Item 2. Acquisition or Disposition of Assets

Purchase of Phoenix Office Building. On February 6, 2003, we acquired the Southwest Gas Building (the "Property"). The Property is located in Phoenix, Arizona and contains 147,660 rentable square feet on 7.38 acres of land. The purchase price for the Property was \$17,000,000, which was paid with \$11,900,000 from our revolving credit facility from Fleet National Bank (the "Fleet Facility") and \$5,100,000 from a term loan also from Fleet National Bank (the "Fleet Term Loan").

The Property was purchased from LAFP Phoenix, Inc. (the "Seller"), an unaffiliated party. The purchase price of the Property was determined through negotiations between the Seller and us.

The draw on the Fleet Facility, which occurred on February 6, 2003, represents the third draw on a \$42,000,000 revolving credit facility from Fleet National Bank. The Fleet Facility was increased from \$30,000,000 to \$42,000,000 prior to the acquisition of the Property. The first draw was used to purchase the Centerra building located in Denver, Colorado; the second draw was used to purchase the Chateau Plaza building located in Dallas, Texas; and the Fleet Facility is cross-collateralized by mortgages on all three properties. The outstanding balance on the Fleet Facility as of April 22, 2003 is \$40,357,660. The Fleet Facility bears interest at LIBOR plus 275 basis points, due in monthly installments of interest only, with the principal balance and accrued interest

due on November 12, 2005. This loan may be prepaid at any time without penalty.

The Fleet Term Loan represents a short-term loan from Fleet National Bank. The Fleet Term Loan bears interest at LIBOR plus 500 basis points, due in monthly installments of interest only, with the principal balance and accrued interest due on August 6, 2003.

For a more complete description of this transaction, please see the Agreement of Purchase and Sale between us and the Seller dated November 18, 2002 (the "Purchase Agreement"), a copy of which is attached hereto as Exhibit 2.1, and our press release dated February 7, 2003, a copy of which is attached hereto as Exhibit 99.1.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. ### SOUTHWEST GAS OFFICE BUILDING NOTES TO STATEMENT OF REVENUE AND CERTAIN EXPENSES DECEMBER 31, 2002

## Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

### NOTE 1 - BASIS OF PRESENTATION

The accompanying statement of revenue and certain expenses reflects the operations of the Southwest Gas Office Building (the "Property"). The Property consists of a single office building located in Phoenix, Arizona and contains 147,660 rentable square feet on 7.38 acres of land. As of December 31, 2002, the Property had an occupancy rate of 92%.

The Property was acquired by AmeriVest Properties Inc. and subsidiaries ("AmeriVest") from an unrelated party on February 6, 2003 for \$17,000,000, which was paid with \$11,900,000 from a revolving credit facility with Fleet National Bank and \$5,100,000 from a term loan also from Fleet National Bank. In addition, AmeriVest incurred approximately \$60,000 in related acquisition fees and costs, which are capitalized as a cost of acquiring the property.

The accounting records of the Property are maintained on the accrual basis. The accompanying statement of revenue and certain expenses was prepared pursuant to the rules and regulations of the Securities and Exchange Commission, and exclude certain expenses such as mortgage interest, depreciation and amortization, professional fees and other costs not directly related to future operations of the Property.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### NOTE 2 - OPERATING LEASES

Future minimum rental payments due under these leases, excluding tenant reimbursements of operating expenses, as of December 31, 2002, are as follows:

	-----
	\$12,690,756
	=====

Tenant reimbursements of operating expenses are included in other revenue on the accompanying statement of revenue and certain expenses.

AMERIVEST PROPERTIES INC.  
NOTES TO PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS  
(unaudited)

## Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

### NOTE 1 - BASIS OF PRESENTATION

The accompanying unaudited pro forma consolidated financial statements are presented to reflect the acquisition of the Property by AmeriVest.

The accompanying unaudited pro forma consolidated balance sheet presents the historical financial information of AmeriVest as of December 31, 2002 as adjusted for the acquisition of the Property as if the transaction had occurred on December 31, 2002.

The accompanying unaudited pro forma consolidated statement of operations for the year ended December 31, 2002 combines the historical operations of AmeriVest with the historical operations of the Property as if the transaction had occurred on January 1, 2002.

These pro forma statements may not be indicative of the results that actually would have occurred if the combination had been in effect on the dates indicated or which may be obtained in the future.

### NOTE 2 - PRO FORMA ADJUSTMENTS

The unaudited pro forma consolidated financial statements reflect the following pro forma adjustments:

(a) The net cash paid for the Property consists of the following:

Purchase price	\$ 17,000,000
Estimated acquisition costs	60,000
Loan origination fees	331,841
Less: mortgage loan	(11,900,000)
Less: term loan	(5,100,000)
Less: credit for accrued real estate taxes	(190,942)
Less: credit for security deposits	(80,340)
	-----
Cash paid	\$ 120,559
	=====

(b) The purchase price of the Property was allocated to the assets and liabilities based on estimated fair values.

(c) Of the \$17,000,000 in debt used to acquire the Property, \$11,900,000 represents the third draw on a \$42,000,000 revolving credit facility from Fleet National Bank (the "Fleet Facility") and \$5,100,000 represents a short-term loan also from Fleet National Bank (the "Fleet Term Loan"). The Fleet Facility bears interest at LIBOR plus 275 basis points, due in monthly installments of interest only, with the principal and accrued interest due on November 12, 2005. This loan may be prepaid at any time without penalty. The Fleet Term Loan, a six-month loan, bears interest at LIBOR plus 500 basis points, due in monthly installments of interest only, with the principal and accrued interest due on August 6, 2003. For purposes of these pro forma consolidated financial

F-8

statements, it was assumed that the term on the Fleet Term Loan was extended after the expiration of its initial six-month term. AmeriVest paid a 1.50% loan restructuring fee on the increase in the Fleet Facility from \$30,000,000 to \$42,000,000, a 2% loan origination fee on the Fleet Term Loan and additional loan costs, which have been capitalized and are being amortized over the life of the loans.

## Edgar Filing: AMERIVEST PROPERTIES INC - Form 8-K/A

(d) Due to AmeriVest being internally managed beginning January 1, 2002, there would be no management fee expense with respect to the Property. Adjustment to management fees is as follows:

	Year Ended December 31, 2002
Management fees paid to third parties	\$ --
Less: historical management fees	(89,126)
	-----
Pro forma adjustment	\$(89,126)
	=====

(e) Interest expense to be recognized related to the Fleet Facility and Fleet Term Loan. Includes loan interest (assumed interest rates of 4.54% and 6.79% for the Fleet Facility and Fleet Term Loan, respectively) and the amortization of the loan restructuring and origination fees.

(f) Depreciation and amortization expense calculated assuming a 40-year useful life for the building and 4-year useful life for tenant leasing commissions.

### NOTE 3 - EARNINGS PER SHARE

Pro forma earnings per common share for the year ended December 31, 2002 is computed based on the weighted average number of common shares outstanding during the periods presented.

NOTE 1 - BASIS OF PRESENTATION

Depreciation has been estimated based upon an allocation of the purchase price of the Property to land (14%) and building (86%) and assuming (for tax purposes) a 39-year useful life for the building applied on a straight-line method.

No income taxes have been provided because the Company is organized and operates in such a manner so as to qualify as a Real Estate Investment Trust ("REIT") under the provisions of the Internal Revenue Code (the "Code"). Accordingly, the Company generally will not pay Federal income taxes provided that distributions to its stockholders equal at least the amount of its REIT taxable income as defined under the Code.
