**Item 1.01. Entry into a Material Definitive Agreement.**

On September 4, 2006, Veritas DGC Inc., a Delaware corporation (the Company), and Compagnie Générale de Géophysique, a French société anonyme (CGG), entered into an Agreement and Plan of Merger, dated as of September 4, 2006 (the Merger Agreement), by and among the Company, CGG, Volnay Acquisition Co. I, a Delaware corporation and wholly owned subsidiary of CGG (Merger Sub I), and Volnay Acquisition Co. II, a Delaware corporation and wholly owned subsidiary of CGG (Merger Sub II), under which CGG has agreed to acquire all of the issued and outstanding shares of common stock, par value \$0.01 per share, of the Company (Company Common Stock). Under the terms of the Merger Agreement, which was approved by the Boards of Directors of both the Company and CGG, Merger Sub I will merge with and into the Company with the Company continuing as the surviving corporation, and immediately thereafter, the Company will merge with and into Merger Sub II with Merger Sub II continuing as the surviving corporation as a wholly owned subsidiary of CGG.

Total consideration for the Company Common Stock is fixed at approximately \$1.5 billion in cash and approximately 47 million American Depository Shares (the ADSs) of CGG, with each ADS representing one-fifth of an ordinary share, nominal value 2.00 per share, of CGG (each a CGG Ordinary Share). Under the terms of the Merger Agreement, stockholders of the Company will have the right to elect to receive cash or ADSs, subject to a proration if either cash or stock is oversubscribed. The per share consideration is initially set at \$75.00 in cash or 2.2501 ADSs and is subject to adjustment upwards or downwards so that each share of Company Common Stock receives consideration representing equal value. This adjustment, however, will not increase or decrease the total amount of cash or the total number of ADSs to be issued in the transaction. The stockholders of the Company will receive, in the aggregate, consideration comprised of approximately 51% ADSs and 49% cash.

Consummation of the transactions contemplated by the Merger Agreement is conditioned upon, among other things, (1) approval by the stockholders of the Company and CGG, (2) the receipt of all required regulatory approvals and (3) the effectiveness of the registration statement on Form F-4 and the registration statement on Form F-6 relating to the ADSs to be issued in the merger. In the event of a termination of the Merger Agreement under certain circumstances, the Company or CGG may be required to pay the other party certain termination fees as set forth in the Merger Agreement.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached to this report as Exhibit 2.1 and incorporated herein by reference. The Merger Agreement is filed herewith to provide investors with information regarding its terms. It is not intended to provide any other factual information about CGG or the Company. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by CGG and the Company to each other in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between CGG and the Company

rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about CGG or the Company.

In connection with the Merger Agreement, the Company entered into Amendment No. 2 ( Amendment No. 2 ) to the Rights Agreement dated May 15, 1997, as amended ( Rights Agreement ). Amendment No. 2 provides that (i) neither a Distribution Date nor a Stock Acquisition Date (in each case, as defined in the Rights Agreement) shall be deemed to have occurred, none of CGG, Merger Sub I, Merger Sub II or their respective affiliates or associates shall be deemed to have become an Acquiring Person (as defined in the Rights Agreement), and no holder of any Rights (as defined in the Rights Agreement) shall be entitled to exercise any rights thereunder, in any such case by reason of the approval, execution or delivery of the Merger Agreement or the commencement or, prior to the termination of the Merger Agreement, the consummation of any of the transactions contemplated by the Merger Agreement; and (ii) the Rights and the Rights Agreement will expire immediately prior to the Merger I Effective Time (as defined in the Merger Agreement)
