Dear Sun Bancshares, Inc. shareholder:

You are cordially invited to attend a special meeting of shareholders of Sun Bancshares to be held on October 20, 2005, at 4 p.m., local time, in the Community Room on the second floor of SunBank's Murrells Inlet location at 4210 Highway 17 Bypass. At this special meeting, you will be asked to approve the acquisition of Sun Bancshares by SCBT Financial Corporation and to approve the proposal to authorize the board of directors to adjourn the special meeting to allow time for further solicitation of proxies in the event there are insufficient votes at the special meeting to approve the acquisition. As a result of the acquisition, the outstanding Sun Bancshares common stock will be converted into cash and SCBT Financial Corporation common stock. The acquisition will be effected through the merger of Sun Bancshares with and into SCBT Financial Corporation.

In the merger, SCBT Financial Corporation will pay consideration of approximately \$4.4 million cash and 564,387 shares of SCBT Financial Corporation common stock for Sun Bancshares issued and outstanding shares of common stock. The value of the consideration to be received by each Sun Bancshares shareholder will depend upon the value of the SCBT Financial Corporation common stock and the number of shares of Sun Bancshares common stock issued and outstanding at the effective time of the merger. Sun Bancshares had 1,215,000 shares of common stock issued and outstanding as of both July 21, 2005 and September 15, 2005. Based upon the foregoing, Sun Bancshares' shareholders would receive \$3.60 cash and 0.464516 shares (a fixed exchange ratio) of SCBT Financial Corporation common stock for each of their issued and outstanding shares. Based on the closing price of SCBT Financial Corporation common stock of \$33.67 on July 21, 2005 (the date the merger was announced) and \$32.15 on September 15, 2005 (the most recent practicable trading date prior to the mailing of the proxy statement/prospectus), the value of the consideration, including cash and SCBT Financial Corporation common stock, to be received by each shareholder of Sun Bancshares would be approximately \$19.24 as of July 21, 2005 and \$18.53 as of September 15, 2005.

In addition, SCBT Financial Corporation will pay each holder of a Sun Bancshares option or warrant cash (without interest) equal to the amount by which, if any, \$18.00 (which was the value of consideration per share as calculated by SCBT Financial Corporation and Sun Bancshares at the time the merger was negotiated) exceeds the exercise price per share of Sun Bancshares common stock under such option or warrant less applicable taxes, if any, required to be withheld with respect to such payment. No consideration shall be paid with respect to any option or warrant, the exercise price of which equals or exceeds \$18.00.

SCBT Financial Corporation common stock is listed under the symbol SCBT on the Nasdaq National Market. Sun Bancshares common stock is quoted in the Pink Sheets.

YOUR VOTE IS VERY IMPORTANT. We cannot complete the merger unless, among other things, shareholders of at least a majority of the outstanding shares of Sun Bancshares approve the merger agreement. **Your board of directors has approved the merger agreement, including the transactions contemplated in that agreement, and recommends that you vote FOR approval of the merger proposal.**

Please carefully review and consider this proxy statement/prospectus which explains the merger proposal in detail, including the discussion under the heading Risk Factors beginning on page 12. It is important that your shares are represented at the meeting, whether or not you plan to attend. An abstention or a failure to vote will have the same effect as a vote against the merger. Accordingly, please complete, date, sign, and return promptly your proxy card in the enclosed envelope. You may attend the meeting and vote your shares in person if you wish, even if you have previously returned your proxy.

Sincerely,

Thomas Bouchette
President and Chief Executive Officer, Sun Bancshares, Inc.

QUESTIONS AND ANSWERS ABOUT THE MERGER

Q: What is the proposed transaction?

A: SCBT Financial Corporation will acquire Sun Bancshares through the merger of Sun Bancshares with and into SCBT Financial Corporation.

Q: What am I being asked to vote on and how does the board recommend that I vote?

A: You are being asked to vote FOR the approval of the Agreement and Plan of Merger dated as of July 21, 2005, providing for the merger of Sun Bancshares with and into SCBT Financial Corporation. The board of directors of Sun Bancshares determined that the proposed merger is in the best interests of Sun Bancshares shareholders, approved the merger agreement, and recommends that you vote FOR the approval of the merger. In addition, you are being asked to grant authority to the board of directors to adjourn the special meeting to allow time for further solicitation of proxies in the event there are insufficient votes present at the special meeting, in person or by proxy, to approve the merger.

Q: What will I receive in the merger?

A: In the merger, SCBT Financial Corporation will pay consideration of approximately \$4.4 million cash and 564,387 shares of SCBT Financial Corporation common stock for Sun Bancshares issued and outstanding shares of common stock. Each Sun Bancshares shareholder will receive cash and SCBT Financial Corporation common stock on a pro rata basis. The value of the consideration to be received by each Sun Bancshares shareholder will depend upon the value of the SCBT Financial Corporation common stock and the number of shares of Sun Bancshares common stock issued and outstanding at the effective time of the merger. Sun Bancshares had 1,215,000 shares of common stock issued and outstanding as of both July 21, 2005 and September 15, 2005. Based upon the foregoing, Sun Bancshares shareholders would receive \$3.60 cash and 0.464516 shares (a fixed exchange ratio) of SCBT Financial Corporation common stock for each of their issued and outstanding shares. Based on the closing price of SCBT Financial Corporation common stock of \$33.67 on July 21, 2005 (the date the merger was announced) and \$32.15 on September 15, 2005 (the most recent practicable trading date prior to the mailing of the proxy statement/prospectus), the value of the consideration, including cash and SCBT Financial Corporation common stock, to be received by each shareholder of Sun Bancshares would be approximately \$19.24 as of July 21, 2005 and \$18.53 as of September 15, 2005. In addition, SCBT Financial Corporation will pay each holder of a Sun Bancshares option or warrant cash (without interest) equal to the amount by which, if any, \$18.00 (which was the value of consideration per share as calculated by SCBT Financial Corporation and Sun Bancshares at the time the merger was negotiated) exceeds the exercise price per share of Sun Bancshares common stock under such option or warrant less applicable taxes, if any, required to be withheld with respect to such payment. No consideration shall be paid with respect to any option or warrant, the exercise price of which equals or exceeds \$18.00.

Q: Can I elect the type of consideration that I will receive in the merger?

A: No. Each Sun Bancshares shareholder will receive cash and shares of SCBT Financial Corporation common stock on a pro rata basis.

Q: Will Sun Bancshares shareholders be taxed on the cash and SCBT Financial Corporation common stock and cash that they receive in exchange for their Sun Bancshares shares?

A: We expect the merger to qualify as a reorganization for United States Federal income tax purposes. If the merger qualifies as a reorganization for United States Federal income tax purposes, Sun Bancshares shareholders will not recognize any gain or loss to the extent Sun Bancshares shareholders receive SCBT Financial Corporation

common stock in exchange for their Sun Bancshares shares. However, Sun Bancshares shareholders will recognize capital gain, but not loss, to the extent of the amount of cash received. We recommend that Sun Bancshares shareholders carefully read the complete explanation of the material United States federal income tax

1

consequences of the merger beginning on page 30, and that Sun Bancshares shareholders consult their tax advisors for a full understanding of the tax consequences of their participation in the merger.

Q: What should I do now?

A: After you have carefully read this document, please indicate on your proxy card how you want to vote, and then date, sign, and mail your proxy card in the enclosed envelope as soon as possible so that your shares will be represented at the meeting. If you date, sign, and send in a proxy card but do not indicate how you want to vote, your proxy will be voted in favor of the merger proposal.

Q: Why is my vote important?

A: The merger proposal must be approved by the holders of a majority of the outstanding shares entitled to vote at the Sun Bancshares special meeting. Accordingly, if a Sun Bancshares shareholder fails to vote on the merger, it will have the same effect as a vote against the merger proposal.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: Your broker will vote your shares on the merger proposal only if you provide instructions on how to vote. You should instruct your broker how to vote your shares following the directions your broker provides. Failure to instruct your broker how to vote your shares will be the equivalent of voting against the merger proposal.

Q: Can I change my vote after I have submitted my proxy?

A: Yes. There are three ways you can change your vote. First, you may send a written notice to the person to whom you submitted your proxy stating that you would like to revoke your proxy. Second, you may complete and submit a later-dated proxy with new voting instructions. The latest vote actually received by Sun Bancshares prior to the special meeting will be your vote. Any earlier votes will be revoked. Third, you may attend the special meeting and vote in person. Any earlier votes will be revoked. Simply attending the special meeting without voting, however, will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow the directions you will receive from your broker to change or revoke your proxy.

Q: Do I have the right to dissent and obtain the fair value for my shares?

A: Yes. If the merger is completed, you will have the right to dissent and receive the fair value of your shares in cash, but you must follow carefully the requirements of the South Carolina statutes which are attached as Appendix B to this proxy statement/prospectus, and should consult with your legal counsel. For a description of these requirements, see The Merger Rights of Dissenting Sun Bancshares Shareholders.

Q: Should I send in my stock certificates now?

A: No. You should not send in your stock certificates at this time. Promptly after the effective time of the merger, you will receive transmittal materials with instructions for surrendering your Sun Bancshares shares. **You should follow the instructions in the post-closing letter of transmittal regarding how and when to surrender your stock certificates.**

Q: When do you expect to complete the merger?

A: We presently expect to complete the merger in the fourth quarter of 2005. However, we cannot assure you when or if the merger will occur. We must first obtain the approval of Sun Bancshares' shareholders at the special meeting and the necessary regulatory approvals.

Q: Whom should I call with questions about the merger?

A: Sun Bancshares' shareholders may contact Randy L. Carmon, executive vice president and chief operating officer of SunBank, at (843) 652-7015. You can also find more information about Sun Bancshares and SCBT Financial Corporation from various sources described under **Additional Information** on the inside of the cover page of this proxy statement/prospectus and **Where You Can Find More Information** on page 72 of this proxy statement/prospectus.

The Merger (page 17)

The merger agreement is attached as Appendix A to this document. You should read the merger agreement because it is the legal document that governs the merger. The merger agreement provides for the merger of Sun Bancshares with and into SCBT Financial Corporation. The directors and officers of SCBT Financial Corporation in office immediately prior to the effective time of the merger, together with such additional persons as may thereafter be elected, will remain as the directors and officers of SCBT Financial Corporation after the effective time of the merger. In addition, Dalton B. Floyd, Jr., chairman of the board of directors of Sun Bancshares, will join the board of directors of SCBT Financial Corporation after the effective time of the merger.

SunBank will join SCBT Financial Corporation as its third subsidiary bank for a period of time that is expected to be no less than two years from and after the effective time of the merger. SunBank will retain its existing board of directors and senior management during this time. In addition, upon completion of the merger, John C. Pollok, a senior executive vice president and chief operating officer of SCBT Financial Corporation, will join the board of directors of SunBank effective as soon as practicable after the effective time of the merger.

As a result of the merger, SCBT Financial Corporation will pay consideration of approximately \$4.4 million cash and 564,387 shares of SCBT Financial Corporation common stock for Sun Bancshares issued and outstanding shares of common stock. Each Sun Bancshares shareholder will receive cash and

SCBT Financial Corporation common stock on a pro rata basis. The value of the consideration to be received by each Sun Bancshares shareholder will depend upon the value of the SCBT Financial Corporation common stock and the number of shares of Sun Bancshares common stock issued and outstanding at the effective time of the merger. Sun Bancshares had 1,215,000 shares of common stock issued and outstanding as of both July 21, 2005 and September 15, 2005. Based upon the foregoing, Sun Bancshares shareholders would receive \$3.60 cash and 0.464516 shares (a fixed exchange ratio) of SCBT Financial Corporation common stock for each of their issued and outstanding shares. Based on the closing price of SCBT Financial Corporation common stock of approximately \$33.67 on July 21, 2005 (the date the merger was announced) and \$32.15 on September 15, 2005 (the most recent practicable trading date prior to the mailing of the proxy statement/prospectus), the value of the consideration, including cash and SCBT Financial Corporation common stock, to be received by each shareholder of Sun Bancshares would be approximately \$19.24 as of July 21, 2005 and \$18.53 as of September 15, 2005.

In addition, SCBT Financial Corporation will pay each holder of a Sun Bancshares option or warrant cash (without interest) equal to the amount by which, if any, \$18.00 (which was the value of consideration per share as calculated by SCBT Financial Corporation and Sun Bancshares at the time the merger was negotiated) exceeds the exercise price per share of Sun Bancshares common stock under such option or warrant less applicable taxes, if any, required to be withheld with respect to such payment. No consideration will be paid with respect to any option or warrant, the exercise price of which equals or exceeds \$18.00.

Reasons for the Merger (page 19)

In reaching its decision to adopt and approve the merger agreement and recommend the merger to its shareholders, the Sun Bancshares board of directors consulted with Sun Bancshares management, as well as its legal and financial advisors, and considered a number of factors, including:

- The value of the consideration Sun Bancshares shareholders will receive relative to the book value and earnings per share of Sun Bancshares common stock;
- Certain information concerning the financial condition, results of operations, and business prospects of SCBT Financial Corporation;
- The financial terms of recent business combinations in the financial services industry and a comparison of the multiples of selected combinations with the terms of the merger;
- The probable increased ability of the combined institutions to compete in relevant banking and non-banking markets;
- The probable increased efficiency and profitability of SunBank resulting from economies of scale;
- The advantage to SunBank resulting from the increase in products and services to be offered by the combined organizations;
- The anticipated compatibility of management and business philosophy and the continued operation of SunBank as a subsidiary of SCBT Financial Corporation;
- The fixed nature of the exchange ratio and the possibility that if the market price of SCBT Financial Corporation common stock increases prior to completion of the merger the value to be received by Sun Bancshares shareholders will also increase;
- The projected positive value of SCBT Financial Corporation's shares offered to Sun Bancshares shareholders in relation to the estimated market value, book value, and earnings per share of Sun Bancshares common stock;
- The information regarding historical market prices and information of SCBT Financial Corporation common stock, and the financial performance and condition, assets, liabilities, business operations, capital levels, and prospects of each of Sun Bancshares and SCBT Financial Corporation and their superior potential future values on a combined basis as compared to the potential future values of Sun Bancshares;

- The alternatives to the merger, including remaining an independent institution;
- The competitive and regulatory environment for financial institutions generally;
- The fact that the merger will enable Sun Bancshares' shareholders to exchange their shares of common stock, in a partially tax-free transaction, for cash and shares of common stock of a larger company, the stock of which is more widely held and more liquid than that of Sun Bancshares; and
- The Orr Group, LLC's opinion that the consideration Sun Bancshares' shareholders will receive as a result of the merger is fair from a financial point of view.

In addition, Sun Bancshares' board knew and considered the financial interests of certain Sun Bancshares directors and executives when it approved the merger agreement. These financial interests are addressed in greater detail under the heading "The Merger - Interests of Directors and Officers of Sun Bancshares that Differ from Your Interests."

Regulatory Approvals (page 35)

We cannot complete our merger unless we obtain the approval of the Board of Governors of the Federal Reserve System and the South Carolina State Board of Financial Institutions. As of the date of this document, we have not yet received the required regulatory approvals. Although we expect to obtain the necessary approvals in a timely manner, we cannot be certain when, or if, they will be received.

Sun Bancshares' Shareholders' Meeting (page 14)

Sun Bancshares will hold its shareholders' special meeting on October 20, 2005, at 4 p.m., local time, at in the Community Room on the second floor of SunBank's Murrells Inlet location at 4210 Highway 17 Bypass. At the special meeting, Sun Bancshares' shareholders will be asked to vote to approve the merger proposal and the proposal to authorize the board of directors to adjourn the special meeting to allow time for further solicitation of proxies in the event there are insufficient votes at the special meeting, in person or by proxy, to approve the merger proposal.

Sun Bancshares' Shareholders' Meeting Record Date and Voting (page 14)

If you owned shares of Sun Bancshares at the close of business on September 15, 2005, the record date, you are entitled to vote on the merger proposal, as well as any other matters considered at the meeting. On the record date, there were 1,215,000 shares of Sun Bancshares stock outstanding. You will have one vote at the meeting for each share of Sun Bancshares stock you owned on the record date. The affirmative vote of the holders of at least a majority of Sun Bancshares outstanding shares of common stock is required to approve the merger proposal. As of August 15, 2005, Sun Bancshares' current directors, executive officers, and their affiliates beneficially owned approximately 31.5% of the outstanding shares of Sun Bancshares common stock. Each of Sun Bancshares directors and executive officers has agreed, subject to several conditions, to vote his or her shares of Sun Bancshares common stock in favor of the merger proposal.

The Board of Directors of Sun Bancshares Recommends Shareholder Approval (page 16)

The board of directors of Sun Bancshares has approved the merger proposal, believes that the merger proposal is in the best interest of Sun Bancshares and its shareholders, and recommends that the shareholders vote **FOR** approval of the merger proposal.

The Financial Advisor for Sun Bancshares Believes the Merger Proposal Consideration is Fair to Sun Bancshares' Shareholders (page 20)

The Orr Group, LLC has served as financial advisor to Sun Bancshares in connection with the merger proposal and has given an opinion to the Sun Bancshares board of directors that, as of July 18, 2005, the

date the Sun Bancshares board of directors voted on the merger proposal, the consideration SCBT Financial Corporation will pay for the Sun Bancshares common stock is fair to Sun Bancshares shareholders from a financial point of view. A copy of the opinion delivered by The Orr Group, LLC is attached to this proxy statement/prospectus as Appendix C. Sun Bancshares shareholders should read the opinion completely to understand the assumptions made, matters considered, and limitations of the review undertaken by The Orr Group, LLC in providing its opinion.

Interests of Directors and Officers of Sun Bancshares that Differ from Your Interests (page 32)

When considering the recommendations of the Sun Bancshares board of directors, you should be aware that some directors and officers have interests in the merger proposal that differ from the interests of other shareholders, including the following:

- Following the merger, Dalton B. Floyd, Jr., chairman of the board of directors of Sun Bancshares, will join the board of directors of SCBT Financial Corporation;
- Following the merger, Thomas Bouchette will remain as president and chief executive officer of SunBank, as long as SunBank operates as a separate wholly owned subsidiary of SCBT Financial Corporation and thereafter as a regional president of South Carolina Bank and Trust, N.A. or in such other comparable senior executive office with similar authority as may be designated by the board of directors of SCBT Financial Corporation or South Carolina Bank and Trust, N.A. or their respective chief executive officers, pursuant to an employment agreement executed in connection with the merger;
- Thomas Bouchette will also receive a payment of \$300,000 in connection with the termination of his existing employment agreement with Sun Bancshares and the execution of a new noncompete agreement with SCBT Financial Corporation;
- Randy Carmon will receive a payment of \$100,000 in connection with the termination of his existing employment agreement with Sun Bancshares;
- In connection with the merger, SCBT Financial Corporation will pay each holder of a Sun Bancshares option cash equal to the amount by which, if any, \$18.00 exceeds the exercise price per share of Sun Bancshares common stock under such option. Officers of Sun Bancshares hold options to acquire approximately 77,750 shares of Sun Bancshares and therefore will be entitled to receive cash in an aggregate amount of approximately \$565,750 in exchange for such options.
- In connection with the merger, SCBT Financial Corporation will pay each holder of a Sun Bancshares warrant cash equal to the amount by which, if any, \$18.00 exceeds the exercise price per share of Sun Bancshares common stock under such warrant. Directors of Sun Bancshares hold warrants to acquire approximately 286,850 shares of Sun Bancshares and therefore will be entitled to receive cash in an aggregate amount of approximately \$2,294,800 in exchange for such warrants.
- Following the merger, SCBT Financial Corporation will generally indemnify and provide liability insurance for up to six years following the merger to the present directors and officers of Sun Bancshares and SunBank, subject to certain exceptions.

Each board member was aware of these and other interests and considered them before approving and adopting the merger proposal.

Federal Income Tax Consequences (page 30)

We have structured the merger so that it will be considered a reorganization for United States federal income tax purposes. If the merger is a reorganization for United States federal income tax purposes, Sun Bancshares shareholders generally will not recognize any gain or loss on the exchange of shares of Sun

Bancshares common stock for shares of SCBT Financial Corporation common stock. However, Sun Bancshares' shareholders will recognize gain, but not loss, for federal income tax purposes, to the extent of the cash they receive in the exchange. Such gain or loss will be a capital gain or loss, provided that such shares were held as capital assets of the Sun Bancshares shareholder at the effective time of the merger. Determining the actual tax consequences of the merger to a Sun Bancshares shareholder may be complex. These tax consequences will depend on each shareholder's specific situation and on factors not within our control. Sun Bancshares' shareholders should consult their own tax advisors for a full understanding of the tax consequences of their participation in the merger.

Comparative Rights of Shareholders (page 44)

The rights of Sun Bancshares' shareholders are currently governed by South Carolina corporate law and Sun Bancshares' articles of incorporation and bylaws. The rights of SCBT Financial Corporation shareholders are currently governed by South Carolina corporate law and SCBT Financial Corporation's articles of incorporation and bylaws. Upon consummation of the merger, the shareholders of Sun Bancshares will become shareholders of SCBT Financial Corporation and the articles of incorporation and bylaws of SCBT Financial Corporation will govern their rights. SCBT Financial Corporation's articles of incorporation and bylaws differ somewhat from those of Sun Bancshares.

Termination of the Merger Agreement (page 36)

Notwithstanding the approval of the merger proposal by Sun Bancshares' shareholders, Sun Bancshares and SCBT Financial Corporation can mutually agree at any time to terminate the merger agreement before completing the merger.

Either Sun Bancshares or SCBT Financial Corporation can also terminate the merger agreement:

- If the other party materially violates any of its representations or warranties under the merger agreement and fails to cure the violation;
- If required regulatory approval is denied by final nonappealable action of such regulatory authority or if any action taken by such authority is not appealed within the time limit for appeal;
- If any law or order permanently restraining, enjoining, or otherwise prohibiting the consummation of the merger shall have become final and nonappealable;
- If Sun Bancshares shareholder approval is not obtained at the special meeting; or
- If we do not complete the merger by March 31, 2006.

SCBT Financial Corporation can also terminate the merger agreement:

- If the Sun Bancshares board of directors fails to reaffirm its approval upon SCBT Financial Corporation's request for such reaffirmation of the merger or if the Sun Bancshares board of directors resolves not to reaffirm the merger;
- If the Sun Bancshares board of directors withdraws, qualifies, modifies, or proposes publicly to withdraw, qualify, or modify, in a manner adverse to SCBT Financial Corporation, its recommendation that the shareholders approve the merger;
- If the Sun Bancshares board of directors affirms, recommends, or authorizes entering into any acquisition transaction other than the merger or, within 10 business days after commencement of any tender or exchange offer for any shares of its common stock, the Sun Bancshares board of directors fails to recommend against acceptance of such tender or exchange offer or takes no position with respect to such tender or exchange offer; or

- If the Sun Bancshares board of directors negotiates or authorizes the conduct of negotiations (and five business days have elapsed without such negotiations being discontinued) with a third party regarding an acquisition proposal other than the merger.

Sun Bancshares can also terminate the merger agreement, provided that it is not in material breach of any representation, warranty, or covenant, or other agreement in the merger agreement, if, prior to the adoption of the merger agreement by the shareholders at the special meeting, the Sun Bancshares board of directors has (x) withdrawn or modified or changed its recommendation or approval of the merger agreement in a manner adverse to SCBT Financial Corporation in order to approve and permit Sun Bancshares to accept a superior proposal and (y) determined, after consultation with and the receipt of advice from outside legal counsel to Sun Bancshares, that the failure to take such action would be likely to result in a breach of the board of directors' fiduciary duties under applicable law.

Sun Bancshares Must Pay SCBT Financial Corporation a Termination Fee Under Certain Circumstances (page 40)

The merger agreement provides for the payment of a \$1 million termination fee by Sun Bancshares to SCBT Financial Corporation in certain cases. Generally, Sun Bancshares would have to pay the termination fee if Sun Bancshares terminates the merger agreement in order to accept a superior proposal subject to certain conditions. Sun Bancshares would also have to pay the termination fee if SCBT Financial Corporation terminates the merger agreement because:

- The Sun Bancshares board of directors fails to reaffirm its approval upon SCBT Financial Corporation's request for such reaffirmation of the merger or the Sun Bancshares board of directors resolves not to reaffirm the merger;
- The Sun Bancshares board of directors fails to include in the proxy statement its recommendation, without modification or qualification, that the shareholders approve the merger or the Sun Bancshares board of directors withdraws, qualifies, modifies, or proposes publicly to withdraw, qualify, or modify, in a manner adverse to SCBT Financial Corporation, the recommendation that the shareholders approve the merger;
- The Sun Bancshares board of directors affirms, recommends, or authorizes entering into any acquisition transaction other than the merger or, within 10 business days after commencement of any tender or exchange offer for any shares of its common stock, the Sun Bancshares board of directors fails to recommend against acceptance of such tender or exchange offer or takes no position with respect to such tender or exchange offer; or
- The Sun Bancshares board of directors negotiates or authorizes the conduct of negotiations (and five business days have elapsed without such negotiations being discontinued) with a third party regarding an acquisition proposal other than the merger.

Sun Bancshares agreed to this termination fee arrangement in order to induce SCBT Financial Corporation to enter into the merger agreement. This arrangement could have the effect of discouraging other companies from trying to acquire Sun Bancshares.

Dissenters' and Appraisal Rights (page 41)

South Carolina law permits Sun Bancshares' shareholders to dissent from the approval of the merger proposal and to have the fair value of their Sun Bancshares shares paid to them in cash. To do this, Sun Bancshares' shareholders must follow specific procedures, including filing a written notice with Sun Bancshares prior to the shareholder vote on the merger proposal. If you follow the required procedures, your only right will be to receive the fair value of your common stock in cash. Copies of the applicable South Carolina statutes are attached to this document as Appendix B.

The Merger is Expected to Occur in the Fourth Quarter of 2005

The merger will occur shortly after all of the conditions to its completion have been satisfied or waived. Currently, we anticipate that the merger will occur in the fourth quarter of 2005. However, we cannot assure you when or if the merger will occur. We must first obtain the approval of the Sun Bancshares shareholders at the special meeting and all the necessary regulatory approvals.

Accounting Treatment (page 41)

The merger will be accounted for using the purchase method of accounting, with SCBT Financial Corporation being treated as the acquiring entity for accounting purposes. Under the purchase method of accounting, the assets and liabilities of Sun Bancshares as of the effective time of the merger will be recorded at their respective fair values and added to those of SCBT Financial Corporation.

Completion of the Merger is Subject to Certain Conditions (page 34)

Completion of the merger is subject to a number of conditions, including the approval of the merger proposal by Sun Bancshares shareholders and the receipt of all the regulatory consents and approvals that are necessary to permit the completion of the merger. Certain conditions to the merger may be waived by SCBT Financial Corporation or Sun Bancshares, as applicable.

Comparative Market Value of Securities

The following table sets forth the closing price per share of SCBT Financial Corporation common stock and the closing price per share of Sun Bancshares on July 21, 2005 (the last business day preceding the public announcement of the merger) and September 15, 2005 (the most recent practicable trading date prior to the mailing the proxy statement/prospectus). The table also presents the equivalent market value per share of Sun Bancshares common stock assuming that the consideration for the transaction is 0.464516 of a share of SCBT common stock and \$3.60 in cash for each share outstanding of Sun Bancshares common stock. You are urged to obtain current market quotations for shares of SCBT Financial Corporation and Sun Bancshares common stock before making a decision with respect to the merger.

	SCBT Financial Corporation Common Stock	Sun Bancshares Common Stock	Equivalent Price Per Share of Sun Bancshares Common Stock(1)
July 21, 2005	\$ 33.67	\$ 17.00	\$ 19.24
September 15, 2005	\$32.15	\$18.35	\$18.53

(1) The equivalent prices per share of Sun Bancshares common stock have been calculated by multiplying the closing price per share of SCBT Financial Corporation common stock on each of the two dates by the exchange ratio of 0.464516 and adding \$3.60.

Because the exchange ratio is fixed and because the market price of SCBT Financial Corporation common stock is subject to fluctuation, the market value of the shares of SCBT Financial Corporation common stock that you may receive in the merger may increase or decrease prior to and following the merger. You are urged to obtain current market quotations for SCBT Financial Corporation common stock.

RISK FACTORS

If the merger is consummated, you will receive shares of SCBT Financial Corporation common stock in exchange for your shares of Sun Bancshares common stock. An investment in SCBT Financial Corporation common stock is subject to a number of risks and uncertainties, many of which also apply to your existing investment in Sun Bancshares common stock. Risks and uncertainties relating to general economic conditions are not summarized below. Those risks, among others, are highlighted on page 13 under the heading "A Warning About Forward-Looking Statements."

However, there are a number of other risks and uncertainties relating to SCBT Financial Corporation and your decision on the merger proposal that you should consider in addition to the risks and uncertainties associated with financial institutions generally. Many of these risks and uncertainties could affect SCBT Financial Corporation's future financial results and may cause SCBT Financial Corporation's future earnings and financial condition to be less favorable than SCBT Financial Corporation's expectations. This section summarizes those risks.

You will experience a substantial reduction in percentage ownership and voting power with respect to your shares as a result of the merger.

Sun Bancshares' shareholders will experience a substantial reduction in their respective percentage ownership interests and effective voting power through their stock ownership in SCBT Financial Corporation relative to their percentage ownership interest in Sun Bancshares prior to the merger. If the merger is consummated, current Sun Bancshares' shareholders will own approximately 6.54% of SCBT Financial Corporation outstanding common stock, on a fully diluted basis, based on SCBT Financial Corporation outstanding common stock as of June 30, 2005. Accordingly, even if they were to vote as a group, current Sun Bancshares' shareholders could be outvoted by other SCBT Financial Corporation shareholders.

If SCBT Financial Corporation does not successfully integrate the operations of SunBank, it may not realize all of the expected benefits from the merger.

SCBT Financial Corporation's ability to achieve fully the expected benefits of the merger depends on its successful integration of Sun Bancshares. There is a risk that integrating SunBank into SCBT Financial Corporation's existing operations may take a greater amount of resources and time than we expect. Further, SunBank is expected to operate as a separate subsidiary of SCBT Financial Corporation for two years following the merger. Although we believe that doing this will assist us in retaining Sun Bancshares' key customers, it will also result in greater operating costs for us. Accordingly, there is a risk that the anticipated benefits may not be realized or that they may be less than we expect if we are unable to integrate in a timely manner, fail to realize cost savings from the merger, or disrupt customer relationships.

A WARNING ABOUT FORWARD-LOOKING STATEMENTS

This proxy statement/prospectus, including information included or incorporated by reference in this document, contains forward-looking statements with respect to the financial condition, results of operations, plans, objectives, future performance, and business of each of SCBT Financial Corporation and Sun Bancshares, as well as information relating to the merger. These statements are preceded by, followed by, or include the words believes, expects, anticipates, or estimates, or similar expressions. **Many possible events or factors could affect our future financial results and performance. This could cause our results or performance to differ materially from those expressed in our forward-looking statements. You should consider these important factors when you vote on the merger.** Factors that may cause actual results to differ materially from those contemplated by our forward-looking statements include the following:

- our operating costs after the merger may be greater than expected, and our cost savings from the merger may be less than expected, or we may be unable to obtain those cost savings as soon as expected;
- we may be unable to successfully integrate Sun Bancshares or we may have more trouble integrating acquired businesses than we expected;
- we could lose our key personnel, including the Sun Bancshares personnel we will employ as a result of the merger, or spend a greater amount of resources attracting, retaining, and motivating them than we have in the past;
- competition among depository and other financial institutions may increase significantly;
- changes in the interest rate environment may reduce operating margins;
- general economic conditions, either nationally or in South Carolina, may be less favorable than expected resulting in, among other things, a deterioration in credit quality and an increase in credit risk-related losses and expenses;
- loan losses may exceed the level of allowance for loan losses of the combined company;
- the rate of delinquencies and amount of charge-offs may be greater than expected;
- the rates of loan growth may not increase as expected; and
- legislative or regulatory changes may adversely affect our businesses.

We have based our forward-looking statements on our current expectations about future events. Although we believe that the expectations reflected in our forward-looking statements are reasonable, we cannot guarantee you that these expectations actually will be achieved. We are under no duty to update any of the forward-looking statements after the date of this proxy statement/prospectus to conform those statements to actual results. In evaluating these statements, you should consider various factors, including the risks outlined in the section entitled Risk Factors, beginning on page 12. You should also consider the cautionary statements contained in SCBT Financial Corporation's filings with the Securities and Exchange Commission.

THE SPECIAL MEETING

General

The Sun Bancshares board of directors is providing this proxy statement/prospectus to you in connection with its solicitation of proxies for use at the special meeting of Sun Bancshares shareholders and at any adjournments or postponements of the special meeting.

SCBT Financial Corporation is also providing this proxy statement/prospectus to you as a prospectus in connection with the offer and sale by SCBT Financial Corporation of shares of its common stock to shareholders of Sun Bancshares in the merger.

Your vote is important. Please complete, date, and sign the enclosed proxy card and return it in the postage prepaid envelope provided. If your shares are held in street name, you should instruct your broker how to vote by following the directions provided by your broker.

Meeting Date, Time, and Place and Record Date

Sun Bancshares will hold the special meeting on October 20, 2005, at 4 p.m. local time, in the Community Room on the second floor of SunBank's Murrells Inlet location at 4210 Highway 17 Bypass. At the special meeting (and any adjournment or postponement of the meeting), holders of Sun Bancshares common stock will be asked to consider and vote upon a proposal to approve the merger agreement and a proposal to authorize the board of directors to adjourn the special meeting to allow for time for further solicitation of proxies in the event there are insufficient votes present at the special meeting, in person or by proxy, to approve the merger agreement. Only holders of Sun Bancshares common stock of record at the close of business on September 15, 2005, the record date, will be entitled to receive notice of and to vote at the special meeting. As of the record date, there were 1,215,000 shares of Sun Bancshares common stock outstanding and entitled to vote, with each such share entitled to one vote.

Matters to be Considered

At the special meeting, Sun Bancshares shareholders will be asked to approve the Agreement and Plan of Merger, dated as of July 21, 2005, by and between Sun Bancshares and SCBT Financial Corporation and to authorize the board of directors to adjourn the special meeting to allow time for further solicitation of proxies in the event there are insufficient votes present at the special meeting, in person or by proxy, to approve the Agreement and Plan of Merger. Under the merger agreement, Sun Bancshares will merge with and into SCBT Financial Corporation and shares of Sun Bancshares common stock will be converted into the right to receive a combination of cash and shares of SCBT Financial Corporation common stock as described in this document. Finally, Sun Bancshares shareholders may also be asked to consider any other business that properly comes before the special meeting. Each copy of this proxy statement/prospectus mailed to Sun Bancshares shareholders is accompanied by a proxy card for use at the special meeting.

Vote Required

Approval of the merger proposal requires the affirmative vote of holders of a majority of all shares entitled to vote at the Sun Bancshares special meeting. Approval of the proposal to authorize adjournment requires that the number of votes cast in favor of the proposal exceed the number of votes cast against the proposal. On the record date, there were approximately 1,215,000 outstanding shares of Sun Bancshares common stock, each of which is entitled to one vote at the special meeting. On that date, the directors and executive officers of Sun Bancshares and their affiliates beneficially owned a total of approximately 31.5% of the outstanding shares of Sun Bancshares common stock. Each of Sun Bancshares directors and executive officers has agreed, subject to several conditions, to vote his or her shares of Sun Bancshares

common stock in favor of the merger agreement. The presence, in person or by proxy, of shares of Sun Bancshares common stock representing a majority of Sun Bancshares outstanding shares entitled to vote at the special meeting is necessary in order for there to be a quorum at the special meeting. A quorum must be present in order for the vote on the merger agreement and vote on the authorization to adjourn to occur. If there is no quorum present at the opening of the meeting, the special meeting may be adjourned by the vote of a majority of shares voting on the motion to adjourn.

Voting of Proxies

Shares of common stock represented by properly executed proxies received at or prior to the Sun Bancshares special meeting will be voted at the special meeting in the manner specified by the holders of such shares. Properly executed proxies which do not contain voting instructions will be voted **FOR** approval of the merger agreement and of the proposal to authorize adjournment.

Any shareholder present in person or by proxy (including broker non-votes, which generally occur when a broker who holds shares in street name for a customer does not have the authority to vote on certain non-routine matters because its customer has not provided any voting instructions with respect to the matter) at the special meeting who abstains from voting will be counted for purposes of determining whether a quorum exists.

Because approval of the merger proposal requires the affirmative vote of the holders of a majority of all shares entitled to vote at the Sun Bancshares special meeting, abstentions and broker non-votes will have the same effect as negative votes. Accordingly, the Sun Bancshares board of directors urges its shareholders to complete, date, and sign the accompanying proxy card and return it promptly in the enclosed, postage-paid envelope.

Revocability of Proxies

The grant of a proxy on the enclosed proxy card does not preclude you from voting in person or otherwise revoking a proxy. There are three ways you can change your vote. First, you may send a written notice to the person to whom you submitted your proxy stating that you would like to revoke your proxy. Second, you may complete and submit a later dated proxy with new voting instructions. The latest vote actually received by Sun Bancshares prior to the special meeting will be your vote. Any earlier votes will be revoked. Third, you may attend the special meeting and vote in person. Any earlier votes will be revoked. Simply attending the special meeting without voting, however, will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow the directions you will receive from your broker to change or revoke your proxy.

Solicitation of Proxies

Sun Bancshares will pay all of the costs of printing the registration statement and this proxy statement/prospectus and of soliciting proxies in connection with the special meeting, except that SCBT Financial Corporation will pay the costs of filing the registration statement with the SEC, of which this proxy statement/prospectus is a part. Solicitation of proxies may be made in person or by mail, telephone, or facsimile, or other form of communication by directors, officers, and employees of Sun Bancshares who will not be specially compensated for such solicitation. Nominees, fiduciaries, and other custodians will be requested to forward solicitation materials to beneficial owners and to secure their voting instructions, if necessary, and will be reimbursed for the expenses incurred in sending proxy materials to beneficial owners.

No person is authorized to give any information or to make any representation not contained in this proxy statement/prospectus and, if given or made, such information or representation should not be relied upon as having been authorized by Sun Bancshares, SCBT Financial Corporation, or any other person.

The delivery of this proxy statement/prospectus does not, under any circumstances, create any implication that there has been no change in the business or affairs of Sun Bancshares or SCBT Financial Corporation since the date of the proxy statement/prospectus.

Authorization to Vote on Adjournment

At the special meeting, you are being asked to grant authority to the board of directors to adjourn the special meeting to allow time for further solicitation of proxies in the event there are insufficient votes present at the special meeting, in person or by proxy, to approve the Agreement and Plan of Merger. If you do not specify whether authority is granted or withheld, the proxy will be voted to grant authority to adjourn. Sun Bancshares has no plans to adjourn the special meeting at this time, but intends to do so, if needed, to promote shareholder interests. The board of directors of Sun Bancshares unanimously recommends that shareholders grant authority to the proxies to vote on adjournment at the special meeting.

Recommendation of the Board of Directors

The Sun Bancshares board of directors has determined that the merger proposal and the transactions contemplated thereby are in the best interests of Sun Bancshares and its shareholders. The members of the Sun Bancshares board of directors unanimously recommend that the Sun Bancshares shareholders vote at the special meeting to approve the merger proposal.

In the course of reaching its decision to approve the merger proposal and the transactions contemplated thereby, the Sun Bancshares board of directors, among other things, consulted with its legal advisors, Powell Goldstein LLP, regarding the legal terms of the merger agreement and with its financial advisor, The Orr Group, LLC, as to the fairness, from a financial point of view, of the consideration to be received by the holders of Sun Bancshares common stock in the merger. For a discussion of the factors considered by the Sun Bancshares board of directors in reaching its conclusion, see *The Merger Sun Bancshares Reasons for the Merger* and *The Merger Opinion of Sun Bancshares Financial Advisor*.

Sun Bancshares shareholders should note that Sun Bancshares directors and officers have certain interests in, and may derive benefits as a result of, the merger that are in addition to their interests as shareholders of Sun Bancshares. See *The Merger Interests of Directors and Officers of Sun Bancshares that Differ from Your Interests*.

PROPOSAL NO. 1 THE MERGER

The descriptions of the terms and conditions of the merger proposal, the merger agreement, and any related documents in this proxy statement/prospectus are qualified in their entirety by reference to the copy of the merger agreement attached as Appendix A to this proxy statement/prospectus, to the registration statement, of which this proxy statement/prospectus is a part, and to the exhibits to the registration statement.

Structure of the Merger

The merger agreement provides for the merger of Sun Bancshares with and into SCBT Financial Corporation. SCBT Financial Corporation will be the surviving corporation in the merger. SunBank, a wholly owned subsidiary of Sun Bancshares, will become a wholly owned subsidiary of SCBT Financial Corporation following the merger. Each share of Sun Bancshares common stock issued and outstanding at the effective time of the merger will be converted into cash and shares of SCBT Financial Corporation common stock, as described below. Upon completion of the merger, Dalton B. Floyd, Jr., chairman of the board of directors of Sun Bancshares, will join the board of directors of SCBT Financial Corporation.

SunBank will join SCBT Financial Corporation as its third subsidiary bank for a period of time that is expected to be no less than two years from and after the effective time of the merger. SunBank will retain its existing board of directors and senior management during this time. In addition, upon completion of the merger, John C. Pollok, a senior executive vice president and chief operating officer of SCBT Financial Corporation, will join the board of directors of SunBank.

Background of the Merger

The Sun Bancshares board of directors believes that its primary responsibility is to increase shareholder value. Although the board of directors believes that Sun Bancshares has enjoyed strong performance since SunBank opened, the Sun Bancshares board of directors believes that a strategic merger with a larger bank with greater stock liquidity would enhance the value of its shareholders' investment in Sun Bancshares.

Discussions regarding the future of SunBank with respect to a possible merger versus remaining independent began in the summer of 2004 with informal discussions with a few other financial institutions. Although the board never chose to actively pursue any merger or acquisition negotiations, they were cognizant of their fiduciary responsibility to be informed of not only their responsibilities, but to further their education on bank valuations. A strategic planning session was held on September 10, 2004.

As a follow-up to the strategic planning session, at the September 13, 2004 executive committee meeting, the board discussed options presented by a representative of The Bankers Bank, a company headquartered in Georgia that provides correspondent and advisory services to many community banks, to the board for growth and future long term plans to maximize shareholder value. These options included:

- Continue as an independent bank and focus on the earning potential of the bank in a thriving growth market.
- Merge with another community bank, while retaining SunBank's independent status, but take advantage of efficiencies created in combination with a larger organization.
- Become an acquisition of a larger bank.
- Enter into a merger of equals.
- Consider offers of purchase by investors.

During the September 13, 2004 executive committee meeting, chairman of the board Dalton Floyd stated several banks, including SCBT Financial Corporation, had in recent months contacted either

president Thomas Bouchette or him regarding a potential merger. Discussion ensued regarding various benefits and risks associated with a merger or sale and how it would impact shareholders on a short term and long term basis. Cognizant of the board's fiduciary responsibility to maximize shareholder value, the committee agreed, at that time, that any merger or acquisition discussions were premature and long term shareholder value would be maximized through growth in the foreseeable future as a profitable independent community bank. Discussion continued, involving the full board in future executive sessions, to develop a position statement for management when approached by other banks.

In the spring of 2005, SunBank was approached again by several financial institutions regarding the possibility of a merger. As the five year anniversary of SunBank approached along with the pending renewal of its data processing contract with FiServ, the board recognized their fiduciary responsibility to make any long term decisions after considering all options with regard to maximizing shareholder value. A board meeting was called on March 3, 2005 after discussions were held with four interested institutions, including SCBT Financial Corporation.

At the March 3, 2005 board meeting, Mr. Bouchette reviewed with the board details of proposals from four interested financial institutions. A bank headquartered in North Carolina (the North Carolina bank) had presented an oral proposal of merger to Sun Bancshares. Mr. Bouchette provided the board with details of the North Carolina bank including offices, financial performance and the potential for growth combining the two institutions within one holding company. Mr. Bouchette also presented an oral proposal from a bank headquartered in South Carolina (the South Carolina bank) for a stock transaction. A third offer had also been received from SCBT Financial Corporation. Mr. Bouchette also informed the board that a fourth bank had expressed interest, but had not at that time made an offer.

Also at the March 3, 2005 board meeting, a representative of The Bankers Bank delivered a presentation on its evaluation of Sun Bancshares strategic plan in light of the current merger and acquisition environment. The representative of The Bankers Bank provided the board with earnings projections over a five-year period comparing various options, namely proposals from interested financial institutions as compared to remaining independent. The board discussed the impact of a stock sale versus a cash plus stock consideration scenario, the impact of the various options on the SunBank staff, and the future growth of the organization both as an independent bank and as part of a larger organization.

Mr. Bouchette engaged The Orr Group, LLC to assist with evaluating any offers received. At a March 14, 2005 board meeting, a representative of The Orr Group, LLC began a review of the proposal from the North Carolina bank. At a special meeting of the board on April 11, 2005, Mr. Bouchette informed the board that the investment banking firm representing the North Carolina bank could not render a fairness opinion for the agreed upon purchase price. Upon further discussion at the meeting, the board unanimously decided it would not be in the best interests of the shareholders to pursue further negotiations with the North Carolina bank.

After discussions were discontinued with the North Carolina bank, Robert R. Hill, Jr., president and chief executive officer of SCBT Financial Corporation, again approached Mr. Bouchette. Subsequent negotiations and meetings were presented to the Sun Bancshares board at a June 13, 2005 board meeting. At that meeting, chairman Floyd announced that the purpose of the meeting was to present a proposal for merger with SCBT Financial Corporation and introduced SCBT Financial Corporation chairman Robert Horgler, SCBT Financial Corporation chief executive officer Robert Hill, and SCBT Financial Corporation chief operating officer John Pollok, to provide summaries of their opinions of SCBT Financial Corporation. At that meeting, the board agreed that it would be in the best interests of Sun Bancshares' shareholders to proceed with the merger discussion with SCBT Financial Corporation and that a larger organization would benefit its customers. Between June 13, 2005 and July 11, 2005, SCBT Financial Corporation conducted a due diligence review of and continued to analyze Sun Bancshares. At a July 11,

2005 Sun Bancshares board meeting, Mr. Bouchette updated the board on merger negotiations and on SCBT Financial Corporation's due diligence review of the company.

After that meeting, the executive committee of Sun Bancshares met several times to discuss the merits of a strategic business combination and to discuss the possible financial terms of such a transaction. In mid-July 2005, SCBT Financial Corporation provided Sun Bancshares and the executive committee with an updated outline of the terms under which SCBT Financial Corporation would be willing to acquire Sun Bancshares.

The Sun Bancshares board of directors met on July 18, 2005 to discuss the terms of a proposed Agreement and Plan of Merger. A representative of Powell Goldstein LLP, attorneys representing Sun Bancshares, and a representative of The Orr Group, LLC were also present at the meeting. The representative from Powell Goldstein reviewed and discussed with the board the terms of the proposed merger agreement, and the representative of The Orr Group delivered and described that firm's opinion that, as of the date of the meeting, Sun Bancshares' shareholders would receive fair consideration, from a financial point of view, from SCBT Financial Corporation. After full consideration and discussion of the structure, terms and conditions of the proposed merger, the Sun Bancshares board of directors approved the Agreement and Plan of Merger substantially in the form reviewed by the board at that meeting and authorized Sun Bancshares' management to finalize negotiation of a definitive merger agreement with SCBT Financial Corporation, to execute the merger agreement, and take such further action as necessary to consummate the merger, subject to regulatory and shareholder approval.

Sun Bancshares and SCBT Financial Corporation executed the merger agreement on July 21, 2005.

Sun Bancshares and SCBT Financial Corporation issued a joint press release on July 22, 2005 announcing the transaction.

Sun Bancshares' Reasons for the Merger

In reaching its decision to adopt and approve the merger agreement and recommend the merger to its shareholders, the Sun Bancshares board of directors consulted with Sun Bancshares management, as well as its legal and financial advisors, and considered a number of factors, including:

- The value of the consideration Sun Bancshares' shareholders will receive relative to the book value and earnings per share of Sun Bancshares common stock;
- Certain information concerning the financial condition, results of operations and business prospects of SCBT Financial Corporation;
- The financial terms of recent business combinations in the financial services industry and a comparison of the multiples of selected combinations with the terms of the merger;
- The probable increased ability of the combined institutions to compete in relevant banking and non-banking markets;
- The probable increased efficiency and profitability of SunBank resulting from economies of scale;
- The advantage to SunBank resulting from the increase in products and services to be offered by the combined organizations;
- The anticipated compatibility of management and business philosophy and the continued operation of SunBank as a subsidiary of SCBT Financial Corporation;
- The fixed nature of the exchange ratio and the possibility that if the market price of SCBT Financial Corporation common stock increases prior to completion of the merger the value to be received by Sun Bancshares' shareholders will also increase;

- The projected positive value of SCBT Financial Corporation's shares offered to Sun Bancshares' shareholders in relation to the estimated market value, book value and earnings per share of Sun Bancshares common stock;
- The information regarding historical market prices and information of SCBT Financial Corporation common stock, and the financial performance and condition, assets, liabilities, business operations, capital levels and prospects of each of Sun Bancshares and SCBT Financial Corporation and their superior potential future values on a combined basis as compared to the potential future values of Sun Bancshares;
- The alternatives to the merger, including remaining an independent institution;
- The competitive and regulatory environment for financial institutions generally;
- The fact that the merger will enable Sun Bancshares' shareholders to exchange their shares of common stock, in a partially tax-free transaction, for cash and shares of common stock of a larger company, the stock of which is more widely held and more liquid than that of Sun Bancshares; and
- The Orr Group, LLC's opinion that the consideration Sun Bancshares' shareholders will receive as a result of the merger is fair from a financial point of view.

In addition, Sun Bancshares' board knew and considered the financial interests of certain Sun Bancshares' directors and executives when it approved the merger agreement. These financial interests are addressed in greater detail under the heading "The Merger - Interests of Directors and Officers of Sun Bancshares that Differ from Your Interests."

The foregoing information and factors considered by the Sun Bancshares board of directors is not exhaustive, but includes all material factors that the Sun Bancshares board of directors considered and discussed in approving and recommending the merger proposal. In view of the wide variety of factors considered and discussed by the Sun Bancshares board of directors in connection with its evaluation of the merger proposal and the complexity of these factors, the board of directors did not consider it practical to, nor did it attempt to, quantify, rank, or otherwise assign any specific or relative weights to the specific factors that it considered in reaching its decision. Rather, it considered all of the factors as a whole. The board of directors discussed the foregoing factors, including asking questions of Sun Bancshares management and legal and financial advisors, and reached general consensus that the merger was in the best interests of Sun Bancshares and its shareholders. In considering the foregoing factors, individual directors may have assigned different weights to different factors. The Sun Bancshares board of directors relied on the experience and expertise of Sun Bancshares' financial advisor for quantitative analysis of the financial terms of the merger. See "The Merger - Opinion of Sun Bancshares' Financial Advisor" on page 20. It should be noted that this explanation of the reasoning of the Sun Bancshares board of directors and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under "A Warning About Forward-Looking Statements" on page 13.

The Sun Bancshares board of directors believes the merger is in the best interests of Sun Bancshares and its shareholders. The Sun Bancshares board of directors recommends that Sun Bancshares' shareholders vote *FOR* the approval of the merger proposal and the consummation of the transactions contemplated thereby.

Comparable Transaction Analysis

The Orr Group, LLC reviewed data of selected transactions involving pending and completed bank acquisitions that it deemed pertinent to an analysis of the merger. The transactions selected were mergers that were announced after December 31, 2002 in which the selling bank had assets between \$50 million and \$225 million, return on average asset ratios less than 0.80%, and tangible common equity to tangible asset ratios greater than 6.0% and less than 11.0%. From these transactions, The Orr Group, LLC selected 21 transactions for comparison purposes.

The Orr Group, LLC compared the median, upper quartile, and lower quartile pricing ratios of the comparable transactions to the pricing ratios of the merger. The pricing ratios included price to book, price to tangible book, price to earnings per share for the latest twelve months, price to assets, price to deposits, and the franchise premium to core deposit ratio. Discount Dividend Analysis

The Orr Group, LLC performed a discount dividend analysis to estimate a range of present values per share of Sun Bancshares' common stock as a stand-alone entity including appropriate synergies that would be implemented by an acquirer. The Orr Group, LLC discounted five years of estimated cash flows for Sun Bancshares based on projected growth rates and capital requirements. The Orr Group, LLC derived a range of terminal values by applying multiples ranging from 11 times to 15 times estimated forward net income for the terminal year 2009. The present value of the estimated excess cash flows and terminal value was calculated using discount rates ranging from 10% to 14%, which The Orr Group, LLC viewed as the appropriate range of discount rates for a company with Sun Bancshares' risk characteristics. The analysis yielded a range of stand-alone, fully diluted values for Sun Bancshares' stock of approximately \$11.80 to \$18.55. The Orr Group, LLC included the discount dividend analysis because it is a widely used valuation methodology; however the results of such methodology are highly dependent upon numerous assumptions.

Contribution Analysis

In its contribution analysis, The Orr Group, LLC compared the pro forma financial contribution of Sun Bancshares to the combined company to the pro forma ownership (as if completed through a 100% stock transaction) of Sun Bancshares' shareholders in the combined company's shareholder base. The contribution analysis also took into account cost savings and core deposit intangible amortization expenses as a result of the merger. The contribution analysis revealed that Sun Bancshares would contribute 6.3% of the assets, 3.5% of income statement items, 5.8% projected income items, and 6.6% projected income items adjusted for synergies and core deposit intangible amortization expenses. The average of all of the financial items considered was 6.4%. This was compared to the pro forma common ownership for Sun Bancshares' shareholders of 8.0% (as if 100% of SCBT Financial Corporation's stock were used in consideration of the transaction) in the combined company. The pro forma common ownership for Sun Bancshares' shareholders based on the actual transaction structure was 6.5%, based a 20% cash level, or \$3.60 per share, and a fixed exchange ratio of 0.4645.

Pro Forma Merger Analysis

The Orr Group, LLC analyzed the financial impact of the merger on the estimated earnings per share for SCBT Financial Corporation. Based on the various assumptions made to determine the pro forma numbers and the consideration paid by SCBT Financial Corporation, the merger would be neutral to GAAP earnings and accretive to cash earnings by 2007 and accretive to GAAP and cash earnings per share in 2008.

No company or transaction used in the above analyses as a comparison is identical to Sun Bancshares, SCBT Financial Corporation, or the merger. Accordingly, an analysis of the results of the foregoing involves complex considerations and judgments concerning differences in financial growth and operating characteristics of the companies and other factors that could affect the public trading value of the companies to which they are being compared. Mathematical analysis in and of itself does not necessarily provide meaningful comparisons.

The Orr Group, LLC has been paid a fee of \$35,000 to date and will be paid an additional fee of \$35,000 at the time the merger is consummated. The payment to The Orr Group, LLC includes payment for services rendered in preparation and delivery of the fairness opinion. Sun Bancshares has agreed to reimburse legal and other reasonable expenses and to indemnify The Orr Group, LLC and its affiliates, directors, agents, employees and controlling persons in connection with certain matters related to rendering its opinion, including liabilities under securities laws.

The written opinion of The Orr Group, LLC to Sun Bancshares is attached as Appendix C to this proxy statement/prospectus and is incorporated herein by reference. The description of the Sun Bancshares fairness opinion is qualified in its entirety by reference to Appendix C. Sun Bancshares shareholders are urged to read the opinion in its entirety for a description of the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review undertaken by The Orr Group, LLC in connection with rendering its opinion.

Merger Consideration

As a result of the merger, SCBT Financial Corporation will pay consideration of approximately \$4.4 million cash and 564,387 shares of SCBT Financial Corporation common stock for Sun Bancshares issued and outstanding shares of common stock. Each Sun Bancshares shareholder will receive cash and SCBT Financial Corporation common stock on a pro rata basis. The value of the consideration to be received by each Sun Bancshares shareholder will depend upon the value of the SCBT Financial Corporation common stock and the number of shares of Sun Bancshares common stock issued and outstanding at the effective time of the merger. Sun Bancshares had 1,215,000 shares of common stock issued and outstanding as of both July 21, 2005 and September 15, 2005. Based upon the foregoing, Sun Bancshares shareholders would receive \$3.60 cash and 0.464516 shares (a fixed exchange ratio) of SCBT Financial Corporation common stock for each of their issued and outstanding shares. Based on the closing price of SCBT Financial Corporation common stock of \$33.67 on July 21, 2005, (the date the merger was announced) and \$32.15 on September 15, 2005 (the most recent practicable trading date prior to the mailing of the proxy statement/prospectus), the value of the consideration, including cash and SCBT Financial Corporation common stock, to be received by each shareholder of Sun Bancshares would be approximately \$19.24 as of July 21, 2005 and \$18.53 as of September 15, 2005.

No assurance can be given that the current fair market value of SCBT Financial Corporation common stock will be equivalent to the fair market value of SCBT Financial Corporation common stock on the date that stock is received by a Sun Bancshares shareholder or at any other time. The fair market value of SCBT Financial Corporation common stock received by a Sun Bancshares shareholder may be greater or less than the current fair market value of SCBT Financial Corporation due to numerous market factors.

Fractional Shares

No fractional shares of SCBT Financial Corporation common stock will be issued to any holder of Sun Bancshares common stock in the merger. For each fractional share that would otherwise be issued, SCBT Financial Corporation will pay cash in an amount equal to the fraction multiplied by \$31.00 (which was the value of consideration per share as agreed upon by SCBT Financial Corporation and Sun Bancshares at the time the merger was negotiated). No interest will be paid or accrued on cash payable in lieu of fractional shares.

Treatment of Options and Warrants

SCBT Financial Corporation will pay an aggregate of approximately \$2.86 million to the holders of outstanding options and warrants for Sun Bancshares stock. Each holder of a Sun Bancshares option or warrant will receive cash (without interest) equal to the amount by which, if any, \$18.00 exceeds the exercise price per share of Sun Bancshares common stock under such option or warrant less applicable taxes, if any, required to be withheld with respect to such payment. No consideration shall be paid with respect to any option or warrant, the exercise price of which equals or exceeds \$18.00. No Sun Bancshares options or warrants will remain outstanding following the merger or will be exchanged for options or warrants for shares of SCBT Financial Corporation common stock.

Exchange of Certificates

As soon as reasonably practicable after the effective time of the merger, SCBT Financial Corporation will mail appropriate transmittal materials to each record holder of Sun Bancshares common stock for use in effecting the surrender and cancellation of those certificates in exchange for SCBT Financial Corporation common stock. Risk of loss and title to the certificates will remain with the holder until proper delivery of such certificates to SCBT Financial Corporation by former Sun Bancshares shareholders. **Sun Bancshares shareholders should not surrender their certificates for exchange until they receive a letter of transmittal and instructions from SCBT Financial Corporation.** After the effective time of the merger, each holder of shares of Sun Bancshares common stock, except holders exercising dissenters' rights of appraisal, issued and outstanding at the effective time must surrender the certificate or certificates representing their shares to SCBT Financial Corporation and will, as soon as reasonably practicable after surrender, receive the consideration they are entitled to under the merger agreement, together with all undelivered dividends or distributions in respect of such shares (without interest). SCBT Financial Corporation will not be obligated to deliver the consideration to which any former holder of Sun Bancshares common stock is entitled until the holder surrenders the certificate or certificates representing his or her shares for exchange. The certificate or certificates so surrendered must be duly endorsed as SCBT Financial Corporation may require. SCBT Financial Corporation will not be liable to a holder of Sun Bancshares common stock for any property delivered in good faith to a public official pursuant to any applicable abandoned property law.

After the effective time of the merger (and prior to the surrender of certificates of Sun Bancshares common stock to SCBT Financial Corporation), record holders of certificates that represented outstanding Sun Bancshares common stock immediately prior to the effective time of the merger will have no rights with respect to the certificates other than the right to surrender the certificates and receive in exchange for the certificates a certificate or certificates representing the aggregate number of whole shares of SCBT Financial Corporation common stock to which the holder is entitled pursuant to the merger agreement.

In the event that any dividend or distribution, the record date for which is on or after the effective time of the merger, is declared by SCBT Financial Corporation on SCBT Financial Corporation common stock, no such dividend or other distributions will be delivered to the holder of a certificate representing shares of Sun Bancshares common stock immediately prior to the effective time of the merger until such holder surrenders such certificate as set forth above.

In addition, holders of certificates that represented outstanding Sun Bancshares common stock immediately prior to the effective time of the merger will be entitled to vote after the effective time of the merger at any meeting of SCBT Financial Corporation shareholders the number of whole shares of SCBT Financial Corporation common stock into which such shares have been converted, even if such holder has not surrendered such certificates for exchange as set forth above.

SCBT Financial Corporation shareholders will not be required to exchange certificates representing their shares of SCBT Financial Corporation common stock or otherwise take any action after the merger is completed.

Federal Income Tax Consequences

The following summarizes certain material federal income tax consequences of the merger to Sun Bancshares shareholders. This summary is based on current laws, regulations, rulings, and decisions now in effect, all of which are subject to change at any time, possibly with retroactive effect. This summary is not a complete description of all of the tax consequences of the merger and, in particular, may not address federal income tax consequences applicable to you if you are subject to special treatment under federal income tax law, such as rules relating to shareholders who are not citizens or residents of the United States, who are financial institutions, foreign corporations, tax-exempt organizations, insurance companies, or dealers in securities, shareholders who acquired their shares pursuant to the exercise of options or similar derivative securities or otherwise as compensation, and shareholders who hold their shares as part of a straddle or conversion transaction. In addition, this summary does not address the tax consequences of the merger under applicable state, local, foreign, or estate tax laws. This discussion assumes you hold your shares of Sun Bancshares common stock as a capital asset within the meaning of Section 1221 of the Internal Revenue Code of 1986. Each Sun Bancshares shareholder should consult with his or her tax advisor about the tax consequences of the merger in light of his or her individual circumstances, including the application of any federal, state, local, foreign, or estate tax law.

The merger is intended to constitute a reorganization under Section 368(a) of the Internal Revenue Code. On the closing date, SCBT Financial Corporation and Sun Bancshares will receive an opinion from Nelson Mullins Riley & Scarborough LLP, counsel to SCBT Financial Corporation, that the merger will qualify as a reorganization. The closing date opinion will be based on customary assumptions and customary representations made by Sun Bancshares and SCBT Financial Corporation. An opinion of counsel represents the counsel's best legal judgment and is not binding on the Internal Revenue Service or any court. If, notwithstanding the opinion of counsel, the merger does not qualify as a reorganization, the exchange of Sun Bancshares common stock for SCBT Financial Corporation common stock in the merger will be a taxable transaction.

Provided the merger qualifies as a reorganization, neither Sun Bancshares nor SCBT Financial Corporation will recognize any gain or loss for federal income tax purposes, and the federal income tax consequences to you as a Sun Bancshares shareholder will be as follows:

Exchange for SCBT Financial Corporation Common Stock and Cash. You will generally recognize gain (but not loss) in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the amount of cash and the fair market value of the SCBT Financial Corporation common stock received pursuant to the merger over your adjusted tax basis in your shares of Sun Bancshares common stock surrendered) and (2) the amount of cash received pursuant to the merger. For this purpose, gain or loss must be calculated separately for each identifiable block of shares surrendered in the exchange, and a loss realized on one block of shares may not be used to offset a gain realized on another block of shares. Any recognized gain will generally be long-term capital gain if your holding period with respect to the Sun Bancshares common stock surrendered is more than one year. If, however, the cash received has the effect of the distribution of a dividend, the gain would be treated as a dividend to the extent of your ratable share

of accumulated earnings and profits as calculated for United States federal income tax purposes. See Possible Treatment of Cash as a Dividend.

Your aggregate tax basis of the SCBT Financial Corporation common stock you receive in exchange for your shares of Sun Bancshares common stock will be equal to the aggregate adjusted tax basis of the shares of Sun Bancshares common stock surrendered for SCBT Financial Corporation common stock and cash, reduced by the amount of cash you receive pursuant to the merger, and increased by the amount of gain (including any portion of the gain that is treated as a dividend as described below), if any, you must recognize on the exchange. Your holding period of the SCBT Financial Corporation common stock will include the holding period of the shares of Sun Bancshares common stock you surrendered. If you have differing bases or holding periods in respect of your shares of Sun Bancshares common stock, you should consult your tax advisor prior to the exchange with regard to identifying the bases or holding periods of the particular shares of SCBT Financial Corporation common stock received in the exchange.

Possible Treatment of Cash as a Dividend. In general, the determination of whether the gain recognized in the exchange will be treated as capital gain or has the effect of a distribution of a dividend depends upon whether and to what extent the exchange reduces your deemed percentage stock ownership of SCBT Financial Corporation. For purposes of this determination, you are treated as if you first exchanged all of your shares of Sun Bancshares common stock solely for SCBT Financial Corporation common stock and then SCBT Financial Corporation immediately redeemed (the deemed redemption) a portion of the SCBT Financial Corporation common stock in exchange for the cash you actually received. The gain recognized in the exchange followed by a deemed redemption will be treated as capital gain if the deemed redemption is (1) substantially disproportionate with respect to the holder or (2) not essentially equivalent to a dividend.

The deemed redemption, generally, will be substantially disproportionate with respect to you if the percentage described in (2) below is less than 80 percent of the percentage described in (1) below. Whether the deemed redemption is not essentially equivalent to a dividend with respect to you will depend upon your particular circumstances. At a minimum, however, in order for the deemed redemption to be not essentially equivalent to a dividend, the deemed redemption must result in a meaningful reduction in your deemed percentage stock ownership of SCBT Financial Corporation. In general, that determination requires a comparison of (1) the percentage of the outstanding stock of SCBT Financial Corporation that you are deemed actually and constructively to have owned immediately before the deemed redemption and (2) the percentage of the outstanding stock of SCBT Financial Corporation that is actually and constructively owned by you immediately after the deemed redemption. In applying the above tests, you may, under the constructive ownership rules, be deemed to own stock that is owned by other persons or otherwise in addition to the stock actually owned by you. As these rules are complex, each Sun Bancshares shareholder that may be subject to these rules should consult its tax advisor. The IRS has ruled that a minority shareholder in a publicly held corporation whose relative stock interest is minimal and who exercises no control with respect to corporate affairs is considered to have a meaningful reduction if that shareholder has a relatively minor reduction in its percentage stock ownership under the above analysis.

Cash Received in Lieu of a Fractional Share. Cash you receive in lieu of a fractional share of SCBT Financial Corporation common stock generally will be treated as received in redemption of the fractional share, and gain or loss generally will be recognized based on the difference between the amount of cash received in lieu of the fractional share and the portion of your aggregate adjusted tax basis of the shares of Sun Bancshares common stock surrendered allocable to the fractional share. Such gain or loss generally will be long-term capital gain or loss if the holding period for such shares of Sun Bancshares common stock is more than one year.

Each Sun Bancshares shareholder is urged to consult his or her personal tax and financial advisor as to his or her specific federal income tax consequences, based on his or her own particular status and circumstances, and also as to any state, local, foreign, estate, or other tax consequences arising out of the merger.

Interests of Directors and Officers of Sun Bancshares that Differ from Your Interests

General. Some of the employees and directors of Sun Bancshares may be deemed to have interests in the merger in addition to their interests as shareholders of Sun Bancshares generally. These interests include, among others, proposed employee benefits for those who become employees of SCBT Financial Corporation or an SCBT Financial Corporation subsidiary after the merger, employment agreements with two of Sun Bancshares' current executive officers, the appointment of one current Sun Bancshares director to the board of directors of SCBT Financial Corporation and the continuation of other directors of Sun Bancshares as directors of SunBank for a period of up to two years, the payment of cash for outstanding Sun Bancshares stock options and warrants, and insurance coverage for Sun Bancshares' directors and officers, as described below.

Employee Benefits. The merger agreement generally provides that SCBT Financial Corporation will furnish to those employees of Sun Bancshares who become employees of SCBT Financial Corporation or an SCBT Financial Corporation subsidiary after the effective time of the merger benefits under employee benefit plans which, when taken as a whole, are substantially similar to those currently provided by SCBT Financial Corporation and its subsidiaries to their similarly situated employees, except that employees of Sun Bancshares will not be eligible to participate in SCBT Financial Corporation's 401(k) plan prior to January 1, 2006 or SCBT Financial Corporation's defined benefit plans. For purposes of participation, vesting, and benefit accrual under SCBT Financial Corporation's employee benefit plans, service with Sun Bancshares prior to the effective time of the merger will be treated as service with SCBT Financial Corporation or its subsidiaries. SCBT Financial Corporation will credit new SCBT Financial Corporation employees for amounts paid under Sun Bancshares benefit plans for the plan year, including the effective time of the merger, for purposes of applying deductibles, co-payments, and out-of-pocket maximums under the SCBT Financial Corporation benefit plans.

Bouchette Employment Agreement. Sun Bancshares and its president, Thomas Bouchette, are currently bound by an employment agreement that provides, among other things, that Mr. Bouchette may terminate the employment agreement following a change in control of Sun Bancshares. In exchange for an aggregate payment of \$300,000, Mr. Bouchette has agreed to terminate this agreement and to enter into a new employment agreement and a noncompete agreement with SCBT Financial Corporation which will be effective upon consummation of the merger.

Pursuant to the new employment agreement, Mr. Bouchette will serve as the president and chief executive officer of SunBank, as long as SunBank operates as a separate wholly owned subsidiary of SCBT Financial Corporation and thereafter as a regional president of South Carolina Bank and Trust, N.A. or in such other comparable senior executive office with similar authority as may be designated by the board of directors of SCBT Financial Corporation or South Carolina Bank and Trust, N.A. or their respective chief executive officers. The new agreement commences upon the consummation of the merger and will be for a term of three years. Mr. Bouchette will receive an annual base salary of \$150,000, which may be increased

from time to time in accordance with SCBT Financial Corporation's senior management compensation policies. Mr. Bouchette will also be eligible to participate in SCBT Financial Corporation's incentive-based bonus programs and employment benefit plans applicable to his employment position. SCBT Financial Corporation will also provide him with an automobile allowance and maintain membership at a country club for Mr. Bouchette's benefit. If SCBT Financial Corporation terminates the agreement without cause, it will continue to pay Mr. Bouchette his base salary for one year following termination.

Bouchette Noncompete Agreement. In connection with the merger, Mr. Bouchette has entered into a noncompete agreement with SCBT Financial Corporation. During employment and for a period of one year thereafter, Mr. Bouchette will be prohibited from, subject to limited exceptions, engaging in certain activities in Horry County and Georgetown County, South Carolina, including (a) soliciting employees for a competing business of or encouraging employees to leave employment with SCBT Financial Corporation or any of its affiliates, (b) soliciting customers of SunBank, SCBT Financial Corporation or any of its affiliates, on behalf of himself or anyone other than SCBT Financial Corporation or any of its affiliates for the purpose of providing business activities (as defined in the Noncompete Agreement), or (c) competing with SCBT Financial Corporation or any of its affiliates by engaging in such business activities or acquiring, for other than investment purposes, 5% or more of the outstanding securities of any corporation which may compete directly or indirectly with SunBank, SCBT Financial Corporation or any of its affiliates.

Carmon Employment Agreement. SunBank and Randy L. Carmon are currently bound by an employment agreement. In exchange for a payment of \$100,000, Mr. Carmon has agreed to terminate this agreement and enter into a new employment agreement with SCBT Financial Corporation which will be effective upon consummation of the merger.

Pursuant to the new employment agreement, Mr. Carmon will serve as the chief operating officer of SunBank. The new agreement commences upon the consummation of the merger and will be for a term of one year. Mr. Carmon will receive an annual base salary of \$100,000, which may be increased from time to time in accordance with SCBT Financial Corporation's senior management compensation policies. Mr. Carmon will also be eligible to participate in SCBT Financial Corporation's incentive-based bonus programs and employment benefit plans applicable to his employment position. If SCBT Financial Corporation terminates the agreement without cause, it will continue to pay Mr. Carmon his base salary for the remainder of the one year term.

Directors. SCBT Financial Corporation has agreed to appoint Dalton B. Floyd, Jr. to its board of directors as soon as practicable following the effective time of the merger. Subject to limited exceptions, SCBT Financial Corporation has agreed that the current directors of SunBank in office immediately prior to the effective time of the merger will continue as directors of SunBank for two years after the effective time of the merger.

Stock Options and Warrants. Each outstanding and unexercised option to acquire Sun Bancshares stock granted under Sun Bancshares' incentive plan and each outstanding and unexercised stock purchase warrant will be cancelled and the holder of each option or warrant will receive cash (without interest) equal to the amount by which, if any, \$18.00 (which was the value of consideration per share as calculated by SCBT Financial Corporation and Sun Bancshares at the time the merger was negotiated) exceeds the exercise price per share of Sun Bancshares' common stock under the option or warrant less applicable taxes, if any, required to be withheld with respect to such payment. No consideration will be paid with respect to any option or warrant the exercise price of which equals or exceeds \$18.00. Officers of Sun Bancshares hold options to acquire approximately 77,750 shares of Sun Bancshares and therefore will be entitled to receive cash in an aggregate amount of approximately \$565,750 in exchange for such options. Directors of Sun Bancshares hold warrants to acquire approximately 286,850 shares of Sun Bancshares and therefore will be entitled to receive cash in an aggregate amount of approximately \$2,860,550 in exchange for such warrants.

Insurance. SCBT Financial Corporation has agreed to provide, for a period not less than six years after the effective time of the merger, directors and officers insurance coverage for directors and officers of Sun Bancshares, by (1) maintaining in effect for six years after the effective time of the merger Sun Bancshares current policy for directors and officers, or (2) providing substitute policies of substantially the same coverage and amounts containing terms and conditions which are substantially no less advantageous as Sun Bancshares current policy for directors and officers. SCBT Financial Corporation has agreed to make premium payments in an amount not to exceed \$40,000 during the six year period. If the amount of premiums necessary to maintain directors and officers insurance coverage exceeds \$40,000, SCBT Financial Corporation may purchase substitute directors and officers liability insurance obtainable for a premium equal to \$40,000 but is not obligated to maintain coverage to the extent the cost of such coverage exceeds that amount.

Conditions to Consummation

The obligations of Sun Bancshares and SCBT Financial Corporation to consummate the merger are subject to the satisfaction or waiver (to the extent permitted) of several conditions, including:

- Holders of a majority of the outstanding shares of Sun Bancshares must have approved the merger proposal;
- The required regulatory approvals described under The Merger Regulatory Approvals must have been received, generally without any conditions or requirements which would, in the reasonable judgment of the board of directors of SCBT Financial Corporation, materially adversely affect the economic or business benefits of the transactions contemplated by the merger agreement so as to render inadvisable the consummation of the merger;
- Each party must have received all consents (other than those described in the preceding paragraph) required for consummation of the merger and for the prevention of a default under any contract of such party which, if not obtained or made, would reasonably likely have, individually or in the aggregate, a material adverse effect on such party, generally without any conditions or requirements which would, in the reasonable judgment of the board of directors of SCBT Financial Corporation, materially adversely affect the economic or business benefits of the transactions contemplated by the merger agreement so as to render inadvisable the consummation of the merger;
- No court or regulatory authority may have taken any action which prohibits, restricts, or makes illegal the consummation of the transactions contemplated by the merger agreement;
- The registration statement registering the shares of SCBT Financial Corporation common stock to be received by Sun Bancshares shareholders, of which this proxy statement/prospectus is a part, must have been declared effective by the SEC, no stop order suspending the effectiveness of the registration statement may have been issued, no action, suit, proceeding, or investigation by the SEC to suspend the effectiveness of the registration statement may have been initiated and be continuing, and all necessary approvals under federal and state securities laws relating to the issuance or trading of the shares of SCBT Financial Corporation common stock issuable pursuant to the merger must have been received;
- Thomas Bouchette must have entered into an employment agreement with SCBT Financial Corporation and must have terminated his existing employment agreement, and each director of Sun Bancshares must have executed a shareholder support agreement and a noncompete agreement;
- The other party's representations and warranties must remain accurate, and the other party must have performed all of the agreements and covenants to be performed by it pursuant to the merger

agreement, and must have delivered certificates confirming satisfaction of the foregoing requirements and certain other matters;

- SCBT Financial Corporation must have received from each affiliate of Sun Bancshares an agreement stating, among other things, that he or she will comply with federal securities laws when transferring any shares of SCBT Financial Corporation common stock received in the merger (see The Merger Resales of SCBT Financial Corporation Common Stock);
- Sun Bancshares shall have not received notice from its shareholders of their intent to exercise their statutory right to dissent with respect to more than 10% of the outstanding shares of Sun Bancshares common stock;
- Sun Bancshares net shareholders equity at the effective time of the merger shall not be more than \$100,000 less than the amount reported in Sun Bancshares June 2005 month-end financial report, but excluding (i) the effects of reasonable fees and expenses incurred by Sun Bancshares to pay its financial advisor s fees as described elsewhere in this document, (ii) the reasonable fees and expenses of its counsel and accountants in connection with the merger, (iii) the printing, mailing, and proxy solicitation costs incurred in connection with the shareholders meeting to consider the merger, (iv) the payments to executive officers as described elsewhere in this proxy statement/prospectus and payment of bonuses in an aggregate of \$55,000 to specified employees to continue employment with SunBank following the merger, (v) amounts due under Sun Bancshares agreement with FiServ, and (vi) any changes resulting from Sun Bancshares increase of its allowance for loan losses from 1.25% to 1.35% of loans and leases and other credits;
- Sun Bancshares allowance for loan losses shall not be less than 1.35% of loans and leases and other credits; and
- No material adverse effect shall have occurred with respect to Sun Bancshares from its March 31, 2005 balance sheet to the effective time of the merger or with respect to SCBT Financial Corporation from its June 30, 2005 balance sheet to the effective time of the merger.

No assurances can be provided as to when or if all of the conditions precedent to the merger can or will be satisfied or waived by the appropriate party. As of the date of this proxy statement/prospectus, the parties know of no reason to believe that any of the conditions set forth above will not be satisfied.

The conditions to consummation of the merger may be waived, in whole or in part, to the extent permissible under applicable law, by the party for whose benefit the condition has been imposed, without the approval of such party s shareholders.

Regulatory Approvals

Sun Bancshares and SCBT Financial Corporation have agreed to use their reasonable best efforts to obtain all regulatory approvals required to consummate the transactions contemplated by the merger agreement, which include approval from the Federal Reserve Board, as detailed below, and the South Carolina State Board of Financial Institutions. SCBT Financial Corporation filed these applications in September 2005 seeking such approval. The merger cannot proceed in the absence of these regulatory approvals. Although Sun Bancshares and SCBT Financial Corporation expect to obtain these required regulatory approvals, there can be no assurance as to if and when these regulatory approvals will be obtained. In addition, after the two-year period following the effective date of the merger, the approval of the Office of the Comptroller of the Currency and the Federal Deposit Insurance Corporation will also be required to merge SunBank into South Carolina Bank and Trust, N.A.

The merger is subject to the prior approval of the Federal Reserve. We will submit an application with the Federal Reserve. In evaluating the merger, the Federal Reserve is required to consider, among other factors, the financial and managerial resources and future prospects of the institutions and the convenience and needs of the communities to be served. The relevant statutes prohibit the Federal Reserve Board from approving the merger if:

- it would result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any part of the United States; or
- its effect in any section of the country could be to substantially lessen competition or to tend to create a monopoly, or if it would result in a restraint of trade in any other manner, unless the Federal Reserve should find that any anti-competitive effects are outweighed clearly by the public interest and the probable effect of the merger in meeting the convenience and needs of the communities to be served.

The merger may not be consummated any earlier than the 15th day following the date of approval of the merger by the Federal Reserve, during which time the United States Department of Justice is afforded the opportunity to challenge the merger on antitrust grounds. The commencement of any antitrust action would stay the effectiveness of the approval of the Federal Reserve, unless a court of competent jurisdiction should specifically order otherwise.

Other than as summarized above, we are not aware of any governmental approvals or actions that may be required for consummation of the merger. Should any other approval or action be required, we currently contemplate that we would seek such approval or action. To the extent that the above summary describes statutes and regulations, it is qualified in its entirety by reference to those particular statutes and regulations.

Representations and Warranties Made by SCBT Financial Corporation and Sun Bancshares in the Merger Agreement

SCBT Financial Corporation and Sun Bancshares have made certain customary representations and warranties to each other in the merger agreement. For information on these representations and warranties, please refer to the merger agreement attached as Appendix A. If either party materially violates any of its representations or warranties and fails to cure such violation, the other party may terminate the merger agreement.

Termination of the Merger Agreement

Notwithstanding the approval of the merger proposal by Sun Bancshares' shareholders, we can mutually agree at any time to terminate the merger agreement before completing the merger.

Either Sun Bancshares or SCBT Financial Corporation can also terminate the merger agreement:

- If the other party materially violates any of its representations or warranties under the merger agreement and fails to cure the violation;
- If required regulatory approval is denied by final nonappealable action of such regulatory authority or if any action taken by such authority is not appealed within the time limit for appeal;
- If any law or order permanently restraining, enjoining, or otherwise prohibiting the consummation of the merger shall have become final and nonappealable;
- If Sun Bancshares shareholder approval is not obtained at the special meeting; or
- If we do not complete the merger by March 31, 2006.

SCBT Financial Corporation can also terminate the merger agreement:

- If the Sun Bancshares board of directors fails to reaffirm its approval upon SCBT Financial Corporation's request for such reaffirmation of the merger or if the Sun Bancshares board of directors resolves not to reaffirm the merger;
- If the Sun Bancshares board of directors fails to include in the proxy statement its recommendation, without modification or qualification, that the shareholders approve the merger or if the Sun Bancshares board of directors withdraws, qualifies, modifies, proposes publicly to withdraw, qualify, or modify, in a manner adverse to SCBT Financial Corporation, the recommendation that the shareholders approve the merger;
- If the Sun Bancshares board of directors affirms, recommends, or authorizes entering into any acquisition transaction other than the merger or, within 10 business days after commencement of any tender or exchange offer for any shares of its common stock, the Sun Bancshares board of directors fails to recommend against acceptance of such tender or exchange offer or takes no position with respect to such tender or exchange offer; or
- If the Sun Bancshares board of directors negotiates or authorizes the conduct of negotiations (and five business days have elapsed without such negotiations being discontinued) with a third party regarding an acquisition proposal other than the merger.

Sun Bancshares can also terminate the merger agreement, provided that Sun Bancshares is not in material breach of any representation, warranty, or covenant, or other agreement in the merger agreement, if prior to the adoption of the merger proposal by the shareholders at the special meeting, the Sun Bancshares board of directors has (x) withdrawn or modified or changed its recommendation of approval of the merger agreement in a manner adverse to SCBT Financial Corporation in order to approve and permit Sun Bancshares to accept a superior proposal and (y) determined, after consultation with, and the receipt of advice from outside legal counsel to Sun Bancshares, that the failure to take such action as set forth in the preceding clause (x) would be likely to result in a breach of the board of directors' fiduciary duties under applicable law, provided, however, that at least five business days prior to any such termination, Sun Bancshares shall, and shall cause its advisors to, negotiate with SCBT Financial Corporation, if SCBT Financial Corporation elects to do so, to make such adjustments in the terms and conditions of the merger agreement as would enable Sun Bancshares to proceed with the merger on the adjusted terms.

Amendment and Waiver

To the extent permitted by law, Sun Bancshares and SCBT Financial Corporation, with the approval of their respective boards of directors, may amend the merger agreement by written agreement at any time without the approval of Sun Bancshares' shareholders or SCBT Financial Corporation shareholders. However, after the approval of the merger proposal by Sun Bancshares' shareholders, no amendment may decrease the consideration to be received without the further approval of Sun Bancshares' shareholders.

Prior to or at the effective time of the merger, either Sun Bancshares or SCBT Financial Corporation may waive any default in the performance of any term of the merger agreement by the other party, may waive or extend the time for the fulfillment by the other party of any of its obligations under the merger agreement, and may waive any of the conditions precedent to the obligations of such party under the merger agreement, except any condition that, if not satisfied, would result in the violation of an applicable law.

Conduct of Business Pending the Merger

Under the merger agreement, Sun Bancshares has agreed, except as otherwise contemplated by the merger agreement or with the prior written consent of SCBT Financial Corporation, to:

- operate its business only in the usual, regular, and ordinary course;
- use commercially reasonable efforts to preserve intact its business organizations and assets and maintain its rights and franchises;
- use commercially reasonable efforts to cause its representations and warranties to be correct at all times;
- use its best efforts to provide all information requested by SCBT Financial Corporation related to loans or other transactions made by Sun Bancshares with a value equal to or exceeding \$250,000;
- consult with SCBT Financial Corporation prior to entering into or making any loans or other transactions with a value equal to or exceeding \$500,000; and
- take no action which would (1) adversely affect the ability of any party to obtain any consents required for the transactions contemplated by the merger agreement without imposition of a condition or restriction which, in the reasonable judgment of the board of directors of SCBT Financial Corporation, would so materially adversely impact the economic or business benefits of the transactions contemplated by the merger agreement as to render inadvisable the consummation of the merger, or (2) adversely affect in any material respect the ability of either party to perform its covenants and agreements under the merger agreement.

In addition, Sun Bancshares has agreed in the merger agreement not to take certain actions pending consummation of the merger without the prior consent of SCBT Financial Corporation's chief executive officer (which consent will not be unreasonably withheld). Such actions include, without limitation:

- amending its articles of incorporation, bylaws, or other governing corporate instruments;
- becoming responsible for any obligation for borrowed money in excess of an aggregate of \$50,000, except in the ordinary course of business consistent with past practices or allowing the imposition of a lien on any asset;
- acquiring or exchanging (other than exchanges in the ordinary course under employee benefit plans) any shares (or securities convertible into any shares) of Sun Bancshares capital stock or paying any dividend on its common stock;
- subject to certain exceptions, issuing, selling, or pledging additional shares of Sun Bancshares common stock, any rights to acquire any such stock, or any security convertible into such stock;
- adjusting or reclassifying any Sun Bancshares capital stock or issuing or authorizing the issuance of any other securities in respect of, or in substitution for, shares of Sun Bancshares common stock or its subsidiaries' common stock, or otherwise disposing of any asset other than in the ordinary course for reasonable and adequate consideration;
- purchasing any securities or making any material investments in any person or otherwise acquiring direct or indirect control over any person, subject to certain exceptions;
- granting any increase in compensation or benefits to employees, officers, or directors of Sun Bancshares, paying any bonus, entering into or amending any severance agreements with employees, officers, or directors of Sun

Bancshares (subject to exceptions for certain payments to executive officers as described elsewhere in this proxy statement/prospectus and except for bonus payments in an aggregate of \$55,000 to specified employees to continue employment with SunBank

38

following the merger), or granting any increase in compensation or other benefits to directors of Sun Bancshares;

- except as contemplated by the merger agreement, entering into or amending (unless required by law) any employment contract that does not give it the unconditional right to terminate the agreement following the effective date of the merger without liability other than for services already rendered;
- subject to certain exceptions, adopting any new employee benefit plan or materially changing any existing plan or program;
- making any significant change in tax or accounting methods, except for any change required by law or generally accepted accounting principles;
- making any material election with respect to taxes;
- commencing any litigation other than in accordance with past practice or settling any litigation for money damages in excess of \$25,000 or which places material restrictions on operations;
- except in the ordinary course of business, modifying, amending, or terminating any material contracts (including any loan with respect to any extension of credit with an unpaid balance exceeding \$500,000) or waiving, releasing, or assigning any material rights or claims, or making any adverse changes in the mix, rates, terms, or maturities of Sun Bancshares deposits and other liabilities;
- taking any action to or failing to take any action that will cause Sun Bancshares net shareholders equity at the effective time of the merger to be more than \$100,000 less than the amount reported in Sun Bancshares June 2005 month-end financial report, but excluding (i) the effects of reasonable fees and expenses incurred by Sun Bancshares to pay its financial advisor's fees as described elsewhere in this document, (ii) the reasonable fees and expenses of its counsel and accountants in connection with the merger, (iii) the printing, mailing, and proxy solicitation costs incurred in connection with the shareholders meeting to consider the merger, (iv) the payments to executive officers as described elsewhere in this proxy statement/prospectus and payment of bonuses in an aggregate of \$55,000 to specified employees to continue employment with SunBank following the merger, (v) amounts due under Sun Bancshares agreement with FiServ, and (vi) any changes resulting from Sun Bancshares increase of its allowance for loan losses from 1.25% to 1.35% of loans and leases and other credits;
- allowing its allowance for loan losses to be less than 1.35% of loans and leases and other credits; or
- taking any action or failing to take any action that at the time of such action or inaction is reasonably likely to prevent, or would be reasonably likely to materially interfere with, the consummation of the merger.

In addition, Sun Bancshares has agreed that neither it, nor its affiliates or representatives, will solicit an acquisition proposal (generally, a tender offer or proposal for a merger, asset acquisition, or other business combination), other than the transactions contemplated by the merger agreement. Pursuant to the merger agreement, except to the extent necessary to comply with the fiduciary duties of its board of directors, neither Sun Bancshares, nor any of its affiliates or representatives, will furnish any non-public information that it is not legally obligated to furnish, or negotiate with respect to, or enter into any contract with respect to, any acquisition proposal. However, Sun Bancshares may communicate information about an acquisition proposal to its shareholders if and to the extent that it is required to do so in order to comply with its legal obligations as advised by counsel. In the merger agreement, Sun Bancshares also agreed to terminate any negotiations conducted prior to the date of the merger agreement with any other parties with respect to any of the foregoing and agreed to use its reasonable efforts to cause its representatives to comply with any of the foregoing.

Expenses and Termination Fees

The merger agreement provides that each party will be responsible for its own direct costs and expenses incurred in connection with the negotiation and consummation of the transactions contemplated by the merger agreement. In the case of Sun Bancshares, these expenses will be paid at or before closing and prior to the effective time of the merger.

The merger agreement provides for the payment of a \$1 million termination fee by Sun Bancshares to SCBT Financial Corporation in certain cases. Generally, Sun Bancshares would have to pay the termination fee if Sun Bancshares terminates the merger agreement in order to accept a superior proposal subject to certain conditions. Sun Bancshares would also have to pay the termination fee if SCBT Financial Corporation terminates the merger agreement because:

- The Sun Bancshares board of directors fails to reaffirm its approval upon SCBT Financial Corporation's request for such reaffirmation of the merger or the Sun Bancshares board of directors resolves not to reaffirm the merger;
- The Sun Bancshares board of directors fails to include in the proxy statement its recommendation, without modification or qualification, that its shareholders approve the merger or the Sun Bancshares board of directors withdraws, qualifies, modifies, or proposes publicly to withdraw, qualify, or modify, in a manner adverse to SCBT Financial Corporation, the recommendation that the shareholders approve the merger;
- The Sun Bancshares board of directors affirms, recommends, or authorizes entering into any acquisition transaction other than the merger or, within 10 business days after commencement of any tender or exchange offer for any shares of its common stock, the Sun Bancshares board of directors fails to recommend against acceptance of such tender or exchange offer or takes no position with respect to such tender or exchange offer; or
- The Sun Bancshares board of directors negotiates or authorizes the conduct of negotiations (and five business days have elapsed without such negotiations being discontinued) with a third party regarding an acquisition proposal other than the merger.

Sun Bancshares agreed to this termination fee arrangement in order to induce SCBT Financial Corporation to enter into the merger agreement. This arrangement could have the effect of discouraging other companies from trying to acquire Sun Bancshares.

Resales of SCBT Financial Corporation Common Stock

The issuance of the shares of SCBT Financial Corporation common stock to be issued to Sun Bancshares' shareholders in the merger has been registered under the Securities Act of 1933. These shares

may be traded freely and without restriction by those shareholders not deemed to be affiliates of Sun Bancshares or SCBT Financial Corporation as that term is defined under the Securities Act. Any subsequent transfer of such shares, however, by any person who is an affiliate of Sun Bancshares at the time the merger is submitted for a vote or consent of the shareholders of Sun Bancshares will, under existing law, require either:

- the registration under the Securities Act of the subsequent transfer of the shares of SCBT Financial Corporation common stock;
- compliance with Rule 145 promulgated under the Securities Act (permitting limited sales under certain circumstances); or
- the availability of another exemption from registration.

An affiliate of Sun Bancshares, as defined by the rules promulgated pursuant to the Securities Act, is a person who directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with Sun Bancshares. Sun Bancshares has agreed that it will use its reasonable efforts to cause each person or entity that is an affiliate for purposes of complying with Rule 145 to enter into a written agreement relating to such restrictions on sale or other transfer.

Accounting Treatment

The merger will be accounted for using the purchase method of accounting, with SCBT Financial Corporation being treated as the acquiring entity for accounting purposes. Under the purchase method of accounting, the assets and liabilities of Sun Bancshares as of the effective time will be recorded at their respective fair values and added to those of SCBT Financial Corporation. Financial statements issued after consummation of an acquisition accounted for as a purchase would reflect such values and would not be restated retroactively to reflect the historical financial position or results of operations of the acquired company.

Rights of Dissenting Sun Bancshares Shareholders

Chapter 13 of the South Carolina Business Corporation Act sets forth the rights of the shareholders of Sun Bancshares who object to the merger. The following summarizes the material terms of the statutory procedures to be followed by a shareholder in order to dissent from the merger and perfect dissenters' rights under the South Carolina Business Corporation Act. A copy of Chapter 13 of the South Carolina Business Corporation Act is attached as Appendix B to this proxy statement/prospectus.

If you elect to exercise such a right to dissent and demand appraisal, you must satisfy each of the following conditions:

- (a) you must give to Sun Bancshares and Sun Bancshares must actually receive, before the vote at the shareholders' special meeting on approval or disapproval of the merger proposal is taken, written notice of your intent to demand payment for your shares if the merger is effectuated (this notice must be in addition to and separate from any proxy or vote against the merger proposal; neither voting against, abstaining from voting, nor failing to vote on the merger proposal will constitute a notice within the meaning of the South Carolina Business Corporation Act); and
- (b) you must not vote in favor of the merger proposal. A failure to vote or a vote against the merger proposal will satisfy this requirement. The return of a signed proxy which does not specify whether you vote in favor or against approval of the merger proposal will not constitute a waiver of your dissenters' rights. If you notify Sun Bancshares that you intend to dissent, a vote cast in favor of the merger proposal by the holder of the proxy will not disqualify you from demanding payment for your shares.

If the requirements of (a) and (b) above are not satisfied and the merger proposal becomes effective, you will not be entitled to payment for your shares under the provisions of Chapter 13 of the South Carolina Business Corporation Act.

If you are a dissenting Sun Bancshares shareholder, any notices should be addressed to Sun Bancshares, 4210 Highway 17 Bypass, Murrells Inlet, South Carolina 29576, Attention: Randy L. Carmon. The notice must be executed by the holder of record of the shares of Sun Bancshares common stock as to which dissenters' rights are to be exercised. A beneficial owner may assert dissenters' rights only if he dissents with respect to all shares of Sun Bancshares common stock of which he is the beneficial owner. With respect to shares of Sun Bancshares common stock which are owned of record by a voting trust or by a nominee, the beneficial owner of such shares may exercise dissenters' rights if such beneficial holder also submits to Sun Bancshares the name and address of the record shareholder of the shares, if known to him. A record owner, such as a broker, who holds shares of Sun Bancshares common stock as a nominee for others may exercise dissenters' rights with respect to the shares held for all or less than all beneficial owners of shares as to which such person is the record owner, provided such record owner dissents with respect to all Sun Bancshares common stock beneficially owned by any one person. In such case, the notice submitted by the broker as record owner must set forth the name and address of the shareholder who is objecting to the merger proposal and demanding payment for such person's shares.

If you properly dissent and the merger proposal is approved, Sun Bancshares must mail by registered or certified mail, return receipt requested, a written dissenters' notice to you. This notice must be sent no later than 10 days after the shareholder approval of the merger proposal. The dissenters' notice will state where your payment demand must be sent, and where and when certificates for shares of Sun Bancshares common stock must be deposited; supply a form for demanding payment; set a date by which Sun Bancshares must receive your payment demand (not fewer than 30 days nor more than 60 days after the dissenters' notice is mailed and which must not be earlier than 20 days after the demand date); and include a copy of Chapter 13 of the South Carolina Business Corporation Act.

If you receive a dissenters' notice, you must demand payment and deposit your share certificates in accordance with the terms of the dissenters' notice. If you demand payment and deposit your share certificates, you retain all other rights of a shareholder until these rights are canceled or modified by the merger. If you do not demand payment or deposit your share certificates where required, each by the date set in the dissenters' notice, you are not entitled to payment for your shares under the South Carolina Business Corporation Act.

Within 30 days after receipt of your demand for payment, Sun Bancshares is required to pay you the amount it estimates to be the fair value of your shares, plus interest accrued from the effective date of the merger to the date of payment. The payment must be accompanied by:

- Sun Bancshares' most recent available balance sheet, income statement, and statement of cash flows as of the end of or for the fiscal year ending not more than 16 months before the date of payment, and the latest available interim financial statements, if any;
- an explanation of how Sun Bancshares estimated the fair value of the shares;
- an explanation of the interest calculation;
- a statement of the dissenters' right to demand payment (as described below); and
- a copy of Chapter 13 of the South Carolina Business Corporation Act.

If the merger is not consummated within 60 days after the date set for demanding payment and depositing share certificates, Sun Bancshares must return your deposited certificates. If after returning your deposited certificates the merger is consummated, Sun Bancshares must send you a new dissenters' notice and repeat the payment demand procedure.

Demand for Payment. You may, however, notify Sun Bancshares in writing of your own estimate of the fair value of your shares and amount of interest due, and demand payment of the excess of your estimate of the fair value of your shares over the amount previously paid by Sun Bancshares if:

- (a) you believe that the amount paid is less than the fair value of Sun Bancshares common stock or that the interest is incorrectly calculated;
- (b) Sun Bancshares fails to make payment of its estimate of fair value to you within 30 days after receipt of a demand for payment; or
- (c) the merger not having been consummated, Sun Bancshares does not return your deposited certificates within 60 days after the date set for demanding payment.

You waive the right to demand payment unless you notify Sun Bancshares of your demand in writing within 30 days of Sun Bancshares payment of its estimate of fair value (with respect to clause (a) above) or Sun Bancshares' failure to perform (with respect to clauses (b) and (c) above). If you fail to notify Sun Bancshares of your demand within such 30-day period, you shall be deemed to have withdrawn your shareholder's dissent and demand for payment.

Appraisal Proceeding. If your demand for payment remains unsettled, Sun Bancshares must commence a proceeding within 60 days after receiving the demand for additional payment by filing a complaint with the South Carolina Court of Common Pleas in Georgetown County to determine the fair value of the shares and accrued interest. If Sun Bancshares does not commence the proceeding within such 60-day period, Sun Bancshares shall pay you the amount you demanded.

The court in such an appraisal proceeding will determine all costs of the proceeding and assess the costs as it finds equitable. The proceeding is to be tried as in other civil actions; however, you will not have the right to a trial by jury. The court may also assess the fees and expenses of counsel and expenses for the respective parties, in the amounts the court finds equitable: (a) against Sun Bancshares if the court finds that it did not comply with the statute; or (b) against Sun Bancshares or you, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith. If the court finds that the services of counsel for you were of substantial benefit to other dissenting shareholders, and that the fees for those services should not be assessed against Sun Bancshares, the court may award to these counsel reasonable fees to be paid out of the amounts awarded the dissenting shareholders who were benefited. If Sun Bancshares failed to commence an appraisal proceeding within 60 days, the court shall assess the costs of the proceedings and the fees and expenses of counsel for Sun Bancshares.

The summary set forth above does not purport to be a complete statement of the provisions of the South Carolina Business Corporation Act relating to the rights of dissenting shareholders and is qualified in its entirety by reference to the applicable sections of the South Carolina Business Corporation Act, which are included as Appendix B to this proxy statement/prospectus. If you intend to exercise your dissenters' rights, you are urged to carefully review Appendix B and to consult with legal counsel so as to be in strict compliance therewith.

INFORMATION ABOUT SUN BANCSHARES

General

As used in this portion of the proxy statement/prospectus, unless context requires otherwise, the terms we and our refer to Sun Bancshares.

Sun Bancshares was incorporated as a South Carolina corporation on August 3, 1999, and became a bank holding company by acquiring all of the issued and outstanding common stock of SunBank, in Murrells Inlet, South Carolina. SunBank began operations in November 2000 and is the only subsidiary of Sun Bancshares. The principal business activity of SunBank is to provide banking services to domestic markets, principally in Horry County and Georgetown County, South Carolina.

The principal office of Sun Bancshares is 4210 Highway 17 Bypass, Murrells Inlet, South Carolina 29576, telephone number (843) 357-7007.

The following discussion contains forward-looking statements relating to, without limitation, future economic performance, plans, and objectives of management for future operations, and projections of revenues and other financial items that are based on the beliefs of Sun Bancshares management, as well as assumptions made by and information currently available to Sun Bancshares management. The words expect, estimate, anticipate, and believe, as well as similar expressions, are intended to identify forward-looking statements. Sun Bancshares actual results may differ materially from the results discussed in the forward-looking statements, and Sun Bancshares operating performance each quarter is subject to various risks and uncertainties.

Sun Bancshares Management's Discussion and Analysis of Financial Condition and Results of Operations for the Years Ended December 31, 2004 and December 31, 2003

Results of Operations for Year ended December 31, 2004, compared with year ended December 31, 2003

In 2004, net interest income was \$2,817,046, compared to \$1,722,276 for 2003, an increase of \$1,094,770, or 63.57%. Interest income totaled \$4,011,329 for the year ended December 31, 2004 as compared to \$2,481,315 for the same period in 2003. The largest component of interest income was from loans, including fees, which totaled \$3,833,454, as compared to \$2,314,685 in 2003. The increase interest income on loans was attributable to the increase in the volume of loans. Likewise, the volume of deposits also increased which led to an increase in interest expense on deposits. Total interest expense for 2004 was \$1,194,283, as compared to \$759,039 in 2003. The average rate realized on interest-earning assets decreased to 5.68% in 2004 from 5.70% in 2003, while the average rate paid on interest-bearing liabilities decreased to 2.05% in 2004 from 2.09% in 2003. The net interest spread and net interest margin were 3.63% and 3.99%, respectively, in 2004, compared to 3.61% and 3.96% in 2003.

The provision for loan losses is the charge to operating earnings that we believe is necessary to maintain the allowance for loan losses at an adequate level. For 2004 and 2003, the provision was \$491,561 and \$164,000, respectively. The significant increase in the provision for loan losses from 2003 to 2004 was primarily a result of management's efforts to fund the allowance for loan losses to match the growth in the loan portfolio. The allowance for loan losses was 1.29% and 1.01% at December 31, 2004 and 2003, respectively. Based on present information, we believe the allowance for loan losses is adequate at December 31, 2004 to meet presently known and inherent losses in the loan portfolio.

Total noninterest income in 2004 was \$490,974, an increase of \$115,686 compared to \$375,288 in 2003. The largest increase was in residential mortgage loan origination fees which increased \$69,620, or 46.21%, over the previous year. This increase was primarily a result of an increase in mortgage refinancings due to lower interest rates. The overall growth in deposits also led to an increase in service charges on deposit

accounts from \$172,452 in 2003 to \$200,235 in 2004. Other income also increased 21.75% from \$51,198 in 2003 to \$62,332 in 2004.

Total noninterest expense in 2004 was \$2,578,807, an increase of \$249,318, or 10.70%, when compared to 2003. Salaries and benefits increased \$190,659 to \$1,289,393 in 2004 from \$1,098,734 in 2003. The increase was a result of normal pay increases and the hiring of additional employees to support the growth of SunBank. Furniture and equipment expense increased \$39,757, or 22.06%, to \$220,016 in 2004. Occupancy expense increased \$32,964 from 2003 to \$364,916 in 2004. Increases in furniture and equipment and occupancy expense were attributable to expenses associated with the overall growth of Sun Bancshares.

In 2004 and 2003, the effective income tax rate was 39.83% and 36.15%, respectively. The company incurred in an income tax provision of \$94,665 in 2004, as compared to an income tax benefit of \$143,131 in 2003.

The combination of the above factors resulted in net income of \$142,987 in 2004 as compared to a net loss of \$252,794 in 2003. Our ability to become profitable in 2004 was primarily a result of the increased volume of earning assets and our ability to control our net interest spread and margin. The increase in noninterest income also contributed to the increase in net income.

Results of Operations for Year ended December 31, 2003, compared with year ended December 31, 2002

In 2003, net interest income was \$1,722,276, compared to \$1,140,563 for 2002, an increase of \$581,713 or 51.00%. The improvements in the 2003 period were primarily attributable to an increase in our volume of earning assets. The average rate realized on interest-earning assets decreased to 5.70% from 6.41%, while the average rate paid on interest-bearing liabilities decreased to 2.09% from 3.21% in 2003 and 2002, respectively. The net interest spread and net interest margin were 3.61% and 3.96%, respectively, in 2003, compared to 3.20% and 3.92% in 2002.

The provision for loan losses is the charge to operating earnings that we feel is necessary to maintain the allowance for loan losses at an adequate level. For 2003 and 2002, the provision was \$164,000 and \$172,000, respectively. The allowance for loan losses was 1.01% at December 31, 2003 and 1.19% at December 31, 2002.

Total noninterest income in 2003 was \$375,288, an increase of \$67,104 compared to \$308,184 in 2002. The largest increase was in residential loan origination fees accounts which increased \$71,523, or 90.38%, over the previous year. This increase was primarily due to an increase in the amount of mortgage refinancings due to the lower interest rate environment. The increase in deposits over the two periods also led to an increase in service charges. Service charges increased from \$138,863 in 2002 to \$172,452 in 2003. Gains on sales of securities were \$975 in 2003, as compared to \$50,809 in 2002.

Total noninterest expense in 2003 was \$2,329,489, an increase of \$512,849, or 28.23%, when compared to 2002. The largest increase was in salaries and employee benefits, which increased \$278,692, or 33.99%, to \$1,098,734. This increase was a result of normal pay increases and the addition of staff to meet the needs associated with the growth of SunBank. Furniture and equipment expense and other operating expenses increased \$35,442 and \$151,129, respectively.

The benefit for income taxes was \$143,131 and \$198,892 in 2003 and 2002, respectively. The effective income tax rate in 2003 and 2002 was 36.15% and 36.84%, respectively.

The combination of the above factors resulted in net loss of \$252,794 in 2003 compared to net loss of \$341,001 in 2002. The improvement over the two periods was a result of an increase in net interest income and an increase in noninterest income.

Net Interest Income

The largest component of Sun Bancshares' net income is its net interest income, which is the difference between the income earned on assets and interest paid on deposits and borrowings used to support such assets. Net interest income is determined by the yields earned on Sun Bancshares' interest-earning assets and the rates paid on its interest-bearing liabilities, the relative amounts of interest-earning assets and interest-bearing liabilities, and the degree of mismatch and the maturity and repricing characteristics of its interest-earning assets and interest-bearing liabilities. Net interest income divided by average interest-earning assets represents Sun Bancshares' net interest margin.

Interest Sensitivity

Sun Bancshares monitors and manages the pricing and maturity of its assets and liabilities in order to diminish the potential adverse impact that changes in interest rates could have on its net interest income. The principal monitoring technique employed by Sun Bancshares is the measurement of Sun Bancshares interest sensitivity gap, which is the positive or negative dollar difference between assets and liabilities that are subject to interest rate repricing within a given period of time. Interest rate sensitivity can be managed by repricing assets or liabilities, selling securities available-for-sale, replacing an asset or liability at maturity, or adjusting the interest rate during the life of an asset or liability. Managing the amount of assets and liabilities repricing in this same time interval helps to mitigate the risk and minimize the impact on net interest income of rising or falling interest rates.

The following table sets forth an analysis of Sun Bancshares interest rate sensitivity at December 31, 2004:

(1) Excludes nonaccrual loans

The table above reflects the balances of interest-earning assets and interest-bearing liabilities at the earlier of their repricing or maturity dates. Overnight federal funds are reflected at the earliest pricing interval due to the immediately available nature of the instruments. Debt securities are reflected at each instrument's ultimate maturity date. Scheduled payment amounts of fixed rate amortizing loans are reflected at each scheduled payment date. Scheduled payment amounts of variable rate amortizing loans are reflected at each scheduled payment date until the loan may be repriced contractually; the unamortized balance is reflected at that point. Interest-bearing liabilities with no contractual maturity, such as savings deposits and interest-bearing transaction accounts, are reflected in the earliest repricing period due to contractual arrangements which give Sun Bancshares the opportunity to vary the rates paid on those deposits within a thirty-day or shorter period. Fixed rate time deposits, principally certificates of deposit, are reflected at their contractual maturity date. Advances from the Federal Home Loan Bank are reflected at their contractual maturity date.

Sun Bancshares generally would benefit from increasing market rates of interest when it has an asset-sensitive gap position and generally would benefit from decreasing market rates of interest when it is liability-sensitive. Sun Bancshares is cumulatively asset-sensitive over periods greater than one year. However, Sun Bancshares' gap analysis is not a precise indicator of its interest-sensitivity position. The analysis presents only a static view of the timing of maturities and repricing opportunities, without taking into consideration that changes in interest rates do not affect all assets and liabilities equally. For example, rates paid on a substantial portion of core deposits may change contractually within a relatively short time frame, but those rates are viewed by management as significantly less interest-sensitive than market-based rates such as those paid on noncore deposits. Accordingly, management believes a short-term liability-sensitive gap position is not as indicative of Sun Bancshares' true interest-sensitivity as it would be for an organization which depends to a greater extent on purchased funds to support earning assets. Net interest income may be impacted by other significant factors in a given interest rate environment, including changes in the volume and mix of earning assets and interest-bearing liabilities.

Provision and Allowance for Loan Losses

Sun Bancshares has developed policies and procedures for evaluating the overall quality of its credit portfolio and the timely identification of potential problem credits. On a quarterly basis, the Sun Bancshares board of directors reviews and approves the appropriate level for Sun Bancshares' allowance for loan losses based upon management's recommendations, the results of the internal monitoring and reporting system, and an analysis of economic conditions in its market. The objective of management has been to fund the allowance for loan losses at an amount based on our internal risk rating system.

Additions to the allowance for loan losses, which are expensed as the provision for loan losses on Sun Bancshares' income statement, are made periodically to maintain the allowance at an appropriate level based on management's analysis of the losses inherent in the loan portfolio. Loan losses and recoveries are charged or credited directly to the allowance. The amount of the provision is a function of the level of loans outstanding, the level of nonperforming loans, historical loan loss experience, the amount of loan losses actually charged against the reserve during a given period, and current and anticipated economic conditions.

Sun Bancshares' allowance for loan losses is based upon judgments and assumptions of risk elements in the portfolio, future economic conditions, and other factors affecting borrowers. The process of determining the amount of the allowance includes identification and analysis of loss potential in various portfolio segments utilizing a credit risk grading process and specific reviews and evaluations of significant problem credits. In addition, management monitors the overall portfolio quality through observable trends in delinquency, charge-offs, and general and economic conditions in the service area. The adequacy of the allowance for loan losses and the effectiveness of Sun Bancshares' monitoring and analysis system are also reviewed periodically by the banking regulators and Sun Bancshares' independent auditors.

Edgar Filing: SCBT FINANCIAL CORP - Form S-4/A

Based on present information and an ongoing evaluation, management considers the allowance for loan losses to be adequate to meet presently known and inherent losses in the loan portfolio. Management's judgment about the adequacy of the allowance is based upon a number of assumptions about future events, which it believes to be reasonable but which may or may not be accurate. Thus, there can be no assurance that charge-offs in future periods will not exceed the allowance for loan losses or that additional increases in the allowance for loan losses will not be required. SunBank does not allocate the allowance for loan losses to specific categories of loans but evaluates the adequacy on an overall portfolio basis utilizing a risk grading system.

The following table sets forth certain information with respect to SunBank's allowance for loan losses and the composition of charge-offs and recoveries for the years ended December 31, 2004, 2003, and 2002:

Accrual of interest is discontinued on a loan when management believes, after considering economic, business conditions, and collection efforts, that the borrower's financial condition is such that the collection of interest is doubtful. A delinquent loan is generally placed in nonaccrual status when it becomes 90 days or more past due. When a loan is placed in nonaccrual status, all interest, which has been accrued on the loan but remains unpaid, is reversed and deducted from current earnings as a reduction of reported interest income. No additional interest is accrued on the loan balance until the collection of both principal and interest becomes reasonably certain. When a problem loan is finally resolved, there may ultimately be an actual write down or charge-off of the principal balance of the loan which would necessitate additional charges to earnings. For all periods presented, the additional interest income, which would have been recognized into earnings if SunBank's nonaccrual loans had been current in accordance with their original terms, is immaterial.

Potential Problem Loans

At December 31, 2004, SunBank reviewed its loan portfolio to identify any criticized or classified loans through its internal review mechanisms. The results of this internal review process are considered in determining management's assessment of the adequacy of the allowance for loan losses. The overall objective of SunBank has been to maintain the allowance for loan losses at an amount based on the internal review mechanism.

*Noninterest Income and Expense**Noninterest Income*

The largest component of noninterest income is residential mortgage origination fees, which totaled \$220,283 in 2004, a 46.21% increase over the 2003 amount of \$150,663. Service charges on deposit accounts increased from \$172,452 in 2003 to \$200,235 in 2004. The \$27,783 increase in service charges on deposit accounts is primarily attributable to the \$23,047 increase in NSF charges. Other income increased during the year ended December 31, 2004, as compared to 2003 as a result of increases in income from various deposit products.

Noninterest income increased \$67,104 from the year ended December 31, 2002 to the year ended December 31, 2003. The overall increase was primarily attributable to an increase in residential loan origination fees and service charges on deposit accounts. Residential loan origination fees increased \$71,523 from 2002 to 2003 while service charges increased \$33,589 during the same period. Residential loan origination fees increased due to mortgage refinancings as a result of the low interest rate environment and SunBank's overall marketplace, while service charges increased due to the overall increase in the volume of deposits.

Earning Assets

Loans

Loans are the largest category of earning assets and typically provide higher yields than the other types of earning assets. Associated with the higher loan yields are the inherent credit and liquidity risks which management attempts to control and counterbalance. Loans averaged \$62,227,688 in 2004 compared to \$34,777,375 in 2003, an increase of \$27,450,313, or 78.93%. At December 31, 2004, total loans were \$75,302,414 compared to \$47,184,416 at December 31, 2003.

The increase in loans during 2004 and 2003 was primarily due to the growth of SunBank as we continued to expand our presence in our marketplace. The following table sets forth the composition of the loan portfolio by category at the dates indicated and highlights SunBank's general emphasis on commercial and mortgage lending.

SunBank's loan portfolio is largely comprised of real estate mortgage loans. At December 31, 2004, real estate mortgage loans totaled \$37,107,995 and represented 49.28% of the total loan portfolio, compared to \$21,060,946, or 44.64%, at December 31, 2003.

In the context of this discussion, a real estate mortgage loan is defined as any loan, other than loans for construction purposes, secured by real estate, regardless of the purpose of the loan. It is common practice for financial institutions in SunBank's market area to obtain a security interest in real estate whenever possible, in addition to any other available collateral. This collateral is taken to reinforce the likelihood of the ultimate repayment of the loan and tends to increase the magnitude of the real estate loan portfolio component.

Residential mortgage loans increased \$3,412,883, or 39.17%, to \$12,126,296 at December 31, 2004, from \$8,713,413 at December 31, 2003. Residential real estate loans consist of first and second mortgages on single or multi-family residential dwellings. Nonresidential mortgage loans, which include commercial loans and other loans secured by multi-family properties and farmland, increased \$12,634,166, or 102.32%, to \$24,981,699 at December 31, 2004, from \$12,347,533 at December 31, 2003.

Commercial and industrial loans increased \$7,185,473, or 46.26%, to \$22,717,677 at December 31, 2004, from \$15,532,204 at December 31, 2003. Due to SunBank's market area, commercial and industrial lending continues to be an important segment of SunBank's loan portfolio.

Consumer loans increased \$262,304, or 6.93%, to \$4,049,886 at December 31, 2004, from \$3,787,582 at December 31, 2003. Consumer lending is not an important focus of SunBank's loan portfolio.

SunBank has two offices located in Murrells Inlet and Georgetown, South Carolina and primarily lends to residents of the area and local businesses. SunBank does not engage in any foreign lending.

The repayment of loans in the loan portfolio as they mature is also a source of liquidity for SunBank.

The following table sets forth SunBank's loans maturing within specified intervals at December 31, 2004:

Loan Maturity Schedule and Sensitivity to Changes in Interest Rates

(Dollars in thousands)	One Year or Less	Over One Year Through Five Years	Over Five Years	Total
Commercial and industrial	\$ 13,997	\$ 7,638	\$ 1,083	\$ 22,718
Real estate	37,988	8,728	116	46,832
Consumer and other	1,220	4,430	102	5,752
	\$ 53,205	\$ 20,796	\$ 1,301	\$ 75,302
Loans maturing after one year with:				
Fixed interest rates				\$ 22,097
Floating interest rates				\$ 22,097

The information presented in the above table is based on the contractual maturities of the individual loans, including loans which may be subject to renewal at their contractual maturity. Renewal of such loans is subject to review and credit approval as well as modification of terms upon their maturity. Consequently, management believes this treatment presents fairly the maturity and repricing structure of the loan portfolio shown in the above table.

Investment Securities

The investment securities portfolio is a significant component of SunBank's total earning assets. Total securities averaged \$4,281,109 in 2004, compared to \$4,940,763 in 2003. At December 31, 2004, the total securities portfolio was \$3,727,308, as compared to \$4,573,591 at December 31, 2003. All securities designated as available-for-sale were recorded at their estimated fair market value of \$3,373,108 and \$4,333,591 at December 31, 2004 and 2003, respectively. Nonmarketable equity securities include SunBank's investment in Federal Home Loan Bank stock and Federal Reserve stock. These securities were recorded at their amortized cost and totaled \$354,200 and \$240,000 at December 31, 2004 and 2003, respectively.

Short-Term Investments

Short-term investments, which consist primarily of federal funds sold, averaged \$4,097,417 in 2004, as compared to \$3,815,649 in 2003. At December 31, 2004 and 2003, short-term investments totaled \$465,000 and \$591,000, respectively. These funds are an important source of SunBank's liquidity. Federal funds are generally invested in an earning capacity on an overnight basis.

Deposits and Other Interest-Bearing Liabilities

Average interest-bearing liabilities increased \$21,748,558, or 59.78%, to \$58,129,205 in 2004, from \$36,380,647 in 2003. Average interest-bearing deposits increased \$21,398,030, or 59.33%, to \$57,463,186 in 2004, from \$36,065,156 in 2003.

Deposits

Average total deposits increased \$24,462,211, or 56.04%, to \$68,126,603 during 2004, from \$43,660,392 during 2003. At December 31, 2004, total deposits were \$69,798,852 compared to \$53,551,881 a year earlier, an increase of 30.34%. Included in total deposits were brokered deposits which totaled \$8,324,000 and \$7,132,000 at December 31, 2004 and 2003, respectively. The increase in deposits other than brokered deposits were attributable to SunBank's continued growth and presence in its marketplace.

The following table sets forth the average deposits of SunBank by category at the dates indicated:

(Dollars in thousands)	December 31, 2004		2003	
	Amount	Average Rate Paid	Amount	Average Rate Paid
Noninterest bearing transaction accounts	\$ 10,663	%	\$ 7,595	%
Interest-bearing transaction accounts	3,307	0.39	2,226	0.42
Savings	13,403	1.17	11,569	1.21
Time deposits \$100 and over	22,119	2.41	12,221	2.79
Other time deposits	18,634	2.52	10,049	2.59
Total deposits	\$ 68,126	2.04 %	\$ 43,660	2.08 %

Core deposits, which exclude certificates of deposit of \$100,000 or more, provide a relatively stable funding source for SunBank's loan portfolio and other earning assets. SunBank's core deposits increased \$11,358,634 in 2004 due to the continued growth of SunBank.

Edgar Filing: SCBT FINANCIAL CORP - Form S-4/A

Deposits, and particularly core deposits, have been SunBank's primary source of funding and have enabled SunBank to meet successfully both its short-term and long-term liquidity needs. SunBank's average loan-to-deposit ratio was 91.34% in 2004 and 79.65% in 2003.

Maturities of Certificates of Deposit of \$100,000 or more

The maturity distribution of SunBank's certificates of deposit \$100,000 or more at December 31, 2004, is set forth in the following table:

	Within Three Months	After Three Through Six Months	After Six Through Twelve Months	After Twelve Months	Total
Certificates of deposit of \$100,000 or more	\$ 4,915	\$ 4,351	\$ 10,406	\$ 3,260	\$ 22,932

Approximately 21.48% of SunBank's time deposits over \$100,000 had scheduled maturities within three months, and 40.50% had maturities within six months. Large certificate of deposit customers tend to be extremely sensitive to interest rate levels, making these deposits less reliable sources of funding for liquidity planning purposes than core deposits.

Borrowed Funds

Borrowed funds consist of short-term borrowings in the form of federal funds purchased and a note payable.

Average federal funds purchased were \$187,046 in 2004, compared to \$95,574 in 2003. Total federal funds purchased were \$3,001,000 at December 31, 2004. SunBank had no federal funds purchased at December 31, 2003. These purchases are typically for one day periods. Although management may from time to time use federal funds purchased as a secondary funding source, core deposits will continue to be SunBank's primary funding source.

The average balance of notes payable was \$304,109 in 2004 as compared to \$158,904 in 2003. In September 2003, Sun Bancshares executed a note with another financial institution for \$1,000,000 to provide capital to SunBank on a temporary basis. The note was repaid in April 2004 with proceeds generated from a secondary market stock offering.

Advances from the Federal Home Loan Bank

In 2004 SunBank obtained an advance from the Federal Home Loan Bank of Atlanta which totaled \$2,000,000 as of December 31, 2004. The average balance of the advance was \$174,863 in 2004. The advance bears a variable rate of interest, which was 2.44% at December 31, 2004, and matures November 30, 2005.

Capital

Sun Bancshares and SunBank are subject to various regulatory capital requirements administered by the federal banking agencies. For bank holding companies with less than \$150 million in consolidated assets, such as Sun Bancshares, the requirements apply on a bank only basis. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a material effect on SunBank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, Sun Bancshares must meet specific capital guidelines that involve quantitative measures of its assets, liabilities, and certain off-balance-sheet items as calculated under regulatory accounting practices. SunBank's capital amounts

and classifications are also subject to qualitative judgments by banking regulators about components, risk weightings, and other factors.

Quantitative measures established by the federal banking regulatory agencies to ensure capital adequacy require SunBank to maintain minimum ratios of Tier 1 and total capital as a percentage of assets and off-balance-sheet exposures, adjusted for risk weights ranging from 0% to 100%. Tier 1 capital consists of common shareholders' equity, excluding the unrealized gain or loss on securities available-for-sale, minus certain intangible assets. Tier 2 capital consists of the allowance for loan losses subject to certain limitations. Total capital for purposes of computing the capital ratios consists of the sum of Tier 1 and Tier 2 capital. The regulatory minimum requirements are 4% for Tier 1 and 8% for total risk-based capital.

The bank is also required to maintain capital at a minimum level based on total average assets, which is known as the leverage ratio. Only the strongest banks are allowed to maintain capital at the minimum requirement of 3%. All others are subject to maintaining ratios at least 1% to 2% above the minimum.

Analysis of Capital and Capital Ratios

The following table summarizes the capital ratios of SunBank and the regulatory minimum requirements at December 31, 2004 and 2003:

	SunBank	
	2004	2003
Tier 1 capital	\$ 8,628	\$ 4,944
Tier 2 capital	968	478
Total qualifying capital	\$ 9,596	\$ 5,422
Risk-adjusted total assets (including off-balance sheet exposures)	\$ 77,451	\$ 50,783
Tier 1 risk-based capital ratio	11.14 %	9.74 %
Total risk-based capital ratio	12.39	10.68
Tier 1 leverage ratio	10.42	8.94

Liquidity and Capital Resources

Shareholders' equity increased by \$4,606,404 during the year ended December 31, 2004. The primary reason for the increase was the result of proceeds generated from a secondary market stock offering. The offering resulted in the issuance of 500,000 shares of Sun Bancshares' common stock which resulted in proceeds of \$4,499,996 before issuance costs of \$39,452. After the close of the offering, \$3,000,000 was transferred to SunBank as additional capital and \$1,000,000 was used to repay an outstanding note payable. Net income of \$142,987 and a slight change in the fair market values of securities of \$2,873 also increased equity during the period.

For the near term, maturities and sales of securities available-for-sale are expected to be a primary source of liquidity as we deploy these funds into loans to achieve the desired mix of assets and liabilities. We also expect to build our deposit base. Short-term borrowings by SunBank are not expected to be a primary source of liquidity for the near term; however, we have approximately \$9,000,000 of unused lines of credit to purchase federal funds. Advances from the Federal Home Loan Bank will also continue to serve as a funding source, at least for the near future. We have the availability to borrow funds from the Federal Home Loan Bank up to 10% of SunBank's total assets which amounted to \$8,466,037 at December 31, 2004. As of December 31, 2004, we had borrowed \$2,000,000 on this line.

Critical Accounting Policies

We have adopted various accounting policies that govern the application of accounting principles generally accepted in the United States in the preparation of our financial statements. Our significant accounting policies are described in the footnotes to the consolidated financial statements at December 31, 2004 as filed on our annual report. Certain accounting policies involve significant judgments and assumptions by us that have a material impact on the carrying value of certain assets and liabilities. We consider these accounting policies to be critical accounting policies. The judgments and assumptions we use are based on historical experience and other factors, which we believe to be reasonable under the circumstances. Because of the nature of the judgments and assumptions we make, actual results could differ from these judgments and estimates that could have a material impact on our carrying values of assets and liabilities and our results of operations.

We believe the allowance for loan losses is a critical accounting policy that requires the most significant judgments and estimates used in preparation of our consolidated financial statements. Refer to the portion of this discussion that addresses our allowance for loan losses for a description of our processes and methodology for determining our allowance for loan losses.

Impact of Inflation

Unlike most industrial companies, the assets and liabilities of financial institutions such as Sun Bancshares are primarily monetary in nature. Therefore, interest rates have a more significant effect on Sun Bancshares performance than do the effects of changes in the general rate of inflation and change in prices. In addition, interest rates do not necessarily move in the same direction or in the same magnitude as the prices of goods and services. As discussed previously, management seeks to manage the relationships between interest sensitive assets and liabilities in order to protect against wide interest rate fluctuations, including those resulting from inflation.

Regulatory Matters

We are not aware of any current recommendations by regulatory authorities, which, if they were to be implemented, would have a material effect on liquidity, capital resources, or operations.

Sun Bancshares Management's Discussion and Analysis of Financial Condition and Results of Operations for the Periods Ended June 30, 2005 and June 30, 2004

The following is a discussion of Sun Bancshares' financial condition as of June 30, 2005 compared to December 31, 2004, and the results of operations for the three and six months ended June 30, 2005 compared to the three and six months ended June 30, 2004. These comments should be read in conjunction with Sun Bancshares' condensed financial statements and accompanying footnotes appearing in this report.

Results of Operations

Net Interest Income

For the six months ended June 30, 2005, net interest income increased \$740,900, or 62.80%, to \$1,920,758 as compared to \$1,179,858 for the same period in 2004. The net interest margin realized on earning assets increased to 4.53% for the six months ended June 30, 2005 from 3.62% for the same period in 2004. The interest rate spread also increased by 78 basis points to 4.08% at June 30, 2005 from 3.30% at June 30, 2004.

Net interest income increased from \$658,682 for the quarter ended June 30, 2005 to \$1,049,810 for the quarter ended June 30, 2005. This represents an increase of \$391,128, or 59.38%. The net interest margin

realized on earning assets increased from 3.81% for the quarter ended June 30, 2004 to 4.72% for the quarter ended June 30, 2005. The interest rate spread was 4.21% at June 30, 2005 and 3.42% at June 30, 2004.

Provision and Allowance for Loan Losses

The provision for loan losses is the charge to operating earnings that management believes is necessary to maintain the allowance for loan losses at an adequate level. For the six months ended June 30, 2005 and 2004, the provision charged to expense was \$185,609 and \$175,000, respectively. For the quarters ended June 30, 2005 and 2004, the provision charged to expense was \$120,000 and \$115,000, respectively. There are risks inherent in making all loans, including risks with respect to the period of time over which loans may be repaid, risks resulting from changes in economic and industry conditions, risks inherent in dealing with individual borrowers, and, in the case of a collateralized loan, risks resulting from uncertainties about the future value of the collateral. Sun Bancshares maintains an allowance for loan losses based on, among other things, historical experience, an evaluation of economic conditions, and regular reviews of delinquencies and loan portfolio quality. Management's judgment about the adequacy of the allowance is based upon a number of assumptions about future events, which it believes to be reasonable, but which may not prove to be accurate. Thus, there is a risk that chargeoffs in future periods could exceed the allowance for loan losses or that substantial additional increases in the allowance for loan losses could be required. Additions to the allowance for loan losses would result in a decrease of Sun Bancshares' net income and, possibly, its capital.

Noninterest Income

Noninterest income during the six months ended June 30, 2005 was \$253,611, an increase of \$45,745 from \$207,866 during the comparable period in 2004. The increase is due primarily to increases in residential mortgage origination fees. Residential mortgage origination fees increased \$60,836 to \$137,657, or 79.19%, from \$76,821 for the same period in 2004. Service charges decreased \$19,820 to \$82,653 for the six months ended June 30, 2005. In addition, we did not recognize any gains on sales of securities available for sale during the six months of 2005, but recognized \$2,917 during the same period in 2004.

For the quarter ended June 30, 2005, noninterest income increased \$28,041, or 23.98%, from \$116,939 for the same period in 2004. The largest increase in noninterest income was in residential mortgage origination fees. Residential mortgage origination fees increased \$33,209, or 67.89%, from \$48,914 to \$82,123 over the same period in 2004. Service charges on deposit accounts also decreased to \$45,022 from \$52,811, or 14.75%.

Noninterest Expense

Total noninterest expense for the six months ended June 30, 2005 was \$1,521,657, or 23.68%, higher than the \$1,230,281 amount for the six months ended June 30, 2004. The largest increase was in salaries and employee benefits, which increased from \$593,875 at June 30, 2004 to \$769,750 for the six months ended June 30, 2005. This increase was due to normal pay raises and the hiring of additional employees to support the growth of SunBank. Other operating expenses also increased \$85,501 to \$439,431 during the six months ended June 30, 2005 as compared to the same period in 2004.

For the quarter ended June 30, 2005, noninterest expense increased \$165,560, or 26.16%, over the same period in 2004. The largest increase between the quarters ended June 30, 2005 and June 30, 2004 was in salaries and employee benefits, which increased \$95,702, or 31.13%. This increase was associated with normal pay raises and the hiring of additional employees to support the growth of SunBank.

Income Taxes

The income tax provision for the six months ended June 30, 2005 was \$183,797 as compared to an income tax benefit of \$1,792 for the same period in 2004. The income tax provision for the three months ended June 30, 2005 was \$112,275 compared to \$14,997 for the same period in 2004.

Net Income (Loss)

The combination of the above factors resulted in net income for the six months ended June 30, 2005 of \$283,306 as compared to a net loss of \$15,765 for the same period in 2004. For the quarter ended June 30, 2005, net income was \$164,153 compared to net income of \$12,822 for the quarter ended June 30, 2004. The improvement over the two periods was attributable to the increased volume in earning assets, increased noninterest income, and management's ability to control its net interest margin.

Assets and Liabilities

During the first six months of 2005, total assets increased \$15,422,552 or 18.22%, when compared to December 31, 2004. The primary source of growth in assets was the increase in net loans which totaled \$80,512,831 at June 30, 2005. Federal funds sold increased \$5,632,000 from December 31, 2004 to \$6,097,000 at June 30, 2005. Total investment securities increased \$632,289 to \$4,359,597 at June 30, 2005. Total deposits increased \$19,952,709 to \$89,751,561 during the first six months of 2005. SunBank was successful in attracting growth in interest bearing transaction accounts and savings accounts during the first six months of 2005.

Investment Securities

Investment securities increased from \$3,727,308 at December 31, 2004 to \$4,359,597 at June 30, 2005. Sun Bancshares' nonmarketable equity securities totaled \$538,550 at June 30, 2005, as compared to \$354,200 at December 31, 2004.

Liquidity

Liquidity needs are met by Sun Bancshares through scheduled maturities of loans and investments on the asset side and through pricing policies on the liability side for interest-bearing deposit accounts. The level of liquidity is measured by the loan-to-total borrowed funds ratio, which was at 90.84% at June 30, 2005 and 100.67% at December 31, 2004.

Securities available-for-sale, which totaled \$3,821,047 at June 30, 2005, serves as a ready source of liquidity. Sun Bancshares also has lines of credit available with correspondent banks to purchase federal funds for periods from one to seven days. At June 30, 2005, unused lines of credit totaled \$9,400,000. AGREEMENT AND PLAN OF MERGER

THIS AGREEMENT AND PLAN OF MERGER (this *Agreement*) dated as of July 21, 2005 is by and between SCBT Financial Corporation, a South Carolina corporation (*Buyer*), Sun Bancshares, Inc., a South Carolina corporation (*Seller*).

Preamble

The Boards of Directors of Buyer and Seller are of the opinion that the transaction described herein is in the best interest of the parties and their respective shareholders. This Agreement provides for the merger of Seller with and into Buyer (the *Merger*). At the effective time of the Merger, the outstanding shares of the capital stock of Seller shall be converted into the right to receive shares of the common stock of Buyer and cash (as provided herein and subject to certain terms and conditions). As a result, shareholders of Seller shall become shareholders of Buyer. The transaction described in this Agreement is subject to the approvals of the shareholders of Seller, the Board of Governors of the Federal Reserve System and the South Carolina Board of Financial Institutions, as well as to the satisfaction of certain other conditions described in this Agreement. It is the intention of the parties to this Agreement that the Merger for federal income tax purposes shall qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986.

Immediately following the Closing of the Merger, SunBank, N.A., a national banking association and wholly owned subsidiary of Seller (the *Bank*) will remain in existence under its Articles of Association and Bylaws as in effect immediately prior to the Effective Time (but following the amendments described in Section 2.2 below) as a wholly owned subsidiary of Buyer. South Carolina Bank and Trust, N.A., a national banking association and wholly owned subsidiary of SCBT Financial Corporation (*SCBT*), will remain in existence under its Articles of Association and Bylaws as in effect immediately prior to the Effective Time as a wholly owned subsidiary of Buyer.

Certain terms used in this Agreement are defined in Section 11.1 of this Agreement.

NOW, THEREFORE, in consideration of the above and the mutual warranties, representations, covenants, and agreements set forth herein, and other good and valuable consideration and the receipt and sufficiency of which are acknowledged, the Parties, intending to be legally bound, agree as follows:

Article 1

TRANSACTIONS AND TERMS OF MERGER

1.1 Merger.

Subject to the terms and conditions of this Agreement, at the Effective Time, Seller shall be merged with and into Buyer pursuant to and with the effect provided in Section 3-11-106 of the SCBCA (the *Merger*), and Buyer shall be the Surviving Corporation resulting from the Merger and shall continue to be governed by the Laws of the State of South Carolina and the Bank shall become a wholly-owned subsidiary of Buyer, and shall so operate as a wholly owned subsidiary of Buyer for no less than two years from and after the Effective Time, unless there is a material change in the Bank's financial condition or CAMELS rating, or the Board of Directors of the Bank elects to consolidate with Buyer prior to the second anniversary date of the Effective Time. The Merger shall be consummated pursuant to the terms of this Agreement, which has been approved and adopted by the respective Boards of Directors of Seller and Buyer.

1.2 Time and Place of Closing.

The closing of the transactions contemplated hereby (the *Closing*) will take place at 9:00 A.M. Eastern Time on the date that the Effective Time occurs (or the immediately preceding day if the Effective

Time is earlier than 9:00 A.M. Eastern Time), or at such other time as the Parties, acting through their authorized officers, may mutually agree. The Closing shall be held at such location as may be mutually agreed upon by the Parties and may be effected by electronic or other transmission of signature pages, as mutually agreed upon.

1.3 Effective Time.

The Merger and other transactions contemplated by this Agreement shall become effective on the date and time the Articles of Merger (the *Articles of Merger*) reflecting the Merger shall be filed and become effective with the South Carolina Secretary of State (the *Effective Time*). Subject to the terms and conditions hereof, unless otherwise mutually agreed upon in writing by the authorized officers of each Party, the Parties shall use their reasonable efforts to cause the Effective Time to occur within five business days of the last of the following dates to occur: (i) the effective date (including expiration of any applicable waiting period) of the last required Consent of any Regulatory Authority having authority over and approving or exempting the Merger, and (ii) the date on which the shareholders of Seller approve this Agreement to the extent such approval is required by applicable Law or such later date within 30 days thereof as may be specified by Buyer.

1.4 Restructure of Transaction.

Buyer shall have the right to revise the structure of the Merger contemplated by this Agreement by merging Seller with and into a wholly-owned subsidiary of Buyer, *provided, that* no such revision to the structure of the Merger (i) shall result in any changes in the amount or type of the consideration which the holders of shares of Seller Common Stock or Seller Rights are entitled to receive under this Agreement, (ii) would unreasonably impede or delay consummation of the Merger, (iii) imposes any less favorable terms or conditions on Bank or Seller; or (iv) would contemplate the Bank being a wholly owned subsidiary of Seller for a period of less than two years; and further provided, however, no such revision shall be effective without the prior written consent of Seller. Buyer may request such consent by giving written notice to Seller in the manner provided in Section 11.8, which notice shall be in the form of an amendment to this Agreement or in the form of a proposed amendment to this Agreement or in the form of an Amended and Restated Agreement and Plan of Merger, and the addition of such other exhibits hereto as are reasonably necessary or appropriate to effect such change.

Article 2 TERMS OF MERGER

2.1 Charter.

The Articles of Incorporation of Buyer in effect immediately prior to the Effective Time shall be the Articles of Incorporation of the Surviving Corporation until otherwise duly amended or repealed.

2.2 Bylaws.

The Bylaws of Buyer in effect immediately prior to the Effective Time shall be the Bylaws of the Surviving Corporation until otherwise duly amended or repealed. Prior to the Effective Time, the Bylaws of the Bank shall be amended to require shareholder approval to take any action prohibited by the provisions of Section 7.2.

2.3 Directors and Officers.

(a) The directors of Buyer in office immediately prior to the Effective Time, together with such additional persons as may thereafter be elected, shall serve as the directors of the Surviving Corporation from and after the Effective Time in accordance with the Surviving Corporation's Bylaws, until the earlier

of their resignation or removal or otherwise ceasing to be a director. Buyer shall take all action necessary, including but not limited to the amendment of the Surviving Corporation's Bylaws, to execute the appointment of Dalton B. Floyd, Jr. to the Board of Directors of Buyer, effective as soon as practicable following the Effective Time. The officers of Buyer in office immediately prior to the Effective Time, together with such additional persons as may thereafter be elected, shall serve as the officers of the Surviving Corporation from and after the Effective Time in accordance with the Surviving Corporation's Bylaws, until the earlier of their resignation or removal or otherwise ceasing to be an officer.

(b) The directors of the Bank in office immediately prior to the Effective Time shall serve as directors of the Bank from and after the Effective Time in accordance with the Bank's Bylaws, until the earlier of their resignation or removal or otherwise ceasing to be a director. Buyer and Seller shall take all action necessary, including but not limited to the amendment of the Bank's Bylaws, to execute the appointment of a senior executive officer of Buyer to the Board of Directors of the Bank, effective as soon as practicable following the Effective Time. The Bank's Bylaws shall be amended to provide that, subject to the approval of the shareholder of the Bank, such approval not to be unreasonably withheld, in the event of a vacancy on the Bank's Board of Directors during the two year period following the Effective Time, any such vacancy (other than a vacancy in the position held by a senior executive officer of Buyer) shall be appointed by the remaining members of the Board of Directors of the Bank, unless (i) there is a material change in the Bank's financial condition, (ii) there is a material change in the Bank's CAMELS rating, (iii) there is an objection to any such appointment by any Regulatory Authority, or (iv) the Board of Directors of the Bank elects to consolidate with Buyer prior to the second anniversary date of the Effective Time.

(c) The Bank's directors shall be paid \$300 per member per board meeting attended and \$150 per member per committee meeting attended.

Article 3

MANNER OF CONVERTING SHARES

3.1 Effect on Seller Common Stock.

(a) At the Effective Time, in each case subject to Section 3.1(d), by virtue of the Merger and without any action on the part of the Parties or the holder thereof, shares of Seller Common Stock that are issued and outstanding immediately prior to the Effective Time (other than shares of Seller Common Stock held by either Party or any Subsidiary of a Party (in each case other than shares of Seller Common Stock held on behalf of third parties or held by any Buyer Entity or Seller Entity, as a result of debts previously contracted) or shares of the Common Stock that are owned by shareholders properly exercising their dissenters' rights pursuant to Sections 33-13-101 through 33-13-310 of the SCBCA (the *Dissenter Shares*)) shall be converted into the right to receive \$4,374,000 in cash (subject to adjustment as provided below) and no more than 564,387 of shares of Buyer Common Stock, less any applicable withholding Taxes (the *Merger Consideration*). In addition, Buyer anticipates paying approximately \$2,860,550 in cash to the holders of Seller Rights pursuant to Sections 3.3 and 3.4 below. The cash portion of the Merger Consideration shall be increased proportionately if any Seller Rights outstanding on the date hereof are exercised prior to the Effective Date and therefore are not exchanged for cash as contemplated by Section 3.3 or 3.4. The cash portion of the Merger Consideration shall be reduced (x) to reflect any cash payments to be made pursuant to Section 3.5 below and (y) by the amount by which Buyer makes aggregate payments in excess of \$100,000 on behalf of or to discharge any payment obligation of Seller or any Seller Entity for any termination fees, liquidated damages, or similar charges related to change of control or similar provisions in any contract or other agreement, whether written or oral, that are triggered by this Merger, other than (i) payments in the amount of \$300,000 to Thomas Bouchette (which amount includes the \$103,000 payment in exchange for his execution of the Noncompete Agreement) and \$100,000 to Randy L. Carmon, (ii) proposed service continuation payments in the amount of \$25,000 to John

A-7

Truelove, \$15,000 to Joel Odom, and \$15,000 to Judy Majors, and (iii) amounts due under Seller's agreement with FiServ. The exact amount of cash and shares of Buyer Common Stock into which each such share of Seller Common Stock shall be converted (the *Per Share Purchase Price*) shall be determined on a pro rata basis at the Effective Time. For example, after taking into the account the anticipated cash payments under Sections 3.3 and 3.4, assuming no reduction in the Merger Consideration for contract payments as described above, assuming no Seller shareholders exercise dissenter's rights, and assuming the total number of shares of Seller Common Stock issued and outstanding immediately prior to the Effective Time is 1,215,000 shares, then each share Seller Common Stock would be converted into the right to receive \$3.60 in cash and 0.464516 shares of Buyer Common Stock.

(b) At the Effective Time, all shares of Seller Common Stock shall no longer be outstanding and shall automatically be cancelled and retired and shall cease to exist as of the Effective Time, and each certificate previously representing any such shares of Seller Common Stock (the *Certificates*) shall thereafter represent only the right to receive the Merger Consideration and any Dissenting Shares shall thereafter represent only the right to receive applicable payments as set forth in Section 3.5.

(c) If, prior to the Effective Time, the outstanding shares of Seller Common Stock or Seller Rights shall have been increased, decreased, changed into or exchanged for a different number or kind of shares or securities as a result of a reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split, or other similar change in capitalization, then an appropriate and proportionate adjustment shall be made to the Per Share Purchase Price.

(d) Each share of Seller Common Stock issued and outstanding immediately prior to the Effective Time and owned by any of the Parties or their respective Subsidiaries (in each case other than shares of Seller Common Stock held on behalf of third parties or as a result of debts previously contracted) shall, by virtue of the Merger and without any action on the part of the holder thereof, cease to be outstanding, shall be cancelled and retired without payment of any consideration therefor and shall cease to exist (the *Excluded Shares*).

3.2 Buyer Common Stock.

At and after the Effective Time, each share of Buyer Common Stock issued and outstanding immediately prior to the Effective Time shall remain an issued and outstanding share of Buyer Common Stock and shall not be affected by the Merger.

3.3 Seller Options.

(a) Immediately prior to the Effective Time, each option (each, a *Seller Option*) to acquire a share of Seller Common Stock granted pursuant to Seller's 2000 Stock Incentive Plan then outstanding shall be cancelled and shall entitle the holder of each Seller Option to receive cash (without interest) equal to the amount by which, if any, \$18.00 exceeds the exercise price per share of Seller Common Stock under such Seller Option (with the aggregate amount of such payment rounded down to the nearest cent) less applicable Taxes, if any, required to be withheld with respect to such payment. No consideration shall be paid with respect to any Seller Option, the exercise price of which exceeds \$18.00.

(b) The Seller's Board of Directors and its Compensation Committee shall not make any grants of Seller Options and, with the exception of the potential exercise of options for 5,000 shares awarded to Linwood Wilson, shall prevent the exercise of any Seller Options following the execution of this Agreement.

(c) The Seller's Board of Directors or its Compensation Committee shall make such adjustments and amendments to or make such determinations with respect to the Seller Options to effect the foregoing provisions of this Section 3.3.

3.4 Seller Warrants.

(a) Buyer shall pay each holder (each a *Warrantholder*) of an outstanding warrant to purchase shares of Seller Common Stock (each, a *Seller Warrant* and collectively with the Seller Options, the *Seller Rights*) upon surrender of each Warrant, cash (without interest) equal to the amount by which, if any, \$18.00 exceeds the exercise price per share of Seller Common Stock under such Seller Warrant (with the aggregate amount of such payment rounded down to the nearest cent) less applicable Taxes, if any, required to be withheld with respect to such payment. No consideration shall be paid with respect to any Seller Warrant, the exercise price of which exceeds \$18.00. The Seller's Board of Directors and its Compensation Committee shall not make any grants of Seller Warrants and shall prevent the exercise of any Seller Warrants following the execution of this Agreement.

3.5 Dissenting Shareholders.

Any holder of shares of Seller Common Stock who perfects such holder's dissenters' rights in accordance with and as contemplated by Sections 33-13-101 through 33-13-310 of the SCBCA shall be entitled to receive from the Surviving Corporation, in lieu of the Per Share Purchase Price, the value of such shares as to which dissenters' rights have been perfected in cash as determined pursuant to such provision of Law; *provided, that* no such payment shall be made to any dissenting shareholder unless and until such dissenting shareholder has complied with all applicable provisions of such Law, and surrendered to Seller the certificate or certificates representing the shares for which payment is being made. In the event that after the Effective Time a dissenting shareholder of Seller fails to perfect, or effectively withdraws or loses, such holder's right to appraisal of and payment for such holder's Dissenting Shares, Buyer or the Surviving Corporation shall issue and deliver the consideration to which such holder of shares of Seller Common Stock is entitled under this Article 3 (without interest) upon surrender by such holder of the certificate or certificates representing such shares of Seller Common Stock held by such holder.

ARTICLE 4

PAYMENT OF SHARES

4.1 Payment Procedures.

(a) As soon as reasonably practicable after the Effective Time, Buyer shall cause the exchange agent selected by Buyer (the *Exchange Agent*) to mail to the former shareholders of Seller and former holders of Seller Rights appropriate transmittal materials (which shall specify that delivery shall be effected, and risk of loss and title to the certificates or other instruments theretofore representing shares of Seller Common Stock and Seller Rights shall pass, only upon proper delivery of such certificates or other instruments to the Exchange Agent). The certificate or certificates of Seller Common Stock and instruments representing Seller Rights so surrendered shall be duly endorsed as the Exchange Agent may reasonably require. In the event of a transfer of ownership of shares of Seller Common Stock represented by certificates that is not registered in the transfer records of Seller, the Merger Consideration payable for such shares as provided in Section 3.1 may be issued to a transferee if the certificates representing such shares are delivered to the Exchange Agent, accompanied by all documents required to evidence such transfer and by evidence reasonably satisfactory to the Exchange Agent that such transfer is proper and that any applicable stock transfer taxes have been paid. In the event any certificate representing Seller Common Stock certificate or Seller Right shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such certificate to be lost, stolen or destroyed and the posting by such person of a bond in such amount as Buyer may reasonably direct as indemnity against any claim that may be made against it with respect to such certificate, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed certificate the Merger Consideration as provided for in Section 3.1. Any other provision of this Agreement notwithstanding, neither any Buyer Entity, nor any Seller Entity, nor the Exchange Agent shall be liable to any holder of Seller Common Stock or to any holder of Seller Rights for any amounts paid or properly delivered in good faith to a public official pursuant to any applicable abandoned property, escheat or similar Law.

To the extent that any amounts are so withheld by Buyer, the Surviving Corporation or the Exchange Agent, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of Seller Common Stock or Seller Rights, as applicable in respect of which such deduction and withholding was made by Buyer, the Surviving Corporation or the Exchange Agent, as the case may be.

4.2 Rights of Former Seller Shareholders.

At the Effective Time, the stock transfer books of Seller shall be closed as to holders of Seller Common Stock and no transfer of Seller Common Stock by any holder of such shares shall thereafter be made or recognized. Until surrendered for exchange in accordance with the provisions of Section 4.1, each Certificate theretofore representing shares of Seller Common Stock (other than certificates representing Excluded Shares and Dissenting Shares), shall from and after the Effective Time represent for all purposes only the right to receive the Merger Consideration, without interest, as provided in Article 3.

(o) take any action or fail to take any action that at the time of such action or inaction is reasonably likely to prevent, or would be reasonably likely to materially interfere with, the consummation of this Merger.

7.3 Adverse Changes in Condition.

Each Party agrees to give written notice promptly to the other Party upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of its Subsidiaries which (i) has had or is reasonably likely to have, individually or in the aggregate, a Seller Material Adverse Effect or a Buyer Material Adverse Effect, as applicable, (ii) would cause or constitute a material breach of any of its representations, warranties, or covenants contained herein, or (iii) would be reasonably likely to prevent or materially interfere with the consummation of the Merger, and to use its reasonable efforts to prevent or promptly to remedy the same.

7.4 Reports.

Each of Buyer and its Subsidiaries and Seller and its Subsidiaries shall file all reports required to be filed by it with Regulatory Authorities between the date of this Agreement and the Effective Time and shall deliver to the other Party copies of all such reports promptly after the same are filed. Seller and its Subsidiaries shall provide Buyer with monthly financial statements and quarterly call reports including quarterly call reports for the quarters ending June 30, 2005 and September 30, 2005. The financial statements, whether or not contained in any such reports filed under the Exchange Act or with any other Regulatory Authority, will fairly present the consolidated financial position of the entity filing such statements as of the dates indicated and the consolidated results of operations, changes in shareholders' equity, and cash flows for the periods then ended in accordance with GAAP (subject in the case of interim financial statements to normal recurring year-end adjustments that are not material). As of their respective dates, such reports filed under the Exchange Act or with any other Regulatory Authority will comply in all material respects with the Securities Laws and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Any financial statements contained in any other reports to another Regulatory Authority shall be prepared in accordance with the Laws applicable to such reports.

ARTICLE 8 ADDITIONAL AGREEMENTS

8.1 Shareholder Approvals.

(a) As promptly as reasonably practicable after execution of this Agreement, (i) in connection with the Seller's Shareholders' Meeting, Seller shall prepare (with reasonable requested assistance from Buyer) and file with the Commission, a Proxy Statement and subject to the requirements of the applicable Regulatory Authorities, mail such Proxy Statement to Seller's shareholders, and (ii) the Parties shall furnish to each other all information concerning them that they may reasonably request in connection with such Proxy Statement. Buyer and Seller shall timely and properly make all necessary filings with respect to the Merger under the Securities Laws. Seller will advise Buyer when the definitive Proxy Statement or any supplement or amendment has been filed, or of any request by the Commission for the amendment or supplement of the Proxy Statement, or for additional information. Buyer and Seller shall provide each

other promptly with copies of all filings and letters to and from the Commission and other Regulatory Authorities. Buyer shall be entitled to review and comment on this Proxy Statement prior to it being filed with the Commission.

(b) Seller shall duly call, give notice of, convene and hold a Shareholders Meeting, to be held as soon as reasonably practicable after the definitive Proxy Statement is filed with the Commission and not later than 35 days thereafter on a date reasonably acceptable to Buyer, for the purpose of voting upon approval and adoption of this Agreement, the Merger, and the related transactions (*Seller Shareholder Approval*) and such other related matters as it deems appropriate and shall, subject to the provisions of Section 8.1(c), through its Board of Directors, recommend to its shareholders the approval and adoption of this Agreement and use its reasonable efforts to obtain the Seller Shareholder Approval.

(c) Neither the Board of Directors of Seller nor any committee thereof shall (i) except as expressly permitted by this Section, withdraw, qualify or modify, or propose publicly to withdraw, qualify or modify, in a manner adverse to Buyer, the approval or recommendation of such Board of Directors or such committee of the Merger or this Agreement, (ii) approve or recommend, or propose publicly to approve or recommend, any Acquisition Proposal, or (iii) cause Seller to enter into any letter of intent, agreement in principle, acquisition agreement or other document, instrument or agreement (each, an *Acquisition Agreement*) related to any Acquisition Proposal. Notwithstanding the foregoing, in the event that, prior to the adoption of this Agreement by the holders of Seller Common Stock, the Board of Directors of Seller determines in good faith that it has received a Superior Proposal and, after receipt of a written opinion from outside counsel, that the failure to accept the Superior Proposal would result in the Board of Directors of Seller breaching its fiduciary duties to Seller shareholders under applicable Law, the Board of Directors of Seller may (subject to this and the following sentences) inform Seller shareholders that it no longer believes that the Merger is advisable and no longer recommends approval and may (subject to this Section) approve or recommend a Superior Proposal (and in connection therewith withdraw or modify its approval or recommendation of this Agreement and the Merger) (a *Subsequent Determination*), but only at a time that is after the fifth business day following Buyer's receipt of written notice advising Buyer that the Board of Directors of Seller has received a Superior Proposal specifying the material terms and conditions of such Superior Proposal (and including a copy thereof with all accompanying documentation, if in writing), identifying the person making such Superior Proposal and stating that it intends to make a Subsequent Determination. After providing such notice, Seller shall provide Buyer reasonable opportunity during this five business day period to make such adjustments in the terms and conditions of this Agreement as would enable Seller to proceed with its recommendation to its shareholders without a Subsequent Determination; *provided, however*, that any such adjustment shall be at the discretion of the Parties at the time. Notwithstanding any other provision of this Agreement, except to the extent prohibited by the SCBCA determined by Seller after consultation with Seller's counsel, Seller shall submit this Agreement to its shareholders at its Shareholders Meeting even if the Board of Directors of Seller determines at any time after the date hereof that it is no longer advisable or recommends that Seller shareholders reject it, in which case the Board of Directors of Seller may communicate the basis for its lack of recommendation to the shareholders in the Proxy Statement or any appropriate amendment or supplement thereto.

(d) Seller agrees, as to itself and its Subsidiaries, that (i) the Proxy Statement and any amendment or supplement thereto will comply in all material respects with the applicable provisions of the Exchange Act and the rules and regulations thereunder, along with the SCBCA, and (ii) none of the information supplied by Seller or any of its Subsidiaries for inclusion or incorporation by reference in the Proxy Statement will at the date of the mailing to its shareholders or at the time of the meeting of its shareholders held for the purpose of obtaining the Seller shareholder approval, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading.

8.2 Registration Statement.

(a) Each of Buyer and Seller agrees to cooperate in the preparation of a Registration Statement on Form S-4 to be filed by Buyer with the SEC in connection with the issuance of Buyer Common Stock in the Merger (including the Proxy Statement and all related documents). Provided Seller has cooperated as required above, Buyer agrees to file the Registration Statement with the SEC as promptly as practicable, but in no event later than 60 days after the date of this Agreement. Each of Seller and Buyer agrees to use all reasonable efforts to cause the Registration Statement to be declared effective under the 1933 Act as promptly as reasonably practicable after filing thereof. Buyer also agrees to use all reasonable efforts to obtain all necessary state securities law or Blue Sky permits and approvals required to carry out the transactions contemplated by this Agreement. Seller agrees to furnish Buyer all information concerning Seller, the Bank, and their respective officers, directors, and shareholders as may be reasonably requested in connection with the foregoing. As a result of the registration of the Buyer Common Stock pursuant to the Registration Statement, such stock shall be freely tradable by the shareholders of Seller except to the extent that the transfer of any shares of Buyer Common Stock received by shareholders of Seller is subject to the provisions of Rule 145 under the Securities Act or restricted under Tax rules. Seller and its counsel shall have a reasonable opportunity to review and comment on the Registration Statement being filed with the SEC and any responses filed with the SEC regarding the Registration Statement.

(b) Each of Seller and Buyer agrees, as to itself and its Subsidiaries, that none of the information supplied or to be supplied by it for inclusion or incorporation by reference in (i) the Registration Statement will, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the 1933 Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and (ii) the Proxy Statement and any amendment or supplement thereto will, at the date of mailing to Buyer shareholders contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading with respect to any material fact, or which will omit to state any material fact necessary in order to make the statements therein not false or misleading or necessary to correct any statement in any earlier statement in the Proxy Statement or any amendment or supplement thereto. Each of Seller and Buyer further agrees that if it shall become aware prior to the Effective Date of any information that would cause any of the statements in the Proxy Statement to be false or misleading with respect to any material fact, or to omit to state any material fact necessary to make the statements therein not false or misleading, to promptly inform the other Party thereof and to take the necessary steps to correct the Proxy Statement.

(c) In the case of Buyer, Buyer will advise Seller, promptly after Buyer receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, or of the issuance of any stop order or the suspension of the qualification of the Buyer Common Stock for offering or sale in any jurisdiction, of the initiation or threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

(d) Nothing in this Section 8.2 or elsewhere in this Agreement shall prohibit accurate disclosure by Seller of information that is required to be disclosed in the Registration Statement of the Proxy Statement or in any other document required to be filed with the SEC (including, without limitation, a Solicitation/Recommendation Statement on Schedule 14D-9) or otherwise required to be publicly disclosed by applicable Law or the regulations and rules of the NASD.

8.3 Other Offers, etc.

(a) No Seller Entity shall, nor shall it authorize or permit any of its Affiliates or Representatives to, directly or indirectly (i) solicit, initiate, encourage or induce the making, submission or announcement of

any Acquisition Proposal, (ii) participate in any discussions or negotiations regarding, or furnish to any Person or Group (as such term is defined in Section 13(d) under the Exchange Act) any nonpublic information with respect to, or take any other action to facilitate any inquiries or the making of any proposal that constitutes or may reasonably be expected to lead to, any Acquisition Proposal, (iii) subject to Section 8.3(c), approve, endorse or recommend any Acquisition Proposal, or (iv) enter into any Acquisition Agreement contemplating or otherwise relating to any Acquisition Transaction; *provided, however*, that this Section 8.3 shall not prohibit a Seller Entity from furnishing nonpublic information regarding any Seller Entity to, or entering into a confidentiality agreement or discussions or negotiations with, any Person or Group in response to a *bona fide* unsolicited written Acquisition Proposal submitted by such Person or Group (and not withdrawn) if (A) no Seller Entity or Representative or Affiliate thereof shall have violated any of the restrictions set forth in this Section 8.3, (B) the Board of Directors of Seller determines in its good faith judgment (based on, among other things, the advice of the Seller Financial Advisor that such Acquisition Proposal constitutes a Superior Proposal, (C) the Board of Directors of Seller concludes in good faith, after consultation with and receipt of a written opinion from its outside legal counsel, that the failure to take such action would be inconsistent with its fiduciary duties, as such duties would exist in the absence of this Section 8.3, to the shareholders of Seller under applicable Law, (D) (1) at least five business days prior to furnishing any such nonpublic information to, or entering into discussions or negotiations with, such Person or Group, Seller gives Buyer written notice of the identity of such Person or Group and of Seller's intention to furnish nonpublic information to, or enter into discussions or negotiations with, such Person or Group, and (2) Seller receives from such Person or Group an executed confidentiality agreement containing terms no less favorable to the disclosing Party than the confidentiality terms of this Agreement, and (E) contemporaneously with furnishing any such nonpublic information to such Person or Group, Seller furnishes such nonpublic information to Buyer (to the extent such nonpublic information has not been previously furnished by Seller to Buyer). In addition to the foregoing, Seller shall provide Buyer with at least five business days prior written notice of a meeting of the Board of Directors of Seller at which meeting the Board of Directors of Seller is reasonably expected to resolve to recommend a Superior Proposal to its shareholders and together with such notice a copy of the most recently proposed documentation relating to such Superior Proposal; *provided, further*, that Seller hereby agrees promptly to provide to Buyer any revised documentation and any Acquisition Agreement.

(b) In addition to the obligations of Seller set forth in this Section 8.3, as promptly as practicable, after any of the directors or executive officers of Seller become aware thereof, Seller shall advise Buyer of any request received by Seller for nonpublic information which Seller reasonably believes could lead to an Acquisition Proposal or of any Acquisition Proposal, the material terms and conditions of such request or Acquisition Proposal, and the identity of the Person or Group making any such request or Acquisition Proposal. Seller shall keep Buyer informed promptly of material amendments or modifications to any such request or Acquisition Proposal.

(c) Seller shall, and shall cause its Subsidiaries directors, officers, employees and Representatives to immediately cease any and all existing activities, discussions or negotiations with any Persons conducted heretofore with respect to any Acquisition Proposal and will use and cause to be used all commercially reasonable best efforts to enforce any confidentiality or similar or related agreement relating to any Acquisition Proposal.

(d) Nothing contained in this Agreement shall prevent a Party or its Board of Directors from complying with Rule 14d-9 and Rule 14e-2 under the Exchange Act with respect to an Acquisition Proposal, *provided, that* such Rules will in no way eliminate or modify the effect that any action pursuant to such Rules would otherwise have under this Agreement.

8.4 Consents of Regulatory Authorities

The Parties hereto shall cooperate with each other and use their reasonable efforts to promptly prepare and file all necessary documentation and applications, to effect all applications, notices, petitions and filings, and to obtain as promptly as practicable all Consents of all Regulatory Authorities and other Persons which are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger). The Parties agree that they will consult with each other with respect to the obtaining of all Consents of all Regulatory Authorities and other Persons necessary or advisable to consummate the transactions contemplated by this Agreement and each Party will keep the other apprised of the status of matters relating to contemplation of the transactions contemplated herein. Each Party also shall promptly advise the other upon receiving any communication from any Regulatory Authority or other Person whose Consent is required for consummation of the transactions contemplated by this Agreement which causes such Party to believe that there is a reasonable likelihood that any requisite Consent will not be obtained or that the receipt of any such Consent will be materially delayed.

8.5 Agreement as to Efforts to Consummate.

Subject to the terms and conditions of this Agreement, each Party agrees to use, and to cause its Subsidiaries to use, its reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper, or advisable under applicable Laws to consummate and make effective, as soon as reasonably practicable after the date of this Agreement, the transactions contemplated by this Agreement, including using its reasonable efforts to lift or rescind any Order adversely affecting its ability to consummate the transactions contemplated herein and to cause to be satisfied the conditions referred to in Article 9; *provided, that* nothing herein shall preclude either Party from exercising its rights under this Agreement.

8.6 Investigation and Confidentiality.

(a) Prior to the Effective Time, each Party shall keep the other Party advised of all material developments relevant to its business and the consummation of the Merger and shall permit the other Party to make or cause to be made such investigation of its business and properties (including that of its Subsidiaries) and of their respective financial and legal conditions as the other Party reasonably requests, *provided, that* such investigation shall be reasonably related to the transactions contemplated hereby and shall not interfere unnecessarily with normal operations. No investigation by a Party shall affect the ability of such Party to rely on the representations and warranties of the other Party. Between the date hereof and the Effective Time, Seller shall permit Buyer's senior officers and independent auditors to meet with the senior officers of Seller, including officers responsible for the Seller Financial Statements, the internal controls of Seller and the disclosure controls and procedures of Seller and Seller's independent public accountants, to discuss such matters as Buyer may deem reasonably necessary or appropriate for Buyer to satisfy its obligations under Sections 302, 404 and 906 of the Sarbanes-Oxley Act.

(b) In addition to each Party's obligations pursuant to Section 8.6(a), each Party shall, and shall cause its advisors and agents to, maintain the confidentiality of all confidential information furnished to it by the other Party concerning its and its Subsidiaries' businesses, operations, and financial positions and shall not use such information for any purpose except in furtherance of the transactions contemplated by this Agreement. If this Agreement is terminated prior to the Effective Time, each Party shall promptly return or certify the destruction of all documents and copies thereof, and all work papers containing confidential information received from the other Party.

(c) Seller shall use its reasonable efforts to exercise, and shall not waive any of, its rights under confidentiality agreements entered into with Persons which were considering an Acquisition Proposal with respect to Seller to preserve the confidentiality of the information relating to the Seller Entities provided to such Persons and their Affiliates and Representatives.

(d) Each Party agrees to give the other Party notice as soon as practicable after any determination by it of any fact or occurrence relating to the other Party which it has discovered through the course of its investigation and which represents, or is reasonably likely to represent, either a material breach of any representation, warranty, covenant or agreement of the other Party or which has had or is reasonably likely to have a Seller Material Adverse Effect or a Buyer Material Adverse Effect, as applicable.

8.7 Press Releases.

Prior to the Effective Time, Seller and Buyer shall consult with each other as to the form and substance of any press release, communication with Seller Shareholders, or other public disclosure materially related to this Agreement or any other transaction contemplated hereby; *provided, that* nothing in this Section 8.7 shall be deemed to prohibit any Party from making any disclosure which its counsel deems necessary or advisable in order to satisfy such Party's disclosure obligations imposed by Law.

8.8 Charter Provisions.

Each Seller Entity shall take all necessary action to ensure that the entering into of this Agreement and the consummation of the Merger and the other transactions contemplated hereby do not and will not result in the grant of any rights to any Person under the Articles of Incorporation, Bylaws or other governing instruments of any Seller Entity or restrict or impair the ability of Buyer or any of its Subsidiaries to vote, or otherwise to exercise the rights of a shareholder with respect to, shares of any Seller Entity that may be directly or indirectly acquired or controlled by them.

8.9 Employee Benefits and Contracts.

(a) Following the Effective Time, Buyer shall provide generally to officers and employees of the Seller Entities employee benefits under employee benefit and welfare plans (other than stock option or other plans involving the potential issuance of Buyer Common Stock), including Buyer's severance plan, on terms and conditions which when taken as a whole are comparable to those then provided by the Buyer Entities to their similarly situated officers and employees. For purposes of participation, vesting and benefit accrual under Buyer's employee benefit plans, the service of the employees of the Seller Entities prior to the Effective Time shall be treated as service with a Buyer Entity participating in such employee benefit plans. Notwithstanding the foregoing, employees of Seller Entities shall not be eligible to participate in (i) Buyer's 401(k) plan earlier than January 1, 2006, and (ii) Buyer's retirement plans that are defined benefit plans. Seller shall terminate its Employee Benefit Plans effective immediately prior to the Effective Time; provided, however, that Buyer shall be entitled to elect in writing, not less than 10 business days prior to the Closing, to require that Seller shall not terminate its 401(k) plan, and that, prior to the Closing, Seller shall amend its 401(k) plan such that only Bank employees that meet the eligibility requirements of such plan shall be eligible to participate in such plan.

(b) Simultaneously herewith, Thomas Bouchette shall have entered into an Employment Agreement with Buyer in the form of *Exhibit B* and a Noncompete Agreement with Buyer in the form of *Exhibit C*. These agreements shall become effective at the Effective Time and shall replace the existing employment agreement between Mr. Bouchette and Seller or the Bank, which shall terminate and have no further force or effect.

(c) Upon the execution of this Agreement, each of Seller's directors shall execute and deliver restrictive covenant agreements with Seller or Buyer or any Buyer Entity that restrict certain activities

within Georgetown and Horry Counties, South Carolina, upon terms and conditions in the form and substance set forth in *Exhibit E* (the *Director s Agreements*).

(d) Upon the execution of this Agreement, each of Sellers directors, officers and significant shareholders (as reasonably identified by Buyer), shall execute and deliver forbearance agreements with Seller and Buyer whereby each director, officer or significant shareholder agrees not to exercise any Seller Options or Seller Warrants to acquire shares of Seller Common Stock. Such forbearance agreements shall be upon the terms and conditions in the form and substance set forth in *Exhibit A* (the *Support Agreements*).

(a) For a period of six years after the Effective Time, Buyer shall, and shall cause the Surviving Corporation to, indemnify, defend and hold harmless the present and former directors, officers, employees and agents of the Seller Entities (each, an *Indemnified Party*) against all Liabilities arising out of actions or omissions arising out of the Indemnified Party s service or services as directors, officers, employees or agents of Seller or, at Seller s request, of another corporation, partnership, joint venture, trust or other enterprise occurring at or prior to the Effective Time (including the transactions contemplated by this Agreement) to the fullest extent permitted under the SCBCA, Section 402 of the Sarbanes-Oxley Act, the Securities Laws and FDIC Regulations Part 359 and by Seller s Articles of Incorporation and Bylaws as in effect on the date hereof, including provisions relating to advances of expenses incurred in the defense of any Litigation and whether or not any Buyer Entity is insured against any such matter. Without limiting the foregoing, in any case in which approval by the Surviving Corporation is required to effectuate any indemnification, the Surviving Corporation shall direct, at the election of the Indemnified Party, that the determination of any such approval shall be made by independent counsel mutually agreed upon between Buyer and the Indemnified Party.

(b) Buyer shall, or shall cause the Surviving Corporation to, use its reasonable efforts (and Seller shall cooperate prior to the Effective Time in these efforts) to maintain in effect for a period of up to six years after the Effective Time Seller s existing directors and officers liability insurance policy (provided that Buyer or the Surviving Corporation may substitute therefor (i) policies of substantially the same coverage and amounts containing terms and conditions which are substantially no less advantageous or (ii) with the consent of Seller given prior to the Effective Time, any other policy) with respect to claims arising from facts or events which occurred prior to the Effective Time and covering persons who are currently covered by such insurance; *provided, that* none of Seller, Buyer nor the Surviving Corporation shall be obligated to make aggregate premium payments longer than six years in respect of such policy (or coverage replacing such policy) and which exceed, for the portion related to Seller s directors and officers, \$40,000 on Seller s current policy in effect as of the date of this Agreement (the *Maximum Amount*). (c) Any Indemnified Party wishing to claim indemnification under paragraph (a) of this Section 8.10, upon learning of any such Liability or Litigation, shall promptly notify Buyer and the Surviving Corporation thereof in writing. (d) If Buyer or the Surviving Corporation or any successors or assigns shall consolidate with or merge into any other Person and shall not be the continuing or surviving Person of such consolidation or merger or shall transfer all or substantially all of its assets to any Person, then and in each case, proper provision shall be made so that the successors and assigns of Buyer or the Surviving Corporation shall assume the obligations set forth in this Section 8.10.

(e) The provisions of this Section 8.10 are intended to be for the benefit of and shall be enforceable by, each Indemnified Party and their respective heirs and legal and personal representatives.

- (a) By mutual written agreement of Buyer and Seller; or
- (b) By either Party (*provided, that* the terminating Party is not then in material breach of any representation, warranty, covenant, or other agreement contained in this Agreement) in the event of a breach by the other Party of any representation or warranty contained in this Agreement which cannot be or has not been cured within 30 days after the giving of written notice to the breaching Party of such breach and which breach is reasonably likely, in the opinion of the non-breaching Party, to permit such Party to refuse to consummate the transactions contemplated by this Agreement pursuant to the standard set forth in Section 9.2 or 9.3 as applicable; or
- (c) By either Party in the event (i) any Consent of any Regulatory Authority required for consummation of the Merger and the other transactions contemplated hereby shall have been denied by final nonappealable action of such authority or if any action taken by such authority is not appealed within the time limit for appeal, (ii) any Law or Order permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger shall have become final and nonappealable, or (iii) the shareholders of Seller fail to vote their approval of the matters relating to this Agreement and the transactions contemplated hereby at Seller's Shareholders' Meeting where such matters were presented to such shareholders for approval and voted upon; or
- (d) By either Party in the event that the Merger shall not have been consummated by March 31, 2006, if the failure to consummate the transactions contemplated hereby on or before such date is not caused by any breach of this Agreement by the Party electing to terminate pursuant to this Section 10.1; or
- (e) By Buyer in the event that (i) the Board of Directors of Seller, shall have failed to reaffirm its approval upon Buyer's request for such reaffirmation of the Merger and the transactions contemplated by this Agreement (to the exclusion of any other Acquisition Proposal), or shall have resolved not to reaffirm the Merger, or (ii) the Board of Directors of Seller shall have failed to include in the Proxy Statement its recommendation, without modification or qualification, that Seller shareholders give the Seller Shareholder Approval or shall have withdrawn, qualified or modified, or proposed publicly to withdraw, qualify or modify, in a manner adverse to Buyer, the recommendation of such Board of Directors to Seller shareholders that they give the Seller Shareholder Approval, or (iii) the Board of Directors of Seller shall have affirmed, recommended or authorized entering into any Acquisition Transaction other than the Merger or, within ten business days after commencement of any tender or exchange offer for any shares of Seller Common Stock, the Board of Directors of Seller shall have failed to recommend against acceptance of such tender or exchange offer by its shareholders or shall have taken no position with respect to the acceptance of such tender or exchange offer by its shareholders, or (iv) the Board of Directors of Seller negotiates or authorizes the conduct of negotiations (and five business days have elapsed without such negotiations being discontinued) with a third party (it being understood and agreed that "negotiate" shall not be deemed to include the provision of information to, or the request and receipt of information from, any Person that submits an Acquisition Proposal or discussions regarding such information for the sole purpose of ascertaining the terms of such Acquisition Proposal and determining whether the board of directors will in fact engage in, or authorize, negotiations) regarding an Acquisition Proposal other than the Merger; or

(f) By Seller, (*provided, that* Seller is not then in material breach of any representation, warranty, covenant, or other agreement contained in this Agreement), if prior to the adoption of this Agreement by the affirmative vote of the holders of the requisite number of the outstanding shares of Seller Common Stock entitled to vote thereon at the Seller Shareholders Meeting, the Board of Directors of Seller has (x) withdrawn or modified or changed its recommendation or approval of this Agreement in a manner adverse to Buyer in order to approve and permit Seller to accept a Superior Proposal and (y) determined, after consultation with, and the receipt of advice from outside legal counsel to Seller, that the failure to take such action as set forth in the preceding clause (x) would be likely to result in a breach of the Board of Directors fiduciary duties under applicable Law, *provided, however*, that at least five business days prior to any such termination, Seller shall, and shall cause its advisors to, negotiate with Buyer, if Buyer elects to do so, to make such adjustments in the terms and conditions of this Agreement as would enable Seller to proceed with the transactions contemplated herein on such adjusted terms.

10.2 Effect of Termination.

In the event of the termination and abandonment of this Agreement pursuant to Section 10.1, this Agreement shall become void and have no effect, except that (i) the provisions of Sections 8.6, 10.2, 10.3, 11.2 and 11.3 shall survive any such termination and abandonment, and (ii) no such termination shall relieve the breaching Party from Liability resulting from any breach by that Party of this Agreement.

Seller hereby waives any right to set-off or counterclaim against such amount. If the Termination Fee shall be payable pursuant to subsection (a)(i) of this Section 10.3, the Termination Fee shall be paid in same-day funds at or prior to the earliest of the date of consummation of such Acquisition Transaction, or the date of execution of an Acquisition Agreement with respect to such Acquisition Transaction or the date of any announcement or statement with respect to any Acquisition Proposal by Seller or its Board of Directors, other than a recommendation for approval of the Merger. If the Termination Fee shall be payable pursuant to subsection (a)(ii) of this Section 10.3, the Termination Fee shall be paid in same-day funds upon the earlier of (i) the execution of an Acquisition Agreement with respect to such Acquisition Transaction or the date of any announcement or statement with respect to any Acquisition Proposal by Seller or its Board of Directors, other than a recommendation for approval of the Merger or (ii) two business days from the date of termination of this Agreement.

(b) The Parties acknowledge that the agreements contained in this Article 10 are an integral part of the transactions contemplated by this Agreement, and that without these agreements, they would not enter into this Agreement; accordingly, if Seller fails to pay promptly any fee payable by it pursuant to this Section 10.3, then Seller shall pay to Buyer, its reasonable costs and expenses (including reasonable attorneys fees) in connection with collecting such Termination Fee, together with interest on the amount

of the fee at the prime annual rate of interest (as published in *The Wall Street Journal*) plus 2% as the same is in effect from time to time from the date such payment was due under this Agreement until the date of payment.

(c) Notwithstanding anything contained in this Agreement to the contrary, in no event shall the aggregate amount Seller (or any of its affiliates) must pay to Buyer (or any of its affiliates) pursuant to Section 10.3 exceed \$1,000,000, plus reasonable attorneys fees, costs and any other amounts due from Seller to Buyer pursuant to Section 10.3(b).

Except for Article 2, Article 3, Article 4, Sections 8.8, 8.9, and 8.10, and this Article 10, the respective representations, warranties, obligations, covenants, and agreements of the Parties shall not survive the Effective Time.

- (a) Except as provided in Section 33-13-270, as soon as the proposed corporate action is taken, or upon receipt of a payment demand, the corporation shall pay each dissenter who substantially complied with Section 33-13-230 the amount the corporation estimates to be the fair value of his shares, plus accrued interest.
- (b) The payment must be accompanied by:
 - (1) the corporation's balance sheet as of the end of a fiscal year ending not more than sixteen months before the date of payment, an income statement for that year, a statement of changes in shareholders' equity for that year, and the latest available interim financial statements, if any;
 - (2) a statement of the corporation's estimate of the fair value of the shares and an explanation of how the fair value was calculated;
 - (3) an explanation of how the interest was calculated;
 - (4) a statement of the dissenter's right to demand additional payment under Section 33-13-280; and
 - (5) a copy of this chapter.

SECTION 33-13-260. Failure to take action.

- (a) If the corporation does not take the proposed action within sixty days after the date set for demanding payment and depositing share certificates, the corporation, within the same sixty-day period, shall return the deposited certificates and release the transfer restrictions imposed on uncertificated shares.
- (b) If, after returning deposited certificates and releasing transfer restrictions, the corporation takes the proposed action, it must send a new dissenters' notice under Section 33-13-220 and repeat the payment demand procedure.

SECTION 33-13-270. After-acquired shares.

- (a) A corporation may elect to withhold payment required by section 33-13-250 from a dissenter as to any shares of which he (or the beneficial owner on whose behalf he is asserting dissenters' rights) was not the beneficial owner on the date set forth in the dissenters' notice as the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action, unless the beneficial ownership of the shares devolved upon him by operation of law from a person who was the beneficial owner on the date of the first announcement.
- (b) To the extent the corporation elects to withhold payment under subsection (a), after taking the proposed corporate action, it shall estimate the fair value of the shares, plus accrued interest, and shall pay this amount to each dissenter who agrees to accept it in full satisfaction of his demand. The corporation shall send with its offer a statement of its estimate of the fair value of the shares, an explanation of how the fair value and interest were calculated, and a statement of the dissenter's right to demand additional payment under Section 33-13-280.

SECTION 33-13-280. Procedure if shareholder dissatisfied with payment or offer.

- (a) A dissenter may notify the corporation in writing of his own estimate of the fair value of his shares and amount of interest due and demand payment of his estimate (less any payment under Section 33-13-250) or reject the corporation's offer under Section 33-13-270 and demand payment of the fair value of his shares and interest due, if the:
- (1) dissenter believes that the amount paid under Section 33-13-250 or offered under Section 33-13-270 is less than the fair value of his shares or that the interest due is calculated incorrectly;
 - (2) corporation fails to make payment under Section 33-13-250 or to offer payment under Section 33-13-270 within sixty days after the date set for demanding payment; or
 - (3) corporation, having failed to take the proposed action, does not return the deposited certificates or release the transfer restrictions imposed on uncertificated shares within sixty days after the date set for demanding payment.
- (b) A dissenter waives his right to demand additional payment under this section unless he notifies the corporation of his demand in writing under subsection (a) within thirty days after the corporation made or offered payment for his shares.

ARTICLE 3.
JUDICIAL APPRAISAL OF SHARES

SECTION 33-13-300. Court action.

- (a) If a demand for additional payment under Section 33-13-280 remains unsettled, the corporation shall commence a proceeding within sixty days after receiving the demand for additional payment and petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the sixty-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.
- (b) The corporation shall commence the proceeding in the circuit court of the county where the corporation's principal office (or, if none in this State, its registered office) is located. If the corporation is a foreign corporation without a registered office in this State, it shall commence the proceeding in the county in this State where the principal office (or, if none in this State, the registered office) of the domestic corporation merged with or whose shares were acquired by the foreign corporation was located.

- (c) The corporation shall make all dissenters (whether or not residents of this State) whose demands remain unsettled parties to the proceeding as in an action against their shares and all parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication, as provided by law.
- (d) The jurisdiction of the court in which the proceeding is commenced under subsection (b) is plenary and exclusive. The court may appoint persons as appraisers to receive evidence and recommend decisions on the question of fair value. The appraisers have the powers described in the order appointing them or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.
- (e) Each dissenter made a party to the proceeding is entitled to judgment for the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the corporation.

SECTION 33-13-310. Court costs and counsel fees.

- (a) The court in an appraisal proceeding commenced under Section 33-13-300 shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under Section 33-13-280.
- (b) The court also may assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:
 - (1) against the corporation and in favor of any or all dissenters if the court finds the corporation did not comply substantially with the requirements of Sections 33-13-200 through 33-13-280; or
 - (2) against either the corporation or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this chapter.
- (c) If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to these counsel reasonable fees to be paid out of the amounts awarded the dissenters who were benefited.
- (d) In a proceeding commenced by dissenters to enforce the liability under Section 33-13-300(a) of a corporation that has failed to commence an appraisal proceeding within the sixty-day period, the court shall assess the costs of the proceeding and the fees and expenses of dissenters counsel against the corporation and in favor of the dissenters.

SUN BANCSHARES, INC. AND SUBSIDIARY

Dear Shareholder:

We are pleased to present the 2004 Annual Report of Sun Bancshares, Inc. and its subsidiary, SunBank, N.A. Two of the main highlights for the year include reaching sustained profitability for the year and rising to first place in deposit share over all other banks in the Murrells Inlet market. We are fortunate to be located in one of the highest growth areas of the country both in terms of population growth and real estate values. The infrastructure, processes, and discipline we put in place over the last three years will provide the right foundation as we continue to grow SunBank.

During 2004, deposits increased \$16.2 million (30%), loans increased \$28.1 million (60%), and total assets increased \$25.0 million (42%). We finished 2004 with pre-tax income of \$237,652 compared to a pre-tax loss of \$395,925 in 2003. Net income after taxes was \$142,987 compared to a net loss of \$252,794 in 2003.

In the last quarter of 2004, interest rates began to rise which improved our net interest margin. Unlike some banks that marketed fixed rate loans in the past couple of years to improve yields, we maintained our discipline in pricing and the majority of the loan portfolio is variable rate loans. The backbone of a small community bank is their credit culture. Even though loans grew by 60%, past dues were among the lowest in the industry with no significant charge offs in 2004 from either loan loss or deposit operations.

We anticipate 2005 to be a break out year for our bank. We plan to implement on-line banking and open a loan production office (LPO) in Myrtle Beach. Starting off with an LPO instead of a full service branch reduces the initial drag on earnings until we open a full service branch. Committed to sustained shareholder profitability, our goals remain focused on soundness first, then profitability, and growth. The strategy is based on understanding risk, which is embedded in every deposit account, loan, and even telephone call that a Bank is engaged in. We believe the right balance of managing risk and building long term relationships with our customers one at a time provides the core strength for the future of SunBank.

It is the responsibility of our board, management team, and employees to provide consistent long-term shareholder value and we take this responsibility very seriously. As our Mission Statement pledges, *SunBank is committed to grow with our community by becoming the undisputed leader in providing exceptional, personal, innovative and convenient banking services to our customers.* We pledge to continually search for ways to create value for our shareholders in 2005 and for many years to come. We are proud of our bank, our progress, and our future and we are privileged to share it with you. Please call or come by anytime.

Sincerely,

/s/ THOMAS BOUCHETTE

Notes to Consolidated Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Consolidation Sun Bancshares, Inc., (the Company), was incorporated on August 3, 1999 to organize and own all of the common stock of SunBank, N.A., (the Bank). SunBank, N.A., opened for business on November 15, 2000. The principal business activity of the Bank is to provide banking services to domestic markets, principally in Horry County and Georgetown County, South Carolina. The consolidated financial statements include the accounts of the Company and the Bank. All significant intercompany balances and transactions have been eliminated in the consolidation.

Management's Estimates The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for losses on loans, including valuation allowances for impaired loans and the valuation of real estate acquired in connection with foreclosures or in satisfaction of loans. In connection with the determination of the allowances for losses on loans and foreclosed real estate, management obtains independent appraisals for significant properties. Management must also make estimates in determining the estimated useful lives and methods for depreciating premises and equipment.

While management uses available information to recognize losses on loans and foreclosed real estate, future additions to the allowances may be necessary based on changes in local economic conditions. In addition, regulatory agencies, as an integral part of their examination process, periodically review the Company's allowances for losses on loans and foreclosed real estate. Such agencies may require the Company to recognize additions to the allowances based on their judgments about information available to them at the time of their examination. Because of these factors, it is reasonably possible that the allowances for losses on loans and foreclosed real estate may change materially in the near term.

Significant Group Concentrations of Credit Risk Most of the Company's activities are with customers located within Horry County and Georgetown County in South Carolina. The types of securities in which the Company invests are discussed in Note 3. The types of lending in which the Company engages are discussed in Note 4. The Company does not have any significant concentrations to any one industry or customer.

Securities Available-for-Sale Securities available-for-sale are carried at amortized cost and adjusted to estimated fair value by recognizing the aggregate unrealized gains or losses in a valuation account. Aggregate market valuation adjustments are recorded in shareholders' equity net of deferred income taxes. Reductions in market value considered by management to be other than temporary are reported as a realized loss and a reduction in the cost basis of the security. The adjusted cost basis of investments available-for-sale is determined by specific identification and is used in computing the gain or loss upon sale.

Nonmarketable Equity Securities Nonmarketable equity securities include the cost of the Company's investment in the stock of the Federal Reserve Bank and Federal Home Loan Bank. The stock has no quoted market value and no ready market exists. Investment in Federal Reserve Bank stock is required by law of every national bank. At December 31, 2004 and 2003, the Company's investment in Federal Reserve

Bank stock was \$145,000. At December 31, 2004 and 2003, the Company's investment in Federal Home Loan Bank stock was \$209,200 and \$95,000, respectively.

Loans receivable Loans receivable are stated at their unpaid principal balance. Interest income is computed using the simple interest method and is recorded in the period earned.

When serious doubt exists as to the collectibility of a loan or when a loan becomes contractually 90 days past due as to principal or interest, interest income is generally discontinued unless the estimated net realizable value of collateral exceeds the principal balance and accrued interest. When interest accruals are discontinued, income earned but not collected is reversed.

Impaired loans are measured based on the present value of discounted expected cash flows. When it is determined that a loan is impaired, a direct charge to bad debt expense is made for the difference between the net present value of expected future cash flows based on the contractual rate and discount rate and the Company's recorded investment in the related loan. The corresponding entry is to a related allowance account. Interest is discontinued on impaired loans when management determines that a borrower may be unable to meet payments as they become due.

Allowance for Loan Losses An allowance for loan losses is maintained at a level deemed appropriate by management to provide adequately for known and inherent risks in the loan portfolio. The allowance is based upon a continuing review of past loan loss experience, current and future economic conditions which may affect the borrowers' ability to pay, and the underlying collateral value of the loans. Loans which are deemed to be uncollectible are charged off and deducted from the allowance. The provision for loan losses and recoveries of loans previously charged off are added to the allowance.

Premises, Furniture and Equipment Premises, furniture and equipment are stated at cost, less accumulated depreciation. The provision for depreciation is computed by the straight-line method, based on the estimated useful lives for buildings of 40 years and furniture and equipment of 5 to 10 years. Leasehold improvements are being amortized over 20 years. The cost of assets sold or otherwise disposed of, and the related allowance for depreciation is eliminated from the accounts and the resulting gains or losses are reflected in the income statement when incurred. Maintenance and repairs are charged to current expense. The costs of major renewals and improvements are capitalized.

Residential Loan Origination Fees The Company offers residential loan origination service to its customers in its immediate market area. The loans are offered on terms and prices offered by the Company's correspondents and are closed in the name of the Bank with an assignment to the correspondents. The company receives fees for services it provides in conjunction with the origination service it provides. The fees are recognized at the time the loans are closed by the Company's correspondent.

Income Taxes Income taxes are the sum of amounts currently payable to taxing authorities and the net changes in income taxes payable or refundable in future years. Income taxes deferred to future years are determined utilizing a liability approach. This method gives consideration to the future tax consequences associated with differences between financial accounting and tax bases of certain assets and liabilities which are principally the allowance for loan losses, depreciable premises and equipment and the net operating loss carryforward.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Advertising Expense Advertising and public relations costs are generally expensed as incurred. External costs incurred in producing media advertising are expensed the first time the advertising takes place. External costs relating to direct mailing costs are expensed in the period in which the direct mailings are sent. Advertising and public relations costs of \$96,688 and \$97,744, were included in the Company's results of operations for 2004 and 2003, respectively.

Per Share Amounts Income or loss per share is computed by dividing earnings by the weighted average number of shares outstanding during the year. See Note 17.

Stock-Based Compensation The Company has a stock-based employee compensation plan (plan) which is further described in Note 16 and stock warrants which are described in Note 15. The Company accounts for the plan and stock warrants under the recognition and measurement principles of Accounting Principles Board (APB) Opinion No. 25, *Accounting for Stock Issued to Employees*, and related Interpretations. No stock-based employee compensation cost is reflected in net income, as all stock options and stock warrants granted under these plans had an exercise price equal to the market value of the underlying common stock on the date of grant. The following table illustrates the effect on net income (loss) and earnings (losses) per share if the Company had applied the fair value recognition provisions of Financial Accounting Standards Board (FASB) Statement of Financial Accounting Standards (SFAS) No. 123, *Accounting for Stock-Based Compensation*, to stock-based employee compensation for both outstanding stock options and warrants.

Statements of Cash Flows For purposes of reporting cash flows in the financial statements, the Company considers certain highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. Cash equivalents include amounts due from banks and federal funds sold. Generally, federal funds are sold for one-day periods.

During 2004, 2003 and 2002, interest paid on deposits and other borrowings totaled \$1,363,346, \$699,876 and \$739,502, respectively.

Income tax payments of \$3,016 were made during the year ending December 31, 2004. There were no income tax payments in 2003 and 2002.

Comprehensive Income Accounting principles generally require that recognized income, expenses, gains, and losses be included in net income. Although certain changes in assets and liabilities, such as unrealized gains and losses on available-for-sale securities, are reported as a separate component of the

equity section of the balance sheet, such items, along with net income, are components of comprehensive income.

Off-Balance-Sheet Financial Instruments In the ordinary course of business, the Company enters into off-balance-sheet financial instruments consisting of commitments to extend credit and letters of credit. These financial instruments are recorded in the financial statements when they become payable by the customer. See Note 18.

Recent Accounting Pronouncements In April 2003, FASB issued SFAS No. 149, *Amendment of Statement 133 on Derivative Instruments and Hedging Activities*, which amends and clarifies accounting and reporting for derivative instruments, including certain derivative instruments embedded in other contracts (collectively referred to as derivatives) and loan commitments that relate to the origination of mortgage loans held for sale, and for hedging activities under SFAS No. 133, *Accounting for Derivative Instruments and Hedging Activities*. SFAS No. 149 clarifies under what circumstances a contract with an initial net investment meets the characteristics of a derivative, clarifies when a derivative contains a financing component, amends the definition of an underlying to conform it to language used in FASB Interpretation (FIN) No. 45, and amends certain other existing pronouncements. The pronouncement was generally effective for contracts entered into or modified after June 30, 2003. The adoption of SFAS No. 149 did not have any impact on the financial condition or operating results of the Company.

In May 2003, the FASB issued SFAS No. 150, *Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity*, which establishes standards for how an issuer classifies and measures certain financial instruments with characteristics of both liabilities and equity. SFAS No. 150 requires an issuer to classify certain financial instruments that include certain obligations, such as mandatory redemption, repurchase of the issuer's equity, or settlement by issuing equity, previously classified as equity, as liabilities or assets in some circumstances. SFAS No. 150 was generally effective for financial instruments entered into or modified after May 31, 2003, and otherwise was effective at the beginning of the first interim period beginning after June 15, 2003, except for mandatorily redeemable financial instruments of nonpublic entities which are subject to the provisions of SFAS No. 150 for the first fiscal period beginning after December 15, 2003. The adoption of SFAS No. 150 did not have any impact on the financial condition or operating results of the Company.

In December 2004, the FASB issued SFAS No. 153, *Exchanges of Nonmonetary Assets, an amendment of APB Opinion No. 29, Accounting for Nonmonetary Transactions*. The amendments made by SFAS No. 153 are based on the principle that exchanges of nonmonetary assets should be measured based on the fair value of the assets exchanged. Further, the amendments eliminate the narrow exception for

SUN BANCSHARES, INC. AND SUBSIDIARY
Notes to Consolidated Financial Statements (Continued)

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

nonmonetary exchanges of similar productive assets and replace it with a broader exception for exchanges of nonmonetary assets that do not have commercial substance. Previously, Accounting Principles Board (APB) Opinion No. 29 required that the accounting for an exchange of a productive asset for a similar productive asset or an equivalent interest in the same or similar productive asset should be based on the recorded amount of the asset relinquished. APB Opinion No. 29 provided an exception to its basic measurement principle (fair value) for exchanges of similar productive assets. SFAS No. 153 is effective for nonmonetary asset exchanges occurring in fiscal periods beginning after June 15, 2005. Earlier application is permitted for nonmonetary asset exchanges occurring in fiscal periods beginning after the date of issuance. The provisions of this statement shall be applied prospectively. The adoption of this statement is not expected to have a material impact on the financial condition or operating results of the Company.

In December 2004, the FASB issued SFAS No. 123 (revised 2004), *Share-Based Payment* (SFAS No. 123(R)). SFAS No. 123(R) will require companies to measure all employee stock-based compensation awards using a fair value method and record such expense in its financial statements. In addition, the adoption of SFAS No. 123(R) requires additional accounting and disclosure related to the income tax and cash flow effects resulting from share-based payment arrangements. SFAS No. 123(R) is effective beginning as of the first annual reporting period beginning after December 15, 2005. The Company is currently evaluating the impact that the adoption of SFAS No. 123(R) will have on its financial position, results of operations and cash flows.

In November 2002, the FASB issued FASB Interpretation (FIN) No. 45, *Guarantor s Accounting and Disclosure Requirements for Guarantees, Including Indirect Guarantees of Indebtedness of Others* . FIN No. 45 elaborates on the disclosure to be made by a guarantor in its interim and annual financial statements about its obligations under certain guarantees and warranties that it has issued. FIN 45 requires a company, at the time it issues a guarantee, to recognize an initial liability for the fair value of obligations assumed under the guarantee. The initial recognition requirements of FIN No. 45 were effective for guarantees issued or modified after December 31, 2002. The disclosure requirements were effective for financial statements for periods ending after December 15, 2002. The adoption of FIN No. 45 did not have a material impact on the Company s financial position or results of operations.

In December 2003, the FASB issued FIN No. 46 (revised), *Consolidation of Variable Interest Entities* (FIN No. 46(R)), which addresses consolidation by business enterprises of variable interest entities. FIN No. 46(R) requires a variable interest entity to be consolidated by a company if that company is subject to a majority of the risk of loss from the variable interest entity s activities or entitled to receive a majority of the entity s residual returns, or both. FIN No. 46(R) also requires disclosures about variable interest entities that a company is not required to consolidate, but in which it has a significant variable interest. FIN No. 46(R) provides guidance for determining whether an entity qualifies as a variable interest entity by considering, among other considerations, whether the entity lacks sufficient equity or its equity holders lack adequate decision-making ability. The consolidation requirements of FIN No. 46(R) applied immediately to variable interest entities created after January 31, 2003. The consolidation requirements applied to the Company s existing variable interest entities in the first reporting period beginning after December 15, 2004. Certain of the disclosure requirements applied to all financial statements issued after December 31, 2003, regardless of when the variable interest entity was established. The adoption of FIN No. 46(R) did not have any impact on the Company s financial position or results of operations.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

In November 2003, the Emerging Issues Task Force (EITF) reached a consensus that certain quantitative and qualitative disclosures should be required for debt and marketable equity securities classified as available-for-sale or held-to-maturity under SFAS No. 115 and SFAS No. 124 that are impaired at the balance sheet date but for which other-than-temporary impairment has not been recognized. Accordingly the EITF issued EITF No. 03-1, *The Meaning of Other-Than-Temporary Impairment and Its Application to Certain Investments* . This issue addresses the meaning of other-than-temporary impairment and its application to investments classified as either available-for-sale or held-to-maturity under SFAS No. 115 and provides guidance on quantitative and qualitative disclosures. The disclosure requirements of EITF No. 03-1 are effective for annual financial statements for fiscal years ending after June 15, 2004. The effective date for the measurement and recognition guidance of EITF No. 03-1 has been delayed. The FASB staff has issued a proposed Board-directed FASB Staff Position (FSP), FSP EITF 03-1-a, *Implementation Guidance for the Application of Paragraph 16 of Issue No. 03-1* . The proposed FSP would provide implementation guidance with respect to debt securities that are impaired solely due to interest rates and/or sector spreads and analyzed for other-than-temporary impairment under the measurement and recognition requirements of EITF No. 03-1. The delay of the effective date for the measurement and recognition requirements of EITF No. 03-1 will be superseded concurrent with the final issuance of FSP EITF 03-1-a. Adopting the disclosure provisions of EITF No. 03-1 did not have any impact on the Company's financial position or results of operations.

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies that do not require adoption until a future date are not expected to have a material impact on the consolidated financial statements upon adoption.

Risks and Uncertainties In the normal course of its business, the Company encounters two significant types of risks: economic and regulatory. There are three main components of economic risk: interest rate risk, credit risk and market risk. The Company is subject to interest rate risk to the degree that its interest-bearing liabilities mature or reprice at different speeds, or on different basis, than its interest-earning assets. Credit risk is the risk of default on the Company's loan portfolio that results from borrower's inability or unwillingness to make contractually required payments. Market risk reflects changes in the value of collateral underlying loans receivable and the valuation of real estate held by the Company.

The Company is subject to the regulations of various governmental agencies. These regulations can and do change significantly from period to period. The Company also undergoes periodic examinations by the regulatory agencies, which may subject it to further changes with respect to asset valuations, amounts of required loss allowances and operating restrictions from the regulators' judgments based on information available to them at the time of their examination.

Reclassifications Certain captions and amounts in the 2002 and 2003 financial statements were reclassified to conform with the 2004 presentation.

The amortized cost and estimated fair values of securities available-for-sale were as follows:

During 2004 and 2003, proceeds from the sale of available-for-sale securities totaled \$1,177,288 and \$256,102, respectively, resulting in gross realized gains of \$8,124 and \$975, respectively, and no realized losses.

The following is a summary of maturities of securities available-for-sale as of December 31, 2004. The amortized cost and estimated fair values are based on the contractual maturity dates. Actual maturities may differ from contractual maturities because borrowers may have the right to call or prepay obligations with or without penalty.

NOTE 3 INVESTMENT SECURITIES (Continued)

The following table shows gross unrealized losses and fair value, aggregated by investment category, and length of time that individual securities have been in a continuous unrealized loss position, at December 31, 2004:

Securities Available-for-Sale

	Less than twelve months Fair value	Unrealized losses	Twelve months or more Fair value	Unrealized losses	Total Fair value	Unrealized losses
U.S. government agencies and corporations	\$ 1,391,094	\$ 8,906	\$	\$	\$ 1,391,094	\$ 8,906
Mortgage-backed securities			1,481,014	25,051	1,481,014	25,051
Total	\$ 1,391,094	\$ 8,906	\$ 1,481,014	\$ 25,051	\$ 2,872,108	\$ 33,957

All of the Company's investments that were in an unrealized loss position at December 31, 2004 have been evaluated and deemed not to be other-than-temporarily impaired under the authoritative accounting guidance. This determination was made by consideration of the nature of the investments and the casual factors of the unrealized losses. In all cases, the principal cause of the decline in market value was due to the increase in market interest rates subsequent to purchase of the securities. The unrealized losses are comprised of three securities that have had continuous losses of less than 12 months and three securities that have had continuous losses 12 months or longer.

NOTE 9 SHAREHOLDERS' EQUITY

Issuance of Common Stock On February 6, 2004, the Company initiated a Private Placement Memorandum to sell shares of the Company's no par value common stock. The stock was issued at a price of \$9.00-\$10.00 per share depending on the number of shares purchased. The offering resulted in the issuance of 500,000 additional shares of common stock or proceeds of \$4,499,996, before offering costs of \$39,452. After the close of the offering, \$3,000,000 was transferred to the Bank as additional capital and \$1,000,000 was used to repay the note payable.

Restrictions on Subsidiary Dividends, Loans, or Advances The ability of the Company to pay cash dividends is dependent upon receiving cash in the form of dividends from the Bank. However, certain restrictions exist regarding the ability of the subsidiary to transfer funds to the Company in the form of cash dividends, loans, or advances. The approval of the Office of the Comptroller of the Currency is required to pay dividends in excess of the Bank's net profits (as defined) for the current year plus retained net profits (as defined) for the preceding two years, less any required transfers to surplus. The undivided profits of the Bank at December 31, 2004, were negative and not available to pay cash dividends to the Company. At December 31, 2004, total shareholders' equity of the Bank was \$8,871,526.

Deferred tax assets represent the future tax benefit of deductible differences and, if it is more likely than not that a tax asset will not be realized, a valuation allowance is required to reduce the recorded deferred tax assets to net realizable value. As of December 31, 2004, management has determined that it is more likely than not that all of the total deferred tax asset will be realized, and accordingly, has not established a valuation allowance.

The Company has a net operating loss carryforward for income tax purposes of \$1,486,291 as of December 31, 2004. This net operating loss expires in the year 2023.

A reconciliation between the income tax benefit and the amount computed by applying the federal statutory rate of 34% to income before income taxes follows:

adjustments based on the consumer price index thereafter. The initial term of the lease is 25 years with renewal options for a total of 15 additional years. The lease calls for the Company to pay taxes, insurance and repairs on the leased property. Rental expense for this property was \$97,172, \$98,770 and \$94,549 for the years ended December 31, 2004, 2003 and 2002, respectively.

Georgetown Site The Company entered into a lease agreement on November 12, 1999 with Richmond Realty Company, L.L.C., for the lease of its branch office site, located in Georgetown, South Carolina. The amount of the annual rent for the first three years of the lease was \$55,000 per year; beginning with the fourth year and every three years thereafter, the annual rent will be adjusted by the consumer price index. The initial term of the lease will be 30 years with renewal options for a total of 20 additional years. Rental expense for this property was \$57,459, \$56,639 and \$55,000 for the years ended December 31, 2004, 2003 and 2002, respectively.

The above leases are being accounted for as operating leases. Future minimum lease payments over the next five years under noncancellable operating lease agreements are as follows:

2005	\$ 156,117
2006	156,117
2007	156,117
2008	156,117

NOTE 13 RELATED PARTY TRANSACTIONS

Certain parties (principally certain directors and executive officers of the Company, their immediate families and business interests) were loan customers of and had other transactions in the normal course of business with the Company. Related party loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unrelated persons and do not involve more than the normal risk of collectibility. As of December 31, 2004, 2003 and 2002, the Bank had related party loans totaling \$5,096,289, \$5,207,595 and \$2,757,195, respectively.

During 2004, lease payments of \$97,172 were paid to a separate entity that was controlled by a director of the Bank. See Note 12.

During 2004 and 2003, legal expenses of \$5,086 and \$15,698, respectively, were paid to a director of the Company.

NOTE 14 COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, the Company may, from time to time, become a party to legal claims and disputes. At December 31, 2004, management and legal counsel are not aware of any pending or threatened litigation or unasserted claims or assessments that could result in losses, if any, that would be material to the financial statements.

SUN BANCSHARES, INC. AND SUBSIDIARY

NOTE 15 STOCK WARRANTS

In accordance with the provision of the Company's initial public stock offering, the directors received stock warrants which give them the right to purchase 291,350 shares of the Company's common stock at a price of \$10.00 per share. The warrants vest equally over a three-year period beginning November 1, 2000 and expire on November 1, 2010 or ninety days after the warrant holder ceases to serve as a member of the Board of Directors.

As of December 31, 2004, none of the warrants had been exercised or cancelled. At December 31, 2004, all of the warrants were exercisable.

NOTE 16 STOCK COMPENSATION PLAN

Effective July 17, 2000, the Company adopted an Incentive Stock Option Plan (the Plan). The Plan provides for the granting of stock options to purchase up to 100,000 shares, adjusted for stock dividends, of the Company's common stock, to officers, employees, directors, and organizers of the Company. The Company may grant awards for a term of up to ten years from the effective date of grant. The per-share exercise price will be determined by the Board of Directors, except that the exercise price of an incentive stock option may not be less than fair market value of the common stock on the grant date, or less than 110% of the fair value if the grantee owns more than 10% of the outstanding common stock of the Company or its affiliates. The per-share exercise price of non-incentive stock options will not be less than the fair value of a share on the date of grant. At a minimum, options granted before July 17, 2003 can vest ratably over a three-year period beginning with the date of grant. After July 17, 2003, an option can be granted that is fully exercisable upon the grant date. At December 31, 2004, the Company had 39,584 options available for grant.

During 2004, the Company granted 8,000 options pursuant to the terms of the Plan. The options are exercisable at various dates, ranging from the date of grant to three years from the date of grant. In calculating the pro forma disclosures, the fair value of options granted is estimated as of the date granted using the Black-Scholes option pricing model with the following weighted-average assumptions used for grants: dividend yield of 0.00% for the year; expected volatility of 0.00%; risk-free interest rate of 4.35%; and expected life of 10 years.

The weighted-average fair value of options; calculated using the Black-Scholes option-pricing model, granted during 2004 is \$3.38.

A summary of the status of the Company's stock option plan as of December 31, 2004, 2003 and 2002, and changes during the period is presented below:

	2004		2003		2002

Notes to Consolidated Financial Statements (Continued)

NOTE 16 STOCK COMPENSATION PLAN (Continued)

At December 31, 2004, 42,266 options were exercisable. The weighted average remaining life and exercise price for both exercisable and non exercisable options was 6.35 years and \$10.02 per option, respectively.

NOTE 17 INCOME (LOSS) PER SHARE

Net income (loss) per share - basic is computed by dividing net income (loss) by the weighted-average number of common shares outstanding. Net income (loss) per share diluted is computed by dividing net income (loss) by the weighted-average number of common shares outstanding and dilutive common share equivalents using the treasury stock method. Dilutive common share equivalents include common shares issuable upon exercise of outstanding stock warrants and stock options. There were no dilutive common share equivalents outstanding during 2004 and 2003; therefore, basic earnings per share and diluted earnings per share were the same.

	2004	2003	2002
Net income (loss) per share - basic computation:			
Net income (loss) available to common shareholders	\$ 142,987	\$ (252,794)	\$ (341,001)
Average common shares outstanding - basic	1,077,968	715,000	715,000
Basic net income (loss) per share	\$ 0.13	\$ (0.35)	\$ (0.48)
Diluted net income (loss) per share	\$ 0.13	\$ (0.35)	\$ (0.48)

NOTE 18 FINANCIAL INSTRUMENTS WITH OFF-BALANCE-SHEET RISK

The Company is a party to financial instruments with off-balance-sheet risk in the normal course of business to meet the financing needs of its customers. These financial instruments consist of commitments to extend credit and standby letters of credit. Commitments to extend credit are legally binding agreements to lend to a customer at predetermined interest rates as long as there is no violation of any condition established in the contract. Commitments generally have fixed expiration dates or other termination clauses and may require payment of a fee. A commitment involves, to varying degrees, elements of credit and interest rate risk in excess of the amount recognized in the balance sheets. The Company's exposure to credit loss in the event of nonperformance by the other party to the instrument is represented by the contractual notional amount of the instrument. Since certain commitments are expected to expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. Letters of credit are conditional commitments issued to guarantee a customer's performance to a third party and have essentially the same credit risk as other lending facilities. Standby letters of credit often expire without being used. The Company believes that through various sources of liquidity, it has the necessary resources to meet obligations arising from these financial instruments.

The Company uses the same credit underwriting procedures for commitments to extend credit and standby letters of credit as it does for on-balance-sheet instruments. The credit worthiness of each borrower is evaluated and the amount of collateral, if deemed necessary, is based on the credit evaluation. Collateral held for commitments to extend credit and standby letters of credit varies but may include accounts receivable, inventory, property, plant, equipment, and income-producing commercial properties.

The Company is not involved in off-balance-sheet contractual relationships, other than those disclosed in this report, that could result in liquidity needs or other commitments or could significantly impact earnings.

The following table summarizes the Company's off-balance-sheet financial instruments whose contract amounts represent credit risk.

Standby letters of credit	69,000	1,864,089

NOTE 19 REGULATORY MATTERS

The Company (on a consolidated basis) and the Bank are subject to various regulatory capital requirements administered by the federal banking agencies. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a direct material effect on the Company's and Bank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Company and the Bank must meet specific capital guidelines that involve quantitative measures of their assets, liabilities, and certain off-balance-sheet items as calculated under regulatory accounting practices. The capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors. Prompt corrective action provisions are not applicable to bank holding companies.

Quantitative measures established by regulation to ensure capital adequacy require the Company and the Bank to maintain minimum amounts and ratios (set forth in the following table) of total and Tier 1 capital (as defined in the regulations) to risk-weighted assets (as defined) and of Tier 1 capital (as defined) to total assets (as defined). Management believes, as of December 31, 2004, that the Company and the Bank met all capital adequacy requirements to which they are subject.

As of December 31, 2004, the most recent notification from the office of the Comptroller of the Currency categorized the Bank as well capitalized under the regulatory framework for prompt corrective action. To be categorized as well capitalized, an institution must maintain minimum total risk-based, Tier 1 risk-based and Tier 1 leverage ratios as set forth in the following tables. There are no conditions or events since the notification that management believes have changed the Bank's category.

NOTE 19 REGULATORY MATTERS (Continued)

The following table summarizes the capital amounts and ratios of the Bank and the regulatory minimum requirements at December 31, 2004 and 2003.

Tier 1 capital (to risk-weighted assets)	4,944,000	9.74	2,031,320	4.00	3,046,980	6.00
Tier 1 capital (to average assets)	4,944,000	8.94	2,212,680	4.00	2,765,850	5.00

The Federal Reserve Board has similar requirements for bank holding companies. The Company is currently not subject to these requirements because the Federal Reserve guidelines contain an exemption for bank holding companies less than \$150,000,000 in consolidated assets.

NOTE 20 UNUSED LINES OF CREDIT

As of December 31, 2004, the Company had unused lines of credit to purchase federal funds from unrelated banks totaling \$9,000,000. These lines of credit are available on a one to thirty day basis for general corporate purposes.

Part II Information Not Required in Prospectus

Item 20. Indemnification of Directors and Officers

The articles of incorporation of SCBT Financial Corporation contain a conditional provision which, subject to certain exceptions described below, eliminates the liability of a director to the company or its shareholders for monetary damages for breach of the duty of care or any other duty as a director. This provision does not eliminate such liability to the extent the director engaged in willful misconduct or a knowing violation of criminal law or of any federal or state securities law, including, without limitation, laws proscribing insider trading or manipulation of the market for any security.

The bylaws of SCBT Financial Corporation require the company to indemnify any person who was, is, or is threatened to be made a named defendant or respondent in any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, by reason of service by such person as a director of the company or its subsidiary bank or any other corporation which he served as such at the request of the company. Except as noted in the next paragraph, directors are entitled to be indemnified against judgments, penalties, fines, settlements, and reasonable expenses actually incurred by the director in connection with the proceeding. Directors are also entitled to have the company advance any such expenses prior to final disposition of the proceeding, upon delivery of a written affirmation by the director of his good faith belief that the standard of conduct necessary for indemnification has been met and a written undertaking to repay the amounts advanced if it is ultimately determined that the standard of conduct has not been met.

Under the articles of incorporation, indemnification will be disallowed if it is established that the director (i) breached a duty loyalty to the company or its shareholders, (ii) engaged in willful misconduct or a knowing violation of law, (iii) permitted any unlawful distribution, or (iv) derived an improper personal benefit. In addition to the articles of incorporation, Section 33-8-520 of the South Carolina Business Corporation Act of 1988 (the Corporation Act) requires that a corporation indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which he was a party because he is or was a director of the corporation against reasonable expenses incurred by him in connection with the proceeding. The Corporation Act also provides that upon application of a director a court may order indemnification if it determines that the director is entitled to such indemnification under the applicable standard of the Corporation Act.

The board of directors also has the authority to extend to officers, employees, and agents the same indemnification rights held by directors, subject to all of the accompanying conditions and obligations. The board of directors has extended or intends to extend indemnification rights to all of its executive officers.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling SCBT Financial Corporation pursuant to the provisions discussed above, SCBT Financial Corporation has been informed that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable.

Item 22. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which it offers or sales of securities, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for determining liability under the Securities Act of 1933, treat each post-effective as a new registration statement of the securities offered, and the offering of the securities at that time to be the initial bona fide offering.

(3) To file a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the small business issuer pursuant to the foregoing provisions, or otherwise, the small business issuer has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the small business issuer of expenses incurred or paid by a director, officer or controlling person of the small business issuer in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the small business issuer will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(e) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

(f) The undersigned registrant hereby undertakes to deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant has duly caused this amendment statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Columbia, State of South Carolina, on September 19, 2005.
