**Item 5.02** **Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On December 18, 2009, the Board of Directors (the Board) of United Therapeutics Corporation (the Company), acting upon the recommendation of its Nominating and Governance Committee, increased the size of the Board from nine to ten directors and appointed Hon. Tommy G. Thompson, former Secretary of the United States Department of Health and Human Services, to the newly-created board seat. The appointment is effective as of January 1, 2010. Governor Thompson will serve as a Class III director, and his term will expire at the Company's 2011 annual meeting of shareholders. Committee assignments for Governor Thompson have not yet been determined.

Before entering the private sector in 2005, Governor Thompson enjoyed a long and distinguished career in public service. As Secretary of Health and Human Services from 2001 to 2005, he was a leading advocate for the health and welfare of all Americans. He also served four terms as Governor of Wisconsin from 1987 to 2001. From 2005 to the present, Governor Thompson has served as a partner at the law firm of Akin Gump Strauss Hauer & Feld LLP in Washington, D.C. From 2005 to 2009, he also served as the Independent Chairman of the Deloitte Center for Health Solutions, which researches and develops solutions to some of our nation's most pressing health care and public health related challenges. Currently, he also serves as chairman of the board of directors of AGA Medical Holdings, Inc., and a member of the boards of directors of CareView Communications, Inc., Centene Corporation, CNS Response, Inc. and C.R. Bard, Inc. Governor Thompson continues to focus on developing solutions to the issues challenging the American health care system.

In connection with Governor Thompson's appointment to the Board, the Company will award him 27,500 stock options under the Company's Amended and Restated Equity Incentive Plan, representing an initial grant of 20,000 stock options and a grant of 7,500 stock options for the remainder of the 2009-2010 director service year. The stock options will be granted on January 1, 2010, with an exercise price equal to the closing price of the Company's common stock as reported on the NASDAQ Global Select Market on December 31, 2009. In addition, Governor Thompson will be compensated for his services as described in the discussion of director compensation in the Company's definitive proxy statement for its 2009 annual meeting of shareholders, filed with the Securities and Exchange Commission on April 29, 2009. The Company also entered into an indemnification agreement with Governor Thompson on the Company's standard form for directors and executive officers, effective January 1, 2010.

A copy of the press release announcing Governor Thompson's appointment is attached hereto as Exhibit 99.1 to this Current Report on Form 8-K.
