Section 8 Other Events

Item 8.01. Other Events

We expect to file a shelf registration statement on Form S-3 to register securities during July 2006. In connection with the expected filing, we have reclassified the operations of certain properties we have sold or identified as held for sale that occurred subsequent to December 31, 2005 into discontinued operations within our consolidated financial statements and notes to consolidated financial statements that were previously filed in our 2005 annual report on Form 10-K.

Statement of Financial Accounting Standard (SFAS) No. 144, *Accounting for the Impairment or Disposal of Long-Lived Assets* requires us to report in discontinued operations the results of operations of a property that has either been disposed of or is classified as held for sale, unless certain conditions are met. SFAS No. 144 further requires us to reclassify results of operations from a property disposed or held for sale as income from discontinued operations during all reported periods. The purpose of this Current Report on Form 8-K is to set forth audited consolidated financial statements of Duke Realty Corporation for the years ended December 31, 2005, 2004 and 2003, including revised notes thereto, which reflect the impact of reclassifying results of operations from properties identified as held for sale subsequent to December 31, 2005 in accordance with SFAS No. 144.

During the three-month period ended March 31, 2006, we sold or held for sale three properties owned by us and not classified as assets held for sale as of December 31, 2005. The results of operations from such properties have been reclassified as income from discontinued operations for the years ended December 31, 2005, 2004 and 2003 in the accompanying consolidated financial statements and notes to consolidated financial statements. There is no effect on the previously reported net income available for common shareholders.

Management does not believe that this reclassification in accordance with SFAS No. 144 has a material effect on our selected consolidated financial data or management's discussion and analysis of financial condition and results of operations for the years ended December 31, 2005, 2004 and 2003 as previously reported in our 2005 Annual Report on Form 10-K. We are not revising Management's Discussion and Analysis (MD&A) included in our 2005 annual report on Form 10-K given the insignificance of the reclassified amounts.
