Item 1.01. Entry into a Material Definitive Agreement

On June 2, 2008, Green Plains Grain Company LLC, a wholly-owned subsidiary of Green Plains Renewable Energy, Inc., executed amendments to the Credit Agreement and Revolving Credit Note with First National Bank of Omaha (individually and collectively, the Loan Amendments). The original loan agreements were executed on April 3, 2008, to accommodate working capital requirements and refinance existing debt.

The Loan Amendments set forth the following changes:

Green Plains Grain Company LLC increased the principal amount of the Revolving Credit Note from \$30 million to \$35 million from July 2, 2008, through March 31, 2009. Thereafter, the principal amount of the Revolving Credit Note returns to the original sum of \$30 million through the maturity date.

The calculation of the non-use fee, as set forth in the original Credit Agreement, will accrue on the average daily unused amount of \$30 million. The non-use fee rate is unchanged by the increase in principal amount.

The Loan Amendments reflect changes in working capital requirements.
