ITEM 5. OTHER EVENTS.

On July 31, 2003, Cogent Communications Group, Inc. (the "Company") consummated the restructuring of its indebtedness to Cisco Systems Capital Corporation ("Cisco") and the sale and issuance of preferred stock to a group of the Company's existing stockholders (the "Investors").

In connection with the restructuring, Cogent issued to Cisco shares of its Series F Participating Convertible Preferred Stock which are convertible into approximately 18% of the fully diluted authorized and outstanding shares of the Company's common stock, and made a cash payment to Cisco of \$20 million. In return, Cisco Capital reduced the amount of the Company's indebtedness from approximately \$263 million to \$17 million and returned warrants to purchase approximately 700,000 shares of the Company's common stock. In order to raise the capital necessary to complete the restructuring, the Company also sold to the Investors for \$41 million, shares of its Series G Participating Convertible Preferred Stock which are convertible into approximately 68% of the fully diluted authorized and outstanding shares of the Company's common stock.

These transactions are more fully described in the Company's definitive Information Statement on Schedule 14C, filed with the Securities and Exchange Commission and mailed to stockholders on July 11, 2003.
