will begin on the day immediately following the effective date of the Merger.

Special Rule for U.S. Stockholders Who Have Held CYS Stock Less than Six Months

A U.S. stockholder who has held its CYS Stock for less than six months as of the effective date of the Merger, taking into account the holding period rules of Section 246(c)(3) and (4) of the Code, and who recognizes a loss on the exchange of its CYS Stock in the Merger, will be treated as recognizing a long-term capital loss to the extent of any capital gain dividends received from CYS, or such stockholder's share of any designated retained capital gains, with respect to those CYS Stock.

Table of Contents

Consequences of the Merger to Non-U.S. Stockholders of CYS Stock

General. A non-U.S. stockholder's gain or loss from the Merger will be determined in the same manner as that of a U.S. stockholder. Subject to the discussion of backup withholding and FATCA described below, a non-U.S. stockholder generally will not be subject to U.S. federal income tax or U.S. federal withholding tax on any gain recognized from the Merger, unless: (1) such non-U.S. stockholder's CYS Stock is treated as being effectively connected with a U.S. trade or business of such non-U.S. stockholder (and, if a tax treaty applies, is attributable to a U.S. permanent establishment by the non-U.S. stockholder); (2) such non-U.S. stockholder is a nonresident alien individual who has been present in the United States for 183 days or more during the taxable year of disposition and certain other conditions are met; or (3), subject to certain exceptions, such non-U.S. stockholder's CYS Stock constitutes a "U.S. real property interest" ("USRPI"), within the meaning of the Foreign Investment in Real Property Tax Act of 1980 ("FIRPTA").

A non-U.S. stockholder whose gain is effectively connected with the conduct of trade or business in the United States by such non-U.S. stockholder will be subject to U.S. federal income tax on such gain on a net basis in the same manner as a U.S. stockholder. In addition, a non-U.S. stockholder that is a corporation may be subject to the 30% branch profits tax (or lower applicable treaty rate) on such effectively connected gain.

If the non-U.S. stockholder is an individual who has been present in the United States for 183 days or more during the taxable year of disposition and certain other conditions are satisfied, that non-U.S. stockholder will be subject to a 30% tax on the non-U.S. stockholder's capital gains, which may be offset by U.S.-source capital losses. In addition, the non-U.S. stockholder may be subject to applicable alternative minimum taxes.

If the non-U.S. stockholder's CYS Stock constitutes a USRPI under FIRPTA, such non-U.S. stockholder will be subject to U.S. federal income tax on the gain recognized in the Merger on a net basis in the same manner as a U.S. stockholder. CYS Stock will not be treated as a USRPI to a non-U.S. stockholder under FIRPTA if (1) CYS is treated as a "domestically controlled REIT" on the effective date of the Merger, (2) the non-U.S. stockholder owned (after application of certain constructive ownership rules), (a) in the case of a non-U.S. stockholder holding CYS Common Stock, not more than 10% of the outstanding CYS Common Stock, (b) in the case of a non-U.S. stockholder holding CYS Series A Preferred Stock, not more than 10% of the outstanding CYS Series A Preferred Stock, or (c), in the case of a non-U.S. stockholder holding CYS Series B Preferred Stock, not more than 10% of the outstanding CYS Series B Preferred Stock (in each case, based on the fair market value of applicable class of CYS Stock) at any time during the five years preceding the effective date of the Merger, (3) CYS is not and has not been at any time during the shorter of the five years preceding the Merger or the non-U.S. stockholder's holding period for its CYS Stock, a United States real property holding corporation (a "USRPHC"), or (4) the non-U.S. stockholder is a "qualified shareholder" as defined in Section 897(k)(3)(A) of the Code. CYS believes that it is a "domestically controlled REIT," and that it will not be a USRPHC on the effective date of the Merger or at any time during the five-year period preceding the effective date of the Merger, although there can be no assurances to such effect.

A non-U.S. stockholder that receives cash in lieu of a fractional share of Two Harbors Common Stock in the Merger will be treated as having sold such fractional share for cash and generally will recognize capital gain or loss for U.S. federal income tax purposes in an amount equal to the difference between the amount of cash received and the non-U.S. stockholder's tax basis in the fractional share and will be subject to U.S. federal income taxation in a manner described below in "*Material U.S. Federal Income Tax Consequences The Combined Company Taxation of Non-U.S. Stockholders Dispositions of Two Harbors Common Stock.*"

Table of Contents

If a non-U.S. stockholder is eligible for treaty benefits under an income tax treaty with the United States, the non-U.S. stockholder may be able to reduce or eliminate certain of the U.S. federal income tax consequences discussed above, such as the branch profits tax. Non-U.S. stockholders should consult their tax advisors regarding possible relief under an applicable income tax treaty.

The rules governing the U.S. federal income tax consequences of the receipt of the merger consideration in exchange of CYS Stock in the Merger are complex. Non-U.S. stockholders should consult with their tax advisors to determine the U.S. federal income tax consequences of the Merger to them, as well as the applicability and impact of any U.S. tax laws other than those pertaining to income tax, as well as any state, local and foreign tax laws.

Information Reporting and Backup Withholding

Information reporting and backup withholding may apply to payments made in connection with the Merger. Backup withholding will not apply, however, to a stockholder who (a) in the case of a U.S. stockholder, furnishes a correct taxpayer identification number and certifies that it is not subject to backup withholding on an IRS Form W-9 or successor form, (b) in the case of a non-U.S. stockholder, furnishes an applicable IRS Form W-8 or successor form, or (c) is otherwise exempt from backup withholding and complies with other applicable rules and certification requirements.

Backup withholding is not an additional tax and any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against such stockholder's U.S. federal income tax liability provided the required information is timely furnished to the IRS.

Additional Withholding Tax on Payments Made to Foreign Accounts

Withholding taxes may be imposed under Sections 1471 through 1474 of the Code (such Sections, together with the Treasury Regulations and other official guidance issued thereunder, are commonly referred to as FATCA) on certain types of payments made to non-U.S. financial institutions and certain other non-U.S. entities. The application of FATCA to the receipt of Two Harbors stock by a stockholder with respect to its CYS Stock exchanged pursuant to the Merger is not entirely clear. Stockholders should consult their tax advisors regarding FATCA and the application of these rules to such payment.

The foregoing discussion of U.S. federal income tax consequences is for general information purposes only and is not intended to constitute a complete description of all tax consequences relating to the Merger. Tax matters are very complicated, and the tax consequences of the Merger to you will depend upon the facts of your particular situation. Because individual circumstances may differ, stockholders should consult their tax advisors regarding the applicability the rules discussed above and the particular tax effects of the Merger to their situation, including the application of state, local and foreign tax laws.

II.

Material U.S. Federal Income Tax Considerations The Combined Company

Taxation of Two Harbors General

Two Harbors has elected to be taxed as a REIT under Sections 856 through 860 of the Code, commencing with its taxable year ended December 31, 2009. Two Harbors believes that it has been organized and has operated and Two Harbors intends to continue to operate in a manner that will allow it to continue to qualify for taxation as a REIT under the Code.

Sidley has acted as Two Harbors' special counsel for tax matters in connection with this Merger. Two Harbors will receive, dated as of the date of Closing, an opinion of Sidley to the effect that Two Harbors has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code, and Two Harbors' actual method of operation has enabled, and

Table of Contents

Two Harbors' proposed method of operation will continue to enable it to meet the requirements for qualification and taxation as a REIT under the Code. It must be emphasized that the opinion of Sidley is based on various assumptions relating to Two Harbors' organization and operation, including that all factual representations and statements set forth in all relevant documents, records and instruments are true and correct and that Two Harbors will at all times operate in accordance with the method of operation described in Two Harbors' organizational documents and this document. Additionally, the opinion of Sidley is conditioned upon factual representations and covenants made by Two Harbors' management and the management of PRCM Advisers, regarding Two Harbors' organization, assets, present and future conduct of Two Harbors' business operations and other items regarding Two Harbors' ability to continue to meet the various requirements for qualification as a REIT, and assumes that such representations and covenants are accurate and complete and that Two Harbors will take no action that could adversely affect Two Harbors' qualification as a REIT. While Two Harbors believes it is organized and intends to continue to operate so that Two Harbors will qualify as a REIT, given the highly complex nature of the rules governing REITs, the ongoing importance of factual determinations and the possibility of future changes in Two Harbors' circumstances or applicable law, no assurance can be given by Sidley or Two Harbors that Two Harbors will so qualify for any particular year. Sidley will have no obligation to advise Two Harbors or the holders of Two Harbors Common Stock of any subsequent change in the matters stated, represented or assumed or of any subsequent change in the applicable law. You should be aware that opinions of counsel are not binding on the IRS, or any court, and no assurance can be given that the IRS will not challenge the conclusions set forth in such opinions.

Qualification and taxation as a REIT depend on Two Harbors' ability to meet, on a continuing basis, through actual results of operations, distribution levels, diversity of share ownership and various qualification requirements imposed upon REITs by the Code, the compliance with which will not be reviewed by Sidley. In addition, Two Harbors' ability to qualify as a REIT may depend in part upon the operating results, organizational structure and entity classification for U.S. federal income tax purposes of certain entities in which Two Harbors invests. Two Harbors' ability to qualify as a REIT also requires that Two Harbors satisfy certain asset and income tests, some of which depend upon the fair market values of assets directly or indirectly owned by Two Harbors or which serve as security for loans made by Two Harbors. Such values may not be susceptible to a precise determination. Accordingly, no assurance can be given that the actual results of Two Harbors' operations for any taxable year will satisfy the requirements for qualification and taxation as a REIT.

Taxation of REITs in General

As indicated above, qualification and taxation as a REIT depend on Two Harbors' ability to meet, on a continuing basis, through actual results of operations, distribution levels, diversity of share ownership and various qualification requirements imposed upon REITs by the Code. The material qualification requirements are summarized below, under "*Requirements for Qualification as a REIT.*" While Two Harbors believes that it will continue to operate so that it qualifies as a REIT, no assurance can be given that the IRS will not challenge Two Harbors' qualification as a REIT or that Two Harbors will be able to continue to operate in accordance with the REIT requirements in the future. See "*Failure to Qualify.*"

Provided that Two Harbors qualifies as a REIT, Two Harbors will generally be entitled to a deduction for dividends that Two Harbors pays and, therefore, will not be subject to U.S. federal corporate income tax on Two Harbors' net taxable income that is currently distributed to Two Harbors stockholders. This treatment substantially eliminates the "double taxation" with respect to distributed income at the corporate and stockholder levels that results generally from investment in a corporation. Rather, income generated by a REIT and distributed to its stockholders generally is taxed only at the

Table of Contents

stockholder level, upon a distribution of dividends by the REIT. See " *Taxation of Taxable U.S. Stockholders.*"

Individuals who are stockholders of corporations that are not REITs are generally taxed on qualifying corporate dividends at a reduced maximum rate (the same as long-term capital gains), thereby substantially reducing, though not completely eliminating, the double taxation that has historically applied to corporate dividends. With limited exceptions, however, dividends received by individual U.S. stockholders from Two Harbors or from other entities that are taxed as REITs are taxed at rates applicable to ordinary income. However, under the Tax Cuts and Jobs Act (the "TCJA") dividends received by individual U.S. stockholders from Two Harbors that are neither attributable to "qualified dividend income" nor designated as "capital gain dividends" will be eligible for a deduction equal to 20% of the amount of such dividends in taxable years beginning before January 1, 2026. Net operating losses, foreign tax credits and other tax attributes of a REIT generally do not pass through to the stockholders of the REIT, subject to special rules for certain items, such as capital gains, recognized by REITs. See " *Taxation of Taxable U.S. Stockholders.*"

Even if Two Harbors qualifies for taxation as a REIT, however, Two Harbors will be subject to U.S. federal income taxation as follows:

Two Harbors will be taxed at regular U.S. federal corporate income tax rates on any undistributed income, including undistributed net capital gains.

If Two Harbors has net income from prohibited transactions, which are, in general, sales or other dispositions of property held primarily for sale to customers in the ordinary course of business, other than foreclosure property, such income will be subject to a 100% tax. See " *Prohibited Transactions*" and " *Foreclosure Property*" below.

If Two Harbors elects to treat property that Two Harbors acquires in connection with a foreclosure of a mortgage loan or from certain leasehold terminations as "foreclosure property," Two Harbors may thereby avoid (a) the 100% tax on gain from a resale of that property (if the sale would otherwise constitute a prohibited transaction) and (b) the inclusion of any income from such property not qualifying for purposes of the REIT gross income tests discussed below, but the income from the sale or operation of the property may be subject to income tax at the corporate tax rate.

If Two Harbors fails to satisfy the 75% gross income test or the 95% gross income test, as discussed below, but nonetheless maintains Two Harbors' qualification as a REIT because other requirements are met, Two Harbors will be subject to a 100% tax on an amount equal to (a) the greater of (1) the amount by which Two Harbors fails the 75% gross income test or (2) the amount by which Two Harbors fails the 95% gross income test, as the case may be, multiplied by (b) a fraction intended to reflect Two Harbors' profitability.

If Two Harbors fails to satisfy any of the REIT asset tests, as described below, other than a failure of the 5% or 10% REIT asset tests that does not exceed a statutory *de minimis* amount as described more fully below, but Two Harbors' failure is due to reasonable cause and not due to willful neglect and Two Harbors nonetheless maintains Two Harbors' REIT qualification because of specified cure provisions, Two Harbors will be required to pay a tax equal to the greater of \$50,000 or the corporate tax rate of the net income generated by the non-qualifying assets during the period in which Two Harbors failed to satisfy the asset tests.

If Two Harbors fails to satisfy any provision of the Code that would result in Two Harbors' failure to qualify as a REIT (other than a gross income or asset test requirement) and the violation is due to reasonable cause and not willful neglect, Two Harbors may retain its REIT qualification but Two Harbors will be required to pay a penalty of \$50,000 for each such failure.

Table of Contents

If Two Harbors fails to distribute during each calendar year at least the sum of (a) 85% of Two Harbors' REIT ordinary income for such year, (b) 95% of Two Harbors' REIT capital gain net income for such year and (c) any undistributed taxable income from prior periods (the foregoing sum is referred to as the required distribution), Two Harbors will be subject to a 4% excise tax on the excess of the required distribution over the sum of (1) the amounts actually distributed (taking into account excess distributions from prior years), plus (2) retained amounts on which income tax is paid at the corporate level.

Two Harbors may be required to pay monetary penalties to the IRS in certain circumstances, including if Two Harbors fails to meet record-keeping requirements intended to monitor Two Harbors' compliance with rules relating to the composition of Two Harbors stockholders, as described below in " *Requirements for Qualification as a REIT.*"

A 100% excise tax may be imposed on some items of income and expense that are directly or constructively paid between Two Harbors and any TRSs Two Harbors may own if and to the extent that the IRS successfully adjusts the reported amounts of these items.

If Two Harbors acquires appreciated assets from a corporation that is not a REIT in a transaction in which the adjusted tax basis of the assets in Two Harbors' hands is determined by reference to the adjusted tax basis of the assets in the hands of the non-REIT corporation, Two Harbors will be subject to tax on such appreciation at the corporate income tax rate then applicable if Two Harbors subsequently recognizes gain on a disposition of any such assets during the 5-year period following their acquisition from the non-REIT corporation. The results described in this paragraph assume that the non-REIT corporation will not elect, in lieu of this treatment, to be subject to an immediate tax when the asset is acquired by Two Harbors.

Two Harbors will generally be subject to tax on the portion of any excess inclusion income derived from an investment in residual interests in real estate mortgage investment conduits ("REMICs"), to the extent Two Harbors stock is held by specified tax-exempt organizations not subject to tax on unrelated business taxable income. Similar rules will apply if Two Harbors owns an equity interest in a taxable mortgage pool. To the extent that Two Harbors owns a REMIC residual interest or a taxable mortgage pool through a TRS, Two Harbors will not be subject to this tax.

Two Harbors may elect to retain and pay income tax on its net long-term capital gain. In that case, a stockholder would include its proportionate share of Two Harbors' undistributed long-term capital gain (to the extent Two Harbors makes a timely designation of such gain to the stockholder) in its income, would be deemed to have paid the tax that Two Harbors paid on such gain, and would be allowed a credit for its proportionate share of the tax deemed to have been paid, and an adjustment would be made to increase the stockholder's basis in Two Harbors Common Stock. Stockholders that are U.S. corporations will also appropriately adjust their earnings and profits for the retained capital gains in accordance with Treasury Regulations to be promulgated.

Two Harbors may have subsidiaries or own interests in other lower-tier entities that are subchapter C corporations, including TRSs, the earnings of which would be subject to U.S. federal corporate income tax.

In addition, Two Harbors may be subject to a variety of taxes other than U.S. federal income tax, including payroll taxes and state and local income, franchise property and other taxes. Two Harbors could also be subject to tax in situations and on transactions not presently contemplated.

Requirements for Qualification as a REIT

The Code defines a REIT as a corporation, trust or association:

that is managed by one or more trustees or directors;

the beneficial ownership of which is evidenced by transferable stock or by transferable certificates of beneficial interest;

that would be taxable as a domestic corporation but for the special Code provisions applicable to REITs;

that is neither a financial institution nor an insurance company subject to specific provisions of the Code;

the beneficial ownership of which is held by 100 or more persons during at least 335 days of a taxable year of 12 months, or during a proportionate part of a taxable year of less than 12 months;

in which, during the last half of each taxable year, not more than 50% in value of the outstanding stock is owned, directly or indirectly, by five or fewer "individuals" (as defined in the Code to include specified entities);

which meets other tests described below, including with respect to the nature of its income and assets and the amount of its distributions; and

that makes an election to be a REIT for the current taxable year or has made such an election for a previous taxable year that has not been terminated or revoked.

The Code provides that the first through fourth conditions must be met during the entire taxable year, and that the fifth condition must be met during at least 335 days of a taxable year of 12 months, or during a proportionate part of a shorter taxable year. The fifth and sixth conditions do not need to be satisfied for the first taxable year for which an election to become a REIT has been made. The Two Harbors Charter provides restrictions regarding the ownership and transfer of Two Harbors stock, which are intended, among other purposes, to assist in satisfying the share ownership requirements described in the fifth and sixth conditions. For purposes of the sixth condition, an "individual" generally includes a supplemental unemployment compensation benefit plan, a private foundation or a portion of a trust permanently set aside or used exclusively for charitable purposes, but does not include a qualified pension plan or profit sharing trust.

To monitor compliance with the share ownership requirements, Two Harbors is generally required to maintain records regarding the actual ownership of Two Harbors stock. To do so, Two Harbors must demand written statements each year from the record stockholders of significant percentages of Two Harbors stock, in which the record stockholders are to disclose the actual owners of the stock (i.e., the persons required to include in gross income the dividends paid by Two Harbors). A list of those persons failing or refusing to comply with this demand must be maintained as part of Two Harbors' records. Failure by Two Harbors to comply with these record-keeping requirements could subject Two Harbors to monetary penalties. If Two Harbors satisfies these requirements and after exercising reasonable diligence would not have known that the sixth condition is not satisfied, Two Harbors will be deemed to have satisfied such condition. A stockholder that fails or refuses to comply with the demand is required by Treasury Regulations to submit a statement with its tax return disclosing the actual ownership of the stock and other information.

In addition, a corporation generally may not elect to become a REIT unless its taxable year is the calendar year. Two Harbors satisfies this requirement.

Effect of Subsidiary Entities

Ownership of Partnership Interests

In the case of a REIT that is a partner in a partnership, Treasury Regulations provide that the REIT is deemed to own its proportionate share of the partnership's assets and to earn its proportionate share of the partnership's gross income based on its pro rata share of capital interests in the partnership for purposes of the asset and gross income tests applicable to REITs, as described below. However, solely for purposes of the 10% value test, described below, the determination of a REIT's interest in partnership assets will be based on the REIT's proportionate interest in any securities issued by the partnership, excluding for these purposes, certain excluded securities as described in the Code. In addition, the assets and gross income of the partnership generally are deemed to retain the same character in the hands of the REIT. Thus, Two Harbors' proportionate share of the assets and items of income of partnerships in which Two Harbors owns an equity interest is treated as an asset and as an item of income for Two Harbors for purposes of applying the REIT requirements described below. Consequently, to the extent that Two Harbors directly or indirectly holds a preferred or other equity interest in a partnership, the partnership's assets and operations may affect Two Harbors' ability to qualify as a REIT, even though Two Harbors may have no control or only limited influence over the partnership.

Disregarded Subsidiaries

If a REIT owns a corporate subsidiary that is a "qualified REIT subsidiary," that subsidiary is disregarded for U.S. federal income tax purposes, and all assets, liabilities and items of income, deduction and credit of the subsidiary are treated as assets, liabilities and items of income, deduction and credit of the REIT itself, including for purposes of the gross income and asset tests applicable to REITs, as summarized below. A qualified REIT subsidiary is any corporation, other than a TRS, that is wholly owned by a REIT, by other disregarded subsidiaries or by a combination of the two. Single member limited liability companies that are wholly owned by a REIT are also generally disregarded as separate entities for U.S. federal income tax purposes, including for purposes of the REIT gross income and asset tests. Disregarded subsidiaries, along with partnerships in which Two Harbors holds an equity interest, are sometimes referred to herein as "pass-through subsidiaries."

In the event that a disregarded subsidiary ceases to be wholly owned by Two Harbors (for example, if any equity interest in the subsidiary is acquired by a person other than Two Harbors or another disregarded subsidiary of Two Harbors), the subsidiary's separate existence would no longer be disregarded for U.S. federal income tax purposes. Instead, it would have multiple owners and would be treated as either a partnership or a taxable corporation. Such an event could, depending on the circumstances, adversely affect Two Harbors' ability to satisfy the various asset and gross income tests applicable to REITs, including the requirement that REITs generally may not own, directly or indirectly, more than 10% of the value or voting power of the outstanding securities of another corporation. See " *Asset Tests*" and " *Gross Income Tests*."

Taxable REIT Subsidiaries

A REIT, in general, may jointly elect with a subsidiary corporation, whether or not wholly owned, to treat the subsidiary corporation as a TRS. The separate existence of a TRS or other taxable corporation, unlike a disregarded subsidiary as discussed above, is not ignored for U.S. federal income tax purposes. Accordingly, such an entity would generally be subject to corporate income tax on its earnings, which may reduce the cash flow generated by Two Harbors and its subsidiaries in the aggregate and Two Harbors' ability to make distributions to its stockholders.

Two Harbors and a number of subsidiaries have jointly elected for each of such subsidiaries to be treated as a TRS. This election allows each such subsidiary to invest in assets and engage in activities

Table of Contents

that could not be held or conducted directly by Two Harbors without jeopardizing its qualification as a REIT.

A REIT is not treated as holding the assets of a TRS or other taxable subsidiary corporation or as receiving any income that the subsidiary earns. Rather, the stock issued by the subsidiary is an asset in the hands of the REIT, and the REIT generally recognizes as income the dividends, if any, that it receives from the subsidiary. This treatment can affect the gross income and asset test calculations that apply to the REIT, as described below. Because a parent REIT does not include the assets and income of such subsidiary corporations in determining the parent's compliance with the REIT requirements, such entities may be used by the parent REIT to undertake indirectly activities that the REIT rules might otherwise preclude it from doing directly or through pass-through subsidiaries or render commercially unfeasible (for example, activities that give rise to certain categories of income such as non-qualifying hedging income or inventory sales). If dividends are paid to Two Harbors by one or more TRSs Two Harbors may own, then a portion of the dividends that Two Harbors distributes to stockholders who are taxed at individual rates generally will be eligible for taxation at preferential qualified dividend income tax rates rather than at ordinary income rates. See " *Taxation of Taxable U.S. Stockholders*" and " *Annual Distribution Requirements*."

Certain restrictions imposed on TRSs are intended to ensure that such entities will be subject to appropriate levels of U.S. federal income taxation. For example, if amounts are paid to a REIT or deducted by a TRS due to transactions between a REIT, its tenants and/or the TRS, that exceed the amount that would be paid to or deducted by a party in an arm's-length transaction, the REIT generally will be subject to an excise tax equal to 100% of such excess.

Gross Income Tests

In order to maintain Two Harbors' qualification as a REIT, Two Harbors must annually satisfy two gross income tests. First, at least 75% of Two Harbors' gross income for each taxable year, excluding gross income from sales of inventory or dealer property in "prohibited transactions" and certain hedging and foreign currency transactions, must consist of defined types of income that Two Harbors derives, directly or indirectly, from investments relating to real property or mortgage loans on real property or qualified temporary investment income. Qualifying income for purposes of the 75% gross income test generally includes:

rents from real property;

interest on debt secured by a mortgage on real property or on interests in real property;

dividends or other distributions on, and gain from the sale of, stock in other REITs;

gain from the sale of real estate assets (other than a nonqualified publicly offered REIT debt instrument);

income and gain derived from foreclosure property;

amounts, such as commitment fees, received in consideration for entering into an agreement to make a loan secured by real property, unless such amounts are determined by income and profits;

income derived from a REMIC in proportion to the real estate assets held by the REMIC, unless at least 95% of the REMIC's assets are real estate assets, in which case all of the income derived from the REMIC; and

income derived from certain kinds of temporary investments.

Second, at least 95% of Two Harbors' gross income in each taxable year, excluding gross income from prohibited transactions and certain hedging and foreign currency transactions, must be derived

Table of Contents

from some combination of income that qualifies under the 75% income test described above, as well as other dividends, interest, and gain from the sale or disposition of stock or securities, which need not have any relation to real property.

For purposes of the 75% and 95% gross income tests, a REIT is deemed to have earned a proportionate share of the income earned by any partnership, or any limited liability company treated as a partnership for U.S. federal income tax purposes, in which it owns an interest, which share is determined by reference to its capital interest in such entity, and is deemed to have earned the income earned by any qualified REIT subsidiary or disregarded entity.

Interest Income

Interest income constitutes qualifying mortgage interest for purposes of the 75% gross income test to the extent that the obligation is secured by a mortgage on real property. If Two Harbors receives interest income with respect to a mortgage loan that is secured by both real property and other property and the highest principal amount of the loan outstanding during a taxable year exceeds the fair market value of the real property on the date that Two Harbors acquired the mortgage loan, the interest income will be apportioned between the real property and the other property, and Two Harbors' income from the arrangement will qualify for purposes of the 75% gross income test only to the extent that the interest is allocable to the real property. Even if a loan is not secured by real property or is under secured, the income that it generates may nonetheless qualify for purposes of the 95% gross income test. If Two Harbors acquires or originates a construction loan, for purposes of the foregoing apportionment, the fair market value of the real property includes the fair market value of the land plus the reasonably estimated cost of improvement or developments (other than personal property) which secure the construction loan.

Two Harbors may invest in Agency RMBS whose principal and interest payments are guaranteed by a U.S. government agency, such as Ginnie Mae, or a government sponsored entity, or GSE, that are pass-through certificates. Two Harbors expects that these agency pass-through certificates will be treated as interests in grantor trusts for federal income tax purposes. Consequently, Two Harbors will be treated as owning an undivided beneficial interest in the mortgage loans held by the grantor trust. The interest on such mortgage loans will be qualifying income for purposes of the 75% and 95% gross income tests to the extent that the obligation is secured by real property, as discussed above.

If, however, less than 95% of the assets of a REMIC consists of real estate assets (determined as if Two Harbors held such assets), Two Harbors will be treated as receiving directly Two Harbors' proportionate share of the income of the REMIC for purposes of determining the amount which is treated as interest on an obligation secured by a mortgage on real property. In addition, some REMIC securitizations include embedded interest rate swap or cap contracts or other derivative instruments that potentially could produce non-qualifying income.

Two Harbors expects that the interest income that Two Harbors receives from Two Harbors' mortgage-related securities generally will be qualifying income for purposes of both the 75% and 95% gross income tests. However, to the extent that Two Harbors owns non-REMIC collateralized mortgage obligations, or CMOs, or other debt instruments secured by mortgage loans (rather than by real property) or secured by non-real estate assets, or debt securities that are not secured by mortgages on real property or interests in real property, the interest income received with respect to such securities generally will be qualifying income for purposes of the 95% gross income test, but not the 75% gross income test.

Dividend Income

Two Harbors may receive distributions from TRSs or other corporations that are not REITs or qualified REIT subsidiaries. These distributions are generally classified as dividend income to the

Table of Contents

extent of the earnings and profits of the distributing corporation. Such distributions generally constitute qualifying income for purposes of the 95% gross income test, but not the 75% gross income test. Any dividends received by Two Harbors from a REIT will be qualifying income in Two Harbors' hands for purposes of both the 95% and 75% gross income tests.

TBAs

Two Harbors may use "to-be-announced", or TBA, forward contracts as a means of investing and financing Agency RMBS. There is no direct authority with respect to the qualifications of income or gains from dispositions of TBAs as gains from the sale of real property (including interests in real property and interests in mortgages on real property) or other qualifying income for purposes of the 75% gross income test. Two Harbors intends to treat income and gains from Two Harbors' TBAs as qualifying income for purposes of the 75% gross income test, to the extent set forth in an opinion from Sidley substantially to the effect that, for purposes of the 75% gross income test, any gain recognized by Two Harbors in connection with the settlement of TBAs should be treated as gain from the sale or disposition of the underlying Agency RMBS. Such opinions of counsel are not binding on the IRS, and there can be no assurance that the IRS will not successfully challenge the conclusions set forth therein. In addition, the opinion of Sidley is based on various assumptions relating to Two Harbors' TBAs and is conditioned upon fact-based representations and covenants made by Two Harbors' management regarding its TBAs. If the IRS were to successfully challenge the opinion of Sidley, Two Harbors could be subject to a penalty tax or Two Harbors could fail to remain qualified as a REIT if a sufficient portion of Two Harbors' assets consists of TBAs or a sufficient portion of Two Harbors' income consists of income or gains from the disposition of TBAs.

Hedging Transactions

Two Harbors may enter into hedging transactions with respect to one or more of Two Harbors' assets or liabilities. Hedging transactions could take a variety of forms, including interest rate swap agreements, interest rate cap agreements, options, futures contracts, forward rate agreements or similar financial instruments. Except to the extent provided by Treasury Regulations, any income from a hedging transaction will not constitute gross income for purposes of the 75% or 95% gross income test if Two Harbors properly identifies the transaction as specified in applicable Treasury Regulations and Two Harbors enters into such transaction (i) in the normal course of Two Harbors' business primarily to manage risk of interest rate or price changes or currency fluctuations with respect to borrowings made or to be made, or ordinary obligations incurred or to be incurred, to acquire or carry real estate assets, or (ii) primarily to manage risk of currency fluctuations with respect to any item of income or gain that would be qualifying income under the 75% or 95% income tests. In addition, income from certain new hedging transactions that counteract prior qualifying hedging transactions described in (i) and (ii) above may not constitute gross income for purposes of the 75% and 95% gross income tests if Two Harbors properly identifies the new hedging transaction as specified in applicable Treasury Regulations. To the extent that Two Harbors enters into other types of hedging transactions, the income from those transactions is likely to be treated as non-qualifying income for purposes of both of the 75% and 95% gross income tests. Two Harbors intends to structure any hedging transactions in a manner that does not jeopardize Two Harbors' qualification as a REIT.

Failure to Satisfy the Gross Income Tests

Two Harbors intends to monitor its sources of income, including any non-qualifying income received by it, so as to ensure Two Harbors' compliance with the gross income tests. If Two Harbors fails to satisfy one or both of the 75% or 95% gross income tests for any taxable year, Two Harbors may still qualify as a REIT for the year if Two Harbors is entitled to relief under applicable provisions of the Code. These relief provisions will generally be available if Two Harbors' failure to meet these

Table of Contents

tests was due to reasonable cause and not due to willful neglect and, following the identification of such failure, Two Harbors set forth a description of each item of Two Harbors' gross income that satisfies the gross income tests in a schedule for the taxable year filed in accordance with the Treasury Regulations. It is not possible to state whether Two Harbors would be entitled to the benefit of these relief provisions in all circumstances. If these relief provisions are inapplicable to a particular set of circumstances involving Two Harbors, Two Harbors will not qualify as a REIT. As discussed above under " *Taxation of REITs in General*," even where these relief provisions apply, a tax would be imposed upon the profit attributable to the amount by which Two Harbors fails to satisfy the particular gross income test.

Phantom Income

Due to the nature of the assets in which Two Harbors will invest, Two Harbors may be required to recognize taxable income from certain of Two Harbors' assets in advance of its receipt of cash flow on or proceeds from disposition of such assets, and Two Harbors may be required to report taxable income in early periods that exceeds the economic income ultimately realized on such assets.

Two Harbors may acquire mortgage-backed securities in the secondary market for less than their face amount. For example, it is likely that Two Harbors will invest in assets, including mortgage-backed securities, requiring Two Harbors to accrue original issue discount, or OID, or recognize market discount income, that generate taxable income in excess of economic income or in advance of the corresponding cash flow from the assets referred to as "phantom income." Two Harbors may also be required under the terms of the indebtedness that Two Harbors incurs to use cash received from interest payments to make principal payment on that indebtedness, with the effect that Two Harbors will recognize income but will not have a corresponding amount of cash available for distribution to Two Harbors stockholders.

Due to each of these potential differences between income recognition or expense deduction and related cash receipts or disbursements, there is a significant risk that Two Harbors may have substantial taxable income in excess of cash available for distribution. In that event, Two Harbors may need to borrow funds or take other actions to satisfy the REIT distribution requirements for the taxable year in which this "phantom income" is recognized. See " *Annual Distribution Requirements*."

Asset Tests

Two Harbors, at the close of each calendar quarter, must also satisfy four tests relating to the nature of Two Harbors' assets.

First, at least 75% of the value of Two Harbors' total assets must be represented by some combination of:

cash and cash items;

U.S. government securities;

interests in real property;

interests in mortgage loans secured by real property;

stock (or transferable certificates of beneficial interest) in other REITs;

debt instruments issued by publicly offered REITs; and

regular or residual interests in a REMIC. However, if less than 95% of the assets of a REMIC consist of assets that are qualifying real estate-related assets under the U.S. federal income tax laws, determined as if Two Harbors held such assets, Two Harbors will be treated as holding directly Two Harbors' proportionate share of the assets of such REMIC.

Table of Contents

Second, of Two Harbors' investments not included in the 75% asset class, the value of any one issuer's securities owned by Two Harbors may not exceed 5% of the value of Two Harbors' assets.

Third, of Two Harbors' investments not included in the 75% asset class, Two Harbors may not own more than 10% of any one issuer's outstanding securities, as measured by either voting power or value.

Fourth, of Two Harbors' investments not included in the 75% asset class, the aggregate value of all securities of TRSs held by Two Harbors may not exceed 20% of the value of Two Harbors' gross assets.

Fifth, of Two Harbors' investments not included in the 75% asset class, debt instruments issued by publicly offered REITs, if they would not otherwise qualify as "real estate assets", cannot exceed 25% of the value of Two Harbors' total assets.

The 5% and 10% asset tests do not apply to securities of TRSs and qualified REIT subsidiaries. The 10% value test does not apply to certain "straight debt" and other excluded securities, as described in the Code, including but not limited to any loan to an individual or an estate, any obligation to pay rents from real property and any security issued by a REIT. In addition, (i) a REIT's interest as a partner in a partnership is not considered a security for purposes of applying the 10% value test; (ii) any debt instrument issued by a partnership (other than straight debt or other excluded security) will not be considered a security issued by the partnership if at least 75% of the partnership's gross income is derived from sources that would qualify for the 75% REIT gross income test; and (iii) any debt instrument issued by a partnership (other than straight debt or other excluded security) will not be considered a security issued by the partnership to the extent of the REIT's interest as a partner in the partnership.

For purposes of the 10% value test, "straight debt" means a written unconditional promise to pay on demand on a specified date a sum certain in money if:

the debt is not convertible, directly or indirectly, into stock;

the interest rate and interest payment dates are not contingent on profits, the borrower's discretion, or similar factors other than certain contingencies relating to the timing and amount of principal and interest payments, as described in the Code; and

in the case of an issuer which is a corporation or a partnership, securities that otherwise would be considered straight debt will not be so considered if Two Harbors, and any of Two Harbors' "controlled taxable REIT subsidiaries" as defined in the Code, hold any securities of the corporate or partnership issuer which

are not straight debt or other excluded securities (prior to the application of this rule); and

have an aggregate value greater than 1% of the issuer's outstanding securities (including, for the purposes of a partnership issuer, its interest as a partner in the partnership).

After initially meeting the asset tests at the close of any quarter, Two Harbors will not lose its qualification as a REIT for failure to satisfy the asset tests at the end of a later quarter solely by reason of changes in asset values. If Two Harbors fails to satisfy the asset tests because Two Harbors acquires or increases its ownership interest in securities during a quarter, Two Harbors can cure this failure by disposing of sufficient non-qualifying assets within 30 days after the close of that quarter. If Two Harbors fails the 5% asset test, or the 10% vote or value asset tests at the end of any quarter and such failure is not cured within 30 days thereafter, Two Harbors may dispose of sufficient assets (generally within six months after the last day of the quarter in which Two Harbors' identification of the failure to satisfy these asset tests occurred) to cure such a violation that does not exceed the lesser

Table of Contents

of 1% of Two Harbors' assets at the end of the relevant quarter or \$10,000,000. If Two Harbors fails any of the other asset tests or Two Harbors' failure of the 5% and 10% asset tests is in excess of the *de minimis* amount described above, as long as such failure was due to reasonable cause and not willful neglect, Two Harbors may be permitted to avoid disqualification as a REIT, after the 30 day cure period, by taking steps including the disposition of sufficient assets to meet the asset test (generally within six months after the last day of the quarter in which Two Harbors' identification of the failure to satisfy the REIT asset test occurred) and paying a tax equal to the greater of \$50,000 or the corporate income tax rate of the net income generated by the non-qualifying assets during the period in which Two Harbors failed to satisfy the asset test.

Two Harbors may invest in Agency RMBS whose principal and interest payments are guaranteed by a U.S. government agency, such as Ginnie Mae, or a government sponsored entity, or GSE, that are pass-through certificates. Two Harbors expects that these agency pass-through certificates will be treated as interests in grantor trusts for U.S. federal income tax purposes. Consequently, Two Harbors will be treated as owning an undivided beneficial ownership interest in the mortgage loans held by the grantor trust and, therefore, Two Harbors will treat the Agency RMBS as qualifying assets for purposes of the 75% asset test.

Two Harbors may invest in RMBS that are not issued or guaranteed by a U.S. government agency or a GSE. Two Harbors expects that Two Harbors investments in non-agency RMBS will be treated as interests in REMICs for U.S. federal income tax purposes. In the case of RMBS treated as interests in a REMIC, such interests will generally qualify as real estate assets for purposes of the 75% asset test. If less than 95% of the assets of a REMIC are real estate assets, however, then only a proportionate part of Two Harbors' interest in the REMIC qualifies for purposes of the 75% asset test.

Two Harbors expects that the assets and mortgage-related securities that Two Harbors owns generally will be qualifying assets for purposes of the 75% asset test. However, to the extent that Two Harbors owns non-REMIC CMOs or other debt instruments secured by mortgage loans (rather than by real property) or secured by non-real estate assets, or debt securities issued that are not secured by mortgages on real property, those securities may not be qualifying assets for purposes of the 75% asset test.

TBAs

Two Harbors may use "to-be-announced", or TBA, forward contracts as a means of investing and financing Agency RMBS. There is no direct authority with respect to the qualification of TBAs as real estate assets or U.S. government securities for purposes of the 75% asset test. Two Harbors intends to treat its TBAs as qualifying assets for purposes of the 75% asset test, to the extent set forth in an opinion from Sidley substantially to the effect that, for purposes of the 75% asset test, Two Harbors' ownership of a TBA should be treated as ownership of the underlying Agency RMBS. Such opinion of counsel is not binding on the IRS, and there can be no assurance that the IRS will not successfully challenge the conclusions set forth therein. In addition, the opinion of Sidley is based on various assumptions relating to Two Harbors' TBAs and is conditioned upon fact-based representations and covenants made by Two Harbors' management regarding Two Harbors' TBAs. If the IRS were to successfully challenge the opinion of Sidley, Two Harbors could be subject to a penalty tax or Two Harbors could fail to remain qualified as a REIT if a sufficient portion of Two Harbors' assets consists of TBAs or a sufficient portion of Two Harbors' income consists of income or gains from the disposition of TBAs.

Repurchase Agreements

In order to finance some of the assets that Two Harbors holds or acquires, Two Harbors may enter into repurchase agreements under which Two Harbors will nominally sell certain of Two Harbors' assets

Table of Contents

to a counterparty and simultaneously enter into an agreement to repurchase the sold assets. Although the tax treatment of repurchase transactions is unclear, Two Harbors takes the position that, for U.S. federal income tax purposes, Two Harbors is the owner of those assets that are the subject of any such repurchase agreement notwithstanding that Two Harbors may transfer record ownership of those assets to the counterparty during the term of any such agreement. Because Two Harbors enters into repurchase agreements the tax treatment of which is unclear, the IRS could assert that Two Harbors did not own the assets during the term of the repurchase agreements, in which case Two Harbors could fail to qualify as a REIT.

Annual Distribution Requirements

In order to qualify as a REIT, Two Harbors is required to distribute dividends, other than capital gain dividends, to Two Harbors stockholders in an amount at least equal to:

the sum of:

90% of Two Harbors' "REIT taxable income" (computed without regard to the deduction for dividends paid and Two Harbors' net capital gains); and

90% of the net income (after tax), if any, from foreclosure property (as described below); minus

the sum of specified items of non-cash income that exceeds a percentage of Two Harbors' income.

These distributions must be paid in the taxable year to which they relate or in the following taxable year if such distributions are declared in October, November or December of the taxable year, are payable to stockholders of record on a specified date in any such month and are actually paid before the end of January of the following year. Such distributions are treated as both paid by Two Harbors and received by each stockholder on December 31 of the year in which they are declared. In addition, at Two Harbors' election, a distribution for a taxable year may be declared before Two Harbors timely files its tax return for the year and be paid with or before the first regular dividend payment after such declaration, provided that such payment is made during the 12-month period following the close of such taxable year. These distributions are taxable to Two Harbors stockholders in the year in which paid, even though the distributions relate to Two Harbors' prior taxable year for purposes of the 90% distribution requirement.

Except for distributions by "publicly offered REITs", distributions must not be "preferred dividends" in order for such distributions to be counted towards the distribution requirement. A dividend is not a preferential dividend if it is pro rata among all outstanding stock within a particular class and is in accordance with the preferences among different classes of stock as set forth in the organizational documents. Two Harbors believes that it is and will continue to be a publicly offered REIT and, therefore, will not be subject to this limitation.

To the extent that Two Harbors distributes at least 90%, but less than 100%, of Two Harbors' "REIT taxable income," as adjusted, Two Harbors will be subject to tax at ordinary corporate tax rates on the retained portion. In addition, Two Harbors may elect to retain, rather than distribute, Two Harbors' net long-term capital gains and pay tax on such gains. In this case, Two Harbors could elect to have Two Harbors stockholders include their proportionate share of such undistributed long-term capital gains in income and receive a corresponding credit for their proportionate share of the tax paid by Two Harbors. Two Harbors stockholders would then increase the adjusted basis of their stock in Two Harbors by the difference between the designated amounts included in their long-term capital gains and the tax deemed paid with respect to their proportionate shares.

Table of Contents

If Two Harbors fails to distribute during each calendar year at least the sum of:

85% of Two Harbors' REIT ordinary income for such year;

95% of Two Harbors' REIT capital gain net income for such year; and

any undistributed taxable income from prior periods.

Two Harbors will be subject to a 4% excise tax on the excess of such required distribution over the sum of (i) the amounts actually distributed (taking into account excess distributions from prior periods) and (ii) the amounts of income retained on which Two Harbors has paid corporate income tax. Two Harbors intends to make timely distributions so that it is not subject to the 4% excise tax.

It is possible that Two Harbors, from time to time, may not have sufficient cash to meet the distribution requirements due to timing differences between (i) the actual receipt of cash, including receipt of distributions from Two Harbors' subsidiaries and (ii) the inclusion of items in income by Two Harbors for U.S. federal income tax purposes. For example, Two Harbors may acquire debt instruments or notes whose stated redemption price may exceed its issue price as determined for U.S. federal income tax purposes (such excess, "original issue discount," or OID), such that Two Harbors will be required to include in its income a portion of the OID each year that the instrument is held before Two Harbors receives any corresponding cash. In the event that such timing differences occur, in order to meet the distribution requirements, it might be necessary to arrange for short-term, or possibly long-term, borrowings or to pay dividends in the form of taxable in-kind distributions of property, including taxable stock dividends. In the case of a taxable stock dividend, stockholders would be required to include the dividend as income and would be required to satisfy the tax liability associated with the distribution with cash from other sources including sales of Two Harbors Common Stock. Both a taxable stock distribution and sale of common stock resulting from such distribution could adversely affect the price of Two Harbors Common Stock.

Two Harbors may be able to rectify a failure to meet the distribution requirements for a year by paying "deficiency dividends" to stockholders in a later year, which may be included in Two Harbors' deduction for dividends paid for the earlier year. In this case, Two Harbors may be able to avoid losing Two Harbors' qualification as a REIT or being taxed on amounts distributed as deficiency dividends. However, Two Harbors will be required to pay interest and a penalty based on the amount of any deduction taken for deficiency dividends.

Recordkeeping Requirements

Two Harbors is required to maintain records and request on an annual basis information from specified stockholders. These requirements are designed to assist Two Harbors in determining the actual ownership of its outstanding stock and maintaining its qualifications as a REIT.

Prohibited Transactions

Net income Two Harbors derives from a prohibited transaction is subject to a 100% tax. The term "prohibited transaction" generally includes a sale or other disposition of property (other than foreclosure property) that is held as inventory or primarily for sale to customers, in the ordinary course of a trade or business by a REIT, by a lower-tier partnership in which the REIT holds an equity interest or by a borrower that has issued a shared appreciation mortgage or similar debt instrument to the REIT. Two Harbors intends to conduct its operations so that no asset owned by Two Harbors or its pass-through subsidiaries will be held as inventory or primarily for sale to customers, and that a sale of any assets owned by Two Harbors directly or through a pass-through subsidiary will not be in the ordinary course of business. However, whether property is held as inventory or "primarily for sale to customers in the ordinary course of a trade or business" depends on the particular facts and circumstances. No assurance can be given that any particular asset in which Two Harbors holds a direct

Table of Contents

or indirect interest will not be treated as property held as inventory or primarily for sale to customers or that certain safe harbor provisions of the Code that prevent such treatment will apply. The 100% tax will not apply to gains from the sale of property that is held through a TRS or other taxable corporation, although such income will be subject to tax in the hands of the corporation at regular corporate income tax rates.

Foreclosure Property

Foreclosure property is real property and any personal property incident to such real property:

that is acquired by a REIT as a result of the REIT having bid on the property at foreclosure or having otherwise reduced the property to ownership or possession by agreement or process of law after there was a default (or default was imminent) on a lease of the property or a mortgage loan held by the REIT and secured by the property;

for which the related loan or lease was acquired by the REIT at a time when default was not imminent or anticipated; and

for which such REIT makes a proper election to treat the property as foreclosure property.

REITs generally are subject to tax at the corporate rate on any net income from foreclosure property, including any gain from the disposition of the foreclosure property, other than income that would otherwise be qualifying income for purposes of the 75% gross income test. Any gain from the sale of property for which a foreclosure property election has been made will not be subject to the 100% tax on gains from prohibited transactions described above, even if the property would otherwise constitute inventory or dealer property in the hands of the selling REIT. Two Harbors does not anticipate that Two Harbors will receive any income from foreclosure property that is not qualifying income for purposes of the 75% gross income test, but, if Two Harbors does receive any such income, Two Harbors intends to elect to treat the related property as foreclosure property.

Failure to Qualify

In the event that Two Harbors violates a provision of the Code that would result in its failure to qualify as a REIT, Two Harbors may nevertheless continue to qualify as a REIT. Specified relief provisions will be available to Two Harbors to avoid such disqualification if:

the violation is due to reasonable cause and not due to willful neglect;

Two Harbors pay a penalty of \$50,000 for each failure to satisfy a requirement for qualification as a REIT; and

the violation does not include a violation under the gross income or asset tests described above (for which other specified relief provisions are available).

This cure provision reduces the instances that could lead to Two Harbors' disqualification as a REIT for violations due to reasonable cause. If Two Harbors fails to qualify for taxation as a REIT in any taxable year and none of the relief provisions of the Code apply, Two Harbors will be subject to tax on its taxable income at the regular corporate rate. Distributions to Two Harbors stockholders in any year in which Two Harbors is not a REIT will not be deductible by Two Harbors, nor will they be required to be made. In this situation, to the extent of current and accumulated earnings and profits, and, subject to limitations of the Code, distributions to Two Harbors stockholders will generally be taxable in the case of Two Harbors stockholders who are individual U.S. stockholders, as "qualified dividend income" at a reduced at a maximum rate, and dividends in the hands of Two Harbors' corporate U.S. stockholders may be eligible for the dividends received deduction. However, distributions to individual U.S. stockholders during any year in which Two Harbors is not a REIT will not be eligible for the deduction equal to 20% of the amount of such dividends. Unless Two Harbors is entitled to relief under specific statutory provisions, Two Harbors will also be disqualified from re-electing to be taxed as a REIT for the four taxable years following the year during which qualification was lost. It is not possible to state whether, in all circumstances, Two Harbors will be entitled to statutory relief.

Taxation of Taxable U.S. Stockholders

This section summarizes the taxation of U.S. stockholders who hold Two Harbors stock that are not tax-exempt organizations.

Distributions

Provided that Two Harbors qualifies as a REIT, distributions made to its taxable U.S. stockholders out of its current or accumulated earnings and profits, and not designated as capital gain dividends, will generally be taken into account by them as ordinary dividend income and will not be eligible for the dividends received deduction for corporations. In determining the extent to which a distribution with respect to Two Harbors Common Stock constitutes a dividend for U.S. federal income tax purposes, Two Harbors' earnings and profits will be allocated first to distributions with respect to Two Harbors preferred stock, if any, and then to Two Harbors Common Stock. Dividends received from REITs are generally not eligible to be taxed at the preferential qualified dividend income rates applicable to individual U.S. stockholders who receive dividends from taxable subchapter C corporations.

In addition, distributions from Two Harbors that are designated as capital gain dividends will be taxed to U.S. stockholders as long-term capital gains, to the extent that they do not exceed Two Harbors' actual net capital gain for the taxable year, without regard to the period for which the U.S. stockholder has held Two Harbors stock. To the extent that Two Harbors elects under the applicable provisions of the Code to retain Two Harbors' net capital gains, U.S. stockholders will be treated as having received, for U.S. federal income tax purposes, Two Harbors' undistributed capital gains as well as a corresponding credit for taxes paid by Two Harbors on such retained capital gains. U.S. stockholders will increase their adjusted tax basis in Two Harbors Common Stock by the difference between their allocable share of such retained capital gain and their share of the tax paid by Two Harbors. Long-term capital gains are generally taxable at reduced maximum federal rates in the case of U.S. stockholders who are individuals, and ordinary income rates for corporations.

Distributions in excess of Two Harbors' current and accumulated earnings and profits will not be taxable to a U.S. stockholder to the extent that they do not exceed the adjusted tax basis of the U.S. stockholder's shares in respect of which the distributions were made, but rather will reduce the adjusted tax basis of those shares. To the extent that such distributions exceed the adjusted tax basis of an individual U.S. stockholder's shares, they will be included in income as long-term capital gain, or short-term capital gain if the shares have been held for one year or less. In addition, any dividend declared by Two Harbors in October, November or December of any year and payable to a U.S. stockholder of record on a specified date in any such month will be treated as both paid by Two Harbors and received by the U.S. stockholder on December 31 of such year, provided that the dividend is actually paid by Two Harbors before the end of January of the following calendar year.

With respect to U.S. stockholders who are taxed at the rates applicable to individuals, Two Harbors may elect to designate a portion of Two Harbors' distributions paid to such U.S. stockholders as "qualified dividend income." A portion of a distribution that is properly designated as qualified dividend income is taxable to non-corporate U.S. stockholders at the same rates as capital gain, provided that the U.S. stockholder has held the common stock with respect to which the distribution is made for more than 60 days during the 121-day period beginning on the date that is 60 days before the date on which such common stock became ex-dividend with respect to the relevant distribution. The maximum amount of Two Harbors' distributions eligible to be designated as qualified dividend income for a taxable year is equal to the sum of:

the qualified dividend income received by Two Harbors during such taxable year from non-REIT C corporations (including any TRS in which Two Harbors may own an interest);

Table of Contents

the excess of any "undistributed" REIT taxable income recognized during the immediately preceding year over the U.S. federal income tax paid by Two Harbors with respect to such undistributed REIT taxable income; and

the excess of any income recognized during the immediately preceding year attributable to the sale of a built-in-gain asset that was acquired in a carry-over basis transaction from a non-REIT C corporation over the U.S. federal income tax paid by Two Harbors with respect to such built-in gain.

In addition, the total amount of dividends that Two Harbors may designate as "qualified dividend income" or "capital gain dividends" may not exceed Two Harbors' dividends paid for the taxable year. Generally, dividends that Two Harbors receives will be treated as qualified dividend income for purposes of the first bullet above if the dividends are received from a domestic C corporation (other than a REIT or a RIC), any TRS Two Harbors may form, or a "qualifying foreign corporation" and specified holding period requirements and other requirements are met.

Under the TCJA, dividends received by individual U.S. stockholders from Two Harbors that are neither attributable to "qualified dividend income" nor designated as "capital gain dividends" will be eligible for a deduction equal to 20% of the amount of such dividends in taxable years beginning before January 1, 2026.

To the extent that Two Harbors has available net operating losses and capital losses carried forward from prior tax years, such losses may, subject to limitations, reduce the amount of distributions that must be made in order to comply with the REIT distribution requirements. See "*Taxation of Two Harbors General*" and "*Annual Distribution Requirements*." Such losses, however, are not passed through to U.S. stockholders and do not offset income of U.S. stockholders from other sources, nor do they affect the character of any distributions that are actually made by Two Harbors, which are generally subject to tax in the hands of U.S. stockholders to the extent that Two Harbors has current or accumulated earnings and profits.

Dispositions of Two Harbors Common Stock

In general, a U.S. stockholder will realize gain or loss upon the sale or other taxable disposition of Two Harbors Common Stock in an amount equal to the difference between the sum of the fair market value of any property and the amount of cash received in such disposition and the U.S. stockholder's adjusted tax basis in the common stock at the time of the disposition. In general, a U.S. stockholder's adjusted tax basis will equal the U.S. stockholder's acquisition cost, increased by the excess of net capital gains deemed distributed to the U.S. stockholder (discussed above) less tax deemed paid on such gain and reduced by returns of capital. In general, capital gains recognized by individuals and other non-corporate U.S. stockholders upon the sale or disposition of shares of Two Harbors Common Stock will be subject to a reduced maximum U.S. federal income tax rate, if Two Harbors Common Stock is held for more than one year, and will be taxed at ordinary income rates if Two Harbors Common Stock is held for one year or less. Gains recognized by U.S. stockholders that are corporations are subject to U.S. federal income tax at the regular corporate rate, whether or not classified as long-term capital gains.

Stockholders are advised to consult with their tax advisors with respect to their capital gain tax liability. Capital losses recognized by a U.S. stockholder upon the disposition of Two Harbors Common Stock held for more than one year at the time of disposition will be considered long-term capital losses, and are generally available only to offset capital gain income of the U.S. stockholder but not ordinary income (except in the case of individuals, who may offset up to \$3,000 of ordinary income each year). In addition, any loss upon a sale or exchange of shares of Two Harbors Common Stock by a U.S. stockholder who has held the stock for six months or less, after applying holding period rules, will be

Table of Contents

treated as a long-term capital loss to the extent of distributions received from Two Harbors that were required to be treated by the U.S. stockholder as long-term capital gain.

Passive Activity Losses and Investment Interest Limitations

Distributions made by Two Harbors and gain arising from the sale or exchange by a U.S. stockholder of Two Harbors Common Stock will not be treated as passive activity income. As a result, U.S. stockholders will not be able to apply any "passive losses" against income or gain relating to Two Harbors Common Stock. Distributions made by Two Harbors, to the extent they do not constitute a return of capital, generally will be treated as investment income for purposes of computing the investment interest limitation. A U.S. stockholder that elects to treat capital gain dividends, capital gains from the disposition of stock or qualified dividend income as investment income for purposes of the investment interest limitation will be taxed at ordinary income rates on such amounts.

Medicare Tax

Certain U.S. stockholders, who are individuals, estates or trusts and whose income exceeds certain thresholds will be required to pay a 3.8% Medicare tax on dividends and other income, including capital gain from the sale or disposition of Two Harbors Common Stock.

Taxation of Tax-Exempt U.S. Stockholders

U.S. tax-exempt entities, including qualified employee pension and profit sharing trusts and individual retirement accounts, generally are exempt from U.S. federal income taxation. However, they are subject to taxation on their unrelated business taxable income, which is referred to in this prospectus as UBTI. While many investments in real estate may generate UBTI, the IRS has ruled that dividend distributions from a REIT to a tax-exempt entity do not constitute UBTI. Based on that ruling, and provided that:

a tax-exempt U.S. stockholder has not held Two Harbors Common Stock as "debt financed property" within the meaning of the Code (i.e., where the acquisition or holding of the property is financed through a borrowing by the tax-exempt stockholder);

Two Harbors Common Stock is not otherwise used in an unrelated trade or business; and

Two Harbors does not hold an asset that gives rise to excess inclusion income,

distributions from its and income from the sale of its common stock generally should not give rise to UBTI to a tax-exempt U.S. stockholder.

Tax-exempt U.S. stockholders that are social clubs, voluntary employee benefit associations, supplemental unemployment benefit trusts, and qualified group legal services plans exempt from U.S. federal income taxation under Sections 501(c)(7), (c)(9), (c)(17) and (c)(20) of the Code, respectively, are subject to different UBTI rules, which generally will require them to characterize distributions from Two Harbors as UBTI unless they are able to properly claim a deduction for amounts set aside or placed in reserve for specific purposes so as to offset the income generated by its investment in Two Harbors Common Stock. These prospective investors should consult their tax advisors concerning these "set aside" and reserve requirements.

In certain circumstances, a pension trust that (i) is described in Section 401(a) of the Code, (ii) is tax exempt under Section 501(a) of the Code, and (iii) owns more than 10% of Two Harbors stock could be required to treat a percentage of the dividends from Two Harbors as UBTI if Two Harbors is a "pension-held REIT." Two Harbors will not be a pension-held REIT unless (i) either (a) one pension trust owns more than 25% of the value of Two Harbors stock, or (b) a group of pension trusts, each individually holding more than 10% of the value of Two Harbors stock, collectively owns more than

Table of Contents

50% of such stock; and (ii) Two Harbors would not have qualified as a REIT but for the fact that Section 856(h)(3) of the Code provides that stock owned by such trusts shall be treated, for purposes of the requirement that not more than 50% of the value of the outstanding stock of a REIT is owned, directly or indirectly, by five or fewer "individuals" (as defined in the Code to include certain entities), as owned by the beneficiaries of such trusts. Certain restrictions limiting ownership and transfer of Two Harbors stock should generally prevent a tax-exempt entity from owning more than 10% of the value of Two Harbors stock, or Two Harbors from becoming a pension-held REIT.

Tax-exempt U.S. stockholders are urged to consult their tax advisors regarding the U.S. federal, state and local tax consequences of owning Two Harbors stock.

Taxation of Non-U.S. Stockholders

The following is a summary of certain U.S. federal income tax consequences of the acquisition, ownership and disposition of Two Harbors Common Stock applicable to non-U.S. stockholders of Two Harbors Common Stock. The discussion is based on current law and is for general information only. It addresses only selective and not all aspects of U.S. federal income taxation of non-U.S. stockholders. In addition, this discussion assumes that:

a non-U.S. stockholder will not have held more than 10% of Two Harbors Common Stock (taking into account applicable constructive ownership rules) at any time during the five-year period ending on the date on which you dispose of Two Harbors Common Stock or receive distributions from Two Harbors;

Two Harbors Common Stock is and will continue to be "regularly traded" on an established securities market located in the United States within the meaning of FIRPTA although there can be no assurance that this will continue to be the case; and

a non-U.S. stockholder is not a "qualified shareholder", as defined in Section 897(k)(3)(A) of the Code, which describes certain partnerships and other collective investment vehicles that satisfy various recordkeeping, administrative and other requirements.

A non-U.S. stockholder, and in particular a non-U.S. stockholder who is a "qualified shareholder" within the meaning of FIRPTA, should consult its tax advisor concerning the tax consequences of sales of Two Harbors stock and the receipt of dividends and other distributions from Two Harbors.

General

For most foreign investors, investment in a REIT that invests principally in mortgage loans and mortgage-backed securities is not the most tax-efficient way to invest in such assets. That is because receiving distributions of income derived from such assets in the form of REIT dividends subjects most foreign investors to withholding taxes that direct investment in those asset classes, and the direct receipt of interest and principal payments with respect to them, would not. The principal exceptions are foreign sovereigns and their agencies and instrumentalities, which may be exempt from withholding taxes on certain REIT dividends under the Code, and certain foreign pension funds or similar entities able to claim an exemption from withholding taxes on REIT dividends under the terms of a bilateral tax treaty between their country of residence and the United States.

Ordinary Dividends

The portion of dividends received by non-U.S. stockholders payable out of Two Harbors' earnings and profits that are not effectively connected with a U.S. trade or business of the non-U.S. stockholder will generally be subject to U.S. federal withholding tax at the rate of 30%, unless reduced or eliminated by an applicable income tax treaty. Under some treaties, however, lower rates generally applicable to dividends do not apply to dividends from REITs. In addition, any portion of the dividends

Table of Contents

paid to non-U.S. stockholders that are treated as excess inclusion income will not be eligible for exemption from the 30% withholding tax or a reduced treaty rate. In the case of a taxable stock dividend with respect to which any withholding tax is imposed, Two Harbors may have to withhold or dispose of part of the stock otherwise distributable in such dividend and use such stock or the proceeds of such disposition to satisfy the withholding tax imposed.

In general, non-U.S. stockholders will not be considered to be engaged in a U.S. trade or business solely as a result of their ownership of Two Harbors stock. In cases where the dividend income from a non-U.S. stockholder's investment in Two Harbors Common Stock is, or is treated as, effectively connected with the non-U.S. stockholder's conduct of a U.S. trade or business, the non-U.S. stockholder generally will be subject to U.S. federal income tax at graduated rates, in the same manner as U.S. stockholders are taxed with respect to such dividends, and may also be subject to the 30% branch profits tax on the income after the application of the income tax in the case of a non-U.S. stockholder that is a corporation.

Non-Dividend Distributions

Unless either (i) the non-U.S. stockholder's investment in Two Harbors Common Stock is effectively connected with a U.S. trade or business conducted by such non-U.S. stockholder (in which case the non-U.S. stockholder will be subject to the same treatment as U.S. stockholders with respect to such gain) or (ii) the non-U.S. stockholder is a nonresident alien individual who was present in the U.S. for 183 days or more during the taxable year and has a "tax home" in the U.S. (in which case the non-U.S. stockholder will be subject to a 30% tax on the individual's net capital gain for the year), distributions by Two Harbors which are not dividends out of Two Harbors' earnings and profits will not be subject to U.S. federal income tax. If Two Harbors cannot determine at the time at which a distribution is made whether or not the distribution will exceed current and accumulated earnings and profits, the distribution will be subject to withholding at the rate applicable to dividends. However, the non-U.S. stockholder may seek a refund from the IRS of any amounts withheld if it is subsequently determined that the distribution was, in fact, in excess of Two Harbors' current and accumulated earnings and profits.

Capital Gain Dividends

Capital gain dividends received by a non-U.S. stockholder from a REIT are generally not subject to U.S. federal income or withholding tax, unless either (i) the non-U.S. stockholder's investment in Two Harbors Common Stock is effectively connected with a U.S. trade or business conducted by such non-U.S. stockholder (in which case the non-U.S. stockholder will be subject to the same treatment as U.S. stockholders with respect to such gain) or (ii) the non-U.S. stockholder is a nonresident alien individual who was present in the U.S. for 183 days or more during the taxable year and has a "tax home" in the U.S. (in which case the non-U.S. stockholder will be subject to a 30% tax on the individual's net capital gain for the year). In addition, under FIRPTA, a distribution made by Two Harbors to a non-U.S. stockholder, to the extent attributable to a gain from disposition of a "U.S. real property interest" held by Two Harbors' directly or through pass-through subsidiaries, will be treated as a distribution subject to the rules discussed above under "Taxation of Non-U.S. Stockholders - Ordinary Dividends."

Dispositions of Two Harbors Common Stock

Gain from the sale of Two Harbors Common Stock will generally not be subject to U.S. federal income or withholding tax in the case of a non-U.S. stockholder, except in two cases: (i) if the non-U.S. stockholder's investment in Two Harbors Common Stock is effectively connected with a U.S. trade or business conducted by such non-U.S. stockholder, the non-U.S. stockholder will be subject to the same treatment as a U.S. stockholder with respect to such gain, or (ii) if the non-U.S. stockholder is a

Table of Contents

nonresident alien individual who was present in the U.S. for 183 days or more during the taxable year and has a "tax home" in the U.S., the nonresident alien individual will be subject to a 30% tax on the individual's capital gain.

Other U.S. Federal Income Tax Withholding and Reporting Requirements

FATCA currently imposes a 30% withholding tax on U.S.-source dividends, interest and other income items and will impose such tax on proceeds from the sale, redemption or other disposition of property producing U.S.-source dividends and interest paid after December 31, 2018, to (i) foreign financial institutions that do not agree to comply with certain diligence, reporting and withholding obligations with respect to their U.S. accounts and (ii) non-financial foreign entities that do not identify (or confirm the absence of) substantial U.S. owners. The withholding tax of 30% would apply to dividends and the gross proceeds of a disposition of Two Harbors Common Stock paid to certain foreign entities unless various information reporting requirements are satisfied. For these purposes, a foreign financial institution generally is defined as any non-U.S. entity that (i) accepts deposits in the ordinary course of a banking or similar business, (ii) is engaged in the business of holding financial assets for the account of others, or (iii) is engaged or holds itself out as being engaged primarily in the business of investing, reinvesting, or trading in securities, partnership interests, commodities, or any interest in such assets.

Backup Withholding and Information Reporting

Two Harbors will report to its U.S. stockholders and the IRS the amount of dividends paid during each calendar year and the amount of any tax withheld. Under the backup withholding rules, a U.S. stockholder may be subject to backup withholding with respect to dividends paid unless the holder is a corporation or comes within other exempt categories and, when required, demonstrates this fact or provides a taxpayer identification number or social security number, certifies as to no loss of exemption from backup withholding and otherwise complies with applicable requirements of the backup withholding rules. A U.S. stockholder that does not provide his or her correct taxpayer identification number or social security number may also be subject to penalties imposed by the IRS. In addition, Two Harbors may be required to withhold a portion of capital gain distributions to any U.S. stockholder who fails to certify its non-foreign status.

Two Harbors must report annually to the IRS and to each non-U.S. stockholder the amount of dividends paid to such stockholder and the tax withheld with respect to such dividends, regardless of whether withholding was required. Copies of the information returns reporting such dividends and withholding may also be made available to the tax authorities in the country in which the non-U.S. stockholder resides under the provisions of an applicable income tax treaty. A non-U.S. stockholder may be subject to backup withholding unless applicable certification requirements are met.

Payment of the proceeds of a sale of Two Harbors Common Stock within the United States is subject to both backup withholding and information reporting unless the beneficial owner certifies under penalties of perjury that it is a non-U.S. stockholder (and the payor does not have actual knowledge or reason to know that the beneficial owner is a U.S. person) or the stockholder otherwise establishes an exemption. Payment of the proceeds of a sale of Two Harbors Common Stock conducted through certain U.S. related financial intermediaries is subject to information reporting (but not backup withholding) unless the financial intermediary has documentary evidence in its records that the beneficial owner is a non-U.S. stockholder and specified conditions are met or an exemption is otherwise established.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be allowed as a refund or a credit against such stockholder's U.S. federal income tax liability provided the required information is furnished to the IRS.

State and Local Taxes

Two Harbors and its stockholders may be subject to state or local taxation in various jurisdictions, including those in which Two Harbors or they transact business, own property or reside. The state or local tax treatment of Two Harbors and its stockholders may not conform to the U.S. federal income tax treatment discussed above. Prospective stockholders should consult their tax advisors regarding the application and effect of state and local income and other tax laws on an investment in Two Harbors Common Stock.

Legislative or Other Actions Affecting REITs

The rules dealing with U.S. federal income taxation are constantly under review by persons involved in the legislative process and by the IRS and the U.S. Treasury Department. Changes to the tax laws, with or without retroactive application, could materially and adversely affect Two Harbors and its stockholders. Two Harbors cannot predict how changes in the tax laws might affect Two Harbors or its stockholders. New legislation, Treasury Regulations, administrative interpretations or court decisions could significantly and negatively affect Two Harbors' ability to qualify as a REIT or the U.S. federal income tax consequences of such qualification.

In addition, the recently enacted TCJA makes substantial changes to the Code. Among those changes are a significant permanent reduction in the generally applicable corporate tax rate, changes in the taxation of individuals and other non-corporate taxpayers that generally but not universally reduce their taxes on a temporary basis subject to "sunset" provisions, the elimination or modification of various currently allowed deductions (including additional limitations on the deductibility of business interest and substantial limitation on the deduction for state and local taxes imposed on individuals), and preferential taxation of certain income (including REIT dividends) derived by non-corporate taxpayers from "pass-through" entities. The TCJA also imposes certain additional limitations on the deduction of net operating losses, which may in the future cause Two Harbors to make distributions that will be taxable to its stockholders to the extent of its current or accumulated earnings and profits in order to comply with the annual REIT distribution requirements. Finally, the TCJA also makes significant changes in the international tax rules, which among other things may require Two Harbors to include in its taxable income, and to distribute, pre-2018 earnings of certain of its foreign subsidiaries, which earnings have previously been deferred from taxation in the United States. The effect of these, and the many other, changes made in the TCJA is highly uncertain, both in terms of their direct effect on the taxation of an investment in Two Harbors Common Stock and their indirect effect on the value of Two Harbors' assets. Furthermore, many of the provisions of the TCJA will require guidance through the issuance of Treasury Regulations in order to assess their effect. There may be a substantial delay before such regulations are promulgated, increasing the uncertainty as to the ultimate effect of the statutory amendments on Two Harbors. It is also likely that there will be technical corrections legislation proposed with respect to the TCJA, the timing and effect of which cannot be predicted and may be adverse to Two Harbors or its stockholders.

The Two Harbors pro forma combined amounts were calculated using the methodology as described in the section titled "Unaudited Pro Forma Condensed Combined Financial Statements," and are subject to all the assumptions, adjustments and limitations described thereunder. The unaudited pro forma condensed combined balance sheet data gives effect to the Merger as if it occurred on March 31, 2018. The unaudited pro forma condensed combined statements of operations data gives effect to the Merger as if it occurred on January 1, 2017. The CYS pro forma equivalent amounts were calculated by multiplying the Two Harbors pro forma combined amounts by the assumed Exchange Ratio of 0.4872 based on the adjusted book value per share of Two Harbors Common Stock and CYS Common Stock as of March 31, 2018, calculated in accordance with the Merger Agreement.

restrictions on transfer and ownership of shares, holders of Two Harbors Common Stock are entitled to receive dividends on such Two Harbors Common Stock if, as and when authorized by the Two Harbors Board, and declared by Two Harbors out of assets legally available therefor. Such holders also are entitled to share ratably in the assets of Two Harbors legally available for distribution to stockholders in the event of Two Harbors' liquidation, dissolution or winding up after payment or establishment of reserves for all debts and other liabilities of Two Harbors and any shares with preferential rights related thereto.

Holders of Two Harbors Common Stock have no preference, conversion, exchange, sinking fund or redemption rights, have no preemptive rights to subscribe for any securities of Two Harbors and have no appraisal rights. Subject to the provisions of the Two Harbors Charter regarding the restrictions on transfer and ownership of shares, each share of Two Harbors Common Stock will have equal dividend, liquidation and other rights.

Preferred Stock Issued in Connection with the Merger

Pursuant to articles supplementary to be filed by Two Harbors prior to the effective time of the Merger, in connection with the Merger, Two Harbors will issue (1) 3,000,000 shares of Two Harbors Series D Preferred Stock, in exchange for shares of CYS Series A Preferred Stock and (2) 8,000,000 shares of Two Harbors Series E Preferred Stock, in exchange for shares of CYS Series B Preferred Stock.

Preemptive Rights

The holders of Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock will have no preemptive rights and will not be subject to any sinking fund. Unless converted or redeemed by Two Harbors into Two Harbors Common Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock will have a perpetual term, with no maturity.

Ranking

Two Harbors Series D Preferred Stock will rank senior to Two Harbors Common Stock, and on parity with the Two Harbors Series A Preferred Stock, Two Harbors Series B Preferred Stock and Two Harbors Series C Preferred Stock, with respect to the payment of dividends and any distributions upon liquidation, dissolution or winding up. So long as any Two Harbors Series D Stock is outstanding, Two Harbors may authorize, reclassify, create or increase the authorized amount of any class of shares having rights senior to Two Harbors Series D Preferred Stock, or authorize or issue securities exercisable or convertible for such shares, only if such action is approved by the affirmative vote of at least 66²/₃% of the votes entitled to be cast by the holders of Two Harbors Series D Preferred Stock and every other series of parity shares outstanding, voting together as a single class regardless of series, in addition to any other vote of Two Harbors stockholders required by law. However, no such vote of the holders of Two Harbors Series D Preferred Stock will be required in connection with such authorization, creation, or increase in the authorized amount of a senior class if all of the outstanding shares of Two Harbors Series D Preferred Stock are redeemed or called for redemption upon proper notice with sufficient funds deposited in trust to effect such redemption. Two Harbors may create additional classes of securities, increase the authorized number of preferred shares or issue series of preferred shares ranking junior to, or on parity with, Two Harbors Series D Preferred Stock, without the vote or consent of any holder of Two Harbors Series D Preferred Stock.

The description of Two Harbors Series D Preferred Stock included in this section applies equally to Two Harbors Series E Preferred Stock. Two Harbors Series E Preferred Stock will rank on a parity with Two Harbors Series D Preferred Stock with respect to the payment of dividends and any distributions upon liquidation, dissolution or winding up.

Dividends

Holders of Two Harbors Series D Preferred Stock are entitled to receive, when, as and if authorized by the Two Harbors Board and declared by Two Harbors, out of funds legally available for payment of dividends, cumulative cash dividends at the rate of 7.75% of the \$25.00 per share liquidation preference per annum (equivalent to \$1.9375 per annum per share). Dividends on Two Harbors Series D Preferred Stock, for the quarterly periods commencing on January 15, April 15, July 15 and October 15 of each year, are payable quarterly in arrears on the 15th of January, April, July and October of each year. Dividends are cumulative and accumulations of dividends on the Two Harbors Series D Preferred Stock do not bear interest. Dividends payable on Two Harbors Series D Preferred Stock are computed on the basis of a 360-day year consisting of twelve 30-day months.

Holders of Two Harbors Series E Preferred Stock are entitled to receive, when, as and if authorized by the Two Harbors Board and declared by Two Harbors, out of funds legally available for payment of dividends, cash cumulative cash dividends at the rate of 7.50% of the \$25.00 per share liquidation preference per annum (equivalent to \$1.875 per annum per share). Dividends on Two Harbors Series E Preferred Stock, for the quarterly periods commencing January 15, April 15, July 15 and October 15 of each year, are payable quarterly in arrears on the 15th of January, April, July and October of each year. Dividends are cumulative and accumulations of dividends on the Two Harbors Series E Preferred Stock do not bear interest. Dividends payable on Two Harbors Series E Preferred Stock are computed on the basis of a 360-day year consisting of twelve 30-day months.

Except as provided in the next sentence, no dividend will be declared or paid, or a sum sufficient set apart for payment, on any parity shares unless full cumulative dividends have been, or contemporaneously are, declared and paid, or set apart for payment, on Two Harbors Series D Preferred Stock for all prior dividend periods. If accrued dividends on Two Harbors Series D Preferred Stock and any parity shares for all prior dividend periods have not been paid in full (or a sum sufficient set apart for payment), then any dividend declared on Two Harbors Series D Preferred Stock and any parity shares for any dividend period will be declared ratably in proportion to accrued and unpaid dividends on Two Harbors Series D Preferred Stock and any parity shares.

Unless full cumulative dividends then required to be paid on Two Harbors Series D Preferred Stock and any parity shares have been, or contemporaneously are, declared and paid, or a sum sufficient set apart for payment, Two Harbors will not declare, pay or set apart funds for the payment of any dividend or other distribution with respect to any junior shares or redeem, purchase or otherwise acquire for consideration any junior shares, subject to certain exceptions as described in the Two Harbors Charter. Notwithstanding the foregoing limitations, Two Harbors may, at any time, acquire shares of Two Harbors Common Stock, without regard to rank, for the purpose of preserving its status as a REIT.

As used for these purposes,

the term "dividend" does not include dividends or distributions payable solely in shares of junior shares, or in options, warrants or rights to holders of junior shares to subscribe for or purchase any junior shares;

the term "junior shares" will mean Two Harbors Common Stock and any other class or series of shares of Two Harbors over which Two Harbors Series D Preferred Stock has preference or priority in the payment of dividends or in the distribution of assets on any liquidation, dissolution or winding up of Two Harbors; and

the term "parity shares" means the Two Harbors Series A Preferred Stock, the Two Harbors Series B Preferred Stock, the Two Harbors Series C Preferred Stock, Two Harbors Series D Preferred Stock and Two Harbors Series E Preferred Stock, and any other class or series of Two Harbors stock now or hereafter issued and outstanding that ranks equally with Two Harbors

Table of Contents

Series D Preferred Stock as to the payment of dividends and amounts upon the liquidation, dissolution or winding up of Two Harbors.

The description of Two Harbors Series D Preferred Stock included in this section (other than the first paragraph) applies equally to Two Harbors Series E Preferred Stock.

Optional Redemption

Two Harbors may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Two Harbors Series D Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of twenty-five dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. Two Harbors may also, at its option, upon the occurrence of a change of control, upon not less than 30 nor more than 60 days' written notice, redeem the Two Harbors Series D Preferred Stock, in whole or in part, within 120 days after the first date on which such change of control occurred, for cash at a redemption price of twenty-five dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. In the event that the Two Harbors elects to redeem Two Harbors Series D Preferred Stock, the notice of redemption will be mailed by Two Harbors, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date.

On the redemption date, Two Harbors must pay on each share of Two Harbors Series D Preferred Stock to be redeemed any accumulated and unpaid dividends, in arrears, to, but not including, the redemption date. In the case of a redemption date falling after a dividend payment record date and prior to the related payment date, the holders of Two Harbors Series D Preferred Stock at the close of business on that record date will be entitled to receive the dividend payable on those shares on the corresponding dividend payment date, notwithstanding the redemption of their shares prior to the dividend payment date. Except as provided for in the preceding sentence, no payment or allowance will be made for unpaid dividends, whether or not in arrears, on any Two Harbors Series D Preferred Stock called for redemption or on the Two Harbors Common Stock issuable upon that redemption.

Unless full cumulative dividends then required to be paid on Two Harbors Series D Preferred Stock and any parity shares have been, or contemporaneously are, declared and paid, or declared and a sum sufficient for the payment thereof set apart for payment for all past dividend periods, Two Harbors Series D Preferred Stock may not be redeemed in part, and Two Harbors may not, except as set forth in the following sentence, redeem, purchase or otherwise acquire for consideration any Two Harbors Series D Preferred Stock, other than pursuant to a purchase or exchange offer made on the same terms to all holders of Two Harbors Series D Preferred Stock. Notwithstanding the foregoing limitations, Two Harbors may, at any time, acquire Two Harbors Series D Preferred Stock, without regard to rank, for the purpose of preserving its status as a REIT.

On and after the date fixed for redemption, provided that Two Harbors has made available at the office of the registrar and transfer agent a sufficient amount of cash to effect the redemption, dividends will cease to accumulate on Two Harbors Series D Preferred Stock called for redemption, those shares will no longer be deemed to be outstanding and all rights of the holders of those Two Harbors Series D Preferred Stock will cease, except for the right to receive cash payable upon redemption, without interest from the date of redemption, and except that, in the case of a redemption date after a dividend payment record date and prior to the related dividend payment date, holders of Two Harbors Series D Preferred Stock on the dividend payment record date will be entitled on the dividend payment date to receive the dividend payable on those shares.

The description of Two Harbors Series D Preferred Stock included in this section applies equally to Two Harbors Series E Preferred Stock.

Liquidation Preference

Subject to the preferential rights of the holders of any senior securities, the holders of Two Harbors Series D Preferred Stock are entitled to receive, in the event of any liquidation, dissolution or winding up of Two Harbors, whether voluntary or involuntary, a liquidation preference (the "Series D Liquidation Preference") of \$25.00 per share of Two Harbors Series D Preferred Stock, plus an amount per share of Two Harbors Series D Preferred Stock equal to any accumulated and unpaid dividends, whether or not earned or declared to, but not including, the date of final distribution to such holders and will not be entitled to any other payment.

Until the holders of Two Harbors Series D Preferred Stock have been paid the Series D Liquidation Preference, plus an amount equal to such accumulated and unpaid dividends, in full, no payment will be made to any holder of junior shares upon the liquidation, dissolution or winding up of Two Harbors. If, upon any liquidation, dissolution or winding up of Two Harbors, the assets of Two Harbors or proceeds thereof distributable among the holders of Two Harbors Series D Preferred Stock and any parity shares are insufficient to pay in full the liquidating distributions on all outstanding Two Harbors Series D Preferred Stock and the liquidating distributions applicable to any parity shares, then those assets will be distributed among the holders of Two Harbors Series D Preferred Stock and any parity shares, ratably, in accordance with the respective amounts that would be payable on those shares if all amounts payable on those shares were to be paid in full. After payment in full of the liquidating distributions to which they are entitled, the holders of Two Harbors Series D Preferred Stock will have no right or claim to any of the remaining assets of Two Harbors. Neither a consolidation nor merger of Two Harbors with another corporation, a statutory share exchange by Two Harbors, nor a sale, lease or transfer or conveyance of all or substantially all of Two Harbors' assets will be considered a liquidation, dissolution or winding up, voluntary or involuntary, of Two Harbors. In determining whether a distribution (other than upon voluntary or involuntary liquidation), by dividend, redemption or other acquisition of shares of stock of Two Harbors or otherwise, is permitted under the MGCL, amounts that would be needed if Two Harbors were to be dissolved at the time of the distribution to satisfy the preferential rights upon dissolution of holders of Two Harbors Series D Preferred Stock shall not be added to Two Harbors' total liabilities.

The description of Two Harbors Series D Preferred Stock included in this section applies equally to Two Harbors Series E Preferred Stock, the liquidation preference of which is the same as the Series D Liquidation Preference.

Voting Rights

If six quarterly dividends, whether or not consecutive, payable on Two Harbors Series D Preferred Stock, or any parity shares, are in arrears, whether or not earned or declared, the number of directors then constituting the Two Harbors Board will automatically be increased by two, and the holders of shares of Two Harbors Series D Preferred Stock and any other parity shares upon which like voting rights have been conferred and are exercisable, voting together as a single class, which are referred to as the voting preferred shares, will have the right to elect two additional directors to serve on the Two Harbors Board. This voting right will be applicable to any annual meeting or special meeting of Two Harbors stockholders, or a properly called special meeting called by the holders of record of at least 25% of the outstanding shares of Two Harbors Series D Preferred Stock or by the holders of any other class or series of voting preferred shares, until all the delinquent dividends on the voting preferred shares have been paid and dividends for the then current dividend period have been paid or declared and a sum sufficient and set aside for payment. At such time as all delinquent dividends have been fully paid or a sum sufficient set apart for payment, the terms of the two additional directors elected by the holders of Two Harbors Series D Preferred Stock and any voting preferred stock shall immediately terminate and the number of directors constituting the Two Harbors Board shall be reduced accordingly.

Table of Contents

The approval by the affirmative vote of at least 66²/₃% of the votes entitled to be cast by the holders of the outstanding shares of Two Harbors Series D Preferred Stock and any voting preferred shares similarly affected, voting together as a single class, is required in order to:

amend the Two Harbors Charter, whether by merger or otherwise, to affect materially and adversely the rights, preferences or voting power of the holders of Two Harbors Series D Preferred Stock and any applicable voting preferred shares; or

authorize, reclassify, create or increase the authorized amount of any class of stock having rights senior to Two Harbors Series D Preferred Stock and any applicable voting preferred shares with respect to the payment of dividends or amounts upon the liquidation, dissolution or winding up of Two Harbors, or create or authorize or issue any obligation or security convertible into or evidencing the right to purchase such shares.

Two Harbors may, however, increase the authorized number of shares of Two Harbors Common Stock and may create additional classes of parity shares and junior shares, increase the authorized number of shares of parity shares and junior shares and issue additional series of parity shares and junior shares, all without the consent of any holder of Two Harbors Series D Preferred Stock.

Except as set forth above, the holders of Two Harbors Series D Preferred Stock will not be entitled to vote on any merger or consolidation involving Two Harbors or a sale, lease or transfer of all or substantially all of Two Harbors' assets. See "Conversion Price Adjustments" below.

The description of Two Harbors Series D Preferred Stock included in this section applies equally to Two Harbors Series E Preferred Stock.

Conversion Rights

Upon the occurrence of a change of control, each holder of Two Harbors Series D Preferred Stock will have the right, unless, prior to the Change of Control Conversion Date (as defined below), Two Harbors has provided or provides notice of Two Harbors' election to redeem some or all of the shares of Two Harbors Series D Preferred Stock, to convert some or all of the shares of Two Harbors Series D Preferred Stock held by such holder on a business day selected by Two Harbors that is neither fewer than 20 days nor more than 35 days after the date on which it provides the notice (the "Change of Control Conversion Date") into a number of shares of Two Harbors Common Stock per share of Two Harbors Series D Preferred Stock to be converted, equal to the lesser of:

the quotient obtained by dividing (i) the sum of the \$25.00 liquidation preference per share plus the amount of any accrued and unpaid dividends (whether or not declared) to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a record date for Two Harbors Series D Preferred Stock dividend payment and prior to the corresponding Two Harbors Series D Preferred Stock dividend payment date, in which case no additional amount for such accrued and unpaid dividend will be included in this sum) by (ii) the Common Stock Price (as defined below); and

the share cap, which, subject to certain adjustments, is equal to (A) 3.5211, multiplied by (B) a fraction in which (i) the numerator is equal to the sum of (x) the Per Share Cash Consideration and (y) the product of (1) the Exchange Ratio and (2) the Two Harbors Common Stock price as of the date of Closing (using the average of the closing sale prices per share for the ten consecutive trading days immediately preceding, but not including, the date of Closing) and (ii) the denominator is the Two Harbors Common Stock price as of the date of Closing (using the average of the closing sale prices per share for the ten consecutive trading days immediately preceding, but not including, the date of Closing) (the "Share Cap Fraction");

Table of Contents

subject, in each case, to provisions for the receipt of alternative consideration as described in the articles supplementary relating to the Two Harbors Series D Preferred Stock.

The "Common Stock Price" is (i) if the consideration to be received in the change of control by the holders of Two Harbors Common Stock is solely cash, the amount of cash consideration per share of Two Harbors Common Stock or (ii) if the consideration to be received in the change of control by holders of Two Harbors Common Stock is other than solely cash (x) the average of the closing sale prices per share of Two Harbors Common Stock (or, if no closing sale price is reported, the average of the closing bid and ask prices per share or, if more than one in either case, the average of the average closing bid and the average closing ask prices per share) for the ten consecutive trading days immediately preceding, but not including, the date on which such change of control occurred as reported on the principal U.S. securities exchange on which Two Harbors Common Stock is then traded, or (y) the average of the last quoted bid prices for Two Harbors Common Stock in the over-the-counter market as reported by Pink OTC Markets Inc. or similar organization for the ten consecutive trading days immediately preceding, but not including, the date on which such change of control occurred, if Two Harbors Common Stock is not then listed for trading on a U.S. securities exchange.

If, prior to the Change of Control Conversion Date, Two Harbors has provided or provides a redemption notice, whether pursuant to Two Harbors' special optional redemption right in connection with a change of control or Two Harbors' optional redemption right, holders of Two Harbors Series D Preferred Stock will not have any right to convert such shares of Two Harbors Series D Preferred Stock in connection with the change of control and any shares of Two Harbors Series D Preferred Stock selected for redemption, even if such shares have been tendered for conversion will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date.

Except as provided above in connection with a change of control, the Two Harbors Series D Preferred Stock is not convertible into or exchangeable for any other securities or property.

The description of Two Harbors Series D Preferred Stock included in this section applies equally to Two Harbors Series E Preferred Stock, except that the share cap for Two Harbors Series E Preferred Stock is subject to certain adjustments, equal to (A) 4.10846, multiplied by (B) the Share Cap Fraction.

Power to Reclassify the Unissued Shares of Two Harbors Common Stock or Two Harbors Preferred Stock

The Two Harbors Charter authorizes the Two Harbors Board to classify and reclassify any unissued shares of Two Harbors Common Stock or Two Harbors preferred stock into other classes or series of shares and to establish the number of shares in each class or series and to set the preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption for each such class or series.

Power to Increase or Decrease Authorized Shares of Two Harbors Common Stock and Issue Additional Shares of Two Harbors Common Stock and Two Harbors Preferred Stock

The Two Harbors Board may amend the Two Harbors Charter from time to time to increase or decrease the aggregate number of shares of stock or the number of shares of stock of any class or series that Two Harbors has the authority to issue, without stockholder approval.

Certain Provisions of the MGCL, the Two Harbors Charter and the Two Harbors Bylaws

In addition to the ownership limits, certain provisions of the Two Harbors Charter and the Two Harbors Bylaws may delay, defer or prevent a change of control or other transaction in which holders of some, or a majority, of shares of Two Harbors Common Stock might receive a premium for their

Table of Contents

shares over the then prevailing market price of those shares or which such holders might believe to be otherwise in their best interests. The following paragraphs summarize a number of these provisions, as well as selected provisions of the MGCL.

The Two Harbors Board of Directors

The Two Harbors Charter and the Two Harbors Bylaws provide that the number of directors of Two Harbors may be established by the Two Harbors Board, but may not be fewer than the minimum number required by the MGCL nor more than fifteen. Currently, Two Harbors has nine directors. The Two Harbors Charter and the Two Harbors Bylaws provide that any vacancy, including a vacancy created by an increase in the number of directors, may be filled only by a majority of the remaining directors, even if the remaining directors do not constitute a quorum. Any individual elected to fill such vacancy will serve for the remainder of the full term and until a successor is duly elected and qualifies.

Pursuant to the Two Harbors Bylaws, each of Two Harbors' directors will be elected by the holders of Two Harbors Common Stock to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies under Maryland law. Holders of Two Harbors Common Stock will have no right to cumulative voting in the election of directors. Directors will be elected by a majority of all the votes cast at a meeting of stockholders duly called and at which a quorum is present; provided, however, that if on the record date for such meeting the number of director nominees exceeds the number of directors to be elected, then a plurality of all the votes cast at a meeting of stockholders duly called and at which a quorum is present will be sufficient to elect a director. If the directors are to be elected by a plurality of the votes cast, the stockholders shall not be permitted to vote against a nominee.

Removal of Directors

The Two Harbors Charter provides that, subject to the rights of holders of one or more classes or series of Two Harbors preferred stock to elect or remove one or more directors, any director or the entire Two Harbors Board may be removed with or without cause by the holders of shares entitled to cast two-thirds of the votes entitled to be cast generally in the election of directors, and that the Two Harbors Board has the exclusive power to fill vacant directorships, even if the remaining directors do not constitute a quorum. These provisions may preclude stockholders from removing incumbent directors and filling the vacancies created by such removal with their own nominees.

Business Combinations

Under provisions of the MGCL, certain "business combinations" (including a merger, consolidation, share exchange or, in certain circumstances specified under the statute, an asset transfer or issuance or reclassification of equity securities) between a Maryland corporation and an interested stockholder or an affiliate of an interested stockholder, are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. Maryland law defines an interested stockholder as:

any person who beneficially owns, directly or indirectly, 10% or more of the voting power of the corporation's outstanding voting shares; or

an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner, directly or indirectly, of 10% or more of the voting power of the then-outstanding voting shares of the corporation.

A person is not an interested stockholder under the statute if the board of a Maryland corporation approves in advance the transaction by which the person otherwise would have become an interested stockholder. In approving a transaction, however, the board of a Maryland corporation may provide that its approval is subject to compliance at or after the time of the approval, with any terms and conditions determined by the board.

Table of Contents

After the five-year prohibition, any business combination between the corporation and an interested stockholder generally must be recommended by the board of directors and approved by the affirmative vote of at least:

80% of the votes entitled to be cast by holders of outstanding voting shares of the corporation; and

two-thirds of the votes entitled to be cast by holders of voting shares of the corporation other than shares held by the interested stockholder with whom (or with whose affiliate) the business combination is to be effected or shares held by an affiliate or associate of the interested stockholder.

These supermajority vote requirements do not apply if the corporation's common stockholders receive a minimum price, as defined under the MGCL, for their shares in the form of cash or other consideration in the same form as previously paid by the interested stockholder for its shares. The statute provides various exemptions from its provisions, including for business combinations that are exempted by the board of directors before the time that the interested stockholder becomes an interested stockholder. The Two Harbors Board has opted out of these provisions with respect to the Merger. The Two Harbors Board has also elected to exempt under the statute any business combinations between Two Harbors and Pine River or any of its affiliates. With the exception of the foregoing, the Two Harbors Board has otherwise not opted out of the business combination provisions of the MGCL, and consequently, the five-year prohibition and the supermajority vote requirements will apply to business combinations between Two Harbors and any interested stockholder.

Two Harbors is subject to the business combination provisions described above. However, the Two Harbors Board may elect to opt out of the business combination provisions at any time.

Control Share Acquisitions

Maryland law provides that holders of "control shares" of a Maryland corporation acquired in a "control share acquisition" have no voting rights with respect to the control shares except to the extent approved at a special meeting of stockholders by the affirmative vote of two-thirds of the votes entitled to be cast on the matter. Shares owned by the acquirer, by officers or by employees who are directors of the corporation are excluded from shares entitled to vote on the matter. Control shares are voting shares of stock which, if aggregated with all other shares of stock owned by the acquirer or in respect of which the acquirer is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquirer to, directly or indirectly, exercise voting power in electing directors within one of the following ranges of voting power:

one-tenth or more but less than one-third;

one-third or more but less than a majority; or

a majority or more of all voting power.

Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained stockholder approval. A "control share acquisition" means the acquisition, directly or indirectly, of ownership of, or the power to direct the exercise of voting power with respect to, issued and outstanding control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition, upon satisfaction of certain conditions (including an undertaking to pay expenses and making an "acquiring person statement" as described in the MGCL), may compel the Two Harbors Board to call a special meeting of stockholders to be held within 50 days of demand to consider the voting rights of the control shares. If no request for a special meeting is made, Two Harbors may present the question at any stockholders meeting.

Table of Contents

If voting rights of control shares are not approved at the meeting or if the acquiring person does not deliver an "acquiring person statement" as required by Maryland law, then, subject to certain conditions and limitations, the corporation may redeem any or all of the control shares (except those for which voting rights have previously been approved) for fair value. Fair value is determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquirer or, if a meeting of stockholders at which the voting rights of such shares are considered and not approved, as of the date of such meeting. If voting rights for control shares are approved at a stockholders meeting and the acquirer becomes entitled to vote a majority of the shares entitled to vote, all other stockholders may exercise appraisal rights, unless appraisal rights are eliminated under the charter. The control share acquisition statute does not apply (1) to shares acquired in a merger, consolidation or share exchange if Two Harbors is a party to the transaction or (2) to acquisitions approved or exempted by the charter or bylaws of the corporation.

The Two Harbors Bylaws contain a provision that exempts from the control share acquisition statute any and all acquisitions by any person of shares of Two Harbors stock. This provision may be amended or eliminated at any time in the future.

Subtitle 8 of Title 3 of the Maryland General Corporation Law

Subtitle 8 of Title 3 of the MGCL ("Section 8") permits a Maryland corporation with a class of equity securities registered under the Exchange Act and at least three independent directors to elect to be subject, by provision in its charter or bylaws or a resolution of its board of directors and notwithstanding any contrary provision in the charter or bylaws, to any or all of the following five provisions:

a classified board;

a two-thirds stockholder vote requirement for removing a director;

a requirement that the number of directors be fixed only by vote of the directors;

a requirement that a vacancy on the board be filled only by the remaining directors, and that any director elected to fill such vacancy serve for the remainder of the full term of the class of directors in which the vacancy occurred; and

a requirement that requires the secretary of the corporation call a special meeting of stockholders at the request of the holders of at least a majority of all votes entitled to be cast to call a special meeting of stockholders.

Pursuant to provisions in the Two Harbors Charter and the Two Harbors Bylaws unrelated to Subtitle 8, Two Harbors currently (1) requires the affirmative vote of the holders of not less than two-thirds of all of the votes entitled to be cast generally in the election of directors for the removal of any director, (2) requires, unless called by the Chairman of the Two Harbors Board, the President or Chief Executive Officer or the Two Harbors Board, the written request of stockholders entitled to cast a majority of all votes entitled to be cast at such meeting to call a special meeting, and (3) requires that the number of directors be fixed only by the vote of a majority of the entire Two Harbors Board. In addition, Two Harbors has affirmatively opted into the provision of Subtitle 8 providing that directors have the exclusive right to fill vacancies on the Two Harbors Board and, therefore, pursuant to provisions in the MGCL, stockholders will not have the authority to fill vacancies on the Two Harbors Board.

Amendment of the Two Harbors Charter and the Two Harbors Bylaws and Approval of Extraordinary Transactions

Under Maryland law, a Maryland corporation generally cannot amend its charter or merge with another entity unless declared advisable by the board of directors and approved by the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter unless a lesser percentage, but not less than a majority of all of the votes entitled to be cast on the matter, is set forth in the corporation's charter. The Two Harbors Charter provides that such actions (other than certain amendments to the provisions of the Two Harbors Charter related to the removal of directors, the restrictions on ownership and transfer of Two Harbors shares and the amendment of such provisions) may be taken if declared advisable by the Two Harbors Board and approved by the vote of stockholders holding a majority of the votes entitled to be cast on the matter.

Two Harbors Bylaws may be altered, amended or repealed, and new bylaws adopted, by the vote of the Two Harbors Board or by the stockholders by the affirmative vote of a majority of all the votes entitled to be cast on the matter.

Stockholder Action by Written Consent

The MGCL generally provides that, unless the charter of the corporation authorizes stockholder action by less than unanimous consent, stockholder action may be taken by consent in lieu of a meeting only if it is given in writing or by electronic transmission by all stockholders entitled to vote on the matter. The Two Harbors Charter authorizes and the Two Harbors Bylaws provide that stockholder action may be taken without a meeting if such action is advised, and submitted to the stockholders for approval, by the Two Harbors Board, and a consent, setting forth the action is given, in writing or by electronic transmission, by stockholders entitled to cast not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of stockholders is delivered to Two Harbors in accordance with the MGCL.

Meetings of Stockholders

Under the Two Harbors Bylaws, annual meetings of stockholders will be held each year at a date and time as determined by the Two Harbors Board. Special meetings of stockholders may be called only by the Two Harbors Board, by the Chairman of the Two Harbors Board, Two Harbors' President or Two Harbors' Chief Executive Officer. Additionally, subject to the provisions of the Two Harbors Bylaws, a special meeting of stockholders will be called by Two Harbors' Secretary upon the written request of stockholders entitled to cast at least a majority of the votes entitled to be cast at such meeting. Only matters set forth in the notice of the special meeting may be considered and acted upon at such a meeting.

Advance Notice of Director Nominations and New Business

Two Harbors Bylaws provide that, with respect to an annual meeting of stockholders, nominations of persons for election to the Two Harbors Board and the proposal of business to be considered by stockholders at the annual meeting may be made only:

pursuant to Two Harbors' notice of the meeting;

by or at the direction of the Two Harbors Board; or

by a stockholder who was a stockholder of record both at the time of giving of the notice of the meeting and at the time of the annual meeting, who is entitled to vote at the meeting in the election of each individual so nominated and who has complied with the advance notice procedures set forth in the Two Harbors Bylaws.

Table of Contents

The Two Harbors Bylaws provide that only the business specified in the notice of the meeting may be brought before a special meeting of Two Harbors stockholders. Nominations of individuals for election as directors at a special meeting of stockholders at which directors are to be elected may be made only:

by or at the direction of the Two Harbors Board; or

if the special meeting has been called in accordance with the Two Harbors Bylaws for the purpose of electing directors, by a stockholder who is a stockholder of record both at the time of provision of notice and at the time of the special meeting, who is entitled to vote at the meeting in the election of each individual so nominated and who has complied with the advance notice procedures set forth in the Two Harbors Bylaws.

The purpose of requiring stockholders to give advance notice of nominations and other proposals is to afford the Two Harbors Board the opportunity to consider the qualifications of the proposed nominees or the advisability of the other proposals and, to the extent considered necessary by the Two Harbors Board, to inform stockholders and make recommendations regarding the nominations or other proposals. The advance notice provisions also enable a more orderly procedure for conducting Two Harbors stockholder meetings. Although the Two Harbors Bylaws do not give the Two Harbors Board the power to disapprove timely stockholder nominations and proposals, the Two Harbors Bylaws may have the effect of precluding a contest for the election of directors or proposals for other action if the proper procedures are not followed, and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of directors to the Two Harbors Board or to approve its own proposal.

Anti-takeover Effect of Certain Provisions of Maryland Law, the Two Harbors Charter and the Two Harbors Bylaws

The provisions of the Two Harbors Charter on removal of directors and the advance notice provisions of the Two Harbors Bylaws could delay, defer or prevent a transaction or a change in control of Two Harbors that might involve a premium price for holders of Two Harbors Common Stock or otherwise be in the best interests of Two Harbors stockholders. Likewise, because the Two Harbors Board has not opted out of the business combination provisions of the MGCL or the provisions of Subtitle 8 of Title 3 of the MGCL, these provisions of the MGCL could have similar anti-takeover effects.

Indemnification and Limitation of Directors' and Officers' Liability

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from actual receipt of an improper benefit or profit in money, property or services or active and deliberate dishonesty established by a final judgment as being material to the cause of action. The Two Harbors Charter contains such a provision that eliminates such liability to the maximum extent permitted by Maryland law.

The MGCL requires Two Harbors (unless the Two Harbors Charter provides otherwise, which it does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. The MGCL permits Two Harbors to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to or in which they may be made or threatened to be made

Table of Contents

a party or witness by reason of their service in those or certain other capacities unless it is established that:

the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

The MGCL prohibits Two Harbors from indemnifying a director or officer who has been adjudged liable in a suit by Two Harbors or on its behalf or in which the director or officer was adjudged liable on the basis that a personal benefit was improperly received. A court may order indemnification if it determines that the director or officer is fairly and reasonably entitled to indemnification, even though the director or officer did not meet the prescribed standard of conduct or was adjudged liable on the basis that personal benefit was improperly received; however, indemnification for an adverse judgment in a suit by Two Harbors or on its behalf, or for a judgment of liability on the basis that personal benefit was improperly received, is limited to expenses.

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

a written affirmation by such director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation; and

a written undertaking by such director or officer or on such director's or officer's behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the director did not meet the standard of conduct.

To the maximum extent permitted by Maryland law, the Two Harbors Charter authorizes Two Harbors to indemnify any individual who serves or has served, and the Two Harbors Bylaws obligate Two Harbors to indemnify any individual who is made or threatened to be made a party to a proceeding by reason of his or her service:

as a director or officer of Two Harbors; or

while a director or officer of Two Harbors and at Two Harbors' request, as a director, officer, partner, manager, member or trustee of another corporation, real estate investment trust, partnership, joint venture, limited liability company, trust, employee benefit plan or other enterprise,

in each case, from and against any claim or liability to which he or she may become subject or that he or she may incur by reason of his or her service in any of these capacities, and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding. The Two Harbors Charter and the Two Harbors Bylaws also permit Two Harbors to indemnify and advance expenses to any individual who served any of Two Harbors' predecessors in any of the capacities described above and any employee or agent of Two Harbors or any of Two Harbors' predecessors.

In addition, Two Harbors has entered into indemnification agreements with each of Two Harbors' directors and executive officers that provide for indemnification to the maximum extent permitted by Maryland law.

Exclusive Forum

The Two Harbors Bylaws provide that, unless Two Harbors consents in writing to the selection of an alternative forum, the Circuit Court for Baltimore City, Maryland, or, if that court does not have jurisdiction, the U.S. District Court for the District of Maryland, Baltimore Division, will be the sole and exclusive forum for (a) any derivative action or proceeding brought on Two Harbors' behalf, (b) any action asserting a claim of breach of any duty owed by any of Two Harbors' directors, officers or other employees to Two Harbors or to its stockholders, (c) any action asserting a claim against Two Harbors or any of Two Harbors' directors, officers or other employees arising pursuant to any provision of the MGCL or the Two Harbors Charter or the Two Harbors Bylaws or (d) any action asserting a claim against Two Harbors or any of Two Harbors' directors, officers or other employees that is governed by the internal affairs doctrine.

Restrictions on Ownership and Transfer

In order to qualify to be taxed as a REIT under the Code, Two Harbors shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months (other than the first year for which an election to be taxed as a REIT has been made) or during a proportionate part of a shorter taxable year. Also, no more than 50% of the value of Two Harbors' outstanding shares (after taking into account options to acquire common shares) may be owned, directly, indirectly, or through attribution, by five or fewer individuals (as defined in the Code to include certain entities) at any time during the last half of a taxable year (other than the first year for which an election to be a REIT has been made).

Because the Two Harbors Board believes that it is essential for Two Harbors to qualify as a REIT, the Two Harbors Charter, subject to certain exceptions, contains restrictions on the number of Two Harbors stock that a person may own.

In order to assist Two Harbors in complying with the limitations on the concentration of ownership of Two Harbors shares imposed by the Code, the Two Harbors Charter generally prohibits any person (other than a person who has been granted an exception) from directly or indirectly, beneficially or constructively, owning more than 9.8% of the aggregate of the outstanding shares of Two Harbors Common Stock, by value or by number of shares, whichever is more restrictive, or 9.8% of the aggregate of the outstanding shares of capital stock Two Harbors, by value or by number of shares, whichever is more restrictive. However, the Two Harbors Charter permits (but does not require) exceptions to be made for stockholders, provided that the Two Harbors Board determines that such exceptions will not jeopardize Two Harbors' qualification as a REIT subject to certain determinations by the Two Harbors Board.

The Two Harbors Charter also prohibits any person from (1) beneficially or constructively owning Two Harbors stock that would result in Two Harbors being "closely held" under Section 856(h) of the Code, (2) transferring Two Harbors stock if such transfer would result in Two Harbors capital stock being beneficially owned by fewer than 100 persons (determined without regard to any rules of attribution), (3) beneficially or constructively owning Two Harbors stock that would cause Two Harbors otherwise to fail to qualify as a REIT, including, but not limited to, beneficial or constructive ownership that would result in Two Harbors owning (actually or constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income derived by Two Harbors could cause it to fail to satisfy any of the gross income requirements of Section 856(c) of the Code. Any person who acquires or attempts or intends to acquire beneficial or constructive ownership of Two Harbors capital stock that will or may violate any of the foregoing restrictions on transferability and ownership will be required to give notice immediately to Two Harbors or, in the case of a proposed or attempted transfer, give at least 15 days prior written notice, and provide Two Harbors with such other information as Two Harbors may request in order to determine the effect of such transfers on Two

Table of Contents

Harbors' qualification as a REIT. The foregoing restrictions on transferability and ownership will not apply if the Two Harbors Board determines that it is no longer in Two Harbors' best interest to attempt to qualify, or to qualify, or to continue to qualify, as a REIT. In addition, the Two Harbors Board may determine that compliance with the foregoing restrictions is no longer required for Two Harbors' qualification as a REIT.

The Two Harbors Board, in its sole discretion, may waive (prospectively or retroactively) the 9.8% ownership limit for Two Harbors Common Stock or Two Harbors capital stock for a person if such stockholder provides information and makes representations to the Two Harbors Board that are satisfactory to the Two Harbors Board, in its reasonable discretion, to establish that such person's ownership in excess of the 9.8% limit for Two Harbors Common Stock or Two Harbors capital stock would not jeopardize Two Harbors' qualification as a REIT. As a condition of granting the waiver, the Two Harbors Board, in its sole discretion, may require a ruling from the IRS, or an opinion of counsel in either case in form and substance satisfactory to the Two Harbors Board in order to determine or ensure Two Harbors' qualification as a REIT.

In addition, the Two Harbors Board from time to time may increase the stock ownership limits. However, the stock ownership limits may not be increased if, after giving effect to such increase, five or fewer persons could own or constructively own in the aggregate, more than 49.9% in value of the shares of Two Harbors capital stock then outstanding.

If any transfer of Two Harbors shares occurs which, if effective, would result in any person beneficially or constructively owning shares in excess, or in violation, of the above transfer or ownership limitations, known as a prohibited owner, then that number of shares, the beneficial or constructive ownership of which otherwise would cause such person to violate the transfer or ownership limitations (rounded up to the nearest whole share), will be automatically transferred to a trust for the exclusive benefit of a charitable beneficiary or beneficiaries, and the prohibited owner will not acquire any rights in such shares. This automatic transfer will be considered effective as of the close of business on the business day before the violative transfer. If the transfer to the trust would not be effective for any reason to prevent the violation of the above transfer or ownership limitations, then the transfer of that number of shares that otherwise would cause any person to violate the above limitations will be void. Two Harbors stock held in the trust will continue to constitute issued and outstanding shares. The prohibited owner will not benefit economically from ownership of any stock held in the trust, will have no rights to dividends or other distributions and will not possess any rights to vote or other rights attributable to the stocks held in the trust. The trustee of the trust will be appointed by Two Harbors and must be unaffiliated with Two Harbors or any prohibited owner and will have all voting rights and rights to dividends or other distributions with respect to stock held in the trust, and these rights will be exercised for the exclusive benefit of the charitable beneficiary. Any dividend or other distribution paid before Two Harbors' discovery that shares have been transferred to the trustee will be paid by the recipient of such dividend or distribution to the trustee upon demand, and any dividend or other distribution authorized but unpaid will be paid when due to the trustee. Any dividend or distribution so paid to the trustee will be held in trust for the trust's charitable beneficiary. Subject to Maryland law, effective as of the date that such shares have been transferred to the trust, the trustee, in its sole discretion, will have the authority to:

rescind as void any vote cast by a prohibited owner prior to Two Harbors' discovery that such shares have been transferred to the trust; and

recast such vote in accordance with the desires of the trustee acting for the benefit of the trust's charitable beneficiary.

However, if Two Harbors has already taken irreversible corporate action, then the trustee will not have the authority to rescind and recast such vote.

Table of Contents

Within 20 days of receiving notice from Two Harbors that the stock has been transferred to the trust, and unless Two Harbors buys the stock first as described below, the trustee will sell the stock held in the charitable trust to a person, designated by the trustee, whose ownership of the stock will not violate the stock ownership limits in the Two Harbors Charter. Upon the sale, the interest of the charitable beneficiary in the stock sold will terminate and the trustee will distribute the net proceeds of the sale to the prohibited owner and to the charitable beneficiary. The prohibited owner will receive the lesser of:

the price paid by the prohibited owner for the stock or, if the prohibited owner did not give value for the stock in connection with the event causing the stock to be held in the trust (for example, in the case of a gift or devise), the market price of the stock on the day of the event causing the stock to be held in the trust; and

the price per share received by the trustee from the sale or other disposition of the stock held in the trust (less any commission and other expenses of a sale).

The trustee may reduce the amount payable to the prohibited owner by the amount of dividends and distributions paid to the prohibited owner and owed by the prohibited owner to the trustee. Any net sale proceeds in excess of the amount payable to the prohibited owner will be paid immediately to the charitable beneficiary. If, before Two Harbors' discovery that Two Harbors stock has been transferred to the trust, the stock is sold by a prohibited owner, then:

the stock will be deemed to have been sold on behalf of the trust; and

to the extent that the prohibited owner received an amount for the stock that exceeds the amount that the prohibited owner was entitled to receive as described above, the excess must be paid to the trustee upon demand.

In addition, stock held in the trust will be deemed to have been offered for sale to Two Harbors, or Two Harbors' designee, at a price per share equal to the lesser of:

the price per share in the transaction that resulted in such transfer to the trust (or, in the case of a gift or devise, the market price at the time of the gift or devise); and

the market price on the date Two Harbors, or Two Harbors' designee, accepts such offer.

Two Harbors may reduce the amount payable to the prohibited owner by the amount of dividends and distributions paid to the prohibited owner and owed by the prohibited owner to the trustee. Two Harbors may pay the amount of such reduction to the trustee for the benefit of the charitable beneficiary. Two Harbors will have the right to accept the offer until the trustee has sold the stock held in the trust. Upon such a sale to Two Harbors, the interest of the charitable beneficiary in the stock sold will terminate and the trustee will distribute the net proceeds of the sale to the prohibited owner and any dividends or other distributions held by the trustee will be paid to the charitable beneficiary.

All certificates representing Two Harbors stock will bear a legend referring to the restrictions described above.

Every stockholder of record of 5% or more (or such lower percentage as required by the Code or the regulations promulgated thereunder) in value of the outstanding shares will be required to give written notice to Two Harbors within 30 days after the end of each taxable year stating the name and address of each actual owner, the number of shares of each class and series of stock that the each actual owner beneficially owns and a description of the manner in which such shares are held. Each such stockholder will provide to Two Harbors such additional information as Two Harbors may request in order to determine the effect, if any, of such beneficial ownership on Two Harbors' status as a REIT and to ensure compliance with the ownership limitations. In addition, each stockholder will upon demand be required to provide to Two Harbors such information as Two Harbors may request, in good

Table of Contents

faith, in order to determine Two Harbors' status as a REIT and to comply with the requirements of any taxing authority or governmental authority or to determine such compliance.

These stock ownership limitations could delay, deter or prevent a transaction or a change in control that might involve a premium price for holders of Two Harbors Common Stock or might otherwise be in the best interest of Two Harbors stockholders.

REIT Qualification

The Two Harbors Charter provides that the Two Harbors Board may revoke or otherwise terminate Two Harbors' REIT election, without approval of Two Harbors stockholders, if Two Harbors determines that it is no longer in Two Harbors' best interests to attempt to qualify, or to continue to qualify, as a REIT.

Currently, the CYS Board consists of six directors.

Election of Directors

The Two Harbors Bylaws provide that directors must receive a majority of all votes at a meeting of stockholders duly called and at which a quorum is present in order to be elected; provided, however, that if the number of director nominees at the record date for such meeting exceeds the number of directors to be elected, then a plurality of all the votes cast at a meeting of common stockholders duly called and at which a quorum is present will be sufficient.

The CYS Bylaws provide that directors must receive a plurality of all the votes cast at a meeting of stockholders duly called and at which a quorum is present in order to be elected.

Removal of Directors

Subject to the rights of holders of one or more classes of preferred stock to elect or remove a director, any director or the entire Two Harbors Board may be removed at any time, with or without cause, by the affirmative vote of the holders of shares entitled to cast at least two-thirds of the votes entitled to be cast generally in the election of directors.

Subject to the rights of holders of one or more classes of preferred stock to elect or remove a director, any director or the entire CYS Board may be removed from office at any time, but only for cause and then only by the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors. "Cause" means, with respect to any particular director, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such director caused demonstrable, material harm to CYS through bad faith or active and deliberate dishonesty.

DESCRIPTION OF POLICIES OF TWO HARBORS

The following is a discussion of Two Harbors' investment policies and its policies with respect to certain other activities, including financing matters and conflicts of interest. These policies may be amended or revised from time to time at the discretion of the Two Harbors Board without stockholder approval. No assurance can be given that Two Harbors' investment objectives will be attained. Since it entered into the Merger Agreement, Two Harbors' ability to pursue and implement certain of the objectives and policies described below have been constrained by the restrictions contained in the covenants of the Merger Agreement. See "The Merger Agreement Conduct of Business by Two Harbors Pending the Merger" beginning on page 135.

Investments Guidelines and Strategy

Two Harbors' investment objective is to provide attractive risk-adjusted total return to its stockholders over the long-term, primarily through dividends and secondarily through capital appreciation. It intends to achieve this objective by constructing a well-balanced portfolio consisting of Agency residential mortgage-backed security, non-Agency securities, mortgage servicing rights and other financial assets, with a focus on managing various associated risks, including interest rate, prepayment, credit, mortgage spread and financing risk. The preservation of book value is of paramount importance to Two Harbors' ability to generate total return on an ongoing basis. Consistent with the objective of achieving attractive risk-adjusted total return over various market cycles, Two Harbors intends to maintain a balanced approach to these various risks.

Two Harbors makes investment decisions based on a rigorous asset selection process that takes into consideration a variety of factors, including expected cash yield, risk-adjusted returns, current and projected credit fundamentals, current and projected macroeconomic considerations, current and projected supply and demand, credit and market risk concentration limits, liquidity, cost of financing and financing availability. It is Two Harbors' intention to select its assets in such a way as to maintain its REIT qualification and exemption from registration under the 1940 Act.

The Two Harbors Board has approved the following investment guidelines:

no investment shall be made that would cause Two Harbors to fail to qualify as a REIT for U.S. federal income tax purposes

no investment shall be made that would cause Two Harbors to be regulated as an investment company under the 1940 Act;

Two Harbors will primarily invest within its target assets, consisting primarily of Agency RMBS, non-Agency securities, residential mortgage loans, mortgage servicing rights and commercial real estate assets, inclusive of commercial real estate loans, commercial real property, CMBS, commercial corporate debt and loans and other commercial real estate-related investments in the U.S.;

approximately 5% to 10% of Two Harbors' portfolio may include other financial assets; and

until appropriate investments can be identified, Two Harbors may invest available cash in interest-bearing and short-term investments that are consistent with (i) its intention to qualify as a REIT and (ii) its exemption from registration under the 1940 Act.

Table of Contents

Within the constraints of the foregoing investment guidelines, Two Harbors has broad authority to select, finance and manage its investment portfolio. As a general matter, Two Harbors' investment strategy is designed to enable it to:

build an investment portfolio consisting of Agency RMBS, non-Agency securities, mortgage servicing rights and other financial assets that will generate attractive returns while having a moderate risk profile;

manage financing, interest, prepayment rate, credit and similar risks;

capitalize on discrepancies in the relative valuations in the mortgage and housing markets; and

provide regular quarterly dividend distributions to stockholders.

Two Harbors' senior management makes determinations as to the percentage of Two Harbors' assets that will be invested in each of Two Harbors' target assets. Investment decisions depend on prevailing market conditions and may change over time in response to opportunities available in different interest rate, economic and credit environments. As a result, Two Harbors cannot predict with certainty the percentage of its assets that will be invested in any of Two Harbors' target asset classes at any given time. Two Harbors believes the diversification of its portfolio of assets and the flexibility of its strategy, combined with the expertise of its external manager and its affiliates, will enable it to achieve attractive risk-adjusted total return under a variety of market conditions and economic cycles.

Two Harbors investment guidelines may be changed from time to time by Two Harbors' Board in its discretion without the approval of Two Harbors stockholders.

Purchase and Sale of Investments

Two Harbors' investment model allows it to allocate capital across various sectors within the mortgage market, with a focus on asset selection and the implementation of a relative value investment approach. Two Harbors' capital allocation decisions factor in the opportunities in the marketplace, the cost of financing and the cost of hedging interest rate, prepayment, credit and other portfolio risks. As a result, allocation among Two Harbors' target assets reflects its flexible approach to investing in the marketplace, subject to ensuring that Two Harbors' assets are selected in a way as to maintain its REIT qualification and exemption from registration under the 1940 Act.

Financing Strategy

Two Harbors deploys moderate leverage to increase potential returns to its stockholders and to fund the acquisition of its target assets. Two Harbors is not required to maintain any particular leverage ratio. The amount of leverage it deploys for particular investments in its target assets depends upon a variety of factors, including without limitation: general economic, political and financial market conditions; the anticipated liquidity and price volatility of its assets; the gap between the duration of assets and liabilities, including hedges; the availability and cost of financing the assets; its opinion of the credit worthiness of financing counterparties; the health of the U.S. residential mortgage and housing markets; its outlook for the level, slope and volatility of interest rates; the credit quality of the loans underlying its Agency and non-Agency securities; the rating assigned to securities; and its outlook for asset spreads relative to the London Interbank Offered Rate curve.

Two Harbors' primary financing sources for Agency RMBS and non-Agency securities are repurchase agreements and FHLB advances. Repurchase agreements are financings pursuant to which one party, the seller/borrower, sells assets to the repurchase agreement counterparty, the buyer/lender, for an agreed price with the obligation to repurchase the assets from the buyer at a future date and at a price higher than the original purchase price. The amount of financing available under a repurchase agreement is limited to a specified percentage of the estimated market value of the assets. The

Table of Contents

difference between the sale price and repurchase price is the interest expense of financing under a repurchase agreement. Under repurchase agreement financing arrangements, if the value of the collateral decreases, the buyer could require the seller to provide additional cash collateral to re-establish the ratio of value of the collateral to the amount of borrowing (i.e., a margin call). In the current economic climate, lenders under repurchase agreements generally advance approximately 90% to 97% of the market value of the Agency RMBS financed (a discount from market value, generally referred to as a haircut, of 3% to 10%) and 50% to 75% of the market value of the non-Agency securities financed (i.e., a haircut of 25% to 50%).

To finance mortgage servicing rights, Two Harbors enters into repurchase agreements and revolving credit facilities collateralized by the value of the mortgage servicing rights pledged. If the value of the mortgage servicing rights pledged as collateral for these agreements decreases, the respective lender could require Two Harbors to provide additional collateral to re-establish the ratio of value of the collateral to the amount of the debt outstanding. Due to certain GSE requirements, Two Harbors may be restricted as to the frequency in which it is able to pledge additional mortgage servicing rights collateral to counterparties. As a result, it may choose to over-collateralize certain repurchase agreements and revolving credit facilities in order to avoid having to provide cash as additional collateral. Lenders generally advance approximately 60% to 65% of the market value of the mortgage servicing rights financed (i.e., a haircut of 35% to 40%).

A significant decrease in the advance rate or an increase in the haircut could result in Two Harbors having to sell assets in order to meet additional margin requirements by the lender. Two Harbors expects to mitigate its risk of margin calls under repurchase agreements by deploying leverage at an amount that is below what could be used under current advance rates.

In order to reduce Two Harbors' exposure to risks associated with lender counterparty concentration, it generally seeks to diversify its exposure by entering into repurchase agreements with multiple counterparties. At December 31, 2017, Two Harbors had \$19.5 billion of outstanding balances under repurchase agreements with 27 counterparties, with a maximum net exposure (the difference between the amount loaned to Two Harbors, including interest payable, and the value of the assets pledged by Two Harbors as collateral, including accrued interest receivable on such assets) to any single lender of \$275.1 million, or 7.7% of equity.

Two Harbors' wholly owned subsidiary, TH Insurance Holdings Company LLC ("TH Insurance"), is a member of the FHLB. As a member of the FHLB, TH Insurance currently has access to a variety of products and services offered by the FHLB, including secured advances. Eligible collateral may include conventional 1-4 family residential loans, commercial real estate loans, Agency RMBS and non-Agency securities with a rating of A and above.

Two Harbors uses FHLB advances to finance its Agency and non-Agency securities. Similar to repurchase agreements, if the value of Two Harbors' assets pledged to the FHLB as collateral for advances decreases, the FHLB could require Two Harbors to provide additional collateral to re-establish the ratio of value of the collateral to the amount of advances outstanding. The FHLB generally advances approximately 90% to 95% of the market value of the Agency RMBS financed (i.e., a haircut of 5% to 10%) and 85% to 90% of the market value of the non-Agency securities financed (i.e., a haircut of 10% to 15%).

In January 2016, the FHFA released a final rule regarding membership in the Federal Home Loan Bank system. Among other effects, the ruling excludes captive insurers from membership eligibility, including Two Harbors' subsidiary member, TH Insurance. Since TH Insurance was admitted as a member in 2013, it is eligible for a membership grace period that runs through February 19, 2021, during which new advances or renewals that mature beyond the grace period will be prohibited. However, any existing advances that mature beyond this grace period will be permitted to remain in place subject to their terms insofar as TH Insurance maintains good standing with the FHLB. If any

new advances or renewals occur, TH Insurance's outstanding advances will be limited to forty percent of its total assets.

Lending Policies

Two Harbors does not have a policy limiting its ability to make loans to other persons or third parties, although its ability to do so may be limited by applicable law, such as the Sarbanes-Oxley Act of 2002. Subject to tax rules applicable to REITs, Two Harbors may make loans to unaffiliated third parties and, in the past, it operated a commercial real estate lending business through its wholly owned subsidiaries. In November 2017, Two Harbors divested itself of its majority-ownership interests in its commercial real estate lending subsidiaries and currently has no intent to make commercial real estate loans in the future. Two Harbors may choose to and routinely does guarantee debt of its direct and indirect wholly subsidiaries. The Two Harbors Board may adopt a formal lending policy without notice to or consent of Two Harbors stockholders.

Issuance of Additional Securities

If the Two Harbors Board determines that obtaining additional capital would be advantageous to it, Two Harbors may, at any time without stockholder approval and on terms and for such consideration as it deems appropriate, issue shares of common stock or preferred stock, debt or other equity securities, in exchange for cash, stock, real estate assets or other property, or retain earnings (subject to provisions of the Code concerning distribution requirements and taxability of undistributed REIT taxable income). Two Harbors may issue preferred shares from time to time, in one or more classes or series, as authorized by the Two Harbors Board without the need for stockholder approval. Two Harbors has not adopted a specific policy governing the issuance of senior securities.

Share Repurchase Program

Two Harbors' share repurchase program allows for the repurchase of up to an aggregate of 37,500,000 shares of Two Harbors Common Stock. Shares may be repurchased from time to time through privately negotiated transactions or open market transactions, pursuant to a trading plan in accordance with Rules 10b5-1 and 10b-18 under the Exchange Act or by any combination of such methods. The manner, price, number and timing of share repurchases are subject to a variety of factors, including market conditions and applicable SEC rules. The share repurchase program does not require the purchase of any minimum number of shares, and, subject to SEC rules, purchases may be commenced or suspended at any time without prior notice. The share repurchase program does not have an expiration date. At December 31, 2017, a total of 12,067,500 shares had been repurchased under the program.

Reporting Policies

Two Harbors makes available to its stockholders audited annual financial statements and annual reports. Two Harbors is subject to the information reporting requirements of the Exchange Act, pursuant to which it files periodic reports, proxy statements and other information, including audited financial statements, with the SEC.

Policies With Respect to Certain Other Activities

As of the date of this proxy statement/prospectus, Two Harbors does not intend to invest in the securities of other REITs, other entities engaged in real estate activities or securities of other issuers for the purpose of exercising control over such entities, and does not intend to underwrite the securities of other issuers.

Changes in Strategies and Policies

The strategies and policies may be amended or waived at the discretion of the Two Harbors Board without a vote of the Two Harbors stockholders. Two Harbors has no present intention to modify any of these objectives and policies, and it is anticipated that any modification would occur only if business and economic factors affecting Two Harbors make its stated strategies and policies unworkable or imprudent.

MULTIPLE STOCKHOLDERS SHARING ONE ADDRESS

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single annual report or proxy statement, as applicable, addressed to those stockholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for stockholders and cost savings for companies.

Two Harbors and CYS and some brokers may be householding proxy materials by delivering proxy materials to multiple stockholders who request a copy and share an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or Two Harbors or CYS that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker if your shares are held in a brokerage account or, if you are a stockholder of record of Two Harbors or stockholder of record of CYS, notify either Two Harbors' investor relations department at 575 Lexington Avenue, Suite 2930, New York, New York 10022, Tel. (612) 629-2500 or CYS's investor relations department at 500 Totten Pond Road, 6th Floor, Waltham, MA 02451, Tel. (617) 639-0440, as applicable. Two Harbors stockholders or CYS stockholders who share a single address, but receive multiple copies of Two Harbors' or CYS's, as applicable, proxy statement, may request that in the future they receive a single copy by notifying Two Harbors or CYS, as applicable, at the telephone and address set forth in the preceding sentences. In addition, Two Harbors or CYS, as applicable, will promptly deliver, upon written or oral request made to the address or telephone number above, a separate copy of the proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered pursuant to a prior request.

UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS

The following unaudited pro forma condensed combined financial statements as of March 31, 2018 and for the year ended December 31, 2017 and the three months ended March 31, 2018 have been prepared (i) as if the Merger occurred on March 31, 2018 for purposes of the unaudited pro forma condensed combined balance sheet and (ii) as if the Merger occurred on January 1, 2017 for purposes of the unaudited pro forma condensed combined statements of operations for the year ended December 31, 2017 and for the three months ended March 31, 2018. The unaudited pro forma condensed combined financial statements are not necessarily indicative of what the actual financial position and operating results would have been had the Merger occurred on March 31, 2018 or January 1, 2017, respectively, nor do they purport to represent Two Harbors' future financial position or operating results.

The fair value of the assets acquired and the liabilities assumed as a result of the Merger and the related adjustments incorporated into the unaudited pro forma condensed combined financial statements are based on preliminary estimates and information currently available. The amount of equity to be issued in connection with the Merger and the assignment of fair value to the assets and liabilities of CYS has not been finalized and is subject to change. A final determination of fair value and the related allocation of the merger consideration, which cannot be made prior to the completion of the Merger, will be based on the actual market price of Two Harbors Common Stock and the number of shares of CYS Common Stock and CYS Preferred Stock outstanding immediately prior to the effective time of the Merger. Changes in the market price of Two Harbors Common Stock prior to the Merger will affect the market value of the merger consideration that CYS common stockholders will receive on the date of Closing of the Merger. The amount of the equity to be issued in connection with the Merger will be based on the number of CYS Common Stock outstanding immediately prior to the effective date of the Merger, converted pursuant to the Exchange Ratio, and the actual Exchange Ratio will be based on each of the parties' adjusted book value per share as of the Determination Date. The fair value of the assets acquired and liabilities assumed will be based on the actual assets and liabilities of CYS that exist at the effective time of the Merger.

The actual amounts recorded in connection with the Merger may change based on any increases or decreases in the fair value of the assets acquired and liabilities assumed, and may result in variances to the amounts presented in the unaudited pro forma condensed combined financial statements. The assumptions and estimates underlying the adjustments to the unaudited pro forma condensed combined financial statements are described in the accompanying notes to the unaudited pro forma condensed combined financial statements. The adjustments are based on available information and assumptions that management of Two Harbors considered to be reasonable. The unaudited pro forma condensed combined financial statements do not purport to: (1) represent Two Harbors' actual financial position had the Merger occurred on March 31, 2018; (2) represent the results of Two Harbors' operations that would have actually occurred had the Merger occurred on January 1, 2017; or (3) project Two Harbors' financial position or results of operations as of any future date or for any future period, as applicable.

The unaudited pro forma condensed combined financial statements have been developed from, and should be read in conjunction with, the consolidated financial statements of Two Harbors and the accompanying notes thereto included in Two Harbors' Annual Report filed on Form 10-K for the year ended December 31, 2017 and Quarterly Report filed on Form 10-Q for the three months ended March 31, 2018, incorporated herein by reference, (ii) the consolidated financial statements of CYS and the accompanying notes thereto included in CYS's Annual Report filed on Form 10-K for the year ended December 31, 2017, as amended, and Quarterly Report filed on Form 10-Q for the three months ended March 31, 2018, incorporated herein by reference, (iii) the accompanying notes to the unaudited pro forma condensed combined financial statements and (iv) the information relating to Two Harbors and CYS contained in or incorporated by reference into this joint proxy statement/prospectus. In Two Harbors' opinion, all adjustments necessary to reflect the Merger with CYS and the issuance of Two Harbors Common Stock have been made.

Table of Contents**NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL STATEMENTS****(in thousands unless otherwise noted)****1. Overview**

For purposes of the unaudited pro forma condensed combined financial statements, Two Harbors has assumed a total preliminary purchase price for the Merger of approximately \$1.5 billion, which consists primarily of Two Harbors Common Stock issued in exchange for shares of CYS Common Stock. The total preliminary purchase price was calculated based on the closing price of Two Harbors Common Stock on June 13, 2018, which was \$15.76. At the effective time of the Merger, each share of CYS Common Stock, outstanding immediately prior to the effective time of the Merger will be converted into the right to receive (i) 0.4872 of a share of newly issued shares of Two Harbors Common Stock, totaling approximately 75.7 million shares of Two Harbors Common Stock, based on the number of shares of CYS Common Stock outstanding as of March 31, 2018 and an assumed Exchange Ratio of 0.4872 based on the adjusted book value per share of Two Harbors Common Stock and CYS Common Stock as of March 31, 2018, calculated in accordance with the Merger Agreement, and (ii) a Per Share Cash Consideration of \$0.0965. The actual Exchange Ratio will be publicly announced at least five business days before the earlier of the Two Harbors special meeting or the CYS special meeting. In addition, each share of CYS Series A Preferred Stock outstanding immediately prior to the effective time of the Merger shall be converted into the right to receive one share of newly classified Two Harbors Series D Preferred Stock, and each share of CYS Series B Preferred Stock outstanding immediately prior to the effective time of the Merger shall be converted into the right to receive one share of newly classified Two Harbors Series E Preferred Stock.

The unaudited pro forma condensed combined financial statements have been prepared by accounting for the Merger as an asset acquisition with Two Harbors as the acquiring entity. The financial assets and liabilities are recorded at fair value, no goodwill is recorded, and the excess consideration (premium) paid and transactions costs are expensed given there are no meaningful non-financial assets or other intangibles which to assign value.

To the extent identified, certain reclassifications have been reflected in the unaudited pro forma condensed combined financial statements to conform CYS's financial statement presentation to that of Two Harbors. However, the unaudited pro forma condensed combined financial statements may not reflect all the adjustments necessary to conform the accounting policies of CYS to those of Two Harbors due to limitations on the availability of information as of the date of this joint proxy statement/prospectus.

The pro forma adjustments represent Two Harbors management's estimates based on the information available as of the date of this joint proxy statement/prospectus and are subject to change as additional information becomes available and additional analyses are performed. The unaudited pro forma condensed combined financial statements do not reflect the impact of possible cost savings from operating efficiencies or synergies. Also, the unaudited pro forma condensed combined statements do not reflect possible adjustments related to restructuring or integration activities that have yet to be determined or transaction or other costs following the Merger that are not expected to have a continuing impact. Further, non-recurring transaction-related expenses anticipated to be incurred prior to, or concurrent with, closing of the Merger are not included in the unaudited pro forma condensed statements of comprehensive income (loss).

The unaudited pro forma condensed combined statements of comprehensive income (loss) for the year ended December 31, 2017 and for the three months ended March 31, 2018 combine the historical consolidated statements of comprehensive income (loss) of Two Harbors and CYS, giving effect to the Merger as if it occurred on January 1, 2017, the beginning of the earliest period presented. The unaudited pro forma condensed combined balance sheet combines the historical consolidated balance sheets of Two Harbors and CYS as of March 31, 2018, giving effect to the Merger as if it occurred on March 31, 2018.

Table of Contents*Preliminary Estimated Purchase Price*

The total preliminary estimated purchase price of approximately \$1.5 billion was determined based on the number of outstanding shares of CYS Common Stock and the adjusted book value per share of both CYS and Two Harbors as of March 31, 2018. For purposes of the unaudited pro forma condensed combined financial statements, such shares of CYS Common Stock are assumed to be outstanding as of the date of the unaudited pro forma condensed combined balance sheet. Further, no effect has been given to any other new shares of CYS Common Stock that may be issued or granted subsequent to the date of this joint proxy statement/prospectus and before the date of Closing. In all cases, the closing price of Two Harbors Common Stock price was a determining factor in arriving at the value of the final consideration for the Merger. The common share price assumed for the total preliminary estimated purchase price was the closing price of Two Harbors Common Stock on June 13, 2018 of \$15.76 per share, the most recent date practicable in the preparation of this joint proxy statement/prospectus.

The actual purchase price will be computed using the closing price of Two Harbors Common Stock on the date of Closing and the adjusted book value per share of both CYS and Two Harbors on the Determination Date. Therefore, the actual purchase price will fluctuate with the market price of Two Harbors Common Stock until the date of Closing and changes in the adjusted book value per share for both CYS and Two Harbors until the Determination Date. As a result, the final purchase price could differ significantly from the current estimate, which could materially impact the unaudited pro forma condensed combined financial statements.

The following table presents the change to the value of Two Harbors Common Stock to be issued and the total preliminary purchase price based on a 10% increase and decrease in the per share price of Two Harbors Common Stock (in thousands, except per share data and price of Two Harbors Common Stock):

	Number of Shares Issued(1)	Price per Two Harbors Common Stock	Value of Shares Issued	Cash Consideration	Preferred Stock Issuance	Total Estimated Purchase Price
Closing price on June 13, 2018	75,712,843	\$ 15.76	\$ 1,193,234	\$ 15,000	\$ 275,000	\$ 1,483,234
Decrease of 10%	75,712,843	\$ 14.18	\$ 1,073,608	\$ 15,000	\$ 275,000	\$ 1,363,608
Increase of 10%	75,712,843	\$ 17.34	\$ 1,312,861	\$ 15,000	\$ 275,000	\$ 1,602,861

(1)

The number of shares issued reflects the illustrative March 31, 2018 exchange ratio, which will fluctuate based on changes in the adjusted book value per share of each of CYS and Two Harbors until the Determination Date.

The total preliminary estimated purchase price described above has been allocated to the assets acquired and the liabilities assumed for purposes of the pro forma condensed combined financial statements, based on their estimated relative fair values, assuming the Merger was completed on March 31, 2018. The final allocation will be based upon valuations and other analyses for which there is currently insufficient information to make a definitive allocation. Accordingly, the purchase price allocation adjustments are preliminary and have been made solely for the purpose of providing unaudited pro forma condensed combined financial statements. The final purchase price allocation will be determined after the Merger is consummated and after a thorough analysis has been completed to determine the fair value of CYS's net assets and liabilities. As a result, the final acquisition accounting adjustments, including those resulting from conforming CYS's accounting policies to those of Two Harbors', could differ materially from the pro forma adjustments presented herein. The purchase price

2. Adjustments to the Unaudited Pro Forma Condensed Combined Balance Sheet

The unaudited pro forma condensed combined balance sheet as of March 31, 2018 reflects the following adjustments:

A. Reclassification Adjustments

Certain reclassifications have been made to the historical presentation of CYS to conform to the financial statement presentation of Two Harbors. Two Harbors classifies its Agency RMBS, excluding inverse interest-only Agency classified as derivatives for purposes of U.S. GAAP, as available-for-sale securities and all associated changes in unrealized gains and losses are included in accumulated other comprehensive income, on an after-tax basis. Therefore, the CYS Agency RMBS unrealized gains and losses, which have been accounted for historically under the fair value election pursuant to ASC 825 *Financial Instruments*, have been reclassified from other income (loss) to other comprehensive income (loss) in the Statement of Comprehensive Income to conform to the presentation and to the accounting policies of Two Harbors.

The cumulative adjustment to reflect this reclassification in the Statement of Stockholders' Equity:

Accumulated other comprehensive loss	\$ (167,287)
Retained earnings (accumulated deficit)	167,287

B. Cash

The pro forma adjustment represents the cash consideration of \$15 million payable to CYS common stockholders at the effective time of the Merger.

Table of Contents*C. Other Liabilities*

Non-recurring transaction costs include those costs to be paid by Two Harbors or CYS that are directly attributable to the Merger. These transaction costs, consisting primarily of executive compensation for change of control provisions and fees for bankers, legal, accounting, tax and other professional services, are estimated to be approximately \$36.1 million. These costs are non-recurring in nature and directly related to the Merger and, therefore, are reflected as a reduction to retained earnings and not included in the unaudited pro forma condensed combined statements of comprehensive income (loss).

In connection with the Merger, PRCM Advisers, Two Harbors' external manager, has agreed to make a one-time downward adjustment of \$15 million to the management fees payable by Two Harbors for the quarter in which the Merger closes.

Non-recurring transaction costs	\$ 36,061
Reduction in management fee	(15,000)
Adjustment to other liabilities	\$ 21,061

D. Preferred Stock

The pro forma adjustments represent the conversion of each share of (i) CYS Series A Preferred Stock into one share of newly classified Two Harbors Series D Preferred Stock and (ii) CYS Series B Preferred Stock into one share of newly classified Two Harbors Series E Preferred Stock. All shares of CYS Series A Preferred Stock and CYS Series B Preferred Stock, when so converted, shall automatically be cancelled and cease to exist.

Two Harbors Series D Preferred Stock to be issued	\$ 75,000

ARTICLE II THE MERGER

2.1 *The Merger.* Upon the terms and subject to the conditions of this Agreement, at the Effective Time, Merger Sub will be merged with and into the Company in accordance with the provisions of the Maryland General Corporation Law (the "**MGCL**"). As a result of the Merger, the separate existence of Merger Sub shall cease and the Company shall continue its existence under the name "CYS Investments, Inc." under the laws of the State of Maryland as the surviving corporation (in such capacity, the Company is sometimes referred to herein as the "**Surviving Corporation**"). As a result of the Merger, the Surviving Corporation shall be an indirect, wholly owned Subsidiary of Parent.

2.2 *Closing.*

(a) The closing of the Merger (the "**Closing**"), shall take place at 9:00 a.m., New York, New York time, on a date that is two Business Days following the satisfaction or (to the extent permitted by applicable Law) waiver in accordance with this Agreement of all of the conditions set forth in *Article VII* (other than any such conditions which by their nature cannot be satisfied until the Closing Date, which shall be required to be so satisfied or (to the extent permitted by applicable Law) waived in accordance with this Agreement on the Closing Date) at the offices of Sidley Austin LLP, 787 Seventh Avenue, New York, New York, or such other place as Parent and the Company may agree to in writing. For purposes of this Agreement "**Closing Date**" shall mean the date on which the Closing occurs.

(b) As soon as practicable on the Closing Date after the Closing, the parties shall cause the Merger to be consummated by filing with the State Department of Assessments and Taxation of Maryland (the "**Maryland Department**") articles of merger (the "**Articles of Merger**") in connection with the Merger, in such form as is required by, and executed in accordance with, the MGCL, and the parties shall make all other filings or recordings required under the MGCL in

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

connection with the Merger. The Merger shall become effective at the time the Articles of Merger are accepted for record by the Maryland Department or such later date (not to exceed 30 days after the Articles of Merger are accepted for record by the Maryland Department) and time as shall be agreed to in writing by the Company and Parent and specified in the Articles of Merger (such date and time the Merger becomes effective, the "**Effective Time**").

2.3 Effect of the Merger. At the Effective Time, the Merger shall have the effects set forth in this Agreement and the applicable provisions of the MGCL, including Section 3-114 thereof. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, all the property, rights, privileges, powers and franchises of each of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities, obligations, restrictions, disabilities and duties of each of the Company and Merger Sub shall become the debts, liabilities, obligations, restrictions, disabilities and duties of the Surviving Corporation.

2.4 Organizational Documents. At the Effective Time, and as part of the Merger, the corporate charter of the Company will be amended and restated to read in the form attached hereto as *Annex B-1*, and as so amended and restated shall be the corporate charter of the Surviving Corporation, until thereafter amended, subject to Section 6.10(b), in accordance with its respective terms and applicable law. In addition, at the Effective Time, the bylaws of the Company shall be amended and restated to read in the form attached hereto as *Annex B-2*, and as so amended and restated shall be the bylaws of the Surviving Corporation, until thereafter amended, subject to Section 6.10(b), in accordance with their respective terms and applicable law. Prior to the Effective Time, the parties shall take all actions necessary to amend and restate the bylaws of the Company, as aforesaid, as of the Effective Time.

2.5 Directors and Officers of the Surviving Corporation. From and after the Effective Time, the directors and officers of Merger Sub immediately prior to the Effective Time shall be the directors and officers of the Surviving Corporation, and such directors and officers shall serve until their successors have been duly elected or appointed and qualified or until their death, resignation or removal in accordance with the Organizational Documents of the Surviving Corporation.

2.6 Directors of Parent. Prior to the Effective Time, Parent shall take all necessary corporate action so that upon and immediately after the Effective Time, the size of the Parent Board is increased by two members, and each of James A. Stern and Karen Hammond (each, a "**Company Director Designee**") are appointed to the Parent Board. In the event that either or both James A. Stern and Karen Hammond are unable or unwilling to serve on the Parent Board prior to the Effective Time, then a substitute shall be designated by the Company on the earlier to occur of (i) five Business Days after the date that such Company Director Designee is determined to be unable to serve or informs the Company that he or she is unwilling to serve and (ii) the fifth Business Day prior to the Closing Date, which substitute member shall be deemed to be a Company Director Designee for purposes of this Agreement. Each Company Director Designee must (i) satisfy the director qualification standards set forth in the Corporate Governance Guidelines of Parent, (ii) meet the qualifications of an "independent director" under the rules of the NYSE and (iii) provide to Parent the information required by Article II, Section 11 of the Company's Amended and Restated Bylaws regarding such Company Director Designees, are elected or appointed to the Parent Board to fill the vacancies on the Parent Board created by such increase to serve until the first annual meeting of stockholders following the Closing or until their successors are elected and qualified. The provisions of this *Section 2.6* are intended to be for the benefit of, and shall be enforceable by, the Company Director Designees. The obligations of Parent and the Surviving Corporation under this *Section 2.6* shall not be terminated or modified in such a manner as to adversely affect the rights of the Company Director Designees unless (a) such termination or modification is required by applicable Law or (b) the Company Director Designees have consented in writing to such termination or modification (it being expressly agreed that the Company Director Designees shall be third-party beneficiaries of this *Section 2.6*).

2.7 *Tax Consequences.* It is intended that, for U.S. federal income tax purposes, (a) the Merger shall qualify as a taxable sale of the Company Common Stock and the Company Preferred Stock in exchange for the Common Merger Consideration and the Preferred Merger Consideration immediately followed by (b) the liquidation of the Company for U.S. federal income tax purposes governed by Sections 331 and 336 of the Code. Unless otherwise required by a final determination within the meaning of Section 1313(a) of the Code (or a similar determination under applicable state or local law), the parties to this Agreement shall file all U.S. federal, state and local Tax Returns in a manner consistent with the intended tax treatment of the Merger described in this *Section 2.7*, and no party shall take a position inconsistent with such treatment.

ARTICLE III
EFFECT OF THE MERGER ON THE CAPITAL STOCK OF THE COMPANY AND
MERGER SUB; EXCHANGE

3.1 *Effect of the Merger on Capital Stock.* At the Effective Time, by virtue of the Merger and without any action on the part of Parent, Merger Sub, the Company, or any holder of any securities of Parent, Merger Sub or the Company:

(a) *Capital Stock of Merger Sub.* All of the outstanding limited liability company interests of Merger Sub issued and outstanding immediately prior to the Effective Time shall automatically be converted into 100 shares of common stock of the Surviving Corporation.

(b) *Capital Stock of the Company.*

(i) Subject to the other provisions of this *Article III*, each share of common stock, par value \$0.01 per share, of the Company ("**Company Common Stock**"), issued and outstanding immediately prior to the Effective Time (excluding any Cancelled Shares, as defined below), shall be converted into the right to receive from Parent (A) that number of validly issued, fully-paid and nonassessable shares of Parent Common Stock equal to the Exchange Ratio (the "**Per Share Stock Consideration**") and (B) the Per Share Cash Consideration (the "**Common Merger Consideration**"). As used in this Agreement, "**Exchange Ratio**" means a quotient (rounded to the nearest one ten-thousandth) determined by dividing (1) (x) the Company Adjusted Book Value Per Share, multiplied by (y) 96.75% by (2) (x) the Parent Adjusted Book Value Per Share, multiplied by (y) 94.20%, in each case as determined in accordance with *Section 3.1(c)* and as such number may be adjusted in accordance with *Section 3.1(d)*.

(ii) All such shares of Company Common Stock, when so converted pursuant to *Section 3.1(b)(i)*, shall automatically be canceled and cease to exist. Each holder of a share of Company Common Stock that was outstanding immediately prior to the Effective Time (other than Cancelled Shares) shall cease to have any rights with respect thereto, except the right to receive (A) the Common Merger Consideration, (B) any dividends or other distributions in accordance with *Section 3.3(g)* and (C) any cash to be paid in lieu of any fractional shares of Parent Common Stock in accordance with *Section 3.3(h)*, in each case, to be issued or paid in consideration therefor upon the surrender of any Certificates or Book-Entry Shares, as applicable, in accordance with *Section 3.3*.

(iii) Subject to the other provisions of this *Article III*, (A) each share of the Company's 7.75% Series A Cumulative Redeemable Preferred Stock, \$0.01 par value per share (the "**Company Series A Preferred Stock**"), issued and outstanding immediately prior to the Effective Time shall be converted into the right to receive one newly issued share of Parent Series D Preferred Stock (the "**Preferred Series D Merger Consideration**") and (B) each share of the Company's 7.50% Series B Cumulative Redeemable Preferred Stock, \$0.01 par value per share (the "**Company Series B Preferred Stock**") and, together with the Company

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Series A Preferred Stock, the "**Company Preferred Stock**"), issued and outstanding immediately prior to the Effective Time shall be converted into the right to receive one newly issued share of Parent Series E Preferred Stock (the "**Preferred Series E Merger Consideration**" and, together with the Preferred Series D Merger Consideration, the "**Preferred Merger Consideration**").

(iv) All such shares of Company Preferred Stock, when so converted pursuant to *Section 3.1(b)(iii)*, shall automatically be canceled and cease to exist. Each holder of a share of Company Preferred Stock that was outstanding immediately prior to the Effective Time shall cease to have any rights with respect thereto, except the right to receive the applicable Preferred Merger Consideration therefor upon the surrender of such share of Company Preferred Stock in accordance with *Section 3.3*.

(v) All shares of Company Common Stock held by Parent or Merger Sub or by any wholly owned Subsidiary of Parent, Merger Sub or the Company immediately prior to the Effective Time shall automatically be canceled and retired and shall cease to exist as of the Effective Time, and no consideration shall be delivered or deliverable in exchange therefor (collectively, the "**Cancelled Shares**").

(c) *Determination of Exchange Ratio.*

(i) As promptly as practicable, and in any event within ten (10) Business Days after the Determination Date, each Calculating Party shall prepare and deliver to the Receiving Party a Proposed Book Value Schedule, together with such supporting documentation that the Receiving Party may reasonably request. The Proposed Book Value Schedule of Company shall include, and the Company Adjusted Book Value Per Share shall reflect, the value of the asset(s) set forth on *Schedule 3.1(c)(i)* of the Company Disclosure Letter as determined by an Independent Accounting or Valuation Firm (defined below) applying the guidelines set forth on *Schedule 3.1(c)(i)* of the Company Disclosure Letter and conducted prior to the Determination Date; provided, however, that (A) nothing in this *Section 3.1(c)(i)* shall prohibit Company from selling or otherwise disposing the asset(s) set forth on *Schedule 3.1(c)(i)* of the Company Disclosure Letter for fair market value prior to the Determination Date and (B) the fees and expenses of the Independent Accounting or Valuation Firm for purposes of this *Section 3.1(c)(i)* shall be borne by Parent.

(ii) Within three (3) Business Days of the delivery of each Proposed Book Value Schedule, the Receiving Party shall notify the Calculating Party whether it accepts or disputes the accuracy of the Proposed Book Value Schedule. In the event that the Receiving Party disputes the accuracy of the Proposed Book Value Schedule, the Receiving Party shall notify the Calculating Party in reasonable detail of those items and amounts as to which the Receiving Party disagrees and shall set forth the Receiving Party's calculation of such disputed amounts (a "**Dispute Notice**"), and the Receiving Party shall be deemed to have agreed with all other items and amounts contained in the Proposed Book Value Schedule. In the event that the Receiving Party notifies the Calculating Party that it accepts the Proposed Book Value Schedule or does not deliver a Dispute Notice to the Calculating Party during such three Business Day period, the Receiving Party shall be deemed to have accepted the accuracy of the Proposed Book Value Schedule, and the calculations of the Parent Adjusted Book Value Per Share or Company Adjusted Book Value Per Share set forth therein shall be final, conclusive and binding upon the parties.

(iii) If a Dispute Notice shall be timely delivered by the Receiving Party pursuant to *Section 3.1(c)(ii)* above, then the Calculating Party and the Receiving Party shall forthwith jointly request that a mutually agreed upon nationally recognized registered independent public accounting firm or a nationally recognized independent valuation expert (in either case,

the "**Independent Accounting or Valuation Firm**"), make a binding determination only as to the items set forth in the Dispute Notice in accordance with the terms of this Agreement. The Independent Accounting or Valuation Firm will, under the terms of its engagement, be required to render its written decision with respect to such disputed items and amounts within four (4) Business Days from the date of referral. The Independent Accounting or Valuation Firm shall consider only those items or amounts in the Proposed Book Value Schedule as to which the Receiving Party and the Calculating Party are in disagreement. The Independent Accounting or Valuation Firm shall deliver to the Receiving Party and the Calculating Party a written report setting forth its adjustments, if any, to the Proposed Book Value Schedule based on the Independent Accounting or Valuation Firm's determination with respect to the disputed items and amounts in accordance with this Agreement and the Calculation Principles and such report shall include the calculations supporting such adjustments; *provided*, that for each item as to which the Calculating Party or the Receiving Party are in disagreement, the Independent Accounting or Valuation Firm shall assign a value for each such item no greater than the higher amount, and no less than the lower amount, calculated or proposed by the Calculating Party or the Receiving Party with respect to such item, as the case may be. Such report shall be final, conclusive and binding on the parties, and neither party nor any of their respective Affiliates or Representatives will seek recourse to any courts, other tribunals or otherwise, other than to enforce the determination of the Independent Accounting or Valuation Firm. The fees and expenses of the Independent Accounting or Valuation Firm for purposes of this *Section 3.1(c)(iii)* shall be shared equally by the parties.

(iv) Subject to *Section 6.12*, as soon as practicable (but not more than two (2) Business Days) following the final determination of the Parent Adjusted Book Value Per Share, the Company Adjusted Book Value Per Share and the Exchange Ratio, Parent and the Company shall make a joint public statement to disclose the Exchange Ratio and the Per Share Cash Consideration (the "**Exchange Ratio Announcement**").

(d) *Adjustment to Merger Consideration.* The Merger Consideration shall be equitably adjusted to reflect the effect of any stock split, reverse stock split, stock dividend (including any dividend or other distribution of securities convertible into Company Common Stock, Company Preferred Stock or Parent Common Stock, as applicable), subdivision, reorganization, reclassification, recapitalization, combination, exchange of shares or other like change with respect to the number of shares of Company Common Stock, Company Preferred Stock or Parent Common Stock outstanding after the date hereof and prior to the Effective Time. Nothing in this *Section 3.1(d)* shall be construed to permit the Company or Parent to take any action with respect to its securities that is prohibited by the terms of this Agreement.

3.2 *Treatment of Restricted Stock Awards.*

(a) *Restricted Stock.* Immediately prior to the Effective Time, any outstanding award of Company Common Stock subject to vesting, repurchase or other lapse restriction (the "**Company Restricted Stock**") granted pursuant to the Company's 2013 Equity Incentive Plan, as amended from time to time (the "**Company Equity Plan**"), shall immediately vest and any forfeiture restrictions applicable to such Company Restricted Stock shall immediately lapse and, immediately prior to the Effective Time, without any action on the part of the holder thereof, each share of Company Restricted Stock shall be treated as a share of Company Common Stock for all purposes of this Agreement, including the right to receive the Common Merger Consideration in accordance with the terms hereof.

(b) Prior to the Effective Time, the Company shall take such actions as are required to effectuate the treatment of the Company Restricted Stock pursuant to the terms of *Section 3.2(a)*, and to take all actions reasonably required to effectuate any provision of *Section 3.2(a)*.

3.3 *Payment for Securities; Exchange.*

(a) *Exchange Agent; Exchange Fund.* Prior to the Effective Time, Parent or Merger Sub shall enter into an agreement with the Company's transfer agent to act as agent for the holders of Company Common Stock and Company Preferred Stock in connection with the Merger (the "**Exchange Agent**") and to receive the Merger Consideration and cash sufficient to pay cash in lieu of fractional shares pursuant to *Section 3.3(h)* and any dividends or other distributions pursuant to *Section 3.3(g)*, to which such holders shall become entitled pursuant to this *Article III*. On the Closing Date and prior to the Effective Time, Parent or Merger Sub shall deposit, or cause to be deposited, with the Exchange Agent, for the benefit of the holders of shares of Company Common Stock and Company Preferred Stock, for issuance in accordance with this *Article III* through the Exchange Agent, (i) the number of shares of Parent Common Stock issuable to the holders of Company Common Stock outstanding immediately prior to the Effective Time pursuant to *Section 3.1* and (ii) the number of shares of applicable Parent Preferred Stock issuable to the holders of Company Preferred Stock outstanding immediately prior to the Effective Time pursuant to *Section 3.1*. Parent agrees to deposit with the Exchange Agent, from time to time as needed, cash sufficient to pay any dividends and other distributions pursuant to *Section 3.3(g)* and to make payments in lieu of fractional shares pursuant to *Section 3.3(h)*. The Exchange Agent shall, pursuant to irrevocable instructions, deliver the Merger Consideration contemplated to be issued in exchange for shares of Company Common Stock and Company Preferred Stock pursuant to this Agreement out of the Exchange Fund (as hereinafter defined). Except as contemplated by this *Section 3.3(a)* and *Sections 3.3(g)* and *3.3(h)*, the Exchange Fund shall not be used for any other purpose. Any cash and shares of Parent Common Stock and Parent Preferred Stock deposited with the Exchange Agent (including as payment for fractional shares in accordance with *Section 3.3(h)* and any dividends or other distributions in accordance with *Section 3.3(g)*) shall hereinafter be referred to as the "**Exchange Fund**." The Surviving Corporation shall pay all charges and expenses, including those of the Exchange Agent, in connection with the exchange of Company Common Stock and Company Preferred Stock for the Merger Consideration and cash in lieu of fractional shares. Any interest or other income resulting from investment of the cash portion of the Exchange Fund shall become part of the Exchange Fund.

(b) *Exchange Procedures.*

(i) As soon as practicable after the Effective Time, but in no event more than two Business Days after the Closing Date, Parent shall instruct the Exchange Agent to mail or otherwise deliver to each record holder, as of immediately prior to the Effective Time, of (1) a certificate or certificates that immediately prior to the Effective Time represented shares of Company Common Stock or Company Preferred Stock, as applicable (the "**Certificates**") or (2) shares of Company Common Stock or Company Preferred Stock, as applicable, represented by book-entry ("**Book-Entry Shares**"), in each case, which shares were converted pursuant to *Section 3.1* into the right to receive the applicable Merger Consideration at the Effective Time, (A) a letter of transmittal ("**Letter of Transmittal**"), which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent or, in the case of Book-Entry Shares, upon adherence to the procedures set forth in the Letter of Transmittal, and which shall be in a customary form and agreed to by Parent and the Company prior to the Closing (it being understood that the forms of Letter of Transmittal to be mailed to the holders of Company Common Stock and Company Preferred Stock may vary in certain respects due to differences in the respective securities) and (B) instructions for use in effecting the surrender of the Certificates or, in the case of Book-Entry Shares, the surrender of such shares, for payment of the applicable Merger Consideration set forth in *Section 3.1*.

(ii) Upon surrender to the Exchange Agent of a Certificate or Book-Entry Shares, together with the Letter of Transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other customary documents as may be reasonably required by the Exchange Agent, the holder of such Certificate or Book-Entry Shares shall be entitled to receive in exchange therefor (A) the applicable Merger Consideration pursuant to the provisions of this *Article III* (which shares of Parent Common Stock and Parent Preferred Stock shall be in uncertificated book-entry form) and (B) a check in the amount equal to the cash payable in lieu of any fractional shares of Parent Common Stock pursuant to *Section 3.3(h)* and dividends and other distributions pursuant to *Section 3.3(g)*. No interest shall be paid or accrued for the benefit of holders of the Certificates or Book-Entry Shares on the applicable Merger Consideration payable in respect of the Certificates or Book-Entry Shares. If payment of the applicable Merger Consideration is to be made to a Person other than the record holder of such shares of Company Common Stock or Company Preferred Stock, as applicable, it shall be a condition of payment that shares so surrendered shall be properly endorsed or shall be otherwise in proper form for transfer and that the Person requesting such payment shall have paid any transfer and other Taxes required by reason of the payment of the applicable Merger Consideration to a Person other than the registered holder of such shares surrendered or shall have established to the satisfaction of the Surviving Corporation that such Taxes either have been paid or are not applicable. Until surrendered as contemplated by this *Section 3.3(b)(ii)*, each Certificate and each Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the applicable Merger Consideration payable in respect of such shares of Company Common Stock and Company Preferred Stock, cash in lieu of any fractional shares of Parent Common Stock to which such holder is entitled pursuant to *Section 3.3(h)* and any dividends or other distributions to which such holder is entitled pursuant to *Section 3.3(g)*.

(c) *Termination of Rights.* All Merger Consideration, any cash in lieu of fractional shares of Parent Common Stock pursuant to *Section 3.3(h)* and any dividends or other distributions with respect to Parent Common Stock or Parent Preferred Stock pursuant to *Section 3.3(g)*, in each case paid upon the surrender of and in exchange for shares of Company Common Stock and Company Preferred Stock in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to such Company Common Stock or Company Preferred Stock, as applicable. At the Effective Time, the stock transfer books of the Surviving Corporation shall be closed immediately, and there shall be no further registration of transfers on the stock transfer books of the Surviving Corporation of the shares of Company Common Stock and Company Preferred Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates or Book-Entry Shares are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged for the applicable Merger Consideration payable in respect of the shares of Company Common Stock or Company Preferred Stock, as applicable, previously represented by such Certificates or Book-Entry Shares (other than Certificates or Book-Entry Shares evidencing Cancelled Shares), any cash in lieu of fractional shares of Parent Common Stock to which the holders thereof are entitled pursuant to *Section 3.3(h)* and any dividends or other distributions to which the holders thereof are entitled pursuant to *Section 3.3(g)*, without any interest thereon.

(d) *Termination of Exchange Fund.* Any portion of the Exchange Fund that remains undistributed to the former Company Stockholders on the 365th day after the Closing Date shall be delivered to the Surviving Corporation, upon demand, and any former Company Stockholders who have not theretofore received the applicable Merger Consideration to which they are entitled under this *Article III*, any cash in lieu of fractional shares of Parent Common Stock to which they are entitled pursuant to *Section 3.3(h)* and any dividends or other distributions with respect to Parent Common Stock and Parent Preferred Stock, as applicable, to which they are entitled

pursuant to *Section 3.3(g)*, in each case without interest thereon, shall thereafter look only to the Surviving Corporation and Parent for payment of their claim for such amounts.

(e) *No Liability.* None of the Surviving Corporation, Parent or the Exchange Agent shall be liable to any holder of a Certificate or Book-Entry Share for any Merger Consideration or other amounts properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. If any Certificate or Book-Entry Share has not been surrendered prior to the time that is immediately prior to the time at which the applicable Merger Consideration in respect of such Certificate or Book-Entry Share would otherwise escheat to or become the property of any Governmental Entity, any such shares, cash, dividends or distributions in respect of such Certificate or Book-Entry Share shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of all claims or interest of any Person previously entitled thereto.

(f) *Lost, Stolen, or Destroyed Certificates.* If any Certificate (other than a Certificate evidencing Cancelled Shares) shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if reasonably required by the Surviving Corporation, the posting by such Person of a bond in such reasonable amount, pursuant to the policies and procedures of the transfer agent for Parent, as the Surviving Corporation may direct as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificate the applicable Merger Consideration payable in respect of the shares of Company Common Stock or Company Preferred Stock, as applicable, formerly represented by such Certificate, any cash in lieu of fractional shares of Parent Common Stock to which the holders thereof are entitled pursuant to *Section 3.3(h)* and any dividends or other distributions with respect to Parent Common Stock and Parent Preferred Stock to which the holders thereof are entitled pursuant to *Section 3.3(g)*.

(g) *Distributions with Respect to Parent Common Stock.* No dividends or other distributions declared or made with respect to shares of Parent Common Stock or Parent Preferred Stock, as applicable, with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate or Book-Entry Shares with respect to the whole shares of Parent Common Stock or Parent Preferred Stock, as applicable, that such holder would be entitled to receive upon surrender of such Certificate or Book-Entry Shares and no cash payment in lieu of fractional shares of Parent Common Stock shall be paid to any such holder, in each case until such holder shall surrender such Certificate or Book-Entry Shares in accordance with this *Section 3.3*. Following surrender of any such Certificate or Book-Entry Shares, there shall be paid to such holder of whole shares of Parent Common Stock or Parent Preferred Stock, as applicable, issuable in exchange therefor, without interest, (i) promptly after the time of such surrender, the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Parent Common Stock or Parent Preferred Stock, as applicable, to which such holder is entitled pursuant to this Agreement, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such whole shares of Parent Common Stock or Parent Preferred Stock, as applicable. For purposes of dividends or other distributions in respect of shares of Parent Common Stock or Parent Preferred Stock, as applicable, all whole shares of Parent Common Stock or Parent Preferred Stock, as applicable, to be issued pursuant to the Merger shall be entitled to dividends pursuant to the immediately preceding sentence as if such whole shares of Parent Common Stock or Parent Preferred Stock, as applicable, were issued and outstanding as of the Effective Time.

(h) *No Fractional Shares of Parent Common Stock.* No certificates or scrip or shares representing fractional shares of Parent Common Stock shall be issued upon the surrender for

exchange of Certificates or Book-Entry Shares and such fractional share interests will not entitle the owner thereof to vote or to have any rights of a stockholder of Parent or a holder of shares of Parent Common Stock. Notwithstanding any other provision of this Agreement, each holder of shares of Company Common Stock exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Parent Common Stock (after taking into account all Certificates and Book-Entry Shares delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to the product of (i) such fractional part of a share of Parent Common Stock multiplied by (ii) the average of the volume weighted average prices of one share of Parent Common Stock for the five consecutive trading days immediately prior to the Closing Date as reported by Bloomberg, L.P. As promptly as practicable after the determination of the amount of cash, if any, to be paid to holders of shares of Company Common Stock exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Parent Common Stock (after taking into account all Certificates and Book-Entry Shares delivered by such holder), the Exchange Agent shall so notify Parent, and Parent shall cause the Exchange Agent to forward payments to such holders of fractional interests subject to and in accordance with the terms hereof.

(i) *Withholding Taxes.* Notwithstanding anything in this Agreement to the contrary, Parent, the Surviving Corporation and the Exchange Agent shall be entitled to deduct and withhold from (A) the consideration to be paid by Parent, Eiger Partnership or the Exchange Agent hereunder and (B) any other amounts otherwise payable pursuant to this Agreement, any amount required to be deducted and withheld with respect to the making of such payment under the Code or any other provision of state, local or foreign Tax Law. Any such amounts so deducted or withheld shall be paid over to the relevant Taxing Authority in accordance with applicable Law by the Exchange Agent, the Surviving Corporation or Parent, as the case may be, and such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction or withholding was made.

(j) *Dissenters' Rights.* No dissenters' or appraisal rights shall be available with respect to the Merger or the other Transactions.

Company shall have given notice to Parent that the Company intends to effect a Company Change of Recommendation (which notice will reasonably describe the reasons for such Company Change of Recommendation), and either (A) Parent shall not have proposed revisions to the terms and conditions of this Agreement prior to the earlier to occur of the scheduled time for the Company Stockholders Meeting and the third Business Day after the date on which such notice is given to Parent, or (B) if Parent within the period described in the foregoing *clause (A)* shall have proposed revisions to the terms and conditions of this Agreement, the Company Board, after consultation with its outside legal counsel, shall have determined in good faith that such proposed changes do not obviate the need for the Company Board to effect a Company Change of Recommendation and that the failure to make a Company Change of Recommendation would be inconsistent with its legal duties as directors under applicable Law.

(a) From and after the date of this Agreement until the Effective Time or if earlier, the termination of this Agreement in accordance with *Article VIII*, Parent will, and will cause its Subsidiaries and instruct its Representatives to (i) immediately cease, and cause to be terminated, any discussion or negotiations with any Person conducted heretofore by Parent or any of its Subsidiaries or Representatives with respect to a Parent Competing Proposal (any such Persons and their Affiliates and Representatives with respect to a Parent Competing Proposal being referred to as "**Prior Parent Bidders**") and (ii) use its reasonable best efforts to take such action as is necessary to enforce any confidentiality provisions or provisions of similar effect to which Parent or any of its Subsidiaries is a party or of which Parent or any of its Subsidiaries is a beneficiary. (d) Notwithstanding anything in this Agreement to the contrary, Parent, directly or indirectly through one or more of its Representatives, may:

(i) make such disclosures as the Parent Board or any committee thereof determines in good faith are necessary to comply with Rule 14e-2(a), Item 1012(a) of Regulation M-A and Rule 14d-9 promulgated under the Exchange Act or other applicable securities laws; *provided, however*, that none of Parent, the Parent Board or any committee thereof shall, except as expressly permitted by *Section 6.4(d)(iii)* or *Section 6.4(e)*, effect a Parent Change of Recommendation in any disclosure document or communication filed or publicly issued or made in conjunction with the compliance with such requirements;

(ii) prior to the receipt of the Parent Stockholder Approval, engage in the activities prohibited by *Sections 6.4(b)(ii)* and *6.4(b)(iii)* with any Person if (1) Parent receives a written, *bona fide* Parent Competing Proposal from such Person that was not solicited at any time following the execution of this Agreement and (2) such Parent Competing Proposal did not arise from a material breach of the obligations set forth in this *Section 6.4*; *provided, however*, that (A) no non-public information that is prohibited from being furnished pursuant to *Section 6.4(b)* may be furnished until Parent receives an executed confidentiality agreement from such Person containing limitations on the use and disclosure of nonpublic information furnished to such Person by or on behalf of Parent that are no less favorable to Parent in the aggregate than the terms of the Confidentiality Agreement, as determined by the Parent Board in good faith after consultation with its outside legal counsel; *provided, further*, that such confidentiality agreement does not contain provisions that prohibit Parent from complying with the provisions of this *Section 6.4*, and (B) prior to taking any such actions, the Parent Board or any committee thereof determines in good faith, after consultation with its financial advisors and outside legal counsel, that such Parent Competing Proposal is, or is reasonably expected to lead to, a Parent Superior Proposal;

(iii) prior to receipt of the Parent Stockholder Approval, in response to a *bona fide* written Parent Competing Proposal from a third party that was not solicited at any time following the execution of this Agreement and did not arise from a material breach of the obligations set forth in this *Section 6.4*, if the Parent Board so chooses, cause Parent to effect a Parent Change of Recommendation, if prior to taking such action (A) the Parent Board determines in good faith after consultation with its financial advisors and outside legal counsel that such Parent Competing Proposal is a Parent Superior Proposal (taking into account any adjustment to the terms and conditions of the Merger proposed by the Company in response to such Parent Competing Proposal); and (B) Parent shall have given notice to the Company that Parent has received such proposal in accordance with *Section 6.4(c)*, specifying the material terms and conditions of such proposal, and, that Parent intends to take such action, and either (1) the Company shall not have proposed revisions to the terms and conditions of

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

this Agreement prior to the earlier to occur of the scheduled time for the Parent Stockholders Meeting and the third Business Day after the date on which such notice is given to the Company, or (2) if the Company within the period described in the foregoing *clause (1)* shall have proposed revisions to the terms and conditions of this Agreement in a manner that would form a binding contract if accepted by Parent, the Parent Board, after consultation with its financial advisors and outside legal counsel, shall have determined in good faith that the Parent Competing Proposal remains a Parent Superior Proposal with respect to the Company's revised proposal; *provided, however*, that each time material modifications to the financial terms of a Parent Competing Proposal determined to be a Parent Superior Proposal are made, the time period set forth in this *clause (B)* prior to which Parent may effect a Parent Change of Recommendation or terminate this Agreement shall be extended for two Business Days after notification of such change to the Company; and

(iv) prior to receipt of the Parent Stockholder Approval, seek clarification from (but not engage in negotiations with or provide non-public information to) any Person that has made a Parent Competing Proposal that was not solicited at any time following the execution of this Agreement solely to clarify and understand the terms and conditions of such proposal to provide adequate information for the Parent Board or any committee thereof to make an informed determination under *Section 6.4(d)(ii)*.

(e) Notwithstanding anything in this Agreement to the contrary, the Parent Board shall be permitted, at any time prior to the receipt of the Parent Stockholder Approval, other than in response to a Parent Competing Proposal (which is addressed in *Section 6.4(d)(iii)*), to make a Parent Change of Recommendation if, prior to taking such action, (i) the Parent Board determines in good faith, after consultation with outside legal counsel, that the failure to take such action would be inconsistent with its legal duties as directors under applicable Law and (ii) Parent shall have given notice to the Company that Parent intends to effect a Parent Change of Recommendation (which notice will reasonably describe the reasons for such Parent Change of Recommendation), and either (A) the Company shall not have proposed revisions to the terms and conditions of this Agreement prior to the earlier to occur of the scheduled time for the Parent Stockholders Meeting and the third Business Day after the date on which such notice is given to the Company, or (B) if the Company within the period described in the foregoing *clause (A)* shall have proposed revisions to the terms and conditions of this Agreement in a manner that would form a binding contract if accepted by Parent, the Parent Board, after consultation with its outside legal counsel, shall have determined in good faith that such proposed changes do not obviate the need for the Parent Board to effect a Parent Change of Recommendation and that the failure to make a Parent Change of Recommendation would be inconsistent with its legal duties as directors under applicable Law

6.5 *Preparation of Joint Proxy Statement and Registration Statement.*

(a) Parent will promptly furnish to the Company such data and information relating to it, its Subsidiaries (including Merger Sub) and the holders of Parent Capital Stock, as the Company may reasonably request for the purpose of including such data and information in the Joint Proxy Statement and any amendments or supplements thereto used by the Company to obtain the Company Stockholder Approval. The Company will promptly furnish to Parent such data and information relating to it, its Subsidiaries and the holders of Company Capital Stock, as Parent may reasonably request for the purpose of including such data and information in the Registration Statement (including the Joint Proxy Statement) and any amendments or supplements thereto.

(b) Promptly following the date hereof, the Company and Parent shall cooperate in preparing and shall cause to be filed with the SEC a mutually acceptable Joint Proxy Statement relating to the matters to be submitted to the holders of Company Common Stock at the Company

Stockholders Meeting and the holders of Parent Common Stock at the Parent Stockholders Meeting, and Parent shall prepare and file with the SEC the Registration Statement (of which the Joint Proxy Statement will be a part). The Company and Parent shall each use commercially reasonable efforts to cause the Registration Statement and the Joint Proxy Statement to comply with the rules and regulations promulgated by the SEC and to respond promptly to any comments of the SEC or its staff. Parent and the Company shall each use its commercially reasonable efforts to cause the Registration Statement to become effective under the Securities Act as soon after such filing as practicable and Parent and the Company shall use commercially reasonable efforts to keep the Registration Statement effective as long as is necessary to consummate the Merger. Each of the Company and Parent will advise the other promptly after it receives any request by the SEC for amendment of the Joint Proxy Statement or the Registration Statement or comments thereon and responses thereto or any request by the SEC for additional information. Each of the Company and Parent shall use commercially reasonable efforts to cause all documents that it is responsible for filing with the SEC in connection with the Transactions to comply as to form and substance in all material respects with the applicable requirements of the Securities Act and the Exchange Act. Notwithstanding the foregoing, prior to filing the Registration Statement (or any amendment or supplement thereto) or mailing the Joint Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, each of the Company and Parent will (i) provide the other with an opportunity to review and comment on such document or response (including the proposed final version of such document or response), (ii) shall include in such document or response all comments reasonably proposed by the other and (iii) shall not file or mail such document or respond to the SEC prior to receiving the approval of the other, which approval shall not be unreasonably withheld, conditioned or delayed; *provided, however*, that with respect to documents filed by a party that are incorporated by reference in the Joint Proxy Statement or Registration Statement, this right of approval shall apply only with respect to information relating to the other party, its Subsidiaries and its Affiliates, their business, financial condition or results of operations or the transactions contemplated hereby; and *provided, further* that the Company, in connection with any Company Change of Recommendation, or Parent, in connection with any Parent Change of Recommendation, may amend or supplement the Joint Proxy Statement (including by incorporation by reference) and make other filings with the SEC, to effect such Company Change of Recommendation or Parent Change of Recommendation, as applicable.

(c) Parent and the Company shall make all necessary filings with respect to the Merger and the Transactions under the Securities Act and the Exchange Act and applicable blue sky laws and the rules and regulations thereunder. Each party will advise the other, promptly after it receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, the issuance of any stop order, the suspension of the qualification of the Parent Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction. Each of the Company and Parent will use commercially reasonable efforts to have any such stop order or suspension lifted, reversed or otherwise terminated.

(d) If at any time prior to the Effective Time, any information relating to Parent or the Company, or any of their respective Affiliates, officers or directors, should be discovered by Parent or the Company that should be set forth in an amendment or supplement to the Registration Statement or the Joint Proxy Statement, so that such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other party and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by applicable Law, disseminated to the Company Stockholders and the Parent Stockholders.

6.6 *Stockholders Meetings.*

(a) The Company shall take all action necessary in accordance with applicable Laws and the Organizational Documents of the Company to duly give notice of, convene and hold a meeting of its stockholders for the purpose of obtaining the Company Stockholder Approval, to be held as promptly as reasonably practicable following the clearance of the Joint Proxy Statement by the SEC. Except as permitted by *Section 6.3*, the Company shall, through the Company Board, recommend to the Company Stockholders that they vote in favor of the approval of the Merger and the other Transactions at the Company Stockholders Meeting and the Company Board shall solicit from the Company Stockholders proxies in favor of the approval of the Merger and the other Transactions, and the Joint Proxy Statement shall include a statement to the effect that the Company Board has resolved to make the Company Board Recommendation. Notwithstanding anything to the contrary contained in this Agreement, the Company (i) shall be required to adjourn or postpone the Company Stockholders Meeting (A) to the extent necessary to ensure that any required supplement or amendment to the Joint Proxy Statement is provided to the Company Stockholders or (B) if, as of the time for which the Company Stockholders Meeting is scheduled, there are insufficient shares of Company Common Stock represented (either in person or by proxy) to establish a quorum at such Company Stockholders Meeting and (ii) may adjourn or postpone the Company Stockholders Meeting if, as of the time for which the Company Stockholders Meeting is scheduled, there are insufficient shares of Company Common Stock represented (either in person or by proxy) to obtain the Company Stockholder Approval; *provided, however*, that unless otherwise agreed to by the parties, the Company Stockholders Meeting shall not be adjourned or postponed to a date that is more than 30 days after the date for which the meeting was previously scheduled (it being understood that such Company Stockholders Meeting shall be adjourned or postponed every time the circumstances described in the foregoing *clauses (i)(A) or (i)(B)* exist, and such Company Stockholders Meeting may be adjourned or postponed every time the circumstances described in the foregoing *clause (ii)* exist); and *provided, further*, that the Company Stockholders Meeting shall not be adjourned or postponed to a date on or after two Business Days prior to the End Date. Notwithstanding the foregoing, the Company may adjourn or postpone the Company Stockholders Meeting to a date no later than the second Business Day after the expiration of any of the periods contemplated by *Section 6.3(d)(iii)(B)*. If requested by Parent, the Company shall promptly provide to Parent all voting tabulation reports relating to the Company Stockholders Meeting that have been prepared by the Company or the Company's transfer agent, proxy solicitor or other Representative. Unless this Agreement has been terminated in accordance with *Article VIII*, the Company's obligations to call, give notice of, convene and hold the Company Stockholders Meeting in accordance with this *Section 6.6(a)* shall not be limited or otherwise affected by the making, commencement, disclosure, announcement or submission of any Company Superior Proposal or Company Competing Proposal, or by any Company Change of Recommendation.

(b) Parent shall take all action necessary in accordance with applicable Laws and the Organizational Documents of Parent to duly give notice of, convene and hold a meeting of its stockholders for the purpose of obtaining the Parent Stockholder Approval, to be held as promptly as reasonably practicable following the clearance of the Joint Proxy Statement by the SEC. Except as permitted by *Section 6.4*, the Parent, through the Parent Board, shall recommend to the Parent Stockholders that they vote in favor of the Parent Common Stock Issuance at the Parent Stockholders Meeting and the Parent Board shall solicit from Parent Stockholders proxies in favor of the Parent Common Stock Issuance at the Parent Stockholders Meeting, and the Joint Proxy Statement shall include a statement to the effect that the Parent Board has resolved to make the Parent Board Recommendation. Notwithstanding anything to the contrary contained in this Agreement, Parent (i) shall be required to adjourn or postpone the Parent Stockholders Meeting (A) to the extent necessary to ensure that any required supplement or amendment to the Joint

Proxy Statement is provided to the Parent's stockholders or (B) if, as of the time for which the Parent Stockholders Meeting is scheduled, there are insufficient shares of Parent Common Stock represented (either in person or by proxy) to establish a quorum at such Parent Stockholders Meeting and (ii) may adjourn or postpone the Parent Stockholders Meeting if, as of the time for which the Parent Stockholders Meeting is scheduled, there are insufficient shares of Parent Common Stock represented (either in person or by proxy) to obtain the Parent Stockholder Approval; *provided, however*, that unless otherwise agreed to by the parties, the Parent Stockholders Meeting shall not be adjourned or postponed to a date that is more than 30 days after the date for which the meeting was previously scheduled (it being understood that such Parent Stockholders Meeting shall be adjourned or postponed every time the circumstances described in the foregoing *clauses (i)(A) or (i)(B)* exist, and such Parent Stockholders Meeting may be adjourned or postponed every time the circumstances described in the foregoing *clause (ii)* exist); and *provided, further*, that the Parent Stockholders Meeting shall not be adjourned or postponed to a date on or after two Business Days prior to the End Date. Notwithstanding the foregoing, Parent may adjourn or postpone the Parent Stockholders Meeting to a date no later than the second Business Day after the expiration of any of the periods contemplated by *Section 6.4(d)(iii)(B)*. If requested by the Company, Parent shall promptly provide the Company with all voting tabulation reports relating to the Parent Stockholders Meeting that have been prepared by Parent or Parent's transfer agent, proxy solicitor or other Representative. Unless this Agreement has been terminated in accordance with *Article VIII*, Parent's obligations to call, give notice of, convene and hold the Parent Stockholders Meeting in accordance with this *Section 6.6(b)* shall not be limited or otherwise affected by the making, commencement, disclosure, announcement or submission of any Parent Superior Proposal or Parent Competing Proposal, or by any Parent Change of Recommendation.

(c) The parties shall use their commercially reasonable efforts to hold the Company Stockholders Meeting and the Parent Stockholders Meeting on the same day.

6.7 Access to Information.

(a) Each party shall, and shall cause each of its Subsidiaries to, afford to the other party and its Representatives, during the period prior to the earlier of the Effective Time and the termination of this Agreement pursuant to the terms of *Section 8.1*, reasonable access, during normal business hours and upon reasonable prior notice, to the officers, any other employees, and offices of such party and its Subsidiaries and to their books, records, contracts and documents and shall, and shall cause each of its Subsidiaries to, furnish reasonably promptly to the other party and its Representatives such information concerning its and its Subsidiaries' business, properties, contracts, records and personnel as such other party may reasonably request, including information about the Company's financing, hedging activities, portfolio risk and portfolio activities. Each of the Company and Parent will use its commercially reasonable efforts to minimize any disruption to the businesses of the other party that may result from the requests for access, data and information hereunder. Notwithstanding the foregoing provisions of this *Section 6.7(a)*, each party shall not be required to, or to cause any of its Subsidiaries to, grant access or furnish information to the other party or any of its Representatives to the extent that (i) such information is subject to an attorney/client privilege, the attorney work product doctrine or other legal privilege or (ii) such access or the furnishing of such information is prohibited by applicable Law or an existing contract or agreement or a contract or agreement entered into after the date of this Agreement in the ordinary course of business consistent with past practice. Each party agrees that it will not, and will cause its Representatives not to, use any information obtained pursuant to this *Section 6.7(a)* for any purpose unrelated to the consummation of the Transactions.

(b) The Confidentiality Agreement dated as of March 1, 2018 between Parent and the Company (the "**Confidentiality Agreement**") shall survive the execution and delivery of this

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Agreement and shall apply to all information furnished thereunder or hereunder. All information provided to any party or its Representatives pursuant to or in connection with this Agreement is deemed to be "Evaluation Material" as defined under the Confidentiality Agreement.

6.8 *Reasonable Best Efforts.*

(a) Subject to the terms and conditions of this Agreement, each party will use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable under applicable Laws to consummate the Merger and the other Transactions as soon as practicable after the date hereof, including (i) preparing and filing or otherwise providing, in consultation with the other party and as promptly as practicable and advisable after the date hereof, all documentation to effect all necessary applications, notices, petitions, filings, and other documents and to obtain as promptly as practicable all waiting period expirations or terminations, consents, clearances, waivers, licenses, orders, registrations, approvals, permits, and authorizations necessary or advisable to be obtained from any third party and/or any Governmental Entity in order to consummate the Merger or any of the other Transactions and (ii) taking all steps as may be necessary, subject to the limitations in this *Section 6.8*, to obtain all such waiting period expirations or terminations, consents, clearances, waivers, licenses, registrations, permits, authorizations, orders and approvals.

(b) In connection with and without limiting the foregoing, each of the parties shall give any required notices to third parties, and each of the parties shall use, and cause each of their respective Subsidiaries and Affiliates to use, its reasonable best efforts to obtain any third party consents that are necessary, proper or advisable to consummate the Merger. Each of the parties will furnish to the other such necessary information and reasonable assistance as the other may request in connection with the preparation of any required filings or submissions with any Governmental Entity and will cooperate in responding to any inquiry from a Governmental Entity, including promptly informing the other parties of such inquiry, consulting in advance before making any presentations or submissions to a Governmental Entity, and supplying each other with copies of all material correspondence, filings or communications between either party and any Governmental Entity with respect to this Agreement. To the extent reasonably practicable, the parties and their Representatives shall have the right to review in advance and each of the parties will consult the others on, all the information relating to the other and each of their Affiliates that appears in any filing made with, or written materials submitted to, any Governmental Entity in connection with the Merger and the other Transactions, except that confidential competitively sensitive business information may be redacted from such exchanges. To the extent reasonably practicable, none of the parties shall, nor shall they permit their respective Representatives to, participate independently in any meeting or engage in any substantive conversation with any Governmental Entity in respect of any filing, investigation or other inquiry without giving the other party prior notice of such meeting or conversation and, to the extent permitted by applicable Law, without giving the other parties the opportunity to attend or participate (whether by telephone or in person) in any such meeting with such Governmental Entity.

(c) In connection with obtaining any approval or consent from any Person with respect to the Merger, the Company or any Subsidiary of the Company shall not pay or commit to pay to any Person whose approval or consent is being solicited any cash or other consideration, make any accommodation or commitment or incur any liability or other obligation to such Person without the prior written consent of Parent. The parties shall cooperate to obtain such consents.

6.9 *Employee Matters.*

(a) Prior to the Closing Date, Pine River Capital Management L.P. ("**Pine River**") will extend offers of employment for its office located in Minnetonka, Minnesota to each individual who is employed by the Company or a Subsidiary thereof immediately prior to the Closing Date and is not an executive officer of the Company (a "**Company Employee**"). Neither Pine River nor Parent will make any guarantees as to the role, compensation, benefits, or term of employment offered to such a Company Employee. Any Company Employee who accepts such an offer will become subject to same employment policies, compensation practices and benefit plans applicable to Pine River employees whose services are dedicated to Parent. If a Company Employee does not receive or accept such an offer from Pine River, such Company Employee shall be entitled to severance benefits in accordance with the Company's severance policies as in effect immediately prior to the Closing Date as set forth on *Schedule 6.9(a)* of the Company Disclosure Letter.

(b) Nothing in this Agreement shall constitute an amendment to, or be construed as amending, any Employee Benefit Plan sponsored, maintained or contributed to by the Company, Parent or any of their respective Subsidiaries. The provisions of this *Section 6.9* are for the sole benefit of the parties and nothing herein, expressed or implied, is intended or will be construed to confer upon or give to any Person (including, for the avoidance of doubt, any Company Employee or other current or former employee of the Company or any of their respective Affiliates), other than the parties and their respective permitted successors and assigns, any legal or equitable or other rights or remedies (including with respect to the matters provided for in this *Section 6.9*) under or by reason of any provision of this Agreement.

6.10 *Indemnification; Directors' and Officers' Insurance.*

(a) Without limiting any other rights that any Indemnified Person (as defined below) may have pursuant to any employment agreement or indemnification agreement in effect on the date hereof or otherwise (which shall be assumed by Parent and the Surviving Corporation), from and after the Effective Time, Parent and the Surviving Corporation shall, jointly and severally, to indemnify, defend and hold harmless each Person who is now, or has been at any time prior to the date of this Agreement or who becomes prior to the Effective Time, a director or officer of the Company or any of its Subsidiaries or who acts as a fiduciary under any Company Plan or any of its Subsidiaries or is or was serving at the request of the Company or any of its Subsidiaries as a director or officer of another corporation, partnership, limited liability company, joint venture, Employee Benefit Plan, trust or other enterprise (the "**Indemnified Persons**") against and from all losses, claims, damages, costs, fines, penalties, expenses (including attorneys' and other professionals' fees and expenses), liabilities or judgments or amounts that are paid in settlement of, or incurred in connection with any threatened or actual Proceeding to which such Indemnified Person is a party or is otherwise involved (including as a witness) based, in whole or in part, on or arising, in whole or in part, out of the fact that such Person is or was a director or officer of the Company or any of its Subsidiaries, a fiduciary under any Company Plan or any of its Subsidiaries or is or was serving at the request of the Company or any of its Subsidiaries as a director or officer of another corporation, partnership, limited liability company, joint venture, Employee Benefit Plan, trust or other enterprise or by reason of anything done or not done by such Person in any such capacity, whether pertaining to any act or omission occurring or existing prior to, at or after the Effective Time and whether asserted or claimed prior to, at or after the Effective Time ("**Indemnified Liabilities**"), including all Indemnified Liabilities based in whole or in part on, or arising in whole or in part out of, or pertaining to, this Agreement or the Transactions, in each case, to the fullest extent permitted under applicable Law (and Parent and the Surviving Corporation shall, jointly and severally, pay expenses incurred in connection therewith in advance of the final disposition of any such Proceeding to each Indemnified Person to the fullest extent permitted under applicable Law). Without limiting the foregoing, in the event any such Proceeding

is brought or threatened to be brought against any Indemnified Persons (whether arising before or after the Effective Time), (i) the Indemnified Persons may retain the Company's regularly engaged legal counsel or other counsel satisfactory to such Indemnified Person, and Parent and the Surviving Corporation shall pay all reasonable fees and expenses of such counsel for the Indemnified Persons as promptly as statements therefor are received, and (ii) the Surviving Corporation shall use its best efforts to assist in the defense of any such matter. Any Indemnified Person wishing to claim indemnification or advancement of expenses under this *Section 6.10*, upon learning of any such Proceeding, shall notify the Surviving Corporation (but the failure so to notify shall not relieve a party from any obligations that it may have under this *Section 6.10* except to the extent such failure materially prejudices such party's position with respect to such claims). With respect to any determination of whether any Indemnified Person is entitled to indemnification by Parent or Surviving Corporation under this *Section 6.10*, such Indemnified Person shall have the right to require that such determination be made by special, independent legal counsel selected by the Indemnified Person and approved by Parent or Surviving Corporation, as applicable (which approval shall not be unreasonably withheld or delayed), and who has not otherwise performed material services for Parent, Surviving Corporation, the Company or the Indemnified Person within the last three (3) years.

(b) Parent and the Surviving Corporation shall not amend, repeal or otherwise modify any provision in the Organizational Documents of the Surviving Corporation or its Subsidiaries in any manner that would affect (or manage the Surviving Corporation or its Subsidiaries, with the intent to or in a manner that would affect) adversely the rights thereunder or under the Organizational Documents of the Surviving Corporation or any of its Subsidiaries of any Indemnified Person to indemnification, exculpation and advancement except to the extent required by applicable Law. Parent shall, and shall cause the Surviving Corporation and its Subsidiaries to, fulfill and honor any indemnification, expense advancement or exculpation agreements between the Company or any of its Subsidiaries and any of its directors, officers or employees existing immediately prior to the Effective Time.

(c) Parent and the Surviving Corporation shall indemnify any Indemnified Person against all reasonable costs and expenses (including reasonable attorneys' fees and expenses), such amounts to be payable in advance upon request as provided in *Section 6.10(a)*, relating to the enforcement of such Indemnified Person's rights under this *Section 6.10* or under any charter, bylaw or contract in the event such Indemnified Person is ultimately determined to be entitled to indemnification hereunder or thereunder.

(d) Parent and the Surviving Corporation shall put in place, and fully prepay immediately prior to the Effective Time, "tail" insurance policies (collectively, the "**D&O Insurance**") with a claims period of at least six years from the Effective Time from an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to directors' and officers' liability insurance in an amount and scope at least as favorable as the Company's existing policies with respect to matters, acts or omissions existing or occurring at or prior to the Effective Time; *provided, however*, that the Surviving Corporation shall not be required to pay an annual premium for the D&O Insurance in excess of (for any one year) 300% of the annual premium paid by the Company for such insurance as of the date of this Agreement; and provided, further, that if the annual premiums of such insurance coverage exceed such amount, the Surviving Corporation shall be obligated to obtain a policy with the greatest coverage available, with respect to facts, acts, events or omissions occurring prior to the Effective Time, for a cost not exceeding such amount.

(e) In the event that Parent, the Surviving Corporation or any Subsidiary of the Surviving Corporation, or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such

consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, in each such case, proper provisions shall be made so that the successors and assigns of Parent, the Surviving Corporation or such Subsidiary of the Surviving Corporation, as the case may be, shall assume the obligations set forth in this *Section 6.10*. Parent and the Surviving Corporation shall not sell, transfer, distribute or otherwise dispose of any of their assets or the assets of any Subsidiary in a manner that would reasonably be expected to render Parent or the Surviving Corporation unable to satisfy their obligations under this *Section 6.10*. The provisions of this *Section 6.10* are intended to be for the benefit of, and shall be enforceable by, the parties and each Person entitled to indemnification or insurance coverage or expense advancement pursuant to this *Section 6.10*, and his heirs and representatives. The rights of the Indemnified Persons under this *Section 6.10* are in addition to any rights such Indemnified Persons may have under the Organizational Documents of the Company or any of its Subsidiaries, or under any applicable contracts or Law. Parent and the Surviving Corporation shall pay all expenses, including attorneys' fees, that may be incurred by any Indemnified Person in enforcing the indemnity and other obligations provided in this *Section 6.10*.

6.11 *Stockholder Litigation.* Each party shall give the other party a reasonable opportunity to participate in the defense or settlement of any Transaction Litigation and shall consider in good faith the other party's advice with respect to such Transaction Litigation; *provided*, that the Company shall not agree to settle any Transaction Litigation without the prior written consent of Parent.

6.12 *Public Announcements.* The initial press release with respect to the execution of this Agreement shall be a joint press release to be reasonably agreed upon by the parties. From and after the date hereof, so long as this Agreement is in effect, neither the Company nor Parent, nor any of their respective controlled Affiliates or Subsidiaries, nor the Parent Manager, shall issue or cause the publication of any press release or other announcement with respect to the Merger or this Agreement without the prior consent of the other party (which consent shall not be unreasonably withheld, conditioned or delayed), unless (a) such party determines, after consultation with outside counsel, that it is required by applicable Law or the rules of any stock exchange upon which such party's capital stock is traded to issue or cause the publication of any press release or other announcement with respect to the Transactions, including the Merger or this Agreement, in which event such party shall endeavor, on a basis reasonable under the circumstances, to provide a meaningful opportunity to the other party to review and comment upon such press release or other announcement and shall give due consideration to all reasonable additions, deletions or changes suggested thereto or (b) in the case of the Company or Parent, it deems it necessary or appropriate to issue or cause the publication of any press release or other announcement with respect to the Merger, this Agreement or the other Transactions in connection with or following a Company Change of Recommendation or a Parent Change of Recommendation, respectively; *provided, however*, each party and their respective controlled affiliates may make statements that are not inconsistent with previous press releases, public disclosures or public statements made by Parent and the Company in compliance with this *Section 6.12*.

6.13 *Control of Business.* Without limiting in any way any party's rights or obligations under this Agreement, nothing contained in this Agreement shall give any party, directly or indirectly, the right to control or direct the other party and their respective Subsidiaries' operations prior to the Effective Time. Prior to the Effective Time, each of the parties shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

6.14 *Transfer Taxes.* All Transfer Taxes incurred in connection with the Transactions shall be paid 50% by the Company and 50% by Parent, whether levied on Parent or any other Person, and the Company shall cooperate with Merger Sub and Parent in preparing, executing and filing any Tax Returns with respect to such Transfer Taxes, including supplying in a timely manner a complete list of all real property interests held by the Company that are located in New York State and any information

with respect to such property that is reasonably necessary to complete such Tax Returns. The portion of the consideration to be received by holders of Company Common Stock in connection with the Merger that is allocable to the real property of the Company and its subsidiaries in New York State shall be determined by Merger Sub in its reasonable discretion.

6.15 *Notification.* The Company shall give prompt notice to Parent, and Parent shall give prompt notice to the Company, (a) of any notice or other communication received by such party from any Governmental Entity in connection with this Agreement, the Merger or the other Transactions, or from any Person alleging that the consent of such Person is or may be required in connection with the Merger or the other Transactions, if the subject matter of such communication or the failure of such party to obtain such consent could be material to the Company, the Surviving Corporation or Parent, (b) of any Proceeding commenced or, to any party's knowledge, threatened against, such party or any of its Affiliates or otherwise relating to, involving or affecting such party or any of its Affiliates, in each case, in connection with, arising from or otherwise relating to the Merger or any other Transaction ("**Transaction Litigation**"), and (c) upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of the Subsidiaries of the Company or any of the Subsidiaries of Parent, respectively, which would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or a Parent Material Adverse Effect, as the case may be, or which would reasonably be expected to prevent or materially delay or impede the consummation of the Transactions; *provided, however*, that the delivery of any notice pursuant to this *Section 6.15* shall not cure any breach of any representation or warranty requiring disclosure of such matter prior to the date of this Agreement or otherwise limit or affect the remedies available hereunder to any party.

6.16 *Section 16 Matters.* Prior to the Effective Time, Parent, Merger Sub and the Company shall take all such steps as may be reasonably necessary or advisable to cause any dispositions of equity securities of the Company (including derivative securities) and acquisitions of equity securities of Parent (including derivative securities) in connection with this Agreement by each individual who is a director or officer of the Company subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to the Company, or will become subject to such reporting requirements with respect to Parent, to be exempt under Rule 16b-3 under the Exchange Act.

6.18 *Tax Matters.*

(a) After the Closing, Eiger Partnership shall cause the Company to convert to a limited liability company and revoke the Company's REIT election.

(b) The parties shall use their respective reasonable best efforts to obtain or cause to be provided, as appropriate, the opinions of counsel described in *Sections 7.2(d)* and *Sections 7.3(d)*, respectively.

(c) The Company shall cause to be prepared all Tax Returns which the Company is required to file, if any, and shall file with the appropriate taxing authorities all such returns in a manner required for the Company to be in compliance with any law governing the timely filing of such returns.

6.19 *Additional Dividends.*

(a) Prior to the Effective Time, the Company shall declare a dividend to its stockholders, the payment date for which shall be the close of business on the last Business Day prior to the Closing Date, subject to funds being legally available therefor. The record date for such dividends shall be

three (3) Business Days before the payment date. The per share dividend amount payable by the Company pursuant to this *Section 6.19(a)* shall be an amount equal to (i) the Company's then-most recent quarterly dividend (on a per share basis), multiplied by the number of days elapsed since the last dividend record date through and including the day prior to the Closing Date, and divided by the actual number of days in the calendar quarter in which such dividend is declared, plus (ii) an additional amount (the "**Company Additional Dividend Amount**"), if any, necessary so that the aggregate dividend payable is equal to the Minimum Distribution Dividend. The Company and Parent shall cooperate in good faith to determine whether it is necessary to authorize and declare a Company Additional Dividend Amount and the amount (if any) of the Company Additional Dividend Amount.

(b) Prior to the Effective Time, Parent shall declare a dividend to its stockholders, the payment date for which shall be the close of business on the last Business Day prior to the Closing Date, subject to funds being legally available therefor. 6.20 *Takeover Laws.* The parties shall use their respective reasonable best efforts (a) to take all action necessary so that no Takeover Law is or becomes applicable to the Merger or any of the other Transactions and (b) if any such Takeover Law is or becomes applicable to any of the foregoing, to take all action necessary so that the Merger and the other Transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to eliminate or minimize the effect of such Takeover Law on the Merger and the other Transactions.

6.21 *Delisting.* Each of the parties agrees to cooperate with the other parties in taking, or causing to be taken, all actions necessary to delist each of the Company Common Stock and Company Preferred Stock from the NYSE and terminate its registration under the Exchange Act; *provided* that such delisting and termination shall not be effective until after the Effective Time.

6.22 *Obligations of Merger Sub.* Parent shall take all action necessary to cause Merger Sub and the Surviving Corporation to perform their respective obligations under this Agreement and to consummate the Merger and the other Transactions upon the terms and subject to the conditions set forth in this Agreement.

(b) *Performance of Obligations of the Company.* The Company shall have performed, or complied with, in all material respects all agreements and covenants required to be performed or complied with by it under this Agreement on or prior to the Effective Time.

(c) *Compliance Certificate.* Parent shall have received a certificate of the Company signed by the chief executive officer of the Company, dated the Closing Date, confirming that the conditions in *Sections 7.2(a)* and *(b)* have been satisfied.

(d) *REIT Opinion.* Parent shall have received a written opinion of Vinson & Elkins L.L.P. (or other counsel to Company reasonably acceptable to Parent, which the parties agree shall include Sidley Austin LLP for purposes of this *Section 7.2(d)*), dated as of the Closing Date and in form and substance reasonably satisfactory to Parent, to the effect that, commencing with the Company's taxable year ended December 31, 2006, the Company has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code and its actual method of operation has enabled the Company to meet, through the Effective Time, the requirements for qualification and taxation as a REIT under the Code. Such opinion will be subject to customary exceptions, assumptions and qualifications and based on customary representations contained in an officer's certificate executed by the Company, provided that Parent is given a reasonable opportunity to review such representations and finds them reasonably acceptable.

(e) *Absence of Company Material Adverse Effect.* Except as disclosed in *Schedule 7.2(e)* of the Company Disclosure Letter, since the date of this Agreement, there shall not have been any event, change, effect or development that, individually or in the aggregate, has had or would reasonably be expected to have a Company Material Adverse Effect.

7.3 *Additional Conditions to Obligations of the Company.* The obligation of the Company to consummate the Merger is subject to the satisfaction at or prior to the Effective Time of each of the following conditions, any or all of which may be waived exclusively by the Company, in whole or in part, to the extent permitted by applicable Law:

(b) *Performance of Obligations of Parent and Merger Sub.* Parent and Merger Sub each shall have performed, or complied with, in all material respects all agreements and covenants required to be performed or complied with by them under this Agreement at or prior to the Effective Time.

(c) *Compliance Certificate.* The Company shall have received a certificate of Parent signed by an executive officer of Parent, dated the Closing Date, confirming that the conditions in *Sections 7.3(a)* and *(b)* have been satisfied.

(d) *REIT Opinion.* The Company shall have received a written opinion of Sidley Austin LLP (or other counsel to Parent reasonably satisfactory to the Company, which the parties agree shall include Vinson & Elkins L.L.P. for purposes of this *Section 7.3(d)*), dated as of the Closing Date and in form and substance reasonably satisfactory to the Company, to the effect that, commencing with Parent's taxable year ended December 31, 2009, Parent has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code and its actual method of operation has enabled Parent to meet, through the Effective Time, the requirements for qualification and taxation as a REIT under the Code, and that its past, current and intended future organization and operations will permit Parent to continue to qualify for taxation as a REIT under the Code for its taxable year which includes the Effective Time and thereafter. Such opinion will be subject to customary exceptions, assumptions and qualification and based on customary representations contained in officer's certificates executed by Parent and the Company, provided that the Company is given a reasonable opportunity to review such representations and finds them reasonably acceptable.

(e) *Listing; Classification.* The shares of Parent Common Stock, Parent Series D Preferred Stock and Parent Series E Preferred Stock to be issued in the Merger shall have been approved for listing on the NYSE, subject to official notice of issuance, and the articles supplementary classifying the Parent Series D Preferred Stock attached hereto as *Annex C* and the Parent Series E Preferred Stock attached hereto as *Annex D* shall have been filed with and accepted for record by the Maryland Department.

(f) *Absence of Parent Material Adverse Effect.* Except as disclosed in *Schedule 7.3(f)* of the Parent Disclosure Letter, since the date of this Agreement, there shall not have been any event, change, effect or development that, individually or in the aggregate, has had or would reasonably be expected to have a Parent Material Adverse Effect.

7.4 *Frustration of Closing Conditions.* None of the parties may rely, either as a basis for not consummating the Merger or for terminating this Agreement, on the failure of any condition set forth in *Section 7.1, 7.2 or 7.3*, as the case may be, to be satisfied if such failure was caused by such party's breach in any material respect of any provision of this Agreement.

ARTICLE VIII TERMINATION

8.1 *Termination.* This Agreement may be terminated and the Merger and the other Transactions contemplated hereby may be abandoned at any time prior to the Effective Time, whether (except as expressly set forth below) before or after the Company Stockholder Approval or the Parent Stockholder Approval has been obtained:

(a) by mutual written consent of the Company and Parent;

(b) by either the Company or Parent:

(i) if any Governmental Entity of competent jurisdiction shall have issued a final and nonappealable order, decree, ruling or injunction or taken any other action permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger, or if there shall have been adopted prior to the Effective Time any Law that permanently makes the consummation of the Merger illegal or otherwise permanently prohibited;

(ii) if the Merger shall not have been consummated on or before 5:00 p.m. New York, New York time, on October 31, 2018 (such date being the "**End Date**"); *provided, however*, that the right to terminate this Agreement under this *Section 8.1(b)(ii)* shall not be available to any party whose breach of any representation, warranty, covenant or agreement contained in this Agreement has been the cause of or resulted in the failure of the Merger to occur on or before such date;

(iii) (A) in the event of a breach by the other party of any covenant or other agreement contained in this Agreement (other than in *Section 6.3 or 6.4*) or if any representation and warranty of the other party contained in this Agreement fails to be true and correct which (x) would give rise to the failure of a condition set forth in *Section 7.2(a) or (b) or Section 7.3(a) or (b)*, as applicable, if it were continuing as of the Closing Date and (y) cannot be or has not been cured (or is incapable of becoming true or does not become true) by the earlier of (1) the End Date and (2) the date that is 30 days (five Business Days in the case of any breach of *Sections 6.5 or 6.6*) after the giving of written notice to the breaching party of such breach or failure to be true and correct and the basis for such notice (a "**Terminable Breach**"); *provided, however*, that the terminating party is not then in Terminable Breach of any representation, warranty, covenant or other agreement contained in this Agreement or (B) in the event of a Willful and Material Breach by the other party of *Section 6.3 or 6.4*, as applicable;

(iv) if (A) the Company Stockholder Approval shall not have been obtained upon a vote held at a duly held Company Stockholders Meeting or (B) the Parent Stockholder Approval shall not have been obtained upon a vote held at a duly held Parent Stockholders Meeting; or

(c) By Parent, prior to the time the Company Stockholder Approval is obtained, if the Company Board thereof shall have effected a Company Change of Recommendation, whether or not in accordance with *Section 6.3(d)(iii) or Section 6.3(e)*; or

(d) by the Company:

(i) if prior to the receipt of the Company Stockholder Approval, the Company Board determines to terminate this Agreement in accordance with *Section 6.3(d)(iii)* in connection

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

with a Company Superior Proposal and the Company Board has approved, and concurrently with the termination hereunder, the Company enters into, a definitive agreement providing for the implementation of such Company Superior Proposal; *provided, however*, that such termination shall not be effective unless the Company concurrently therewith pays or causes to be paid the Company Termination Fee in accordance with *Section 8.3(b)*; or

(ii) prior to the time the Parent Stockholder Approval is obtained, if the Parent Board thereof shall have effected a Parent Change of Recommendation whether or not in accordance with *Section 6.4(d)(iii)* or *Section 6.4(e)*.

8.2 *Notice of Termination; Effect of Termination.*

(a) A terminating party shall provide written notice of termination to the other party specifying with particularity the reason for such termination, and any termination shall be effective immediately upon delivery of such written notice to the other party.

(b) In the event of termination of this Agreement by any party as provided in *Section 8.1*, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of any party except with respect to this *Section 8.2*, *Section 6.7(b)*, *Section 8.3* and *Articles I* and *IX*, which sections and articles shall not terminate; *provided, however*, that notwithstanding anything to the contrary herein, no such termination shall relieve any party from liability for any damages (including, in the case of the Company, damages based on the consideration that would have otherwise been payable to the Company Stockholders, which shall be deemed to be damages of the Company) for a Willful and Material Breach of any covenant, agreement or obligation hereunder or intentional fraud, or as provided in the Confidentiality Agreement, in which case the aggrieved party shall be entitled to all rights and remedies available at law or in equity.

8.3 *Expenses and Other Payments.*

(a) Except as otherwise provided in this *Section 8.3*, each party shall pay its own expenses incident to preparing for, entering into and carrying out this Agreement and the consummation of the Transactions, whether or not the Merger shall be consummated.

(b) If (1) Parent terminates this Agreement pursuant to *Section 8.1(c)* (*Company Change of Recommendation*) or *Section 8.1(b)(iii)(B)* (*Company's Breach of No Solicitation*), then the Company shall pay Parent the Company Termination Fee in cash by wire transfer of immediately available funds (to an account designated by Parent) no later than two Business Days after notice of termination of this Agreement or (2) the Company terminates this Agreement pursuant to *Section 8.1(d)(i)* (*Company Superior Proposal*), then the Company shall pay Parent the Company Termination Fee in cash by wire transfer of immediately available funds (to an account designated by Parent) concurrently with notice of termination of this Agreement.

(c) If the Company terminates this Agreement pursuant to *Section 8.1(d)(ii)* (*Parent Change of Recommendation*) or *Section 8.1(b)(iii)(B)* (*Parent's Breach of No Solicitation*), then Parent shall pay the Company the Parent Termination Fee in cash by wire transfer of immediately available funds (to an account designated by the Company) no later than two Business Days after notice of termination of this Agreement.

(d) (i) If (A) either the Company or Parent terminates this Agreement pursuant to *Section 8.1(b)(ii)* (*End Date*) (and the Parent Stockholder Approval has been obtained but the Company Stockholder Approval has not been obtained) or *Section 8.1(b)(iv)(A)* (*Failure to Obtain Company Stockholder Approval*), or (B) Parent terminates this Agreement pursuant to *Section 8.1(b)(iii)(A)* (*Company Terminable Breach*), then the Company shall pay Parent the Parent Expenses or (ii) if (A) either the Company or Parent terminates this Agreement pursuant to *Section 8.1(b)(ii)* (*End Date*) (and the Company Stockholder Approval has been obtained but the

Parent Stockholder Approval has not been obtained) or *Section 8.1(b)(iv)(B) (Failure to Obtain Parent Stockholder Approval)* or (B) the Company terminates this Agreement pursuant to *Section 8.1(b)(iii)(A) (Parent Terminable Breach)*, then Parent shall pay the Company the Company Expenses, in each case, in cash by wire transfer of immediately available funds (to an account designated by the receiving party) no later than three Business Days after notice of termination of this Agreement.

(e) If (i) (A) Parent or the Company terminates this Agreement pursuant to *Section 8.1(b)(ii) (End Date)* (and the Parent Stockholder Approval has been obtained but the Company Stockholder Approval has not been obtained) or (B) Parent terminates this Agreement pursuant to *Section 8.1(b)(iii)(A) (Company Terminable Breach)*, (ii) on or before the date of any such termination a Company Competing Proposal shall have been publicly announced or publicly disclosed or otherwise publicly communicated to the Company Board and not withdrawn prior to such date, and (iii) within 12 months after the date of such termination, the Company or any Subsidiary of the Company enters into a definitive agreement with respect to any Company Competing Proposal or consummates any Company Competing Proposal, then the Company shall pay Parent the Company Termination Fee less any amount previously paid by the Company pursuant to *Section 8.3(d)*. For purposes of this *Section 8.3(e)*, any reference in the definition of Company Competing Proposal to "25%" shall be deemed to be a reference to "more than 50%."

(f) If (i) Parent or the Company terminates this Agreement pursuant to *Section 8.1(b)(iv)(A) (Failure to Obtain Company Stockholder Approval)*, (ii) on or before the date of the Company Stockholders Meeting a Company Competing Proposal shall have been publicly announced or publicly disclosed and not withdrawn prior to such date, and (iii) within 12 months after the date of such termination, the Company or any Subsidiary of the Company enters into a definitive agreement with respect to any Company Competing Proposal or consummates any Company Competing Proposal, then the Company shall pay Parent the Company Termination Fee less any amount previously paid by the Company pursuant to *Section 8.3(d)*. For purposes of this *Section 8.3(f)*, any reference in the definition of Company Competing Proposal to "25%" shall be deemed to be a reference to "more than 50%."

(g) If (i) (A) Parent or the Company terminates this Agreement pursuant to *Section 8.1(b)(ii) (End Date)* (and the Company Stockholder Approval has been obtained but the Parent Stockholder Approval has not been obtained), or (B) the Company terminates this Agreement pursuant to *Section 8.1(b)(iii)(A) (Parent Terminable Breach)*, (ii) on or before the date of any such termination an Alternative Proposal or Parent Competing Proposal shall have been publicly announced or publicly disclosed or otherwise publicly communicated to the Parent Board and not withdrawn prior to such date, and (iii) within 12 months after the date of such termination, Parent or any Subsidiary of Parent enters into a definitive agreement with respect to any Alternative Proposal or Parent Competing Proposal or consummates any Alternative Proposal or Parent Competing Proposal, then Parent shall pay the Company the Parent Termination Fee less any amount previously paid by Parent pursuant to *Section 8.3(d)*. For purposes of this *Section 8.3(f)*, any reference in the definition of Parent Competing Proposal to "25%" shall be deemed to be a reference to "more than 50%."

(h) If (i) Parent or the Company terminates this Agreement pursuant to *Section 8.1(b)(iv)(B) (Failure to Obtain Parent Stockholder Approval)*, (ii) on or before the date of the Parent Stockholders Meeting an Alternative Proposal or a Parent Competing Proposal shall have been publicly announced or publicly disclosed and not withdrawn prior to such date, and (iii) within 12 months after the date of such termination, Parent or a Subsidiary of Parent enters into a definitive agreement with respect to any Alternative Proposal or Parent Competing Proposal or consummates any Alternative Proposal or Parent Competing Proposal, then Parent shall pay the Company the Parent Termination Fee less any amount previously paid by Parent pursuant to

Section 8.3(d). For purposes of this *Section 8.3(h)*, any reference in the definition of Parent Competing Proposal to "25%" shall be deemed to be a reference to "more than 50%".

(i) In no event shall Parent be entitled to receive more than one payment of a Company Termination Fee or Parent Expenses. In addition, if Parent receives a full Company Termination Fee, then Parent will not be entitled to also receive a payment of the Parent Expenses. In no event shall the Company be entitled to receive more than one payment of a Parent Termination Fee or Company Expenses. In addition, if the Company receives a full Parent Termination Fee, then the Company will not be entitled to also receive a payment of the Company Expenses. The parties agree that the agreements contained in this *Section 8.3* are an integral part of the Transactions, and that, without these agreements, the parties would not enter into this Agreement. If a party fails promptly to pay the amount due by it pursuant to this *Section 8.3*, interest shall accrue on such amount from the date such payment was required to be paid pursuant to the terms of this Agreement until the date of payment at the rate of 7% per annum. If, in order to obtain such payment, the other party commences a Proceeding that results in judgment for such party for such amount, the defaulting party shall pay the other party its out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with such Proceeding. The parties agree that the monetary remedies set forth in this *Section 8.3* and the specific performance remedies set forth in *Section 9.11* shall be the sole and exclusive remedies of (i) the Company and its Subsidiaries against Parent and Merger Sub and any of their respective former, current or future general or limited partners, stockholders, managers, members, Representatives or Affiliates for any loss suffered as a result of the failure of the Merger to be consummated except in the case of intentional fraud or a Willful and Material Breach of any covenant, agreement or obligation (in which case only Parent shall be liable for damages for such intentional fraud or Willful and Material Breach), and upon payment of such amount, none of Parent or Merger Sub or any of their respective former, current or future general or limited partners, stockholders, managers, members, Representatives or Affiliates shall have any further liability or obligation relating to or arising out of this Agreement or the Transactions, except for the liability of Parent in the case of intentional fraud or a Willful and Material Breach of any covenant, agreement or obligation; and (ii) Parent and Merger Sub against the Company and its Subsidiaries and any of their respective former, current or future general or limited partners, stockholders, managers, members, Representatives or Affiliates for any loss suffered as a result of the failure of the Merger to be consummated except in the case of intentional fraud or a Willful and Material Breach of any covenant, agreement or obligation (in which case only the Company shall be liable for damages for such intentional fraud or Willful and Material Breach), and upon payment of such amount, none of the Company and its Subsidiaries or any of their respective former, current or future general or limited partners, stockholders, managers, members, Representatives or Affiliates shall have any further liability or obligation relating to or arising out of this Agreement or the Transactions, except for the liability of the Company in the case of intentional fraud or a Willful and Material Breach of any covenant, agreement or obligation.

(j) In the event that Parent is required to pay the Parent Termination Fee:

(i) The amount payable to the Company in any tax year of the Company shall not exceed the lesser of (A) the Parent Termination Fee payable to the Company and (B) the sum of (1) the maximum amount that can be paid to the Company without causing the Company to fail to meet the requirements of Sections 856(c)(2) and 856(c)(3) of the Code for the relevant tax year, determined as if the payment of such amount did not constitute income described in Sections 856(c)(2) or 856(c)(3) of the Code ("**Qualifying Income**") and the Company has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in each case, as determined by the Company's independent accountants, *plus* (2) in

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

the event that the Company received either (x) a letter from the Company's counsel indicating that the Company has received a ruling from the IRS as described below or (y) an opinion from the Company's outside counsel as described below, an amount equal to the excess of the Parent Termination Fee less the amount payable under *clause (1)* above.

(ii) To secure Parent's obligation to pay the amounts described in *Section 8.3(j)(i)*, Parent shall deposit into escrow the amount in cash equal to the Parent Termination Fee with an escrow agent selected by Parent on such terms (subject to this *Section 8.3*) as shall be mutually and reasonably agreed upon by the Company, Parent and the escrow agent. The payment or deposit into escrow of the Parent Termination Fee pursuant to this *Section 8.3* shall be made at the time Parent is obligated to pay the Parent Termination Fee. The escrow agent shall provide that the Parent Termination Fee in escrow or any portion thereof shall not be released to the Company unless the escrow agent receives any one or a combination of the following: (i) a letter from the Company's independent accountants indicating the maximum amount that can be paid by the escrow agent to the Company without causing the Company to fail to meet the required of Sections 856(c)(2) or 856(c)(3) of the Code determined as if the payment of such amount did not constitute Qualifying Income and the Company has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in which case the escrow agent shall release such amount to the Company, or (ii) a letter from the Company's counsel indicating that (A) the Company has received a ruling from IRS holding that the receipt by the Company of the Parent Termination Fee should either constitute Qualifying Income or should be excluded from gross income within the meaning of Sections 856(c)(2) and 856(c)(3) of the Code or (B) the Company's outside counsel has rendered a legal opinion to the effect that the receipt by the Company of the Parent Termination Fee should either constitute Qualifying Income or should be excluded from gross income within the meaning of Sections 856(c)(2) and 856(c)(3) of the Code, in which case the escrow agent shall release the remainder of the Parent Termination Fee to the Company. Parent agrees to amend this *Section 8.3(j)* at the reasonable request of the Company in order to (1) maximize that portion of the Parent Termination Fee that may be distributed to the Company hereunder without causing the Company to fail to meet the requirements of Sections 856(c)(2) and 856(c)(3) of the Code or (2) assist the Company in obtaining a favorable ruling from the IRS or legal opinion from its outside counsel, in each case, as described in this *Section 8.3(j)(ii)*. Any amount of the Parent Termination Fee that remains unpaid as of the end of a taxable year shall be paid as soon as possible during the following taxable year, subject to the foregoing limitation of this *Section 8.3(j)*.

(k) In the event that the Company is required to pay the Company Termination Fee:

(i) The amount payable to Parent in any tax year of Parent shall not exceed the lesser of (A) the Company Termination Fee payable to Parent, and (B) the sum of (1) the maximum amount that can be paid to Parent without causing Parent to fail to meet the requirements of Sections 856(c)(2) and 856(c)(3) of the Code for the relevant tax year, determined as if the payment of such amount did not constitute Qualifying Income and Parent has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in each case, as determined by Parent's independent accountants, plus (2) in the event that Parent received either (x) a letter from Parent's counsel indicating that Parent has received a ruling from the IRS as described below or (y) an opinion from Parent's outside counsel as described below, an amount equal to the excess of the Company Termination Fee, less the amount payable under *clause (1)* above.

(ii) To secure the Company's obligation to pay the amounts described in *Section 8.3(k)(i)*, the Company shall deposit into escrow the amount in cash equal to the Company Termination Fee with an escrow agent selected by the Company on such terms (subject to this *Section 8.3*) as shall be mutually and reasonably agreed upon by the Company, Parent and the escrow agent. The payment or deposit into escrow of the Company Termination Fee pursuant to this *Section 8.3* shall be made at the time the Company is obligated to pay the Company Termination Fee. The escrow agent shall provide that the Company Termination Fee in escrow or any portion thereof shall not be released to Parent unless the escrow agent received any one or a combination of the following: (i) a letter from Parent's independent accountants indicating the maximum amount that can be paid by the escrow agent to Parent without causing Parent to fail to meet the required of Sections 856(c)(2) or 856(c)(3) of the Code determined as if the payment of such amount did not constitute Qualifying Income and Parent has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in which case the escrow agent shall release such amount to Parent, or (ii) a letter from Parent's counsel indicating that (A) Parent has received a ruling from IRS holding that the receipt by Parent of the Company Termination Fee would either constitute Qualifying Income or would be excluded from gross income within the meaning of Sections 856(c)(2) and 856(c)(3) of the Code or (B) Parent's outside counsel has rendered a legal opinion to the effect that the receipt by Parent of the Company Termination Fee should either constitute Qualifying Income or should be excluded from gross income within the meaning of Sections 856(c)(2) and 856(c)(3) of the Code, in which case the escrow agent shall release the remainder of the Company Termination Fee to Parent. The Company agrees to amend this *Section 8.3(k)* at the reasonable request of Parent in order to (1) maximize that portion of the Company Termination Fee that may be distributed to Parent hereunder without causing Parent to fail to meet the requirements of Sections 856(c)(2) and 856(c)(3) of the Code or (2) assist Parent in obtaining a favorable ruling from the IRS or legal opinion from its outside counsel, in each case, as described in this *Section 8.3(k)(ii)*. Any amount of the Company Termination Fee that remains unpaid as of the end of a taxable year shall be paid as soon as possible during the following taxable year, subject to the foregoing limitation of this *Section 8.3(k)*.

9.4 *Rules of Construction.*

(a) Each of the parties acknowledges that it has been represented by counsel of its choice throughout all negotiations that have preceded the execution of this Agreement and that it has executed the same with the advice of independent counsel. Each party and its counsel cooperated in the drafting and preparation of this Agreement and the documents referred to herein, and any and all drafts relating thereto exchanged between the parties shall be deemed the work product of the parties and may not be construed against any party by reason of its preparation. Accordingly, any rule of law or any legal decision that would require interpretation of any ambiguities in this Agreement against any party that drafted it is of no application and is hereby expressly waived.

(b) The inclusion of any information in the Company Disclosure Letter or Parent Disclosure Letter shall not be deemed an admission or acknowledgment, in and of itself and solely by virtue

of the inclusion of such information in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, that such information is required to be listed in the Company Disclosure Letter or Parent Disclosure Letter, as applicable, that such items are material to the Company and its Subsidiaries, taken as a whole, or Parent and its Subsidiaries, taken as a whole, as the case may be, or that such items have resulted in a Company Material Adverse Effect or a Parent Material Adverse Effect. The headings, if any, of the individual sections of each of the Parent Disclosure Letter and Company Disclosure Letter are inserted for convenience only and shall not be deemed to constitute a part thereof or a part of this Agreement. The Company Disclosure Letter and Parent Disclosure Letter are arranged in sections corresponding to the Sections of this Agreement merely for convenience, and the disclosure of an item in one Section of the Company Disclosure Letter or Parent Disclosure Letter, as applicable, as an exception to a particular representation or warranty shall be deemed adequately disclosed as an exception with respect to all other representations or warranties to the extent that the relevance of such item to such representations or warranties is reasonably apparent from such item, notwithstanding the presence or absence of an appropriate Section of the Company Disclosure Letter or Parent Disclosure Letter with respect to such other representations or warranties or an appropriate cross reference thereto.

(c) The specification of any dollar amount in the representations and warranties or otherwise in this Agreement or in the Company Disclosure Letter or Parent Disclosure Letter is not intended and shall not be deemed to be an admission or acknowledgment of the materiality of such amounts or items, nor shall the same be used in any dispute or controversy between the parties to determine whether any obligation, item or matter (whether or not described herein or included in any schedule) is or is not material for purposes of this Agreement.

(d) All references in this Agreement to Annexes, Exhibits, Schedules, Articles, Sections, subsections and other subdivisions refer to the corresponding Annexes, Exhibits, Schedules, Articles, Sections, subsections and other subdivisions of this Agreement unless expressly provided otherwise. Titles appearing at the beginning of any Articles, Sections, subsections or other subdivisions of this Agreement are for convenience only, do not constitute any part of such Articles, Sections, subsections or other subdivisions, and shall be disregarded in construing the language contained therein. The words "this Agreement," "herein," "hereby," "hereunder" and "hereof" and words of similar import, refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The words "this Section," "this subsection" and words of similar import, refer only to the Sections or subsections hereof in which such words occur. The word "including" (in its various forms) means "including, without limitation." Pronouns in masculine, feminine or neuter genders shall be construed to state and include any other gender and words, terms and titles (including terms defined herein) in the singular form shall be construed to include the plural and vice versa, unless the context otherwise expressly requires. Unless the context otherwise requires, all defined terms contained herein shall include the singular and plural and the conjunctive and disjunctive forms of such defined terms. Unless the context otherwise requires, all references to a specific time shall refer to New York, New York time.

(e) In this Agreement, except as the context may otherwise require, references to: (i) any agreement (including this Agreement), contract, statute or regulation are to the agreement, contract, statute or regulation as amended, modified, supplemented, restated or replaced from time to time (in the case of an agreement or contract, to the extent permitted by the terms thereof and, if applicable, by the terms of this Agreement); (ii) any Governmental Entity include any successor to that Governmental Entity; (iii) any applicable Law refers to such applicable Law as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under such statute) and references to any section of any applicable Law or other law include any successor to such section; and (iv) "days" mean calendar days.

9.5 *Counterparts.* This Agreement may be executed in two or more counterparts, including via facsimile or email in "portable document format" (".pdf") form transmission, all of which shall be considered one and the same agreement and shall become effective when two or more counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart. The exchange of a fully executed Agreement (in counterparts or otherwise) by electronic transmission in pdf format or by facsimile shall be sufficient to bind the parties to the terms and conditions of this Agreement.

9.6 *Entire Agreement; Third Party Beneficiaries.*

(a) This Agreement (together with the Confidentiality Agreement, the other Transaction Agreements and any other documents and instruments executed pursuant hereto) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof.

(b) Except for the provisions of *Article III* (including, for the avoidance of doubt, the rights of the former holders of Company Common Stock and Company Preferred Stock to receive the applicable Merger Consideration) and *Sections 2.6* and *6.10* (which from and after the Effective Time are intended for the benefit of, and shall be enforceable by, the Persons referred to therein and by their respective heirs and representatives), nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement. Notwithstanding the foregoing, in the event of Parent's or Merger Sub's Willful and Material Breach of this Agreement or intentional fraud, then the Company Stockholders, acting solely through the Company, shall be beneficiaries of this Agreement and shall be entitled to pursue any and all legally available remedies, including equitable relief, and to seek recovery of all losses, liabilities, damages, costs and expenses of every kind and nature, including reasonable attorneys' fees; *provided, however*, that, to the fullest extent permitted by applicable Law, the rights granted pursuant to this sentence shall be enforceable only by the Company, on behalf of the Company Stockholders, in the Company's sole discretion, it being understood and agreed such rights shall attach to such shares of Company Stock and subsequently trade and transfer therewith and, consequently, any damages, settlements, or other amounts recovered or received by the Company with respect to such rights may, in the Company's sole discretion, be (a) distributed, in whole or in part, by the Company to the holders of shares of Company Common Stock of record as of any date determined by the Company or (b) retained by the Company for the use and benefit of the Company on behalf of its stockholders in any manner the Company deems fit.

9.7 *Governing Law; Venue; Waiver of Jury Trial.*

(a) THIS AGREEMENT, AND ALL CLAIMS OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT) THAT MAY BE BASED UPON, ARISE OUT OF OR RELATE TO THIS AGREEMENT, OR THE NEGOTIATION, EXECUTION OR PERFORMANCE OF THIS AGREEMENT, SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF MARYLAND, WITHOUT GIVING EFFECT TO THE PRINCIPLES OF CONFLICTS OF LAW THEREOF.

(b) THE PARTIES IRREVOCABLY SUBMIT TO THE JURISDICTION OF THE CIRCUIT COURT OF BALTIMORE CITY, MARYLAND AND TO THE JURISDICTION OF THE UNITED STATES DISTRICT COURT FOR THE STATE OF MARYLAND ANY APPELLATE COURTS THEREOF (COLLECTIVELY, THE "MARYLAND COURTS") IN ANY ACTION OR PROCEEDING THAT ARISES IN RESPECT OF THE INTERPRETATION AND ENFORCEMENT OF THE PROVISIONS OF THIS AGREEMENT AND THE DOCUMENTS REFERRED TO IN THIS AGREEMENT OR IN RESPECT OF THE TRANSACTIONS, AND HEREBY WAIVE, AND AGREE NOT TO ASSERT, AS A DEFENSE

IN ANY ACTION, SUIT OR PROCEEDING FOR INTERPRETATION OR ENFORCEMENT HEREOF OR ANY SUCH DOCUMENT THAT IT IS NOT SUBJECT THERETO OR THAT SUCH ACTION, SUIT OR PROCEEDING MAY NOT BE BROUGHT OR IS NOT MAINTAINABLE IN THE MARYLAND COURTS OR THAT VENUE THEREOF MAY NOT BE APPROPRIATE OR THAT THIS AGREEMENT OR ANY SUCH DOCUMENT MAY NOT BE ENFORCED IN OR BY SUCH COURTS, AND THE PARTIES IRREVOCABLY AGREE THAT ALL CLAIMS WITH RESPECT TO SUCH ACTION, SUIT OR PROCEEDING SHALL BE HEARD AND DETERMINED EXCLUSIVELY BY SUCH COURTS. IN ANY SUCH JUDICIAL PROCEEDING, EACH OF THE PARTIES FURTHER CONSENTS TO THE ASSIGNMENT OF ANY PROCEEDING IN THE CIRCUIT COURT FOR BALTIMORE CITY, MARYLAND TO THE BUSINESS AND TECHNOLOGY CASE MANAGEMENT PROGRAM PURSUANT TO MARYLAND RULE 16-205 (OR ANY SUCCESSOR THEREOF). THE PARTIES HEREBY CONSENT TO AND GRANT ANY SUCH MARYLAND COURT JURISDICTION OVER THE PERSON OF SUCH PARTIES AND OVER THE SUBJECT MATTER OF SUCH DISPUTE AND AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH SUCH ACTION, SUIT OR PROCEEDING IN THE MANNER PROVIDED IN *SECTION 9.3* OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW SHALL BE VALID AND SUFFICIENT SERVICE THEREOF.

(c) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (I) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (II) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THE FOREGOING WAIVER; (III) SUCH PARTY MAKES THE FOREGOING WAIVER VOLUNTARILY AND (IV) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS *SECTION 9.7*.

9.8 *Severability.* If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the Merger is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the Merger is fulfilled to the extent possible.

9.9 *Assignment.* Neither this Agreement nor any of the rights, interests or obligations hereunder shall be assigned by any of the parties (whether by operation of law or otherwise) without the prior written consent of the other party. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns. Any purported assignment in violation of this *Section 9.9* shall be void.

9.10 *Affiliate Liability.*

(a) Each of the following is herein referred to as a "**Company Affiliate**": (A) any direct or indirect holder of equity interests or securities in the Company (whether limited or general partners, members, stockholders or otherwise), and (B) any director, officer, employee, representative or agent of (i) the Company or (ii) any Person who controls the Company. To the fullest extent permitted by applicable Law, no Company Affiliate shall have any liability or obligation to Parent or Merger Sub of any nature whatsoever in connection with or under this Agreement or the Transactions, and Parent and Merger Sub hereby waive and release all claims of any such liability and obligation.

(b) Each of the following is herein referred to as a "**Parent Affiliate**": (A) any direct or indirect holder of equity interests or securities in Parent (whether limited or general partners, members, stockholders or otherwise), and (B) any director, officer, employee, representative or agent of (i) Parent or (ii) any Person who controls Parent, including Pine River and its Affiliates. To the fullest extent permitted by applicable Law, no Parent Affiliate shall have any liability or obligation to the Company of any nature whatsoever in connection with or under this Agreement or the Transactions, and the Company hereby waive and release all claims of any such liability and obligation.

9.11 *Remedies; Specific Performance.*

(a) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such party and the exercise by a party of any one remedy will not preclude the exercise of any other remedy.

(b) The parties agree that irreparable damage, for which monetary damages would not be an adequate remedy, would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached by the parties. Prior to the termination of this Agreement pursuant to *Section 8.1*, it is accordingly agreed that the parties shall be entitled to an injunction or injunctions, or any other appropriate form of specific performance or equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of competent jurisdiction, in each case in accordance with this *Section 9.11*, this being in addition to any other remedy to which they are entitled under the terms of this Agreement at law or in equity.

(c) This parties' rights in this *Section 9.11* are an integral part of the Transactions and each party accordingly agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such party under this Agreement all in accordance with the terms of this *Section 9.11*. Each party further agrees that no other party or any other Person shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this *Section 9.11*, and each party irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument. If prior to the End Date, any party hereto brings an action to enforce specifically the performance of the terms and provisions hereof by any other party, the End Date shall automatically be extended by such other time period established by the court presiding over such action.

9.12 *Amendment.* This Agreement may be amended by the parties, by action taken or authorized by their respective Boards of Directors at any time before or after adoption of this Agreement by the Company Stockholders or the Parent Stockholders, but, after any such adoption, no amendment shall be made which by law would require the further approval by such stockholders

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

without first obtaining such further approval. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

9.13 *Extension; Waiver.* At any time prior to the Effective Time, either the Company, on the one hand, and Parent and Merger Sub, on the other hand, may, to the extent legally allowed and except as otherwise set forth herein, (a) extend the time for the performance of any of the obligations or acts of the other party hereunder; (b) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions of the other party contained herein. Notwithstanding the foregoing, no failure or delay by the Company or Parent and Merger Sub in exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right hereunder. No agreement on the part of a party to any such extension or waiver shall be valid unless set forth in an instrument in writing signed on behalf of such party.

If, however, such quorum is not established at any meeting of the stockholders, the chairman of the meeting may adjourn the meeting *sine die* or from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

The stockholders present either in person or by proxy, at a meeting which has been duly called and at which a quorum has been established, may continue to transact business until adjournment, notwithstanding the withdrawal from the meeting of enough stockholders to leave fewer than would be required to establish a quorum.

Section 7. *VOTING.* A plurality of all the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to elect a director. Each share may be voted for as many individuals as there are directors to be elected and for whose election the share is entitled to be voted, without any right to cumulative voting. A majority of the votes cast at a meeting of stockholders duly called and at which a quorum is present shall be sufficient to approve any other matter which may properly come before the meeting, unless more than a majority of the votes cast is required by statute or by the Charter. Unless otherwise provided by statute or by the Charter, each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of stockholders. Voting on any question or in any election may be *viva voce* unless the chairman of the meeting shall order that voting be by ballot or otherwise.

Section 8. *PROXIES.* A holder of record of shares of stock of the Corporation may cast votes in person or by proxy executed by the stockholder or by the stockholder's duly authorized agent in any manner permitted by law. Such proxy or evidence of authorization of such proxy shall be filed with the secretary before or at the meeting. No proxy shall be valid more than eleven months after its date unless otherwise provided in the proxy.

Section 9. *VOTING OF STOCK BY CERTAIN HOLDERS.* Stock of the Corporation registered in the name of a corporation, partnership, trust, limited liability company or other entity, if entitled to be voted, may be voted by the president or a vice president, general partner, managing member or trustee thereof, as the case may be, or a proxy appointed by any of the foregoing individuals, unless some other person who has been appointed to vote such stock pursuant to a bylaw or a resolution of the governing body of such corporation or other entity or agreement of the partners of a partnership presents a certified copy of such bylaw, resolution or agreement, in which case such person may vote such stock. Any director or fiduciary may vote stock registered in the name of such person in the capacity of such director or fiduciary, either in person or by proxy.

Shares of stock of the Corporation directly or indirectly owned by it shall not be voted at any meeting and shall not be counted in determining the total number of outstanding shares entitled to be voted at any given time, unless they are held by it in a fiduciary capacity, in which case they may be voted and shall be counted in determining the total number of outstanding shares at any given time.

The Board of Directors may adopt by resolution a procedure by which a stockholder may certify in writing to the Corporation that any shares of stock registered in the name of the stockholder are held for the account of a specified person other than the stockholder. The resolution shall set forth the class of stockholders who may make the certification, the purpose for which the certification may be made, the form of certification and the information to be contained in it; if the certification is with respect to a record date, the time after the record date within which the certification must be received by the Corporation; and any other provisions with respect to the procedure which the Board of Directors considers necessary or desirable. On receipt by the Corporation of such certification, the person specified in the certification shall be regarded as, for the purposes set forth in the certification, the holder of record of the specified stock in place of the stockholder who makes the certification.

Section 10. *INSPECTORS.* The Board of Directors or the chairman of the meeting, in advance of or at any meeting, may, but need not, appoint one or more inspectors for the meeting and any successor to an inspector. Except as otherwise provided by the chairman of the meeting, the inspectors, if any, shall (a) determine the number of shares of stock represented at the meeting, in person or by proxy, and the validity and effect of proxies, (b) receive and tabulate all votes, ballots or consents, (c) report such tabulation to the chairman of the meeting, (d) hear and determine all challenges and questions arising in connection with the right to vote and (e) do such acts as are proper to fairly conduct the election or vote. Each such report shall be in writing and signed by the inspector or by a majority of them if there is more than one inspector acting at such meeting. If there is more than one inspector, the report of a majority shall be the report of the inspectors. The report of the inspector or

inspectors on the number of shares represented at the meeting and the results of the voting shall be *prima facie* evidence thereof.

Section 11. *CONTROL SHARE ACQUISITION ACT.* Notwithstanding any other provision of the Charter or these Bylaws, Title 3, Subtitle 7 of the Maryland General Corporation Law, or any successor statute (the "MGCL"), shall not apply to any acquisition by any person of shares of stock of the Corporation. This section may be repealed, in whole or in part, at any time, whether before or after an acquisition of control shares and, upon such repeal, may, to the extent provided by any successor bylaw, apply to any prior or subsequent control share acquisition.

Section 12. *ACTION WITHOUT MEETING.* Any action to be taken by the stockholders may be taken without a meeting, if, prior to such action, all stockholders entitled to vote thereon shall consent in writing or by electronic transmission to such action being taken, and such consent shall be treated for all purposes as a vote at a meeting.

ARTICLE III

DIRECTORS

Section 1. *GENERAL POWERS.* The business and affairs of the Corporation shall be managed under the direction of its Board of Directors.

Section 2. *NUMBER, TENURE AND RESIGNATIONS.* At any regular meeting or at any special meeting called for that purpose, a majority of the entire Board of Directors may establish, increase or decrease the number of directors, provided that the number thereof shall never be less than the minimum number required by the MGCL nor more than ten (10), and further provided that the tenure of office of a director shall not be affected by any decrease in the number of directors. Any director of the Corporation may resign at any time by delivering his or her resignation to the Board of Directors, the chairman of the board or the secretary. Any resignation shall take effect immediately upon its receipt or at such later time specified in the resignation. The acceptance of a resignation shall not be necessary to make it effective unless otherwise stated in the resignation.

Section 3. *ANNUAL AND REGULAR MEETINGS.* An annual meeting of the Board of Directors shall be held immediately after and at the same place as the annual meeting of stockholders, no notice other than this Bylaw being necessary. In the event such meeting is not so held, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors. The Board of Directors may provide, by resolution, the time and place for the holding of regular meetings of the Board of Directors without other notice than such resolution.

Section 4. *SPECIAL MEETINGS.* Special meetings of the Board of Directors may be called by or at the request of the chairman of the board, the chief executive officer, the president or a majority of the directors then in office. The person or persons authorized to call special meetings of the Board of Directors may fix any place as the place for holding any special meeting of the Board of Directors called by them. The Board of Directors may provide, by resolution, the time and place for the holding of special meetings of the Board of Directors without other notice than such resolution.

Section 5. *NOTICE.* Notice of any special meeting of the Board of Directors shall be delivered personally or by telephone, electronic mail, facsimile transmission, courier or United States mail to each director at his or her business or residence address. Notice by personal delivery, telephone, electronic mail or facsimile transmission shall be given at least 24 hours prior to the meeting. Notice by United States mail shall be given at least three days prior to the meeting. Notice by courier shall be given at least two days prior to the meeting. Telephone notice shall be deemed to be given when the director or his or her agent is personally given such notice in a telephone call to which the director or his or her agent is a party. Electronic mail notice shall be deemed to be given upon transmission of the

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

message to the electronic mail address given to the Corporation by the director. Facsimile transmission notice shall be deemed to be given upon completion of the transmission of the message to the number given to the Corporation by the director and receipt of a completed answer-back indicating receipt. Notice by United States mail shall be deemed to be given when deposited in the United States mail properly addressed, with postage thereon prepaid. Notice by courier shall be deemed to be given when deposited with or delivered to a courier properly addressed. Neither the business to be transacted at, nor the purpose of, any annual, regular or special meeting of the Board of Directors need be stated in the notice, unless specifically required by statute or these Bylaws.

Section 6. *QUORUM.* A majority of the directors shall constitute a quorum for transaction of business at any meeting of the Board of Directors, provided that, if less than a majority of such directors is present at such meeting, a majority of the directors present may adjourn the meeting from time to time without further notice, and provided further that if, pursuant to applicable law, the Charter or these Bylaws, the vote of a majority or other percentage of a particular group of directors is required for action, a quorum must also include a majority or such other percentage of such group.

The directors present at a meeting which has been duly called and at which a quorum has been established may continue to transact business until adjournment, notwithstanding the withdrawal from the meeting of enough directors to leave fewer than required to establish a quorum.

Section 7. *VOTING.* The action of a majority of the directors present at a meeting at which a quorum is present shall be the action of the Board of Directors, unless the concurrence of a greater proportion is required for such action by applicable law, the Charter or these Bylaws. If enough directors have withdrawn from a meeting to leave fewer than required to establish a quorum, but the meeting is not adjourned, the action of the majority of that number of directors necessary to constitute a quorum at such meeting shall be the action of the Board of Directors, unless the concurrence of a greater proportion is required for such action by applicable law, the Charter or these Bylaws.

Section 8. *ORGANIZATION.* At each meeting of the Board of Directors, the chairman of the board or, in the absence of the chairman, the vice chairman of the board, if any, shall act as chairman of the meeting. In the absence of both the chairman and vice chairman of the board, the chief executive officer or, in the absence of the chief executive officer, the president or, in the absence of the president, a director chosen by a majority of the directors present, shall act as chairman of the meeting. The secretary or, in his or her absence, an assistant secretary, or, in the absence of the secretary and all assistant secretaries, an individual appointed by the chairman of the meeting, shall act as secretary of the meeting.

Section 9. *TELEPHONE MEETINGS.* Directors may participate in a meeting by means of a conference telephone or other communications equipment if all persons participating in the meeting can hear each other at the same time. Participation in a meeting by these means shall constitute presence in person at the meeting.

Section 10. *CONSENT BY DIRECTORS WITHOUT A MEETING.* Any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting, if a consent in writing or by electronic transmission to such action is given by each director and is filed with the minutes of proceedings of the Board of Directors.

Section 11. *VACANCIES.* If for any reason any or all of the directors cease to be directors, such event shall not terminate the Corporation or affect these Bylaws or the powers of the remaining directors hereunder. Any vacancy on the Board of Directors for any cause other than an increase in the number of directors may be filled by a majority of the remaining directors, even if such majority is less than a quorum; any vacancy in the number of directors created by an increase in the number of directors may be filled by a majority vote of the entire Board of Directors; and any individual so

elected as director shall serve until the next annual meeting of stockholders and until his or her successor is elected and qualifies.

Section 12. *COMPENSATION.* Directors shall not receive any stated salary for their services as directors but, by resolution of the Board of Directors, may receive compensation per year and/or per meeting and/or per visit to real property or other facilities owned or leased by the Corporation and for any service or activity they performed or engaged in as directors. Directors may be reimbursed for expenses of attendance, if any, at each annual, regular or special meeting of the Board of Directors or of any committee thereof and for their expenses, if any, in connection with each property visit and any other service or activity they perform or engage in as directors; but nothing herein contained shall be construed to preclude any directors from serving the Corporation in any other capacity and receiving compensation therefor.

Section 13. *RELIANCE.* Each director and officer of the Corporation shall, in the performance of his or her duties with respect to the Corporation, be entitled to rely on any information, opinion, report or statement, including any financial statement or other financial data, prepared or presented by an officer or employee of the Corporation whom the director or officer reasonably believes to be reliable and competent in the matters presented, by a lawyer, certified public accountant or other person, as to a matter which the director or officer reasonably believes to be within the person's professional or expert competence, or, with respect to a director, by a committee of the Board of Directors on which the director does not serve, as to a matter within its designated authority, if the director reasonably believes the committee to merit confidence.

Section 14. *RATIFICATION.* The Board of Directors or the stockholders may ratify and make binding on the Corporation any action or inaction by the Corporation or its officers to the extent that the Board of Directors or the stockholders could have originally authorized the matter. Moreover, any action or inaction questioned in any stockholders' derivative proceeding or any other proceeding on the ground of lack of authority, defective or irregular execution, adverse interest of a director, officer or stockholder, non-disclosure, miscomputation, the application of improper principles or practices of accounting or otherwise, may be ratified, before or after judgment, by the Board of Directors or by the stockholders, and if so ratified, shall have the same force and effect as if the questioned action or inaction had been originally duly authorized, and such ratification shall be binding upon the Corporation and its stockholders and shall constitute a bar to any claim or execution of any judgment in respect of such questioned action or inaction.

Section 15. *CERTAIN RIGHTS OF DIRECTORS AND OFFICERS.* A director who is not also an officer of the Corporation shall have no responsibility to devote his or her full time to the affairs of the Corporation. Any director or officer, in his or her personal capacity or in a capacity as an affiliate, employee, or agent of any other person, or otherwise, may have business interests and engage in business activities similar to, in addition to or in competition with those of or relating to the Corporation.

Section 16. *EMERGENCY PROVISIONS.* Notwithstanding any other provision in the Charter or these Bylaws, this Section 16 shall apply during the existence of any catastrophe, or other similar emergency condition, as a result of which a quorum of the Board of Directors under Article III of these Bylaws cannot readily be obtained (an "*Emergency*"). During any *Emergency*, unless otherwise provided by the Board of Directors, (i) a meeting of the Board of Directors or a committee thereof may be called by any director or officer by any means feasible under the circumstances; (ii) notice of any meeting of the Board of Directors during such an *Emergency* may be given less than 24 hours prior to the meeting to as many directors and by such means as may be feasible at the time, including publication, television or radio, and (iii) the number of directors necessary to constitute a quorum shall be one-third of the entire Board of Directors.

ARTICLE IV

COMMITTEES

Section 1. *NUMBER, TENURE AND QUALIFICATIONS.* The Board of Directors may appoint from among its members one or more committees, composed of one or more directors, to serve at the pleasure of the Board of Directors.

Section 2. *POWERS.* The Board of Directors may delegate to committees appointed under Section 1 of this Article IV any of the powers of the Board of Directors, except as prohibited by law.

Section 3. *MEETINGS.* Notice of committee meetings shall be given in the same manner as notice for special meetings of the Board of Directors. A majority of the members of the committee shall constitute a quorum for the transaction of business at any meeting of the committee. Unless the Board of Directors prescribes voting rules to the contrary, the act of a majority of the committee members present at a meeting shall be the act of such committee. The Board of Directors may designate a chairman of any committee, and such chairman or, in the absence of a chairman, any two members of any committee (if there are at least two members of the committee) may fix the time and place of its meeting unless the Board shall otherwise provide. In the absence of any member of any such committee, the members thereof present at any meeting, whether or not they constitute a quorum, may appoint another director to act in the place of such absent member.

Section 4. *TELEPHONE MEETINGS.* Members of a committee of the Board of Directors may participate in a meeting by means of a conference telephone or other communications equipment if all persons participating in the meeting can hear each other at the same time. Participation in a meeting by these means shall constitute presence in person at the meeting.

Section 5. *CONSENT BY COMMITTEES WITHOUT A MEETING.* Any action required or permitted to be taken at any meeting of a committee of the Board of Directors may be taken without a meeting, if a consent in writing or by electronic transmission to such action is given by each member of the committee and is filed with the minutes of proceedings of such committee.

Section 6. *VACANCIES.* Subject to the provisions hereof, the Board of Directors shall have the power at any time to change the membership of any committee, to fill any vacancy, to designate an alternate member to replace any absent or disqualified member or to dissolve any such committee.

In addition, the Board of Directors may from time to time elect such other officers with such powers and duties as it shall deem necessary or desirable. The officers of the Corporation shall be elected annually by the Board of Directors, except that the chief executive officer or president may from time to time appoint one or more vice presidents, assistant secretaries and assistant treasurers or other officers. Each officer shall serve until his or her successor is elected and qualifies or until his or her death, or his or her resignation or removal in the manner hereinafter provided. Any two or more offices except president and vice president may be held by the same person. Election of an officer or agent shall not of itself create contract rights between the Corporation and such officer or agent.

Section 2. *REMOVAL AND RESIGNATION.* Any officer or agent of the Corporation may be removed, with or without cause, by the Board of Directors if in its judgment the best interests of the Corporation would be served thereby, but such removal shall be without prejudice to the contract

rights, if any, of the person so removed. Any officer of the Corporation may resign at any time by delivering his or her resignation to the Board of Directors, the chairman of the board, the chief executive officer, the president or the secretary. The chief executive officer shall have general responsibility for implementation of the policies of the Corporation, as determined by the Board of Directors, and for the management of the business and affairs of the Corporation. He or she may execute any deed, mortgage, bond, contract or other instrument, except in cases where the execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws to some other officer or agent of the Corporation or shall be required by law to be otherwise executed; and in general shall perform all duties incident to the office of chief executive officer and such other duties as may be prescribed by the Board of Directors from time to time.

Section 7. *CHAIRMAN OF THE BOARD.* The Board of Directors may designate from among its members a chairman of the board, who shall not, solely by reason of these Bylaws, be an officer of the Corporation. The Board of Directors may designate the chairman of the board as an executive or non-executive chairman. The chairman of the board shall preside over the meetings of the Board of Directors. The chairman of the board shall perform such other duties as may be assigned to him or her by these Bylaws or the Board of Directors.

Section 8. *PRESIDENT.* In the absence of a chief executive officer, the president shall in general supervise and control all of the business and affairs of the Corporation. In the absence of a designation of a chief operating officer by the Board of Directors, the president shall be the chief operating officer. He or she may execute any deed, mortgage, bond, contract or other instrument, except in cases where the execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws to some other officer or agent of the Corporation or shall be required by law to be otherwise executed; and in general shall perform all duties incident to the office of president and such other duties as may be prescribed by the Board of Directors from time to time.

Section 9. *VICE PRESIDENTS.* In the absence of the president or in the event of a vacancy in such office, the vice president (or in the event there be more than one vice president, the vice presidents in the order designated at the time of their election or, in the absence of any designation, then in the order of their election) shall perform the duties of the president and when so acting shall have all the powers of and be subject to all the restrictions upon the president; and shall perform such other duties as from time to time may be assigned to such vice president by the chief executive officer, the president or the Board of Directors. The Board of Directors may designate one or more vice presidents as executive vice president, senior vice president, or vice president for particular areas of responsibility.

Section 10. *SECRETARY.* The secretary shall (a) keep the minutes of the proceedings of the stockholders, the Board of Directors and committees of the Board of Directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; (c) be custodian of the corporate records and of the seal of the Corporation; (d) keep a register of the post office address of each stockholder which shall be furnished to the secretary by such stockholder; (e) have general charge of the stock transfer books of the Corporation; and (f) in general perform such other duties as from time to time may be assigned to him or her by the chief executive officer, the president or the Board of Directors.

In the absence of a designation of a chief financial officer by the Board of Directors, the treasurer shall be the chief financial officer of the Corporation.

The treasurer shall disburse the funds of the Corporation as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render to the president and Board of Directors, at the regular meetings of the Board of Directors or whenever it may so require, an account of all his or her transactions as treasurer and of the financial condition of the Corporation.

Section 12. *ASSISTANT SECRETARIES AND ASSISTANT TREASURERS.* The assistant secretaries and assistant treasurers, in general, shall perform such duties as shall be assigned to them by the secretary or treasurer, respectively, or by the chief executive officer, the president or the Board of Directors.

Section 13. *COMPENSATION.* The compensation of the officers shall be fixed from time to time by or under the authority of the Board of Directors and no officer shall be prevented from receiving such compensation by reason of the fact that he or she is also a director.

ARTICLE VI

CONTRACTS, LOANS, CHECKS AND DEPOSITS

Section 1. *CONTRACTS.* The Board of Directors may authorize any officer or agent to enter into any contract or to execute and deliver any instrument in the name of and on behalf of the Corporation and such authority may be general or confined to specific instances. Any agreement, deed, mortgage, lease or other document shall be valid and binding upon the Corporation when duly authorized or ratified by action of the Board of Directors and executed by an authorized person.

Section 2. *CHECKS AND DRAFTS.* All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the Corporation shall be signed by such officer or agent of the Corporation in such manner as shall from time to time be determined by the Board of Directors.

ARTICLE VII

STOCK

Section 1. *CERTIFICATES.* Except as may be otherwise provided by the Board of Directors, stockholders of the Corporation are not entitled to certificates representing the shares of stock held by them. In the event that the Corporation issues shares of stock represented by certificates, such certificates shall be in such form as prescribed by the Board of Directors or a duly authorized officer, shall contain the statements and information required by the MGCL and shall be signed by the officers of the Corporation in the manner permitted by the MGCL. In the event that the Corporation issues shares of stock without certificates, to the extent then required by the MGCL, the Corporation shall provide to the record holders of such shares a written statement of the information required by the MGCL to be included on stock certificates. There shall be no differences in the rights and obligations of stockholders based on whether or not their shares are represented by certificates.

Section 2. *TRANSFERS.* All transfers of shares of stock shall be made on the books of the Corporation, by the holder of the shares, in person or by his or her attorney, in such manner as the Board of Directors or any officer of the Corporation may prescribe and, if such shares are certificated, upon surrender of certificates duly endorsed. The issuance of a new certificate upon the transfer of certificated shares is subject to the determination of the Board of Directors that such shares shall no longer be represented by certificates. Upon the transfer of any uncertificated shares, to the extent then required by the MGCL, the Corporation shall provide to the record holders of such shares a written statement of the information required by the MGCL to be included on stock certificates.

The Corporation shall be entitled to treat the holder of record of any share of stock as the holder in fact thereof and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such share or on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise expressly provided by the laws of the State of Maryland.

Notwithstanding the foregoing, transfers of shares of any class or series of stock will be subject in all respects to the Charter and all of the terms and conditions contained therein.

Section 3. *REPLACEMENT CERTIFICATE.* Any officer of the Corporation may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the Corporation alleged to have been lost, destroyed, stolen or mutilated, upon the making of an affidavit of that fact by the person claiming the certificate to be lost, destroyed, stolen or mutilated; provided, however, if such shares have ceased to be certificated, no new certificate shall be issued unless requested in writing by such stockholder and the Board of Directors has determined that such certificates may be issued. Unless otherwise determined by an officer of the Corporation, the owner of such lost, destroyed, stolen or mutilated certificate or certificates, or his or her legal representative, shall be required, as a condition precedent to the issuance of a new certificate or certificates, to give the Corporation a bond in such sums as it may direct, and/or provide the Corporation with a written indemnity, as indemnity against any claim that may be made against the Corporation.

Section 4. *FIXING OF RECORD DATE.* The Board of Directors may set, in advance, a record date for the purpose of determining stockholders entitled to notice of or to vote at any meeting of stockholders or determining stockholders entitled to receive payment of any dividend or the allotment of any other rights, or in order to make a determination of stockholders for any other proper purpose. Such date, in any case, shall not be prior to the close of business on the day the record date is fixed and shall be not more than 90 days and, in the case of a meeting of stockholders, not less than ten days, before the date on which the meeting or particular action requiring such determination of stockholders of record is to be held or taken.

When a record date for the determination of stockholders entitled to notice of and to vote at any meeting of stockholders has been set as provided in this section, such record date shall continue to

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

apply to the meeting if adjourned or postponed, except if the meeting is adjourned or postponed to a date more than 120 days after the record date originally fixed for the meeting, in which case a new record date for such meeting shall be determined as set forth herein.

Section 5. *STOCK LEDGER.* The Corporation shall maintain at its principal office or at the office of its counsel, accountants or transfer agent, an original or duplicate stock ledger containing the name and address of each stockholder and the number of shares of each class held by such stockholder.

Section 6. *FRACTIONAL STOCK; ISSUANCE OF UNITS.* The Board of Directors may authorize the Corporation to issue fractional shares of stock or authorize the issuance of scrip, all on such terms and under such conditions as it may determine. Notwithstanding any other provision of the Charter or these Bylaws, the Board of Directors may authorize the issuance of units consisting of different securities of the Corporation. Any security issued in a unit shall have the same characteristics as any identical securities issued by the Corporation, except that the Board of Directors may provide that for a specified period securities of the Corporation issued in such unit may be transferred on the books of the Corporation only in such unit.

ARTICLE VIII

ACCOUNTING YEAR

The Board of Directors shall have the power, from time to time, to fix the fiscal year of the Corporation by a duly adopted resolution.

ARTICLE IX

DISTRIBUTIONS

Section 1. *AUTHORIZATION.* Dividends and other distributions upon the stock of the Corporation may be authorized by the Board of Directors, subject to the provisions of law and the Charter. Dividends and other distributions may be paid in cash, property or stock of the Corporation, subject to the provisions of law and the Charter.

Section 2. *CONTINGENCIES.* Before payment of any dividends or other distributions, there may be set aside out of any assets of the Corporation available for dividends or other distributions such sum or sums as the Board of Directors may from time to time, in its absolute discretion, think proper as a reserve fund for contingencies, for equalizing dividends or other distributions, for repairing or maintaining any property of the Corporation or for such other purpose as the Board of Directors shall determine, and the Board of Directors may modify or abolish any such reserve.

ARTICLE X

INVESTMENT POLICY

Subject to the provisions of the Charter, the Board of Directors may from time to time adopt, amend, revise or terminate any policy or policies with respect to investments by the Corporation as it shall deem appropriate in its sole discretion.

ARTICLE XI

SEAL

Section 1. *SEAL.* The Board of Directors may authorize the adoption of a seal by the Corporation. The seal shall contain the name of the Corporation and the year of its incorporation and

the words "Incorporated Maryland." The Board of Directors may authorize one or more duplicate seals and provide for the custody thereof.

Section 2. *AFFIXING SEAL.* Whenever the Corporation is permitted or required to affix its seal to a document, it shall be sufficient to meet the requirements of any law, rule or regulation relating to a seal to place the word "*SEAL*" adjacent to the signature of the person authorized to execute the document on behalf of the Corporation.

ARTICLE XII

INDEMNIFICATION AND ADVANCE OF EXPENSES

To the maximum extent permitted by Maryland law in effect from time to time, the Corporation shall indemnify and, without requiring a preliminary determination of the ultimate entitlement to indemnification, shall pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any individual who is a present or former director or officer of the Corporation and who is made or threatened to be made a party to, or witness in, the proceeding by reason of his or her service in that capacity or (b) any individual who, while a director or officer of the Corporation and at the request of the Corporation, serves or has served as a director, officer, partner, member, manager, trustee, employee or agent of another corporation, real estate investment trust, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise and who is made or threatened to be made a party to, or witness in, the proceeding by reason of his or her service in that capacity. The rights to indemnification and advance of expenses provided by the Charter and these Bylaws shall vest immediately upon election of a director or officer. The Corporation may, with the approval of its Board of Directors, provide such indemnification and advance for expenses to an individual who served a predecessor of the Corporation in any of the capacities described in (a) or (b) above and to any employee or agent of the Corporation or a predecessor of the Corporation. The indemnification and payment or reimbursement of expenses provided in these Bylaws shall not be deemed exclusive of or limit in any way other rights to which any person seeking indemnification or payment or reimbursement of expenses may be or may become entitled under any bylaw, resolution, insurance, agreement or otherwise.

Neither the amendment nor repeal of this Article, nor the adoption or amendment of any other provision of the Charter or these Bylaws inconsistent with this Article, shall apply to or affect in any respect the applicability of the preceding paragraph of this Article XII with respect to any act or failure to act which occurred prior to such amendment, repeal or adoption.

ARTICLE XIII

WAIVER OF NOTICE

Neither the business to be transacted at nor the purpose of any meeting need be set forth in the waiver of notice of such meeting, unless specifically required by statute. The attendance of any person at any meeting shall constitute a waiver of notice of such meeting, except where such person attends a meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting has not been lawfully called or convened.

TWO HARBORS INVESTMENT CORP.**FORM OF ARTICLES SUPPLEMENTARY****7.75% Series D Cumulative Redeemable Preferred Stock**

Two Harbors Investment Corp., a Maryland corporation (the "*Corporation*"), hereby certifies to the State Department of Assessments and Taxation of Maryland that:

FIRST: Under a power contained in Article VI of the charter of the Corporation (the "*Charter*"), the Board of Directors (the "*Board of Directors*") of the Corporation, by duly adopted resolutions classified and designated 3,000,000 authorized but unissued shares of preferred stock, \$0.01 par value per share, of the Corporation ("*Preferred Stock*") as shares of 7.75% Series D Cumulative Redeemable Preferred Stock, \$0.01 par value per share (the "*Series D Preferred Stock*"), with the following preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption, which, upon any restatement of the Charter, shall become part of Article VI of the Charter, with any necessary or appropriate renumbering or relettering of the sections or subsections hereof.

1. Designation and Number. A series of Preferred Stock, classified as the "7.75% Series D Cumulative Redeemable Preferred Stock" is hereby established. The number of authorized shares of the Series D Preferred Stock shall be 3,000,000.

2. Maturity. The Series D Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption, and will remain outstanding indefinitely unless (i) the Corporation decides to redeem or otherwise repurchase the Series D Preferred Stock or (ii) the Series D Preferred Stock becomes convertible and is actually converted pursuant to *Section 7* hereof. The Corporation is not required to set aside funds to redeem the Series D Preferred Stock.

3. Ranking. The Series D Preferred Stock will rank, with respect to rights to the payment of dividends and the distribution of assets in the event of any liquidation, dissolution or winding up of the Corporation, (i) senior to all classes or series of the common stock of the Corporation, par value \$0.01 per share (the "*Common Stock*"), and to all other equity securities issued by the Corporation other than equity securities referred to in *clauses (ii) and (iii)* of this *Section 3*; (ii) on a parity with the Corporation's 8.125% Series A Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share, the Corporation's 7.625% Series B Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share, the Corporation's 7.25% Series C Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share, the Corporation's 7.50% Series E Cumulative Redeemable Preferred Stock, \$0.01 par value per share, and all other all equity securities issued by the Corporation with terms specifically providing that those equity securities rank on a parity with the Series D Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation; and (iii) junior to all equity securities issued by the Corporation with terms specifically providing that those equity securities rank senior to the Series D Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation. The term "equity securities" shall not include convertible debt securities.

4. Dividends.

(a) Holders of shares of the Series D Preferred Stock are entitled to receive, when, as and if authorized by the Board and declared by the Corporation, out of funds of the Corporation legally available for the payment of dividends, cumulative cash dividends at the rate of 7.75% of the \$25.00 per share liquidation preference per annum (equivalent to \$1.9375 per annum per share). Dividends on the Series D Preferred Stock shall accumulate daily and shall be cumulative from, and including, [July 15, 2018](1) and shall be payable for each subsequent quarterly dividend

period, quarterly in arrears on the 15th day of each January, April, July and October (each, a "**Dividend Payment Date**"); provided, that if any Dividend Payment Date is not a Business Day (as defined below), then the dividend which would otherwise have been payable on that Dividend Payment Date may be paid on the next succeeding Business Day with the same force and effect as if paid on such Dividend Payment Date and no interest, additional dividends or other sums will accumulate on the amount so payable for the period from and after such Dividend Payment Date to such next succeeding Business Day. Any dividend payable on the Series D Preferred Stock, including dividends payable for any partial dividend period, will be computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends will be payable to holders of record as they appear in the stock records of the Corporation for the Series D Preferred Stock at the close of business on the applicable record date, which shall be the first day of the calendar month, whether or not a Business Day, in which the applicable Dividend Payment Date falls (each, a "**Dividend Record Date**"). The dividends payable on any Dividend Payment Date shall include dividends accumulated to, but not including, such Dividend Payment Date.

(b) No dividends on shares of Series D Preferred Stock shall be authorized by the Board or paid or set apart for payment by the Corporation at any time when the terms and provisions of any agreement of the Corporation, including any agreement relating to any indebtedness of the Corporation, prohibit the authorization, payment or setting apart for payment thereof or provide that the authorization, payment or setting apart for payment thereof would constitute a breach of the agreement or a default under the agreement, or if the authorization, payment or setting apart for payment shall be restricted or prohibited by law.

(c) Notwithstanding anything to the contrary contained herein, dividends on the Series D Preferred Stock will accumulate whether or not the Corporation has earnings, whether or not there are funds legally available for the payment of those dividends and whether or not those dividends are declared. No interest, or sum in lieu of interest, will be payable in respect of any dividend payment or payments on the Series D Preferred Stock which may be in arrears, and holders of the Series D Preferred Stock will not be entitled to any dividends in excess of full cumulative dividends described in *Section 4(a)* hereof. Any dividend payment made on the Series D Preferred Stock shall first be credited against the earliest accumulated but unpaid dividend due with respect to the Series D Preferred Stock.

(d) Except as provided in *Section 4(e)* hereof, unless full cumulative dividends on the Series D Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods, (i) no dividends (other than in shares of Common Stock or in shares of any series of Preferred Stock that the Corporation may issue ranking junior to the Series D Preferred Stock as to dividends and upon liquidation) shall be declared or paid or set apart for payment upon shares of Common Stock or Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series D Preferred Stock as to dividends or upon liquidation, (ii) no other distribution shall be declared or made upon shares of Common Stock or Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series D Preferred Stock as to dividends or upon liquidation, and (iii) any shares of Common Stock and Preferred Stock that the Corporation may issue ranking junior to or on a parity with the Series D Preferred Stock as to dividends or upon liquidation shall not be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any such shares) by the Corporation (except by conversion into or exchange for other capital stock of the Corporation that it may issue ranking junior to the Series D Preferred Stock as to dividends and upon liquidation and for transfers made pursuant to the provisions of Article VII of the Charter); provided, however, that the foregoing shall not prevent the purchase or acquisition by the Corporation of shares of any class or series of stock pursuant to the provisions of Article VII of

the Charter to preserve its status as a REIT (as defined in the Charter) for federal income tax purposes or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series D Preferred Stock and any Preferred Stock that the Corporation may issue ranking on a parity with the Series D Preferred Stock as to dividends or upon liquidation.

(e) When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series D Preferred Stock and the shares of any other series of Preferred Stock that the Corporation may issue ranking on a parity as to dividends with the Series D Preferred Stock, all dividends declared upon the Series D Preferred Stock and any other series of Preferred Stock that the Corporation may issue ranking on a parity as to dividends with the Series D Preferred Stock shall be declared pro rata so that the amount of dividends declared per share of Series D Preferred Stock and such other series of Preferred Stock that the Corporation may issue shall in all cases bear to each other the same ratio that accumulated dividends per share on the Series D Preferred Stock and accumulated or accrued dividends per share on such other series of Preferred Stock that the Corporation may issue (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such Preferred Stock does not have a cumulative dividend) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Series D Preferred Stock which may be in arrears.

(f) "Business Day" shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in New York, New York are authorized or required by law, regulation or executive order to close.

(g) "Set apart for payment" shall be deemed to include, without any action other than the following: the recording by the Corporation in its accounting ledgers of any accounting or bookkeeping entry which indicates, pursuant to an authorization by the Board and a declaration of dividends or other distribution by the Corporation, the allocation of funds to be so paid on any series or class of shares of stock of the Corporation; provided, however, that if any funds for any class or series of stock ranking junior to or on a parity with the Series D Preferred Stock as to the payment of dividends are placed in a separate account of the Corporation or delivered to a disbursing, paying or other similar agent, then "set apart for payment" with respect to the Series D Preferred Stock shall mean placing such funds in a separate account or delivering such funds to a disbursing, paying or other similar agent.

5. *Liquidation Preference.*

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Series D Preferred Stock will be entitled to be paid out of the assets the Corporation has legally available for distribution to its stockholders, subject to the preferential rights of the holders of any class or series of capital stock of the Corporation it may issue ranking senior to the Series D Preferred Stock with respect to the distribution of assets upon liquidation, dissolution or winding up, a liquidation preference of Twenty-Five Dollars (\$25.00) per share, plus an amount equal to any accumulated and unpaid dividends (whether or not earned or declared) to, but not including, the date of payment, before any distribution of assets is made to holders of Common Stock or any other class or series of capital stock of the Corporation that it may issue that ranks junior to the Series D Preferred Stock as to liquidation rights.

(b) In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding up, the available assets of the Corporation are insufficient to pay the amount of the liquidating distributions on all outstanding shares of Series D Preferred Stock and the corresponding amounts payable on all shares of other classes or series of capital stock of the Corporation that it may issue ranking on a parity with the Series D Preferred Stock in the distribution of assets, then the holders of the Series D Preferred Stock and all other such classes

or series of capital stock shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

(c) Holders of Series D Preferred Stock will be entitled to written notice of any such liquidation no fewer than 30 days and no more than 60 days prior to the payment date. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of Series D Preferred Stock will have no right or claim to any of the remaining assets of the Corporation. The consolidation or merger of the Corporation with or into any other corporation, trust or entity or of any other entity with or into the Corporation, or the sale, lease, transfer or conveyance of all or substantially all of the property or business the Corporation, shall not be deemed to constitute a liquidation, dissolution or winding up of the Corporation.

(d) In determining whether a distribution (other than upon voluntary or involuntary liquidation), by dividend, redemption or other acquisition of shares of stock of the Corporation or otherwise, is permitted under the Maryland General Corporation Law, amounts that would be needed, if the Corporation were to be dissolved at the time of distribution, to satisfy the preferential rights upon dissolution of holders of shares of the Series D Preferred Stock shall not be added to the Corporation's total liabilities.

6. *Redemption.*

(a) The Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series D Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption.

(b) **Special Optional Redemption Right.** Upon the occurrence of a Change of Control (as defined below), the Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series D Preferred Stock, in whole or in part, within 120 days after the first date on which such Change of Control occurred, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. If, prior to the Change of Control Conversion Date (as hereinafter defined), the Corporation provided notice of its election to redeem some or all of the shares of Series D Preferred Stock pursuant to this *Section 6*, the holders of Series D Preferred Stock will not have the Change of Control Conversion Right (as hereinafter defined) with respect to the shares called for redemption.

(c) A "Change of Control" is deemed to occur when, after the effective time of the merger of CYS Investments, Inc., a Maryland corporation, with and into a wholly owned subsidiary of the Corporation, the following have occurred and are continuing: (i) the acquisition by any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of capital stock of the Corporation entitling that person to exercise more than 50% of the total voting power of all capital stock of the Corporation entitled to vote generally in the election of directors of the Corporation (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and (ii) following the closing of any transaction referred to in *clause (i)*, neither the Corporation nor the acquiring or surviving entity has a class of common securities (or American Depositary Receipts representing such securities) listed on the New York Stock Exchange (the "*NYSE*"), the NYSE Amex Equities (the "*NYSE Amex*") or the Nasdaq Stock Market ("*Nasdaq*"), or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE Amex or Nasdaq.

(d) In the event the Corporation elects to redeem Series D Preferred Stock, the notice of redemption will be mailed by the Corporation, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, to each holder of record of Series D Preferred Stock called for redemption at such holder's address as it appears on the stock transfer records of the Corporation and shall state: (i) the redemption date; (ii) the number of shares of Series D Preferred Stock to be redeemed; (iii) the redemption price; (iv) the place or places where certificates (if any) for the Series D Preferred Stock are to be surrendered for payment of the redemption price; (v) that dividends on the shares to be redeemed will cease to accumulate on the redemption date; (vi) whether such redemption is being made pursuant to *Section 6(a)* or *Section 6(b)* hereof; (vii) if applicable, that such redemption is being made in connection with a Change of Control and, in that case, a brief description of the transaction or transactions constituting such Change of Control; and (viii) if such redemption is being made in connection with a Change of Control, that the holders of the shares of Series D Preferred Stock being so called for redemption will not be able to tender such shares of Series D Preferred Stock for conversion in connection with the Change of Control and that each share of Series D Preferred Stock tendered for conversion that is called, prior to the Change of Control Conversion Date, for redemption will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date. If less than all of the Series D Preferred Stock held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series D Preferred Stock held by such holder to be redeemed. No failure to give such notice or any defect thereto or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of Series D Preferred Stock except as to the holder to whom notice was defective or not given. Notwithstanding the foregoing, no notice of redemption will be required where the Corporation elects to redeem Series D Preferred Stock pursuant to Article VII of the Charter to preserve its REIT status for federal income tax purposes.

(e) Holders of shares Series D Preferred Stock to be redeemed shall surrender the Series D Preferred Stock at the place designated in the notice of redemption and shall be entitled to the redemption price and any accumulated and unpaid dividends payable upon the redemption following the surrender.

(f) If notice of redemption of any shares of Series D Preferred Stock has been given and if the Corporation irrevocably sets apart for payment the funds necessary for redemption in trust for the benefit of the holders of the shares of Series D Preferred Stock so called for redemption, then from and after the redemption date (unless the Corporation shall default in providing for the payment of the redemption price plus accumulated and unpaid dividends, if any), dividends will cease to accumulate on those shares of Series D Preferred Stock, those shares of Series D Preferred Stock shall no longer be deemed outstanding and all rights of the holders of those shares will terminate, except the right to receive the redemption price plus accumulated and unpaid dividends, if any, payable upon redemption.

(g) If any redemption date is not a Business Day, then the redemption price and accumulated and unpaid dividends, if any, payable upon redemption may be paid on the next Business Day and no interest, additional dividends or other sums will accumulate on the amount payable for the period from and after that redemption date to that next Business Day.

(h) If less than all of the outstanding Series D Preferred Stock is to be redeemed, the Series D Preferred Stock to be redeemed shall be selected pro rata (as nearly as may be practicable without creating fractional shares) or by any other equitable method the Corporation shall determine that will not result in the automatic transfer of any shares of Series D Preferred Stock to a trust pursuant to Article VII of the Charter (as to restrictions on transfer and ownership of shares of the Corporation's capital stock).

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

(i) Immediately prior to any redemption of Series D Preferred Stock, the Corporation shall pay, in cash, any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption, unless a redemption date falls after a Dividend Record Date and prior to the corresponding Dividend Payment Date, in which case each holder of Series D Preferred Stock at the close of business on such Dividend Record Date shall be entitled to the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the redemption of such shares before such Dividend Payment Date. Except as provided in this *Section 6(i)*, the Corporation will make no payment or allowance for unpaid dividends, whether or not in arrears, on shares of the Series D Preferred Stock to be redeemed.

(j) Unless full cumulative dividends on all shares of Series D Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, no shares of Series D Preferred Stock shall be redeemed unless all outstanding shares of Series D Preferred Stock are simultaneously redeemed, and the Corporation shall not purchase or otherwise acquire directly or indirectly any shares of Series D Preferred Stock (except by exchanging them for its capital stock ranking junior to the Series D Preferred Stock as to dividends and upon liquidation); provided, however, that the foregoing shall not prevent the purchase or acquisition by the Corporation of shares of Series D Preferred Stock pursuant to Article VII of the Charter to preserve its REIT status for federal income tax purposes or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series D Preferred Stock.

(k) Subject to applicable law, the Corporation may purchase shares of Series D Preferred Stock in the open market, by tender or by private agreement. Any shares of Series D Preferred Stock that the Corporation acquires may be retired and re-classified as authorized but unissued shares of Preferred Stock, without designation as to class or series, and may thereafter be reissued as any class or series of Preferred Stock.

7. Conversion Rights. Shares of Series D Preferred Stock are not convertible into or exchangeable for any other property or securities of the Corporation, except as provided in this *Section 7*.

(a) Upon the occurrence of a Change of Control, each holder of Series D Preferred Stock will have the right (unless, prior to the Change of Control Conversion Date, the Corporation has provided notice of its election to redeem some or all of the shares of Series D Preferred Stock held by such holder pursuant to *Section 6*, in which case such holder will have the right only with respect to shares of Series D Preferred Stock that are not called for redemption) to convert some or all of the shares of Series D Preferred Stock held by such holder (the "**Change of Control Conversion Right**") on the Change of Control Conversion Date into a number of shares of Common Stock per share of Series D Preferred Stock (the "**Common Stock Conversion Consideration**") equal to the lesser of: (i) the quotient obtained by dividing (x) the sum of the \$25.00 liquidation preference per share of Series D Preferred Stock plus the amount of any accrued and unpaid dividends (whether or not earned or declared) thereon to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a Dividend Record Date and prior to the corresponding Dividend Payment Date for the Series D Preferred Stock, in which case no additional amount for such accrued and unpaid dividends will be included in this sum) by (y) the Common Stock Price (as defined below) (such quotient, the

"**Conversion Rate**"); and (ii) [•](2) (the "**Share Cap**"), subject to adjustments provided in *Section 7(b)* below.

(b) The Share Cap is subject to pro rata adjustments for any share splits (including those effected pursuant to a distribution of Common Stock to existing holders of Common Stock), subdivisions or combinations (in each case, a "**Share Split**") with respect to Common Stock as follows: the adjusted Share Cap as the result of a Share Split will be the number of shares of Common Stock that is equivalent to the product obtained by multiplying (i) the Share Cap in effect immediately prior to such Share Split by (ii) a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after giving effect to such Share Split and the denominator of which is the number of shares of Common Stock outstanding immediately prior to such Share Split. For the avoidance of doubt, subject to the immediately succeeding sentence, the aggregate number of shares of Common Stock (or equivalent Alternative Conversion Consideration (as defined below), as applicable) issuable or deliverable, as applicable, in connection with the exercise of the Change of Control Conversion Right will not exceed the product of the Share Cap times the aggregate number of shares of the Series D Preferred Stock issued and outstanding at the Change of Control Conversion Date (or equivalent Alternative Conversion Consideration, as applicable) (the "**Exchange Cap**"). The Exchange Cap is subject to pro rata adjustments for any Share Splits on the same basis as the corresponding adjustment to the Share Cap.

(c) The "Change of Control Conversion Date" is the date the Series D Preferred Stock is to be converted, which will be a Business Day selected by the Corporation that is no fewer than 20 days nor more than 35 days after the date on which it provides the notice described in *Section 7(h)* to the holders of Series D Preferred Stock.

(d) The "Common Stock Price" is (i) if the consideration to be received in the Change of Control by the holders of Common Stock is solely cash, the amount of cash consideration per share of Common Stock or (ii) if the consideration to be received in the Change of Control by holders of Common Stock is other than solely cash (x) the average of the closing sale prices per share of Common Stock (or, if no closing sale price is reported, the average of the closing bid and ask prices per share or, if more than one in either case, the average of the average closing bid and the average closing ask prices per share) for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred as reported on the principal U.S. securities exchange on which Common Stock is then traded, or (y) the average of the last quoted bid prices for Common Stock in the over-the-counter market as reported by Pink OTC Markets Inc. or similar organization for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred, if Common Stock is not then listed for trading on a U.S. securities exchange.

(e) In the case of a Change of Control pursuant to which Common Stock is or will be converted into cash, securities or other property or assets (including any combination thereof) (the "**Alternative Form Consideration**"), a holder of Series D Preferred Stock will receive upon conversion of such shares of Series D Preferred Stock the kind and amount of Alternative Form

(2)

NTD: Share cap to be adjusted to preserve the economics of the Crest preferred. Formula would be: New Share Cap is equal to (A) Share Cap, multiplied by (B) a fraction in which (i) the numerator is equal to the sum of (x) the Per Share Cash Consideration and (y) the product of (1) the Exchange Ratio and (2) the TWO stock price as of closing (using the average of the closing sale prices per share for the ten consecutive trading days immediately preceding, but not including, the Closing Date) and (ii) the denominator is the TWO stock price as of closing (using the average of the closing sale prices per share for the ten consecutive trading days immediately preceding, but not including, the Closing Date).

Consideration which such holder would have owned or been entitled to receive upon the Change of Control had such holder held a number of shares of Common Stock equal to the Common Stock Conversion Consideration immediately prior to the effective time of the Change of Control (the "*Alternative Conversion Consideration*"; the Common Stock Conversion Consideration or the Alternative Conversion Consideration, whichever shall be applicable to a Change of Control, is referred to as the "*Conversion Consideration*").

(f) If the holders of Common Stock have the opportunity to elect the form of consideration to be received in the Change of Control, the Conversion Consideration in respect of such Change of Control will be deemed to be the kind and amount of consideration actually received by holders of a majority of the outstanding shares of Common Stock that made or voted for such an election (if electing between two types of consideration) or holders of a plurality of the outstanding shares of Common Stock that made or voted for such an election (if electing between more than two types of consideration), as the case may be, and will be subject to any limitations to which all holders of Common Stock are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in such Change of Control.

(g) No fractional shares of Common Stock upon the conversion of the Series D Preferred Stock in connection with a Change of Control will be issued. Instead, the Corporation will make a cash payment equal to the value of such fractional shares based upon the Common Stock Price used in determining the Common Stock Conversion Consideration for such Change of Control.

(h) Within 15 days following the occurrence of a Change of Control, provided that the Corporation has not exercised its right to redeem all shares of Series D Preferred Stock pursuant to *Section 6* hereof, the Corporation will provide to holders of Series D Preferred Stock a notice of occurrence of the Change of Control that describes the resulting Change of Control Conversion Right, which notice shall be delivered to the holders of record of the shares of the Series D Preferred Stock in their addresses as they appear on the stock transfer records of the Corporation and shall state: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the last date on which the holders of Series D Preferred Stock may exercise their Change of Control Conversion Right; (iv) the method and period for calculating the Common Stock Price; (v) the Change of Control Conversion Date; (vi) that if, prior to the Change of Control Conversion Date, the Corporation has provided notice of its election to redeem all or any shares of Series D Preferred Stock, holders will not be able to convert the shares of Series D Preferred Stock called for redemption and such shares will be redeemed on the related redemption date, even if such shares have already been tendered for conversion pursuant to the Change of Control Conversion Right; (vii) if applicable, the type and amount of Alternative Conversion Consideration entitled to be received per share of Series D Preferred Stock; (viii) the name and address of the paying agent, transfer agent and conversion agent for the Series D Preferred Stock; (ix) the procedures that the holders of Series D Preferred Stock must follow to exercise the Change of Control Conversion Right (including procedures for surrendering shares for conversion through the facilities of a Depositary (as defined below)), including the form of conversion notice to be delivered by such holders as described below; and (x) the last date on which holders of Series D Preferred Stock may withdraw shares surrendered for conversion and the procedures that such holders must follow to effect such a withdrawal.

(i) The Corporation shall also issue a press release containing such notice provided for in *Section 7(h)* hereof for publication on Dow Jones & Company, Inc., Business Wire, PR Newswire or Bloomberg Business News (or, if these organizations are not in existence at the time of issuance of the press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public), and post a notice on its website, in any event prior to the opening of business on the first business day following any date on which it provides the notice provided for in *Section 7(h)* hereof to the holders of Series D Preferred Stock.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

(j) To exercise the Change of Control Conversion Right, the holders of Series D Preferred Stock will be required to deliver, on or before the close of business on the Change of Control Conversion Date, the certificates (if any) representing the shares of Series D Preferred Stock to be converted, duly endorsed for transfer (or, in the case of any shares of Series D Preferred Stock held in book-entry form through a Depository, to deliver, on or before the close of business on the Change of Control Conversion Date, the shares of Series D Preferred Stock to be converted through the facilities of such Depository), together with a written conversion notice in the form provided by the Corporation, duly completed, to its transfer agent. The conversion notice must state: (i) the relevant Change of Control Conversion Date; (ii) the number of shares of Series D Preferred Stock to be converted; and (iii) that the shares of Series D Preferred Stock are to be converted pursuant to the applicable provisions of the Series D Preferred Stock.

(k) Holders of Series D Preferred Stock may withdraw any notice of exercise of a Change of Control Conversion Right (in whole or in part) by a written notice of withdrawal delivered to the transfer agent of the Corporation prior to the close of business on the Business Day prior to the Change of Control Conversion Date. The notice of withdrawal delivered by any holder must state: (i) the number of withdrawn shares of Series D Preferred Stock; (ii) if certificated Series D Preferred Stock has been surrendered for conversion, the certificate numbers of the withdrawn shares of Series D Preferred Stock; and (iii) the number of shares of Series D Preferred Stock, if any, which remain subject to the holder's conversion notice.

(l) Notwithstanding anything to the contrary contained in *Sections 7(j)* and *(k)* hereof, if any shares of Series D Preferred Stock are held in book-entry form through The Depository Trust Company ("*DTC*") or a similar depository (each, a "*Depository*"), the conversion notice and/or the notice of withdrawal, as applicable, must comply with applicable procedures, if any, of the applicable Depository.

(m) Series D Preferred Stock as to which the Change of Control Conversion Right has been properly exercised and for which the conversion notice has not been properly withdrawn will be converted into the applicable Conversion Consideration in accordance with the Change of Control Conversion Right on the Change of Control Conversion Date, unless prior to the Change of Control Conversion Date the Corporation has provided notice of its election to redeem some or all of the shares of Series D Preferred Stock pursuant to *Section 6*, in which case only the shares of Series D Preferred Stock properly surrendered for conversion and not properly withdrawn that are not called for redemption will be converted as aforesaid. If the Corporation elects to redeem shares of Series D Preferred Stock that would otherwise be converted into the applicable Conversion Consideration on a Change of Control Conversion Date, such shares of Series D Preferred Stock will not be so converted and the holders of such shares will be entitled to receive on the applicable redemption date the redemption price as provided in *Section 6* hereof.

(n) The Corporation shall deliver all securities, cash and any other property owing upon conversion no later than the third business day following the Change of Control Conversion Date. Notwithstanding the foregoing, the persons entitled to receive any shares of Common Stock or other securities delivered on conversion will be deemed to have become the holders of record thereof as of the Change of Control Conversion Date.

(o) In connection with the exercise of any Change of Control Conversion Right, the Corporation shall comply with all applicable federal and state securities laws and stock exchange rules in connection with any conversion of Series D Preferred Stock into shares of Common Stock or other property. Notwithstanding any other provision of the Series D Preferred Stock, no holder of Series D Preferred Stock will be entitled to convert such shares of Series D Preferred Stock into shares of Common Stock to the extent that receipt of such shares of Common Stock would cause such holder (or any other person) to exceed the applicable share transfer and ownership

limitations contained in Article VII of the Charter, unless the Corporation provides an exemption from this limitation to such holder pursuant to Article VII of the Charter.

(p) Notwithstanding anything to the contrary herein and except as otherwise required by law, the persons who are the holders of record of shares of Series D Preferred Stock at the close of business on a Dividend Record Date will be entitled to receive the dividend payable on the corresponding Dividend Payment Date notwithstanding the conversion of those shares after such Dividend Record Date and on or prior to such Dividend Payment Date and, in such case, the full amount of such dividend shall be paid on such Dividend Payment Date to the persons who were the holders of record at the close of business on such Dividend Record Date. Except as provided in this *Section 7(p)*, the Corporation will make no allowance for unpaid dividends that are not in arrears on the shares of Series D Preferred Stock to be converted.

8. Voting Rights.

(a) Holders of the Series D Preferred Stock will not have any voting rights, except as set forth in this *Section 8*. On each matter on which holders of Series D Preferred Stock are entitled to vote, each share of Series D Preferred Stock will be entitled to one vote, except that when shares of any other class or series of the Preferred Stock have the right to vote with the Series D Preferred Stock as a single class on any matter, the Series D Preferred Stock and the shares of each such other class or series will have one vote for each \$25.00 of liquidation preference (excluding accumulated dividends).

(b) Whenever dividends on any shares of Series D Preferred Stock are in arrears for six or more quarterly dividend periods, whether or not consecutive, the number of directors constituting the Board will be automatically increased by two (if not already increased by two by reason of the election of directors by the holders of any other class or series of Preferred Stock that the Corporation may issue and upon which like voting rights have been conferred and are exercisable and with which the Series D Preferred Stock is entitled to vote as a class with respect to the election of those two directors) and the holders of Series D Preferred Stock, voting together as a single class with all other classes or series of Preferred Stock that the Corporation may issue and upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series D Preferred Stock in the election of those two directors, will be entitled to vote for the election of those two additional directors at a special meeting called by the Corporation at the request of the holders of record of at least 25% of the outstanding shares of Series D Preferred Stock or by the holders of any other class or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series D Preferred Stock in the election of those two directors (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of stockholders of the Corporation, in which case, such vote will be held at the earlier of the next annual or special meeting of stockholders of the Corporation), and at each subsequent annual meeting until all dividends accumulated on the Series D Preferred Stock for all past dividend periods and the then current dividend period shall have been fully paid or declared and a sum sufficient for the payment thereof set apart for payment. In that case, the right of holders of the Series D Preferred Stock to elect any directors will cease and, unless there are other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable, the term of office of any directors elected by holders of the Series D Preferred Stock shall immediately terminate and the number of directors constituting the Board shall be reduced accordingly. For the avoidance of doubt, in no event shall the total number of directors elected by holders of the Series D Preferred Stock (voting as a single class with all other classes or series of Preferred Stock that the Corporation may issue and upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series D Preferred

Stock in the election of such directors) pursuant to the voting rights under this *Section 8* exceed two.

(c) If a special meeting at a place within the United States designated by the Corporation is not called by the Corporation within 30 days after request from the holders of Series D Preferred Stock as described in *Section 8(b)* hereof, then the holders of record of at least 25% of the outstanding Series D Preferred Stock may designate a holder to call the meeting at the expense of the Corporation and such meeting may be called by the holder so designated upon notice similar to that required for annual meetings of stockholders and shall be held at the place within the United States designated by the holder calling such meeting. The Corporation shall pay all costs and expenses of calling and holding any meeting and of electing directors pursuant to *Section 8(b)* hereof, including, without limitation, the cost of preparing, reproducing and mailing the notice of such meeting, the cost of renting a room for such meeting to be held, and the cost of collecting and tabulating votes.

(d) If, at any time when the voting rights conferred upon the Series D Preferred Stock pursuant to *Section 8(b)* hereof are exercisable, any vacancy in the office of a director elected pursuant to *Section 8(b)* shall occur, then such vacancy may be filled only by the remaining such director or by vote of the holders of record of the outstanding Series D Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series D Preferred Stock in the election of directors pursuant to *Section 8(b)*. Any director elected or appointed pursuant to *Section 8(b)* may be removed only by the affirmative vote of holders of the outstanding Series D Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which classes or series of Preferred Stock are entitled to vote as a class with the Series D Preferred Stock in the election of directors pursuant to *Section 8(b)*, such removal to be effected by the affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding Series D Preferred Stock and any such other classes or series of Preferred Stock, and may not be removed by the holders of the Common Stock.

(e) So long as any shares of Series D Preferred Stock remain outstanding, the Corporation will not, without the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series D Preferred Stock outstanding at the time, voting together as a single class with all series of Preferred Stock ranking on a parity with the Series D Preferred Stock that the Corporation may issue and upon which like voting rights have been conferred and are exercisable, given in person or by proxy, either in writing or at a meeting, (i) authorize or create, or increase the authorized or issued amount of, any class or series of capital stock ranking senior to the Series D Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up or reclassify any of the authorized capital stock of the Corporation into such shares, or create or authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares; or (ii) amend, alter or repeal the provisions of the Charter, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or voting power of the Series D Preferred Stock (each, an "**Event**"); provided, however, with respect to the occurrence of any Event set forth in *clause (ii)*, so long as the Series D Preferred Stock remains outstanding with the terms thereof materially unchanged, taking into account that, upon an occurrence of an Event, the Corporation may not be the surviving entity, the occurrence of any such Event shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting power of holders of the Series D Preferred Stock and, provided further, that any increase in the amount of the authorized Common Stock or Preferred Stock, including the Series D Preferred Stock, or the creation or issuance of any additional shares of Series D Preferred Stock or other series of Preferred Stock that the Corporation may issue, or any increase in the amount of authorized shares of such series,

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

in each case ranking on a parity with or junior to the Series D Preferred Stock that the Corporation may issue with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

(f) The voting rights provided for in this *Section 8* will not apply if, at or prior to the time when the act with respect to which voting by holders of the Series D Preferred Stock would otherwise be required pursuant to this *Section 8* shall be effected, all outstanding shares of Series D Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption pursuant to *Section 6* hereof.

(g) Except as expressly stated in this *Section 8*, the Series D Preferred Stock will not have any relative, participating, optional or other special voting rights or powers and the consent of the holders thereof shall not be required for the taking of any corporate action. The holders of Series D Preferred Stock shall have exclusive voting rights on any Charter amendment that would alter only the contract rights, as expressly set forth in the Charter, of the Series D Preferred Stock.

(h) Notwithstanding the foregoing, holders of any series of Preferred Stock ranking on a parity with the Series D Preferred Stock that the Corporation may issue shall not be entitled to vote together as a class with the holders of Series D Preferred Stock on any amendment, alteration or repeal of any provision of the Charter unless such action affects the holders of the Series D Preferred Stock and such other series of Preferred Stock equally.

9. Information Rights. During any period in which the Corporation is not subject to Section 13 or 15(d) of the Exchange Act and any shares of Series D Preferred Stock are outstanding, the Corporation will use its best efforts to (i) transmit by mail (or other permissible means under the Exchange Act) to all holders of Series D Preferred Stock, as their names and addresses appear on the record books of the Corporation and without cost to such holders, copies of the annual reports on Form 10-K and quarterly reports on Form 10-Q, respectively, that the Corporation would have been required to file with the Securities and Exchange Commission (the "*SEC*") pursuant to Section 13 or 15(d) of the Exchange Act if it were subject thereto (other than any exhibits that would have been required); and (ii) promptly, upon request, supply copies of such reports to any holders or prospective holder of Series D Preferred Stock. The Corporation will use its best efforts to mail (or otherwise provide) the information to the holders of the Series D Preferred Stock within 15 days after the respective dates by which a periodic report on Form 10-K or Form 10-Q, as the case may be, in respect of such information would have been required to be filed with the SEC, if the Corporation were subject to Section 13 or 15(d) of the Exchange Act, in each case, based on the dates on which the Corporation would be required to file such periodic reports if it were a "non-accelerated filer" within the meaning of the Exchange Act.

10. Restrictions on Ownership and Transfer. The Series D Preferred Stock shall be subject to the restrictions on ownership and transfer set forth in Article VII of the Charter.

11. Record Holders. The Corporation and the transfer agent for the Series D Preferred Stock may deem and treat the record holder of any Series D Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor the transfer agent shall be affected by any notice to the contrary.

12. Office or Agency. For so long as any shares of Series D Preferred Stock are outstanding, the Corporation shall at all times maintain an office or agency in one of the 48 contiguous States of the United States of America where shares of Series D Preferred Stock may be surrendered for payment (including upon redemption), registration of transfer or exchange.

TWO HARBORS INVESTMENT CORP.

FORM OF ARTICLES SUPPLEMENTARY

7.50% Series E Cumulative Redeemable Preferred Stock

Two Harbors Investment Corp., a Maryland corporation (the "*Corporation*"), hereby certifies to the State Department of Assessments and Taxation of Maryland that:

FIRST: Under a power contained in Article VI of the charter of the Corporation (the "*Charter*"), the Board of Directors (the "*Board of Directors*") of the Corporation, by duly adopted resolutions classified and designated 8,000,000 authorized but unissued shares of preferred stock, \$0.01 par value per share, of the Corporation ("*Preferred Stock*") as shares of 7.50% Series E Cumulative Redeemable Preferred Stock, \$0.01 par value per share (the "*Series E Preferred Stock*"), with the following preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption, which, upon any restatement of the Charter, shall become part of Article VI of the Charter, with any necessary or appropriate renumbering or relettering of the sections or subsections hereof.

1. Designation and Number. A series of Preferred Stock, classified as the "7.50% Series E Cumulative Redeemable Preferred Stock" is hereby established. The number of authorized shares of the Series E Preferred Stock shall be 8,000,000.

2. Maturity. The Series E Preferred Stock has no stated maturity and will not be subject to any sinking fund or mandatory redemption, and will remain outstanding indefinitely unless (i) the Corporation decides to redeem or otherwise repurchase the Series E Preferred Stock or (ii) the Series E Preferred Stock becomes convertible and is actually converted pursuant to *Section 7* hereof. The Corporation is not required to set aside funds to redeem the Series E Preferred Stock.

3. Ranking. The Series E Preferred Stock will rank, with respect to rights to the payment of dividends and the distribution of assets in the event of any liquidation, dissolution or winding up of the Corporation, (i) senior to all classes or series of the common stock of the Corporation, par value \$0.01 per share (the "*Common Stock*"), and to all other equity securities issued by the Corporation other than equity securities referred to in *clauses (ii) and (iii)* of this *Section 3*; (ii) on a parity with the Corporation's 8.125% Series A Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share, the Corporation's 7.625% Series B Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share, the Corporation's 7.25% Series C Fixed-to-Floating Rate Cumulative Redeemable Preferred Stock, \$0.01 par value per share, the Corporation's 7.75% Series D Cumulative Redeemable Preferred Stock, \$0.01 par value per share, and all other equity securities issued by the Corporation with terms specifically providing that those equity securities rank on a parity with the Series E Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation; and (iii) junior to all equity securities issued by the Corporation with terms specifically providing that those equity securities rank senior to the Series E Preferred Stock with respect to rights to the payment of dividends and the distribution of assets upon any liquidation, dissolution or winding up of the Corporation. The term "equity securities" shall not include convertible debt securities.

4. Dividends.

(a) Holders of shares of the Series E Preferred Stock are entitled to receive, when, as and if authorized by the Board and declared by the Corporation, out of funds of the Corporation legally available for the payment of dividends, cumulative cash dividends at the rate of 7.50% of the \$25.00 per share liquidation preference per annum (equivalent to \$1.875 per annum per share). Dividends on the Series E Preferred Stock shall accumulate daily and shall be cumulative from, and including, [July 15, 2018](1) and shall be payable for each subsequent quarterly dividend

period, quarterly in arrears on the 15th day of each January, April, July and October (each, a "**Dividend Payment Date**"); provided, that if any Dividend Payment Date is not a Business Day (as defined below), then the dividend which would otherwise have been payable on that Dividend Payment Date may be paid on the next succeeding Business Day with the same force and effect as if paid on such Dividend Payment Date and no interest, additional dividends or other sums will accumulate on the amount so payable for the period from and after such Dividend Payment Date to such next succeeding Business Day. Any dividend payable on the Series E Preferred Stock, including dividends payable for any partial dividend period, will be computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends will be payable to holders of record as they appear in the stock records of the Corporation for the Series E Preferred Stock at the close of business on the applicable record date, which shall be the first day of the calendar month, whether or not a Business Day, in which the applicable Dividend Payment Date falls (each, a "**Dividend Record Date**"). The dividends payable on any Dividend Payment Date shall include dividends accumulated to, but not including, such Dividend Payment Date.

(b) No dividends on shares of Series E Preferred Stock shall be authorized by the Board or paid or set apart for payment by the Corporation at any time when the terms and provisions of any agreement of the Corporation, including any agreement relating to any indebtedness of the Corporation, prohibit the authorization, payment or setting apart for payment thereof or provide that the authorization, payment or setting apart for payment thereof would constitute a breach of the agreement or a default under the agreement, or if the authorization, payment or setting apart for payment shall be restricted or prohibited by law.

(c) Notwithstanding anything to the contrary contained herein, dividends on the Series E Preferred Stock will accumulate whether or not the Corporation has earnings, whether or not there are funds legally available for the payment of those dividends and whether or not those dividends are declared. No interest, or sum in lieu of interest, will be payable in respect of any dividend payment or payments on the Series E Preferred Stock which may be in arrears, and holders of the Series E Preferred Stock will not be entitled to any dividends in excess of full cumulative dividends described in *Section 4(a)* hereof. Any dividend payment made on the Series E Preferred Stock shall first be credited against the earliest accumulated but unpaid dividend due with respect to the Series E Preferred Stock.

(d) Except as provided in *Section 4(e)* hereof, unless full cumulative dividends on the Series E Preferred Stock have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof is set apart for payment for all past dividend periods, (i) no dividends (other than in shares of Common Stock or in shares of any series of Preferred Stock that the Corporation may issue ranking junior to the Series E Preferred Stock as to dividends and upon liquidation) shall be declared or paid or set apart for payment upon shares of Common Stock or Preferred Stock that rank junior to or on a parity with the Series E Preferred Stock as to dividends or upon liquidation, (ii) no other distribution shall be declared or made upon shares of Common Stock or Preferred Stock that rank junior to or on a parity with the Series E Preferred Stock as to dividends or upon liquidation, and (iii) any shares of Common Stock and Preferred Stock that rank junior to or on a parity with the Series E Preferred Stock as to dividends or upon liquidation shall not be redeemed, purchased or otherwise acquired for any consideration (or any moneys be paid to or made available for a sinking fund for the redemption of any such shares) by the Corporation (except by conversion into or exchange for other capital stock of the Corporation that rank junior to the Series E Preferred Stock as to dividends and upon liquidation and for transfers made pursuant to the provisions of Article VII of the Charter); provided, however, that the foregoing shall not prevent the purchase or acquisition by the Corporation of shares of any class or series of stock pursuant to the provisions of Article VII of the Charter to preserve its status as a REIT (as defined in the Charter) for federal income tax purposes or pursuant to a purchase or exchange

offer made on the same terms to holders of all outstanding shares of Series E Preferred Stock and any Preferred Stock that rank on a parity with the Series E Preferred Stock as to dividends or upon liquidation.

(e) When dividends are not paid in full (or a sum sufficient for such full payment is not so set apart) upon the Series E Preferred Stock and the shares of any other series of Preferred Stock that rank on a parity as to dividends with the Series E Preferred Stock, all dividends declared upon the Series E Preferred Stock and any other series of Preferred Stock that rank on a parity as to dividends with the Series E Preferred Stock shall be declared pro rata so that the amount of dividends declared per share of Series E Preferred Stock and such other series of Preferred Stock that the Corporation may issue shall in all cases bear to each other the same ratio that accumulated dividends per share on the Series E Preferred Stock and accumulated or accrued dividends per share on such other series of Preferred Stock (which shall not include any accrual in respect of unpaid dividends for prior dividend periods if such Preferred Stock does not have a cumulative dividend) bear to each other. No interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment or payments on the Series E Preferred Stock which may be in arrears.

(f) "Business Day" shall mean any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions in New York, New York are authorized or required by law, regulation or executive order to close.

(g) "Set apart for payment" shall be deemed to include, without any action other than the following: the recording by the Corporation in its accounting ledgers of any accounting or bookkeeping entry which indicates, pursuant to an authorization by the Board and a declaration of dividends or other distribution by the Corporation, the allocation of funds to be so paid on any series or class of shares of stock of the Corporation; provided, however, that if any funds for any class or series of stock ranking junior to or on a parity with the Series E Preferred Stock as to the payment of dividends are placed in a separate account of the Corporation or delivered to a disbursing, paying or other similar agent, then "set apart for payment" with respect to the Series E Preferred Stock shall mean placing such funds in a separate account or delivering such funds to a disbursing, paying or other similar agent.

5. *Liquidation Preference.*

(a) In the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation, the holders of shares of Series E Preferred Stock will be entitled to be paid out of the assets the Corporation has legally available for distribution to its stockholders, subject to the preferential rights of the holders of any class or series of capital stock of the Corporation ranking senior to the Series E Preferred Stock with respect to the distribution of assets upon liquidation, dissolution or winding up, a liquidation preference of Twenty-Five Dollars (\$25.00) per share, plus an amount equal to any accumulated and unpaid dividends (whether or not earned or declared) to, but not including, the date of payment, before any distribution of assets is made to holders of Common Stock or any other class or series of capital stock of the Corporation that it may issue that ranks junior to the Series E Preferred Stock as to liquidation rights.

(b) In the event that, upon any such voluntary or involuntary liquidation, dissolution or winding up, the available assets of the Corporation are insufficient to pay the amount of the liquidating distributions on all outstanding shares of Series E Preferred Stock and the corresponding amounts payable on all shares of other classes or series of capital stock of the Corporation that ranks on a parity with the Series E Preferred Stock in the distribution of assets, then the holders of the Series E Preferred Stock and all other such classes or series of capital stock shall share ratably in any such distribution of assets in proportion to the full liquidating distributions to which they would otherwise be respectively entitled.

(c) Holders of Series E Preferred Stock will be entitled to written notice of any such liquidation no fewer than 30 days and no more than 60 days prior to the payment date. After payment of the full amount of the liquidating distributions to which they are entitled, the holders of Series E Preferred Stock will have no right or claim to any of the remaining assets of the Corporation. The consolidation or merger of the Corporation with or into any other corporation, trust or entity or of any other entity with or into the Corporation, or the sale, lease, transfer or conveyance of all or substantially all of the property or business the Corporation, shall not be deemed to constitute a liquidation, dissolution or winding up of the Corporation.

(d) In determining whether a distribution (other than upon voluntary or involuntary liquidation), by dividend, redemption or other acquisition of shares of stock of the Corporation or otherwise, is permitted under the Maryland General Corporation Law, amounts that would be needed, if the Corporation were to be dissolved at the time of distribution, to satisfy the preferential rights upon dissolution of holders of shares of the Series E Preferred Stock shall not be added to the Corporation's total liabilities.

6. Redemption.

(a) **Optional Redemption Right.** The Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series E Preferred Stock, in whole or in part, at any time or from time to time, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption.

(b) **Special Optional Redemption Right.** Upon the occurrence of a Change of Control (as defined below), the Corporation may, at its option, upon not less than 30 nor more than 60 days' written notice, redeem the Series E Preferred Stock, in whole or in part, within 120 days after the first date on which such Change of Control occurred, for cash at a redemption price of Twenty-Five Dollars (\$25.00) per share, plus any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption. If, prior to the Change of Control Conversion Date (as hereinafter defined), the Corporation has provided notice of its election to redeem some or all of the shares of Series E Preferred Stock pursuant to this *Section 6*, the holders of Series E Preferred Stock will not have the Change of Control Conversion Right (as hereinafter defined) with respect to the shares called for redemption.

(c) A "Change of Control" is deemed to occur when, after the effective time of the merger of CYS Investments, Inc., a Maryland corporation, with and into a wholly owned subsidiary of the Corporation, the following have occurred and are continuing: (i) the acquisition by any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of purchases, mergers or other acquisition transactions of capital stock of the Corporation entitling that person to exercise more than 50% of the total voting power of all capital stock of the Corporation entitled to vote generally in the election of directors of the Corporation (except that such person will be deemed to have beneficial ownership of all securities that such person has the right to acquire, whether such right is currently exercisable or is exercisable only upon the occurrence of a subsequent condition); and (ii) following the closing of any transaction referred to in *clause (i)*, neither the Corporation nor the acquiring or surviving entity has a class of common securities (or American Depositary Receipts representing such securities) listed on the New York Stock Exchange (the "*NYSE*"), the NYSE Amex Equities (the "*NYSE Amex*") or the Nasdaq Stock Market ("*Nasdaq*"), or listed or quoted on an exchange or quotation system that is a successor to the NYSE, the NYSE Amex or Nasdaq.

(d) In the event the Corporation elects to redeem Series E Preferred Stock, the notice of redemption will be mailed by the Corporation, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, to each holder of record of Series E Preferred Stock called for redemption at such holder's address as it appears on the stock transfer records of the Corporation and shall state: (i) the redemption date; (ii) the number of shares of Series E Preferred Stock to be redeemed; (iii) the redemption price; (iv) the place or places where certificates (if any) for the Series E Preferred Stock are to be surrendered for payment of the redemption price; (v) that dividends on the shares to be redeemed will cease to accumulate on the redemption date; (vi) whether such redemption is being made pursuant to *Section 6(a)* or *Section 6(b)* hereof; (vii) if applicable, that such redemption is being made in connection with a Change of Control and, in that case, a brief description of the transaction or transactions constituting such Change of Control; and (viii) if such redemption is being made in connection with a Change of Control, that the holders of the shares of Series E Preferred Stock being so called for redemption will not be able to tender such shares of Series E Preferred Stock for conversion in connection with the Change of Control and that each share of Series E Preferred Stock tendered for conversion that is called, prior to the Change of Control Conversion Date, for redemption will be redeemed on the related date of redemption instead of converted on the Change of Control Conversion Date. If less than all of the Series E Preferred Stock held by any holder are to be redeemed, the notice mailed to such holder shall also specify the number of shares of Series E Preferred Stock held by such holder to be redeemed. No failure to give such notice or any defect thereto or in the mailing thereof shall affect the validity of the proceedings for the redemption of any shares of Series E Preferred Stock except as to the holder to whom notice was defective or not given. Notwithstanding the foregoing, no notice of redemption will be required where the Corporation elects to redeem Series E Preferred Stock pursuant to Article VII of the Charter to preserve its REIT status for federal income tax purposes.

(e) Holders of shares of Series E Preferred Stock to be redeemed shall surrender the Series E Preferred Stock at the place designated in the notice of redemption and shall be entitled to the redemption price and any accumulated and unpaid dividends payable upon the redemption following the surrender.

(f) If notice of redemption of any shares of Series E Preferred Stock has been given and if the Corporation irrevocably sets apart for payment the funds necessary for redemption in trust for the benefit of the holders of the shares of Series E Preferred Stock so called for redemption, then from and after the redemption date (unless the Corporation shall default in providing for the payment of the redemption price plus accumulated and unpaid dividends, if any), dividends will cease to accumulate on those shares of Series E Preferred Stock, those shares of Series E Preferred Stock shall no longer be deemed outstanding and all rights of the holders of those shares will terminate, except the right to receive the redemption price plus accumulated and unpaid dividends, if any, payable upon redemption.

(g) If any redemption date is not a Business Day, then the redemption price and accumulated and unpaid dividends, if any, payable upon redemption may be paid on the next Business Day and no interest, additional dividends or other sums will accumulate on the amount payable for the period from and after that redemption date to that next Business Day.

(h) If less than all of the outstanding Series E Preferred Stock is to be redeemed, the Series E Preferred Stock to be redeemed shall be selected pro rata (as nearly as may be practicable without creating fractional shares) or by any other equitable method the Corporation shall determine that will not result in the automatic transfer of any shares of Series E Preferred Stock to a trust pursuant to Article VII of the Charter (as to restrictions on transfer and ownership of shares of the Corporation's capital stock).

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

(i) Immediately prior to any redemption of Series E Preferred Stock, the Corporation shall pay, in cash, any accumulated and unpaid dividends thereon to, but not including, the date fixed for redemption, unless a redemption date falls after a Dividend Record Date and prior to the corresponding Dividend Payment Date, in which case each holder of Series E Preferred Stock at the close of business on such Dividend Record Date shall be entitled to the dividend payable on such shares on the corresponding Dividend Payment Date notwithstanding the redemption of such shares before such Dividend Payment Date. Except as provided in this *Section 6(j)*, the Corporation will make no payment or allowance for unpaid dividends, whether or not in arrears, on shares of the Series E Preferred Stock to be redeemed.

(j) Unless full cumulative dividends on all shares of Series E Preferred Stock shall have been or contemporaneously are declared and paid or declared and a sum sufficient for the payment thereof has been or contemporaneously is set apart for payment for all past dividend periods, no shares of Series E Preferred Stock shall be redeemed unless all outstanding shares of Series E Preferred Stock are simultaneously redeemed, and the Corporation shall not purchase or otherwise acquire directly or indirectly any shares of Series E Preferred Stock (except by exchanging them for its capital stock ranking junior to the Series E Preferred Stock as to dividends and upon liquidation); provided, however, that the foregoing shall not prevent the purchase or acquisition by the Corporation of shares of Series E Preferred Stock pursuant to Article VII of the Charter to preserve its REIT status for federal income tax purposes or pursuant to a purchase or exchange offer made on the same terms to holders of all outstanding shares of Series E Preferred Stock.

(k) Subject to applicable law, the Corporation may purchase shares of Series E Preferred Stock in the open market, by tender or by private agreement. Any shares of Series E Preferred Stock that the Corporation acquires may be retired and re-classified as authorized but unissued shares of Preferred Stock, without designation as to class or series, and may thereafter be reissued as any class or series of Preferred Stock.

7. *Conversion Rights.* Shares of Series E Preferred Stock are not convertible into or exchangeable for any other property or securities of the Corporation, except as provided in this *Section 7*.

(a) Upon the occurrence of a Change of Control, each holder of Series E Preferred Stock will have the right (unless, prior to the Change of Control Conversion Date, the Corporation has provided notice of its election to redeem some or all of the shares of Series E Preferred Stock held by such holder pursuant to *Section 6* hereof, in which case such holder will have the right only with respect to shares of Series E Preferred Stock that are not called for redemption) to convert some or all of the shares of Series E Preferred Stock held by such holder (the "***Change of Control Conversion Right***") on the Change of Control Conversion Date into a number of shares of Common Stock per share of Series E Preferred Stock (the "***Common Stock Conversion Consideration***") equal to the lesser of:

(i) the quotient obtained by dividing (x) the sum of the \$25.00 liquidation preference per share of Series E Preferred Stock plus the amount of any accrued and unpaid dividends (whether or not earned or declared) thereon to, but not including, the Change of Control Conversion Date (unless the Change of Control Conversion Date is after a Dividend Record Date and prior to the corresponding Dividend Payment Date for the Series E Preferred Stock, in which case no additional amount for such accrued and unpaid dividends will be included in this sum) by (y) the Common Stock Price (as defined below) (such quotient, the

"**Conversion Rate**"); and (ii) [•](2) (the "**Share Cap**"), subject to adjustments provided in *Section 7(b)* below.

(b) The Share Cap is subject to pro rata adjustments for any share splits (including those effected pursuant to a distribution of Common Stock to existing holders of Common Stock), subdivisions or combinations (in each case, a "**Share Split**") with respect to Common Stock as follows: the adjusted Share Cap as the result of a Share Split will be the number of shares of Common Stock that is equivalent to the product obtained by multiplying (i) the Share Cap in effect immediately prior to such Share Split by (ii) a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after giving effect to such Share Split and the denominator of which is the number of shares of Common Stock outstanding immediately prior to such Share Split. For the avoidance of doubt, subject to the immediately succeeding sentence, the aggregate number of shares of Common Stock (or equivalent Alternative Conversion Consideration (as defined below), as applicable) issuable or deliverable, as applicable, in connection with the exercise of the Change of Control Conversion Right will not exceed the product of the Share Cap times the aggregate number of shares of the Series E Preferred Stock issued and outstanding at the Change of Control Conversion Date (or equivalent Alternative Conversion Consideration, as applicable) (the "**Exchange Cap**"). The Exchange Cap is subject to pro rata adjustments for any Share Splits on the same basis as the corresponding adjustment to the Share Cap.

(c) The "Change of Control Conversion Date" is the date the Series E Preferred Stock is to be converted, which will be a Business Day selected by the Corporation that is neither fewer than 20 days nor more than 35 days after the date on which it provides the notice described in *Section 7(h)* to the holders of Series E Preferred Stock.

(d) The "Common Stock Price" is (i) if the consideration to be received in the Change of Control by the holders of Common Stock is solely cash, the amount of cash consideration per share of Common Stock or (ii) if the consideration to be received in the Change of Control by holders of Common Stock is other than solely cash (x) the average of the closing sale prices per share of Common Stock (or, if no closing sale price is reported, the average of the closing bid and ask prices per share or, if more than one in either case, the average of the average closing bid and the average closing ask prices per share) for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred as reported on the principal U.S. securities exchange on which Common Stock is then traded, or (y) the average of the last quoted bid prices for Common Stock in the over-the-counter market as reported by Pink OTC Markets Inc. or similar organization for the ten consecutive trading days immediately preceding, but not including, the date on which such Change of Control occurred, if Common Stock is not then listed for trading on a U.S. securities exchange.

(e) In the case of a Change of Control pursuant to which Common Stock is or will be converted into cash, securities or other property or assets (including any combination thereof) (the "**Alternative Form Consideration**"), a holder of Series E Preferred Stock will receive upon conversion of such shares of Series E Preferred Stock the kind and amount of Alternative Form

(2)

NTD: Share cap to be adjusted to preserve the economics of the Crest preferred. Formula would be: New Share Cap is equal to (A) Share Cap, multiplied by (B) a fraction in which (i) the numerator is equal to the sum of (x) the Per Share Cash Consideration and (y) the product of (1) the Exchange Ratio and (2) the TWO stock price as of closing (using the average of the closing sale prices per share for the ten consecutive trading days immediately preceding, but not including, the Closing Date) and (ii) the denominator is the TWO stock price as of closing (using the average of the closing sale prices per share for the ten consecutive trading days immediately preceding, but not including, the Closing Date).

Consideration which such holder would have owned or been entitled to receive upon the Change of Control had such holder held a number of shares of Common Stock equal to the Common Stock Conversion Consideration immediately prior to the effective time of the Change of Control (the "**Alternative Conversion Consideration**"; the Common Stock Conversion Consideration or the Alternative Conversion Consideration, whichever shall be applicable to a Change of Control, is referred to as the "**Conversion Consideration**").

(f) If the holders of Common Stock have the opportunity to elect the form of consideration to be received in the Change of Control, the Conversion Consideration in respect of such Change of Control will be deemed to be the kind and amount of consideration actually received by holders of a majority of the outstanding shares of Common Stock that made or voted for such an election (if electing between two types of consideration) or holders of a plurality of the outstanding shares of Common Stock that made or voted for such an election (if electing between more than two types of consideration), as the case may be, and will be subject to any limitations to which all holders of Common Stock are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in such Change of Control.

(g) No fractional shares of Common Stock upon the conversion of the Series E Preferred Stock in connection with a Change of Control will be issued. Instead, the Corporation will make a cash payment equal to the value of such fractional shares based upon the Common Stock Price used in determining the Common Stock Conversion Consideration for such Change of Control.

(h) Within 15 days following the occurrence of a Change of Control, provided that the Corporation has not exercised its right to redeem all shares of Series E Preferred Stock pursuant to *Section 6* hereof, the Corporation will provide to holders of Series E Preferred Stock a notice of occurrence of the Change of Control that describes the resulting Change of Control Conversion Right, which notice shall be delivered to the holders of record of the shares of the Series E Preferred Stock in their addresses as they appear on the stock transfer records of the Corporation and shall state: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the last date on which the holders of Series E Preferred Stock may exercise their Change of Control Conversion Right; (iv) the method and period for calculating the Common Stock Price; (v) the Change of Control Conversion Date; (vi) that if, prior to the Change of Control Conversion Date, the Corporation has provided notice of its election to redeem all or any shares of Series E Preferred Stock, holders will not be able to convert the shares of Series E Preferred Stock called for redemption and such shares will be redeemed on the related redemption date, even if such shares have already been tendered for conversion pursuant to the Change of Control Conversion Right; (vii) if applicable, the type and amount of Alternative Conversion Consideration entitled to be received per share of Series E Preferred Stock; (viii) the name and address of the paying agent, transfer agent and conversion agent for the Series E Preferred Stock; (ix) the procedures that the holders of Series E Preferred Stock must follow to exercise the Change of Control Conversion Right (including procedures for surrendering shares for conversion through the facilities of a Depository (as defined below)), including the form of conversion notice to be delivered by such holders as described below; and (x) the last date on which holders of Series E Preferred Stock may withdraw shares surrendered for conversion and the procedures that such holders must follow to effect such a withdrawal.

(i) The Corporation shall also issue a press release containing such notice provided for in *Section 7(h)* hereof for publication on Dow Jones & Company, Inc., Business Wire, PR Newswire or Bloomberg Business News (or, if these organizations are not in existence at the time of issuance of the press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public), and post a notice on its website, in any event prior to the opening of business on the first business day following any date on which it provides the notice provided for in *Section 7(h)* hereof to the holders of Series E Preferred Stock.

(j) To exercise the Change of Control Conversion Right, the holders of Series E Preferred Stock will be required to deliver, on or before the close of business on the Change of Control Conversion Date, the certificates (if any) representing the shares of Series E Preferred Stock to be converted, duly endorsed for transfer (or, in the case of any shares of Series E Preferred Stock held in book-entry form through a Depository, to deliver, on or before the close of business on the Change of Control Conversion Date, the shares of Series E Preferred Stock to be converted through the facilities of such Depository), together with a written conversion notice in the form provided by the Corporation, duly completed, to its transfer agent. The conversion notice must state: (i) the relevant Change of Control Conversion Date; (ii) the number of shares of Series E Preferred Stock to be converted; and (iii) that the shares of Series E Preferred Stock are to be converted pursuant to the applicable provisions of the Series E Preferred Stock.

(k) Holders of Series E Preferred Stock may withdraw any notice of exercise of a Change of Control Conversion Right (in whole or in part) by a written notice of withdrawal delivered to the transfer agent of the Corporation prior to the close of business on the Business Day prior to the Change of Control Conversion Date. The notice of withdrawal delivered by any holder must state: (i) the number of withdrawn shares of Series E Preferred Stock; (ii) if certificated Series E Preferred Stock has been surrendered for conversion, the certificate numbers of the withdrawn shares of Series E Preferred Stock; and (iii) the number of shares of Series E Preferred Stock, if any, which remain subject to the holder's conversion notice.

(l) Notwithstanding anything to the contrary contained in *Sections 7(j)* and *(k)* hereof, if any shares of Series E Preferred Stock are held in book-entry form through The Depository Trust Company ("*DTC*") or a similar depository (each, a "*Depository*"), the conversion notice and/or the notice of withdrawal, as applicable, must comply with applicable procedures, if any, of the applicable Depository.

(m) Series E Preferred Stock as to which the Change of Control Conversion Right has been properly exercised and for which the conversion notice has not been properly withdrawn will be converted into the applicable Conversion Consideration in accordance with the Change of Control Conversion Right on the Change of Control Conversion Date, unless prior to the Change of Control Conversion Date the Corporation has provided notice of its election to redeem some or all of the shares of Series E Preferred Stock pursuant to *Section 6* hereof, in which case only the shares of Series E Preferred Stock properly surrendered for conversion and not properly withdrawn that are not called for redemption will be converted as aforesaid. If the Corporation elects to redeem shares of Series E Preferred Stock that would otherwise be converted into the applicable Conversion Consideration on a Change of Control Conversion Date, such shares of Series E Preferred Stock will not be so converted and the holders of such shares will be entitled to receive on the applicable redemption date the redemption price as provided in *Section 6* hereof.

(n) The Corporation shall deliver all securities, cash and any other property owing upon conversion no later than the third business day following the Change of Control Conversion Date. Notwithstanding the foregoing, the persons entitled to receive any shares of Common Stock or other securities delivered on conversion will be deemed to have become the holders of record thereof as of the Change of Control Conversion Date.

(o) In connection with the exercise of any Change of Control Conversion Right, the Corporation shall comply with all applicable federal and state securities laws and stock exchange rules in connection with any conversion of shares of Series E Preferred Stock into shares of Common Stock or other property. Notwithstanding any other provision of the Series E Preferred Stock, no holder of Series E Preferred Stock will be entitled to convert such shares of Series E Preferred Stock into shares of Common Stock to the extent that receipt of such shares of Common Stock would cause such holder (or any other person) to exceed the applicable share transfer and

ownership limitations contained in Article VII of the Charter, unless the Corporation provides an exemption from this limitation to such holder pursuant to Article VII of the Charter.

(p) Notwithstanding anything to the contrary herein and except as otherwise required by law, the persons who are the holders of record of shares of Series E Preferred Stock at the close of business on a Dividend Record Date will be entitled to receive the dividend payable on the corresponding Dividend Payment Date notwithstanding the conversion of those shares after such Dividend Record Date and on or prior to such Dividend Payment Date and, in such case, the full amount of such dividend shall be paid on such Dividend Payment Date to the persons who were the holders of record at the close of business on such Dividend Record Date. Except as provided in this *Section 7(p)*, the Corporation will make no allowance for unpaid dividends that are not in arrears on the shares of Series E Preferred Stock to be converted.

8. Voting Rights.

(a) Holders of the Series E Preferred Stock will not have any voting rights, except as set forth in this *Section 8*. On each matter on which holders of Series E Preferred Stock are entitled to vote, each share of Series E Preferred Stock will be entitled to one vote, except that when shares of any other class or series of the Preferred Stock have the right to vote with the Series E Preferred Stock as a single class on any matter, the Series E Preferred Stock and the shares of each such other class or series will have one vote for each \$25.00 of liquidation preference (excluding accumulated dividends).

(b) Whenever dividends on any shares of Series E Preferred Stock are in arrears for six or more quarterly dividend periods, whether or not consecutive, the number of directors constituting the Board will be automatically increased by two (if not already increased by two by reason of the election of directors by the holders of any other class or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and with which the Series E Preferred Stock is entitled to vote as a class with respect to the election of those two directors) and the holders of Series E Preferred Stock, voting as a single class with all other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series E Preferred Stock in the election of those two directors, will be entitled to vote for the election of those two additional directors at a special meeting called by the Corporation at the request of the holders of record of at least 25% of the outstanding shares of Series E Preferred Stock or by the holders of any other class or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series E Preferred Stock in the election of those two directors (unless the request is received less than 90 days before the date fixed for the next annual or special meeting of stockholders of the Corporation, in which case, such vote will be held at the earlier of the next annual or special meeting of stockholders of the Corporation), and at each subsequent annual meeting until all dividends accumulated on the Series E Preferred Stock for all past dividend periods and the then current dividend period shall have been fully paid or declared and a sum sufficient for the payment thereof set apart for payment. In that case, the right of holders of the Series E Preferred Stock to elect any directors will cease and, unless there are other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable, the term of office of any directors elected by holders of the Series E Preferred Stock shall immediately terminate and the number of directors constituting the Board shall be reduced accordingly. For the avoidance of doubt, in no event shall the total number of directors elected by holders of the Series E Preferred Stock (voting as a single class with all other classes or series of Preferred Stock that the Corporation may issue and upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series E Preferred Stock in the election of such directors) pursuant to the voting rights under this *Section 8* exceed two.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

(c) If a special meeting at a place within the United States designated by the Corporation is not called by the Corporation within 30 days after request from the holders of Series E Preferred Stock as described in *Section 8(b)* hereof, then the holders of record of at least 25% of the outstanding Series E Preferred Stock may designate a holder to call the meeting at the expense of the Corporation and such meeting may be called by the holder so designated upon notice similar to that required for annual meetings of stockholders and shall be held at the place within the United States designated by the holder calling such meeting. The Corporation shall pay all costs and expenses of calling and holding any meeting and of electing directors pursuant to *Section 8(b)* hereof, including, without limitation, the cost of preparing, reproducing and mailing the notice of such meeting, the cost of renting a room for such meeting to be held, and the cost of collecting and tabulating votes.

(d) If, at any time when the voting rights conferred upon the Series E Preferred Stock pursuant to *Section 8(b)* hereof are exercisable, any vacancy in the office of a director elected pursuant to *Section 8(b)* shall occur, then such vacancy may be filled only by the remaining such director or by vote of the holders of record of the outstanding Series E Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which are entitled to vote as a class with the Series E Preferred Stock in the election of directors pursuant to *Section 8(b)*. Any director elected or appointed pursuant to *Section 8(b)* may be removed only by the affirmative vote of holders of the outstanding Series E Preferred Stock and any other classes or series of Preferred Stock upon which like voting rights have been conferred and are exercisable and which classes or series of Preferred Stock are entitled to vote as a class with the Series E Preferred Stock in the election of directors pursuant to *Section 8(b)*, such removal to be effected by the affirmative vote of a majority of the votes entitled to be cast by the holders of the outstanding Series E Preferred Stock and any such other classes or series of Preferred Stock, and may not be removed by the holders of the Common Stock.

(e) So long as any shares of Series E Preferred Stock remain outstanding, the Corporation will not, without the affirmative vote or consent of the holders of at least two-thirds of the shares of the Series E Preferred Stock outstanding at the time, voting together as a single class with all series of Preferred Stock ranking on a parity with the Series E Preferred Stock upon which like voting rights have been conferred and are exercisable, given in person or by proxy, either in writing or at a meeting, (i) authorize or create, or increase the authorized or issued amount of, any class or series of capital stock ranking senior to the Series E Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up or reclassify any of the authorized capital stock of the Corporation into such shares, or create or authorize or issue any obligation or security convertible into or evidencing the right to purchase any such shares; or (ii) amend, alter or repeal the provisions of the Charter, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privilege or voting power of the Series E Preferred Stock (each, an "*Event*"); provided, however, with respect to the occurrence of any Event set forth in *clause (ii)*, so long as the Series E Preferred Stock remains outstanding with the terms thereof materially unchanged, taking into account that, upon an occurrence of an Event, the Corporation may not be the surviving entity, the occurrence of any such Event shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting power of holders of the Series E Preferred Stock and, provided further, that any increase in the amount of the authorized Common Stock or Preferred Stock, including the Series E Preferred Stock, or the creation or issuance of any additional shares of Series E Preferred Stock or other series of Preferred Stock that the Corporation may issue, or any increase in the amount of authorized shares of such series, in each case ranking on a parity with or junior to the Series E Preferred Stock that the Corporation may issue with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers.

(f) The voting rights provided for in this *Section 8* will not apply if, at or prior to the time when the act with respect to which voting by holders of the Series E Preferred Stock would otherwise be required pursuant to this *Section 8* shall be effected, all outstanding shares of Series E Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been deposited in trust to effect such redemption pursuant to *Section 6* hereof.

(g) Except as expressly stated in this *Section 8*, the Series E Preferred Stock will not have any relative, participating, optional or other special voting rights or powers and the consent of the holders thereof shall not be required for the taking of any corporate action. The holders of Series E Preferred Stock shall have exclusive voting rights on any Charter amendment that would alter only the contract rights, as expressly set forth in the Charter, of the Series E Preferred Stock.

(h) Notwithstanding the foregoing, holders of any series of Preferred Stock ranking on a parity with the Series E Preferred Stock shall not be entitled to vote together as a class with the holders of Series E Preferred Stock on any amendment, alteration or repeal of any provision of the Charter unless such action affects the holders of the Series E Preferred Stock and such other series of Preferred Stock equally.

9. Information Rights. During any period in which the Corporation is not subject to Section 13 or 15(d) of the Exchange Act and any shares of Series E Preferred Stock are outstanding, the Corporation will use its best efforts to (i) transmit by mail (or other permissible means under the Exchange Act) to all holders of Series E Preferred Stock, as their names and addresses appear on the record books of the Corporation and without cost to such holders, copies of the annual reports on Form 10-K and quarterly reports on Form 10-Q, respectively, that the Corporation would have been required to file with the Securities and Exchange Commission (the "*SEC*") pursuant to Section 13 or 15(d) of the Exchange Act if it were subject thereto (other than any exhibits that would have been required); and (ii) promptly, upon request, supply copies of such reports to any holders or prospective holder of Series E Preferred Stock. The Corporation will use its best efforts to mail (or otherwise provide) the information to the holders of the Series E Preferred Stock within 15 days after the respective dates by which a periodic report on Form 10-K or Form 10-Q, as the case may be, in respect of such information would have been required to be filed with the SEC, if the Corporation were subject to Section 13 or 15(d) of the Exchange Act, in each case, based on the dates on which the Corporation would be required to file such periodic reports if it were a "non-accelerated filer" within the meaning of the Exchange Act.

10. Restrictions on Ownership and Transfer. The Series E Preferred Stock shall be subject to the restrictions on ownership and transfer set forth in Article VII of the Charter.

11. Record Holders. The Corporation and the transfer agent for the Series E Preferred Stock may deem and treat the record holder of any Series E Preferred Stock as the true and lawful owner thereof for all purposes, and neither the Corporation nor the transfer agent shall be affected by any notice to the contrary.

12. Office or Agency. For so long as any shares of Series E Preferred Stock are outstanding, the Corporation shall at all times maintain an office or agency in one of the 48 contiguous States of the United States of America where shares of Series E Preferred Stock may be surrendered for payment (including upon redemption), registration of transfer or exchange.

SECOND: The Series E Preferred Stock has been classified and designated by the Board of Directors of the Corporation under the authority contained in the Charter. These Articles Supplementary have been approved by the Board of Directors of the Corporation in the manner and vote required by law.

The Board of Directors
Two Harbors Investment Corp.
575 Lexington Avenue
Suite 2930
New York, NY 10022

Dear Board of Directors:

We understand that Two Harbors Investment Corp. ("TWO") is contemplating a merger of CYS Investments, Inc. ("CYS") and Eiger Merger Subsidiary LLC ("Merger Sub" and, such merger, the "Transaction"), an indirect wholly owned subsidiary of TWO, with CYS as the surviving entity in the Transaction, on the terms and subject to the conditions set forth in the Agreement (as defined below). We also understand that the Agreement provides that, by virtue of the Transaction, each outstanding share of the common stock, par value \$0.01 per share, of CYS ("CYS Common Stock"), excluding any Cancelled Shares (as defined in the Agreement), will be converted into the right to receive from TWO (a) that number of shares (the "Per Share Stock Consideration") of the common stock, par value \$0.01 per share, of TWO ("TWO Common Stock") equal to the Exchange Ratio (as defined in the Agreement), and (b) the Per Share Cash Consideration (as defined in the Agreement), the aggregate of which Per Share Cash Consideration to be paid for all outstanding shares of CYS Common Stock will be \$15 million. With the approval of TWO, we also understand that the Exchange Ratio, calculated based on the Company Adjusted Book Value Per Share (as defined in the Agreement) as of March 31, 2018 (as provided by CYS) and the Parent Adjusted Book Value Per Share (as defined in the Agreement) as of March 31, 2018 (as provided by TWO), would be 0.4872. As more fully described in the Agreement, the external manager of TWO, PRCM Advisers LLC ("Pine River"), will agree in a separate letter agreement (i) to reduce its base management fee with respect to the additional equity under management resulting from the Transactions to 0.75% for a one-year period (the "Base Management Fee Rate Reduction"), and (ii) for the fiscal quarter in which the closing of the Transaction occurs, to make a one-time downward adjustment of its management fees payable by TWO for such quarter by \$15 million (the "Additional Management Fee Reduction" and, together with the Base Management Fee Rate Reduction, the "Management Fee Reductions").

The Board of Directors of TWO (the "Board") (a) will be considering certain financial aspects of the Transaction, among other matters, prior to deciding whether or not to approve the execution and delivery of the Agreement and (b) has requested our opinion as to whether the Per Share Stock Consideration is fair, from a financial point of view, to TWO. As you are aware, TWO has advised us, and we have assumed, that the proceeds of the Additional Management Fee Reduction will be used by TWO to fund the aggregate Per Share Cash Consideration and, accordingly, (i) we have treated the Per Share Cash Consideration as if it were paid directly by Pine River and not TWO and (ii) our opinion does not address, and we express no view or opinion with respect to, the Per Share Cash Consideration.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

For purposes of our opinion, we have:

1. reviewed the financial terms and conditions of a draft dated April 25, 2018 of the Agreement and Plan of Merger to be entered into by TWO, Merger Sub and CYS (the "Agreement");
2. reviewed certain publicly available business and financial information relating to CYS and TWO, including research analyst estimates for CYS and TWO;
3. reviewed certain financial projections provided to us by CYS relating to CYS and certain other historical and current financial and business information relating to CYS provided to us by CYS, including estimates of the senior management of CYS as to the net asset value per share of CYS as of March 31, 2018;
4. reviewed certain historical, current and prospective financial and business information relating to TWO provided to us by TWO, including estimates of the senior management of TWO (which consists solely of employees of Pine River) as to the net asset value per share of TWO as of March 31, 2018;
5. held discussions regarding the operations, financial condition and prospects of CYS and TWO with the respective senior managements of CYS and TWO;
6. reviewed the financial and stock market performance of CYS and TWO and compared them with one another and with those of certain other publicly traded companies that we deemed to be relevant;
7. compared certain financial terms of the Transaction to financial terms, to the extent publicly available, of other transactions we deemed relevant;
8. reviewed the premiums paid in certain publicly announced specialty finance mergers and acquisitions transactions;
9. reviewed the current and historical trading prices and volume for CYS Common Stock and TWO Common Stock;
10. reviewed certain publicly available research analyst price targets for CYS; and
11. performed such other studies, analyses and inquiries and considered such other factors as we deemed appropriate.

In arriving at our opinion, we have, with your consent, (i) relied upon and assumed the accuracy and completeness of all information from public sources or which was provided to us by or on behalf of CYS or TWO or otherwise reviewed by us, without independent verification, (ii) not assumed any responsibility for independently verifying such information, and (iii) relied on the assurances of the senior managements of CYS and TWO that they are not aware of any facts or circumstances that would make such information which was provided to us inaccurate or misleading. In addition, with your consent, we have not made any independent evaluation or appraisal of any of the assets or liabilities (contingent or otherwise) of CYS or TWO, nor have we been furnished with any such evaluations or appraisals. With respect to the financial projections and net asset value per share estimates referred to above and any other forecasts or forward-looking information, we have assumed, upon the advice of the respective senior managements of CYS and TWO, as the case may be, that such projections, estimates, forecasts and information were reasonably prepared and reflect the best currently available estimates and good faith judgments of the managements of CYS and TWO, as the case may be, as to the expected future results of operations and financial condition of CYS and TWO and the other matters covered thereby, and we have relied on such information in arriving at our opinion and have not assessed the reasonableness or achievability of such projections, estimates, forecasts and information. Further, with respect to such financial projections, as part of our analysis in connection with this opinion, we have assumed, at the direction of TWO, that the financial results reflected therein

can be realized in the amounts and at the times indicated thereby. In addition, we have not performed or relied upon any analysis to (i) value the respective portfolio investments or assets of CYS or TWO, (ii) value any preferred securities of CYS or TWO, or (iii) evaluate the potential pro forma financial and/or strategic effects of the Transaction on TWO. We also have assumed that there will be no developments with respect to the housing market, mortgage industry and related credit and financial markets that would be material in any respect to our analysis or opinion.

In addition, in arriving at our opinion, we have assumed, with your consent, that (i) there has been no material change in any of the assets, financial condition, business or prospects of CYS or TWO since the date of the most recent financial statements and other information made available to us, (ii) all material information we have requested from TWO and CYS during the scope of our engagement has been provided to us fully and in good faith, (iii) the Transaction and related transactions (including, without limitation, the Management Fee Reductions) will be consummated in accordance with the terms and conditions set forth in the Agreement (the final terms and conditions of which we have assumed will not differ in any respect material to our analysis from the aforementioned draft we have reviewed), without any waiver, modification or amendment of any material terms or conditions, (iv) the representations and warranties made by the parties to the Agreement are and will be true and correct in all respects material to our analysis, (v) all governmental and third party consents, approvals and agreements necessary for the consummation of the Transaction and related transactions will be obtained without any adverse effect on TWO, CYS or the Transaction, and (vi) the Transaction and related transactions will not violate any applicable federal or state statutes, rules or regulations. We have assumed, with your consent, that TWO and CYS have operated in conformity with the requirements for qualification as a REIT for federal income tax purposes since their respective formation as a REIT, and also have assumed, with your consent, that the Transaction and related transactions will not adversely affect the REIT status of TWO. We have further assumed, with your consent, that the Transaction will qualify for the intended tax treatment described in the Agreement for U.S. federal income tax purposes. We have not reviewed, and express no view or opinion with respect to, the repurchase agreements of TWO or CYS.

This opinion addresses only the fairness, from a financial point of view and as of the date hereof, to TWO of the Per Share Stock Consideration based on the illustrative 0.4872x exchange ratio referred to above. We express no view or opinion as to the form or structure of the Transaction, including, without limitation, the calculation of the Exchange Ratio, what the actual Exchange Ratio will be when determined, the allocation of the consideration to be paid to the holders of CYS Common Stock between the Per Share Stock Consideration and the Per Share Cash Consideration or the treatment of the outstanding preferred stock of CYS in the Transaction. This opinion does not constitute legal, regulatory, accounting, insurance, tax or other similar professional advice and does not address (i) the underlying decision of TWO to proceed with or effect the Transaction or any related transaction (including, without limitation, the Management Fee Reductions), (ii) the terms of the Transaction (other than the Per Share Stock Consideration to the extent expressly addressed herein), the Management Fee Reductions or any other related transaction or any arrangements, understandings, agreements or documents related to the Transaction or any related transaction, (iii) the fairness of the Transaction or any other transaction to TWO's equity holders or creditors, Pine River or any other person or entity (other than to TWO with respect to the Per Share Stock Consideration to the extent expressly addressed herein), (iv) the relative merits of the Transaction or any related transaction as compared to any alternative strategy or transaction that might exist for TWO, or the effect of any other transaction which it may consider in the future, (v) the tax, accounting or legal consequences of the Transaction or any related transaction, (vi) the solvency, creditworthiness, fair market value or fair value of any of TWO, CYS or their respective assets under any applicable laws relating to bankruptcy, insolvency, fraudulent conveyance or similar matters, or (vii) the appropriate capital structure of TWO or the potential dilutive or other effects of the Transaction on the existing security holders of TWO. This opinion expresses no opinion as to the fairness of the amount or nature of any compensation to

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

any officers, directors, or employees of any party to the Transaction, or any class of such persons, relative to the Per Share Stock Consideration.

Our opinion is necessarily based on business, economic, monetary, market and other conditions as they exist and can reasonably be evaluated on, and the information made available to us as of, the date hereof. Subsequent developments may affect this opinion, and we assume no responsibility for updating or revising our opinion based on circumstances or events occurring after the date hereof (regardless of the closing date of the Transaction). We have not been engaged to amend, supplement or update this opinion at any time. We express no view or opinion as to what the value of TWO Common Stock or any other security of TWO actually will be when issued pursuant to the Transaction or otherwise or the prices at which TWO Common Stock, CYS Common Stock or any other security of TWO or CYS may be purchased, sold or exchanged, or otherwise be transferable, at any time. We also express no view or opinion as to the prices at which any of the respective portfolio investments or assets of TWO or CYS may be purchased, sold or exchanged, or otherwise be transferable, at any time.

We have acted as a financial advisor to TWO with respect to the proposed Transaction and will receive a fee for our services, a portion of which became payable upon the execution of our engagement agreement, a portion of which is payable upon the delivery of this opinion and a substantial portion of which will become payable only if the proposed Transaction is consummated. In addition, (i) TWO has agreed to indemnify us against certain claims and liabilities related to or arising out of our engagement, and (ii) we may seek to provide investment banking and other financial services to TWO, CYS or their respective affiliates in the future, for which we would expect to receive compensation. We and our affiliates in the past have provided investment banking and other financial services to TWO and CYS and have received and may receive compensation for the rendering of these services, including (i) having acted as manager for a share repurchase program of CYS and (ii) having acted as manager on the at-the-market equity placement program for CYS. Furthermore, we have acted as co-manager on the initial public offering of Granite Point Mortgage Trust Inc., then an affiliate of TWO.

This opinion was approved by a JMP Securities LLC fairness opinion committee.

This opinion is directed and addressed to the Board (in its capacity as such) in connection with its consideration of the Transaction. This opinion does not (i) constitute a recommendation as to how the Board or any shareholder should act or vote with respect to the Transaction or any other matter, and (ii) create any fiduciary duties on the part of JMP Securities LLC to any persons or entities.

Based upon and subject to and in reliance on the foregoing, it is our opinion that, as of the date hereof, the Per Share Stock Consideration is fair, from a financial point of view, to TWO.

Very truly yours,

Members of the Board of Directors:

We understand that CYS Investments, Inc. (the "Company") intends to enter into a transaction (the "Proposed Transaction") with Two Harbors Investment Corp., a Maryland corporation ("Parent"), and Eiger Merger Subsidiary LLC, a Maryland limited liability company and an indirect wholly owned subsidiary of Parent ("Merger Sub"), pursuant to which, among other things, Merger Sub will merge with and into the Company, with the Company being the surviving corporation (the "Merger"). We further understand that, upon the effectiveness of the Merger, among other things, each issued and outstanding share of common stock, par value \$0.01 per share, of the Company ("Company Common Stock") (other than any shares held by Parent, Merger Sub, the Company or any of their respective wholly owned subsidiaries ("Cancelled Shares")) will be converted into the right to receive (i) that number of validly issued, fully-paid and nonassessable shares of common stock, par value \$0.01 per share, of Parent ("Parent Common Stock") equal to the quotient determined by dividing (1) the product of (x) the Company Adjusted Book Value Per Share (as defined in the Agreement and Plan of Merger proposed to be entered into by and among Parent, Merger Sub and the Company (the "Agreement")) multiplied by (y) 96.75% by (2) the product of (x) the Parent Adjusted Book Value Per Share (as defined in the Agreement) multiplied by (y) 94.20%, in each case as determined in accordance with the Agreement (the such number, the "Exchange Ratio") and (ii) an amount equal to the quotient determined by dividing (1) \$15,000,000 by (2) the sum of (x) the number of shares of Company Common Stock issued and outstanding (excluding any Cancelled Shares) immediately prior to the effective time of the Proposed Transaction (the "Effective Time") plus (y) the number of shares of Company Common Stock issuable upon the vesting of outstanding awards of Company Common Stock subject to vesting, repurchase or other lapse restriction ("Company Restricted Stock") granted pursuant to the Company's 2013 Equity Incentive Plan (as defined in the Agreement) ((i) and (ii) together, the "Consideration"). Further, the Agreement provides that PRCM Advisers LLC, the external manager of Parent, has agreed, in a separate agreement, (i) for the fiscal quarter in which the Effective Time occurs, to make a one-time downward adjustment of its management fees payable to it by Parent for such quarter by \$15 million, plus up to an additional \$3.3 million for certain transaction-related expenses and (ii) to reduce its base management fee with respect to the additional equity under management resulting from the Proposed Transaction to 0.75% from the Effective Time through the first anniversary of the Effective Time. For purposes of our analyses and this opinion, we have assumed at the direction of the Company that (a) the Company Adjusted Book Value Per Share (as of March 31, 2018) equals \$7.41, (b) the Parent Adjusted Book Value Per Share (as of March 31, 2018) equals \$15.63, (c) the sum of the number of issued and outstanding shares of Company Common Stock (excluding any Cancelled Shares) plus the number of shares of Company Common Stock issuable upon the vesting of outstanding Company Restricted Stock (as of April 25, 2018) equals 155,438,320 and (d) the Exchange Ratio equals 0.4872x, in each case as provided by the Company and based on the assumption that the Proposed Transaction is consummated on April 25, 2018.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

The terms and conditions of the Proposed Transaction are set forth in more detail in the Agreement. The summary of the Proposed Transaction set forth above is qualified in its entirety by the terms of the Agreement.

We have been requested by the Board of Directors of the Company to render our opinion with respect to the fairness, from a financial point of view, to the holders of shares of Company Common Stock (other than the holders of Cancelled Shares) of the Consideration to be offered to such stockholders in the Proposed Transaction. We have not been requested to opine as to, and our opinion does not in any manner address, the Company's underlying business decision to proceed with or effect the Proposed Transaction or the likelihood of consummation of the Proposed Transaction. In addition, we express no opinion on, and our opinion does not in any manner address, the fairness of the amount or the nature of any compensation to any officers, directors or employees of any parties to the Proposed Transaction, or any class of such persons, relative to the Consideration to be offered to the holders of shares of Company Common Stock in the Proposed Transaction. Our opinion does not address the relative merits of the Proposed Transaction as compared to any other transaction or business strategy in which the Company might engage.

In arriving at our opinion, we reviewed and analyzed: (1) a draft of the Agreement, dated as of April 25, and the specific terms of the Proposed Transaction; (2) publicly available information concerning the Company and Parent that we believe to be relevant to our analysis, including the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and Parent's Annual Report on Form 10-K for the fiscal year ended December 31, 2017; (3) financial and operating information with respect to the business, operations and prospects of the Company furnished to us by the Company, including financial projections of the Company prepared by management of the Company and furnished to us by the Company (the "Company Projections"); (4) financial and operating information with respect to the business, operations and prospects of Parent furnished to us by Parent or the Company, including financial projections of Parent prepared by management of Parent and furnished to us by Parent (the "Parent Projections"); (5) financial and operating information with respect to the business, operations and prospects of the pro forma combined company furnished to us by Parent or the Company, including financial projections of the pro forma combined company (reflecting consummation of the Proposed Transaction) prepared by management of Parent and furnished to us by Parent (the "Pro Forma Projections"); (6) a trading history of each of the Company Common Stock and the Parent Common Stock from June 17, 2009 to April 20, 2018 and a comparison of those trading histories with each other and with those of other companies that we deemed relevant; (7) a comparison of the historical financial results and present financial condition of the Company and Parent with each other and with those of other companies that we deemed relevant; (8) a comparison of the financial terms of the Proposed Transaction with the financial terms of certain other recent transactions that we deemed relevant; and (9) published estimates of independent research analysts with respect to the future financial performance and net asset value of the Company and Parent and price targets of the Company Common Stock and Parent Common Stock. In addition, we have had discussions with the managements of the Company and Parent concerning the business, operations, assets, liabilities, financial condition and prospects of Parent and with the management of the Company concerning the strategic rationale for the Proposed Transaction and the business, operations, assets, liabilities, financial condition and prospects of the Company; and we have undertaken such other studies, analyses and investigations as we deemed appropriate.

In arriving at our opinion, we have assumed and relied upon the accuracy and completeness of the financial and other information used by us without any independent verification of such information (and have not assumed responsibility or liability for any independent verification of such information) and have further relied upon the assurances of the managements of the Company and Parent that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the Company Projections, upon the advice and at the direction of the

Company, we have assumed that such projections, based on the assumptions stated therein, (a) have been reasonably prepared and (b) reflect the most reasonable currently available estimates and judgments of the management of the Company as to the future financial performance of the Company and that the Company will perform substantially in accordance with such projections. With respect to the Parent Projections, upon the advice and at the direction of the Company, we have assumed that such projections, based on the assumptions stated therein, (a) have been reasonably prepared and (b) reflect the most reasonable currently available estimates of the management of the Company as to the future financial performance of Parent and that Parent will perform substantially in accordance with such projections. With respect to the Pro Forma Projections, upon the advice and at the direction of the Company, we have assumed that such projections, based on the assumptions stated therein, (a) have been reasonably prepared and (b) reflect the most reasonable currently available estimates and judgments of the management of the Company as to the future financial performance of the pro forma combined company and that the pro forma combined company will perform substantially in accordance with the Pro Forma Projections. We assume no responsibility for and we express no view as to any such projections or estimates or the assumptions on which they are based. In arriving at our opinion, we have not conducted a physical inspection of the properties and facilities of the Company or Parent and have not made or obtained any evaluations or appraisals of the assets or liabilities of the Company or Parent. Our opinion necessarily is based upon market, economic and other conditions as they exist on, and can be evaluated as of, the date of this letter. We assume no responsibility for updating or revising our opinion based on events or circumstances that may occur after the date of this letter.

We express no opinion as to the prices at which (i) shares of Parent Common Stock would trade following the announcement or consummation of the Proposed Transaction or (ii) shares of Company Common Stock would trade following the announcement of the Proposed Transaction. Our opinion should not be viewed as providing any assurance that the market value of the shares of Parent Common Stock to be held by the holders of shares of Company Common Stock after the consummation of the Proposed Transaction will be in excess of the market value of the shares of Company Common Stock owned by such stockholders at any time prior to the announcement or consummation of the Proposed Transaction.

We have assumed that the executed Agreement will conform in all material respects to the last draft reviewed by us. In addition, we have assumed the accuracy of the representations and warranties contained in the Agreement and all agreements related thereto. We have also assumed, upon the advice of the Company, that all material governmental, regulatory and third party approvals, consents and releases for the Proposed Transaction will be obtained within the constraints contemplated by the Agreement and that the Proposed Transaction will be consummated in accordance with the terms of the Agreement without waiver, modification or amendment of any material term, condition or agreement thereof. We do not express any opinion as to any tax or other consequences that might result from the Proposed Transaction, nor does our opinion address any legal, tax, regulatory or accounting matters, as to which we understand that the Company has obtained such advice as it deemed necessary from qualified professionals.

Based upon and subject to the foregoing, we are of the opinion as of the date hereof that, from a financial point of view, the Consideration to be offered to the holders of shares of Company Common Stock (other than the holders of Cancelled Shares) in the Proposed Transaction is fair to such stockholders.

We have acted as financial advisor to the Company in connection with the Proposed Transaction and will receive a fee for our services, a portion of which is payable upon rendering this opinion and a substantial portion of which is contingent upon the consummation of the Proposed Transaction. In addition, the Company has agreed to reimburse our expenses and indemnify us for certain liabilities that may arise out of our engagement. We have performed various investment banking services for the Company and Parent in the past, and expect to perform such services in the future, and have received,

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

and expect to receive, customary fees for such services. Specifically, in the past two years, we have acted as a lender under Parent's existing warehouse facility.

Barclays Capital Inc., its subsidiaries and its affiliates engage in a wide range of businesses from investment and commercial banking, lending, asset management and other financial and non-financial services. In the ordinary course of our business, we and our affiliates may actively trade and effect transactions in the equity, debt and/or other securities (and any derivatives thereof) and financial instruments (including loans and other obligations) of the Company and Parent for our own account and for the accounts of our customers and, accordingly, may at any time hold long or short positions and investments in such securities and financial instruments.

This opinion, the issuance of which has been approved by our Fairness Opinion Committee, is for the use and benefit of the Board of Directors of the Company and is rendered to the Board of Directors in connection with its consideration of the Proposed Transaction. This opinion is not intended to be and does not constitute a recommendation to any holder of shares of Company Common Stock of the Company as to how such stockholder should vote with respect to the Proposed Transaction.

Very truly yours,

/s/ Barclays Capital Inc.

Attention: Board of Directors

Members of the Board:

You have asked us to advise you in your capacity as the Board of Directors (the "Board") of CYS Investments, Inc. (the "Company") with respect to the fairness, from a financial point of view, to the holders of common stock, par value \$0.01 per share ("Company Common Stock"), of the Company, other than Two Harbors Investment Corp. ("Parent"), Eiger Merger Subsidiary LLC, a wholly owned subsidiary of Parent ("Merger Sub"), the Company and any of their respective wholly owned subsidiaries (collectively, the "Excluded Holders"), of the Consideration (as defined below) to be received by such holders pursuant to the terms of the Agreement and Plan of Merger (the "Agreement") to be entered into by and among Parent, Merger Sub and the Company. We understand that the Agreement provides for, among other things, the merger of Merger Sub with and into the Company, with the Company being the surviving corporation (the "Transaction") pursuant to which each outstanding share of Company Common Stock, other than any shares held by Excluded Holders, will be converted into the right to receive (i) that number of validly issued, fully-paid and nonassessable shares of common stock, par value \$0.01 per share, of Parent ("Parent Common Stock") equal to the quotient determined by dividing (1) the product of (x) the Company Adjusted Book Value Per Share (as defined in the Agreement) multiplied by (y) 96.75% by (2) the product of (x) the Parent Adjusted Book Value Per Share (as defined in the Agreement) multiplied by (y) 94.20%, in each case as determined in accordance with the Agreement (such number, the "Exchange Ratio") and (ii) an amount equal to the quotient determined by dividing (1) \$15,000,000 by (2) the sum of (x) the number of shares of Company Common Stock issued and outstanding (excluding any shares of Company Common Stock held by the Excluded Holders) immediately prior to the effective time of the Transaction (the "Effective Time") plus (y) the number of shares of Company Common Stock issuable upon the vesting of outstanding awards of Company Common Stock subject to vesting, repurchase or other lapse restriction ("Company Restricted Stock") granted pursuant to the Company's 2013 Equity Incentive Plan (as defined in the Agreement) ((i) and (ii) together, the "Consideration"). Further, the Agreement provides that PRCM Advisers LLC, the external manager of Parent, has agreed, in a separate agreement, (i) for the fiscal quarter in which the Effective Time occurs, to make a one-time downward adjustment of its management fees payable to it by Parent for such quarter by \$15 million, plus up to an additional \$3.3 million for certain transaction-related expenses and (ii) to reduce its base management fee with respect to the additional equity under management resulting from the Transaction to 0.75% from the Effective Time through the first anniversary of the Effective Time. The terms and conditions of the Transaction are set forth more fully in the Agreement. For purposes of our analyses and this opinion, we have assumed at your direction that (a) the Company Adjusted Book Value Per Share (as of March 31, 2018) equals \$7.41, (b) the Parent Adjusted Book Value Per Share (as of March 31, 2018) equals \$15.63, (c) the sum of the number of issued and outstanding shares of Company Common Stock (excluding any shares of Company Common Stock held by the Excluded Holders) plus the number of shares of Company Common Stock issuable upon the vesting of outstanding Company Restricted Stock (as of April 25, 2018) equals 155,438,320 and (d) the Exchange Ratio equals 0.4872x, in each case as provided by the Company and based on the assumption that the Transaction is consummated on April 25, 2018.

In arriving at our opinion, we have reviewed a draft, dated April 25, 2018, of the Agreement and certain publicly available business and financial information relating to the Company and Parent. We

D-1

have also reviewed certain other information relating to the Company and Parent, including (a) financial forecasts relating to the Company for the fiscal years ending December 31, 2018 through December 31, 2020 (the "Company Projections") prepared and provided to us by the management of the Company, (b) financial forecasts relating to Parent for the fiscal quarters ending June 30, 2018 through December 31, 2020 (the "Parent Projections") prepared by the management of Parent and provided to us by the management of Parent and (c) financial forecasts relating to the pro forma combined company (reflecting consummation of the Transaction) for the fiscal quarters ending June 30, 2018 through December 31, 2020 (the "Pro Forma Projections") prepared by the management of Parent and provided to us by the management of Parent. We have also met with the management of Parent and certain of its representatives to discuss the business and prospects of Parent and have met with the management of the Company and certain of its representatives to discuss the business and prospects of Parent and the Company. We have also considered certain financial and stock market data of the Company and Parent, and we have compared that data with similar data for other companies with publicly traded equity securities in businesses we deemed similar to those of the Company and Parent, respectively, and we have considered, to the extent publicly available, the financial terms of certain other business combinations and other transactions which have been effected. We also considered such other information, financial studies, analyses and investigations and financial, economic and market criteria which we deemed relevant.

In connection with our review, we have not independently verified any of the foregoing information and, with your consent, we have assumed and relied upon such information being complete and accurate in all respects material to our analyses and this opinion. With respect to the Company Projections, we have been advised by the management of the Company, and we have assumed with your consent, that such forecasts and estimates, based on the assumptions stated therein, (a) have been reasonably prepared and (b) reflect the most reasonable currently available estimates and judgments of the management of the Company as to the future financial performance of the Company. At your direction, we have assumed that the Company Projections, the Parent Projections and the Pro Forma Projections are a reasonable basis to evaluate the Company, Parent and the Transaction and at your direction we have relied upon the Company Projections, the Parent Projections and the Pro Forma Projections for purposes of our analyses and this opinion. We express no view or opinion with respect to the Company Projections, the Parent Projections or the Pro Forma Projections, or the assumptions and methodologies upon which they are based. With your consent, we have assumed that any adjustments to the Consideration pursuant to the Agreement or otherwise would not be material to our analyses or this opinion.

We have assumed, with your consent, that, in the course of obtaining any regulatory or third party consents, approvals or agreements in connection with the Transaction, no modification, delay, limitation, restriction or condition will be imposed that would have an adverse effect on the Company, Parent or the contemplated benefits of the Transaction and that the Transaction will be consummated in compliance with all applicable laws and regulations and in accordance with the terms of the Agreement without waiver, modification or amendment of any term, condition or agreement thereof that is material to our analyses or this opinion. In addition, we have not been requested to make, and have not made, an independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of the Company or Parent, nor have we been furnished with any such evaluations or appraisals. With your consent, we have further assumed that the final form of the Agreement, when executed by the parties thereto, will conform to the draft reviewed by us in all respects material to our analyses and this opinion.

Edgar Filing: TWO HARBORS INVESTMENT CORP. - Form S-4/A

Our opinion addresses only the fairness, from a financial point of view, to the holders of Company Common Stock, other than the Excluded Holders, of the Consideration to be received by such holders in the Transaction pursuant to the Agreement and does not address any other aspect or implication of the Transaction or any agreement, arrangement or understanding entered into in connection therewith or otherwise, including, without limitation, the form or structure of the Transaction or the Consideration and the fairness of the amount or nature of, or any other aspect relating to, any compensation or consideration to be received or otherwise payable to any officers, directors, employees, securityholders or affiliates of any party to the Transaction, or class of such persons, relative to the Consideration or otherwise. Furthermore, we are not expressing any advice or opinion regarding matters that require legal, regulatory, accounting, insurance, intellectual property, tax, environmental, executive compensation or other similar professional advice. We have assumed that the Company has or will obtain such advice or opinions from the appropriate professional sources. The issuance of this opinion was approved by our authorized internal committee.

Our opinion is necessarily based on information made available to us as of the date hereof and upon financial, economic, market and other conditions as they exist and can be evaluated on the date hereof. We have not undertaken, and are under no obligation, to update, revise, reaffirm or withdraw this opinion, or otherwise comment on or consider events occurring or coming to our attention after the date hereof. We are not expressing any opinion as to what the value of shares of Parent Common Stock actually will be when issued to the holders of Company Common Stock pursuant to the Agreement or the prices or ranges of prices at which shares of Company Common Stock or Parent Common Stock may be purchased or sold at any time. We have assumed that the shares of Parent Common Stock to be issued in the Transaction will be approved for listing on the New York Stock Exchange prior to the consummation of the Transaction. Our opinion does not address the relative merits of the Transaction as compared to alternative transactions or strategies that might be available to the Company, nor does it address the underlying business decision of the Board or the Company to proceed with or effect the Transaction.

We have acted as financial advisor to the Company in connection with the Transaction and will receive a fee for our services, a substantial portion of which is contingent upon the consummation of the Transaction. We also became entitled to receive a fee upon the rendering of our opinion. In addition, the Company has agreed to reimburse us for certain of our expenses and to indemnify us and certain related parties for certain liabilities and other items arising out of or related to our engagement. We and our affiliates may in the future provide investment banking and other financial advice and services to the Company, Parent and their respective affiliates for which advice and services we and our affiliates would expect to receive compensation. We are a full service securities firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial advice and services. In the ordinary course of business, we and our affiliates may acquire, hold or sell, for our and our affiliates' own accounts and the accounts of customers, equity, debt and other securities and financial instruments (including bank loans and other obligations) of the Company, Parent and any other company that may be involved in the Transaction, as well as provide investment banking and other financial advice and services to such companies and their affiliates.

It is understood that this letter is for the information of the Board (in its capacity as such) in connection with its consideration of the Transaction and does not constitute advice or a

recommendation to any security holder of the Company as to how such security holder should vote or act on any matter relating to the proposed Transaction.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Consideration to be received by the holders of Company Common Stock, other than the Excluded Holders, in the Transaction pursuant to the Agreement is fair, from a financial point of view, to such holders.

Very truly yours,

PART II. INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF OFFICERS AND DIRECTORS

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from actual receipt of an improper benefit or profit in money, property or services or active and deliberate dishonesty established by a final judgment as being material to the cause of action. The Two Harbors Charter contains such a provision that eliminates such liability to the maximum extent permitted by Maryland law.

The MGCL requires Two Harbors (unless the Two Harbors Charter provides otherwise, which it does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. The MGCL permits Two Harbors to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to or in which they may be made or threatened to be made a party or witness by reason of their service in those or certain other capacities unless it is established that:

the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

The MGCL prohibits Two Harbors from indemnifying a director or officer who has been adjudged liable in a suit by Two Harbors or on its behalf or in which the director or officer was adjudged liable on the basis that a personal benefit was improperly received. A court may order indemnification if it determines that the director or officer is fairly and reasonably entitled to indemnification, even though the director or officer did not meet the prescribed standard of conduct or was adjudged liable on the basis that personal benefit was improperly received; however, indemnification for an adverse judgment in a suit by Two Harbors or on its behalf, or for a judgment of liability on the basis that personal benefit was improperly received, is limited to expenses.

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of:

a written affirmation by such director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation; and

a written undertaking by such director or officer or on such director's or officer's behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the director did not meet the standard of conduct.

To the maximum extent permitted by Maryland law, the Two Harbors Charter authorizes Two Harbors to indemnify any person who serves or has served, and the Two Harbors Bylaws obligate Two Harbors to indemnify any individual who is made or threatened to be made a party to a proceeding by reason of his or her service:

in each case, from and against any claim or liability to which he or she may become subject or that he or she may incur by reason of his or her service in any of these capacities, and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding. The Two Harbors Charter and the Two Harbors Bylaws also permit Two Harbors to indemnify and advance expenses to any individual who served any of Two Harbors' predecessors in any of the capacities described above and any employee or agent of Two Harbors or any of Two Harbors' predecessors.

In addition, Two Harbors has entered into indemnification agreements with each of Two Harbors' and executive officers to provide for indemnification to the maximum extent permitted by Maryland law.

ITEM 22. UNDERTAKINGS

- (a) The undersigned registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
 - (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
 - (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser: if the registrant is subject to Rule 430C, each prospectus filed pursuant to

Table of Contents

Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5)

That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b)

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c)

The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

The registrant undertakes that every prospectus: (i) that is filed pursuant to the immediately preceding paragraph, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new

registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(d)

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of Form S-4, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
