Schedule 13D

Issuer: United States Cellular Corporation

Page 4 of 10

This Amendment Number 14 to the Amended and Restated Schedule 13D is being filed pursuant to Section 13(d)(2) of the Securities Exchange Act of 1934, as amended (the Act), by Telephone and Data Systems, Inc., a Delaware corporation (TDS). This amended Schedule 13D relates to the ownership by TDS of Common Shares, par value \$1.00 per share (Common Shares), and/or Series A Common Shares, par value \$1.00 per share (Series A Common Shares) of United States Cellular Corporation, a Delaware corporation (the Issuer or U.S. Cellular).

Item 1. Security and Issuer.

This statement relates to the Common Shares, par value \$1.00 per share, of the Issuer. The principal executive office of the Issuer is located at 8410 West Bryn Mawr, Suite 700, Chicago, Illinois 60631.

Item 2. Identity and Background.

TDS and the Trustees of the Voting Trust under Agreement dated June 30, 1989, as amended (the Voting Trust), are filing this Schedule 13D amendment concerning their direct and indirect beneficial ownership of Common Shares. The following sets forth information with respect to Items 2(a) through 2(f) for TDS and the Trustees of the Voting Trust.

TDS. TDS is a Delaware corporation. The principal business and office address of TDS, is 30 North LaSalle Street, Suite 4000, Chicago, Illinois 60602. TDS's principal business is that of providing diversified telecommunications services. TDS, directly and through its subsidiaries, has cellular telephone, local telephone, and personal communications services operations. The information with respect to the directors and executive officers of TDS is set forth on Appendices A and B attached hereto, and incorporated herein by reference.

The Trustees of the Voting Trust. The principal business address of the Voting Trust is c/o TDS, 30 North LaSalle Street, Suite 4000, Chicago, Illinois 60602. The Voting Trust holds TDS Series A Common Shares and was created to facilitate long-standing relationships among the trust's certificate holders. Under the terms of the Voting Trust, the trustees hold and vote the TDS Series A Common Shares held in the trust. The information with respect to the trustees of the Voting Trust is set forth in Appendix C hereto, and incorporated herein by reference.

To the knowledge of LeRoy T. Carlson, Jr., during the last five years, none of TDS, the Voting Trust, nor any of the persons named in Appendices A, B and C hereto has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

To the knowledge of LeRoy T. Carlson, Jr., during the last five years, none of TDS, the Voting Trust, nor any of the persons named in Appendices A, B and C hereto was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

The information contained in Item 4 below, is incorporated herein by reference.

Item 4. Purpose of Transaction.

On February 17, 2005, the TDS Board of Directors (the TDS Board), including directors who are not trustees or beneficiaries of the Voting Trust, and directors who are not officers of TDS, unanimously approved a proposal (the Special Common Share Proposal), to be submitted to TDS shareholders at a Special Meeting of shareholders, to approve an amendment (the Amendment) to the Restated Certificate of Incorporation of TDS to increase the authorized number of Special Common Shares of TDS from 20,000,000 to 165,000,000. The Voting Trust has the voting power to cause the Special Common Share Proposal and certain related proposals to be

Schedule 13D

Issuer: United States Cellular Corporation

Page 5 of 10

approved, and the trustees of the Voting Trust have advised TDS that they intend to vote for the Special Common Share Proposal and for such related proposals at the Special Meeting of shareholders.

The Special Common Share Proposal is being implemented by TDS for, among other reasons, to permit TDS at some time in the future to offer and issue Special Common Shares in exchange for all of the Common Shares of United States Cellular Corporation (U.S. Cellular) which are not owned by TDS (a Possible U.S. Cellular Transaction). Subject to the approval of the Special Common Share Proposal and certain other conditions, the trustees of the Voting Trust have advised the TDS Board that they may also support such possible action by TDS. TDS currently owns approximately 82% of the shares of common stock of U.S. Cellular. The purpose of a Possible U.S. Cellular Transaction would be to cause U.S. Cellular to become a wholly-owned subsidiary of TDS.

The TDS Board has approved a distribution of one Special Common Share in the form of a stock dividend with respect to each outstanding Common Share and Series A Common Share of TDS (the Distribution), subject to the approval of the Special Common Share Proposal by shareholders, the effectiveness of the Amendment, and certain other conditions.

The foregoing possible transactions were developed by TDS following discussions with trustees of the Voting Trust. TDS management communicated with the trustees of the Voting Trust to determine if they would support certain actions. Following consideration of certain possible transactions, the trustees of the Voting Trust advised TDS management that they were not actively seeking any change to the TDS capital structure and did not consider it to be necessary, but that they might consider a transaction that did not impair the voting control of the Voting Trust and that was in the best interest of TDS and all of its shareholders.

At the same time, the trustees of the Voting Trust further advised that they did not believe that certain alternatives would be in the best interest of TDS and all of its shareholders and, accordingly, would not approve or support action in furtherance of such alternatives.

The TDS Board has not taken any action to determine that it will offer Special Common Shares, or the number of Special Common Shares or fraction of a Special Common Shares that it may offer, to exchange for each Common Share of U.S. Cellular not owned by TDS. If and when an offer is made will depend on the trading price of the U.S. Cellular Common Shares, the trading price of the Special Common Shares, market conditions and other factors.

TDS has no set time frame for taking action with respect to a Possible U.S. Cellular Transaction and TDS could choose to take action with respect to a Possible U.S. Cellular Transaction at any time, or not to take action with respect to a Possible U.S. Cellular Transaction, depending on the circumstances at the time. The timing of such possible transaction also depends on the trading price of the U.S. Cellular Common Shares, the trading price of the Special Common Shares, market conditions and other factors, including whether any possible transaction would be likely to be disruptive to U.S. Cellular's operations.

If a Possible U.S. Cellular Transaction does not take place for any reason, U.S. Cellular may not become a wholly-owned subsidiary of TDS and the Common Shares of U.S. Cellular may continue to be publicly traded. Alternatively, although TDS has no current plans or intentions to do so, TDS may consider acquiring such Common Shares of U.S. Cellular through open market or private purchases, or taking other action to acquire some or all of the shares of U.S. Cellular not owned by TDS.

Reference is made to the preliminary proxy statement of TDS filed with the SEC dated February 18, 2005 for additional information relating to the foregoing, which is incorporated by reference herein.

Except as disclosed or incorporated by reference above, neither TDS nor the Voting Trust has any current intention, plan or proposal with respect to: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the

Schedule 13D

Issuer: United States Cellular Corporation

Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange, if any, or cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of a registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated above.

Notwithstanding the foregoing, TDS and the trustees of the Voting Trust retain the right to change their intent, to acquire additional securities from time to time or to dispose of all or part of the securities beneficially owned by TDS or the Voting Trust in any manner permitted by the terms of the Voting Trust and/or applicable law.
