**Item 1.01. Entry into a Material Definitive Agreement**

On December 9, 2011, Magellan Health Services, Inc. (the Company) entered into a Senior Secured Credit Facility Credit Agreement with Citibank, N.A., Wells Fargo Bank, N.A., Bank of America, N.A., and U.S. Bank, N.A. that provides for an \$230.0 million Revolving Loan Commitment for the issuance of letters of credit for the account of the Company with a sublimit of up to \$70.0 million for revolving loans (the 2011 Credit Facility). The 2011 Credit Facility will mature on December 9, 2014.

The 2011 Credit Facility is guaranteed by substantially all of the subsidiaries of the Company and is secured by substantially all of the assets of the Company and the subsidiary guarantors.

Interest and fees payable under the Agreement shall be determined pursuant to the terms set forth in the 2011 Credit Facility.

The 2011 Credit Facility also contains certain affirmative and negative covenants customary for facilities of this type, including, furnishing to lenders periodic financial information of the Company and reports, proxy statements and registration statements filed with the Securities and Exchange Commission; maintenance of corporate existence and ability to do business; paying and discharging, at or before maturity, material obligations and liabilities; limitations on ability to consolidate, merge, or sell, lease or otherwise transfer all or substantially all assets; limitations on the incurrence of liens; limitation on the incurrence of debt; limitations on transactions with affiliates; and a total leverage ratio test.

The 2011 Credit Facility also contains certain events of default customary for facilities of this type (with customary grace periods), including, nonpayment of principal, interest, fees or other amounts when due; material inaccuracies of representations and warranties; violations of covenants; the occurrence of certain bankruptcy events; certain ERISA events; material judgments; changes of control; or the invalidity of the guaranty provided by the guarantors. Upon the occurrence of an event of default, any outstanding loans under the 2011 Credit Facility may be accelerated and/or the lenders' commitments may be terminated; provided, however, that upon the occurrence of certain insolvency or bankruptcy related events of default, all amounts payable under the 2011 Credit Facility will automatically become immediately due and payable, and the lenders' commitments will automatically terminate.

In the ordinary course of their respective businesses, one or more of the lenders, or their affiliates, have or may have various relationships with the Company and its subsidiaries involving the provision of a variety of financial services, including cash management, commercial banking, investment banking, advisory or other financial services, for which they received, or will receive, customary fees and expenses. In addition, the Company and its subsidiaries may have entered into interest rate and foreign exchange derivative arrangements with one or more lenders, or their affiliates.

The foregoing does not constitute a complete summary of the terms of the 2011 Credit Facility. A copy of the 2011 Credit Facility is attached hereto as Exhibit 4.1 and is incorporated into this Item 1.01 by reference.
