Explanatory Note

This Current Report on Form 8-K/A is filed as an amendment to the Current Report on Form 8-K filed by Bottomline Technologies (de), Inc. (the “Registrant” or the “Company”) on September 14, 2009. The amendment is being filed to include the financial information required under Item 9.01 that was previously omitted in accordance with Item 9.01(a) and Item 9.01(b).

Historical audited financial statements of an acquired business are required if the acquisition exceeds certain quantitative tests of significance. PayMode represents a significant acquisition, at a level requiring one year of historical audited financial statements. The Company has concluded that it is impracticable to prepare full financial statements of PayMode and instead has furnished a statement of assets sold and a statement of revenues and direct expenses of PayMode for the period for which audited financial information is required. These financial statements are included at Exhibit 99.2.

The conclusion that it was impracticable to prepare full historical financial statements for PayMode was based on a number of factors, including:

- PayMode was neither a separate legal entity nor an entity that had been subject to discrete financial reporting within Bank of America. On a historical basis, separate financial statements for PayMode had never been prepared.
- Bank of America did not maintain separate administrative support functions, such as for finance, treasury, tax and legal, for PayMode; these functions were provided by the Bank at the corporate level.
 - Certain corporate level expenses, such as interest and income taxes, had never been allocated to PayMode.

In addition to the conclusion that full financial statements were impracticable, the Company believes that the historical financial information that follows is a more meaningful financial reporting alternative than full financial statements since it provides information that is specific to the operation of PayMode.

Item 9.01 of the aforementioned Current Report on Form 8-K is hereby amended to read as follows:

Item 9.01. Financial Statements and Exhibits.

(a) Financial Statements of Businesses Acquired.

The audited statements of assets sold and revenues and direct expenses of PayMode as of and for the year ended December 31, 2008 are filed as Exhibit 99.2 hereto and incorporated herein by reference.

(b) Pro forma Financial Information.

The unaudited pro forma condensed combined financial information with respect to the transaction described in Item 2.01 is filed as Exhibit 99.3 hereto and incorporated herein by reference.
