Item 1.01. Entry into a Material Definitive Agreement

On November 29, 2011, TE Connectivity Ltd., a Swiss corporation (the Company), submitted an irrevocable and binding offer (the Offer) to purchase the outstanding share capital of Deutsch Group SAS (Deutsch), a global leader in high-performance connectors for harsh environments, from its current shareholders (the Sellers) (the Proposed Transaction).

Pursuant to the Offer, the Company has agreed to enter into a share purchase agreement with the Sellers after completion of the required consultation with Deutsch's French workers councils and acceptance of the Offer by the Sellers. The total value of the Proposed Transaction amounts to 1.55 billion (approximately \$2.06 billion at current exchange rates), which amount includes Deutsch's financial debt to be repaid at closing. The consideration payable to the Sellers (1.15 billion or approximately \$1.53 billion at current exchange rates) will not be subject to an adjustment based on Deutsch's performance prior to closing and will accrue interest at a per annum rate of 5.5% after February 28, 2012 if the transaction has not closed prior to that date. The Company intends to finance the transaction with a combination of cash and debt.

In the event that the Sellers have not accepted the Offer by March 31, 2012, the Offer will lapse unless otherwise extended by the parties.

Completion of the Proposed Transaction will be subject to customary regulatory conditions including foreign investments approval by the French Ministry of Economy and Finance, approval of the Committee on Foreign Investment in the United States and antitrust clearances. The transaction terms also include customary termination rights, including a customary termination fee payable to Sellers if the transaction does not close. The transaction is expected to close in the third quarter of the Company's current fiscal year (April-June 2012).
