News Release

BROOKFIELD PROPERTY PARTNERS COMPLETES SUCCESSFUL TENDER OFFER

TAKES UP ADDITIONAL COMMON SHARES OF BROOKFIELD OFFICE PROPERTIES

US\$ unless otherwise specified.

April 1, 2014 Brookfield Property Partners L.P. (NYSE: BPY; TSX: BPY.UN) (Brookfield Property Partners or BPY) and its indirect subsidiaries Brookfield Office Properties Exchange LP and Brookfield Property Split Corp. (collectively with Brookfield Property Partners, the Offerors) today announced that the Offerors have taken up 24,149,997 additional common shares of Brookfield Office Properties Inc. (NYSE: BPO; TSX: BPO) (BPO) pursuant to their offer (the Offer) to acquire the common shares of BPO for consideration per BPO common share of either 1.0 limited partnership unit of Brookfield Property Partners or \$20.34 in cash. The consideration is subject to pro-ration based on a maximum number of BPY limited partnership units and maximum cash consideration equating to 67% and 33%, respectively, of the total number of BPO common shares subject to the Offer. The additional common shares of BPO were acquired at the expiry of the extension period of the Offer at 5:00 p.m. Eastern time on March 31, 2014.

As previously announced, the Offerors will now be pursuing a second stage transaction with BPO to acquire the remaining BPO common shares, which will proceed by way of a plan of arrangement under Canadian corporate law. BPO shareholders will be offered the same consideration under such transaction as was offered under the Offer, subject to pro-ration. BPO has delayed its annual meeting of shareholders, originally scheduled for April 24, 2014, to facilitate shareholder approval of this transaction. It is currently anticipated that the shareholder meeting to approve the second stage transaction will take place no later than June. Further information will be communicated in the near future.

The additional common shares taken up pursuant to the Offer represent 8.69% of the common shares subject to the Offer. Brookfield Property Partners will now own, directly or indirectly, 469,393,505 common shares of BPO, representing 89.02% of the issued and outstanding common shares on a fully-diluted basis.

Of the additional 24,149,997 common shares of BPO taken up, 21,189,009 were tendered for cash and 2,960,988 were tendered for limited partnership units. As BPO shareholders have elected to receive more cash than is available under the Offer at the extended take-up date, BPO shareholders who tendered during the extended offer period will receive 37.61% of the aggregate cash they elected to receive, and will receive the balance of their consideration in BPY limited partnership units, or exchangeable limited partnership units if elected, valuing each limited partnership unit at \$20.34. Shareholders electing to receive BPY limited partnership units, or exchangeable limited partnership units, will receive one limited partnership unit for each BPO common share tendered. After adjusting for pro-ration, 7,970,095 of the common shares taken up at the extended take-up date will be exchanged for cash and 16,179,902 common shares will be exchanged for limited partnership units.

Edgar Filing: Brookfield Office Properties Inc - Form 425

As pro-ration is calculated based on common shares tendered and the elections made on a particular take-up date, the pro-ration for the second stage transaction will be different than the pro-ration at the original take-up date and the extended take-up date. As the maximum amounts of cash and limited partnership units available at any particular take-up date are proportionate to the total maximum consideration amounts based on the number of common shares of BPO tendered at the particular take-up date, there remains available for the second stage transaction, \$388,690,066.88 (20.8% of the aggregate cash available) and 38,814,826 limited partnership units (20.8% of the aggregate limited partnership units available).

Shareholders of BPO who hold BPO common shares through a broker will receive their consideration through such broker, while shareholders holding in registered form will receive their consideration directly from the depositary. Shareholders who tendered during the extended offer period should receive their consideration in early April.

The Offer was made pursuant to a take-over bid circular dated February 11, 2014 included in an effective Registration Statement on Form F-4, a Transaction Statement on Schedule 13e-3 and a Tender Offer Statement on Schedule 14D1-F (collectively, with the accompanying letter of transmittal and related documents, the Exchange Offer Documents) previously filed with the U.S. Securities and Exchange Commission (the SEC). This communication is for informational purposes only and does not constitute an offer to exchange, or a solicitation of an offer to exchange, any securities, nor is it a substitute for the Exchange Offer Documents. The Offer was made only through the Exchange Offer Documents. Copies of the Exchange Offer Documents may be obtained without charge by directing a request by mail to CST Trust Company at P.O. Box 1036, Adelaide Street Postal Station, Toronto, ON M5C 2K4 or by calling toll free at 1-800-387-0825 or 416-682-3860, or at the SEC s website at www.sec.gov or at the Canadian securities regulatory authorities website at www.sedar.com.
