Item 2.01 Completion of Acquisition or Disposition of Assets

Precis, Inc. (the Company) announced today that it has sold substantially all of the operating assets of its Foresight Club division to Benefit Marketing Solutions (BMS), a privately-held Oklahoma company unaffiliated with the Company. BMS also assumed certain liabilities of Foresight Club. The transaction was completed on December 9, 2005, with an effective date of December 1, 2005. The sale price was \$475,000. The Foresight Club designed and offered membership programs for rental-purchase companies, financial organizations, employer groups, retailers and association-based organizations. These membership programs were sold as part of a point-of-sale transaction or through direct marketing efforts. It was acquired by Precis in 2000. The assets conveyed to BMS include the Company's rights under customer agreements and software licenses and intellectual property associated with the trade name Foresight Club. Assets related to the Company's Foresight TPA division, a third party administrator, were not included in the sale. All goodwill associated with the division was determined to be impaired and was written off in the fourth quarter of 2004. Because of reserves for certain liabilities now assumed by BMS, the division's assets had a negative carrying value. The net effect to the Company's income statement for the quarter and year ending December 31, 2005, has yet to be determined, but is expected to be a pre-tax gain of approximately \$500,000.

Exhibit 99.2: Asset Purchase Agreement amongst Precis, Inc., Foresight, Inc., and Benefit Marketing Solutions, LLC, dated as of December 9, 2005, to be effective as of December 1, 2005.
