Disclaimer

This document is a presentation of general background information about the Group s activities current at the date of the presentation, 30 March, 2006. It is information in a summary form and does not purport to be complete. It is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor. These should be considered, with or without professional advice, when deciding if an investment is appropriate.

This document contains certain forward-looking statements within the meaning of Section 21E of the US Securities Exchange Act of 1934 and the US Private Securities Litigation Reform Act of 1995. The words anticipate, believe, expect, project, estimate, intend, should, coutarget, plan and other similar expressions are intended to identify forward-looking statements. Indications of and guidance on future earnings and financial position and performance are also forward-looking statements. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Group, that may cause actual results to differ materially from those expressed or implied in such statements. There can be no assurance that actual outcomes will not differ materially from these statements. For further information relating to the identification of forward-looking statements and important factors that could cause actual results to differ materially from those projected in such statements, see Presentation of Information - Forward-Looking Statements and Risk Factors in the Group's Annual Report on Form 20-F filed with the US Securities & Exchange Commission.
