**NOTES TO FINANCIAL STATEMENTS**  
**(unaudited)**

**NOTE 1 - BASIS OF PRESENTATION**

The accompanying unaudited interim financial statements of The Blackhawk Fund ("Blackhawk" or the "Company") have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission ("SEC"), and should be read in conjunction with the audited financial statements and notes thereto contained in Blackhawk's Annual Report filed with the SEC on Form 10-KSB. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the full year. Notes to the financial statements which would substantially duplicate the disclosure contained in the audited financial statements for 2006 as reported in the 10-KSB have been omitted.

**NOTE 2 - STOCK BASED COMPENSATION**

Prior to January 1, 2006 we accounted for stock based compensation under Statement of Financial Accounting Standards No. 123 Accounting for Stock-Based Compensation (FAS 123). As permitted under this standard, compensation cost was recognized using the intrinsic value method described in Accounting Principles Board Opinion No. 25, Accounting for Stock Issued to Employees (APB 25). Effective January 1, 2006, the Company has adopted Statement of Financial Accounting Standards No. 123 (Revised 2004), Share-Based Payment (FAS 123R) and applied the provisions of the Securities and Exchange Commission Staff Accounting Bulletin No. 107 using the modified-prospective transition method. Prior periods were not restated to reflect the impact of adopting the new standard. As a result of the adoption of FAS 123R, stock-based compensation expense recognized during the quarter ended March 31, 2007 includes compensation expense for all share-based payments granted on or prior to, but not yet vested as of December 31, 2006, based on the grant date fair value estimated in accordance with the original provisions of FAS 123, and compensation cost for all share-based payments granted on or subsequent to January 1, 2006, based on the grant date fair value estimated in accordance with the provisions of FAS 123R.

Beginning on January 1, 2006, any future excess tax benefits derived from the exercise of stock options will be recorded prospectively and reported as cash flows from financing activities in accordance with FAS 123R.

During the quarter ended March 31, 2007, the Company did not make any stock option grants and therefore did not recognize any stock-based option expense. During the quarter ended March 31, 2007 The Company recorded stock based consulting expense of \$1,113,600, as determined under FASB 123R..

**NOTE 3 - PROPERTY - HELD FOR SALE**

In late March 2006, the Company purchased a condominium located in Carlsbad, California for \$625,083. The Company intends to renovate and sell the condo. Since the Company intends to sell the condominium upon completion of the planned renovations, it has been designated as "held-for-sale". Therefore it will be carried at the lower cost or fair value (net of expected sales costs) during the renovation period and will not be depreciated. Major improvements and renovations are capitalized.

**THE BLACKHAWK FUND**
