Item 7.01 Regulation FD Disclosure.

On May 8, 2008, Vista Gold Corp. issued a press release furnished herewith as Exhibit 99.1.

Item 8.01 Other Events.

On May 8, 2008, Vista Gold Corp. (Vista or the Company) announced that its advisors and counsel in Mexico have confirmed their view that the Change of Land Use Permit for the Paredones Amarillos Project remains valid. Vista is currently evaluating the options for validation of the permit, which include initiating legal or administrative action seeking the annulment of the opinion rendered by the La Paz office of the Mexican Environmental and Natural Resource Service (SEMARNAT) (referred to in Vista s press release dated April 30, 2008). Management has held meetings with senior government officials in Baja California Sur in the last week and will be meeting with senior government officials in Mexico City in the coming weeks to confirm the status of the permit. Vista s management believes that any related issues will be resolved without any significant delay to the expected timing for completion of the definitive (bankable) feasibility study or the proposed timetable for the development of the Paredones Amarillos Project, but will provide further information as soon as it is in a position to do so.
