**Item 3.02 Unregistered Sales of Equity Securities.**

On May 1, 2006, Vista Gold Corp. (the Company) announced that, in accordance with the terms of the Company's outstanding common share purchase warrants (the February 2003 Warrants) issued under a Warrant Indenture dated February 7, 2003 and the outstanding common share purchase warrants (the September 2004 Warrants and with the February 2003 Warrants, the Warrants) issued under a Warrant Indenture dated September 29, 2004, the Company has elected to accelerate the expiry date of all such currently outstanding Warrants since the Acceleration Event described in the applicable warrant indentures has occurred.

For the February 2003 Warrants, the Acceleration Event occurred on April 26, 2006 because the closing price of the Company's common shares on the American Stock Exchange exceeded 150% of the current exercise price of the warrants (\$4.28) for the 15 consecutive trading days prior to that date. For the September 2004 Warrants, the Acceleration Event occurred on April 28, 2006 because the closing price of the Company's common shares on the American Stock Exchange equaled or exceeded \$5.50 for the 20 consecutive trading days prior to that date.

The expiry date of the February 2003 Warrants will now be May 17, 2006, and the expiry date of the September 2004 Warrants will now be May 19, 2006. The Warrants must be exercised by 4:30 p.m. (Vancouver time) on the respective expiry dates, failing which they will expire. Notices of acceleration of the expiry were sent on April 26, 2006 to holders of the February 2003 Warrants and were sent on April 28, 2006 to holders of the September 2004 Warrants.

Of the February 2003 Warrants, there are currently 574,000 outstanding, exercisable at \$4.28 per share, for potential aggregate proceeds to the Company of \$2,456,720. Of the September 2004 Warrants, there are currently 1,459,798 outstanding, exercisable at \$4.75 per share, for potential aggregate proceeds to the Company of \$6,934,040.50.

The foregoing issuances of common shares upon warrant exercises would be exempt from the registration requirements of the Securities Act of 1933 (the Act) pursuant to Section 4(2) of the Act and Rule 506 of Regulation D promulgated thereunder. Each warrant holder is an accredited investor under the Act, and the securities were sold without any general solicitation by the Company. All of the foregoing common shares issuable upon warrant exercises have previously been registered with the Commission for resale under the Act on registration statements on Form S-3.

On May 1, 2006, the Company issued a press release reporting the acceleration of the expiry of the Warrants. The press release is furnished as Exhibit 99.1 and is attached hereto.
