(e) On March 22, 2007, the Board of Directors (the "Board") of Harsco Corporation (the "Company") approved changes to the Company's long-term incentive compensation program under the Company's 1995 Executive Incentive Compensation Plan (the "Plan"). Commencing with the 2010 award year, grants of performance-based restricted stock units under the long-term incentive compensation program will be based on increases in economic value added (EVA(R)), which will be measured over a three-year period beginning with the 2007-2009 performance period. The Board must approve the grants prior to their award and the grants generally vest over a three-year period subsequent to the Board's approval. The aforementioned program is described in greater detail in the Authorization, Terms and Conditions of Other Performance Awards attached hereto as Exhibit 10.1 and hereby incorporated herein by reference.
