Item 1.01**Entry into a Material Definitive Agreement.**

On January 14, 2011, Georgia Gulf Corporation (the Company, we or our) entered into an amendment to our senior secured asset-based revolving credit facility, or ABL Revolver, with General Electric Capital Corporation, as administrative agent, and General Electric Capital Corporation and Wachovia Capital Finance Corporation (New England), as co-collateral agents, and a syndicate of financial institutions and institutional lenders. The amendment extends the maturity date of the ABL Revolver by two years to January 13, 2016, and eliminates the \$15 million availability block (as defined in the ABL Revolver). In addition, the amendment reduces the unused commitment fees (as defined in the ABL Revolver) we are required to pay under the ABL Revolver in respect of the unutilized commitments thereunder, from 0.75% to 0.50% of the unutilized commitments if utilization (as defined in the ABL Revolver) is less than 50%, and from 0.50% to 0.375% if utilization is greater than or equal to 50%. The amendment also reduces the applicable margins (as defined in the ABL Revolver) for borrowings under the ABL Revolver and amends the average excess availability (as defined in the ABL Revolver) amounts to which those applicable margins relate to the amounts and percentages set out in the following table:

Revolving Loans and Swing Loans

Average Excess Availability	LIBOR Margin	Base Rate/Canadian Index Rate Margin
Greater than or equal to \$150,000,000	2.50%	1.50%
Greater than \$75,000,000 and less than \$150,000,000	2.75%	1.75%
Less than or equal to \$75,000,000	3.00%	2.00%
