At the initial closing, the Company shall issue Units consisting of an aggregate of 4,127,908 shares of our Common Stock and Warrants initially exercisable into an aggregate of up to 743,024 shares of our Common Stock.

In addition, each Buyer that purchases at least \$30 million in the initial offering of Shares and Warrants (each, a “Major Buyer”) will have an option to purchase its pro rata share of up to a \$30 million additional Units, at one or more additional closings, at the purchase price of \$17.20 per share for a period commencing after the initial closing date and ending on November 17, 2014.

The Warrants have a term of 17 months and are exercisable by the holders at any time after the date of issuance, or the applicable closing date, at an exercise price of \$21.50 per share. The exercise price and the number of shares issuable upon exercise of the Warrants are subject to an adjustment upon the occurrence of certain events, including, but not limited to, stock splits or dividends, business combinations, sale of assets, similar recapitalization transactions, or other similar transactions. The exercise price of the Warrants is subject to adjustment in the event that the Company issues or is deemed to issue shares of our Common Stock for less than the applicable exercise price of the Warrants. The exercisability of the Warrants may be limited if, upon exercise, the holder or any of its affiliates would beneficially own more than 4.99% of our Common Stock.

Pursuant to the terms of the Purchase Agreement, the Company and the Buyers have agreed that: (i) subject to certain exceptions, the Company will not, within the sixty (60) trading days following the initial closing of this financing transactions enter into any agreement to issue or announce the issuance or proposed issuance of any securities; (ii) for a period of 12 months, the Company will not enter into an agreement to effect a “Variable Rate Transaction,” as that term is defined in the Purchase Agreement; and (iii) if the Company issues securities within the 12 months following the initial closing, the Buyers shall have the right to purchase up to 30% of the securities on the same terms, conditions and price provided for in the proposed issuance of securities.

FT Global Capital, Inc. (“FT Global Capital”) acted as the exclusive placement agent in connection with this offering pursuant to the terms of a placement agent agreement, dated August 11, 2014, between the Company and FT Global Capital (the “Placement Agent Agreement”). Pursuant to the Placement Agent Agreement, the Company agreed to pay FT Global Capital a cash fee equal to five percent (5%) of the aggregate proceeds received by the Company from the sale of its securities to investors introduced to the Company by FT Global Capital. FT Global Capital is also entitled to additional tail compensation for any financings consummated within the 12-month period following the termination of the Placement Agent Agreement to the extent that such financing is provided to the Company by investors that FT Global Capita had introduced to the Company. In addition to the cash fees, the Company agreed to issue to the Placement Agent warrants to purchase an aggregate of up to 5% of the aggregate number of shares of our Common Stock sold in the offering (the “Placement Agent Warrants”). The Placement Agent Warrants shall generally be on the same terms and conditions as the Warrants, provided that (i) the Placement Agent Warrants have an exercise price of 120% of the purchase price, and (ii) the Placement Agent Warrants shall not be exercisable for a period of six months
