PROXY STATEMENT

The Board of Directors (the **Board**) of Leatt Corporation, a Nevada corporation (the **Company, we, us** or **our**) is furnishing this proxy statement (the **Proxy Statement**) and the accompanying proxy to you to solicit your proxy for the 2015 Annual Meeting of Stockholders (the **Annual Meeting**). The Annual Meeting will be held on Thursday, November 3, 2016, at 10:00 a.m., ET, at DresnerAllenCaron Inc., 276 Fifth Avenue, Suite 604, New York, New York, USA.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about September 23, 2016.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is this proxy statement?

You have received this Proxy Statement and our 2015 annual report (the **Annual Report**) because our Board is soliciting your proxy to vote your shares at the Annual Meeting. This Proxy Statement includes information that we are required to provide to you under the rules of the Securities and Exchange Commission (**SEC**) and that is designed to assist you in voting your shares.

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will act upon the matters described in this Proxy Statement. These actions include the election of directors; ratification of the appointment of the independent registered public accounting firm (which we sometimes refer to as the **independent auditors**); and an advisory vote to approve the compensation of our named executive officers as disclosed in this Proxy Statement. An additional purpose of the Annual Meeting is to transact any other business that may properly come before the Annual Meeting and any and all adjournments or postponements of the Annual Meeting.

Who can attend the Annual Meeting?

All stockholders of record at the close of business on September 16, 2016 (the **Record Date**), or their duly appointed proxies, may attend the Annual Meeting.

What proposals will be voted on at the Annual Meeting?

Stockholders will vote on three proposals at the Annual Meeting:

the election of directors;

the ratification of the appointment of Fitzgerald as the Company's independent auditors for the year ending December 31, 2016; and
an advisory vote to approve the compensation of our named executive officers as disclosed in this Proxy Statement;

What are the Board's recommendations?

Our Board recommends that you vote:

FOR election of the three individuals listed in this proxy statement to the Board of Directors;

FOR ratification of the appointment of Fitzgerald as the Company's independent auditors for the year ending December 31, 2016;

FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement

The Stockholders have voted for having an advisory vote every three years.

Will there be any other business on the agenda?

The Board knows of no other matters that are likely to be brought before the Annual Meeting. If any other matters properly come before the Annual Meeting, however, the persons named in the enclosed proxy, or their duly appointed substitute acting at the Annual Meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Who is entitled to vote?

Only stockholders of record at the close of business on September 16, 2016, which we refer to as the Record Date, are entitled to notice of, and to vote at, the Annual Meeting. As of the Record Date, there were 5,362,992 shares of our common stock outstanding and 120,000 shares of our preferred stock issued and outstanding. Holders of common stock as of the Record Date are entitled to one vote for each share of common stock held for each of the proposals. Holders of our preferred stock as of the Record date are entitled to 100 votes for each share of preferred stock held for each of the proposals. No other class of voting securities is outstanding on the date of mailing of this Proxy Statement.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Stockholder of Record. If your shares are registered directly in your name with our transfer agent, Interwest Transfer Company, Inc., you are considered, with respect to those shares, the stockholder of record. This proxy and our Annual Report have been sent directly to you by us.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name. This proxy and the Annual Report have been forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares by using the voting instructions included in with your proxy materials.

How do I vote my shares?

Whether you hold shares directly as a registered stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held beneficially in street name, by submitting voting instructions to your stockbroker, trustee or nominee. In most cases, you will be able to do this by using the Internet or telephone or by mail, if you received a printed set of the proxy materials.

By Internet If you have Internet access, you may submit your proxy via the Internet by following the instructions provided in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement (the **Notice**), or if you received a printed version of the proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.

By Telephone or Mail If you received printed proxy materials, you may submit your proxy by telephone by following the instructions provided on your proxy card or voting instruction card. If you received a Notice, you may submit your

proxy by telephone after accessing the proxy materials via the Internet. You may also submit your proxy by mail by signing your proxy card if your shares are registered or, for shares held beneficially in street name, by following the voting instructions included by your stockbroker, trustee or nominee, and mailing it in the envelope provided. If you provide specific voting instructions, your shares will be voted as you have instructed. Voting by telephone is not available to persons outside of the United States.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. (EDT) on November 2, 2016.

If you vote by proxy, the individuals named on the proxy card (your **proxies**) will vote your shares in the manner you indicate. You may specify how your shares should be voted for each of the proposals. If you grant a proxy without indicating your instructions, your shares will be voted as follows:

FOR election of the three individuals listed in this proxy statement to the Board of Directors;

FOR ratification of the appointment of Fitzgerald as the Company's independent auditors for the year ending December 31, 2016; and

FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

Each share of our common stock is entitled to one vote and each share of our preferred stock is entitled to 100 votes per share voting with the common stock.

What constitutes a quorum?

A quorum is the presence, in person or by proxy, of the holders of a majority of the shares of the common stock entitled to vote. Under Nevada law, an abstaining vote and a broker non-vote are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the Annual Meeting.

What is a broker non-vote and what is its effect on voting?

If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares does not have the authority to vote on the matter with respect to those shares. This is generally referred to as a broker non-vote.

Proposal 2 (ratification of auditors) involves a matter that we believe will be considered routine. All other proposals involve matters that we believe will be considered non-routine. We encourage you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided on your proxy card.

What is required to approve each item?

For Proposal No. 1 (election of directors), each director must be elected by a majority of votes cast with respect to such director (i.e., the number of shares voted for a director nominee must exceed the number of votes withheld from that nominee). Abstentions and broker non-votes are not counted for purposes of the election of directors.

For Proposal No. 2 (ratification of independent auditors), and Proposal No. 3 (advisory vote on executive compensation), the affirmative vote of the holders of a majority of the stockholders' shares present in person or represented by proxy at the Annual Meeting and entitled to vote, is required.

For any other matters on which stockholders are entitled to vote, the affirmative vote of the holders of a majority of the stockholders' shares present in person or represented by proxy at the Annual Meeting and entitled to vote, is required.

For the purpose of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. If stockholders hold their shares through a broker, bank or other nominee and do not instruct them how to vote, the broker may have authority to vote the shares for routine matters.

Stockholders may not cumulate votes in the election of directors, which means that each stockholder may vote no more than the number of shares he or she owns for a single director candidate.

Our bylaws require that, in uncontested elections, each director be elected by the majority of votes cast with respect to such director. This means that the number of shares voted for a director nominee must exceed the number of votes withheld from that nominee in order for that nominee to be elected. Only votes for or withheld are counted as votes cast with respect to a director. Abstentions and broker non-votes will have no effect.

How will shares of common stock represented by properly executed proxies be voted?

All shares of common stock represented by proper proxies will, unless such proxies have previously been revoked, be voted in accordance with the instructions indicated in such proxies. If you do not provide voting instructions, your shares will be voted in accordance with the Board's recommendations as set forth herein. In addition, if any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly appointed substitute acting at the Annual Meeting, will be authorized to vote or otherwise act on those matters in accordance with their judgment.

Can I change my vote or revoke my proxy?

Any stockholder executing a proxy has the power to revoke such proxy at any time prior to your shares being voted. You may revoke your proxy prior to your shares being voted by calling 1-866-752-VOTE (8683), or by accessing the Internet website <https://www.iproxydirect.com/LEAT>, or in writing by execution of a subsequently dated proxy, or by a written notice of revocation, sent to the attention of the Corporate Secretary at Leatt Corporation, Suite 109, Private Bag X3, Bloubaerg, 7443, Western Cape, South Africa, or by attending and voting in person at the Annual Meeting. Unless revoked, the shares represented by timely received proxies will be voted in accordance with the directions given therein. Your most current proxy card or telephone or Internet proxy is the one that is counted.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the previously convened Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous Annual Meeting.

How are proxies solicited?

In addition to the mail solicitation of proxies, our officers, directors, employees and agents may solicit proxies by written communication, telephone or personal call. These persons will receive no special compensation for any solicitation activities. We will reimburse banks, brokers and other persons holding common stock for their expenses in forwarding proxy solicitation materials to beneficial owners of our common stock.

Who paid for this proxy solicitation?

The cost of preparing, printing, assembling and mailing this proxy statement and other material furnished to stockholders in connection with the solicitation of proxies is borne by us.

What is householding?

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as householding, permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to you. Under this process, certain stockholders of record who do not participate in electronic delivery of proxy materials will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies.

Any stockholders who wish to opt out of, or wish to begin, householding may contact our Corporate Secretary through one of the following methods:

by sending a written request by mail to:

Leatt Corporation
Suite 109, Private Bag X3, Bloubergrant, 7443, Western Cape, South Africa
Attention: Corporate Secretary

by calling our Corporate Secretary, at +(27) 21-557-7257.

How do I learn the results of the voting at the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final results will be published in our current report on Form 8-K to be filed with the SEC within four business days after the date of the Annual Meeting, provided that the final results are available at such time. In the event the final results are not available within such time period, the preliminary voting results will be published in our current report on Form 8-K to be filed within such time period, and the final results will be published in an amended current report on Form 8-K/A to be filed within four business days after the final results are available.

Can I receive future stockholder communications electronically through the Internet?

Yes. You may elect to receive future notices of meetings, proxy materials and annual reports electronically through the Internet. To consent to electronic delivery, vote your shares using the Internet. At the end of the Internet voting procedure, the on-screen Internet voting instructions will tell you how to request future stockholder communications be sent to you electronically.

Once you consent to electronic delivery, you must vote your shares using the Internet and your consent will remain in effect until withdrawn. You may withdraw this consent at any time during the voting process and resume receiving stockholder communications in print form.

Whom may I contact for further assistance?

If you have any questions about giving your proxy or require any assistance, please contact our Corporate Secretary:

by mail to:

Leatt Corporation
Suite 109, Private Bag X3, Bloubergrant, 7443, Western Cape, South Africa

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the **Exchange Act**) requires our executive officers, directors and beneficial owners of more than 10% of a registered class of our equity securities to file with the SEC statements of ownership and changes in ownership. The same persons are required to furnish us with copies of all

Section 16(a) forms they file. Except as set forth below and in our previous reports filed with the SEC, we believe that all of our executive officers, directors and beneficial owner of more than 10% of a registered class of our equity securities complied with the applicable filing requirements during fiscal year 2015.

In making these statements, we have relied upon examination of the copies of all Section 16(a) forms provided to us and the written representations of our executive officers, directors and beneficial owners of more than 10% of a registered class of our equity securities.

CORPORATE GOVERNANCE

Our current corporate governance practices and policies are designed to promote stockholder value and we are committed to the highest standards of corporate ethics and diligent compliance with financial accounting and reporting rules. Our Board provides independent leadership in the exercise of its responsibilities. Our management oversees a system of internal controls and compliance with corporate policies and applicable laws and regulations, and our employees operate in a climate of responsibility, candor and integrity.

The Board and Committees of the Board

We are governed by a Board that currently consists of three members as identified above. Our board of directors currently has two standing committees: the Audit Committee and Compensation Committee, which, pursuant to delegated authority, perform various duties on behalf of and report to the Board. From time to time, the Board may establish other committees.

Audit Committee

Our Audit Committee is currently composed of three members: Mr. Jeffrey Guzy and Mr. Macdonald. Mr. Guzy serves as Chair of the Audit Committee and our Board determined that he is an independent director within the meaning of the NASDAQ Marketplace Rules.

Our Audit Committee oversees our accounting and financial reporting processes and the audits of our financial statements. It is responsible for, among other things:

- selecting our independent auditors and pre-approving all auditing and non-auditing services permitted to be performed by our independent auditors;
- reviewing with our independent auditors any audit problems or difficulties and management's response;
- reviewing and approving all proposed related-party transactions;
- discussing the annual audited financial statements with management and our independent auditors;
- reviewing the adequacy and effectiveness of our internal control over financial reporting;
- annually reviewing and reassessing the adequacy of our audit committee charter;
- such other matters that are specifically delegated to our Audit Committee by our Board from time to time;
- meeting separately and periodically with management and our internal and independent auditors; and
- reporting regularly to the full Board.

Our Board has determined that Mr. Guzy is the audit committee financial expert as such term is defined in Item 407(d) of Regulation S-K promulgated by the SEC and also meets NASDAQ's financial sophistication requirements.

Compensation Committee

Our Compensation Committee is currently composed of two members: Mr. Jeffrey Guzy and Mr. Sean Macdonald. Only Mr. Guzy, who serves as Chair of the Compensation Committee, is independent within the meaning of the NASDAQ Marketplace Rules.

Our Compensation Committee assists the Board in reviewing and approving the compensation structure of executive officers, including all forms of compensation to be provided to our executive officers. Our chief executive officer may not be present at any committee meeting during which his compensation is deliberated.

The Compensation Committee is responsible for, among other things:

approving and overseeing the compensation package for our executive officers;

reviewing and approving corporate goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives, and setting the compensation level of our chief executive officer based on this evaluation; and

reviewing periodically and making recommendations to the Board regarding any long-term incentive compensation or equity plans, programs or similar arrangements, annual bonuses, employee pension and welfare benefit plans.

Governance Structure

The Board believes that the interests of all stockholders are best served at the present time through a leadership model with a separate Board Chair and CEO. However, the Board retains authority to combine the positions of Board Chair and CEO at any time. The current CEO and Board Chair possess an in-depth knowledge of the Company, its integrated operations, and the array of challenges to be faced, gained through years of combined experience in the industry. The Board believes that these experiences and other insights put them in the best position to provide broad leadership for the Company and the Board, respectively, as they consider strategy and exercise fiduciary responsibilities to stockholders, as the case may be.

The Board's Role in Risk Oversight

The Board oversees that the assets of the Company are properly safeguarded, that the appropriate financial and other controls are maintained, and that the Company's business is conducted wisely and in compliance with applicable laws and regulations and proper governance. Included in these responsibilities is the Board of Directors' oversight of the various risks facing the Company. In this regard, the Board seeks to understand and oversee critical business risks. The Board does not view risk in isolation. Risks are considered in virtually every business decision and as part of the Company's business strategy. The Board recognizes that it is neither possible nor prudent to eliminate all risk. Indeed, purposeful and appropriate risk-taking is essential for the Company to be competitive on a global basis and to achieve its objectives.

While the Board oversees risk management, Company management is charged with managing risk. The Company has internal processes and an internal control environment to identify and manage risks and to communicate with the Board. The Board and the Audit Committee monitor and evaluate the effectiveness of the internal controls and the risk management program at least annually. The Board implements its risk oversight function both as a whole and through Committees. Much of the work is delegated to various Committees, which meet regularly and report back to the full Board. All Committees play significant roles in carrying out the risk oversight function. In particular:

The Audit Committee oversees risks related to the Company's financial statements, the financial reporting process, accounting and legal matters. The Audit Committee oversees the internal audit function and the Company's ethics programs, including the Code of Ethics. Effective January 1, 2016, the Company increased the compensation amount given to each of Mr. Jeff Guzy and Mr. Sean Macdonald for their services as directors of the Company to \$650 per month.

Limitation of Liability and Indemnification

Section 78.138 of the NRS provides that a director or officer will not be individually liable unless it is proven that (i) the director's or officer's acts or omissions constituted a breach of his or her fiduciary duties, and (ii) such breach involved intentional misconduct, fraud or a knowing violation of the law.

Section 78.7502 of NRS permits a company to indemnify its directors and officers against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with a threatened, pending or completed action, suit or proceeding if the officer or director (i) is not liable pursuant to NRS 78.138 or (ii) acted in good faith and in a manner the officer or director reasonably believed to be in or not opposed to the best interests of the corporation and, if a criminal action or proceeding, had no reasonable cause to believe the conduct of the officer or director was unlawful.

Section 78.751 of NRS permits a Nevada company to indemnify its officers and directors against expenses incurred by them in defending a civil or criminal action, suit or proceeding as they are incurred and in advance of final disposition thereof, upon receipt of an undertaking by or on behalf of the officer or director to repay the amount if it is ultimately determined by a court of competent jurisdiction that such officer or director is not entitled to be indemnified by the company. Section 78.751 of NRS further permits the company to grant its directors and officers additional rights of indemnification under its articles of incorporation or bylaws or otherwise.

Section 78.752 of NRS provides that a Nevada company may purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the company, or is or was serving at the request of the company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, for any liability asserted against him and liability and expenses incurred by him in his capacity as a director, officer, employee or agent, or arising out of his status as such, whether or not the company has the authority to indemnify him against such liability and expenses.

Our Articles of Incorporation provide that no director or officer of the Company will be personally liable to the Company or any of its stockholders for damages for breach of fiduciary duty as a director or officer; provided, however, that the foregoing provision shall not eliminate or limit the liability of a director or officer (i) for acts or omissions which involve intentional misconduct, fraud or knowing violation of law, or (ii) the payment of dividends in violation of Section 78.300 of NRS. In addition, our Bylaws implement the indemnification and insurance provisions permitted by Chapter 78 of the NRS by providing that:

The Company shall indemnify its directors to the fullest extent permitted by the NRS and may, if and to the extent authorized by the board of directors, so indemnify its officers and any other person whom it has the power to indemnify against liability, reasonable expense or other matter whatsoever.

The Company may at the discretion of the board of directors purchase and maintain insurance on behalf of any person who holds or who has held any position identified in the paragraph above against any and all liability incurred by such person in any such position or arising out of his status as such.

Insofar as indemnification by us for liabilities arising under the Securities Act may be permitted to our directors, officers or persons controlling the company pursuant to provisions of our articles of incorporation and bylaws, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification by such director, officer or controlling person of us in the successful defense of any action, suit or proceeding is asserted by such director, officer or controlling person in connection with the securities being offered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate

jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Other than as disclosed herein, there is no pending litigation or proceeding involving any of our directors or executive officers to which indemnification is required or permitted, and we are not aware of any threatened litigation or proceeding that may result in a claim for indemnification.

**TRANSACTIONS WITH RELATED PERSONS,
PROMOTERS AND CERTAIN CONTROL PERSONS**

Transactions with Related Persons

The following includes a summary of transactions since the beginning of the last fiscal year, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest (other than compensation described under "Executive Compensation"). We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's-length transactions.

On March 1, 2006, we entered into a Licensing Agreement with Xceed Holdings (formerly, Leatt Brace Holdings), a South African company that is controlled by Dr. Leatt, the Company's Chairman, and by Mr. De Villiers until his resignation on August 29, 2006. Under the terms of the Licensing Agreement, we are obligated to pay Xceed Holdings 4% of all sales revenue billed and received by us, on a quarterly basis based on sales of the previous quarter. In addition, pursuant to a separate license agreement between us and Mr. De Villiers, we are obligated to pay a royalty fee of 1% of all our billed and received sales revenue, in quarterly installments, based on sales of the previous quarter, to a trust that is beneficially owned and controlled by Mr. De Villiers. Royalties totaled \$480,689 and \$465,316 for the years ended December 31, 2015 and 2014, respectively.

In July 2015, the Company entered into a consulting agreement with Innovate Services Limited, a Seychelles limited company in which, Dr. Christopher Leatt, the Company's founder and chairman, is an indirect beneficiary. Pursuant to the terms of the Consulting Agreement, Innovate has agreed to serve as the Company's exclusive research, development and marketing consultant in exchange for a monthly fee of \$35,639; provided that Dr. Leatt personally performs the services to be performed by Innovate under the Agreement, pursuant to a separate employment agreement between Innovate and Dr. Leatt. The parties further agreed that all intellectual property generated in connection with the Services provided under the Consulting Agreement will be the sole property of the Company. The Consulting Agreement is effective as of May 15, 2015, and will continue unless terminated by either party in accordance with its terms. Either party has the right to terminate the Consulting Agreement upon 6 months' prior written notice, except that the Consulting Agreement may be terminated immediately without notice if the Services to be performed under the Consulting Agreement cease to be performed by Dr. Leatt or for any other material breach of the Agreement by any of the parties. The parties have agreed to settle any dispute under the Consulting Agreement through arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), and that the resulting arbitration award will be final and binding on both parties and will not be subject to any appeal.

Simultaneously with the closing of the Consulting Agreement, the Company also entered into a Side Letter Agreement, dated July 8, 2015, with Dr. Leatt, pursuant to which the parties agreed to terminate Dr. Leatt's existing employment agreement, dated as of May 15, 2015, with the Company in its entirety, in lieu of Dr. Leatt undertaking to perform the services under the Consulting Agreement.

Under the terms of the Side Letter, Dr. Leatt also agreed, among other things: (1) not to perform services similar to the services provided under the Consulting Agreement for any current or future, direct or indirect competitor of the Company or any similar company; (2) not to solicit any current or future employees of the Company for employment with Innovate or any other entity with which he may become affiliated, or to contact or solicit any current or future stockholder or investor of the Company in connection with any matter that is not directly related to the ongoing or future business operations of the Company; and (3) that he will apprise the Company of any business opportunity that he becomes aware of that could benefit the Company so that the Company, can in its sole discretion, make a determination regarding whether to pursue such opportunity in the best interest of the Company and its stockholders. Dr. Leatt further agreed to continue dedicating a majority of his time on matters related to performance of his duties as a director of the Company and to the fulfillment of his obligations to the Company's research and development efforts under the Consulting Agreement, and the Company will have the right to adjust the amount of the fees payable under the Consulting Agreement to the extent of any substantial diminution in his fulfillment of such duties and obligations.

Except as set forth in our discussion above, none of our directors, director nominees or executive officers has been involved in any transactions with us or any of our directors, executive officers, affiliates or associates which are required to be disclosed pursuant to the rules and regulations of the SEC.

Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons

As we increase the size of our board of directors to include additional independent directors, we expect to prepare and adopt a written related-person transactions policy that sets forth our policies and procedures regarding the identification, review, consideration and approval or ratification of related-persons transactions. For purposes of our policy only, a related-person transaction will be a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any related person are participants involving an amount that exceeds \$120,000. Transactions involving compensation for services provided to us as an employee, director, consultant or similar capacity by a related person will not be covered by this policy. A related person will be any executive officer, director or a holder of more than five percent of our common stock, including any of their immediate family members and any entity owned or controlled by such persons.

We anticipate that, where a transaction has been identified as a related-person transaction, the policy will require management to present information regarding the proposed related-person transaction to our audit committee (or, where approval by our audit committee would be inappropriate, to another independent body of our board of directors) for consideration and approval or ratification. Management's presentation will be expected to include a description of, among other things, the material facts, the direct and indirect interests of the related persons, the benefits of the transaction to us and whether any alternative transactions are available.

To identify related-person transactions in advance, we are expected to rely on information supplied by our executive officers, directors and certain significant stockholders. In considering related-person transactions, our board of directors will take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the terms of the transaction;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from our employees generally.

We also expect that the policy will require any interested director to excuse himself from deliberations and approval of the transaction in which the interested director is involved.

Promoters and Certain Control Persons

We did not have any promoters at any time during the past five fiscal years.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board is responsible for establishing broad corporate policies and monitoring the overall performance of the Company. It selects our executive officers, delegates authority for the conduct of our day-to-day operations to those officers, and monitors their performance. Members of the Board keep themselves informed of our business by participating in Board and Committee meetings, by reviewing analyses and reports, and through discussions with the Chairman and other officers.

There are currently three directors serving on the Board. At the Annual Meeting, three directors will be elected. The individuals who have been nominated for election to the Board at the Annual Meeting are listed in the table below. Each of the nominees is a current director of the Company.

If, as a result of circumstances not now known or foreseen, any of the nominees is unavailable to serve as a nominee for director at the time of the Annual Meeting, the holders of the proxies solicited by this Proxy Statement may vote those proxies either (i) for the election of a substitute nominee who will be designated by the proxy holders or by the present Board or (ii) for the balance of the nominees, leaving a vacancy. The Board has no reason to believe that any of the nominees will be unwilling or unable to serve, if elected as a director. The four nominees for election as directors are uncontested. In uncontested elections, directors are elected by majority of the votes cast at the Annual Meeting. **Proxies submitted on the accompanying proxy card will be voted for the election of the nominees listed below, unless the proxy card is marked otherwise.**

Each director demonstrates innovative thinking, familiarity with and respect for corporate governance requirements and practices, an appreciation of multiple cultures and a commitment to the business and operations of the Company. In addition to the foregoing qualifications, the Board has assessed the intangible qualities including the director's ability to ask difficult questions and, simultaneously, to work collegially. The Board also considers diversity of age, cultural background and professional experiences in evaluating candidates for Board membership. PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee has selected Fitzgerald & Co, CPAs, P.C. (Fitzgerald) to serve as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016. Fitzgerald was the Company's independent registered public accounting firm for the fiscal year ended December 31, 2015.

We are asking our stockholders to ratify the selection of Fitzgerald as our independent registered public accounting firm. Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Fitzgerald to our stockholders for ratification as a matter of good corporate practice. In the event our stockholders fail to ratify the appointment, the Audit Committee may reconsider this appointment.

The Company has been advised by Fitzgerald that neither the firm nor any of its associates had any relationship with the Company other than the usual relationship that exists between independent registered public accounting firms and their clients during the last fiscal year. Representatives of Fitzgerald are expected to attend the Annual Meeting with the opportunity to make a statement and/or respond to appropriate questions from shareholders present at the Annual Meeting.

PROPOSAL 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules.

Our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, business unit goals, corporate goals, and the realization of increased stockholder value.

Our Compensation Committee continually reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders' interests and current market practices. We are asking our stockholders to indicate their support for our named executive officer compensation as described in the Compensation Discussion and Analysis and related compensation tables. This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote for the approval of the compensation of the named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the approval of the named executive officer compensation as disclosed in this Proxy Statement, they will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors recommends a vote FOR the approval of the compensation of our named executive officers, as disclosed in the Compensation Discussion and Analysis and related compensation tables.
