INTRODUCTION

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

Our Board of Directors (which is sometimes referred to as the Board) is furnishing you this Proxy Statement to solicit proxies on its behalf to be voted at our 2006 Annual Meeting of Stockholders to be held on Tuesday, October 10, 2006, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. We encourage your participation in the voting at the meeting and solicit your support on each proposal to be presented. This Proxy Statement and the accompanying proxy card are first being mailed to stockholders on or about August 10, 2006.

Unless the context otherwise requires, all references to our, we and us in this Proxy Statement relate to Inland Western Retail Real Estate Trust, Inc. (IWRRETI or the Company) and those entities owned or controlled directly or indirectly by IWRRETI. The mailing address of our principal executive offices is 2901 Butterfield Road, Oak Brook, Illinois 60523.

RECORD DATE AND OUTSTANDING SHARES The close of business on July 31, 2006 is the record date fixed by our Board of Directors for determining the holders of record of Common Stock, \$.001 par value per share, of the Company entitled to notice of and to vote at the Annual Meeting. Each of the outstanding shares of Common Stock, as of the record date, is entitled to one vote on all matters to be voted upon at the meeting. On the record date, there were 442,506,916.0640 shares of Common Stock issued and outstanding, our only outstanding voting securities.

VOTING OF PROXIES - Votes cast by proxy or in person at the meeting will be tabulated by an inspector of election appointed for the meeting. Each executed and returned proxy will be voted in accordance with the directions indicated on it. Each stockholder giving a proxy has the power to revoke it at any time before the shares it represents are voted by giving written notice of the revocation to our Secretary, by delivering a later dated, properly executed proxy (which automatically revokes the earlier proxy), or by voting in person at the meeting.

AUTHORIZING PROXIES ELECTRONICALLY VIA THE INTERNET Stockholders may authorize a proxy to vote their shares via the Internet at the www.proxyvoting.com/INWEST Web site until 11:59 p.m., Eastern Daylight Savings Time, October 9, 2006. The Internet proxy authorization procedures are designed to authenticate the stockholder's identity and to allow stockholders to authorize a proxy to vote their shares and confirm that their instructions have been properly recorded.

Please refer to the proxy card enclosed for voting instructions. If you choose not to authorize a proxy over the Internet or via touch-tone telephone, please complete and return the paper proxy card in the pre-addressed, postage-paid envelope provided with this Proxy Statement.

VOTING VIA TOUCH-TONE TELEPHONE Stockholders may authorize a proxy to vote their shares via touch-tone telephone by dialing 1-800-868-5614 until 11:59 p.m., Eastern Daylight Savings Time, October 9, 2006. The touch-tone telephone proxy authorization procedures are designed to authenticate the stockholder's identity and to allow stockholders to authorize a proxy to vote their shares and confirm that their instructions have been properly recorded.

Please refer to the proxy card enclosed for voting instructions. If you choose not to authorize a proxy by touch-tone telephone or over the Internet, please complete and return the paper proxy card in the pre-addressed, postage-paid envelope provided with this Proxy Statement.

QUORUM; ABSTENTIONS AND BROKER NON-VOTES Presence in person or by proxy at the meeting of holders of a majority of our issued and outstanding shares constitutes a quorum. Abstentions and broker non-votes will count toward the presence of a quorum. A broker non-vote occurs when a nominee (such as a custodian or bank) holding shares for a beneficial owner returns a signed proxy but does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

ITEM NO. 1: TO ELECT SEVEN INDIVIDUALS TO SERVE AS DIRECTORS TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF STOCKHOLDERS AND UNTIL THEIR SUCCESSORS ARE ELECTED AND QUALIFY.

THE BOARD'S RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE

FOR

**FRANK A. CATALANO, JR.,
KENNETH H. BEARD,
PAUL R. GAUVREAU,
GERALD M. GORSKI,
BARBARA A. MURPHY,
ROBERT D. PARKS, AND
BRENDA G. GUJRAL**

ITS NOMINEES FOR ELECTION AS DIRECTORS

TO SERVE UNTIL THE NEXT ANNUAL MEETING OF STOCKHOLDERS

AND UNTIL THEIR SUCCESSORS ARE ELECTED AND QUALIFY.

VOTE REQUIRED

The vote of a majority of the outstanding shares of stock of the Company entitled to vote at a meeting at which a quorum is present is necessary for the election of a director. There are no cumulative voting rights in the election of directors. For purposes of the election of directors, abstentions will not be counted as votes cast and will have the effect of a vote against the proposal although, as mentioned, they will count toward the presence of a quorum.

BOARD MEETINGS IN 2005 Our Board met 22 times during 2005. Each director attended more than 75% of the total number of meetings of the Board and the Committee on which he served. We do not have a policy with regard to Board members' attendance at annual stockholder meetings. However, each director attended the 2005 Annual Meeting.

COMMITTEES OF THE BOARD OF DIRECTORS Our bylaws provide that our Board may establish such committees as the Board believes appropriate. The Board will appoint the members of the committee in the Board's discretion. Our bylaws require that a majority of the members of each committee of our Board is to be comprised of independent directors.

Our Board has established an Audit Committee that was, until July 19, 2006, comprised of Messrs. Catalano, Beard and Gauvreau. Mr. Gauvreau serves as the chair of the Audit Committee and qualifies as our financial expert under the rules of the Securities and Exchange Commission. Although the Company is not listed on the New York Stock Exchange, each of these three directors would satisfy the definition of independent under the New York Stock Exchange's listing standards and under the Sarbanes-Oxley Act. The Board has adopted a written charter for the Audit Committee which was included as an exhibit to our proxy statement for the 2004 Annual Meeting. As of July 19, 2006, Mr. Catalano resigned from the Audit Committee.

The Audit Committee is responsible for the engagement of our independent registered public accounting firm, reviewing the plans and results of the audit engagement with our independent registered public accounting firm, approving services performed by and the independence of our independent registered public accounting firm, considering the range of audit and non-audit fees, and consulting with our independent registered public accounting firm regarding the adequacy of our internal accounting controls. This committee met ten times during 2005.

Our Board may establish an executive committee consisting of three directors. The executive committee would likely exercise all powers of the Board in the management of the business and affairs of our company, except for those which require actions by all of the directors under our charter or bylaws or under applicable law.

Our Board may establish a management disclosure committee to assist in reviewing our disclosures, controls and procedures. The committee may include our directors and directors and officers of our Business Manager/Advisor.

Our Board may establish an executive compensation committee consisting of three directors, to establish compensation policies and programs for our executive officers. If established, the executive compensation committee would exercise all powers of our Board in connection with establishing and implementing compensation matters, including incentive compensation and benefit plans.

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

Our Board may establish such other committees as it deems necessary and appropriate. Although we do not have a standing nominating committee or compensation committee of the Board of Directors, the Board of Directors itself serves in those capacities.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

There is no compensation committee. The Board of Directors has been responsible for all compensation decisions. As we have no employees, there are no compensation decisions to be made by the Board of Directors.

NOMINATING COMMITTEE

Our Board of Directors does not currently have a nominating committee. Rather, each member of our Board of Directors participates in the process of identifying and considering individuals for Board membership. Our Board of Directors believes its current process is effective since the current members of the Board of Directors are seasoned executives from a variety of backgrounds. If the Company were a listed company, each member of our Board of Directors would satisfy the independence requirements under the New York Stock Exchange's listing standards and the Sarbanes-Oxley Act, other than Mr. Parks and Mrs. Gujral. The Board of Directors will consider for recommendation to the Board nominations made by stockholders that comply with the procedures described below under the caption "Advance Notice Procedures for Making Director Nominations and Stockholder Proposals."

Once one of our members of our Board of Directors has identified a possible nominee (whether through a recommendation from a stockholder or otherwise), the Board of Directors make an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on the information provided to the Board of Directors when the candidate is recommended, the Board's own knowledge of the prospective candidate and information, if any, obtained by the Board's inquiries. The preliminary determination is based primarily on the need for additional Board members to fill vacancies, expand the size of the Board of Directors or obtain representation in market areas without Board representation and the likelihood that the candidate can satisfy the evaluation factors described below. If the members of the Board of Directors determine that additional consideration is warranted, the Board may gather additional information about the candidate's background and experience. The members of the Board of Directors then evaluate the prospective nominee against the following standards and qualifications:

Achievement, experience and independence;

Wisdom, integrity and judgment;

Understanding of the business environment; and

Willingness to devote adequate time to Board duties.

The members of the Board of Directors also consider such other relevant factors as they deem appropriate, including the current composition of the Board, the need for audit committee or other expertise and the evaluations of other candidates. In connection with this evaluation, the members of the Board of Directors determine whether to interview the candidate. If the members of the Board of Directors decide that an interview is warranted, one or more of those members, and others as appropriate, interview the candidate in person or by telephone. After completing this evaluation and interview, the full Board of Directors would nominate such candidates for election.

AUDIT COMMITTEE REPORT

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is composed of three directors. Although the Company is not listed on the New York Stock Exchange, each of these three directors would satisfy the definition of "independent" under the New York Stock Exchange's listing standards and under the Sarbanes-Oxley Act. As of July 19, 2006, Mr. Catalano resigned from the Audit Committee. The Audit Committee operates under a written charter approved by the Board of Directors. A copy of the charter was attached as an exhibit to our proxy statement for our 2004 Annual Meeting.

Management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements and an audit of the effectiveness of the Company's internal control over financial reporting as of December 31, 2005, in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2005 financial statements and management's assessment of the effectiveness of internal control over financial reporting. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosures and the letters from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K, as amended, for the year ended December 31, 2005, filed with the Securities and Exchange Commission.

The Audit Committee of the Board of Directors of Inland Western Retail Real Estate Trust, Inc.:

Frank A. Catalano, Jr.*

Kenneth H. Beard

Paul R. Gauvreau

* As of July 19, 2006, Mr. Catalano resigned from the Audit Committee.

COMPENSATION PAID TO OUR DIRECTORS AND OFFICERS

DIRECTOR COMPENSATION

BASE COMPENSATION. We pay each of our directors who are not employees of an Inland affiliate (the Nonaffiliated Directors) an annual fee of \$15,000. In addition, each of those director receives \$500 for attending in person, or \$350 for attending by telephone, each meeting of our Board. When the Nonaffiliated Directors meet, whether in person or by telephone, they receive \$1,000 for attending such a meeting. Members of the Audit Committee and each received \$750 for attending an audit committee meeting in person or \$500 for attending by telephone. In 2005, Mr. Catalano was paid a fee of \$31,000, Mr. Gauvreau was paid a fee of \$31,000, Mr. Beard was paid a fee of \$31,000, Mr. Gorski was paid a fee of \$24,000 and Ms. Murphy was paid a fee of \$24,000 for their

services as directors. Mr. Parks and Mrs. Gujral do not receive any fees or other remuneration for serving as our directors.

INDEPENDENT DIRECTOR STOCK OPTION PLAN. Only those directors who are not employees of Inland or its affiliates are eligible to participate in this plan. We have an Independent Director Stock Option Plan under which non-employee directors, as defined under Rule 16b-3 of the Securities Exchange Act of 1934, are eligible to participate.

We have authorized and reserved a total of 75,000 shares of our common stock for issuance under our Independent Director Stock Option Plan. The number and type of shares which could be issued under the plan may be adjusted if we are the surviving entity after a reorganization or merger or if our stock splits, is consolidated or we are recapitalized. If this occurs, the exercise price of the options will be correspondingly adjusted.

The Independent Director Stock Option Plan provides for the grant of non-qualified stock options to purchase 3,000 shares to each Independent Director upon his or her appointment if they meet the conditions in the plan. The plan also provides for subsequent grants of options to purchase 500 shares on the date of each annual stockholder's meeting, commencing with the annual meeting in 2005, to each Independent Director then in office. However, options may not be granted at any time when the grant, along with the grants to be made at the same time to other independent directors, would exceed 10% of our issued and outstanding shares. As of December 31, 2005, we had granted options to purchase a total of 20,000 shares at \$8.95 per share to our five Independent Directors, none of which had been exercised. We have not granted any options to Mr. Parks or Mrs. Gujral. The option price for subsequent options will be equal to the fair market value of a share on the last business day preceding the annual meeting of stockholders. The option price was fixed at \$8.95 per share until the termination of our initial public offering of common stock which occurred in March 2005. Currently, the option price is \$8.95 per share under the Independent Director Stock Option Plan.

One-third of the options granted following an individual initially becoming a director are exercisable beginning on the date of their grant, one-third will first become exercisable on the first anniversary of the date of their grant, and the remaining one-third will first become exercisable on the second anniversary of the date of their grant. All other options granted under the Independent Director Stock Option Plan will become fully exercisable on the second anniversary of their date of grant.

Options granted under the Independent Director Stock Option Plan are exercisable until the first to occur of

the tenth anniversary of the date of grant,

the removal for cause of the director as an director, or

three months following the date the director ceases to be an director for any other reason except death or disability.

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

The options may be exercised by payment of cash or through the delivery of common stock. They are generally exercisable in the case of death or disability for a period of one year after death or the disabling event, provided that the death or disabling event occurs while the person is a director. However, if the option is exercised within the first six months after it becomes exercisable, any shares issued pursuant to such exercise may not be sold until the six month anniversary of the date of the grant of the option. Notwithstanding any other provisions of the Independent Director Stock Option Plan to the contrary, no option issued pursuant thereto may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code.

No option may be sold, pledged, assigned or transferred by a director in any manner otherwise than by will or by the laws of descent or distribution.

Upon our dissolution, liquidation, reorganization, merger or consolidation as a result of which we are not the surviving corporation, or upon sale of all or substantially all of our property, the Independent Director Stock

Option Plan will terminate, and any outstanding unexercised options will terminate and be forfeited. However, holders of options may exercise any options that are otherwise exercisable immediately prior to the dissolution, liquidation, consolidation or merger. Additionally, our Board may provide for any or all of the following alternatives:

for the assumption by the successor corporation of the options previously granted or the substitution by the corporation for the options covering the stock of the successor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and exercise prices;

for the continuance of the Independent Director Stock Option Plan by such successor corporation in which event the Independent Director Stock Option Plan and the options will continue in the manner and under the terms so provided; or

for the payment in cash or common stock in lieu of and in complete satisfaction of the options.

The following table sets forth the following information as of December 31, 2005: (i) the number of shares of our common stock to be issued upon the exercise of outstanding options, warrants and rights, (ii) the weighted-average exercise price of such options, warrants and rights and (iii) the number of shares of our common stock remaining available for future issuance under our equity compensation plans, other than the outstanding options, warrants and rights described above.

EXECUTIVE COMPENSATION

We have no employees and our executive officers will not receive any compensation from us for their services as such officers. Our executive officers are officers of one or more of the Inland Affiliated Companies, and are compensated by those entities, in part, for their services rendered to us. We pay our Business Manager/Advisor and its affiliates (which are Inland Affiliated Companies) certain compensation in exchange for services they provide to us. Such compensation is described below under Certain Relationships and Related Transactions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Dollar amounts set forth below in this section are in thousands, except share and per share amounts.

Services Provided by Affiliates of the Business Manager/Advisor. As of December 31, 2005 and 2004, we had incurred \$457,007 and \$234,014, respectively, of offering costs for both the initial public offering and the second offering, of which \$444,566 and \$175,509, respectively, was paid or accrued to affiliates. Pursuant to the terms of our offerings, our Business Manager/Advisor guaranteed payment of all public offering expenses (excluding sales commissions, the marketing contribution and the due diligence expense allowance) in excess of 5.5% of the gross proceeds of the offering or gross offering proceeds or all organization and offering expenses (including selling commissions) which together exceed 15% of gross offering proceeds. As of December 31, 2005 and 2004, offering costs did not exceed the 5.5% and 15% limitations.

Our Business Manager/Advisor and its affiliates were entitled to reimbursement for salaries and expenses of employees of our Business Manager/Advisor and its affiliates relating to the offerings. In addition, an affiliate of our Business Manager/Advisor was entitled to receive selling commissions, the marketing contribution and due diligence expense allowance from us in connection with the offering. Such costs were offset against the stockholders' equity accounts. Such costs totaled \$444,566 and \$175,509, respectively, of which \$177 and \$2,880 remained unpaid at December 31, 2005 and 2004.

Our Business Manager/Advisor and its affiliates are entitled to reimbursement for general and administrative costs relating to our administration and the acquisition of properties. During the years ended December 31, 2005 and 2004 and the period from March 5, 2003 through December 31, 2003, we incurred \$4,528, \$1,543 and \$194 of these costs, respectively. Of these costs, \$1,120 and \$957 remained unpaid as of December 31, 2005 and 2004.

An affiliate of our Business Manager/Advisor provides investment advisory services related to us related to our securities investments for an annual fee. The fee is incremental based upon the aggregate amount of assets invested. Based upon the amounts of assets that we had invested at December 31, 2005, this fee was equal to .75% of the aggregate assets invested. We incurred fees totaling \$536 for the year ended December 31, 2005. \$100 of this amount remained unpaid at December 31, 2005. No such fees were incurred during the year ended December 31, 2004 or the period from March 5, 2003 (inception) through December 31, 2003.

An affiliate of our Business Manager/Advisor provides loan servicing to us for an annual fee. Prior to May 1, 2005, the agreement allowed for annual fees totaling .03% of the first \$1 billion in mortgage balance outstanding and .01% of the remaining mortgage balance, payable monthly. Effective May 1, 2005, if the number of loans exceeds 100, a monthly fee will be charged in the amount of 190 dollars per month, per loan being serviced. If the amount of loans being serviced are less than 100, then the amount per month, per loan increases to 225 dollars. Such fees totaled \$534 and \$141 for the years ended December 31, 2005 and 2004, respectively, and \$1 for the period from March 5, 2003 (inception) to December 31, 2003. \$42 remained unpaid as of December 31, 2005. None remained unpaid as of December 31, 2004.

We use the services of an affiliate of our Business Manager/Advisor to facilitate the mortgage financing that we obtained on some of the properties purchased. We pay the affiliate .2% of the principal balance of mortgage loans obtained. Such costs are capitalized as loan fees and amortized over the respective loan term. During the years

ended December 31, 2005 and 2004, we paid loan fees totaling \$5,049 and \$3,475, respectively, to this affiliate. No amounts remained unpaid as of December 31, 2005 or 2004.

We may pay an advisor asset management fee of not more than 1% of our average invested assets to our Business Manager/Advisor. Our average invested asset value is defined as the average of the total book value, including acquired intangibles, of our real estate assets invested in equity interests plus our loans receivable secured by real estate, before reserves for depreciation, reserves for bad debt or other similar non-cash reserves. We compute our average invested assets by taking the average of these values at the end of each month for which we are calculating the fee. The fee is payable quarterly in an amount equal to 1/4 of 1% of our average invested assets as of the last day of the immediately preceding quarter. Based upon the maximum allowable advisor asset management fee of 1% of our average invested assets, maximum advisor asset management fees of \$54,933, \$14,971 and \$152 were allowed for the years ended December 31, 2005 and 2004 and the period from March 5, 2003 (inception) through December 31, 2003, respectively. Our Business Manager/Advisor has agreed to forego any fees allowed but not taken during those periods. For any year in which we qualify as a REIT, our Business Manager/Advisor must reimburse us for the following amounts if any: (1) the amounts by which our total operating expenses, the sum of the advisor asset management fee plus other operating expenses, paid during the previous fiscal year exceed the greater of: (i) 2% of our average assets for that fiscal year, or (ii) 25% of our net income for that fiscal year; plus (2) an amount, which will not exceed the advisor asset management fee for that year, equal to any difference between the total amount of distributions to stockholders for that year and a 6% minimum annual return on the net investment of stockholders. For the year ended December 31, 2005, we accrued fees totaling \$20,925, \$3,000 of which remained unpaid as of December 31, 2005. For the year ended December 31, 2004 and the period from March 5, 2003 (inception) to December 31, 2003, we neither paid nor accrued such fees because our Business Manager/Advisor agreed to forego any fees for those time periods.

The property managers, entities owned principally by individuals who are affiliates of our Business Manager/Advisor, are entitled to receive property management fees totaling 4.5% of gross operating income, for management and leasing services. We incurred property management fees of \$20,686, \$5,382 and \$17, for the years ended December 31, 2005 and 2004 and the period from March 5, 2003 (inception) through December 31, 2003, respectively. None remained unpaid as of December 31, 2005 or 2004.

We established a discount stock purchase policy for our affiliates and affiliates of our Business Manager/Advisor that enables the affiliates to purchase shares of common stock at either \$8.95 or \$9.50 a share depending on when the shares are purchased. We sold 276,628, 605,060 and 59,497 shares of common stock to affiliates and recognized an expense related to these discounts of \$219, \$427 and \$62 for the years ended December 31, 2005 and 2004 and the period from March 5, 2003 (inception) through December 31, 2003, respectively.

As of December 31, 2005 and 2004, we were due funds from our affiliates for costs paid by us on their behalf in the amount of \$3,493 and \$654, respectively.

During the fourth quarter of 2005, we entered into a subscription agreement with Minto Builders (Florida), Inc. referred to as MB REIT. Under this agreement, we may purchase up to 920,000 newly issued series C preferred shares at a purchase price of \$1,276 per share. If Inland American Real Estate Trust, Inc., (an affiliate) referred to as Inland American REIT, does not satisfy their obligations under their agreement with MB REIT, we may be required to purchase series C preferred shares from MB REIT in an amount equal to approximately \$300,000. MB REIT has the right to redeem any series C preferred shares it issues to us with the proceeds of any subsequent capital contributed by Inland American REIT. MB REIT is required to redeem any and all outstanding series C preferred shares held by us by December 31, 2006. The series C preferred shares entitle us to an annual dividend equal to 7.0% on the face amount of the series C preferred shares payable monthly. As of December 31, 2005, we had purchased 175,551 series C preferred shares for a total amount of \$224,003. Due to the lack of influence that we have over the operating and financial policies of the investee, this investment is accounted for under the cost method in which investments are recorded at their original cost. We earned \$2,108 of dividends on this investment during the year ended December 31, 2005, all of which remained unpaid as of that date.

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

We entered into a fee arrangement with Inland American REIT whereby we are paid for guarantying customary non- recourse carve out provisions of Inland American REIT s financings until such time as Inland

American REIT reaches a net worth of \$300,000. The fee arrangement calls for a fee of \$50 annually for loans equal to and in excess of \$50,000 and \$25 for loans less than \$50,000.

On September 28, 2005, an affiliate of ours purchased a single-user net lease property in Pearland, Texas subject to an existing mortgage which we had previously funded on the property in the amount of \$7,391. In addition, on that date, we funded an additional amount of \$1,346 on the loan to the affiliate, bringing the total amount funded by us to \$8,737. The total loan amount represented 100% of the purchase price of the property plus accrued interest on the previous loan balance. The entity which owns the property was considered a variable interest entity and we were considered the primary beneficiary as defined in FIN 46 (R). Therefore, this entity was consolidated by us until December 28, 2005, at which time the loan was paid off in full including accrued interest.

On October 7, 2005, an affiliate of ours acquired a freestanding office building leased to the General Services Administration (GSA) for the U.S. Joint Force Command. We provided the initial financing of approximately \$24,300 for the affiliate to acquire the property. The loan was repaid in full including accrued interest on December 6, 2005.

During 2004, our sponsor advanced us amounts to pay a portion of distributions to our stockholders until funds available for distribution were sufficient to cover the distributions. Our Sponsor forgave \$2,369 of these amounts during the second quarter of 2004 and these funds were no longer due. As of December 31, 2004, we owed funds to our sponsor in the amount of \$3,523 for repayment of the funds advanced for payment of distributions. These funds were repaid in their entirety during 2005 and no funds were due to our sponsor as of December 31, 2005. No funds were advanced during 2005.

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

The following table sets forth information as of July 1, 2006, regarding the number and percentage of shares beneficially owned by: (i) each director; (ii) each executive officer; (iii) all directors and executive officers as a group; and (iv) any person known to us to be the beneficial owner of more than 5% of our outstanding shares. As of July 1, 2006, no stockholder beneficially owned more than 5% of our outstanding shares. As of July 1, 2006, we had approximately 116,000 stockholders of record and approximately 438,862,000 shares of common stock outstanding. Beneficial ownership includes outstanding shares and shares which are not outstanding that any person has the right to acquire within 60 days after the date of this table. However, any such shares which are not outstanding are not deemed to be outstanding for the purpose of computing the percentage of outstanding shares beneficially owned by any other person. Except as indicated in the footnotes to this table and pursuant to applicable community property laws, the persons named in the table have sole voting and investing power with respect to all shares beneficially owned by them.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than 10% of our outstanding shares, to file statements of beneficial ownership and changes in beneficial ownership of our shares with the Securities and Exchange Commission (SEC) and to furnish us with copies of all statements they file. Based solely on a review of the forms we have received and on written representations from certain reporting persons that no such forms were required for them, we believe that during 2005 all Section 16 filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with by such persons.

AMENDMENT AND RESTATEMENT OF OUR CHARTER

ITEM NO. 2 TO AMEND AND RESTATE OUR CHARTER TO REMOVE REFERENCES TO INDEPENDENT DIRECTOR AND LIMITATIONS ON EXCULPATION AND INDEMNIFICATION.

OUR CHARTER

Our charter, on file with the State Department of Assessments and Taxation of the State of Maryland, governs our corporate activities. When our charter was first adopted it was designed to be consistent with other non-traded REITs. The definition of independent director and the indemnification and exculpation provisions were adopted in connection with our original offering and were designed to satisfy requirements in effect for compliance with the securities laws of certain states. As our Company matures, we periodically reexamine our constituent documents to make them consistent with other public companies.

Currently, our charter includes references to Independent Director(s). Our charter defines Independent Director(s) as our directors who (a) are not affiliated and have not been affiliated within the two years prior to their becoming an independent director, directly or indirectly, with our sponsor or our advisor (whether by ownership of, ownership interest in, employment by, any material business or professional relationship with, or as an officer or director of our sponsor, our advisor or any of their affiliates), (b) do not serve as a director for more than two other companies originated or advised by our advisor and (c) perform no other services for us, except as directors.

Our charter also requires that a majority of our Board be comprised of independent directors and that certain determinations (including, without limitation, that our fees and expenses are reasonable and that we are following our investment policies) be made by a majority of our independent directors and that certain transactions (including, without limitation, the compensation of our advisor, the purchase of property from our sponsor, our advisor, our directors or any of their affiliates, the sale of property to our sponsor, our advisor, our directors or any of their affiliates and the borrowing of money from our sponsor, our advisor, our directors or any of their affiliates) be approved by a majority of our independent directors.

We believe that the definition of independent directors in the current charter is unnecessarily restrictive for our Company as it is presently organized. Very few public companies define independence in their governing documents or mandate that such specific actions be approved by a majority of independent directors.

If our amended and restated charter is adopted, we will be able to take the above described actions without approval from a majority of our independent directors. As a result, our company, consistent with Maryland law, may be able to take some actions which we previously would not have been able to take, without the approval of a majority of our independent directors because our amended and restated articles will have eliminated the defined concept of Independent Directors. We believe that the proposed changes to the charter will help us to continue to attract and retain experienced and qualified directors. As a result, the Board recommends a more modern and practical approach, one that is more consistent with other public companies.

The amended and restated charter also will include language to make it clear that our directors and officers will be exculpated and indemnified by the Company to the maximum extent permitted by Maryland law. Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of directors and officers to the corporation and its stockholders for money damages, except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment and which is material to the cause of action. Maryland law also permits a Maryland corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made or threatened to be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and

(i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the

director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. In addition, Maryland law permits a Maryland corporation to advance reasonable expenses to a director or officer upon receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed if it is ultimately determined that the standard of conduct was not met.

Our charter currently provides that we may not indemnify nor pay, advance or reimburse expenses to any director, officer, employee or agent or our advisor and its affiliates unless (a) our directors have determined, in good faith, that the course of conduct which caused the loss or liability was in our best interests, (b) the indemnified party was acting on our behalf or performing services for us, (c) the liability or loss was not the result of negligence or misconduct on the part of the indemnified party (or gross negligence in the case of independent directors) and (d) the indemnification or agreement to hold harmless is recoverable only out of our net assets and not from our stockholders. Our current charter also provides that we may not indemnify any director, officer, employee or agent or our advisor and its affiliates for losses, liabilities or expenses arising from or out of an alleged violation of federal or state securities laws by such party unless one or more of the following conditions are met: (a) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnified party, (b) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnified party or (c) a court of competent jurisdiction approves a settlement of the claims and finds that indemnification of the settlement and related costs should be made and the court considering the request has been advised of the position of the SEC and the published opinions of any applicable state securities regulatory authority as to indemnification for violations of securities laws. In addition, our charter currently provides that we may not advance amounts to an indemnified party for legal and other expenses and costs unless all of the following conditions are met: (a) the legal action relates to acts or omissions with respect to the performance of duties or services for us or on our behalf by the indemnified party, (b) the legal action is initiated by a third party who is not a stockholder or the legal action is initiated by a stockholder acting in his or her capacity as such and a court of competent jurisdiction specifically approves such advancement and (c) the indemnified party undertakes in writing to repay the advanced funds to us, together with the applicable legal rate of interest thereon, in cases in which such party is found not to be entitled to indemnification. Our amended and restated charter therefore will provide directors and officers with broader and more comprehensive indemnification rights, particularly with respect to the payment and advancement of expenses.

The exculpation and indemnification provisions in our amended and restated charter will be more consistent with other Maryland companies, specifically other Maryland public companies, and will enable us to attract and retain qualified and experienced officers and directors.

Before you decide how to vote, you should read our amended and restated charter, which we have included as **Appendix A**. We have marked **Appendix A** to show the proposed additions and deletions.

A vote to approve this proposal is a vote for each of the amendments to the current charter and a vote against this proposal is a vote against each of the amendments to the current charter. If approved, the amended and restated charter will become effective upon filing with the Maryland Department of Assessments and Taxation.

For purposes of this paragraph, ; cause shall mean with respect to any particular director, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such director caused demonstrable, material harm to the Company through bad faith or active and deliberate dishonesty.

SECTION 4. SERVICE AS NOMINEE. Legal title to any Property shall be vested in the Company, but the Company may cause legal title to any such Property to be held by or in the name of any or all of the Directors or any other person as nominee. Upon the resignation or removal of any Director, or his otherwise ceasing to be a Director, he shall automatically cease to have any right, title or interest in and to any Property and shall execute and deliver such documents as the remaining Directors require for the conveyance of any such Property held in his name, and shall account to the remaining Directors as they require for all such Property which he holds as Director. Any right, title or interest of the Director in and to any Property shall automatically vest in successor and additional Directors upon their qualification and acceptance of election or appointment as Directors, and they shall thereupon have all the rights and obligations of Directors, whether or not any conveyancing documents have been executed and delivered. Written evidence of the qualification and acceptance of election or appointment of successor and additional Directors may be filed with the records of the Company and in any such other offices, agencies or places as the Company or Directors may deem necessary or desirable.

SECTION 5. DUTIES AND POWERS.

(a) GENERAL. The business and affairs of the Company shall be managed under the direction of the Board of Directors. All powers of the Company may be exercised by or under authority of the Board of Directors except as conferred on or reserved to the Stockholders by law or by the Articles or the Bylaws. These Articles shall be construed with a presumption in favor of the grant of power and authority to the Board of Directors. Any construction of these Articles or determination made in good faith by the Board of Directors concerning its powers and authority hereunder shall be conclusive. The enumeration and definition of particular powers of the Board of Directors included in these Articles or in the Bylaws shall in no way be construed or deemed by inference or otherwise in any manner to exclude or limit the powers conferred upon the Board of Directors under the Maryland General Corporation Law, the general laws of the State of Maryland or any other applicable laws as now or hereafter in force. At or before the first meeting of the Board of Directors, the Articles shall be reviewed and ratified by a majority ~~both~~ of the ~~Directors and of the Independent~~ Directors.

(b) REIT QUALIFICATION. The Board shall use its reasonable best efforts to cause the Company to qualify for U.S. federal income tax treatment in accordance with the provisions of the Code applicable to a REIT. In furtherance of the foregoing, the Board shall use its reasonable best efforts to take such actions as are necessary, and may take such actions as in its sole judgment and discretion are desirable, to preserve the status of the Company as a REIT; provided, however, that if a majority of the Board ~~(including a majority of~~

~~the Independent Directors~~) determines that it is no longer in the best interest of the Company to continue to have the Company qualify as a REIT, the Board may revoke or otherwise terminate the Company's REIT election pursuant to Section 856(g) of the Code. The Board of Directors also may determine that compliance with any restriction or limitation on stock ownership and transfers set forth in Article IX is no longer required for REIT qualification.

(c) AUTHORIZATION BY BOARD OF STOCK ISSUANCE. The Board of Directors may authorize the issuance from time to time of shares of stock of the Company of any class or series, whether now or hereafter authorized, or securities or rights convertible into shares of its stock or any class or series, whether now or hereafter authorized, for such consideration

as the Board of Directors may deem advisable (or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in these Articles or the Bylaws.

(d) DISTRIBUTIONS. The Company intends to pay regular quarterly distributions to its Stockholders (Distributions). However, the Company reserves the right to pay Distributions on a monthly basis in an amount determined by the Board. Distributions will be at the discretion of the Board. The Company's ability to pay Distributions and the size of these Distributions will depend upon a variety of factors. There can be no assurance that Distributions will be made or that any particular level of Distributions established in the future, if any, will be maintained by the Company.

To the extent possible, the Company seeks to avoid the fluctuations in Distributions which might result if Distributions were based on actual cash received during the Distribution period. To avoid fluctuation, the Company may use Cash Flow received during prior periods, or Cash Flow received subsequent to the Distribution period and prior to the payment date for such Distribution, in order to pay annualized Distributions consistent with the Distribution level established from time to time by the Board. The Company's ability to maintain this policy is dependent upon the Company's Cash Flow and the applicable requirements for qualifying as a REIT as contained in Code Section 856 through 960 and the Regulations promulgated thereunder. There can be no assurance that there will be Cash Flow available to pay Distributions, or that Distribution amounts will not fluctuate. Quarterly Distributions will be calculated with daily record and Distribution declaration dates. However, the Board could, at any time, elect to pay Distributions monthly, and later switch back to quarterly, to reduce administrative costs.

Concurrently with any Distribution, the Company shall provide Stockholders with a statement disclosing the source of the funds distributed. If such information is not available concurrently with the making of a Distribution, a statement setting forth the reasons why such information is not available shall be provided concurrently. In no event shall such information be provided to Stockholders more than 60 days after the close of the fiscal year in which the Distribution was made.

Distributions in-kind shall not be permitted, except for Distributions of: (i) readily marketable securities; (ii) beneficial interests in a liquidating trust established for the dissolution

of the Company and the liquidation of its assets; or (iii) Distributions of in-kind property which meet all of the following conditions: (a) the Directors advise each Stockholder of the risks associated with direct ownership of the in-kind Property; (b) the Directors offer each Stockholder the election of receiving in-kind property Distributions; and (c) the Directors distribute in-kind property only to those Stockholders who accept the Directors' offer.

The Directors shall endeavor to declare and pay such Distributions as shall be necessary under the Code; however, Stockholders shall have no right to any Distribution unless and until declared by the Directors. The exercise of the powers and rights of the Directors pursuant to this Section 5 shall be subject to the provisions of any class or series of Equity Stock at the time outstanding. The receipt by any person in whose name any shares of Equity Stock are registered on the records of the Company or by his, her or its duly authorized agent shall be a sufficient discharge for all dividends or distributions payable or deliverable in respect of such shares of Equity Stock and from all liability related to the application thereof.

(e) **DISTRIBUTION REINVESTMENT PROGRAM.** The Directors may adopt a distribution reinvestment program on such terms and conditions as shall be set forth in the Prospectus, which program may be amended from time to time by the Directors, provided, however, that such program shall, at a minimum, provide for the following:

(i) All material information regarding the Distribution to the Stockholder and the effect of reinvesting such Distribution, including the tax consequences thereof, shall be provided to the Stockholder at least annually; and

(ii) Each Stockholder participating in the distribution reinvestment program shall have a reasonable opportunity, to withdraw from the distribution reinvestment program at least annually after receipt of the information required in subparagraph (i) above.

(f) **DETERMINATION OF REASONABLENESS OF FEES AND EXPENSES.** The ~~Independent~~ Directors shall determine, from time to time but at least annually, that the total fees and expenses of the Company are reasonable in the light of the investment performance of the Company, its Net Assets, its Net Income, and the fees and expenses of other comparable unaffiliated Companies. Each such determination shall be reflected in the minutes of the meeting of the Directors.

(g) **REVIEW OF INVESTMENT POLICIES.** The Directors shall establish written policies on investments and borrowing and shall monitor the administrative procedures, investment operations and performance of the Company and the Advisor to assure that such policies are carried out. The ~~Independent~~ Directors shall review such policies of the Company, with sufficient frequency and at least annually to determine that the policies being followed by the Company at any time are in the best interests of the Stockholders. Each such determination and the basis therefor shall be set forth in the minutes of the Board of Directors.

(h) DETERMINATION OF CONSIDERATION. The consideration paid for Properties acquired by the Company shall ordinarily be based upon the fair market value of the Properties and approved by a majority of the Directors (including a majority of the Independent Directors). In cases in which a majority of the Independent Directors so determine, or if assets are acquired from a Sponsor, Advisor, Director or an Affiliate of any of the foregoing, pursuant to Section 6 of Article VIII, such fair market value shall be as determined by a qualified independent real estate appraiser selected by the Independent Directors.

(i) ADVISORY AGREEMENT; ADVISOR COMPENSATION. Subject to the approval of a majority of the Directors, including a majority of the Independent Directors, an advisory agreement will be entered into by the Company which will be for a one-year term subject to successive one-year renewals upon the mutual consent of the parties. Such advisory agreement shall be terminable by either party or by mutual consent of the parties or by a majority of the Independent Directors of the Company or the Advisor, as the case may be, upon 60 days written notice without cause or penalty. In the event of the termination of the advisory agreement, the Advisor will cooperate with the Company and take all reasonable steps requested to assist the Directors in making an orderly transition of the advisory function. The Independent Directors shall determine from time to time and at least annually that the compensation which the Company contracts to pay to the Advisor is reasonable in relation to the nature and quality of services performed and that such compensation is within the limits prescribed by these Articles and applicable state law. The Independent Directors shall also supervise the performance of the Advisor to determine that the Advisor or a successor Advisor possesses sufficient qualifications to perform the advisory function for the Company and to justify the compensation paid to it by the Company as well as to confirm that the provisions of such contract are being carried out. It shall be the duty of the Directors, including the Independent Directors, to evaluate the performance of the Advisor before entering into or renewing an advisory contract. Such determination shall be based upon the following factors and all other factors such Independent Directors may deem relevant and the findings of such Directors on each of such factors shall be recorded in the minutes of a Directors meeting: (i) the size of the advisory fee in relation to the size, composition and profitability of the investment portfolio of the Company; (ii) the success of the Advisor in generating opportunities that meet the investment objectives of the Company; (iii) the rates charged to other REITs and to investors other than REITs by advisors performing similar services; (iii) additional revenues realized by the Advisor and its Affiliates through their relationship with the Company including loan administration, underwriting or broker commissions, servicing, engineering, inspection and other fees, whether paid by the Company or by others with whom the Company does business; (v) the quality and extent of service and advice furnished by the Advisor; (vi) the performance of the investment portfolio of the Company, including income, conservation or appreciation of capital, frequency of problem investments and competence in dealing with distress situations; and (vii) the quality of the investment portfolio of the Company in relationship to the investments generated by the Advisor for its own account. Payments to the Advisor, its Affiliates and the Directors for services rendered in a capacity other than that as investment advisor or Director may only be made upon a determination that: (i) the compensation is not in excess of their compensation paid for any comparable services; and (ii) the compensation is not greater than the charges for comparable services available from others who are competent and not affiliated with any of the parties involved.

(j) RESERVED POWERS OF BOARD. The Board of Directors, without any action by the Stockholders of the Company, shall have and may exercise, on behalf of the Company, without limitation, the exclusive power to adopt, alter and repeal any provision of the Bylaws and to make new Bylaws.

SECTION 6. PERFORMANCE OF DUTIES. A Director shall perform his or her duties as a Director, including his or her duties as a member of a committee of the Board on which he or she serves in accordance with Maryland law. A Director who performs his or her duties in accordance with Maryland law has no liability by reason of being or having been a Director.

SECTION 7. FIDUCIARY DUTY. The Directors and Advisor of the Company shall be deemed to be in a fiduciary relationship to the Company and the Stockholders. The Directors shall also have a fiduciary duty to the Stockholders to supervise the relationship of the Company with the Advisor.

SECTION 8. DETERMINATIONS BY BOARD. The determination as to any of the following matters, made in good faith by or pursuant to the direction of the Board consistent with these Articles ~~and in the absence of actual receipt of an improper benefit in money, property or services or active and deliberate dishonesty established by a court,~~ shall be final and conclusive and shall be binding upon the Company and every holder of shares of its Equity Stock: (i) the amount of the net income of the Company for any period and the amount of assets at any time legally available for the payment of dividends, redemption of its Equity Stock or the payment of other distributions on its Equity Stock; (ii) the amount of paid-in surplus, net assets, other surplus, annual or other net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; (iii) the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been paid or discharged); (iv) the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Company; (v) any matters relating to the acquisition, holding and disposition of any assets by the Company; or (vi) any other matter relating to the business and affairs of the Company.

ARTICLE VIII

PROVISIONS FOR DEFINING, LIMITING AND REGULATING CERTAIN POWERS OF THE COMPANY AND OF ITS DIRECTORS AND STOCKHOLDERS

Until such time as the Board of Directors shall determine, in its sole and absolute discretion, that it is no longer in the best interests of the Company or its Stockholders that the Company continue to operate as a REIT, or until such time as the Company shall fail to qualify as a REIT:

SECTION 1. LIMITATION ON ORGANIZATION AND OFFERING EXPENSES. The Organization and Offering Expenses paid in connection with the Company's formation or the syndication or sale of shares of Common Stock shall be reasonable and shall in no event exceed fifteen percent (15%) of the proceeds raised in such syndication or sale.

SECTION 2. LIMITATION ON ACQUISITION FEES AND EXPENSES. The total of all Acquisition Fees and Acquisition Expenses paid by the Company in connection with the purchase of a property by the Company shall be reasonable, and shall in no event exceed an amount equal to 6% of the Contract Price for the Property, or in the case of a mortgage loan, 6% of the funds advanced; provided, however, that a majority of the Directors (~~including the majority of the Independent Directors~~) not otherwise interested in the transaction may approve fees and expenses in excess of these limits if they determine the transaction to be commercially competitive, fair and reasonable to the Company.

SECTION 3. LIMITATION ON TOTAL OPERATING EXPENSES. The annual Total Operating Expenses of the Company shall not exceed in any fiscal year the greater of 2% of the Average Assets of the Company or 25% of the Company's Net Income. ~~The Independent Directors~~ have a fiduciary responsibility to limit the Company's annual Total Operating Expenses to amounts that do not exceed the limitations described above. ~~The Independent Directors~~ may, however, determine that a higher level of Total Operating Expenses is justified for such period because of unusual and non-recurring expenses. Any such finding by the ~~Independent Directors~~ and the reasons in support thereof shall be recorded in the minutes of the meeting of Directors. Within 60 days after the end of any fiscal quarter of the Company for which Total Operating Expenses (for the 12 months then ended) exceed 2% of Average Assets or 25% of Net Income, whichever is greater, as described above, there shall be sent to the Stockholders a written disclosure of such fact. If the ~~Independent Directors~~ determine that such higher Total Operating Expenses are justified, such disclosure will also contain an explanation of the ~~Independent Directors'~~ conclusion. In the event the Total Operating Expenses exceed the limitations described above and if the Directors are unable to conclude that such excess was justified then, within 60 days after the end of the Company's fiscal year, the Advisor shall reimburse the Company the amount by which the aggregate annual Total Operating Expenses paid or incurred by the Company exceed the limitation.

SECTION 4. LIMITATION ON REAL ESTATE COMMISSIONS. If the Company sells property, the Company may pay real estate brokerage fees which are reasonable, customary and competitive, taking into consideration the size, type and location of the Property (Competitive Real Estate Commission), which shall not in the aggregate exceed the lesser of the Competitive Real Estate Commission or an amount equal to 6% of the gross sales price of the Property. The amount of such fees payable to the Advisor or an Affiliate thereof shall not exceed the lesser of (i) one-half of the Competitive Real Estate Commission; or (ii) 3% of the gross sales price of a Property and shall be paid only if such person provides a substantial amount of services in connection with the sale of the Property.

SECTION 5. LIMITATION ON INCENTIVE FEES. The Company shall pay the Advisor a reasonable incentive advisory fee. Such a fee shall be considered presumptively reasonable if it does not exceed 15% of the balance of such net proceeds remaining after

payment to the Stockholders, in the aggregate, of an amount equal to 100% of the original issue price of the Shares, plus an amount equal to 6% of the original issue price of the Shares per annum cumulative. For purposes of this Section 5, the original issue price of the Shares may be reduced by prior cash distributions to Stockholders of net proceeds from the sale of Properties. In the case of multiple advisors, advisors and Affiliates shall be allowed incentive fees in accordance with the foregoing limitation, provided such fees are distributed by a proportional method reasonably designed to reflect the value added to the Company: s assets by each respective advisor or Affiliate.

SECTION 6. LIMITATION ON TRANSACTIONS WITH AFFILIATES.

(a) SALES AND LEASES TO COMPANY. The Company shall not purchase Property from the Sponsor, Advisor, Directors or any Affiliate thereof, unless a majority of Directors ~~(including a majority of Independent Directors)~~ not otherwise interested in such transaction approve the transaction as being fair and reasonable to the Company and at a price to the Company no greater than the cost of the asset to such Sponsor, Advisor, Director or any Affiliate thereof, or if the price to the Company is in excess of such cost, that substantial justification for such excess exists and such excess is reasonable. In no event shall the cost of such asset to the Company exceed its appraised value at the time of acquisition of the Property by the Company.

(b) SALES AND LEASES TO SPONSOR, ADVISOR, DIRECTOR OR ANY AFFILIATE. A Sponsor, Advisor, Director or any Affiliate thereof shall not acquire assets from the Company unless approved by a majority of Directors ~~(including a majority of Independent Directors)~~, not otherwise interested in such transaction, as being fair and reasonable to the Company. The Company may lease assets to a Sponsor, Advisor, Director or any Affiliate thereof only if approved by a majority of the Directors ~~(including a majority of Independent Directors)~~, not otherwise interested in such transaction, as being fair and reasonable to the Company.

(c) LOANS. No loans may be made by the Company to the Sponsor, Advisor, Director or any Affiliate thereof except as provided in Article X hereof, or to wholly owned subsidiaries of the Company. The Company may not borrow money from the Sponsor, Advisor, Director or any Affiliate thereof, unless a majority of Directors ~~(including a majority of Independent Directors)~~ not otherwise interested in such transactions, approve the transaction as being fair, competitive and commercially reasonable and no less favorable to the Company than loans between unaffiliated parties under the same circumstances.

(d) INVESTMENTS. The Company shall not invest in joint ventures with the Sponsor, Advisor, Director or any Affiliate thereof, unless a majority of Directors ~~(including a majority of Independent Directors)~~ not otherwise interested in such transactions, approve the transaction as being fair and reasonable to the Company and on substantially the same terms and conditions as those received by the other joint ventures. The Company shall not invest in equity securities unless a majority of Directors ~~(including a~~

~~majority of Independent Directors~~) not otherwise interested in such transaction approve the transaction as being fair, competitive, and commercially reasonable.

(e) OTHER TRANSACTIONS. All other transactions between the Company and the Sponsor, Advisor, Director or any Affiliate thereof, shall require approval by a majority of the Directors ~~(including a majority of Independent Directors)~~ not otherwise interested in such transactions as being fair and reasonable to the Company and on terms and conditions not less favorable to the Company than those available from unaffiliated third parties.

SECTION 7. LIMITATION ON BORROWING. The Company may not incur indebtedness to enable it to make Distributions except as necessary to satisfy the requirement that the Company distribute at least the percentage of its REIT taxable income required for annual distribution of dividends by the Internal Revenue Code of 1986, as amended, or otherwise as necessary or advisable to assure that the Company maintains its qualification as a REIT for federal income tax purposes. The aggregate borrowing of the Company, secured and unsecured, shall be reasonable in relation to the Net Assets of the Company and shall be reviewed by the Board of Directors at least quarterly. The aggregate amount of Company borrowings in relation to the Net Assets shall, in the absence of a satisfactory showing that a higher level of borrowing is appropriate, not exceed 300% of Net Assets. Any excess in borrowing over such 300% of Net Assets level shall be approved by a majority of the ~~Independent~~ Directors and disclosed to Stockholders in the Company's next quarterly report to Stockholders, along with justification for such excess. Any excess in borrowing over such 300% of Net Assets level shall be subject to the approval by the Stockholders.

SECTION 8. SUITABILITY OF STOCKHOLDERS.

(a) INCOME AND NET WORTH STANDARDS. Stockholders shall have (i) a minimum annual gross income of \$45,000 and a minimum net worth of \$45,000, or (ii) a minimum net worth of \$150,000 at the time they make their investment in the Company. Net worth shall be determined exclusive of home, home furnishings and automobiles. In the case of sales to fiduciary accounts, these minimum standards shall be met by the beneficiary, the fiduciary account, or by the donor or grantor who directly or indirectly supplies the funds to purchase the shares of Equity Stock if the donor or grantor is the fiduciary.

(b) DETERMINATION THAT SALE TO STOCKHOLDER IS SUITABLE AND APPROPRIATE. The Sponsor and each Person selling shares of Equity Stock on behalf of the Sponsor or Company shall make every reasonable effort to determine that the purchase of shares of Equity Stock is a suitable and appropriate investment for each Stockholder. In making this determination, the Sponsor or each Person selling shares of Equity Stock on behalf of the Sponsor or the Company shall ascertain that the prospective Stockholder: (i) meets the minimum income and net worth standards established for the Company; (ii) can reasonably benefit from the Company based on the prospective Stockholder's overall investment objectives and portfolio structure; (iii) is able to bear the economic risk of the investment based on the

prospective Stockholder's overall financial situation; and (iv) has apparent understanding of: (1) the fundamental risks of investment; (2) the risk that the Stockholder may lose the entire investment; (3) the lack of liquidity of shares of Equity Stock of a REIT; (4) the restrictions on transferability of shares of Equity Stock of a REIT; (5) the background and qualification of the Sponsor or the Advisor; and (6) the tax consequences of the investment. The Sponsor may require minimum initial and subsequent cash investment amounts.

(ii) if the transfer to the Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 2.1(a)(i) or (ii), then the Transfer of that number of shares of Equity Stock that otherwise would cause any Person to violate Section 2.1(a)(i) or (ii) shall be void AB INITIO, and the intended transferee shall acquire no rights in such shares of Equity Stock.

SECTION 2.2. REMEDIES FOR BREACH. If the Board of Directors of the Company or any duly authorized committee thereof shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of Section 2.1 or that a Person intends to acquire or has attempted to acquire Beneficial or Constructive Ownership of any shares of Equity Stock in violation of Section 2.1 (whether or not such violation is intended), the Board of Directors or a committee thereof shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Company to redeem shares, refusing to give effect to such Transfer on the books of the Company or instituting proceedings to enjoin such Transfer or other event; PROVIDED, HOWEVER, that any Transfer or attempted Transfer or other event in violation of Section 2.1 shall automatically result in the transfer to the Trust described above, and, where applicable, such Transfer (or other event) shall be void AB INITIO as provided above irrespective of any action (or non-action) by the Board of Directors or a committee thereof.

SECTION 2.3. NOTICE OF RESTRICTED TRANSFER. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of shares of Equity Stock that will or may violate Section 2.1(a) or any Person who would have owned shares of Equity Stock that resulted in a transfer to the Trust pursuant to the provisions of Section 2.1(b) shall immediately give written notice to the Company of such event, or in the case of such a proposed or attempted transaction, give at least 15 days prior written notice, and shall provide to the Company such other information as the Company may request in order to determine the effect, if any, of such Transfer on the Company: s status as a REIT.

SECTION 2.4. OWNERS REQUIRED TO PROVIDE INFORMATION. From the Initial Date and prior to the Restriction Termination Date:

_____ (d) (a) every owner of more than five percent (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) of the outstanding shares of Equity Stock, within 30 days after the end of each taxable year, shall give written notice to the Company stating the name and address of such owner, the number of shares of Equity Stock and other shares of the Equity Stock Beneficially Owned and a description of the manner in which such shares are held. Each such owner shall provide to the Company such additional information as the Company may request in order to determine the effect, if any, of such Beneficial Ownership on the Company: s status as a REIT and to ensure compliance with the Aggregate Stock Ownership Limit; and

_____ (e) (b) each Person who is a Beneficial or Constructive Owner of Equity Stock and each Person (including the stockholder of record) who is holding Equity Stock for a Beneficial or

Constructive Owner shall provide to the Company such information as the Company may request, in good faith, in order to determine the Company's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance.

SECTION 2.5. REMEDIES NOT LIMITED. Subject to Section 5.7 of the Charter, nothing contained in this Section 2 shall limit the authority of the Board of Directors of the Company to take such other action as it deems necessary or advisable to protect the Company and the interests of its stockholders in preserving the Company's status as a REIT.

SECTION 2.6. AMBIGUITY. In the case of an ambiguity in the application of any of the provisions of this Section 2, Section 3, or any definition contained in Section 1, the Board of Directors of the Company shall have the power to determine the application of the provisions of this Section 2 or Section 3 or any such definition with respect to any situation based on the facts known to it. In the event Section 2 or 3 requires an action by the Board of Directors and the Charter fails to provide specific guidance with respect to such action, the Board of Directors shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of Sections 1, 2 or 3.

SECTION 2.7. EXCEPTIONS.

~~_____ (a)~~ Subject to Section 2.1(a)(ii), the Board of Directors of the Company, in its sole discretion, may exempt a Person from the Aggregate Stock Ownership Limit and the Common Stock Ownership Limit, as the case may be, and may establish or increase an Excepted Holder Limit for such Person if:

(i) the Board of Directors obtains such representations and undertakings from such Person as are reasonably necessary to ascertain that no individual's Beneficial or Constructive Ownership of such shares of Equity Stock will violate Section 2.1(a)(ii);

(ii) such Person does not and represents that it will not own, actually or Constructively, an interest in a tenant of the Company (or a tenant of any entity owned or controlled by the Company) that would cause the Company to own, actually or Constructively, more than a 9.9% interest (as set forth in Section 856(d)(2)(B) of the Code) in such tenant and the Board of Directors obtains such representations and undertakings from such Person as are reasonably necessary to ascertain this fact (for this purpose, a tenant from whom the Company (or an entity owned or controlled by the Company) derives (and is expected to continue to derive) a sufficiently small amount of revenue such that, in the opinion of the Board of Directors of the Company, rent from such tenant would not adversely affect the Company's ability to qualify as a REIT, shall not be treated as a tenant of the Company); and

(iii) such Person agrees that any violation or attempted violation of such representations or undertakings (or other action which is contrary to the restrictions contained in Sections 2.1 through 2.6) will result in such shares of Equity Stock being automatically transferred to a Trust in accordance with Sections 2.1(b) and 3.

_____ (g)(b) Prior to granting any exception pursuant to Section 2.7(a), the Board of Directors of the Company may require a ruling from the Internal Revenue Service, or an opinion of counsel, in either case in form and substance satisfactory to the Board of Directors in its sole discretion, as it may deem necessary or advisable in order to determine or ensure the Company's status as a REIT. Notwithstanding the receipt of any ruling or opinion, the Board of Directors may impose such conditions or restrictions as it deems appropriate in connection with granting such exception.

_____ (h)(c) Subject to Section 2.1(a)(ii), an underwriter which participates in a public offering or a private placement of Equity Stock (or securities convertible into or exchangeable for Equity Stock) may Beneficially Own or Constructively Own shares of Equity Stock (or securities convertible into or exchangeable for Equity Stock) in excess of the Aggregate Stock Ownership Limit, the Common Stock Ownership Limit, or both such limits, but only to the extent necessary to facilitate such public offering or private placement.

(id) The Board of Directors may only reduce the Excepted Holder Limit for an Excepted Holder: (1) with the written consent of such Excepted Holder at any time, or (2) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. No Excepted Holder Limit shall be reduced to a percentage that is less than the Common Stock Ownership Limit.

SECTION 2.8. INCREASE IN AGGREGATE STOCK OWNERSHIP AND COMMON STOCK OWNERSHIP LIMITS. The Board of Directors may from time to time increase the

Common Stock Ownership Limit and the Aggregate Stock Ownership Limit.

SECTION 2.9. LEGEND. Each certificate for shares of Equity Stock shall bear substantially the following legend:

The shares represented by this certificate are subject to restrictions on Beneficial and Constructive Ownership and Transfer for the purpose of the Company's maintenance of its status as a Real Estate Investment Trust under the Internal Revenue Code of 1986, as amended (the Code). Subject to certain further restrictions and except as expressly provided in the Company's Charter, (i) no Person may Beneficially or Constructively Own shares of the Company's Common Stock in excess of 9.8 percent (in value or number of shares) of the outstanding shares of Common Stock of the Company unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (ii) no Person may Beneficially or Constructively Own shares of Equity Stock of the Company in excess of 9.8 percent of the value of the total outstanding shares of Equity Stock of the Company, unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be

applicable); (iii) no Person may Beneficially or Constructively Own Equity Stock that would result in the Company being closely held under Section 856(h) of the Code or otherwise cause the Company to fail to qualify as a REIT; and (iv) no Person may Transfer shares of Equity Stock if such Transfer would result in the Equity Stock of the Company being owned by fewer than 100 Persons. Any Person who Beneficially or Constructively Owns or attempts to Beneficially or Constructively Own shares of Equity Stock which causes or will cause a Person to Beneficially or Constructively Own shares of Equity Stock in excess or in violation of the above limitations must immediately notify the Company. If any of the restrictions on transfer or ownership are violated, the shares of Equity Stock represented hereby will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries. In addition, upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void AB INITIO. All capitalized terms in this legend have the meanings defined in the charter of the Company, as the same may be amended from time to time, a copy of which, including the restrictions on transfer and ownership, will be furnished to each holder of Equity Stock of the Company on request and without charge.

Instead of the foregoing legend, the certificate may state that the Company will furnish a full statement about certain restrictions on transferability to a stockholder on request and without charge.

SECTION 3. TRANSFER OF EQUITY STOCK IN TRUST.

SECTION 3.1. OWNERSHIP IN TRUST. Upon any purported Transfer or other event described in Section 2.1(b) that would result in a transfer of shares of Equity Stock to a Trust, such shares of Equity Stock shall be deemed to have been transferred to the Trustee as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the transfer to the Trust pursuant to Section 2.1(b). The Trustee shall be appointed by the Company and shall be a Person unaffiliated with the Company and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Company as provided in Section 3.6.

SECTION 3.2. STATUS OF SHARES HELD BY THE TRUSTEE. Shares of Equity Stock held by the Trustee shall be issued and outstanding shares of Equity Stock of the Company. The Prohibited Owner shall have no rights in the shares held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any shares held in trust by the Trustee, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the shares held in the Trust.

SECTION 3.3. DIVIDEND AND VOTING RIGHTS. The Trustee shall have all voting rights and rights to dividends or other distributions with respect to shares of Equity Stock held in the Trust, which rights shall be exercised for the exclusive benefit of the

Charitable Beneficiary. Any dividend or other distribution paid prior to the discovery by the Company that the shares of Equity Stock have been transferred to the Trustee shall be paid by the recipient of such dividend or distribution to the Trustee upon demand and any dividend or other distribution authorized but unpaid shall be paid when due to the Trustee. Any dividend or distribution so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to shares held in the Trust and, subject to Maryland law, effective as of the date that the shares of Equity Stock have been transferred to the Trustee, the Trustee shall have the authority (at the Trustee's sole discretion)(i) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Company that the shares of Equity Stock have been transferred to the Trustee and (ii) to recast such vote in accordance with the desires of the Trustee acting for the benefit of the Charitable Beneficiary; provided, however, that if the Company has already taken irreversible corporate action, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article IX, until the Company has received notification that shares of Equity Stock have been transferred into a Trust, the Company shall be entitled to rely on its share transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes of stockholders.

SECTION 3.4. SALE OF SHARES BY TRUSTEE. Within 20 days of receiving notice from the Company that shares of Equity Stock have been transferred to the Trust, the Trustee of the Trust shall sell the shares held in the Trust to a person, designated by the Trustee, whose ownership of the shares will not violate the ownership limitations set forth in Section 2.1(a). Upon such sale, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 3.4. The Prohibited Owner shall receive the lesser of (1) the price paid by the Prohibited Owner for the shares or, if the Prohibited Owner did not give value for the shares in connection with the event causing the shares to be held in the Trust (E.G., in the case of a gift, devise or other such transaction), the Market Price of the shares on the day of the event causing the shares to be held in the Trust and (2) the price per share received by the Trustee from the sale or other disposition of the shares held in the Trust. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Company that shares of Equity Stock have been transferred to the Trustee, such shares are sold by a Prohibited Owner, then (i) such shares shall be deemed to have been sold on behalf of the Trust and (ii) to the extent that the Prohibited Owner received an amount for such shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 3.4, such excess shall be paid to the Trustee upon demand.

SECTION 3.5. PURCHASE RIGHT IN STOCK TRANSFERRED TO THE TRUSTEE. Shares of Equity Stock transferred to the Trustee shall be deemed to have been offered for sale to the Company, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in such transfer to the Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) and (ii) the Market Price on the date the Company, or its designee, accepts such offer. The Company shall have the right to accept such offer until the Trustee has sold the shares held in the Trust pursuant to Section 3.4.

Upon such a sale to the Company, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner.

SECTION 3.6. DESIGNATION OF CHARITABLE BENEFICIARIES. By written notice to the Trustee, the Company shall designate one or more nonprofit organizations to be the Charitable Beneficiary of the interest in the Trust such that (i) the shares of Equity Stock held in the Trust would not violate the restrictions set forth in Section 2.1(a) in the hands of such Charitable Beneficiary and (ii) each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code.

SECTION 4. NYSE TRANSACTIONS. Nothing in this Article IX shall preclude the settlement of any transaction entered into through the facilities of the NYSE or any other national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Article IX and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article IX.

SECTION 5. ENFORCEMENT. The Company is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article IX.

SECTION 6. NON-WAIVER. No delay or failure on the part of the Company or the Board of Directors in exercising any right hereunder shall operate as a waiver of any right of the Company or the Board of Directors, as the case may be, except to the extent specifically waived in writing.

ARTICLE X

INVESTMENT RESTRICTIONS

The investment policies set forth in this Article X shall be approved by a majority of the ~~Independent~~ Directors. Subject to the restrictions set forth in this Article X and so long as the Company qualifies as a REIT, a majority of the Directors ~~(including a majority of the Independent Directors)~~ may set the investment policies if they determine that such policies are in the best interests of the Company. The ~~Independent~~ Directors shall review the Company's investment policies at least annually to determine that the policies being followed are in the best interests of the Stockholders.

The Company shall not make investments in: (i) any foreign currency or bullion; (ii) short sales; and (iii) any security in any entity holding investments or engaging in activities prohibited by these Articles.

In addition to other investment restrictions imposed by the Directors from time to time consistent with the Company's objective to qualify as a REIT, the Company will observe the following restrictions on its investments:

(a) Not more than 10% of the Company's total assets will be invested in unimproved real property or mortgage loans on unimproved real property. For purposes of this paragraph, unimproved real properties does not include properties (i) acquired for the purpose of producing rental or other operating income, (ii) having development or construction in process, and (iii) under contract or planned for development or construction within one year from the Company's purchase thereof;

(b) The Company may not invest in commodities or commodity future contracts. Such limitation is not intended to apply to interest rate futures, when used solely for hedging purposes;

(c) The Company may not invest in contracts for the sale of real estate;

(d) The Company may not invest in or make mortgage loans unless an appraisal is obtained concerning the underlying property. Mortgage indebtedness on any property shall not exceed such property's appraised value. In cases in which the majority of Independent Directors so determine, and in all cases in which the mortgage loan involves the Advisor, the Sponsor, the Directors or any Affiliates, such appraisal must be obtained from an Independent Expert concerning the underlying property. The appraisal shall be maintained in the Company's records for at least five years, and shall be available for inspection and duplication by any Stockholder. In addition to the appraisal, a mortgagee's or owner's title insurance policy or commitment as to the priority of the mortgage or condition of the title must be obtained. The Company may not invest in real estate contracts of sale otherwise known as land sale contracts;

(e) The Company may not make or invest in mortgage loans, including construction loans, on any one property, if the aggregate amount of all mortgage loans outstanding on the property, including the loans of the Company, would exceed an amount equal to 85% of the appraised value of the property as determined by appraisal unless substantial justification exists because of the presence of other underwriting criteria provided that such loans would in no event exceed the appraised value of the property at the date of the loans;

(f) The Company may not make or invest in any mortgage loans that are subordinate to any mortgage or equity interest of the Advisor, the Sponsor, any Director or Affiliates thereof;

(g) The Company may not acquire securities in any company holding investments or engaging in activities prohibited by this Article X;

(h) The Company shall not invest in equity securities unless a majority of the Directors (including a majority of the Independent Directors) not otherwise interested in such transaction approves the transaction as being fair, competitive and

commercially reasonable. Investments in entities affiliated with the Sponsor, the Advisor, any Directors or Affiliates thereof are subject to the restrictions on joint venture investments. Notwithstanding these restrictions, the Company may purchase its own securities, when traded on a secondary market or on a national securities exchange or market, if a majority of the Directors (including a majority of the Independent Directors) determine such purchase to be in the best interests of the Company;

(i) The Company may not engage in any short sale or borrow, on an unsecured basis, if such borrowing will result in an Asset Coverage of less than 300%;

(j) To the extent the Company invests in Properties, a majority of the Directors shall approve the consideration paid for such Properties, based on the fair market value of the Property. If a majority of the Independent Directors determine, such fair market value shall be determined by a qualified independent real estate appraiser selected by the Independent Directors. In the event the Company acquires Property from the Advisor, the Sponsor, any Director, or Affiliates, the provisions of Section 6 of Article VIII are applicable;

(k) The Company may not invest in indebtedness (herein called: Junior Debt) secured by a mortgage on real property which is subordinate to the lien of other indebtedness (herein called: Senior Debt), except where the amount of such Junior Debt, plus the outstanding amount of the Senior Debt, does not exceed 90% of the appraised value of such Property, if after giving effect thereto, the value of all such investments of the Company (as shown on the books of the Company in accordance with generally accepted accounting principles, after all reasonable reserves but before provision for depreciation) would not then exceed 25% of the Company's tangible assets. The value of all investments in Junior Debt of the Company which does not meet the aforementioned requirements shall be limited to 10% of the Company's tangible assets (which would be included within the 25% limitation);

(l) The Company may not engage in trading, as compared with investment activities; and

(m) The Company may not engage in underwriting or the agency distribution of securities issued by others.

ARTICLE XI

STOCKHOLDERS

SECTION 1. ACCESS TO RECORDS. Any Stockholder and any designated representative thereof shall be permitted access to all records of the Company at all reasonable times, and may inspect and copy any of them for the purposes specified below. Inspection of the Company's books and records by a state securities administrator shall be provided upon reasonable notice and during normal business hours. In addition, an alphabetical list of names, addresses and business telephone numbers of the Stockholders of the Company along with the number of shares of Equity Stock held by each of them (the: Stockholder List) shall be maintained and updated quarterly as part of the books and records of the Company and shall be

available for inspection by any Stockholder or the Stockholder's designated agent at the business office of the Company upon the request of the Stockholder. A copy of the Stockholder List shall be mailed to any Stockholder requesting the Stockholder List within ten days of the request. The copy of the Stockholder List shall be printed in alphabetical order, on white paper, and in a readily readable type size (in no event smaller than 10-point type). The Company may impose a reasonable charge for expenses incurred in reproducing such list. The permitted purposes for which a Stockholder may request a copy of the Stockholder List include, without limitation, matters relating to Stockholders' voting rights under these Articles and the exercise of Stockholders' rights under federal proxy laws. If the Advisor or the Directors of the Company neglect or refuse to exhibit, produce or mail a copy of the Stockholder List as requested in accordance with and as required by applicable law and these Articles, the Advisor and the Directors shall be liable to any Stockholder requesting the Stockholder List, for the costs, including reasonable attorneys' fees, incurred by that Stockholder for compelling the production of the Stockholder List, and for actual damages suffered by any Stockholder by reason of such refusal or neglect. It shall be a defense to such liability that the actual purpose and reason for the requests for inspection or for a copy of the Stockholder List is to secure such list of Stockholders or other information for the purpose of selling such Stockholder List or copies thereof, or of using the same for a commercial purpose or other purpose not in the interest of the applicant as a Stockholder relative to the affairs of the Company). The Company may require the Stockholder requesting the Stockholder List to represent that the Stockholder List is not requested for a commercial purpose unrelated to the Stockholder's interest in the Company. The remedies provided hereunder to Stockholders requesting copies of the Stockholder List are in addition to, and shall not in any way limit, other remedies available to Stockholders under federal law, or the laws of any state.

SECTION 2. REPORTS AND MEETINGS.

(a) **REPORTS.** Each year the Company shall prepare an annual report of its operations. The report shall include a balance sheet, an income statement, and a surplus statement. The financial statements in the annual report shall be certified by an independent certified public accountant based on the accountant's examination of the books and records of the Company in

accordance with generally accepted auditing principles. The annual report shall also include: (i) the ratio of the costs of raising capital during the period to the capital raised; (ii) the aggregate amount of advisory fees and the aggregate amount of other fees paid to the Advisor and any Affiliate of the Advisor by the Company and including fees or charges paid to the Advisor and any Affiliate of the Advisor by third parties doing business with the Company; (iii) the Total Operating Expenses of the Company stated as a percentage of Average Assets and as a percentage of Net Income; (iv) a report from the ~~Independent~~ Directors that they believe the policies being followed by the Company are in the best interests of the Stockholders; and the basis for such determination; and (v) separately stated, full disclosure of all material terms, factors and circumstances surrounding any and all transactions involving the Company, the Advisor, the Directors and any Affiliates thereof occurring in the year for which the annual report is made. ~~Independent~~ Directors shall examine and comment in the annual report on the fairness of all transactions involving the Company. The annual report shall be submitted to each Stockholder at or before the annual meeting of the Stockholders and shall be placed on file at the

Company's principal office within the earlier of 20 days after the annual meeting of Stockholders or 120 days after the end of the Company's fiscal year.

(b) MEETINGS. Meetings of Stockholders shall be held at any place in the United States as is provided in the Bylaws or as set by the Board of Directors under provisions in the Bylaws.

There shall be an annual meeting of the Stockholders of the Company to elect Directors and transact any other business within a reasonable period (not less than 30 days) following delivery of the annual report, but within six months after the end of each fiscal year. The Directors, ~~including the Independent Directors,~~ are required to take reasonable steps to insure that the requirements of this Article XI are met. Special meetings of the Stockholders may be called by the President, a majority of the Directors ~~or a majority of the Independent Directors,~~ or any other person specified in the Bylaws, and shall be called by the Secretary of the Company upon written request (which states the purpose of the meeting and the matter(s) to be acted upon) of Stockholders holding in the aggregate not less than 10% of the outstanding shares of Equity Stock entitled to vote at such meeting. Upon receipt of such a written request, the Secretary of the Company shall inform the Stockholders making the request of the reasonably estimated cost of preparing and mailing a Notice of such meeting, notify each Stockholder entitled to Notice of the meeting within ten (10) days after receipt of the written Notice of a meeting and the purpose of the meeting to be held on a date not less than fifteen (15) nor more than sixty (60) days after distribution of such Notice. The Company will pay the reasonable cost of such notice and mailing for such a meeting.

Except as provided in the fourth sentence of the second paragraph of Section 2(c) of this Article XI, notice of any annual or special meeting of Stockholders shall be given not less than 10 nor more than 90 days before such meeting and shall state the purpose of the meeting and the matters to be acted upon.

ARTICLE XII

ARTICLE XIII

ROLL-UPS

SECTION 1. APPRAISAL. In connection with a proposed Roll-Up, an appraisal of all of the Company's assets shall be obtained from an Independent Expert. The appraisal will

be included in a prospectus used to offer the securities of a Roll-Up Entity and shall be filed with the Securities and Exchange Commission and the state regulatory commissions as an exhibit to the registration statement for the offering of the Roll-Up Entity's shares. Accordingly, an issuer using the appraisal shall be subject to liability for violation of Section 11 of the Securities Act of 1933, as amended, and comparable provisions under state laws for any material misrepresentations or material omissions in the appraisal.

The Company's assets shall be appraised in a consistent manner. The appraisal shall:

- (a) be based on an evaluation of all relevant information;
- (b) indicate the value of the Company's assets as of a date immediately prior to the announcement of the proposed Roll-Up transaction; and
- (c) assume an orderly liquidation of the Company's assets over a 12-month period.

The terms of the engagement of the Independent Expert shall clearly state that the engagement is for the benefit of the Company and its Stockholders. A summary of the independent appraisal, indicating all material assumptions underlying the appraisal, shall be included in a report to the Stockholders in connection with the proposed Roll-Up.

SECTION 2. STOCKHOLDER OPTIONS. Stockholders who vote :no on the proposed Roll-Up shall have the choice of:

- (a) accepting the securities of the Roll-Up Entity offered in the proposed Roll-Up; or
- (b) one of either:
 - (i) remaining as Stockholders of the Company and preserving their interests therein on the same terms and conditions as previously existed, or
 - (ii) receiving cash in an amount equal to the Stockholder's pro rata share of the appraised value of the net assets of the Company.

SECTION 3. RESTRICTIONS. The Company may not participate in any proposed Roll-Up which would:

Edgar Filing: INLAND WESTERN RETAIL REAL ESTATE TRUST INC - Form DEF 14A

- (b) result in the Stockholders having voting rights that are less than those provided in these Articles;

- (c) result in the Stockholders having greater liability than as provided in these Articles;

- (d) result in the Stockholders having rights to receive reports that are less than those provided in these Articles;
- (e) result in the Stockholders having access to records that are more limited than those provided in these Articles;
- (f) include provisions which would operate to materially impede or frustrate the accumulation of shares of Equity Stock by any purchaser of the securities of the Roll-Up Entity (except to the minimum extent necessary to preserve the tax status of the Roll-Up Entity);
- (g) limit the ability of an investor to exercise the voting rights of its securities in the Roll-Up Entity on the basis of the number of shares of Equity Stock held by that investor;
- (h) result in investors in the Roll-Up Entity having rights of access to the records of the Roll-Up Entity that are less than those provided in these Articles; or
- (i) place any of the costs of the transaction on the Company if the Roll-Up is not approved by a majority of the shares of Equity Stock;

provided, however, that nothing herein shall be construed to prevent participation in any proposed Roll-Up which would result in Stockholders having rights and restrictions comparable to those contained in this Article XIII. Approval of a majority of the voting shares of Equity Stock is required for the Company to engage in any Roll-Up which is in conformity with this Article XIII.

SECTION 4. GENERAL. The provisions of this Article XIII will cease to apply if the Board of Directors determines that it is no longer in the best interests of the Company to attempt, or continue, to qualify as a REIT.

ARTICLE XIV

AMENDMENTS AND EXTRAORDINARY ACTIONS

SECTION 1. GENERAL. The Company reserves the right from time to time to make any amendment to these Articles, now or hereafter authorized by law, including any amendment altering the terms or contract rights, as expressly set forth in these Articles, of any unissued shares of Equity Stock. All rights and powers conferred by these Articles on Stockholders, Directors and officers are granted subject to this reservation. All references to these Articles shall include all amendments thereto.

SECTION 2. STOCKHOLDERS APPROVAL. Subject to (a) the provisions of any class or series of Equity Stock at the time outstanding, (b) the restrictions on Roll-Ups described in Article XIII hereof so long as applicable, (c) the limitations described in Article IX

hereof, and (d) Section 3 of this Article XIV, the Directors may not, without the approval of holders of at least a majority of the outstanding voting shares of Equity Stock: (i) except as otherwise permitted under Maryland law or by specific provision in these Articles, amend these Articles or sell all or substantially all of the Company's assets other than in the ordinary course of the Company's business or in connection with liquidation and dissolution; nor (ii) except in each case to the extent the Maryland General Corporation Law permits such transactions to be approved solely by the Board of Directors, cause a merger, consolidation or share exchange of the Company; nor (iii) dissolve or liquidate the Company. The Company shall deem a sale of two-thirds or more of the Company's assets, based on the total number of Properties and mortgages owned by the Company, or the current fair market value of such Properties and mortgages, as a sale of substantially all of the Company's assets.

SECTION 3. BY STOCKHOLDERS. Notwithstanding any provision of law permitting or requiring such action to be taken or approved by the affirmative vote of the holders of shares entitled to cast a greater number of votes, the holders of a majority of the then outstanding voting shares of Equity Stock may, at a duly called meeting of such holders, vote to (i) amend these Articles, or (ii) dissolve the Company. Such action may also be taken by written consent of such holders.
