**FOR IMMEDIATE RELEASE**

**REGIS URGES SHAREHOLDERS TO VOTE TO SUPPORT THE  
VALUE-ENHANCING CHANGES ALREADY UNDERWAY**

*Regis Shareholders Should Protect their Investment and Vote FOR the Board's Nominees  
on the GOLD Proxy Card Today*

Minneapolis, MN October 20, 2011 Regis Corporation (NYSE: RGS) ( Regis ), the global leader in the \$160 billion hair care industry, announced today that it is mailing a letter to shareholders in connection with the Company's 2011 Annual Meeting of Shareholders, scheduled for October 27th.

The following is the text of the letter from Paul D. Finkelstein, Regis Chairman and Chief Executive Officer, and Randy L. Pearce, Regis President, on behalf of the Regis Board of Directors and its management team:

October 20, 2011

Dear Fellow Shareholder:

The 2011 Annual Meeting of Shareholders, scheduled for October 27th, is fast approaching, and your vote could impact the future of your investment in Regis. We are asking you to protect the value of that investment by supporting the significant changes that are underway at Regis through your vote at this important meeting.

**Your Board and management team are confident in the Company's future and committed to further enhancing shareholder value. We urge you to vote FOR all of Regis' director nominees using the enclosed GOLD proxy card. Since time is short, we encourage you to submit your vote by telephone or by Internet.**

**WE BELIEVE NONE OF THE STARBOARD NOMINEES HAS AS MUCH EXPERIENCE IN THE KEY AREAS OF OUR  
BUSINESS AS REGIS' HIGHLY QUALIFIED NOMINEES**

With diverse experience and senior leadership relevant to our business, we believe your Board's nominees are best equipped to help Regis successfully execute its plan to drive growth and long-term profitability.

We believe Starboard's lack of relevant retail experience is evident in its failure to address the single most important factor in creating significant shareholder value: strategies to increase salon sales. Your experienced Board and management team have identified strategies designed to increase salon customer satisfaction and retention, and are focused on aggressively implementing these strategies in order to grow sales and profits.

**THE INCUMBENT BOARD IS ALREADY A CHANGE AGENT**

Regis' revenue, cost cutting and governance initiatives have been in place long before Starboard's very recent entry into our stock. As a result, Regis is far along in addressing the issues recently brought forward by Starboard. Your Company has taken and continues to take aggressive actions to cut costs, decrease debt and create operational efficiencies that will drive long-term expense reduction. Furthermore, real value is growing the top line; cuts alone won't do it. Starting in 2008, Regis has maintained a consistent focus on improving its cost structure and strengthening its balance sheet. As of FY 2011, these initiatives have produced dramatic and meaningful results, including cost savings of \$48 million and debt reduction of \$490 million, and have further positioned our Company to realize significant additional savings:

- We expect to achieve \$40-50 million of additional cost savings over the next two fiscal years
- \$25-35 million to be achieved in FY 2012, and the remainder in FY 2013
- In aggregate, we expect to achieve \$80-90 million in cost savings from FY 2009 to FY 2013
- Targeted cuts are focused on:
  - Increasing technology use to reduce travel and printing expenses
  - Lowering salon payroll costs by reducing turnover and enhancing leveraged pay plans
  - Reducing interest expense
  - Lowering corporate G&A

**LEADERSHIP TRANSITION PLAN AND IMPORTANT GOVERNANCE CHANGES UNDERWAY TO LEAD THE COMPANY AND DRIVE SHAREHOLDER VALUE**

Significant management changes were announced prior to Starboard's investment and important change is underway:

- Announced new President, COO, CFO and head of business development
- Announced planned retirement of Paul Finkelstein as CEO in February 2012
- Upgraded the talent of our senior management team and announced the departure of three of five Executive Vice Presidents

## Edgar Filing: REGIS CORP - Form DEFA14A

- CEO succession-planning process began more than three years ago
- Randy Pearce was named President in February 2011, allowing the Board to carefully evaluate his performance, and has been appointed to serve as the Company's new CEO effective February 2012

In addition, you should be aware that the Regis Board has been keenly focused on corporate governance, and has taken the following actions:

- Two new independent directors have been added to the seven-member Board since 2008
- A new independent director candidate has been nominated for the 2011 Annual Meeting
- Determined to add an additional new independent Board member during 2012
- Committed to name a new independent Chairman by July 2012
- Three current Board members will transition off the Board by the 2012 Annual Meeting

Following these changes, the majority of Regis directors will have begun service in or after 2010. We are confident that these steps position the Company to deliver superior long-term value.

---

**THE ADDITION OF STARBOARD S SLATE OF DIRECTOR NOMINEES COULD HINDER THE EXECUTION OF THE COMPANY S LONG-TERM GROWTH PLAN**

Regis believes that it is not in the best interests of shareholders for over 40% of its Board to be representatives of a single and relatively recent shareholder with only a 5.2% interest in the Company. In our view, this could hinder the Board s ability to make the changes necessary to enhance shareholder value. We believe that it is in the best interests of Regis shareholders that the Board maintain its current course in order to carry out the strategy in place. It is our conviction that reasonable Board continuity is critical to the Company s success.

**STARBOARD HAS REJECTED REGIS GOOD-FAITH EFFORTS TO REACH A SETTLEMENT**

For over two months, your Board and management team have attempted to negotiate a settlement with Starboard, which we believe is in the best interests of our shareholders and includes reasonable board representation, a review of alternatives for non-core assets and aggressive operational goals. Given that Starboard holds just 5.2% of recently-acquired stock in Regis, the Company believes that board representation exceeding one director would provide Starboard with disproportionate representation on the Regis Board.

**LEADING PROXY ADVISORY FIRM GLASS LEWIS & CO. AGREES WITH REGIS BOARD SETTLEMENT PROPOSAL TO ELECT ONE STARBOARD NOMINEE TO THE REGIS BOARD**

Glass Lewis & Co., a leading independent proxy voting advisory firm, supports Regis proposal for a settlement with Starboard. In a recently published report, Glass Lewis noted that:

The Dissident has only held its shares in the Company for a short period though we acknowledge that it has acquired a substantial stake (more than 5%) in the Company and is among the top ten investors. Notably, the Company has also stated that it remains willing to settle with Starboard and provide it a single seat on the board. In our opinion, one seat on the Regis board is adequate in light [of] Starboard s economic interest and will provide the Dissident further insight to the Company s operations as well as the ability to participate in the ongoing strategic decisions and planning of the Company s turnaround.
