USLIFE INCOME FUND INC
Form N-30D
March 08, 2002

USLIFE INCOME FUND, INC.

2929 Allen Parkway
Houston, TX 77019

Dear Shareholder,

A number of significant changes have taken place with the Fund since the most recent annual report.

At its Special Meeting of Shareholders held on January 23, 2002, Alfred G. Aldridge, Jr., Richard I. Barr, Susan L. Ciciora, Joel W. Looney and Stephen C. Miller were elected to the Fund's Board of Directors by a majority vote of shareholders. Following the election of the five new Directors, the Fund accepted the resignations of Benjamin Love, Timothy Ebner and Gustavo Gonzales as Directors of the Fund and approved a decrease in the number of Directors of the Fund to five.

In conjunction with the Directors' resignation, the Fund also accepted the resignations of the previous Officers of the Fund and the resignation of The Variable Annuity Life Insurance Company ("VALIC") as investment adviser to the Fund. Subsequently, the Board appointed Stephen C. Miller as President, Chairman of the Board, and Chief Executive Officer, Carl D. Johns as Chief Financial Officer, Chief Accounting Officer, Vice President and Treasurer, Stephanie J. Kelley as Secretary, and Nicole L. Murphey as Assistant Secretary.

In response to VALIC's resignation, the Board further approved Fund Administrative Services, LLC ("FAS") as administrator to the Fund and is recommending that shareholders approve Boulder Investment Advisers, LLC ("BIA") and Stewart Investment Advisers ("SIA") as investment advisers to the Fund. The Board resolved that BIA and SIA will serve as interim investment advisers until such time as shareholders approve an ongoing investment advisory contract. BIA and SIA currently serve as the adviser and sub-adviser to the Boulder Total Return Fund, Inc. ("BTF"), a closed-end registered investment company traded on the New York Stock Exchange. FAS will provide the principal offices of the Fund and perform certain essential internal administrative and oversight services to the Fund. Currently, FAS serves as co-administrator to BTF.

The Board is also recommending that shareholders of the Fund approve a number of additional changes, including: a change in the investment objective of the Fund to "total return," the elimination of a number of the Fund's fundamental investment restrictions, change to non-diversified status, and a change in the Fund's name to Boulder Growth & Income Fund, Inc.

Finally, on January 23, 2002, Ernst & Young LLP resigned as the Fund's external auditors. In response to the resignation, the Board considered and approved KPMG LLP as the Fund's auditors for fiscal year 2002.

A special shareholders meeting to vote on the proposed changes and the new investment advisers is being planned for April 26, 2002. In the near future, proxies will be sent to all shareholders with details of the proposed changes.

Sincerely,
/s/ Stephen C. Miller

Edgar Filing: USLIFE INCOME FUND INC - Form N-30D

Stephen C. Miller, President

Notes to Financial Statements (Unaudited)

Note 1 - Significant Accounting Policies

USLIFE Income Fund, Inc. (the "Fund") is registered under the Investment

Edgar Filing: USLIFE INCOME FUND INC - Form N-30D

Company Act of 1940, as amended, as a closed end diversified management investment company. The Fund's investment objective is to provide a high level of current income through a diversified portfolio composed predominantly of marketable fixed-income securities.

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The following is a summary of significant accounting policies consistently followed by the Fund in the preparation of its financial statements.

A. Investment Valuation

Listed securities are valued at the last reported sale price on the principal exchange on which the security is traded. In the absence of any sales that day, securities are valued at the last reported bid price, or based on a matrix system which utilizes information (such as credit ratings, yields and maturities) from independent sources. Securities may also be priced by an independent pricing service. Short-term debt securities for which market quotations are readily available are valued at the last reported bid price. However, short-term securities with a remaining maturity of 60 days or less are valued by the amortized cost method which approximates fair market value. Investments for which market quotations are not readily available are valued at fair value as determined in good faith by, or under authority delegated by the Fund's Board of Directors.

B. Repurchase Agreements

The Fund may acquire securities subject to repurchase agreements. Under a typical repurchase agreement, the Fund would acquire a debt security for a relatively short period (usually for one day and not more than one week) subject to an obligation of the seller to repurchase and of the Fund to resell the debt security at an agreed-upon higher price, thereby establishing a fixed investment return during the Fund's holding period. Under each repurchase agreement, the Fund receives, as collateral, securities whose market value is at least equal to the repurchase price.

C. Federal Income Taxes

The Fund intends to qualify as a "regulated investment company" under Subchapter M of the Internal Revenue Code and to distribute all of its taxable net investment income and taxable net realized capital gains, in excess of any available capital loss carryovers. Therefore, no Federal income tax provision is required. At December 31, 2001, the Fund had a net capital loss carry forward of approximately \$2.0 million expiring through June 30, 2009.

D. Investment Transactions and Related Investment Income

Investment transactions are accounted for on the trade date. Realized gains and losses are determined on the basis of identified cost. Dividend income, if any, is recorded on the ex-dividend date. Coupon interest income on investments is accrued daily. Prior to July 1, 2001, the Fund did not accrete discounts or amortize premiums for financial reporting purposes. Based on securities held in the Fund on July 1, 2001, the cumulative effect of this accounting change had no impact on total net assets of the Fund, but resulted in an adjustment of \$202,496 to the cost of investment securities. The Statement of Changes in Net Assets and Financial Highlights for prior periods presented have not been restated to reflect this change in presentation. The effect of the change for the period ended December 31, 2001, is an increase in net investment income of

--

Notes to Financial Statements (Unaudited) - continued

\$128,836 and an offsetting increase to unrealized appreciation (depreciation) of \$113,062 and net realized gain (loss) on investments of \$15,774.

E. Distribution to Shareholders

Distributions to shareholders are recorded on the ex-dividend date.

Dividends from net investment income, if any, are declared and paid quarterly. Distributions from net realized capital gains, if any, are normally declared and paid annually.

Investment income and capital gains and losses are recognized in accordance with GAAP. Distributions from net investment income and realized capital gains are based on earnings as determined in accordance with Federal tax regulations which may differ from book basis earnings. These differences are primarily due to differing treatments for capital loss carryforwards, deferral of wash sales, interest on defaulted bonds, interest on directors deferred compensation and post-October capital losses.

At the end of the year, offsetting adjustments to undistributed net investment income, additional paid in capital and accumulated net realized gains (losses) are made to eliminate permanent book/tax differences arising in the current year.

Note 2 - Advisory Fees and Other Transactions with Affiliates

On September 24, 1997, the shareholders of the Fund approved an investment advisory agreement with The Variable Annuity Life Insurance Company ("VALIC"). VALIC is an indirect wholly-owned subsidiary of American International Group, Inc. Certain officers and directors of the Fund are officers and directors of VALIC or affiliates of VALIC. VALIC receives a monthly fee equal to the sum of: a) 0.04167% of the Fund's adjusted net assets (month end net assets, less net investment income for the month); and b) 2.50% of the Fund's net investment income, minus interest on borrowed funds during the month. For the period ended December 31, 2001, the Fund paid VALIC \$172,491 for providing advisory services.

In accordance with the investment advisory agreement, the Fund reimburses VALIC for services performed on behalf of the Fund by the Secretary and the Treasurer and personnel operating under their direction. For the period ended December 31, 2001, the Fund paid VALIC \$25,000 for providing these services.

At December 31, 2001, the Fund had a deferred compensation liability to a former Director of the Fund which totaled \$189,618, including accrued interest payable by the Fund.

Note 3 - Investment Activity

At December 31, 2001, the identified cost of investments for Federal income tax purposes was \$51,859,798 resulting in gross unrealized appreciation of \$1,526,214, gross unrealized depreciation of \$6,809,783, and net unrealized depreciation of \$5,283,569.

For the period ended December 31, 2001, purchases and sales of investments, other than short-term investments, aggregated \$4,143,870 and \$4,021,271, respectively.

USLIFE INCOME FUND, INC.
Supplementary Information

Annual Meeting of Shareholders

The Annual Meeting of Shareholders of the Fund was held on October 30, 2001. Shareholders of the Fund voted on the election of three directors to hold office until their successors are elected and a proposal to approve a new investment advisory agreement between The Variable Annuity Life Insurance Company ("VALIC") and the Fund. The results of the proposals voted on by shareholders of the Fund were as follows:

Election of three directors to the Board.

	In Favor	Withheld
	-----	-----
Dr. Judith L. Craven.....	3,189,228	1,908,815
Dr. Norman Hackerman.....	3,177,391	1,920,652
Ben H. Love.....	3,189,360	1,908,683

Special Meeting of Shareholders

A Special Meeting of Shareholders of the Fund was held on January 23, 2002. At this meeting, Alfred G. Aldridge, Jr., Richard I. Barr, Susan L. Ciciora, Joel W. Looney and Stephen C. Miller were elected to the Fund's Board of Directors. Following the election of the five new Directors, the Fund accepted the resignations of Benjamin Love, Timothy Ebner and Gustavo Gonzales as Directors of the Fund and approved a decrease in the number of Directors of the Fund to five.

The Fund also accepted the resignations of the previous Officers of the Fund, VALIC as investment adviser to the Fund and Ernst & Young, LLP, as external auditors to the Fund. Subsequently, the Board appointed Stephen C. Miller as President, Chairman of the Board, and Chief Executive Officer, Carl D. Johns as Chief Financial Officer, Chief Accounting Officer, Vice President and Treasurer, Stephanie J. Kelley as Secretary, and Nicole L. Murphey as Assistant Secretary.

In response to VALIC's resignation, the Board further approved Fund Administrative Services, LLC ("FAS") as administrator to the Fund and Boulder Investment Advisers, LLC ("BIA") and Stewart Investment Advisers ("SIA") as investment advisers to the Fund. BIA and SIA will serve as interim investment advisers until such time as shareholders consider an ongoing investment advisory contract. FAS will provide the principal offices of the Fund and perform certain internal administrative and oversight services to the Fund.

--
16

AUTOMATIC DIVIDEND INVESTMENT PLAN

Shareholders may elect to enroll in the Fund's Automatic Dividend Investment Plan ("Plan"). All distributions of the Fund's net investment income and net realized short-term and long-term capital gains, if any, will automatically be received or invested in shares of the Fund's common stock at their net asset value or market price plus the cost of brokerage commissions, whichever is lower. Shares will be held by Chase Manhattan Bank, the Plan agent, in an account for each participant in non-certificated form. Participation in the Plan will not relieve participants of any capital gains or income tax payable on dividends or distributions reinvested under the Plan. Participation in the Plan can be terminated at any time up to the next dividend record date by writing to Mellon Investor Services, L.L.C., the Shareholder Servicing Agent for the Fund. Upon termination, stock certificates for full shares will be issued to the participant or, at the participant's direction, sold at the current market price. Any fractional shares at the time of termination will be converted to cash at the current market price. A check for the proceeds, less brokerage commissions and any other costs of sale, will be sent to the

Edgar Filing: USLIFE INCOME FUND INC - Form N-30D

participant. For additional information on the Plan, please write:
