### Information Required in the Registration Statement

#### Item 3. Incorporation of Documents by Reference

The following documents previously filed with the United States Securities and Exchange Commission (“SEC”) by the Company are incorporated herein by reference:

- (a) Annual Report on Form 10-K for the fiscal year ended December 31, 2013;
- (b) Quarterly Report on Form 10-Q for the quarter ended March 31, 2014; and
- (c) The description of our common stock contained in our registration statement on Form 8-A filed with the SEC on September 19, 2003 under Section 12(g) of the Exchange Act, and any amendment or report which we has filed (or will file after the date of this prospectus) for the purpose of updating such description.

All documents filed by the Company with the SEC pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment to this Registration Statement which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, are deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the respective dates of filing of such documents (such documents, and the documents enumerated above, being hereinafter referred to as “Incorporated Documents”).

Any statement contained in an Incorporated Document shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any subsequently filed Incorporated Document modifies or supersedes such statement. #### Item 4. Description of Securities.

Not applicable.

#### Item 5. Interests of Named Experts and Counsel.

Not applicable.

#### Item 6. Indemnification of Directors and Officers.

The Company was organized under the laws of Ontario, Canada and is subject to the Ontario Business Corporations Act (“OBCA”), which provides for indemnification of any directors, officers, former directors, former officers and individuals acting or who acted as directors or officers (or in a similar capacity) of another entity at our request against all costs, charges and expenses reasonably incurred by them for any civil, criminal, administrative or investigative proceeding in which they are involved by reason of being or having been a director or officer. The indemnity includes amounts paid to settle actions or to satisfy judgments. However, we may only indemnify these persons if they acted honestly and in good faith with a view to our best interests and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, if they had reasonable grounds for believing that their conduct was lawful. The OBCA also provides that we or any of the individuals eligible for indemnification may apply to the court for approval of an indemnity.

We currently have directors’ and officers’ liability insurance policies to insure our directors and officers against liability for actions or omissions occurring in their capacity as a director or officer, subject to certain exclusions and

limitations.

We have entered into indemnification agreements with current officers and directors, as well as past officers and directors. Among other things, these agreements generally provide that we will indemnify each of these individuals against all fees, charges, disbursements, expenses and losses reasonably incurred by them in connection with any civil, criminal, quasi-criminal, administrative, investigative or other proceedings in connection with service as our

director or officer or as a director, officer, trustee, manager, participating member or in any other similar capacity of any other entity to the extent that such person is serving in such capacity at our request (“Indemnified Capacity”). Additionally, we have agreed to indemnify these individuals for expenses they incur solely by reason of their service in an Indemnified Capacity. The indemnity includes amounts paid to settle actions or to satisfy judgments. However, we may only indemnify these persons if they acted honestly and in good faith with a view to our best interests and, in the case of a criminal, quasi-criminal or

---

administrative action, proceeding or hearing that is enforced by a monetary penalty, if they had reasonable grounds for believing that their conduct was lawful. We will have no obligation to indemnify these individuals if a court rules that they are not entitled to indemnification under the agreement.

These indemnification agreements also provide that, upon written request, we will advance expenses to the indemnified individuals within 20 days of such request. We must also maintain in effect a comprehensive liability insurance program, including policies providing coverage for the liability exposures of directors and officers. Such liability insurance coverage will continue for a minimum of six years following the director or officer ceasing to serve in an Indemnified Capacity.

Item 9. Undertakings.

(a) The Company hereby undertakes:

- (1.) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i.) To include any prospectus required by Section 10(a)(3) of the Securities Act;  
To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
  - (ii.) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment (2.) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3.) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

---

(b) The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
