LIABILITY FOR DAMAGES CAUSED BY THE INVESTMENT IN DEBT INSTRUMENTS ISSUED BY ENTITIES OF ESPÍRITO SANTO GROUP

PHAROL, SGPS S.A. (PHAROL), informs that in accordance with the resolution taken by the Board of Directors held on 27th May 2015, today has filed the judicial liability claim before the Lisbon's District Court, against Deloitte & Associados, SROC, S.A. and other entities of the Deloitte Network for breach of its contractual duties, namely as PHAROL's External Auditor, which are legal cause for the losses suffered with the investment in debt instruments issued by entities of Espírito Santo Group. PHAROL claims an indemnity corresponding to the difference between Euro 897,000,000.00 and any amount that PHAROL eventually recovers in the context of the insolvency proceeding of Rioforte, as well as other damages that may be evidenced during proceedings, plus interest counted from the date of service until effective and full payment.

As previously announced on 2nd October 2015, when was announced that the judicial liability claim against PHAROL's former directors was filed, this action does not affect PHAROL's rights of filing other liability claims against other directors (of the period 2012/2014) or against any third parties which in any way may be deemed liable for damages suffered by PHAROL as a consequence and/or related with the investments in Rioforte or other debt instruments issued by entities of Espírito Santo Group.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
