Item 1.01. Entry into a Material Definitive Agreement.

Central Pacific Financial Corp. (the Company) previously reported that it entered into separate investment agreements, as amended (the Investment Agreements), with an affiliate of The Carlyle Group (Carlyle) and an affiliate of Anchorage Capital Group, L.L.C. (Anchorage) and collectively with Carlyle, the Lead Investors) and subscription agreements with certain additional investors (Additional Investors) and collectively with the Lead Investors, the Investors), pursuant to which each Investor agreed, subject to certain conditions, to invest in common stock, no par value, of the Company (the Common Stock) as part of the Company's expected \$325 million capital raise. On February 10, 2011, the Company entered into additional subscription agreements and amendments to the Investment Agreements and certain existing subscription agreements to finalize allocations of the \$325 million capital raise in anticipation of satisfying all closing conditions.

As a result of these amendments and new subscription agreements, each Lead Investor will be investing approximately \$94.6 million and the other investors will invest the remaining approximately \$135.8 million. The amendment to the Investment Agreement with each of Carlyle and Anchorage is filed as Exhibits 10.1 and 10.2, respectively. The form of subscription agreement was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K, filed on December 27, 2010.

The closing of the Lead Investors' and the other investors' investments remains subject to the exchange of the Company's preferred stock issued to the U.S. Department of the Treasury and accrued and unpaid dividends thereon for Common Stock; the receipt of requisite approvals from banking regulators; and other customary closing conditions.
