On May 21, 2015, the Compensation Committee (the *Committee*) of the Board of Directors of CTS Corporation, an Indiana corporation (the *Company*) approved performance-based stock option awards (*Stock Options*) for certain Company employees, including certain of the Company's named executive officers other than the Chief Executive Officer, under the CTS Corporation 2014 Performance and Incentive Compensation Plan (the *Plan*).

The following named executive officers of the Company received Stock Options with respect to the following number of shares of the Company's common stock, without par value: Kieran O Sullivan, 100,000 shares; Ashish Agrawal, 35,000 shares; Robert Patton, 20,000 shares; and Anthony Urban, 35,000 shares.

The Stock Options are subject to pro-rata accelerated exercisability in the event of an optionee's death or disability and achievement of the performance goal during the term, and accelerated exercisability if a change in control of the Company occurs and the Stock Options are not continued, replaced or assumed in connection with the change in control.
