ITEM 5. Other Events

HickoryTech Corporation announced today that it has finalized the previously announced sale of its wireless business to Western Wireless Corporation, Bellevue, Wash., in exchange for a total value of approximately \$25 million.

HickoryTech received approximately \$12.9 million in cash and 1,038,927 shares of HickoryTech common stock held by Western Wireless, plus additional payment for construction in progress. The transaction reduces the total number of HickoryTech shares outstanding by approximately 7 percent. HickoryTech will use the proceeds from the transaction to reduce its long-term debt.

The wireless assets involved in the sale consist of two cellular and two personal communications services (PCS) licenses in southern Minnesota. Western Wireless will begin providing service to these wireless customers immediately.
