**Resolutions of Nokia Annual General Meeting 2010**

**Dividend of EUR 0.40 per share; Board and Committee members elected**

Helsinki, Finland -The Annual General Meeting of Nokia Corporation held on May 6, 2010 (the AGM) resolved to distribute a dividend of EUR 0.40 per share for 2009. The dividend ex-date is May 7, 2010 and the record date May 11, 2010. The dividend will be paid on or around May 25, 2010.

**Board and Committee members elected**

The AGM resolved to elect ten members to the Board. The following members of the Nokia Board were re-elected for a term until the close of the Annual General Meeting in 2011: Lalita D. Gupte, Dr. Bengt Holmström, Prof. Dr. Henning Kagermann, Olli-Pekka Kallasvuo, Per Karlsson, Isabel Marey-Semper, Jorma Ollila, Dame Marjorie Scardino, Risto Siilasmaa and Keijo Suila.

In its assembly meeting, the Board of Directors elected Jorma Ollila as Chairman of the Board, and Dame Marjorie Scardino as Vice Chairman of the Board.

The Board of Directors also elected the members of the Board Committees. Per Karlsson was elected Chairman and Henning Kagermann, Marjorie Scardino and Keijo Suila as members of the Personnel Committee. Risto Siilasmaa was elected as Chairman and Lalita D. Gupte and Isabel Marey-Semper as members of the Audit Committee. Marjorie Scardino was elected as Chairman and Per Karlsson and Risto Siilasmaa as members of the Corporate Governance and Nomination Committee.

The AGM resolved the following annual fees to be paid to the members of the Board of Directors for the term until the close of the Annual General Meeting in 2011: EUR 440 000 for the Chairman, EUR 150 000 for the Vice Chairman and EUR 130 000 for each member. In addition, the AGM resolved that the chairmen of the Audit Committee and the Personnel Committee will each be paid an additional annual fee of EUR 25 000, and other members of the Audit Committee an additional annual fee of EUR 10 000 each. The AGM also resolved, in line with the past practice, that approximately 40% of the remuneration will be paid in Nokia shares purchased from the market, which shares shall be retained until the end of the board membership in line with the Nokia policy (except for those shares needed to offset any costs relating to the acquisition of the shares, including taxes).

**Other resolutions of the Annual General Meeting**

The AGM re-elected PricewaterhouseCoopers Oy as the external auditor for Nokia for the fiscal period 2010.

The AGM resolved to amend the Articles of Association of the Company by amending the object of Company and the provisions on the publication of the notice to the General Meeting.

The AGM authorized the Board of Directors to resolve to repurchase a maximum of 360 million Nokia shares. The shares may be repurchased in order to develop the capital structure of the Company, finance or carry out acquisitions or

other arrangements, settle the Company's equity-based incentive plans, be transferred for other purposes, or be cancelled. The shares may be repurchased either through a tender offer made to all shareholders on equal terms, or through public trading from the stock market. The authorization is effective until June 30, 2011.

The AGM also authorized the Board of Directors to issue a maximum of 740 million shares through issuance of shares or special rights entitling to shares in one or more issues. The authorization may be used to develop the Company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, settle the Company's equity-based incentive plans, or for other purposes resolved by the Board. The authorization includes the right for the Board to resolve on all the terms and conditions of the issuance of shares and special rights entitling to shares, including issuance of shares or special rights in deviation from the shareholders' pre-emptive rights. The authorization is effective until June 30, 2013.

### **FORWARD-LOOKING STATEMENTS**

*It should be noted that certain statements herein which are not historical facts are forward-looking statements, including, without limitation, those regarding: A) the timing of the deliveries of our products and services and their combinations; B) our ability to develop, implement and commercialize new technologies, products and services and their combinations; C) expectations regarding market developments and structural changes; D) expectations and targets regarding our industry volumes, market share, prices, net sales and margins of products and services and their combinations; E) expectations and targets regarding our operational priorities and results of operations; F) the outcome of pending and threatened litigation; G) expectations regarding the successful completion of acquisitions or restructurings on a timely basis and our ability to achieve the financial and operational targets set in connection with any such acquisition or restructuring; and H) statements preceded by believe, expect, anticipate, foresee, target, estimate, designed, plans, will or similar expressions. These statements are based on best assumptions and beliefs in light of the information currently available to it. Because they involve risks and uncertainties, actual results may differ materially from the results that we currently expect. Factors that could cause these differences include, but are not limited to: 1) the competitiveness and quality of our portfolio of products and services and their combinations; 2) our ability to timely and successfully develop or otherwise acquire the appropriate technologies and commercialize them as new advanced products and services and their combinations, including our ability to attract application developers and content providers to develop applications and provide content for use in our devices; 3) our ability to effectively, timely and profitably adapt our business and operations to the requirements of the converged mobile device market and the services market; 4) the intensity of competition in the various markets where we do business and our ability to maintain or improve our market position or respond successfully to changes in the competitive environment; 5) the occurrence of any actual or even alleged defects or other quality, safety or security issues in our products and services and their combinations; 6) the development of the mobile and fixed communications industry and general economic conditions globally and regionally; 7) our ability to successfully manage costs; 8) exchange rate fluctuations, including, in particular, fluctuations between the euro, which is our reporting currency, and the US dollar, the Japanese yen and the Chinese yuan, as well as certain other currencies; 9) the success, financial condition and performance of our suppliers, collaboration partners and customers; 10) our ability to source sufficient amounts of fully functional components, sub-assemblies, software, applications and content without interruption and at acceptable prices and quality; 11) our success in collaboration arrangements with third parties relating to the development of new technologies, products and services, including applications and content; 12) our ability to manage efficiently our manufacturing and logistics, as well as to ensure the quality, safety, security and timely delivery of our products and services and their combinations; 13) our ability to manage our inventory and timely adapt our supply to meet changing demands for our products; 14) our ability to protect the complex technologies, which we or others develop or that we license, from claims that we have infringed third parties' intellectual property rights, as well as our unrestricted use on commercially acceptable terms of certain technologies in our products and services and their combinations; 15) our ability to protect numerous Nokia, NAVTEQ and Nokia Siemens Networks patented, standardized or proprietary technologies from third-party infringement or actions to invalidate the intellectual property rights of these technologies; 16) the impact of changes in government policies, trade policies, laws or regulations and economic or political*

*turmoil in countries where our assets are located and we do business; 17) any disruption to information technology systems and networks that our operations rely on; 18) our ability to retain, motivate, develop and recruit appropriately skilled employees; 19) unfavorable outcome of litigations; 20) allegations of possible health risks from electromagnetic fields generated by base stations and mobile devices and lawsuits related to them, regardless of merit; 21) our ability to achieve targeted costs reductions and increase profitability in Nokia Siemens Networks and to effectively and timely execute related restructuring measures; 22) developments under large, multi-year contracts or in relation to major customers in the networks infrastructure and related services business; 23) the management of our customer financing exposure, particularly in the networks infrastructure and related services business; 24) whether ongoing or any additional governmental investigations into alleged violations of law by some former employees of Siemens AG ( Siemens ) may involve and affect the carrier-related assets and employees transferred by Siemens to Nokia Siemens Networks; 25) any impairment of Nokia Siemens Networks customer relationships resulting from ongoing or any additional governmental investigations involving the Siemens carrier-related operations transferred to Nokia Siemens Networks; as well as the risk factors specified on pages 11-32 of Nokia's annual report Form 20-F for the year ended December 31, 2009 under Item 3D.*

*Risk Factors. Other unknown or unpredictable factors or underlying assumptions subsequently proving to be incorrect could cause actual results to differ materially from those in the forward-looking statements. Nokia does not undertake any obligation to publicly update or revise forward-looking statements, whether as a result of new information, future events or otherwise, except to the extent legally required.*
