BUHRMANN ANNOUNCES SUCCESSFUL OUTCOME OF TAKE-UP OF ITS RIGHTS ISSUE

Buhrmann announces today that a total 95% of the rights were exercised in its EUR 250 million capital increase. Approximately 6.3 million rights remained unexercised at the end of the subscription period.

The distribution of rights to existing Buhrmann shareholders of record on 14 March 2005 was made on the basis of one right per share. New shares could be subscribed at a price of EUR 6.37 per new Buhrmann share, based on a subscription ratio of 2 new shares for 7 rights.

The 1,806,316 new shares (the rump) underlying the 6,322,106 rights remaining unexercised after the end of the subscription period on 23 March 2005 will be placed today through an international private placement or through sales in the market.

Holders of unexercised rights will receive a cash payment per unexercised right, subject to certain conditions, based on the difference, if positive, between the placement price of the rump (minus any related fees and/or taxes) and the subscription price of EUR 6.37, multiplied by the subscription ratio (2 for 7). Any payment relating to unexercised rights will be made shortly after the expected closing date of 31 March 2005.

As previously announced, Buhrmann will use the proceeds of the capital raising to partly finance the repurchase of its Preference Shares C.

The settlement and delivery of the new Buhrmann shares is expected to take place on or about 31 March 2005.

Safe Harbour Statement

Statements included in this press release, which are not historical facts are forward-looking statements made pursuant to the safe harbour provisions of the Private Securities Litigation Reform Act of 1995 and the Securities Exchange Act of 1934. Such forward-looking statements are made based upon management's expectations and beliefs concerning future events impacting Buhrmann and therefore involve a number of uncertainties and risks, including, but not limited to industry conditions, changes in product supply, pricing and customer demand, competition, risks in integrating new businesses, currency fluctuations, the transition from Dutch GAAP to IFRS reporting and the other risks described from time to time in the Company's filings with the US Securities and Exchange Commission, including the Company's Annual Report on Form 20-F filed with the Securities and Exchange Commission on June 21, 2004. As a result, the actual results of operations or financial

conditions of the Company could differ materially from those expressed or implied in such forward-looking statements.

All IFRS information is unaudited containing details of the transitional adjustments required to present certain historical financial results of the Company under IFRS. Future presentation of this historical financial information may represent different results than those in this press release. The transitional adjustments presented have been calculated on the basis of the specific facts of the transaction and should not be used as indicators of future adjustments between Dutch GAAP and IFRS. IFRS statements are subject to change and should be carefully considered, and it should be understood that still factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, changes in regulations or interpretations related to the implementation and reporting under IFRS, decisions to apply a different option of presentation permitted by IFRS, and various other factors related to the implementation of IFRS. Shareholders and other readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. The Company undertakes no obligation to update publicly or revise any forward-looking statements.
