**Item 1.01. Entry into a Material Definitive Agreement.**

On March 31, 2008, Monsanto Company, a Delaware corporation (the Company), entered into a Sale and Purchase Agreement (the Agreement) with Delhi B.V., a private company with limited liability incorporated under the laws of the Netherlands (Seller), pursuant to which Seller agreed to sell to the Company all of the issued and outstanding shares in the capital of De Ruiter Seeds Group B.V., a private company with limited liability incorporated under the laws of the Netherlands (De Ruiter Seeds), and all of the issued and outstanding shares in the capital of Stagros Amsterdam B.V., a private company with limited liability incorporated under the laws of the Netherlands, (together with De Ruiter Seeds, De Ruiter). Following consummation of the acquisition, De Ruiter will be wholly owned by the Company.

A copy of the Agreement is filed as Exhibit 2.1 to this Form 8-K and is incorporated in this Item 1.01 by reference. The description of the Agreement set forth in this Item 1.01 is not complete and is qualified in its entirety by reference to the full text of the Agreement set forth on Exhibit 2.1 and readers are encouraged to review the Agreement in its entirety.

The consideration to be paid by the Company to the Seller for De Ruiter is based on an enterprise value for De Ruiter of \$546 million, which includes compensation for transaction expenses, and is to be reduced by net debt of approximately \$53 million, resulting in a cash purchase price to be paid at closing of \$486,848,914 (the Base Purchase Price). Upon closing, the economic risk of De Ruiter shall pass to the Company with effect from January 1, 2008.

The Agreement contains customary representations and warranties, covenants and other terms and conditions, including conditions relating to approvals under competition laws and regulations, and the closing is expected to occur as soon as possible following receipt of such approvals in the relevant jurisdictions. There can be no assurance that the transactions contemplated by the Agreement will be consummated.

In the Agreement, the parties have agreed to two alternative instances in which an additional amount or a termination fee may be payable from the Company to Seller:

- *Additional Amount if Transaction Closes After July 31:* in the event that the closing condition relating to competition clearance is not satisfied or waived on or before July 31, 2008, but the transaction is ultimately consummated, the Company has agreed to pay Seller at closing an amount equal to \$100,000 multiplied by the number of days between July 31, 2008 and the closing date; or
- *Termination Fee:* in the event that the closing condition relating to competition clearance is not satisfied or waived on or before December 31, 2008 and the Agreement is terminated by either party for that reason, a fee of 10% of the Base Purchase Price will become due and payable by the Company.
